43.6 Sec. 37. **[115.84] WASTEWATER LABORATORY CERTIFICATION.**

43.7 Subdivision 1. **Wastewater laboratory certification required.** (a) Laboratories  
43.8 performing wastewater or water analytical laboratory work, the results of which are  
43.9 reported to the agency to determine compliance with a national pollutant discharge  
43.10 elimination system (NPDES) permit condition or other regulatory document, must be

43.16 petroleum analytical work.

43.17 (c) Until adoption of rules under subdivision 2, laboratories required to be certified  
43.18 under this section and submitting data to the agency must register by submitting  
43.19 registration information required by the agency or be certified or approved by a recognized  
43.20 certification authority, as required by agency programs.

43.21 Subd 2. **Rules.** The agency may adopt rules to govern certification of laboratories

44.5 Sec. 38. **[115A.141] CARPET PRODUCT STEWARDSHIP PROGRAM;**  
44.6 **STEWARDSHIP PLAN.**

44.7 Subdivision 1. Definitions. For purposes of this section, the following terms have  
44.8 the meanings given:

44.9 (1) "brand" means a name, symbol, word, or mark that identifies carpet, rather than its  
44.10 components, and attributes the carpet to the owner or licensee of the brand as the producer;

44.11 (2) "carpet" means a manufactured article that is used in commercial or single or  
44.12 multifamily residential buildings, is affixed or placed on the floor or building walking  
44.13 surface as a decorative or functional building interior or exterior feature, and is primarily  
44.14 constructed of a top visible surface of synthetic face fibers or yarns or tufts attached to a  
44.15 backing system derived from synthetic or natural materials. Carpet includes, but is not  
44.16 limited to, a commercial or residential broadloom carpet or modular carpet tiles. Carpet  
44.17 includes a pad or underlayment used in conjunction with a carpet. Carpet does not include  
44.18 handmade rugs, area rugs, or mats;

44.19 (3) "discarded carpet" means carpet that is no longer used for its manufactured  
44.20 purpose;

44.21 (4) "producer" means a person that:

44.22 (i) has legal ownership of the brand, brand name, or cobrand of carpet sold in the state;

44.23 (ii) imports carpet branded by a producer that meets subclause (i) when the producer  
44.24 has no physical presence in the United States;

44.25 (iii) if subclauses (i) and (ii) do not apply, makes unbranded carpet that is sold  
44.26 in the state; or

44.27 (iv) sells carpet at wholesale or retail, does not have legal ownership of the brand,  
44.28 and elects to fulfill the responsibilities of the producer for the carpet;

44.29 (5) "recycling" means the process of collecting and preparing recyclable materials and  
44.30 reusing the materials in their original form or using them in manufacturing processes that  
44.31 do not cause the destruction of recyclable materials in a manner that precludes further use;

44.32 (6) "retailer" means any person who offers carpet for sale at retail in the state;

44.33 (7) "reuse" means donating or selling a collected carpet back into the market for  
44.34 its original intended use, when the carpet retains its original purpose and performance  
44.35 characteristics;

45.1 (8) "sale" or "sell" means transfer of title of carpet for consideration, including a  
45.2 remote sale conducted through a sales outlet, catalog, Web site, or similar electronic  
45.3 means. Sale or sell includes a lease through which carpet is provided to a consumer by a  
45.4 producer, wholesaler, or retailer;

45.5 (9) "stewardship assessment" means the amount added to the purchase price of  
45.6 carpet sold in the state that is necessary to cover the cost of collecting, transporting, and

45.8 a product stewardship program;

45.9 (10) "stewardship organization" means an organization appointed by one or more  
45.10 producers to act as an agent on behalf of the producer to design, submit, and administer a  
45.11 product stewardship program under this section; and

45.12 (11) "stewardship plan" means a detailed plan describing the manner in which a  
45.13 product stewardship program under subdivision 2 will be implemented.

45.14 Subd. 2. **Product stewardship program.** For all carpet sold in the state, producers  
45.15 must, individually or through a stewardship organization, implement and finance a  
45.16 statewide product stewardship program that manages carpet by reducing carpet's waste  
45.17 generation, promoting its reuse and recycling, and providing for negotiation and execution  
45.18 of agreements to collect, transport, and process carpet for end-of-life recycling and reuse.

45.19 Subd. 3. **Requirement for sale.** (a) On and after January 1, 2015, no producer,  
45.20 wholesaler, or retailer may sell carpet or offer carpet for sale in the state unless the carpet's  
45.21 producer participates in an approved stewardship plan, either individually or through a  
45.22 stewardship organization.

45.23 (b) Each producer must operate a product stewardship program approved by the  
45.24 agency or enter into an agreement with a stewardship organization to operate, on the  
45.25 producer's behalf, a product stewardship program approved by the agency.

45.26 Subd. 4. **Requirement to submit plan.** (a) On or before March 1, 2015, and before  
45.27 offering carpet for sale in the state, a producer must submit a stewardship plan to the  
45.28 agency and receive approval of the plan or must submit documentation to the agency that  
45.29 demonstrates the producer has entered into an agreement with a stewardship organization  
45.30 to be an active participant in an approved product stewardship program as described in  
45.31 subdivision 2. A stewardship plan must include all elements required under subdivision 5.

45.32 (b) At least every three years, a producer or stewardship organization operating a  
45.33 product stewardship program must update the stewardship plan and submit the updated  
45.34 plan to the agency for review and approval.

45.35 (c) It is the responsibility of the entities responsible for each stewardship plan to  
45.36 notify the agency within 30 days of any significant changes or modifications to the plan or

46.1 its implementation. Within 30 days of the notification, a written plan revision must be  
46.2 submitted to the agency for review and approval.

46.3 Subd. 5. **Stewardship plan content.** A stewardship plan must contain:

46.4 (1) certification that the product stewardship program will accept all discarded carpet  
46.5 regardless of which producer produced the carpet and its individual components;

46.6 (2) contact information for the individual and the entity submitting the plan and for  
46.7 all producers participating in the product stewardship program;

46.8 (3) a description of the methods by which discarded carpet will be collected in all  
46.9 areas in the state without relying on end-of-life fees, including an explanation of how the  
46.10 collection system will be convenient and adequate to serve the needs of small businesses  
46.11 and residents in both urban and rural areas on an ongoing basis;

46.12 (4) a description of how the adequacy of the collection program will be monitored  
46.13 and maintained;

46.14 (5) the names and locations of collectors, transporters, and recycling facilities that  
46.15 will manage discarded carpet;

46.16 (6) a description of how the discarded carpet and the carpet's components will  
46.17 be safely and securely transported, tracked, and handled from collection through final  
46.18 recycling and processing;

46.19 (7) a description of the method that will be used to reuse, deconstruct, or recycle  
46.20 the discarded carpet to ensure that the product's components, to the extent feasible, are  
46.21 transformed or remanufactured into finished products for use;

46.22 (8) a description of the promotion and outreach activities that will be used to  
46.23 encourage participation in the collection and recycling programs and how the activities'  
46.24 effectiveness will be evaluated and the program modified, if necessary;

46.25 (9) the proposed stewardship assessment. The producer or stewardship organization  
46.26 shall propose a uniform stewardship assessment for any carpet sold in the state. The  
46.27 proposed stewardship assessment shall be reviewed by an independent auditor to ensure  
46.28 that the assessment does not exceed the costs of the product stewardship program and the  
46.29 independent auditor shall recommend an amount for the stewardship assessment. The  
46.30 agency must approve the stewardship assessment;

46.31 (10) evidence of adequate insurance and financial assurance that may be required for  
46.32 collection, handling, and disposal operations;

46.33 (11) five-year performance goals, including an estimate of the percentage of  
46.34 discarded carpet that will be collected, reused, and recycled during each of the first five  
46.35 years of the stewardship plan. The performance goals must include a specific escalating

47.1 goal for the amount of discarded carpet that will be collected and recycled and reused  
47.2 during each year of the plan. The performance goals must be based on:

47.3 (i) the most recent collection data available for the state;

47.4 (ii) the amount of carpet disposed of annually;

47.5 (iii) the weight of the carpet that is expected to be available for collection annually;

47.6 and

47.7 (iv) actual collection data from other existing stewardship programs.

47.8 The stewardship plan must state the methodology used to determine these goals;

47.9 (12) carpet design changes that will be considered to reduce toxicity, water use, or  
47.10 energy use or to increase recycled content, recyclability, or carpet longevity; and

47.11 (13) a discussion of market development opportunities to expand use of recovered  
47.12 carpet, with consideration of expanding processing activity proximate to areas of collection.

47.13 Subd. 6. **Consultation required.** (a) Each stewardship organization or individual  
47.14 producer submitting a stewardship plan must consult with stakeholders including retailers,  
47.15 installers, collectors, recyclers, local government, customers, and citizens during the  
47.16 development of the plan, solicit stakeholder comments, and attempt to address any  
47.17 stakeholder concerns regarding the plan before submitting the plan to the agency for review.

47.18 (b) The producer or stewardship organization must invite comments from local  
47.19 governments, communities, and citizens to report their satisfaction with services, including  
47.20 education and outreach, provided by the product stewardship program. The information  
47.21 must be submitted to the agency and used by the agency in reviewing proposed updates or  
47.22 changes to the stewardship plan.

47.23 Subd. 7. **Agency review and approval.** (a) Within 90 days after receipt of a proposed  
47.24 stewardship plan, the agency shall determine whether the plan complies with subdivision  
47.25 5. If the agency approves a plan, the agency shall notify the applicant of the plan approval  
47.26 in writing. If the agency rejects a plan, the agency shall notify the applicant in writing of  
47.27 the reasons for rejecting the plan. An applicant whose plan is rejected by the agency must  
47.28 submit a revised plan to the agency within 60 days after receiving notice of rejection.

47.29 (b) Any proposed changes to a stewardship plan must be approved by the agency  
47.30 in writing.

47.31 Subd. 8. **Plan availability.** All draft and approved stewardship plans shall be placed  
47.32 on the agency's Web site and made available at the agency's headquarters for public review.

47.33 Subd. 9. **Conduct authorized.** A producer or stewardship organization that  
47.34 organizes collection, transport, and processing of carpet under this section is immune  
47.35 from liability for the conduct under state laws relating to antitrust, restraint of trade,  
47.36 unfair trade practices, and other regulation of trade or commerce only to the extent that

48.1 the conduct is necessary to plan and implement the producer's or organization's chosen  
48.2 organized collection or recycling system.

48.3 Subd. 10. **Responsibility of producers.** (a) On and after the date of implementation  
48.4 of a product stewardship program under this section, a producer of carpet must add the  
48.5 stewardship assessment, as established according to subdivision 5, clause (9), to the cost  
48.6 of the carpet sold to retailers and distributors in the state by the producer.

