Minnesota Statutes 2012, section 253B.18, subdivision 4c, is amended to 1 20 read: 1 21 Subd. 4c. Special review board. (a) The commissioner shall establish one or more 1 22 panels of a special review board. The board shall consist of three members experienced 1.23 in the field of mental illness. One member of each special review board panel shall be a 1.24 psychiatrist or a doctoral level psychologist with forensic experience and one member 1 25 shall be an attorney. No member shall be affiliated with the Department of Human 1.26 Services. The special review board shall meet at least every six months and at the call of 1.27 the commissioner. It shall hear and consider all petitions for a reduction in custody or to 1.28

appeal a revocation of provisional discharge. A "reduction in custody" means transfer
from a secure treatment facility, discharge, and provisional discharge. Patients may be
transferred by the commissioner between secure treatment facilities without a special
review board hearing.

2.5 Members of the special review board shall receive compensation and reimbursement
2.6 for expenses as established by the commissioner.

(b) A petition filed by a person committed as mentally ill and dangerous to the public
under this section must be heard as provided in subdivision 5 and, as applicable, subdivision
13. A petition filed by a person committed as a sexual psychopathic personality or as a
sexually dangerous person under section 253B.185, or committed as both mentally ill and
dangerous to the public under this section and as a sexual psychopathic personality or as a
sexually dangerous person must be heard as provided in section 253B.185, subdivision 9.

2.13 Sec. 2. Minnesota Statutes 2012, section 256B.0943, subdivision 1, is amended to read:
2.14 Subdivision 1. Definitions. For purposes of this section, the following terms have
2.15 the meanings given them.

(a) "Children's therapeutic services and supports" means the flexible package of
mental health services for children who require varying therapeutic and rehabilitative
levels of intervention. The services are time-limited interventions that are delivered using
various treatment modalities and combinations of services designed to reach treatment
outcomes identified in the individual treatment plan.

(b) "Clinical supervision" means the overall responsibility of the mental health
professional for the control and direction of individualized treatment planning, service
delivery, and treatment review for each client. A mental health professional who is an
enrolled Minnesota health care program provider accepts full professional responsibility
for a supervisee's actions and decisions, instructs the supervisee in the supervisee's work,
and oversees or directs the supervisee's work.

2.27 (c) "County board" means the county board of commissioners or board established2.28 under sections 402.01 to 402.10 or 471.59.

2.29

(d) "Crisis assistance" has the meaning given in section 245.4871, subdivision 9a.

(e) "Culturally competent provider" means a provider who understands and can
utilize to a client's benefit the client's culture when providing services to the client. A
provider may be culturally competent because the provider is of the same cultural or
ethnic group as the client or the provider has developed the knowledge and skills through
training and experience to provide services to culturally diverse clients.

3.1 (f) "Day treatment program" for children means a site-based structured program
3.2 consisting of group psychotherapy for more than three individuals and other intensive
3.3 therapeutic services provided by a multidisciplinary team, under the clinical supervision
3.4 of a mental health professional.

3.5 (g) "Diagnostic assessment" has the meaning given in section 245.4871, subdivision
3.6 H Minnesota Rules, part 9505.0372, subpart 1.

(h) "Direct service time" means the time that a mental health professional, mental 3.7 health practitioner, or mental health behavioral aide spends face-to-face with a client 38 and the client's family. Direct service time includes time in which the provider obtains 3.9 a client's history or provides service components of children's therapeutic services and 3.10 supports. Direct service time does not include time doing work before and after providing 3.11 direct services, including scheduling, maintaining clinical records, consulting with others 3.12 about the client's mental health status, preparing reports, receiving clinical supervision, 3.13 and revising the client's individual treatment plan. 3.14

(i) "Direction of mental health behavioral aide" means the activities of a mental
health professional or mental health practitioner in guiding the mental health behavioral
aide in providing services to a client. The direction of a mental health behavioral aide
must be based on the client's individualized treatment plan and meet the requirements in
subdivision 6, paragraph (b), clause (5).

3.20 (j) "Emotional disturbance" has the meaning given in section 245.4871, subdivision
3.21 15. For persons at least age 18 but under age 21, mental illness has the meaning given in
3.22 section 245.462, subdivision 20, paragraph (a).

3.23 (k) "Individual behavioral plan" means a plan of intervention, treatment, and
3.24 services for a child written by a mental health professional or mental health practitioner,
3.25 under the clinical supervision of a mental health professional, to guide the work of the
3.26 mental health behavioral aide.

3.27 (1) "Individual treatment plan" has the meaning given in section 245.4871,
3.28 subdivision 21.

(m) "Mental health behavioral aide services" means medically necessary one-on-one
activities performed by a trained paraprofessional to assist a child retain or generalize
psychosocial skills as taught by a mental health professional or mental health practitioner
and as described in the child's individual treatment plan and individual behavior plan.
Activities involve working directly with the child or child's family as provided in

3.34 subdivision 9, paragraph (b), clause (4).

3.35 (n) "Mental health practitioner" means an individual as defined in section 245.4871,
3.36 <u>subdivision 26.</u>

4.1 (o) "Mental health professional" means an individual as defined in section 245.4871,
4.2 subdivision 27, clauses (1) to (6), or tribal vendor as defined in section 256B.02,

4.3 subdivision 7, paragraph (b).

- 4.4 (o) "Preschool program" means a day program licensed under Minnesota Rules,
 4.5 parts 9503.0005 to 9503.0175, and enrolled as a children's therapeutic services and
 4.6 supports provider to provide a structured treatment program to a child who is at least 33
 4.7 months old but who has not yet attended the first day of kindergarten.
- (p) "Skills training" means individual, family, or group training, delivered by or
 under the direction of a mental health professional, designed to facilitate the acquisition
 of psychosocial skills that are medically necessary to rehabilitate the child to an
 age-appropriate developmental trajectory heretofore disrupted by a psychiatric illness
 or to self-monitor, compensate for, cope with, counteract, or replace skills deficits or
 maladaptive skills acquired over the course of a psychiatric illness. Skills training is
 subject to the following requirements:
- 4.15 (1) a mental health professional or a mental health practitioner must provide skills4.16 training;
- 4.17 (2) the child must always be present during skills training; however, a brief absence
 4.18 of the child for no more than ten percent of the session unit may be allowed to redirect or
 4.19 instruct family members;
- 4.20 (3) skills training delivered to children or their families must be targeted to the
 4.21 specific deficits or maladaptations of the child's mental health disorder and must be
 4.22 prescribed in the child's individual treatment plan;
- 4.23 (4) skills training delivered to the child's family must teach skills needed by parents
 4.24 to enhance the child's skill development and to help the child use in daily life the skills
 4.25 previously taught by a mental health professional or mental health practitioner and to
 4.26 develop or maintain a home environment that supports the child's progressive use skills;
- 4.27 (5) group skills training may be provided to multiple recipients who, because of the
 4.28 nature of their emotional, behavioral, or social dysfunction, can derive mutual benefit from
 4.29 interaction in a group setting, which must be staffed as follows:
- (i) one mental health professional or one mental health practitioner under supervision
 of a licensed mental health professional must work with a group of four to eight clients; or
 (ii) two mental health professionals or two mental health practitioners under
 supervision of a licensed mental health professional, or one professional plus one
- 4.34 practitioner must work with a group of nine to 12 clients.
- 4.35

