1.9 Section 1. [179A.50] REPRESENTATION OF FAMILY CHILD CARE
 1.10 PROVIDERS.

1.11 Sections 179A.50 to 179A.52 shall be known as the Family Child Care Providers
 1.12 Representation Act.

1.13 Sec. 2. [179A.51] DEFINITIONS.

1.14 Subdivision 1. Scope. For the purposes of sections 179A.50 to 179A.52, the terms
 1.15 in this section have the meanings given them.

1.16 Subd. 2. Commissioner. "Commissioner" means the commissioner of mediation
 1.17 services.

1.18 Subd. 3. Exclusive representative. "Exclusive representative" means an employee
 1.19 organization that has been elected and certified under section 179A.52, thereby maintaining
 1.20 the right to represent family child care providers in their relations with the state.

1.21 Subd. 4. Family child care provider. "Family child care provider" means an
 1.22 individual, either licensed or unlicensed, who provides legal child care services as defined
 1.23 under section 245A.03, except for providers licensed under Minnesota Rules, chapter

2.1 9503, or excluded from licensure under section 245A.03, subdivision 2, paragraph (a),
2.2 clause (5), and who provides subsidized child care services for a child or children currently
2.3 in their care under sections 119B.011, subdivisions 20 and 20a; 119B.03; and 119B.05.

2.4 Sec. 3. **[179A.52] RIGHT TO ORGANIZE.**

2.5 Subdivision 1. **Right to organize; limitations.** Family child care providers shall
2.6 have the right to form, join, and participate in the activities of employee organizations of
2.7 their own choosing for the purpose of representation and meeting and negotiating with
2.8 the state. Sections 179A.06, subdivisions 3 and 6, and 179A.22 apply to family child
2.9 care providers except as otherwise provided in this section. Family child care providers
2.10 have the rights and obligations of public employees only for the purposes of meeting and
2.11 negotiating on issues specified in subdivision 7, paragraph (a), and purposes related to
2.12 meeting and conferring as provided in this section. This section does not grant family child
2.13 care providers status as public employees for any other purpose than the use of procedures
2.14 in this chapter for the right to organize, mediate, and negotiate related to the issues specified
2.15 in subdivision 7, paragraph (a), and to meet and confer as set forth in this section. This
2.16 chapter applies to the relations between the state, the exclusive representative, and family
2.17 child care providers only for purposes of this section. Family child care providers shall
2.18 have the same rights to interest arbitration provided under section 179A.16, subdivision 2,
2.19 to essential employees. Family child care providers shall not have the right to strike.

2.20 The commissioner of human services may administer section 179A.06, subdivision
2.21 6, for the purposes of this section only.

2.22 Subd. 2. **Appropriate unit.** The only appropriate unit under this section shall be a
2.23 statewide unit of all family child care providers. The unit shall be treated as an appropriate
2.24 unit under section 179A.10, subdivision 2.

2.25 Subd. 3. **Certification; process.** For the purposes of determining certification
2.26 under section 179A.12, the commissioner shall utilize a list of family child care providers
2.27 compiled by the commissioner of human services over the most recent 12-month period.
2.28 The commissioner shall conduct a certification election by mail ballot pursuant to the
2.29 procedures in this chapter.

2.30 Subd. 4. **Compilation of list.** The commissioner of human services shall, by July 1,
2.31 2013, and monthly thereafter, compile and maintain a list of the names and addresses of
2.32 all family child care providers who have had an active registration under chapter 119B
2.33 within the previous 12 months. The list shall not include the name of any participant, or
2.34 indicate that an individual provider is a relative of a participant or has the same address as
2.35 a participant. The commissioner shall share the lists with others as needed for the state

3.1 to meet its obligations under this chapter as modified and made applicable to family
3.2 child care providers under this section, and to facilitate the representational processes
3.3 under this section.

3.4 Subd. 5. **List access.** Beginning July 1, 2013, upon a showing made to the
3.5 commissioner of the Bureau of Mediation Services by any employee organization wishing
3.6 to represent the appropriate unit of family child care providers that at least 500 family
3.7 child care providers support such representation, the commissioner of human services
3.8 shall provide to such organization within seven days the most recent list of family child
3.9 care providers compiled under subdivision 4, and subsequent monthly lists upon request
3.10 for an additional three months.

3.11 Subd. 6. **Elections for exclusive representative.** After July 31, 2013, any employee
3.12 organization wishing to represent the appropriate unit of family child care providers may
3.13 seek exclusive representative status pursuant to section 179A.12. Representation elections
3.14 for family child care providers shall be conducted by mail ballot, and such election shall
3.15 be conducted upon an appropriate petition stating that at least ten percent of the unit
3.16 wishes to be represented by the petitioner. The family child care providers eligible to
3.17 vote in any such election shall be those family child care providers on the monthly list
3.18 of family child care providers compiled under this section, most recently preceding the
3.19 filing of the election petition. Except as otherwise provided, elections under this clause
3.20 shall be conducted in accordance with section 179A.12.