48.7 (b) Producers of carpet or the stewardship organization shall provide consumers  
48.8 with educational materials regarding the stewardship assessment and product stewardship  
48.9 program. The materials must include, but are not limited to, information regarding available  
48.10 end-of-life management options for carpet offered through the product stewardship  
48.11 program and information that notifies consumers that a charge for the operation of the  
48.12 product stewardship program is included in the purchase price of carpet sold in the state.

48.13 Subd. 11. **Responsibility of retailers.** (a) On and after January 1, 2015, no carpet  
48.14 may be sold in the state unless the carpet's producer is participating in an approved  
48.15 stewardship plan.

48.16 (b) On and after the implementation date of a product stewardship program under  
48.17 this section, each retailer or distributor, as applicable, must add the amount of the  
48.18 stewardship assessment to the purchase price of all carpet sold in the state.

48.19 (c) Any retailer may participate, on a voluntary basis, as a designated collection  
48.20 point pursuant to a product stewardship program under this section and in accordance  
48.21 with applicable law.

48.22 (d) No retailer or distributor shall be found to be in violation of this subdivision if,  
48.23 on the date the carpet was ordered from the producer or its agent, the producer was listed  
48.24 as compliant on the agency's Web site according to subdivision 14.

48.25 Subd. 12. **Stewardship reports.** Beginning March 1, 2016, producers of carpet  
48.26 sold in the state must individually or through a stewardship organization submit an  
48.27 annual report to the agency describing the product stewardship program. At a minimum,  
48.28 the report must contain:

48.29 (1) a description of the methods used to collect, transport, and process carpet in all  
48.30 regions of the state;

48.31 (2) the weight of all carpet collected in all regions of the state and a comparison to  
48.32 the performance goals and recycling rates established in the stewardship plan;

48.33 (3) the amount of unwanted carpet collected in the state by method of disposition,  
48.34 including reuse, recycling, and other methods of processing;

48.35 (4) identification of the facilities processing carpet and the number and weight  
48.36 processed at each facility;

49.1 (5) an evaluation of the program's funding mechanism;

49.2 (6) samples of educational materials provided to consumers and an evaluation of the  
49.3 effectiveness of the materials and the methods used to disseminate the materials; and

49.4 (7) a description of progress made toward achieving carpet design changes according  
49.5 to subdivision 5, clause (12).

49.6 Subd. 13. **Data classification.** Trade secret information, as defined under section  
49.7 13.37, submitted to the agency under this section is nonpublic data under section 13.37,  
49.8 subdivision 2.

49.9 Subd. 14. **Agency responsibilities.** The agency shall provide, on its Web site, a  
49.10 list of all compliant producers and brands participating in stewardship plans that the  
49.11 agency has approved and a list of all producers and brands the agency has identified as  
49.12 noncompliant with this section.

49.13 Subd. 15. **Local government responsibilities.** (a) A city, county, or other public  
49.14 agency may choose to participate voluntarily in a carpet product stewardship program.

49.15 (b) Cities, counties, and other public agencies are encouraged to work with producers  
49.16 and stewardship organizations to assist in meeting product stewardship program recycling  
49.17 obligations, by providing education and outreach or using other strategies.

49.18 (c) A city, county, or other public agency that participates in a product stewardship  
49.19 program must report annually to the agency using the reporting form provided by the agency  
49.20 on the cost savings as a result of participation and describe how the savings were used.

49.21 Subd. 16. **Administrative fee.** (a) The stewardship organization or individual  
49.22 producer submitting a stewardship plan shall pay the agency an annual administrative  
49.23 fee. The agency shall set the fee at an amount that, when paid by every stewardship  
49.24 organization or individual producer that submits a stewardship plan, is adequate to cover  
49.25 the agency's full costs of administering and enforcing this section. The agency may  
49.26 establish a variable fee based on relevant factors, including, but not limited to, the portion  
49.27 of carpet sold in the state by members of the organization compared to the total amount of  
49.28 carpet sold in the state by all organizations submitting a stewardship plan.

49.29 (b) The total amount of annual fees collected under this subdivision must not  
49.30 exceed the amount necessary to cover costs incurred by the agency in connection with the  
49.31 administration and enforcement of this section.

49.32 (c) The agency shall identify the direct program development or regulatory costs  
49.33 it incurs under this section before stewardship plans are submitted and shall establish a  
49.34 fee in an amount adequate to cover those costs, which shall be paid by a stewardship  
49.35 organization or individual producer that submits a stewardship plan.

50.1 (d) A stewardship organization or individual producer subject to this subdivision  
50.2 must pay the agency's administrative fee under paragraph (a) on or before July 1, ....., and

50.5 the annual administrative fee may not exceed five percent of the aggregate stewardship  
50.6 assessment collected for the preceding calendar year.

50.7 (e) The agency shall deposit the fees collected under this section into a product  
50.8 stewardship account.

50.11 Subdivision 1. Definitions. For purposes of this section, the following terms have  
50.12 the meanings given:

50.13 (1) "architectural paint" means interior and exterior architectural coatings sold in  
50.14 containers of five gallons or less. Architectural paint does not include industrial coatings,  
50.15 original equipment coatings, or specialty coatings;

50.16 (2) "brand" means a name, symbol, word, or mark that identifies architectural paint,  
50.17 rather than its components, and attributes the paint to the owner or licensee of the brand as

51.16 product stewardship program under subdivision 2 will be implemented.

51.17 Subd. 2. **Product stewardship program.** For architectural paint sold in the state,  
51.18 producers must, individually or through a stewardship organization, implement and  
51.19 finance a statewide product stewardship program that manages the architectural paint by  
51.20 reducing the paint's waste generation, promoting its reuse and recycling, and providing for  
51.21 negotiation and execution of agreements to collect, transport, and process the architectural  
51.22 paint for end-of-life recycling and reuse.

51.23 Subd. 3. **Requirement for sale.** (a) On and after July 1, 2014, or three months after  
51.24 program plan approval, whichever is sooner, no producer, wholesaler, or retailer may sell  
51.25 or offer for sale in the state architectural paint unless the paint's producer participates in an  
51.26 approved stewardship plan, either individually or through a stewardship organization.

51.27 (b) Each producer must operate a product stewardship program approved by the  
51.28 agency or enter into an agreement with a stewardship organization to operate, on the  
51.29 producer's behalf, a product stewardship program approved by the agency.

51.30 Subd. 4. **Requirement to submit plan.** (a) On or before March 1, 2014, and before  
51.31 offering architectural paint for sale in the state, a producer must submit a stewardship  
51.32 plan to the agency and receive approval of the plan or must submit documentation to the  
51.33 agency that demonstrates the producer has entered into an agreement with a stewardship  
51.34 organization to be an active participant in an approved product stewardship program as  
51.35 described in subdivision 2. A stewardship plan must include all elements required under  
51.36 subdivision 5.

52.1 (b) An amendment to the plan, if determined necessary by the commissioner, must  
52.2 be submitted every five years.

52.3 (c) It is the responsibility of the entities responsible for each stewardship plan to  
52.4 notify the agency within 30 days of any significant changes or modifications to the plan or  
52.5 its implementation. Within 30 days of the notification, a written plan revision must be  
52.6 submitted to the agency for review and approval.

52.7 Subd. 5. **Stewardship plan content.** A stewardship plan must contain:

52.8 (1) certification that the product stewardship program will accept all discarded  
52.9 paint regardless of which producer produced the architectural paint and its individual  
52.10 components;

52.11 (2) contact information for the individual and the entity submitting the plan, a list of  
52.12 all producers participating in the product stewardship program, and the brands covered by  
52.13 the product stewardship program;

52.14 (3) a description of the methods by which the discarded paint will be collected in all  
52.15 areas in the state without relying on end-of-life fees, including an explanation of how the  
52.16 collection system will be convenient and adequate to serve the needs of small businesses  
52.17 and residents in both urban and rural areas on an ongoing basis;

52.18 (4) a description of how the adequacy of the collection program will be monitored  
52.19 and maintained;

52.20 (5) the names and locations of collectors, transporters, and recyclers that will  
52.21 manage discarded paint;

52.22 (6) a description of how the discarded paint and the paint's components will be  
52.23 safely and securely transported, tracked, and handled from collection through final  
52.24 recycling and processing;

52.25 (7) a description of the method that will be used to reuse, deconstruct, or recycle  
52.26 the discarded paint to ensure that the paint's components, to the extent feasible, are  
52.27 transformed or remanufactured into finished products for use;

52.28 (8) a description of the promotion and outreach activities that will be used to  
52.29 encourage participation in the collection and recycling programs and how the activities'  
52.30 effectiveness will be evaluated and the program modified, if necessary;

52.32 shall propose a uniform stewardship assessment for any architectural paint sold in the  
52.33 state. The proposed stewardship assessment shall be reviewed by an independent auditor  
52.34 to ensure that the assessment does not exceed the costs of the product stewardship program  
52.35 and the independent auditor shall recommend an amount for the stewardship assessment.  
52.36 The agency must approve the stewardship assessment;

53.1 (10) evidence of adequate insurance and financial assurance that may be required for  
53.2 collection, handling, and disposal operations;

53.3 (11) five-year performance goals, including an estimate of the percentage of  
53.4 discarded paint that will be collected, reused, and recycled during each of the first five  
53.5 years of the stewardship plan. The performance goals must include a specific goal for the  
53.6 amount of discarded paint that will be collected and recycled and reused during each year  
53.7 of the plan. The performance goals must be based on:

53.8 (i) the most recent collection data available for the state;

53.9 (ii) the estimated amount of architectural paint disposed of annually;

53.10 (iii) the weight of the architectural paint that is expected to be available for collection  
53.11 annually; and

53.12 (iv) actual collection data from other existing stewardship programs.

53.13 The stewardship plan must state the methodology used to determine these goals; and

53.14 (12) a discussion of the status of end markets for collected architectural paint and  
53.15 what, if any, additional end markets are needed to improve the functioning of the program.

53.16 Subd. 6. **Consultation required.** Each stewardship organization or individual  
53.17 producer submitting a stewardship plan must consult with stakeholders including  
53.18 retailers, contractors, collectors, recyclers, local government, and customers during the  
53.19 development of the plan.

53.20 Subd. 7. **Agency review and approval.** (a) Within 90 days after receipt of a proposed  
53.21 stewardship plan, the agency shall determine whether the plan complies with subdivision  
53.22 4. If the agency approves a plan, the agency shall notify the applicant of the plan approval  
53.23 in writing. If the agency rejects a plan, the agency shall notify the applicant in writing of  
53.24 the reasons for rejecting the plan. An applicant whose plan is rejected by the agency must  
53.25 submit a revised plan to the agency within 60 days after receiving notice of rejection.