Sec. 3. Minnesota Statutes 2012, section 256B.0943, subdivision 3, is amended to read:

5.1	Subd. 3. Determination of client eligibility. A client's eligibility to receive
5.2	children's therapeutic services and supports under this section shall be determined based
5.3	on a diagnostic assessment by a mental health professional or a mental health practitioner
5.4	who meets the requirements as a clinical trainee as defined in Minnesota Rules, part
5.5	9505.0371, subpart 5, item C, that is performed within 180 days of one year before
5.6	the initial start of service. The diagnostic assessment must meet the requirements for
5.7	a standard or extended diagnostic assessment as defined in Minnesota Rules, part
5.8	9505.0372, subpart 1, items B and C, and:
5.9	(1) include current diagnoses on all five axes of the client's current mental health
5.10	status;
5.11	(2) determine whether a child under age 18 has a diagnosis of emotional disturbance
5.12	or, if the person is between the ages of 18 and 21, whether the person has a mental illness;
5.13	(3) document children's therapeutic services and supports as medically necessary to
5.14	address an identified disability, functional impairment, and the individual client's needs
5.15	and goals;
5.16	(4) be used in the development of the individualized treatment plan; and
5.17	(5) be completed annually until age 18. A client with autism spectrum disorder or
5.18	pervasive developmental disorder may receive a diagnostic assessment once every three
5.19	years, at the request of the parent or guardian, if a mental health professional agrees
5.20	there has been little change in the condition and that an annual assessment is not needed.
5.21	For individuals between age 18 and 21, unless a client's mental health condition has
5.22	changed markedly since the client's most recent diagnostic assessment, annual updating is
5.23	necessary. For the purpose of this section, "updating" means a written summary, including
5.24	current diagnoses on all five axes, by a mental health professional of the client's current
5.25	mental health status and service needs an adult diagnostic update as defined in Minnesota
5 26	Rules part 9505 0371 subpart 2 item E

5.26 <u>Rules, part 9505.0371, subpart 2, item E</u>.

Sec. 4. Minnesota Statutes 2012, section 256B.0943, subdivision 6, is amended to read: 5.27 Subd. 6. Provider entity clinical infrastructure requirements. (a) To be an eligible 5.28 provider entity under this section, a provider entity must have a clinical infrastructure 5.29 that utilizes diagnostic assessment, individualized treatment plans, service delivery, 5.30 and individual treatment plan review that are culturally competent, child-centered, and 5.31 family-driven to achieve maximum benefit for the client. The provider entity must review, 5.32 and update as necessary, the clinical policies and procedures every three years and must 5.33 distribute the policies and procedures to staff initially and upon each subsequent update. 5.34

6.1	(b) The clinical infrastructure written policies and procedures must include policies
6.2	and procedures for:
6.3	(1) providing or obtaining a client's diagnostic assessment that identifies acute and
6.4	chronic clinical disorders, co-occurring medical conditions, sources of psychological and
6.5	environmental problems, including a functional assessment. The functional assessment
6.6	component must clearly summarize the client's individual strengths and needs;
6.7	(2) developing an individual treatment plan that:
6.8	(i) is based on the information in the client's diagnostic assessment;
6.9	(ii) identified goals and objectives of treatment, treatment strategy, schedule for
6.10	accomplishing treatment goals and objectives, and the individuals responsible for
6.11	providing treatment services and supports;
6.12	(iii) is developed after completion of the client's diagnostic assessment by a mental
6.13	health professional and before the provision of children's therapeutic services and supports;
6.14	(iv) is developed through a child-centered, family-driven, culturally appropriate
6.15	planning process;
6.16	(v) is reviewed at least once every 90 days and revised, if necessary; and
6.17	(vi) is signed by the clinical supervisor and by the client or by the client's parent or
6.18	other person authorized by statute to consent to mental health services for the client;
6.19	(3) developing an individual behavior plan that documents treatment strategies to be
6.20	provided by the mental health behavioral aide. The individual behavior plan must include:
6.21	(i) detailed instructions on the treatment strategies to be provided;
6.22	(ii) time allocated to each treatment strategy;
6.23	(iii) methods of documenting the child's behavior;
6.24	(iv) methods of monitoring the child's progress in reaching objectives; and
6.25	(v) goals to increase or decrease targeted behavior as identified in the individual
6.26	treatment plan;
6.27	(4) providing clinical supervision of the mental health practitioner and mental health
6.28	behavioral aide. A mental health professional must document the clinical supervision
6.29	the professional provides by cosigning individual treatment plans and making entries in
6.30	the client's record on supervisory activities. Clinical supervision does not include the
6.31	authority to make or terminate court-ordered placements of the child. A clinical supervisor
6.32	must be available for urgent consultation as required by the individual client's needs or
6.33	the situation. Clinical supervision may occur individually or in a small group to discuss
6.34	treatment and review progress toward goals. The focus of clinical supervision must be the
6.35	client's treatment needs and progress and the mental health practitioner's or behavioral
6.36	aide's ability to provide services;

7.1

7.2

(i) to (iii):

(4a) meeting day treatment and therapeutic preschool programs conditions in items

