3.32 Subd. 3. **Definitions.** (a) The terms defined in this subdivision have the meanings
3.33 given them for purposes of this act.

3.34 (b) "Bullying" means use of one or a series of words, images, or actions, transmitted
3.35 directly or indirectly between individuals or through technology, that a reasonable person
3.36 knows or should know, under the circumstances, will have the effect of interfering with

4.1 the ability of an individual, including a student who observes the conduct, to participate
4.2 in a safe and supportive learning environment. Examples of bullying may include, but
4.3 are not limited to, conduct that:

4.4 (1) places an individual in reasonable fear of harm to person or property, including
4.5 through intimidation;

4.6 (2) has a detrimental effect on the physical, social, or emotional health of a student;

4.7 (3) interferes with a student's educational performance or ability to participate in
4.8 educational opportunities;

4.9 (4) encourages the deliberate exclusion of a student from a school service, activity,
4.10 or privilege;

4.11 (5) creates or exacerbates a real or perceived imbalance of power between students;

4.12 (6) violates the reasonable expectation of privacy of one or more individuals; or

4.13 (7) relates to the actual or perceived race, ethnicity, color, creed, religion, national
4.14 origin, immigration status, sex, age, marital status, familial status, socioeconomic status,
4.15 physical appearance, sexual orientation, gender identity and expression, academic status,
4.16 disability, or status with regard to public assistance, age, or any additional characteristic
4.17 defined in chapter 363A of a person or of a person with whom that person associates, but
4.18 the conduct does not rise to the level of harassment.

4.19 (c) "Cyberbullying" means bullying through use of technology or any electronic
4.20 communication, including, but not limited to, a transfer of signs, signals, writing, images,
4.21 sounds, or data, including a post on a social network Internet Web site or forum transmitted
4.22 through a computer, cell phone, or other electronic device.

4.23 (d) "Harassment" means intimidating or abusive behavior toward an individual based
4.24 on actual or perceived race, ethnicity, color, creed, religion, national origin, immigration
4.25 status, sex, age, marital status, familial status, socioeconomic status, physical appearance,
4.26 sexual orientation, gender identity and expression, academic status, disability, or status
4.27 with regard to public assistance, age, or any additional characteristic defined in chapter
4.28 363A that creates a hostile environment by interfering with or denying a student or other
4.29 individual the ability to participate in or receive a benefit, service, or opportunity in a
4.30 district or school program. Harassing conduct is unwelcome if the person does not request
4.31 or invite it and considers the conduct to be undesirable or offensive.

4.32 (e) "Intimidation" means a method used to bully or harass an individual.

4.33 (f) "Prohibited conduct" means bullying, cyberbullying, harassment, or intimidation

5.1 includes discriminatory conduct based on a person's actual or perceived race, ethnicity,
5.2 color, creed, religion, national origin, immigration status, sex, marital status, familial
5.3 status, socioeconomic status, physical appearance, sexual orientation, gender identity and
5.4 expression, academic status, disability, or status with regard to public assistance, age,
5.5 or any additional characteristic defined in chapter 363A, as well as association with a
5.6 person or group of persons with one or more of these actual or perceived characteristics;
5.7 however, prohibited conduct need not be based on any particular characteristic defined
5.8 in this paragraph or chapter 363A. Each district and school must list in their policy the
5.9 characteristics identified in this paragraph.

5.10 (g) "Remedial response" means a measure to stop and correct prohibited conduct,
5.11 prevent prohibited conduct from recurring, and protect, support, and intervene on behalf
5.12 of the student who is the target of the prohibited conduct. Districts and schools may
5.13 seek the assistance of the school climate center under section 127A.052 to develop and
5.14 implement remedial responses on behalf of a student who is the target of prohibited
5.15 conduct, to stop and correct a student engaging in prohibited conduct, and for use with
5.16 students and adults in the school community. Districts and schools need not report the
5.17 use of remedial responses when their use is unrelated to any particular incident of student
5.18 bullying, cyberbullying, harassment, or intimidation.

5.19 Subd. 4. **Local policy components.** (a) Each district and school policy, in
5.20 prohibiting bullying, cyberbullying, harassment, and intimidation against all students and

5.26 fully implemented, and serve as the primary contact on policy and procedural matters
5.27 implicating both the district or school and the department;

5.28 (2) require school employees and trained volunteers who witness bullying,
5.29 cyberbullying, harassment, or intimidation incidents or possess reliable information

5.32 primary contact person;

5.33 (3) provide a procedure to promptly investigate a bullying, cyberbullying,
5.34 harassment, or intimidation report within three school days of the report, and make the
5.35 primary contact person responsible for the investigation and any resulting record and for
5.36 keeping and regulating access to any record;

6.1 (4) indicate how a school will respond to an identified incident of bullying,

6.5 the prohibited conduct, or law enforcement officials; providing other remedial responses
6.6 to the prohibited conduct; and ensuring that remedial responses are tailored to the
6.7 particular incident and nature of the conduct and the student's developmental age and

6.20 procedures, and standards of conduct, and the student handbook on school policies
6.21 to publicize the policy;

6.22 (10) require annual reporting, collection, and analysis of summary data on incidents
6.23 of bullying, cyberbullying, harassment, and intimidation and on remedial responses both
6.24 to individuals and throughout the school; and

6.25 (11) require ongoing professional development, consistent with section 122A.60,
6.26 to build the skills of all school personnel and volunteers, including, but not limited to,
6.27 educators, administrators, school nurses, cafeteria workers, custodians, bus drivers, athletic

 7.12 prevention and intervention programs available to students, school personnel, and parents.
 7.13 Upon request, the school climate center under section 127A.052 must assist a district
 7.14 or school in helping students understand social media and cyberbullying. Districts
 7.15 and schools must establish strategies for creating a positive school climate and use
 7.16 evidence-based social-emotional learning to prevent and reduce discrimination and other