53.26 (b) Any proposed changes to a stewardship plan must be approved by the agency  
53.27 in writing.

53.28 Subd. 8. **Plan availability.** All draft and approved stewardship plans shall be placed  
53.29 on the agency's Web site and made available at the agency's headquarters for public review.

53.30 Subd. 9. **Conduct authorized.** A producer or stewardship organization that  
53.31 organizes collection, transport, and processing of architectural paint under this section  
53.32 is immune from liability for the conduct under state laws relating to antitrust, restraint  
53.33 of trade, unfair trade practices, and other regulation of trade or commerce only to the  
53.34 extent that the conduct is necessary to plan and implement the producer's or organization's  
53.35 chosen organized collection or recycling system.

54.1 Subd. 10. **Responsibility of producers.** (a) On and after the date of implementation  
54.2 of a product stewardship program according to this section, a producer of architectural  
54.3 paint must add the stewardship assessment, as established under subdivision 5, clause (9),  
54.4 to the cost of architectural paint sold to retailers and distributors in the state by the producer.

54.5 (b) Producers of architectural paint or the stewardship organization shall provide  
54.6 consumers with educational materials regarding the stewardship assessment and product  
54.7 stewardship program. The materials must include, but are not limited to, information  
54.8 regarding available end-of-life management options for architectural paint offered through  
54.9 the product stewardship program and information that notifies consumers that a charge  
54.10 for the operation of the product stewardship program is included in the purchase price of  
54.11 architectural paint sold in the state.

54.12 Subd. 11. **Responsibility of retailers.** (a) On and after July 1, 2014, or three months  
54.13 after program plan approval, whichever is sooner, no architectural paint may be sold in the  
54.14 state unless the paint's producer is participating in an approved stewardship plan.

54.15 (b) On and after the implementation date of a product stewardship program  
54.16 according to this section, each retailer or distributor, as applicable, must add the amount of  
54.17 the stewardship assessment to the purchase price of all architectural paint sold in the state.

54.18 (c) Any retailer may participate, on a voluntary basis, as a designated collection  
54.19 point pursuant to a product stewardship program under this section and in accordance  
54.20 with applicable law.

54.21 (d) No retailer or distributor shall be found to be in violation of this subdivision if,  
54.22 on the date the architectural paint was ordered from the producer or its agent, the producer  
54.23 was listed as compliant on the agency's Web site according to subdivision 14.

54.24 Subd. 12. **Stewardship reports.** Beginning October 1, 2015, producers of  
54.25 architectural paint sold in the state must individually or through a stewardship organization  
54.26 submit an annual report to the agency describing the product stewardship program. At a  
54.27 minimum, the report must contain:

54.28 (1) a description of the methods used to collect, transport, and process architectural  
54.29 paint in all regions of the state;

54.30 (2) the weight of all architectural paint collected in all regions of the state and a  
54.31 comparison to the performance goals and recycling rates established in the stewardship  
54.32 plan;

54.33 (3) the amount of unwanted architectural paint collected in the state by method of  
54.34 disposition, including reuse, recycling, and other methods of processing;

54.35 (4) samples of educational materials provided to consumers and an evaluation of the  
54.36 effectiveness of the materials and the methods used to disseminate the materials; and

55.1 (5) an independent financial audit.

55.2 Subd. 13. **Data classification.** Trade secret information, as defined under section  
55.3 13.37, submitted to the agency under this section is nonpublic data under section 13.37,  
55.4 subdivision 2.

55.5 Subd. 14. **Agency responsibilities.** The agency shall provide, on its Web site, a  
55.6 list of all compliant producers and brands participating in stewardship plans that the  
55.7 agency has approved and a list of all producers and brands the agency has identified as  
55.8 noncompliant with this section.

55.9 Subd. 15. **Local government responsibilities.** (a) A city, county, or other public  
55.10 agency may choose to participate voluntarily in a product stewardship program.

55.11 (b) Cities, counties, and other public agencies are encouraged to work with producers  
55.12 and stewardship organizations to assist in meeting product stewardship program reuse and  
55.13 recycling obligations, by providing education and outreach or using other strategies.

55.14 (c) A city, county, or other public agency that participates in a product stewardship  
55.15 program must report annually to the agency using the reporting form provided by the agency  
55.16 on the cost savings as a result of participation and describe how the savings were used.

55.17 Subd. 16. **Administrative fee.** (a) The stewardship organization or individual  
55.18 producer submitting a stewardship plan shall pay the agency an annual administrative fee.  
55.19 The agency shall set the fee at an amount that, when paid by every stewardship organization  
55.20 or individual producer that submits a stewardship plan, is adequate to cover the agency's  
55.21 full costs of administering and enforcing this section. The agency may establish a variable  
55.22 fee based on relevant factors, including, but not limited to, the portion of architectural  
55.23 paint sold in the state by members of the organization compared to the total amount of  
55.24 architectural paint sold in the state by all organizations submitting a stewardship plan.

55.25 (b) The total amount of annual fees collected under this subdivision must not exceed  
55.26 the amount necessary to recover costs incurred by the agency in connection with the  
55.27 administration and enforcement of this section.

55.28 (c) The agency shall identify the direct program development or regulatory costs  
55.29 it incurs under this section before stewardship plans are submitted and shall establish a  
55.30 fee in an amount adequate to cover those costs, which shall be paid by a stewardship  
55.31 organization or individual producer that submits a stewardship plan. The commissioner  
55.32 must make the proposed fee available for public review and comment for at least 30 days.

55.33 (d) A stewardship organization or individual producer subject to this section must  
55.34 pay the agency's administrative fee under paragraph (a) on or before July 1, ....., and  
55.35 annually thereafter and the agency's development fee under paragraph (c) on or before  
55.36 July 1, ....., and annually thereafter through July 1, ....., and annually thereafter through July 1, ..... Each year after the initial payment,

56.1 the annual administrative fee may not exceed five percent of the aggregate stewardship  
 56.2 assessment collected for the preceding calendar year.

56.3 (e) The agency shall deposit the fees collected under this section into a product  
 56.4 stewardship account.

56.5 **Sec. 40. [115A.142] PRIMARY BATTERIES; PRODUCT STEWARDSHIP**

57.29 be submitted every five years.

57.30 (c) It is the responsibility of the entities responsible for each stewardship plan to  
57.31 notify the agency within 30 days of any significant changes or modifications to the plan or  
57.32 its implementation. Within 30 days of the notification, a written plan revision must be  
57.33 submitted to the agency for review and approval.

57.34 Subd. 5. **Stewardship plan content.** A stewardship plan must contain:

69.17 (1) a record of the meeting, including copies of all information provided at the  
69.18 meeting;

69.19 (2) a copy of the mailing list provided by the county auditor and used to notify  
69.20 property owners of the meeting;

69.21 (3) a copy of the e-mail list used to notify property owners of the meeting;

69.22 (4) the printer's affidavit of publication of public meeting notice;

69.23 (5) an affidavit of posting the public meeting notice with information on dates and  
69.24 locations of posting; and

69.25 (6) the minutes or other record of the public meeting documenting that the following  
69.26 topics were discussed: printer's affidavit of publication of each resolution, with a copy  
69.27 of the resolution from the newspaper attached; and the affidavit of resolution posting  
69.28 on the town or proposed district Web site.

69.29 (c) Every petition must be signed as follows:

69.30 (1) for each municipality wherein there is a territorial unit of the proposed district,  
69.31 by an authorized officer pursuant to a resolution of the municipal governing body;

69.32 (2) for each organized town wherein there is a territorial unit of the proposed district,  
69.33 by an authorized officer pursuant to a resolution of the town board;

69.34 (3) for each county wherein there is a territorial unit of the proposed district consisting  
69.35 of an unorganized area, by an authorized officer pursuant to a resolution of the county  
69.36 board or by at least 20 percent of the voters residing and owning land within the unit.

70.1 (d) Each resolution must be published in the official newspaper of the governing  
70.2 body adopting it and becomes effective 40 days after publication, unless within said  
70.3 period there shall be filed with the governing body a petition signed by qualified electors  
70.4 of a territorial unit of the proposed district, equal in number to five percent of the number  
70.5 of electors voting at the last preceding election of the governing body, requesting a  
70.6 referendum on the resolution, in which case the resolution may not become effective until  
70.7 approved by a majority of the qualified electors voting at a regular election or special  
70.8 election that the governing body may call. The notice of an election and the ballot to be  
70.9 used must contain the text of the resolution followed by the question: "Shall the above  
70.10 resolution be approved?"

70.11 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to  
70.12 the signer's landowner status as shown by the county auditor's tax assessment records,  
70.13 certified by the auditor, shall be attached to or endorsed upon the petition.

70.14 (f) At any time before publication of the public notice required in subdivision 3,  
70.15 additional signatures may be added to the petition or amendments of the petition may  
70.16 be made to correct or remedy any error or defect in signature or otherwise except a  
70.17 material error or defect in the description of the territory of the proposed district. If the  
70.18 qualifications of any signer of a petition are challenged, the chief administrative law judge  
70.19 shall determine the challenge forthwith on the allegations of the petition, the county  
70.20 auditor's certificate of land ownership, and such other evidence as may be received.

70.21 Subd. 3. **Notice of intent to create sanitary district.** (a) Upon receipt of a petition  
70.22 and the record of the public meeting required under subdivision 2, the chief administrative  
70.23 law judge shall publish a notice of intent to create the proposed sanitary district in the State  
70.24 Register and mail or e-mail information of that publication to each property owner in the  
70.25 affected territory at the owner's address as given by the county auditor. The information  
70.26 must state the date that the notice will appear in the State Register and give the Web site  
70.27 location for the State Register. The notice must:

70.28 (1) describe the petition for creation of the district;

70.29 (2) describe the territory affected by the petition;

70.30 (3) allow 30 days for submission of written comments on the petition;

70.31 (4) state that a person who objects to the petition may submit a written request for  
70.32 hearing to the chief administrative law judge within 30 days of the publication of the  
70.33 notice in the State Register; and

70.34 (5) state that if a timely request for hearing is not received, the chief administrative  
70.35 law judge may make a decision on the petition.

71.1 (b) If 50 or more individual timely requests for hearing are received, the chief  
 71.2 administrative law judge must hold a hearing on the petition according to the contested  
 71.3 case provisions of chapter 14. The sanitary district proposers are responsible for paying all  
 71.4 costs involved in publicizing and holding a hearing on the petition.

71.5 Subd. 4. **Hearing time, place.** If a hearing is required pursuant to subdivision 3, the  
 71.6 chief administrative law judge shall designate a time and place for a hearing according  
 71.7 to section 442A.13.