PP

7.3	(i) the supervisor must be present and available on the premises more than 50
7.4	percent of the time in a five-working-day period during which the supervisee is providing
7.5	a mental health service;
7.6	(ii) the diagnosis and the client's individual treatment plan or a change in the
7.7	diagnosis or individual treatment plan must be made by or reviewed, approved, and signed
7.8	by the supervisor; and
7.9	(iii) every 30 days, the supervisor must review and sign the record indicating the
7.10	supervisor has reviewed the client's care for all activities in the preceding 30-day period;
7.11	(4b) meeting the clinical supervision standards in items (i) to (iii) for all other
7.12	services provided under CTSS:
7.13	(i) medical assistance shall reimburse for services provided by a mental health
7.14	practitioner who maintains a consulting relationship with a mental health professional
7.15	who accepts full professional responsibility;
7.16	(ii) medical assistance shall reimburse for services provided by a mental health
7.17	behavioral aide who maintains a consulting relationship with a mental health professional
7.18	who accepts full professional responsibility and has an approved plan for clinical
7.19	supervision of the behavioral aide. Plans will be approved developed in accordance with
7.20	supervision standards promulgated by the commissioner of human services defined in
7.21	Minnesota Rules, part 9505.0371, subpart 4, items A to D;
7.22	(iii) the mental health professional is required to be present on site for observation as
7.23	clinically appropriate when the mental health practitioner or mental health behavioral aide
7.24	is providing CTSS services; and
7.25	(iv) when conducted, the on-site presence of the mental health professional must be
7.26	documented in the child's record and signed by the mental health professional who accepts
7.27	full professional responsibility;
7.28	(5) providing direction to a mental health behavioral aide. For entities that employ
7.29	mental health behavioral aides, the clinical supervisor must be employed by the provider
7.30	entity or other certified children's therapeutic supports and services provider entity to
7.31	ensure necessary and appropriate oversight for the client's treatment and continuity
7.32	of care. The mental health professional or mental health practitioner giving direction
7.33	must begin with the goals on the individualized treatment plan, and instruct the mental
7.34	health behavioral aide on how to construct therapeutic activities and interventions that
7.35	will lead to goal attainment. The professional or practitioner giving direction must also
7.36	instruct the mental health behavioral aide about the client's diagnosis, functional status,

H0969-2

and other characteristics that are likely to affect service delivery. Direction must also 8.1 include determining that the mental health behavioral aide has the skills to interact with 8.2 the client and the client's family in ways that convey personal and cultural respect and 8.3 that the aide actively solicits information relevant to treatment from the family. The aide 8.4 must be able to clearly explain the activities the aide is doing with the client and the 8.5 activities' relationship to treatment goals. Direction is more didactic than is supervision 8.6 and requires the professional or practitioner providing it to continuously evaluate the 8.7 mental health behavioral aide's ability to carry out the activities of the individualized 88 treatment plan and the individualized behavior plan. When providing direction, the 8.9 professional or practitioner must: 8.10

8.11 (i) review progress notes prepared by the mental health behavioral aide for accuracy
8.12 and consistency with diagnostic assessment, treatment plan, and behavior goals and the
8.13 professional or practitioner must approve and sign the progress notes;

8.14 (ii) identify changes in treatment strategies, revise the individual behavior plan,
8.15 and communicate treatment instructions and methodologies as appropriate to ensure
8.16 that treatment is implemented correctly;

- 8.17 (iii) demonstrate family-friendly behaviors that support healthy collaboration among
 8.18 the child, the child's family, and providers as treatment is planned and implemented;
- 8.19 (iv) ensure that the mental health behavioral aide is able to effectively communicate
 8.20 with the child, the child's family, and the provider; and

8.21 (v) record the results of any evaluation and corrective actions taken to modify the
8.22 work of the mental health behavioral aide;

8.23 (6) providing service delivery that implements the individual treatment plan and8.24 meets the requirements under subdivision 9; and

(7) individual treatment plan review. The review must determine the extent to which 8.25 the services have met the goals and objectives in the previous treatment plan. The review 8.26 must assess the client's progress and ensure that services and treatment goals continue to 8.27 be necessary and appropriate to the client and the client's family or foster family. Revision 8.28 of the individual treatment plan does not require a new diagnostic assessment unless the 8.29 client's mental health status has changed markedly. The updated treatment plan must be 8.30 signed by the clinical supervisor and by the client, if appropriate, and by the client's 8.31 parent or other person authorized by statute to give consent to the mental health services 8.32 for the child. 8.33

8.34

Sec. 5. Minnesota Statutes 2012, section 256B.0943, subdivision 9, is amended to read:

9.1 Subd. 9. Service delivery criteria. (a) In delivering services under this section, a
9.2 certified provider entity must ensure that:

- 9.3 (1) each individual provider's caseload size permits the provider to deliver services
 9.4 to both clients with severe, complex needs and clients with less intensive needs. The
 9.5 provider's caseload size should reasonably enable the provider to play an active role in
 9.6 service planning, monitoring, and delivering services to meet the client's and client's
 9.7 family's needs, as specified in each client's individual treatment plan;
- 9.8 (2) site-based programs, including day treatment and preschool programs, provide
 9.9 staffing and facilities to ensure the client's health, safety, and protection of rights, and that
 9.10 the programs are able to implement each client's individual treatment plan;
- (3) a day treatment program is provided to a group of clients by a multidisciplinary 9.11 team under the clinical supervision of a mental health professional. The day treatment 9.12 program must be provided in and by: (i) an outpatient hospital accredited by the Joint 9.13 Commission on Accreditation of Health Organizations and licensed under sections 144.50 9.14 to 144.55; (ii) a community mental health center under section 245.62; or (iii) an entity 9.15 that is certified under subdivision 4 to operate a program that meets the requirements of 9.16 section 245.4884, subdivision 2, and Minnesota Rules, parts 9505.0170 to 9505.0475. The 9.17 day treatment program must stabilize the client's mental health status while developing 9.18 and improving the client's independent living and socialization skills. The goal of the day 9.19 treatment program must be to reduce or relieve the effects of mental illness and provide 9.20 training to enable the client to live in the community. The program must be available at 9.21 least one day a week for a two-hour time block. The two-hour time block must include 9.22 9.23 at least one hour of individual or group psychotherapy. The remainder of the structured treatment program may include individual or group psychotherapy, and individual or 9.24 group skills training, if included in the client's individual treatment plan. Day treatment 9.25 programs are not part of inpatient or residential treatment services. A day treatment 9.26 program may provide fewer than the minimally required hours for a particular child during 9.27 a billing period in which the child is transitioning into, or out of, the program; and 9.28

9.29 (4) a therapeutic preschool program is a structured treatment program offered
9.30 to a child who is at least 33 months old, but who has not yet reached the first day of
9.31 kindergarten, by a preschool multidisciplinary team in a day program licensed under
9.32 Minnesota Rules, parts 9503.0005 to 9503.0175. The program must be available two
9.33 hours per day, five days per week, and 12 months of each calendar year. The structured
9.34 treatment program may include individual or group psychotherapy and individual or
9.35 group skills training, if included in the client's individual treatment plan. A therapeutic

preschool program may provide fewer than the minimally required hours for a particularchild during a billing period in which the child is transitioning into, or out of, the program.