3.21 Subd. 7. **Meet and negotiate.** (a) If the commissioner certifies an employee
3.22 organization as the majority exclusive representative, the state, through the commissioner
3.23 of management and budget, shall meet and negotiate in good faith with the exclusive
3.24 representative of the family child care provider unit on the following issues:

3.25 (1) child care assistance reimbursement rates under chapter 119B;

3.26 (2) fringe benefits, including those paid upon termination, but not retirement
3.27 contributions or benefits, and not other benefits to be paid when a person is no longer a
3.28 family child care provider; and

3.29 (3) grievance procedures regarding matters in clauses (1) and (2).

3.30 (b) This obligation does not compel the state or its representatives to agree to a
3.31 proposal or require the making of a concession. The commissioner of management and
3.32 budget is authorized to enter into agreements with the exclusive representative on issues
3.33 specified in paragraph (a).

3.34 Subd. 8. **Legislative action on agreements.** Any interest arbitration award or
3.35 negotiated agreement reached between the state and the exclusive representative of the
3.36 family child care provider unit under this chapter shall be submitted to the legislature to be

4.1 accepted or rejected in accordance with sections 3.855 and 179A.22, subject to section
4.2 179A.20, subdivisions 2 and 5.

4.3 Subd. 9. **Meet and confer.** The state has an obligation to meet and confer under this
4.4 chapter with the exclusive representative of the family child care provider unit to discuss
4.5 policies and other matters relating to their working conditions.

4.6 Subd. 10. **Exemption; federal law.** In affording family child care providers
4.7 the right to engage in collective action, select a representative, and jointly engage in
4.8 discussions with the state under the terms of this section, the state intends that the "state
4.9 action" exemption from federal antitrust laws be fully available to the state, based on
4.10 the state's active supervision of family child care providers to improve the quality,
4.11 accessibility, and affordability of early childhood education services in the state.

4.12 Subd. 11. **Rights.** Nothing in this section shall be construed to interfere with:

4.13 (1) parental rights to select and deselect family child care providers or the ability of
4.14 family child care providers to establish the rates they charge to parents;

4.15 (2) the right or obligation of any state agency to communicate or meet with any
4.16 citizen, including other family child care providers, or organization concerning family
4.17 child care legislation, regulation, or policy on any topic that is not specified in subdivision
4.18 7, paragraph (a); or

4.19 (3) the rights and responsibilities of family child care providers under federal law.

4.20 Subd. 12. **Membership status and eligibility for subsidies.** Membership status in
4.21 an employee organization shall not affect the eligibility of a family child care provider to
4.22 receive payments under, or serve a child who receives payments under, chapter 119B.

4.23 Sec. 4. **[179A.53] NO USE OF SCHOLARSHIPS FOR DUES OR FEES.**

4.24 Early learning scholarships shall not be applied, through state withholding or
4.25 otherwise, toward payment of dues or fees that are paid to exclusive representatives of
4.26 family child care providers.

4.27 Sec. 5. **SEVERABILITY.**

4.28 Should any part of this act be declared invalid or unenforceable, or the enforcement
4.29 or compliance with it is suspended, restrained, or barred, either by the state or by the final
4.30 judgment of a court of competent jurisdiction, the remainder of this act shall remain
4.31 in full force and effect.

If an exclusive representative is certified pursuant to this section, the mutual rights and obligations of the state and an exclusive representative of individual providers to meet and negotiate regarding terms and conditions shall extend only to the following issues:

(1) compensation rates and payment terms and practices;

(2) fringe benefits, including those that are paid for or funded per hour of service of an individual provider, but not for state retirement payments or other benefits to be paid by the state when a person no longer intends to be an individual provider;

(3) access to training and educational opportunities, including training funds, for individual providers;

6.6 Subd. 4. **Rights of covered program participants.** No provision of any agreement
6.7 reached between the state and any exclusive representative of individual providers,
6.8 nor any arbitration award, shall interfere with the rights of participants or participants'
6.9 representatives to select, hire, direct, supervise, and terminate the employment of their
6.10 individual providers; to manage an individual service budget regarding the amounts and
6.11 types of authorized goods or services received; or to receive direct support services from
6.12 individual providers not referred to them through a state registry.

6.29 providers support such representation, the commissioner of human services shall provide
6.30 to such organization within seven days the most recent list of individual providers
6.31 compiled under section 256B.0711, subdivision 11, paragraph (g), and subsequent
6.32 monthly lists upon request for an additional three months.

 7.12 engage in collective action, select a representative, and jointly engage in discussions with
 7.13 the state under the terms of this section, the state intends that the "state action" exemption
 7.14 from federal antitrust laws be fully available to the state, based on the state's active

11.16 (iii) provide for appropriate employment opportunities for individual providers and a
11.17 means by which they may more easily remain available to provide services to participants