71.8 Subd. 5. **Relevant factors.** (a) In arriving at a decision, the chief administrative law  
 71.9 judge shall consider the following factors:

71.10 (1) administrative feasibility;

71.11 (2) public health, safety, and welfare impacts;

71.12 (3) alternatives for managing the public health impacts;

71.13 (4) equities of the petition proposal;

71.14 (5) contours of the petition proposal; and

71.15 (6) public notification of and interaction on the petition proposal.

71.16 (b) Based on the factors in paragraph (a), the chief administrative law judge may  
 71.17 order the sanitary district creation on finding that:

71.18 (1) the proposed district is administratively feasible;

71.19 (2) the proposed district provides a long-term, equitable solution to pollution  
 71.20 problems affecting public health, safety, and welfare;

71.21 (3) property owners within the proposed district were provided notice of the  
 71.22 proposed district and opportunity to comment on the petition proposal; and

71.23 (4) the petition complied with the requirements of all applicable statutes and rules  
 71.24 pertaining to sanitary district creation.

71.25 (c) The chief administrative law judge may alter the boundaries of the proposed  
 71.26 sanitary district by increasing or decreasing the area to be included or may exclude  
 71.27 property that may be better served by another unit of government. The chief administrative  
 71.28 law judge may also alter the boundaries of the proposed district so as to follow visible,  
 71.29 clearly recognizable physical features for municipal boundaries.

71.30 (d) The chief administrative law judge may deny sanitary district creation if the area,  
 71.31 or a part thereof, would be better served by an alternative method.

71.32 (e) In all cases, the chief administrative law judge shall set forth the factors that are  
 71.33 the basis for the decision.

71.34 Subd. 6. **Findings; order.** After the public notice period or the public hearing, if  
 71.35 required under subdivision 3, and based on the petition, any public comments received,  
 71.36 and, if a hearing was held, the hearing record, the chief administrative law judge shall

72.1 make findings of fact and conclusions determining whether the conditions requisite for the  
 72.2 creation of a district exist in the territory described in the petition. If the chief administrative  
 72.3 law judge finds that the conditions exist, the judge may make an order creating a district  
 72.4 for the territory described in that petition under the name proposed in the petition or such  
 72.5 other name, including the words "sanitary district," as the judge deems appropriate.

72.6 Subd. 7. **Denial of petition.** If the chief administrative law judge, after conclusion  
 72.7 of the public notice period or holding a hearing, if required, determines that the creation of  
 72.8 a district in the territory described in the petition is not warranted, the judge shall make  
 72.9 an order denying the petition. The chief administrative law judge shall give notice of the  
 72.10 denial by mail or e-mail to each signer of the petition. No petition for the creation of a  
 72.11 district consisting of the same territory shall be entertained within a year after the date of  
 72.12 an order under this subdivision. Nothing in this subdivision precludes action on a petition  
 72.13 for the creation of a district embracing part of the territory with or without other territory.

72.14 Subd. 8. **Notice of order creating sanitary district.** The chief administrative law  
 72.15 judge shall publish a notice in the State Register of the final order creating a sanitary  
 72.16 district, referring to the date of the order and describing the territory of the district, and  
 72.17 shall mail or e-mail information of the publication to each property owner in the affected  
 72.18 territory at the owner's address as given by the county auditor. The information must state  
 72.19 the date that the notice will appear in the State Register and give the Web site location  
 72.20 for the State Register. The notice must:

- 72.21 (1) describe the petition for creation of the district;  
 72.22 (2) describe the territory affected by the petition; and  
 72.23 (3) state that a certified copy of the order shall be delivered to the secretary of state  
 72.24 for filing ten days after public notice of the order in the State Register.

72.25 Subd. 9. **Filing.** Ten days after public notice of the order in the State Register, the  
 72.26 chief administrative law judge shall deliver a certified copy of the order to the secretary  
 72.27 of state for filing. Thereupon, the creation of the district is deemed complete, and it  
 72.28 shall be conclusively presumed that all requirements of law relating thereto have been  
 72.29 complied with. The chief administrative law judge shall also transmit a certified copy of  
 72.30 the order for filing to the county auditor of each county and the clerk or recorder of each  
 72.31 municipality and organized town wherein any part of the territory of the district is situated  
 72.32 and to the secretary of the district board when elected.

72.33 Sec. 53. **[442A.05] SANITARY DISTRICT ANNEXATION.**

73.1 Subdivision 1. **Annexation.** (a) A sanitary district annexation may occur under  
73.2 this chapter for any area adjacent to an existing district upon a petition to the chief  
73.3 administrative law judge stating the grounds therefor as provided in this section.

73.4 (b) The proposed annexation area must embrace an area or a group of two or more  
73.5 adjacent areas, whether contiguous or separate, but not situated entirely within the limits  
73.6 of a single municipality. The proposed annexation must promote public health and  
73.7 welfare by providing an adequate and efficient system and means of collecting, conveying,  
73.8 pumping, treating, and disposing of domestic sewage and garbage and industrial wastes  
73.9 within the district. When the chief administrative law judge or the Minnesota Pollution  
73.10 Control Agency finds that there is need throughout the territory for the accomplishment of  
73.11 these purposes, that these purposes can be effectively accomplished on an equitable basis  
73.12 by annexation to a district, and that the creation and maintenance of such annexation will  
73.13 be administratively feasible and in furtherance of the public health, safety, and welfare,  
73.14 the chief administrative law judge shall make an order for sanitary district annexation.

73.15 (c) Notwithstanding paragraph (b), no annexation to a district shall be approved  
73.16 within 25 miles of the boundary of any city of the first class without the approval  
73.17 of the governing body thereof and the approval of the governing body of each and  
73.18 every municipality in the proposed annexation area by resolution filed with the chief  
73.19 administrative law judge.

73.20 (d) If the chief administrative law judge and the Minnesota Pollution Control Agency  
73.21 disagree on the need for a sanitary district annexation, they must determine whether not  
73.22 allowing the sanitary district annexation will have a detrimental effect on the environment.  
73.23 If it is determined that the sanitary district annexation will prevent environmental harm,  
73.24 the sanitary district annexation or connection to an existing wastewater treatment system  
73.25 must occur.

73.26 Subd. 2. **Proceeding for annexation.** (a) A proceeding for sanitary district  
73.27 annexation may be initiated by a petition to the chief administrative law judge containing  
73.28 the following:

73.29 (1) a request for proposed annexation to a sanitary district;

73.30 (2) a legal description of the territory of the proposed annexation, including  
73.31 justification for inclusion or exclusion for all parcels;

73.32 (3) addresses of every property owner within the existing sanitary district and  
73.33 proposed annexation area boundaries as provided by the county auditor, with certification  
73.34 from the county auditor; two sets of address labels for said owners; and a list of e-mail  
73.35 addresses for said owners, if available;

74.1 (4) a statement showing the existence in such territory of the conditions requisite  
74.2 for annexation to a district as prescribed in subdivision 1;

74.3 (5) a statement of the territorial units represented by and qualifications of the  
74.4 respective signers; and

74.5 (6) the post office address of each signer, given under the signer's signature.

74.6 A petition may consist of separate writings of like effect, each signed by one or more  
74.7 qualified persons, and all such writings, when filed, shall be considered together as a  
74.8 single petition.

74.9 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the  
74.10 proposed annexation to a sanitary district. At the meeting, information must be provided,  
74.11 including a description of the existing sanitary district's structure, bylaws, territory,  
74.12 ordinances, budget, and charges; a description of the existing sanitary district's territory;  
74.13 and a description of the territory of the proposed annexation area, including justification  
74.14 for inclusion or exclusion for all parcels for the annexation area. Notice of the meeting  
74.15 must be published for two successive weeks in a qualified newspaper, as defined under  
74.16 chapter 331A, published within the territories of the existing sanitary district and proposed  
74.17 annexation area or, if there is no qualified newspaper published within those territories, in  
74.18 a qualified newspaper of general circulation in the territories, and must be posted for two  
74.19 weeks in each territorial unit of the existing sanitary district and proposed annexation area  
74.20 and on the Web site of the existing sanitary district, if one exists. Notice of the meeting  
74.21 must be mailed or e-mailed at least three weeks prior to the meeting to all property tax  
74.22 billing addresses for all parcels included in the existing sanitary district and proposed  
74.23 annexation area. The following must be submitted to the chief administrative law judge  
74.24 with the petition:

74.25 (1) a record of the meeting, including copies of all information provided at the  
74.26 meeting;

74.27 (2) a copy of the mailing list provided by the county auditor and used to notify  
74.28 property owners of the meeting;

74.29 (3) a copy of the e-mail list used to notify property owners of the meeting;

74.30 (4) the printer's affidavit of publication of the public meeting notice;

74.31 (5) an affidavit of posting the public meeting notice with information on dates and  
74.32 locations of posting; and

74.33 (6) the minutes or other record of the public meeting documenting that the following  
74.34 topics were discussed: printer's affidavit of publication of each resolution, with copy  
74.35 of resolution from newspaper attached; and affidavit of resolution posting on town or  
74.36 existing sanitary district Web site.

75.1 (c) Every petition must be signed as follows:

75.2 (1) by an authorized officer of the existing sanitary district pursuant to a resolution  
75.3 of the board;

75.4 (2) for each municipality wherein there is a territorial unit of the proposed annexation  
75.5 area, by an authorized officer pursuant to a resolution of the municipal governing body;

75.6 (3) for each organized town wherein there is a territorial unit of the proposed  
75.7 annexation area, by an authorized officer pursuant to a resolution of the town board; and

75.8 (4) for each county wherein there is a territorial unit of the proposed annexation area  
75.9 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the  
75.10 county board or by at least 20 percent of the voters residing and owning land within the unit.

75.11 (d) Each resolution must be published in the official newspaper of the governing  
75.12 body adopting it and becomes effective 40 days after publication, unless within said  
75.13 period there shall be filed with the governing body a petition signed by qualified electors  
75.14 of a territorial unit of the proposed annexation area, equal in number to five percent of the  
75.15 number of electors voting at the last preceding election of the governing body, requesting  
75.16 a referendum on the resolution, in which case the resolution may not become effective  
75.17 until approved by a majority of the qualified electors voting at a regular election or special  
75.18 election that the governing body may call. The notice of an election and the ballot to be  
75.19 used must contain the text of the resolution followed by the question: "Shall the above  
75.20 resolution be approved?"

75.21 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to  
75.22 the signer's landowner status as shown by the county auditor's tax assessment records,  
75.23 certified by the auditor, shall be attached to or endorsed upon the petition.

75.24 (f) At any time before publication of the public notice required in subdivision 4,  
75.25 additional signatures may be added to the petition or amendments of the petition may be  
75.26 made to correct or remedy any error or defect in signature or otherwise except a material  
75.27 error or defect in the description of the territory of the proposed annexation area. If the  
75.28 qualifications of any signer of a petition are challenged, the chief administrative law judge  
75.29 shall determine the challenge forthwith on the allegations of the petition, the county  
75.30 auditor's certificate of land ownership, and such other evidence as may be received.