- 10.3 (b) A provider entity must deliver the service components of children's therapeutic
 10.4 services and supports in compliance with the following requirements:
- 10.5 (1) individual, family, and group psychotherapy must be delivered as specified in
 10.6 Minnesota Rules, part <u>9505.0323</u> <u>9505.0372</u>, subpart 6;
- 10.7 (2) individual, family, or group skills training must be provided by a mental health
 professional or a mental health practitioner who has a consulting relationship with a
 mental health professional who accepts full professional responsibility for the training;
- (3) crisis assistance must be time-limited and designed to resolve or stabilize crisis
 through arrangements for direct intervention and support services to the child and the
 child's family. Crisis assistance must utilize resources designed to address abrupt or
 substantial changes in the functioning of the child or the child's family as evidenced by
 a sudden change in behavior with negative consequences for well being, a loss of usual
 coping mechanisms, or the presentation of danger to self or others;
- (4) mental health behavioral aide services must be medically necessary treatment 10.16 services, identified in the child's individual treatment plan and individual behavior plan, 10.17 which are performed minimally by a paraprofessional qualified according to subdivision 10.18 7, paragraph (b), clause (3), and which are designed to improve the functioning of the 10.19 child in the progressive use of developmentally appropriate psychosocial skills. Activities 10.20 involve working directly with the child, child-peer groupings, or child-family groupings to 10.21 practice, repeat, reintroduce, and master the skills defined in subdivision 1, paragraph (p), 10.22 10.23 as previously taught by a mental health professional or mental health practitioner including:
- (i) providing cues or prompts in skill-building peer-to-peer or parent-child
 interactions so that the child progressively recognizes and responds to the cues
 independently;
- 10.27 (ii) performing as a practice partner or role-play partner;
- 10.28 (iii) reinforcing the child's accomplishments;
- 10.29 (iv) generalizing skill-building activities in the child's multiple natural settings;
- 10.30 (v) assigning further practice activities; and
- (vi) intervening as necessary to redirect the child's target behavior and to de-escalate
 behavior that puts the child or other person at risk of injury.
- 10.33 A mental health behavioral aide must document the delivery of services in written
- 10.34 progress notes. The mental health behavioral aide must implement treatment strategies
- 10.35 in the individual treatment plan and the individual behavior plan. The mental health
- 10.36 behavioral aide must document the delivery of services in written progress notes. Progress

notes must reflect implementation of the treatment strategies, as performed by the mental
health behavioral aide and the child's responses to the treatment strategies; and

- 11.3 (5) direction of a mental health behavioral aide must include the following:
- (i) a clinical supervision plan approved by the responsible mental health professional;
- 11.5 (ii) ongoing on-site face-to-face observation of the mental health behavioral aide
- 11.6 <u>delivering services to a child</u> by a mental health professional or mental health practitioner
- 11.7 for at least a total of one hour during every 40 hours of service provided to a child; and
- 11.8 (iii) immediate accessibility of the mental health professional or mental health
- 11.9 practitioner to the mental health behavioral aide during service provision.

Sec. 6. Minnesota Statutes 2012, section 256B.0944, subdivision 5, is amended to read:
Subd. 5. Mobile crisis intervention staff qualifications. (a) To provide children's
mental health mobile crisis intervention services, a mobile crisis intervention team must
include:

- 11.14 (1) at least two mental health professionals as defined in section 256B.0943,
- 11.15 subdivision 1, paragraph (n) (o); or

12.2 245.036 LEASES FOR STATE-OPERATED, COMMUNITY-BASED 12.3 PROGRAMS.

(a) Notwithstanding section 16B.24, subdivision 6, paragraph (a), or any other law
to the contrary, the commissioner of administration may lease land or other premises
to provide state-operated, community-based programs authorized by sections 246.014,
paragraph (a), and 252.50, 253.018, and 253.28 for a term of 20 years or less, with a
ten-year or less option to renew, subject to cancellation upon 30 days' notice by the state
for any reason, except rental of other land or premises for the same use.

(b) The commissioner of administration may also lease land or premises from
political subdivisions of the state to provide state-operated, community-based programs
authorized by sections 246.014, paragraph (a), and 252.50, 253.018, and 253.28 for a term
of 20 years or less, with a ten-year or less option to renew. A lease under this paragraph
may be canceled only due to the lack of a legislative appropriation for the program.

12.15 Sec. 3. Minnesota Statutes 2012, section 246.014, is amended to read:

12.16 **246.014 SERVICES.**

The measure of services established and prescribed by section 246.012, are: 12.17 (a) The commissioner of human services shall develop and maintain state-operated 12.18 services in a manner consistent with sections 245.461, and 245.487, and 253.28, and 12.19 chapters 252, 254A, and 254B. State-operated services shall be provided in coordination 12.20 with counties and other vendors. State-operated services shall include regional treatment 12.21 centers, specialized inpatient or outpatient treatment programs, enterprise services, 12.22 community-based services and programs, community preparation services, consultative 12.23 services, and other services consistent with the mission of the Department of Human 12.24 Services. These services shall include crisis beds, waivered homes, intermediate care 12.25 facilities, and day training and habilitation facilities. The administrative structure of 12.26 state-operated services must be statewide in character. The state-operated services staff 12.27 may deliver services at any location throughout the state. 12.28

(b) The commissioner of human services shall create and maintain forensic services
programs. Forensic services shall be provided in coordination with counties and other
vendors. Forensic services shall include specialized inpatient programs at secure treatment
facilities as defined in section 253B.02, subdivision 18a, consultative services, aftercare
services, community-based services and programs, transition services, <u>nursing home</u>
<u>services</u>, or other services consistent with the mission of the Department of Human
Services.

