A bill for an act

relating to insurance; providing coverage for autism spectrum disorders;
proposing coding for new law in Minnesota Statutes, chapter 62A.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **[62A.3094] COVERAGE FOR AUTISM SPECTRUM DISORDERS.**

Subdivision 1. **Definitions.** (a) For purposes of this section, the terms defined in paragraphs (b) and (c) have the meanings given.

(b) "Autism spectrum disorders" means the conditions as determined by criteria set forth in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association.

(c) "Medically necessary care" means health care services appropriate, in terms of type, frequency, level, setting, and duration, to the enrollee's condition, and diagnostic testing and preventative services. Medically necessary care must be consistent with generally accepted practice parameters as determined by physicians and licensed psychologists who typically manage patients who have autism spectrum disorders.

Subd. 2. **Coverage required.** (a) A health plan must provide coverage for the diagnosis, evaluation, assessment, and medically necessary care of autism spectrum disorders, including but not limited to the following:

(1) intensive behavior therapy, including but not limited to applied behavior analysis, intensive early intervention behavior therapy, intensive behavior intervention, and Lovaas therapy;

(2) neuro-developmental and behavioral health treatments and management;

(3) speech therapy;

(4) occupational therapy;

2.1 (5) physical therapy; and

2.2 (6) medications.

2.3 (b) Coverage required under this section shall include treatment that is in accordance
2.4 with an individualized treatment plan prescribed by the enrollee's treating physician.

2.5 (c) A health carrier may not refuse to renew or reissue, or otherwise terminate or
2.6 restrict, coverage of an individual solely because the individual is diagnosed with an
2.7 autism spectrum disorder.

2.8 (d) A health carrier may request an updated treatment plan only once every six
2.9 months, unless the health carrier and the treating physician agree that a more frequent
2.10 review is necessary due to emerging circumstances.

2.11 Subd. 3. **No effect on other law.** Nothing in this section limits in any way the
2.12 coverage required under section 62Q.47.

2.13 Subd. 4. **State health care programs.** This section does not affect benefits available
2.14 under the medical assistance and MinnesotaCare programs and does not limit, restrict, or
2.15 otherwise reduce coverage under these programs.

2.16 **EFFECTIVE DATE.** This section is effective August 1, 2013, and applies to
2.17 coverage offered; issued; sold; renewed; or continued as defined in Minnesota Statutes,
2.18 section 60A.02, subdivision 2a; on or after that date.