75.31 Subd. 3. **Joint petition.** Different areas may be annexed to a district in a single  
75.32 proceeding upon a joint petition therefor and upon compliance with the provisions of  
75.33 subdivisions 1 and 2 with respect to the area affected so far as applicable.

75.34 Subd. 4. **Notice of intent for sanitary district annexation.** (a) Upon receipt  
75.35 of a petition and the record of public meeting required under subdivision 2, the chief  
75.36 administrative law judge shall publish a notice of intent for sanitary district annexation

76.1 in the State Register and mail or e-mail information of the publication to each property  
 76.2 owner in the affected territory at the owner's address as given by the county auditor. The  
 76.3 information must state the date that the notice will appear in the State Register and give  
 76.4 the Web site location for the State Register. The notice must:

76.5 (1) describe the petition for sanitary district annexation;

76.6 (2) describe the territory affected by the petition;

76.7 (3) allow 30 days for submission of written comments on the petition;

76.8 (4) state that a person who objects to the petition may submit a written request for  
 76.9 hearing to the chief administrative law judge within 30 days of the publication of the  
 76.10 notice in the State Register; and

76.11 (5) state that if a timely request for hearing is not received, the chief administrative  
 76.12 law judge may make a decision on the petition.

76.13 (b) If 50 or more individual timely requests for hearing are received, the chief  
 76.14 administrative law judge must hold a hearing on the petition according to the contested case  
 76.15 provisions of chapter 14. The sanitary district or annexation area proposers are responsible  
 76.16 for paying all costs involved in publicizing and holding a hearing on the petition.

76.17 Subd. 5. **Hearing time, place.** If a hearing is required under subdivision 4, the  
 76.18 chief administrative law judge shall designate a time and place for a hearing according  
 76.19 to section 442A.13.

76.20 Subd. 6. **Relevant factors.** (a) In arriving at a decision, the chief administrative law  
 76.21 judge shall consider the following factors:

76.22 (1) administrative feasibility;

76.23 (2) public health, safety, and welfare impacts;

76.24 (3) alternatives for managing the public health impacts;

76.25 (4) equities of the petition proposal;

76.26 (5) contours of the petition proposal; and

76.27 (6) public notification of and interaction on the petition proposal.

76.28 (b) Based upon these factors, the chief administrative law judge may order the  
 76.29 annexation to the sanitary district on finding that:

76.30 (1) the sanitary district is knowledgeable and experienced in delivering sanitary sewer  
 76.31 services to ratepayers and has provided quality service in a fair and cost-effective manner;

76.32 (2) the proposed annexation provides a long-term, equitable solution to pollution  
 76.33 problems affecting public health, safety, and welfare;

76.34 (3) property owners within the existing sanitary district and proposed annexation  
 76.35 area were provided notice of the proposed district and opportunity to comment on the  
 76.36 petition proposal; and

77.1 (4) the petition complied with the requirements of all applicable statutes and rules  
77.2 pertaining to sanitary district annexation.

77.3 (c) The chief administrative law judge may alter the boundaries of the proposed  
77.4 annexation area by increasing or decreasing the area to be included or may exclude  
77.5 property that may be better served by another unit of government. The chief administrative  
77.6 law judge may also alter the boundaries of the proposed annexation area so as to follow  
77.7 visible, clearly recognizable physical features for municipal boundaries.

77.8 (d) The chief administrative law judge may deny sanitary district annexation if the  
77.9 area, or a part thereof, would be better served by an alternative method.

77.10 (e) In all cases, the chief administrative law judge shall set forth the factors that are  
77.11 the basis for the decision.

77.12 Subd. 7. Findings; order. (a) After the public notice period or the public hearing, if  
77.13 required under subdivision 4, and based on the petition, any public comments received,  
77.14 and, if a hearing was held, the hearing record, the chief administrative law judge shall  
77.15 make findings of fact and conclusions determining whether the conditions requisite for  
77.16 the sanitary district annexation exist in the territory described in the petition. If the chief  
77.17 administrative law judge finds that conditions exist, the judge may make an order for  
77.18 sanitary district annexation for the territory described in the petition.

77.19 (b) All taxable property within the annexed area shall be subject to taxation for  
77.20 any existing bonded indebtedness or other indebtedness of the district for the cost of  
77.21 acquisition, construction, or improvement of any disposal system or other works or  
77.22 facilities beneficial to the annexed area to such extent as the chief administrative law judge  
77.23 may determine to be just and equitable, to be specified in the order for annexation. The  
77.24 proper officers shall levy further taxes on such property accordingly.

77.25 Subd. 8. Denial of petition. If the chief administrative law judge, after conclusion  
77.26 of the public notice period or holding a hearing, if required, determines that the sanitary  
77.27 district annexation in the territory described in the petition is not warranted, the judge shall  
77.28 make an order denying the petition. The chief administrative law judge shall give notice  
77.29 of the denial by mail or e-mail to each signer of the petition. No petition for a sanitary  
77.30 district annexation consisting of the same territory shall be entertained within a year  
77.31 after the date of an order under this subdivision. Nothing in this subdivision precludes  
77.32 action on a petition for a sanitary district annexation embracing part of the territory with  
77.33 or without other territory.

77.34 Subd. 9. Notice of order for sanitary district annexation. The chief administrative  
77.35 law judge shall publish in the State Register a notice of the final order for sanitary district  
77.36 annexation, referring to the date of the order and describing the territory of the annexation

78.1 area, and shall mail or e-mail information of the publication to each property owner in the  
 78.2 affected territory at the owner's address as given by the county auditor. The information  
 78.3 must state the date that the notice will appear in the State Register and give the Web site  
 78.4 location for the State Register. The notice must:

78.5 (1) describe the petition for annexation to the district;

78.6 (2) describe the territory affected by the petition; and

78.7 (3) state that a certified copy of the order shall be delivered to the secretary of state  
 78.8 for filing ten days after public notice of the order in the State Register.

78.9 Subd. 10. **Filing.** Ten days after public notice of the order in the State Register, the  
 78.10 chief administrative law judge shall deliver a certified copy of the order to the secretary  
 78.11 of state for filing. Thereupon, the sanitary district annexation is deemed complete, and it  
 78.12 shall be conclusively presumed that all requirements of law relating thereto have been  
 78.13 complied with. The chief administrative law judge shall also transmit a certified copy of  
 78.14 the order for filing to the county auditor of each county and the clerk or recorder of each  
 78.15 municipality and organized town wherein any part of the territory of the district, including  
 78.16 the newly annexed area, is situated and to the secretary of the district board.

78.17 Sec. 54. **[442A.06] SANITARY DISTRICT DETACHMENT.**

78.18 Subdivision 1. **Detachment.** (a) A sanitary district detachment may occur under this  
 78.19 chapter for any area within an existing district upon a petition to the chief administrative  
 78.20 law judge stating the grounds therefor as provided in this section.

78.21 (b) The proposed detachment must not have any negative environmental impact  
 78.22 on the proposed detachment area.

78.23 (c) If the chief administrative law judge and the Minnesota Pollution Control  
 78.24 Agency disagree on the need for a sanitary district detachment, they must determine  
 78.25 whether not allowing the sanitary district detachment will have a detrimental effect on  
 78.26 the environment. If it is determined that the sanitary district detachment will cause  
 78.27 environmental harm, the sanitary district detachment is not allowed unless the detached  
 78.28 area is immediately connected to an existing wastewater treatment system.

78.29 Subd. 2. **Proceeding for detachment.** (a) A proceeding for sanitary district  
 78.30 detachment may be initiated by a petition to the chief administrative law judge containing  
 78.31 the following:

78.32 (1) a request for proposed detachment from a sanitary district;

78.33 (2) a statement that the requisite conditions for inclusion in a district no longer exist  
 78.34 in the proposed detachment area;

79.1 (3) a legal description of the territory of the proposed detachment, including  
79.2 justification for inclusion or exclusion for all parcels;

79.3 (4) addresses of every property owner within the sanitary district and proposed  
79.4 detachment area boundaries as provided by the county auditor, with certification from the  
79.5 county auditor; two sets of address labels for said owners; and a list of e-mail addresses  
79.6 for said owners, if available;

79.7 (5) a statement of the territorial units represented by and qualifications of the  
79.8 respective signers; and

79.9 (6) the post office address of each signer, given under the signer's signature.

79.10 A petition may consist of separate writings of like effect, each signed by one or more  
79.11 qualified persons, and all such writings, when filed, shall be considered together as a  
79.12 single petition.

79.13 (b) Petitioners must conduct and pay for a public meeting to inform citizens of  
79.14 the proposed detachment from a sanitary district. At the meeting, information must be  
79.15 provided, including a description of the existing district's territory and a description of the  
79.16 territory of the proposed detachment area, including justification for inclusion or exclusion  
79.17 for all parcels for the detachment area. Notice of the meeting must be published for two  
79.18 successive weeks in a qualified newspaper, as defined under chapter 331A, published  
79.19 within the territories of the existing sanitary district and proposed detachment area or, if  
79.20 there is no qualified newspaper published within those territories, in a qualified newspaper  
79.21 of general circulation in the territories, and must be posted for two weeks in each territorial  
79.22 unit of the existing sanitary district and proposed detachment area and on the Web site  
79.23 of the existing sanitary district, if one exists. Notice of the meeting must be mailed or  
79.24 e-mailed at least three weeks prior to the meeting to all property tax billing addresses for  
79.25 all parcels included in the sanitary district. The following must be submitted to the chief  
79.26 administrative law judge with the petition:

79.27 (1) a record of the meeting, including copies of all information provided at the  
79.28 meeting;

79.29 (2) a copy of the mailing list provided by the county auditor and used to notify  
79.30 property owners of the meeting;

79.31 (3) a copy of the e-mail list used to notify property owners of the meeting;

79.32 (4) the printer's affidavit of publication of public meeting notice;

79.33 (5) an affidavit of posting the public meeting notice with information on dates and  
79.34 locations of posting; and

79.35 (6) minutes or other record of the public meeting documenting that the following  
79.36 topics were discussed: printer's affidavit of publication of each resolution, with copy

80.1 of resolution from newspaper attached; and affidavit of resolution posting on town or  
80.2 existing sanitary district Web site.

80.3 (c) Every petition must be signed as follows:

80.4 (1) by an authorized officer of the existing sanitary district pursuant to a resolution  
80.5 of the board;

80.6 (2) for each municipality wherein there is a territorial unit of the proposed detachment  
80.7 area, by an authorized officer pursuant to a resolution of the municipal governing body;

80.8 (3) for each organized town wherein there is a territorial unit of the proposed  
80.9 detachment area, by an authorized officer pursuant to a resolution of the town board; and

80.10 (4) for each county wherein there is a territorial unit of the proposed detachment area  
80.11 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the  
80.12 county board or by at least 20 percent of the voters residing and owning land within the unit.