- 13.1 (c) Community preparation services as identified in paragraphs (a) and (b) are
 13.2 defined as specialized inpatient or outpatient services or programs operated outside of a
 13.3 secure environment but are administered by a secured treatment facility.
- (d) The commissioner of human services may establish policies and procedures
 which govern the operation of the services and programs under the direct administrative
 authority of the commissioner.
- 13.7 Sec. 4. Minnesota Statutes 2012, section 246.0141, is amended to read:

13.8 **246.0141 TOBACCO USE PROHIBITED.**

No patient, staff, guest, or visitor on the grounds or in a state regional treatment 13.9 center, the Minnesota Security Hospital, or the Minnesota sex offender program, or 13.10 the Minnesota extended treatment options program may possess or use tobacco or a 13.11 tobacco-related device. For the purposes of this section, "tobacco" and "tobacco-related 13.12 device" have the meanings given in section 609.685, subdivision 1. This section does not 13.13 prohibit the possession or use of tobacco or a tobacco-related device by an adult as part of 13.14 13.15 a traditional Indian spiritual or cultural ceremony. For purposes of this section, an Indian is a person who is a member of an Indian tribe as defined in section 260.755, subdivision 12. 13.16

13.17 Sec. 5. Minnesota Statutes 2012, section 246.0251, is amended to read:

13.18

246.0251 HOSPITAL ADMINISTRATOR.

Notwithstanding any provision of law to the contrary, the commissioner of human 13.19 services may appoint a hospital administrator at any state hospital. Such hospital 13.20 administrator shall be a graduate of an accredited college giving a course leading to a 13.21 degree in hospital administration and the commissioner of human services, by rule, shall 13.22 designate such colleges which in the opinion of the commissioner give an accredited 13.23 course in hospital administration. The provisions of this section shall not apply to 13.24 any chief executive officer now appointed to that position who on July 1, 1963, is 13.25 neither a physician and surgeon nor a graduate of a college giving a degree in hospital 13.26 administration. In addition to a hospital administrator, the commissioner of human 13.27 services may appoint a licensed doctor of medicine as chief of the medical staff who shall 13.28 be in charge of all medical care, treatment, rehabilitation and research. 13.29

13.30 Sec. 6. Minnesota Statutes 2012, section 246.12, is amended to read:

13.31 **246.12 BIENNIAL ESTIMATES; SUGGESTIONS FOR LEGISLATION.**

H0969-2

The commissioner of human services shall prepare, for the use of the legislature, 14.1 biennial estimates of appropriations necessary or expedient to be made for the support of 14.2 the several institutions and for extraordinary and special expenditures for buildings and 14.3 other improvements. The commissioner shall, in connection therewith, make suggestions 14.4 relative to legislation for the benefit of the institutions, or for improving the condition of the 14.5 dependent, defective, or criminal classes. The commissioner shall report the estimates and 14.6 suggestions to the legislature on or before November 15 in each even-numbered year. The 14.7 commissioner of human services on request shall appear before any legislative committee 148 and furnish any required information in regard to the condition of any such institution. 14.9

14.10 Sec. 7. Minnesota Statutes 2012, section 246.128, is amended to read:

14.11

11 246.128 NOTIFICATION TO LEGISLATURE REQUIRED.

The commissioner shall notify the chairs and ranking minority members of
the relevant legislative committees regarding the redesign, closure, or relocation of
state-operated services programs. The notification must include the advice of the Chemical
and Mental Health Services Transformation Advisory Task Force under section 246.125.

14.16 Sec. 8. Minnesota Statutes 2012, section 246.33, subdivision 4, is amended to read:
14.17 Subd. 4. Plots in cemetery. The cemetery shall be platted into lots, which shall
14.18 be numbered; it shall have streets and walks, and the same shall be shown on the plat.
14.19 All containing graves shall be indicated by an appropriate marker of permanent nature
14.20 for identification purposes. Notwithstanding section 13.46, the commissioner of human
14.21 services may share private data on individuals for purposes of placing a marker on each
14.22 grave.

Sec. 9. Minnesota Statutes 2012, section 246.54, subdivision 2, is amended to read: 14.23 Subd. 2. Exceptions. (a) Subdivision 1 does not apply to services provided at 14.24 the Minnesota Security Hospital or the Minnesota extended treatment options program. 14.25 For services at these facilities, a county's payment shall be made from the county's own 14.26 sources of revenue and payments shall be paid as follows: payments to the state from the 14.27 county shall equal ten percent of the cost of care, as determined by the commissioner, for 14.28 each day, or the portion thereof, that the client spends at the facility. If payments received 14.29 by the state under sections 246.50 to 246.53 exceed 90 percent of the cost of care, the 14.30 county shall be responsible for paying the state only the remaining amount. The county 14.31 shall not be entitled to reimbursement from the client, the client's estate, or from the 14.32 client's relatives, except as provided in section 246.53. 14.33

- (b) Regardless of the facility to which the client is committed, subdivision 1 doesnot apply to the following individuals:
- 15.3 (1) clients who are committed as mentally ill and dangerous under section 253B.02,
 15.4 subdivision 17;

15.5 (2) clients who are committed as sexual psychopathic personalities under section

15.6 253B.02, subdivision 18b; and

- 15.7 (3) clients who are committed as sexually dangerous persons under section 253B.02,15.8 subdivision 18c.
- 15.9 For each of the individuals in clauses (1) to (3), the payment by the county to the state15.10 shall equal ten percent of the cost of care for each day as determined by the commissioner.

Sec. 10. Minnesota Statutes 2012, section 246.64, subdivision 1, is amended to read: 15.11 Subdivision 1. Chemical dependency rates. Notwithstanding sections 246.50, 15.12 subdivision 5;, and 246.511; and 251.011, the commissioner shall establish separate rates 15.13 15.14 for each chemical dependency service operated by the commissioner and may establish separate rates for each service component within the program by establishing fees for 15.15 services or different per diem rates for each separate chemical dependency unit within the 15.16 15.17 program based on actual costs attributable to the service or unit. The rate must allocate the cost of all anticipated maintenance, treatment, and expenses including depreciation 15.18 of buildings and equipment, interest paid on bonds issued for capital improvements for 15.19 chemical dependency programs, reimbursement and other indirect costs related to the 15.20 operation of chemical dependency programs other than that paid from the Minnesota state 15.21 15.22 building fund or the bond proceeds fund, and losses due to bad debt. The rate must not include allocations of chaplaincy, patient advocacy, or quality assurance costs that are 15.23 not required for chemical dependency licensure by the commissioner or certification 15.24 15.25 for chemical dependency by the Joint Commission on Accreditation of Hospitals. Notwithstanding any other law, the commissioner shall treat these costs as nonhospital 15.26 department expenses. 15.27

Sec. 11. Minnesota Statutes 2012, section 252.41, subdivision 7, is amended to read:
Subd. 7. Regional center. "Regional center" means any one of the seven
state-operated facilities facility under the direct administrative authority of the
commissioner that serve serves persons with developmental disabilities. The following
facilities are regional centers: Brainerd Regional Human Services Center; Cambridge
Regional Treatment Center; Faribault Regional Center; Fergus Falls Regional Treatment

16.1 Center; Moose Lake Regional Treatment Center; St. Peter Regional Treatment Center;
 16.2 and Willmar Regional Treatment Center.

