1.28 meanings given.

2.18 investment in the city in which the project would be located.

2.19 (b) The determination of whether to make a grant for a site is within the discretion of
2.20 the commissioner, subject to this section. The commissioner's decisions and application of
2.21 the criteria are not subject to judicial review, except for abuse of discretion.

2.22 Subd. 5. **Maximum grant amount.** A city may receive no more than \$30,000 per lot

 9.32 an authority may levy a tax upon all taxable property within that taxing district. The tax

10.1 shall be extended, spread, and included with and as a part of the general taxes for state,
 10.2 county, and municipal purposes by the county auditor, to be collected and enforced therewith,
 10.3 together with the penalty, interest, and costs. As the tax, including any penalties, interest,

 10.5 fund to be known as the "housing and redevelopment project fund." The money in the fund
 10.6 shall be turned over to the authority at the same time and in the same manner that the tax

 10.12 accordance with the budget procedure of the city in the same manner as required of executive
 10.13 departments of the city or, if no budgets are required to be filed, by August 1. The amount
 10.14 of the tax levy for the following year shall be based on that budget.

10.15 Sec. 10. Minnesota Statutes 2022, section 469.1763, subdivision 2, is amended to read:

 10.18 by properties in the district must be expended on activities in the district or to pay bonds,
 10.19 to the extent that the proceeds of the bonds were used to finance activities in the district or
 10.20 to pay, or secure payment of, debt service on credit enhanced bonds. For districts, other
 10.21 than redevelopment districts for which the request for certification was made after June 30,
 10.22 1995, the in-district percentage for purposes of the preceding sentence is 80 percent. Not
 10.23 more than 25 percent of the total revenue derived from tax increments paid by properties
 10.24 in the district may be expended, through a development fund or otherwise, on activities
 10.25 outside of the district but within the defined geographic area of the project except to pay,
 10.26 or secure payment of, debt service on credit enhanced bonds. For districts, other than
 10.27 redevelopment districts for which the request for certification was made after June 30, 1995,
 10.28 the pooling percentage for purposes of the preceding sentence is 20 percent. The revenues
 10.29 derived from tax increments paid by properties in the district that are expended on costs
 10.30 under section 469.176, subdivision 4h, paragraph (b), may be deducted first before calculating
 10.31 the percentages that must be expended within and without the district.

10.32 (b) ~~In the case of a housing district, a housing project, as defined in section 469.174,~~
 10.33 ~~subdivision 11, is an activity in the district.~~ The following are considered activities in the
 10.34 district:

11.1 (1) a housing project, as defined in section 469.174, subdivision 11; and
 11.2 (2) a transfer of increments to an affordable housing trust fund established pursuant to
 11.3 section 462C.16 for expenditures made in conformity with the political subdivision's
 11.4 ordinance and policy establishing the trust fund. Any transfers made pursuant to this clause
 11.5 are not subject to the annual reporting requirements imposed by section 469.175.

11.6 (c) All administrative expenses are for activities outside of the district, except that if the
 11.7 only expenses for activities outside of the district under this subdivision are for the purposes
 11.8 described in paragraph (d), administrative expenses will be considered as expenditures for
 11.9 activities in the district.

11.10 (d) The authority may elect, in the tax increment financing plan for the district, to increase
 11.11 by up to ~~ten~~ 25 percentage points the permitted amount of expenditures for activities located
 11.12 outside the geographic area of the district under paragraph (a). As permitted by section
 11.13 469.176, subdivision 4k, the expenditures, including the permitted expenditures under
 11.14 paragraph (a), need not be made within the geographic area of the project. Expenditures
 11.15 that meet the requirements of this paragraph are legally permitted expenditures of the district,
 11.16 notwithstanding section 469.176, subdivisions 4b, 4c, and 4j. To qualify for the increase
 11.17 under this paragraph, the expenditures must:

11.18 (1) be used exclusively to assist housing that meets the requirement for a qualified
 11.19 low-income building, as that term is used in section 42 of the Internal Revenue Code; and

11.20 (2) not exceed the qualified basis of the housing, as defined under section 42(c) of the
 11.21 Internal Revenue Code, less the amount of any credit allowed under section 42 of the Internal
 11.22 Revenue Code; and

11.23 (3) be used to:

11.24 (i) acquire and prepare the site of the housing;

11.25 (ii) acquire, construct, or rehabilitate the housing; or

11.26 (iii) make public improvements directly related to the housing; or