80.13 (d) Each resolution must be published in the official newspaper of the governing  
80.14 body adopting it and becomes effective 40 days after publication, unless within said period  
80.15 there shall be filed with the governing body a petition signed by qualified electors of a  
80.16 territorial unit of the proposed detachment area, equal in number to five percent of the  
80.17 number of electors voting at the last preceding election of the governing body, requesting  
80.18 a referendum on the resolution, in which case the resolution may not become effective  
80.19 until approved by a majority of the qualified electors voting at a regular election or special  
80.20 election that the governing body may call. The notice of an election and the ballot to be  
80.21 used must contain the text of the resolution followed by the question: "Shall the above  
80.22 resolution be approved?"

80.23 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to  
80.24 the signer's landowner status as shown by the county auditor's tax assessment records,  
80.25 certified by the auditor, shall be attached to or endorsed upon the petition.

80.26 (f) At any time before publication of the public notice required in subdivision 4,  
80.27 additional signatures may be added to the petition or amendments of the petition may be  
80.28 made to correct or remedy any error or defect in signature or otherwise except a material  
80.29 error or defect in the description of the territory of the proposed detachment area. If the  
80.30 qualifications of any signer of a petition are challenged, the chief administrative law judge  
80.31 shall determine the challenge forthwith on the allegations of the petition, the county  
80.32 auditor's certificate of land ownership, and such other evidence as may be received.

80.33 Subd. 3. **Joint petition.** Different areas may be detached from a district in a single  
80.34 proceeding upon a joint petition therefor and upon compliance with the provisions of  
80.35 subdivisions 1 and 2 with respect to the area affected so far as applicable.

81.1 Subd. 4. **Notice of intent for sanitary district detachment.** (a) Upon receipt  
 81.2 of a petition and record of public meeting required under subdivision 2, the chief  
 81.3 administrative law judge shall publish a notice of intent for sanitary district detachment  
 81.4 in the State Register and mail or e-mail information of the publication to each property  
 81.5 owner in the affected territory at the owner's address as given by the county auditor. The  
 81.6 information must state the date that the notice will appear in the State Register and give  
 81.7 the Web site location for the State Register. The notice must:

81.8 (1) describe the petition for sanitary district detachment;

81.9 (2) describe the territory affected by the petition;

81.10 (3) allow 30 days for submission of written comments on the petition;

81.11 (4) state that a person who objects to the petition may submit a written request for  
 81.12 hearing to the chief administrative law judge within 30 days of the publication of the  
 81.13 notice in the State Register; and

81.14 (5) state that if a timely request for hearing is not received, the chief administrative  
 81.15 law judge may make a decision on the petition.

81.16 (b) If 50 or more individual timely requests for hearing are received, the chief  
 81.17 administrative law judge must hold a hearing on the petition according to the contested case  
 81.18 provisions of chapter 14. The sanitary district or detachment area proposers are responsible  
 81.19 for paying all costs involved in publicizing and holding a hearing on the petition.

81.20 Subd. 5. **Hearing time, place.** If a hearing is required under subdivision 4, the  
 81.21 chief administrative law judge shall designate a time and place for a hearing according  
 81.22 to section 442A.13.

81.23 Subd. 6. **Relevant factors.** (a) In arriving at a decision, the chief administrative law  
 81.24 judge shall consider the following factors:

81.25 (1) public health, safety, and welfare impacts for the proposed detachment area;

81.26 (2) alternatives for managing the public health impacts for the proposed detachment  
 81.27 area;

81.28 (3) equities of the petition proposal;

81.29 (4) contours of the petition proposal; and

81.30 (5) public notification of and interaction on the petition proposal.

81.31 (b) Based upon these factors, the chief administrative law judge may order the  
 81.32 detachment from the sanitary district on finding that:

81.33 (1) the proposed detachment area has adequate alternatives for managing public  
 81.34 health impacts due to the detachment;

82.1 (2) the proposed detachment area is not necessary for the district to provide a  
82.2 long-term, equitable solution to pollution problems affecting public health, safety, and  
82.3 welfare;

82.4 (3) property owners within the existing sanitary district and proposed detachment  
82.5 area were provided notice of the proposed detachment and opportunity to comment on  
82.6 the petition proposal; and

82.7 (4) the petition complied with the requirements of all applicable statutes and rules  
82.8 pertaining to sanitary district detachment.

82.9 (c) The chief administrative law judge may alter the boundaries of the proposed  
82.10 detachment area by increasing or decreasing the area to be included or may exclude  
82.11 property that may be better served by another unit of government. The chief administrative  
82.12 law judge may also alter the boundaries of the proposed detachment area so as to follow  
82.13 visible, clearly recognizable physical features for municipal boundaries.

82.14 (d) The chief administrative law judge may deny sanitary district detachment if the  
82.15 area, or a part thereof, would be better served by an alternative method.

82.16 (e) In all cases, the chief administrative law judge shall set forth the factors that are  
82.17 the basis for the decision.

82.18 Subd. 7. **Findings; order.** (a) After the public notice period or the public hearing, if  
82.19 required under subdivision 4, and based on the petition, any public comments received,  
82.20 and, if a hearing was held, the hearing record, the chief administrative law judge shall  
82.21 make findings of fact and conclusions determining whether the conditions requisite for  
82.22 the sanitary district detachment exist in the territory described in the petition. If the chief  
82.23 administrative law judge finds that conditions exist, the judge may make an order for  
82.24 sanitary district detachment for the territory described in the petition.

82.25 (b) All taxable property within the detached area shall remain subject to taxation  
82.26 for any existing bonded indebtedness of the district to such extent as it would have been  
82.27 subject thereto if not detached and shall also remain subject to taxation for any other  
82.28 existing indebtedness of the district incurred for any purpose beneficial to such area to  
82.29 such extent as the chief administrative law judge may determine to be just and equitable,  
82.30 to be specified in the order for detachment. The proper officers shall levy further taxes on  
82.31 such property accordingly.

82.32 Subd. 8. **Denial of petition.** If the chief administrative law judge, after conclusion  
82.33 of the public notice period or holding a hearing, if required, determines that the sanitary  
82.34 district detachment in the territory described in the petition is not warranted, the judge  
82.35 shall make an order denying the petition. The chief administrative law judge shall give  
82.36 notice of the denial by mail or e-mail to each signer of the petition. No petition for a

83.1 detachment from a district consisting of the same territory shall be entertained within a  
 83.2 year after the date of an order under this subdivision. Nothing in this subdivision precludes  
 83.3 action on a petition for a detachment from a district embracing part of the territory with  
 83.4 or without other territory.

83.5 Subd. 9. **Notice of order for sanitary district detachment.** The chief  
 83.6 administrative law judge shall publish in the State Register a notice of the final order  
 83.7 for sanitary district detachment, referring to the date of the order and describing the  
 83.8 territory of the detached area and shall mail or e-mail information of the publication  
 83.9 to each property owner in the affected territory at the owner's address as given by the  
 83.10 county auditor. The information must state the date that the notice will appear in the State  
 83.11 Register and give the Web site location for the State Register. The notice must:

83.12 (1) describe the petition for detachment from the district;  
 83.13 (2) describe the territory affected by the petition; and  
 83.14 (3) state that a certified copy of the order shall be delivered to the secretary of state  
 83.15 for filing ten days after public notice of the order in the State Register.

83.16 Subd. 10. **Filing.** Ten days after public notice of the order in the State Register, the  
 83.17 chief administrative law judge shall deliver a certified copy of the order to the secretary of  
 83.18 state for filing. Thereupon, the sanitary district detachment is deemed complete, and it  
 83.19 shall be conclusively presumed that all requirements of law relating thereto have been  
 83.20 complied with. The chief administrative law judge shall also transmit a certified copy of  
 83.21 the order for filing to the county auditor of each county and the clerk or recorder of each  
 83.22 municipality and organized town wherein any part of the territory of the district, including  
 83.23 the newly detached area, is situated and to the secretary of the district board.

83.24 Sec. 55. **[442A.07] SANITARY DISTRICT DISSOLUTION.**

83.25 Subdivision 1. **Dissolution.** (a) An existing sanitary district may be dissolved under  
 83.26 this chapter upon a petition to the chief administrative law judge stating the grounds  
 83.27 therefor as provided in this section.

83.28 (b) The proposed dissolution must not have any negative environmental impact on  
 83.29 the existing sanitary district area.

83.30 (c) If the chief administrative law judge and the Minnesota Pollution Control  
 83.31 Agency disagree on the need to dissolve a sanitary district, they must determine whether  
 83.32 not dissolving the sanitary district will have a detrimental effect on the environment. If  
 83.33 it is determined that the sanitary district dissolution will cause environmental harm, the  
 83.34 sanitary district dissolution is not allowed unless the existing sanitary district area is  
 83.35 immediately connected to an existing wastewater treatment system.

84.1 Subd. 2. Proceeding for dissolution. (a) A proceeding for sanitary district  
84.2 dissolution may be initiated by a petition to the chief administrative law judge containing  
84.3 the following:

84.4 (1) a request for proposed sanitary district dissolution;

84.5 (2) a statement that the requisite conditions for a sanitary district no longer exist  
84.6 in the district area;

84.7 (3) a proposal for distribution of the remaining funds of the district, if any, among  
84.8 the related governmental subdivisions;

84.9 (4) a legal description of the territory of the proposed dissolution;

84.10 (5) addresses of every property owner within the sanitary district boundaries as  
84.11 provided by the county auditor, with certification from the county auditor; two sets of  
84.12 address labels for said owners; and a list of e-mail addresses for said owners, if available;

84.13 (6) a statement of the territorial units represented by and the qualifications of the  
84.14 respective signers; and

84.15 (7) the post office address of each signer, given under the signer's signature.

84.16 A petition may consist of separate writings of like effect, each signed by one or more  
84.17 qualified persons, and all such writings, when filed, shall be considered together as a  
84.18 single petition.