Sec. 12. Minnesota Statutes 2012, section 253.015, subdivision 1, is amended to read: 16.3 Subdivision 1. State-operated services for persons with mental illness. The 16.4 state-operated services facilities located at Anoka, Brainerd, Fergus Falls, St. Peter, and 16.5 Willmar shall constitute the state-operated services facilities for persons with mental 16.6 illness, and shall be maintained under the general management of the commissioner 167 of human services. The commissioner of human services shall determine to what 16.8 state-operated services facility persons with mental illness shall be committed from each 16.9 county and notify the judge exercising probate jurisdiction thereof, and of changes made 16.10 from time to time. 16.11

Sec. 13. Minnesota Statutes 2012, section 253B.045, subdivision 2, is amended to read: 16.12 16.13 Subd. 2. Facilities. (a) Each county or a group of counties shall maintain or provide by contract a facility for confinement of persons held temporarily for observation, 16.14 evaluation, diagnosis, treatment, and care. When the temporary confinement is provided 16.15 at a regional treatment center, the commissioner shall charge the county of financial 16.16 responsibility for the costs of confinement of persons hospitalized under section 253B.05, 16.17 subdivisions 1 and 2, and section 253B.07, subdivision 2b, except that the commissioner 16.18 shall bill the responsible health plan first. Any charges not covered, including co-pays 16.19 and deductibles shall be the responsibility of the county. If the person has health plan 16.20 16.21 coverage, but the hospitalization does not meet the criteria in subdivision 6 or section 62M.07, 62Q.53, or 62Q.535, the county is responsible. When a person is temporarily 16.22 confined in a Department of Corrections facility solely under subdivision 1a, and not 16.23 16.24 based on any separate correctional authority:

16.25 (1) the commissioner of corrections may charge the county of financial responsibility16.26 for the costs of confinement; and

(2) the Department of Human Services shall use existing appropriations to fund
all remaining nonconfinement costs. The funds received by the commissioner for the
confinement and nonconfinement costs are appropriated to the department for these
purposes.

(b) For the purposes of this subdivision, "county of financial responsibility" has the
meaning specified in section 253B.02, subdivision 4c, or, if the person has no residence
in this state, the county which initiated the confinement. The charge for confinement
in a facility operated by the commissioner of human services shall be based on the

H0969-2

17.1 commissioner's determination of the cost of care pursuant to section 246.50, subdivision17.2 5. When there is a dispute as to which county is the county of financial responsibility, the

17.3 county charged for the costs of confinement shall pay for them pending final determination

17.4 of the dispute over financial responsibility.

17.5 Sec. 14. Minnesota Statutes 2012, section 254.05, is amended to read:

17.6

254.05 DESIGNATION OF STATE HOSPITALS.

The state hospital located at Anoka shall hereafter be known and designated as the 17.7 Anoka-Metro Regional Treatment Center.; the state hospital located at Willmar shall 17.8 hereafter be known and designated as the Willmar Regional Treatment Center; until June 17.9 30, 1995, the state hospital located at Moose Lake shall be known and designated as 17.10 the Moose Lake Regional Treatment Center; after June 30, 1995, the newly established 17.11 state facility at Moose Lake shall be known and designated as the Minnesota Sexual 17.12 Psychopathic Personality Treatment Center; the state hospital located at Fergus Falls shall 17.13 hereafter be known and designated as the Fergus Falls Regional Treatment Center; and the 17.14 17.15 state hospital located at St. Peter shall hereafter be known and designated as the St. Peter Regional Treatment Center. Each of the foregoing state hospitals shall also be known by 17.16 the name of regional center at the discretion of the commissioner of human services. The 17.17 17.18 terms "human services" or "treatment" may be included in the designation.

Sec. 15. Minnesota Statutes 2012, section 295.50, subdivision 10b, is amended to read:

regional center as defined in section 253B.02, subdivision 18, and named in sections
253.015, subdivision 1, and section 254.05.

Sec. 16. Minnesota Statutes 2012, section 462A.03, subdivision 13, is amended to read: 17.23 Subd. 13. Eligible mortgagor. "Eligible mortgagor" means a nonprofit or 17.24 cooperative housing corporation; the Department of Administration for the purpose of 17.25 developing nursing home beds under section 251.011 or community-based programs as 17.26 defined in sections section 252.50 and 253.28; a limited profit entity or a builder as defined 17.27 by the agency in its rules, which sponsors or constructs residential housing as defined in 17.28 subdivision 7; or a natural person of low or moderate income, except that the return to 17.29 a limited dividend entity shall not exceed 15 percent of the capital contribution of the 17.30 investors or such lesser percentage as the agency shall establish in its rules, provided that 17.31 residual receipts funds of a limited dividend entity may be used for agency-approved, 17.32 housing-related investments owned by the limited dividend entity without regard to the 17.33

limitation on returns. Owners of existing residential housing occupied by renters shall
be eligible for rehabilitation loans, only if, as a condition to the issuance of the loan, the
owner agrees to conditions established by the agency in its rules relating to rental or other
matters that will insure that the housing will be occupied by persons and families of low
or moderate income. The agency shall require by rules that the owner give preference
to those persons of low or moderate income who occupied the residential housing at the
time of application for the loan.