84.19 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the  
84.20 proposed dissolution of a sanitary district. At the meeting, information must be provided,  
84.21 including a description of the existing district's territory. Notice of the meeting must be  
84.22 published for two successive weeks in a qualified newspaper, as defined under chapter  
84.23 331A, published within the territory of the sanitary district or, if there is no qualified  
84.24 newspaper published within that territory, in a qualified newspaper of general circulation  
84.25 in the territory and must be posted for two weeks in each territorial unit of the sanitary  
84.26 district and on the Web site of the existing sanitary district, if one exists. Notice of the  
84.27 meeting must be mailed or e-mailed at least three weeks prior to the meeting to all property  
84.28 tax billing addresses for all parcels included in the sanitary district. The following must be  
84.29 submitted to the chief administrative law judge with the petition:

84.30 (1) a record of the meeting, including copies of all information provided at the  
84.31 meeting;

84.32 (2) a copy of the mailing list provided by the county auditor and used to notify  
84.33 property owners of the meeting;

84.34 (3) a copy of the e-mail list used to notify property owners of the meeting;

84.35 (4) the printer's affidavit of publication of public meeting notice;

85.1 (5) an affidavit of posting the public meeting notice with information on dates and  
85.2 locations of posting; and

85.3 (6) minutes or other record of the public meeting documenting that the following  
85.4 topics were discussed: printer's affidavit of publication of each resolution, with copy  
85.5 of resolution from newspaper attached; and affidavit of resolution posting on town or  
85.6 existing sanitary district Web site.

85.7 (c) Every petition must be signed as follows:

85.8 (1) by an authorized officer of the existing sanitary district pursuant to a resolution  
85.9 of the board;

85.10 (2) for each municipality wherein there is a territorial unit of the existing sanitary  
85.11 district, by an authorized officer pursuant to a resolution of the municipal governing body;

85.12 (3) for each organized town wherein there is a territorial unit of the existing sanitary  
85.13 district, by an authorized officer pursuant to a resolution of the town board; and

85.14 (4) for each county wherein there is a territorial unit of the existing sanitary district  
85.15 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the  
85.16 county board or by at least 20 percent of the voters residing and owning land within the unit.

85.17 (d) Each resolution must be published in the official newspaper of the governing body  
85.18 adopting it and becomes effective 40 days after publication, unless within said period there  
85.19 shall be filed with the governing body a petition signed by qualified electors of a territorial  
85.20 unit of the district, equal in number to five percent of the number of electors voting at the  
85.21 last preceding election of the governing body, requesting a referendum on the resolution,  
85.22 in which case the resolution may not become effective until approved by a majority of the  
85.23 qualified electors voting at a regular election or special election that the governing body  
85.24 may call. The notice of an election and the ballot to be used must contain the text of the  
85.25 resolution followed by the question: "Shall the above resolution be approved?"

85.26 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to  
85.27 the signer's landowner status as shown by the county auditor's tax assessment records,  
85.28 certified by the auditor, shall be attached to or endorsed upon the petition.

85.29 (f) At any time before publication of the public notice required in subdivision 3,  
85.30 additional signatures may be added to the petition or amendments of the petition may be  
85.31 made to correct or remedy any error or defect in signature or otherwise except a material  
85.32 error or defect in the description of the territory of the proposed dissolution area. If the  
85.33 qualifications of any signer of a petition are challenged, the chief administrative law judge  
85.34 shall determine the challenge forthwith on the allegations of the petition, the county  
85.35 auditor's certificate of land ownership, and such other evidence as may be received.

86.1 Subd. 3. **Notice of intent for sanitary district dissolution.** (a) Upon receipt  
86.2 of a petition and record of the public meeting required under subdivision 2, the chief  
86.3 administrative law judge shall publish a notice of intent of sanitary district dissolution  
86.4 in the State Register and mail or e-mail information of the publication to each property  
86.5 owner in the affected territory at the owner's address as given by the county auditor. The  
86.6 information must state the date that the notice will appear in the State Register and give  
86.7 the Web site location for the State Register. The notice must:

86.8 (1) describe the petition for sanitary district dissolution;

86.9 (2) describe the territory affected by the petition;

86.10 (3) allow 30 days for submission of written comments on the petition;

86.11 (4) state that a person who objects to the petition may submit a written request for  
86.12 hearing to the chief administrative law judge within 30 days of the publication of the  
86.13 notice in the State Register; and

86.14 (5) state that if a timely request for hearing is not received, the chief administrative  
86.15 law judge may make a decision on the petition.

86.16 (b) If 50 or more individual timely requests for hearing are received, the chief  
86.17 administrative law judge must hold a hearing on the petition according to the contested  
86.18 case provisions of chapter 14. The sanitary district dissolution proposers are responsible  
86.19 for paying all costs involved in publicizing and holding a hearing on the petition.

86.20 Subd. 4. **Hearing time, place.** If a hearing is required under subdivision 3, the  
86.21 chief administrative law judge shall designate a time and place for a hearing according  
86.22 to section 442A.13.

86.23 Subd. 5. **Relevant factors.** (a) In arriving at a decision, the chief administrative law  
86.24 judge shall consider the following factors:

86.25 (1) public health, safety, and welfare impacts for the proposed dissolution;

86.26 (2) alternatives for managing the public health impacts for the proposed dissolution;

86.27 (3) equities of the petition proposal;

86.28 (4) contours of the petition proposal; and

86.29 (5) public notification of and interaction on the petition proposal.

86.30 (b) Based upon these factors, the chief administrative law judge may order the  
86.31 dissolution of the sanitary district on finding that:

86.32 (1) the proposed dissolution area has adequate alternatives for managing public  
86.33 health impacts due to the dissolution;

86.34 (2) the sanitary district is not necessary to provide a long-term, equitable solution to  
86.35 pollution problems affecting public health, safety, and welfare;

87.1 (3) property owners within the sanitary district were provided notice of the proposed  
87.2 dissolution and opportunity to comment on the petition proposal; and

87.3 (4) the petition complied with the requirements of all applicable statutes and rules  
87.4 pertaining to sanitary district dissolution.

87.5 (c) The chief administrative law judge may alter the boundaries of the proposed  
87.6 dissolution area by increasing or decreasing the area to be included or may exclude  
87.7 property that may be better served by another unit of government. The chief administrative  
87.8 law judge may also alter the boundaries of the proposed dissolution area so as to follow  
87.9 visible, clearly recognizable physical features for municipal boundaries.

87.10 (d) The chief administrative law judge may deny sanitary district dissolution if the  
87.11 area, or a part thereof, would be better served by an alternative method.

87.12 (e) In all cases, the chief administrative law judge shall set forth the factors that are  
87.13 the basis for the decision.

87.14 Subd. 6. **Findings; order.** (a) After the public notice period or the public hearing, if  
87.15 required under subdivision 3, and based on the petition, any public comments received,  
87.16 and, if a hearing was held, the hearing record, the chief administrative law judge shall  
87.17 make findings of fact and conclusions determining whether the conditions requisite for  
87.18 the sanitary district dissolution exist in the territory described in the petition. If the chief  
87.19 administrative law judge finds that conditions exist, the judge may make an order for  
87.20 sanitary district dissolution for the territory described in the petition.

87.21 (b) If the chief administrative law judge determines that the conditions requisite for  
87.22 the creation of the district no longer exist therein, that all indebtedness of the district has  
87.23 been paid, and that all property of the district except funds has been disposed of, the judge  
87.24 may make an order dissolving the district and directing the distribution of its remaining  
87.25 funds, if any, among the related governmental subdivisions on such basis as the chief  
87.26 administrative law judge determines to be just and equitable, to be specified in the order.

87.27 Subd. 7. **Denial of petition.** If the chief administrative law judge, after conclusion  
87.28 of the public notice period or holding a hearing, if required, determines that the sanitary  
87.29 district dissolution in the territory described in the petition is not warranted, the judge  
87.30 shall make an order denying the petition. The chief administrative law judge shall give  
87.31 notice of the denial by mail or e-mail to each signer of the petition. No petition for the  
87.32 dissolution of a district consisting of the same territory shall be entertained within a year  
87.33 after the date of an order under this subdivision.

87.34 Subd. 8. **Notice of order for sanitary district dissolution.** The chief administrative  
87.35 law judge shall publish in the State Register a notice of the final order for sanitary  
87.36 district dissolution, referring to the date of the order and describing the territory of the

88.1 dissolved district and shall mail or e-mail information of the publication to each property  
 88.2 owner in the affected territory at the owner's address as given by the county auditor. The  
 88.3 information must state the date that the notice will appear in the State Register and give  
 88.4 the Web site location of the State Register. The notice must:

88.5 (1) describe the petition for dissolution of the district;  
 88.6 (2) describe the territory affected by the petition; and  
 88.7 (3) state that a certified copy of the order shall be delivered to the secretary of state  
 88.8 for filing ten days after public notice of the order in the State Register.

88.9 Subd. 9. **Filing.** (a) Ten days after public notice of the order in the State Register,  
 88.10 the chief administrative law judge shall deliver a certified copy of the order to the secretary  
 88.11 of state for filing. Thereupon, the sanitary district dissolution is deemed complete, and it  
 88.12 shall be conclusively presumed that all requirements of law relating thereto have been  
 88.13 complied with. The chief administrative law judge shall also transmit a certified copy of  
 88.14 the order for filing to the county auditor of each county and the clerk or recorder of each  
 88.15 municipality and organized town wherein any part of the territory of the dissolved district  
 88.16 is situated and to the secretary of the district board.

88.17 (b) The chief administrative law judge shall also transmit a certified copy of the order  
 88.18 to the treasurer of the district, who must thereupon distribute the remaining funds of the  
 88.19 district as directed by the order and who is responsible for the funds until so distributed.

88.20 Sec. 56. **[442A.08] JOINT PUBLIC INFORMATIONAL MEETING.**

88.21 There must be a joint public informational meeting of the local governments of any  
 88.22 proposed sanitary district creation, annexation, detachment, or dissolution. The joint public  
 88.23 informational meeting must be held after the final mediation meeting or the final meeting  
 88.24 held according to section 442A.02, subdivision 8, if any, and before the hearing on the  
 88.25 matter is held. If no mediation meetings are held, the joint public informational meeting  
 88.26 must be held after the initiating documents have been filed and before the hearing on the  
 88.27 matter. The time, date, and place of the public informational meeting must be determined  
 88.28 jointly by the local governments in the proposed creation, annexation, detachment, or  
 88.29 dissolution areas and by the sanitary district, if one exists. The chair of the sanitary district,  
 88.30 if one exists, and the responsible official for one of the local governments represented at  
 88.31 the meeting must serve as the co-chairs for the informational meeting. Notice of the time,  
 88.32 date, place, and purpose of the informational meeting must be posted by the sanitary  
 88.33 district, if one exists, and local governments in designated places for posting notices. The  
 88.34 sanitary district, if one exists, and represented local governments must also publish, at their  
 88.35 own expense, notice in their respective official newspapers. If the same official newspaper

89.1 is used by multiple local government representatives or the sanitary district, a joint notice  
 89.2 may be published and the costs evenly divided. All notice required by this section must  
 89.3 be provided at least ten days before the date for the public informational meeting. At the  
 89.4 public informational meeting, all persons appearing must have an opportunity to be heard,  
 89.5 but the co-chairs may, by mutual agreement, establish the amount of time allowed for each  
 89.6 speaker. The sanitary district board, the local government representatives, and any resident  
 89.7 or affected property owner may be represented by counsel and may place into the record of  
 89.8 the informational meeting documents, expert opinions, or other materials supporting their  
 89.9 positions on issues raised by the proposed proceeding. The secretary of the sanitary district,  
 89.10 if one exists, or a person appointed by the chair must record minutes of the proceedings of  
 89.11 the informational meeting and must make an audio recording of the informational meeting.  
 89.12 The sanitary district, if one exists, or a person appointed by the chair must provide the  
 89.13 chief administrative law judge and the represented local governments with a copy of the  
 89.14 printed minutes and must provide the chief administrative law judge and the represented  
 89.15 local governments with a copy of the audio recording. The record of the informational  
 89.16 meeting for a proceeding under section 442A.04, 442A.05, 442A.06, or 442A.07 is  
 89.17 admissible in any proceeding under this chapter and shall be taken into consideration by  
 89.18 the chief administrative law judge or the chief administrative law judge's designee.