ARTICLE 3

TERMINOLOGY CHANGES

Section 1. Minnesota Statutes 2012, section 246.51, subdivision 3, is amended to read: 18.14 Subd. 3. Applicability. The commissioner may recover, under sections 246.50 to 18.15 246.55, the cost of any care provided in a state facility, including care provided prior to 18.16 July 1, 1989, regardless of the terminology used to designate the status or condition of the 18.17 person receiving the care or the terminology used to identify the facility. For purposes 18.18 of recovering the cost of care provided prior to July 1, 1989, the term "state facility" as 18.19 used in sections 246.50 to 246.55 includes "state hospital," "regional treatment center," or 18.20 "regional center"; and the term "client" includes, but is not limited to, persons designated 18.21 as "mentally deficient having a mental illness or developmental disability," "inebriate," or 18.22 "chemically dependent," or "intoxicated." 18.23

Sec. 2. Minnesota Statutes 2012, section 256.976, subdivision 3, is amended to read: 18.24 Subd. 3. Grants-in-aid. The Minnesota Board on Aging, hereinafter called the 18.25 board, may make grants-in-aid for the employment of foster grandparents to qualified 18.26 resident group homes for dependent and neglected persons, day care centers and other 18.27 public or nonprofit private institutions and agencies providing care for neglected and 18.28 disadvantaged persons who lack close personal relationships. Agencies and institutions 18.29 seeking aid shall apply on a form prescribed by the board. Priority shall be given to 18.30 agencies and institutions providing care for retarded children with developmental 18.31 disabilities. Grants shall not be made to local public or nonprofit agencies until 40 percent 18.32 18.33 of the recognized need for foster grandparents within state institutions has been met.

Grants shall be for a period of 12 months or less, and grants to local public and nonprofit 19.1 agencies or institutions shall be based on 90 percent state, and ten percent local sharing 19.2 of program expenditures authorized by the board. Grants shall not be used to match 19.3 other state funds nor shall any person paid from grant funds be used to replace any staff 19.4 member of the grantee. Grants may be used to match federal funds. Each grantee shall 19.5 file a semiannual report with the board at the time and containing such information as 19.6 the board shall prescribe. 19.7 Sec. 3. Minnesota Statutes 2012, section 272.02, subdivision 94, is amended to read: 19.8 Subd. 94. Elderly living facility. (a) The first \$5,000,000 in market value of an 19.9 elderly living facility is exempt from taxation if it meets all of the following requirements: 19.10 (1) the facility consists of no more than 75 living units; 19.11 (2) the facility is located in a city of the first class with a population of more than 19.12 350,000; 19.13 (3) the facility is owned and operated by a nonprofit corporation organized under 19.14 chapter 317A; 19.15 (4) the owner of the facility is an affiliate of entities that own and operate assisted 19.16 19.17 living and skilled nursing facilities that: (i) are located across a street from the facility; 19.18 (ii) are adjacent to a church that is exempt from taxation under subdivision 6; 19.19 (iii) include a congregate dining program; and 19.20 (iv) provide assisted living or similar social and physical support; 19.21 19.22 (5) the residents of the facility must be: (i) be at least 62 years of age; or 19.23 (ii) handicapped have a disability; 19.24 19.25 (6) at least 30 percent of the units in the facility are occupied by persons whose annual income does not exceed 50 percent of median family income for the area; and 19.26 (7) before taxes payable in 2010, the facility has received approval of street vacation 19.27 and land use applications from the city in which it is to be located. 19.28 (b) In this subdivision, "affiliate" means any entity directly or indirectly controlling 19.29 or controlled by or under direct or indirect common control with an entity, and "control" 19.30 means the power to direct management and policies through membership or ownership 19.31 of voting securities. 19.32 (c) The exemption provided in this subdivision applies to taxes levied in each 19.33 year or partial year of the term of the facility's initial permanent financing or 25 years, 19.34 whichever is later. 19.35

246.04 BOOKS AND ACCOUNTS.

The commissioner of human services shall keep at the commissioner's office a proper and complete system of books and accounts with each institution, showing every expenditure authorized and made therefor. Such books shall contain a separate account of each extraordinary or special appropriation made by the legislature, with every item of expenditure therefrom. The commissioner shall maintain a separate fund for all chemical dependency appropriations that will provide for an ascertainable review of receipts and expenditures under section 246.18, subdivision 2.

246.05 DISSEMINATION OF INFORMATION.

The commissioner of human services may, from time to time, publish and distribute scientific, educational, and statistical articles, bulletins, and reports concerning clinical, research and other studies conducted in the Department of Human Services in the fields of mental or nervous diseases, mental deficiency, or epilepsy.

246.125 CHEMICAL AND MENTAL HEALTH SERVICES TRANSFORMATION ADVISORY TASK FORCE.

Subdivision 1. **Establishment.** The Chemical and Mental Health Services Transformation Advisory Task Force is established to make recommendations to the commissioner of human services and the legislature on the continuum of services needed to provide individuals with complex conditions including mental illness, chemical dependency, traumatic brain injury, and developmental disabilities access to quality care and the appropriate level of care across the state to promote wellness, reduce cost, and improve efficiency.

Subd. 2. **Duties.** The Chemical and Mental Health Services Transformation Advisory Task Force shall make recommendations to the commissioner and the legislature no later than December 15, 2010, on the following:

(1) transformation needed to improve service delivery and provide a continuum of care, such as transition of current facilities, closure of current facilities, or the development of new models of care, including the redesign of the Anoka-Metro Regional Treatment Center;

(2) gaps and barriers to accessing quality care, system inefficiencies, and cost pressures;

(3) services that are best provided by the state and those that are best provided in the community;

(4) an implementation plan to achieve integrated service delivery across the public, private, and nonprofit sectors;

(5) an implementation plan to ensure that individuals with complex chemical and mental health needs receive the appropriate level of care to achieve recovery and wellness; and

(6) financing mechanisms that include all possible revenue sources to maximize federal funding and promote cost efficiencies and sustainability.

Subd. 3. **Membership.** The advisory task force shall be composed of the following, who will serve at the pleasure of their appointing authority:

(1) the commissioner of human services or the commissioner's designee, and two additional representatives from the department;

(2) two legislators appointed by the speaker of the house, one from the minority and one from the majority;

(3) two legislators appointed by the senate rules committee, one from the minority and one from the majority;

(4) one representative appointed by AFSCME Council 5;

(5) one representative appointed by the ombudsman for mental health and developmental disabilities;

(6) one representative appointed by the Minnesota Association of Professional Employees;

(7) one representative appointed by the Minnesota Hospital Association;

(8) one representative appointed by the Minnesota Nurses Association;

(9) one representative appointed by NAMI-MN;

(10) one representative appointed by the Mental Health Association of Minnesota;

(11) one representative appointed by the Minnesota Association of Community Mental Health Programs;

(12) one representative appointed by the Minnesota Dental Association;

(13) three clients or client family members representing different populations receiving services from state-operated services, who are appointed by the commissioner;

APPENDIX

Repealed Minnesota Statutes: H0969-2

(14) one representative appointed by the chair of the state-operated services governing board;

(15) one representative appointed by the Minnesota Disability Law Center;

(16) one representative appointed by the Consumer Survivor Network;

(17) one representative appointed by the Association of Residential Resources in Minnesota;

(18) one representative appointed by the Minnesota Council of Child Caring Agencies;

(19) one representative appointed by the Association of Minnesota Counties; and

(20) one representative appointed by the Minnesota Pharmacists Association.

The commissioner may appoint additional members to reflect stakeholders who are not represented above.

Subd. 4. Administration. The commissioner shall convene the first meeting of the advisory task force and shall provide administrative support and staff.

Subd. 5. **Recommendations.** The advisory task force must report its recommendations to the commissioner and to the legislature no later than December 15, 2010.

Subd. 6. **Member requirement.** The commissioner shall provide per diem and travel expenses pursuant to section 256.01, subdivision 6, for task force members who are consumers or family members and whose participation on the task force is not as a paid representative of any agency, organization, or association. Notwithstanding section 15.059, other task force members are not eligible for per diem or travel reimbursement.

246.21 CONTINGENT FUND.

The commissioner of human services may permit a contingent fund to remain in the hands of the accounting officer of any such institution from which expenditures may be made in case of actual emergency requiring immediate payment to prevent loss or danger to the institution or its inmates and for the purpose of paying freight, purchasing produce, livestock and other commodities requiring a cash settlement, and for the purpose of discounting bills incurred, but in all cases subject to revision by the commissioner of human services. An itemized statement of every expenditure made during the month from such fund shall be submitted to the commissioner under rules established by the commissioner. If necessary, the commissioner shall make proper requisition upon the commissioner of management and budget for a warrant to secure the contingent fund for each institution.

246.57 SHARED SERVICE AGREEMENTS.

Subd. 5. Laundry equipment. The commissioner of human services may provide for the replacement of laundry equipment by including a charge for depreciation as part of the service costs charged by a regional treatment center operating a laundry service. Receipts for laundry services attributable to depreciation of laundry equipment must be deposited in a laundry equipment depreciation account within the general fund. All money deposited in the account is appropriated to the commissioner of human services for the replacement of laundry equipment. Any balance remaining in the account at the end of a fiscal year does not cancel and is available until expended.

246.58 LABOR ACCOUNTS; USE OF PROFITS.

Profits accrued by reason of operation of diversified labor accounts at any public institution under the control of the commissioner of human services may be used at the direction of the superintendent of the institution for the purchase of occupational therapy equipment.

246.59 LODGING; FOOD; DOMESTIC SERVICE.

Subdivision 1. Fair rental rate established. The commissioner of administration shall establish a fair rental rate including utility costs to any person who resides on state welfare or correctional institution grounds.

Subd. 2. **Quarter and stipend allowance.** Quarters and a stipend allowance of not to exceed \$150 per month may be authorized by the commissioner of human services for medical students and physician fellows.

Subd. 3. Limitation on expenses. Neither the commissioner of corrections nor the commissioner of human services shall furnish commissary privileges including food, laundry service, and household supplies to any person in staff residences or apartments.

APPENDIX

Repealed Minnesota Statutes: H0969-2

Subd. 4. **Prohibition on use of state funds for certain purposes.** Neither the commissioner of corrections, the commissioner of human services, nor any other state officer or employee shall use state money to employ personnel with domestic duties to work in the residence of any officer or employee of any institution, department, or agency of the state.

251.011 RELOCATION OF FACILITIES.

Subd. 3. **Ah-Gwah-Ching Center.** When tuberculosis treatment is discontinued at Ah-Gwah-Ching that facility shall be used by the commissioner of human services for the care of geriatric patients, and shall be known as the Ah-Gwah-Ching Center. The commissioner shall not decrease the number of nursing home beds nor close the Ah-Gwah-Ching Center without specific approval by the legislature.

Subd. 6. **Rules.** The commissioner of human services may promulgate rules for the operation of and for the admission of residents in the state nursing homes at Ah-Gwah-Ching and Oak Terrace. Charges for care in the state nursing homes shall be established under sections 246.50 to 246.55. For the purposes of collecting from the federal government for the care of those residents in the state nursing homes eligible for medical care under the Social Security Act, "cost of care" shall be determined as set forth in the rules and regulations of the Department of Health and Human Services or its successor agency.

253.015 LOCATION; MANAGEMENT; COMMITMENT; CHIEF EXECUTIVE OFFICER.

Subd. 4. Services for persons with traumatic brain injury. By June 30, 1994, the commissioner shall develop 15 beds at Brainerd Regional Human Services Center for persons with traumatic brain injury, including patients relocated from the Moose Lake Regional Treatment Center.

253.018 PERSONS SERVED.

The regional treatment centers shall primarily serve adults. Programs treating children and adolescents who require the clinical support available in a psychiatric hospital may be maintained on present campuses until adequate state-operated alternatives are developed off campus according to the criteria of section 253.28, subdivision 2.

253.28 STATE-OPERATED, COMMUNITY-BASED PROGRAMS FOR PERSONS WITH MENTAL ILLNESS.

Subdivision 1. **Programs for persons with mental illness.** Beginning July 1, 1991, the commissioner may establish a system of state-operated, community-based programs for persons with mental illness. For purposes of this section, "state-operated, community-based program" means a program administered by the state to provide treatment and habilitation in community settings to persons with mental illness. Employees of the programs must be state employees under chapters 43A and 179A. The role of state-operated services must be defined within the context of a comprehensive system of services for persons with mental illness. Services may include, but are not limited to, community residential treatment facilities for children and adults.

Subd. 2. Location of programs for persons with mental illness. In determining the location of state-operated, community-based programs, the needs of the individual clients shall be paramount. The commissioner shall take into account:

(1) the personal preferences of the persons being served and their families;

(2) location of the support services needed by the persons being served as established by an individual service plan;

(3) the appropriate grouping of the persons served;

(4) the availability of qualified staff;

(5) the need for state-operated, community-based programs in the geographical region of the state; and

(6) a reasonable commuting distance from a regional treatment center or the residences of the program staff.

Subd. 3. **Evaluation of community-based services development.** The commissioner shall develop an integrated approach to assessing and improving the quality of community-based services including state-operated programs to persons with mental illness. The commissioner shall evaluate the progress of the development and quality of the community-based services to