89.19       Sec. 57. **[442A.09] ANNEXATION BY ORDER OF POLLUTION CONTROL**  
 89.20 **AGENCY.**

89.21       Subdivision 1. **Annexation by ordinance alternative.** If a determination or order  
 89.22 by the Minnesota Pollution Control Agency under section 115.49 or other similar statute is  
 89.23 made that cooperation by contract is necessary and feasible between a sanitary district and  
 89.24 an unincorporated area located outside the existing corporate limits of the sanitary district,  
 89.25 the sanitary district required to provide or extend through a contract a governmental  
 89.26 service to an unincorporated area, during the statutory 90-day period provided in section  
 89.27 115.49 to formulate a contract, may in the alternative to formulating a service contract to  
 89.28 provide or extend the service, declare the unincorporated area described in the Minnesota  
 89.29 Pollution Control Agency's determination letter or order annexed to the sanitary district by  
 89.30 adopting an ordinance and submitting it to the chief administrative law judge.

89.31       Subd. 2. **Chief administrative law judge's role.** The chief administrative law  
 89.32 judge may review and comment on the ordinance but shall approve the ordinance within  
 89.33 30 days of receipt. The ordinance is final and the annexation is effective on the date the  
 89.34 chief administrative law judge approves the ordinance.

90.1 Sec. 58. **[442A.10] PETITIONERS TO PAY EXPENSES.**

90.2 Expenses of the preparation and submission of petitions in the proceedings under  
90.3 sections 442A.04 to 442A.09 shall be paid by the petitioners. Notwithstanding section  
90.4 16A.1283, the Office of Administrative Hearings may adopt rules according to section  
90.5 14.386 to establish fees necessary to support the preparation and submission of petitions  
90.6 in proceedings under sections 442A.04 to 442A.09. The fees collected by the Office of  
90.7 Administrative Hearings shall be deposited in the environmental fund.

90.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

90.9 Sec. 59. **[442A.11] TIME LIMITS FOR ORDERS; APPEALS.**

90.10 Subdivision 1. **Orders; time limit.** All orders in proceedings under this chapter  
90.11 shall be issued within one year from the date of the first hearing thereon, provided that  
90.12 the time may be extended for a fixed additional period upon consent of all parties of  
90.13 record. Failure to so order shall be deemed to be an order denying the matter. An appeal  
90.14 may be taken from such failure to so order in the same manner as an appeal from an  
90.15 order as provided in subdivision 2.

90.16 Subd. 2. **Grounds for appeal.** (a) Any person aggrieved by an order issued under  
90.17 this chapter may appeal to the district court upon the following grounds:

90.18 (1) the order was issued without jurisdiction to act;

90.19 (2) the order exceeded the jurisdiction of the presiding administrative law judge;

90.20 (3) the order was arbitrary, fraudulent, capricious, or oppressive or in unreasonable  
90.21 disregard of the best interests of the territory affected; or

90.22 (4) the order was based upon an erroneous theory of law.

90.23 (b) The appeal must be taken in the district court in the county in which the majority  
90.24 of the area affected is located. The appeal does not stay the effect of the order. All notices  
90.25 and other documents must be served on both the chief administrative law judge and the  
90.26 attorney general's assistant assigned to the chief administrative law judge for purposes  
90.27 of this chapter.

90.28 (c) If the court determines that the action involved is unlawful or unreasonable or is  
90.29 not warranted by the evidence in case an issue of fact is involved, the court may vacate or  
90.30 suspend the action involved, in whole or in part, as the case requires. The matter shall then  
90.31 be remanded for further action in conformity with the decision of the court.

90.32 (d) To render a review of an order effectual, the aggrieved person shall file with the  
90.33 court administrator of the district court of the county in which the majority of the area is  
90.34 located, within 30 days of the order, an application for review together with the grounds  
90.35 upon which the review is sought.

91.1 (e) An appeal lies from the district court as in other civil cases.

91.2 Sec. 60. **[442A.12] CHIEF ADMINISTRATIVE LAW JUDGE MAY APPEAL**  
 91.3 **FROM DISTRICT COURT.**

91.4 An appeal may be taken under the Rules of Civil Appellate Procedure by the chief  
 91.5 administrative law judge from a final order or judgment made or rendered by the district  
 91.6 court when the chief administrative law judge determines that the final order or judgment  
 91.7 adversely affects the public interest.

91.8 Sec. 61. **[442A.13] UNIFORM PROCEDURES.**

91.9 Subdivision 1. **Hearings.** (a) Proceedings initiated by the submission of an initiating  
 91.10 document or by the chief administrative law judge shall come on for hearing within 30 to  
 91.11 60 days from receipt of the document by the chief administrative law judge or from the  
 91.12 date of the chief administrative law judge's action and the person conducting the hearing  
 91.13 must submit an order no later than one year from the date of the first hearing.

91.14 (b) The place of the hearing shall be in the county where a majority of the affected  
 91.15 territory is situated, and shall be established for the convenience of the parties.

91.16 (c) The chief administrative law judge shall mail notice of the hearing to the  
 91.17 following parties: the sanitary district; any township or municipality presently governing  
 91.18 the affected territory; any township or municipality abutting the affected territory;  
 91.19 the county where the affected territory is situated; and each planning agency that has  
 91.20 jurisdiction over the affected area.

91.21 (d) The chief administrative law judge shall see that notice of the hearing is published  
 91.22 for two successive weeks in a legal newspaper of general circulation in the affected area.

91.23 (e) When the chief administrative law judge exercises authority to change the  
 91.24 boundaries of the affected area so as to increase the quantity of land, the hearing shall  
 91.25 be recessed and reconvened upon two weeks' published notice in a legal newspaper of  
 91.26 general circulation in the affected area.

91.27 Subd. 2. **Transmittal of order.** The chief administrative law judge shall see that  
 91.28 copies of the order are mailed to all parties entitled to mailed notice of hearing under  
 91.29 subdivision 1, individual property owners if initiated in that manner, and any other party  
 91.30 of record.

91.31 Sec. 62. **[442A.14] DISTRICT BOARD OF MANAGERS.**

91.32 Subdivision 1. **Composition.** The governing body of each district shall be a board  
 91.33 of managers of five members, who shall be voters residing in the district and who may

92.1 but need not be officers, members of governing bodies, or employees of the related  
92.2 governmental subdivisions, except that when there are more than five territorial units in  
92.3 a district, there must be one board member for each unit.

92.4 Subd. 2. **Terms.** The terms of the first board members elected after creation of a  
92.5 district shall be so arranged and determined by the electing body as to expire on the first  
92.6 business day in January as follows:

92.7 (1) the terms of two members in the second calendar year after the year in which  
92.8 they were elected;

92.9 (2) the terms of two other members in the third calendar year after the year in which  
92.10 they were elected; and

92.11 (3) the term of the remaining member in the fourth calendar year after the year in  
92.12 which the member was elected. In case a board has more than five members, the additional  
92.13 members shall be assigned to the groups under clauses (1) to (3) to equalize the groups as  
92.14 far as practicable. Thereafter, board members shall be elected successively for regular  
92.15 terms beginning upon expiration of the preceding terms and expiring on the first business  
92.16 day in January of the third calendar year thereafter. Each board member serves until  
92.17 a successor is elected and has qualified.

92.18 Subd. 3. **Election of board.** In a district having only one territorial unit, all the  
92.19 members of the board shall be elected by the related governing body. In a district having  
92.20 more than one territorial unit, the members of the board shall be elected by the members  
92.21 of the related governing bodies in joint session except as otherwise provided. The electing  
92.22 bodies concerned shall meet and elect the first board members of a new district as soon  
92.23 as practicable after creation of the district and shall meet and elect board members for  
92.24 succeeding regular terms as soon as practicable after November 1 next preceding the  
92.25 beginning of the terms to be filled, respectively.

92.26 Subd. 4. **Central related governing body.** Upon the creation of a district  
92.27 having more than one territorial unit, the chief administrative law judge, on the basis of  
92.28 convenience for joint meeting purposes, shall designate one of the related governing  
92.29 bodies as the central related governing body in the order creating the district or in a  
92.30 subsequent special order, of which the chief administrative law judge shall notify the  
92.31 clerks or recorders of all the related governing bodies. Upon receipt of the notification,  
92.32 the clerk or recorder of the central related governing body shall immediately transmit the  
92.33 notification to the presiding officer of the body. The officer shall thereupon call a joint  
92.34 meeting of the members of all the related governing bodies to elect board members, to  
92.35 be held at such time as the officer shall fix at the regular meeting place of the officer's  
92.36 governing body or at such other place in the district as the officer shall determine. The

93.1 clerk or recorder of the body must give at least ten days' notice of the meeting by mail to  
93.2 the clerks or recorders of all the other related governing bodies, who shall immediately  
93.3 transmit the notice to all the members of the related governing bodies, respectively.  
93.4 Subsequent joint meetings to elect board members for regular terms must be called and  
93.5 held in like manner. The presiding officer and the clerk or recorder of the central related  
93.6 governing body shall act respectively as chair and secretary of the joint electing body at  
93.7 any meeting thereof, but in case of the absence or disability of either of them, the body  
93.8 may elect a temporary substitute. A majority of the members of each related governing  
93.9 body is required for a quorum at any meeting of the joint electing body.

93.10 Subd. 5. **Nominations.** Nominations for board members may be made by petitions,  
93.11 each signed by ten or more voters residing and owning land in the district, filed with the  
93.12 clerk, recorder, or secretary of the electing body before the election meeting. No person  
93.13 shall sign more than one petition. The electing body shall give due consideration to all  
93.14 nominations but is not limited thereto.

93.15 Subd. 6. **Election; single governing body.** In the case of an electing body  
93.16 consisting of a single related governing body, a majority vote of all members is required  
93.17 for an election. In the case of a joint electing body, a majority vote of members present is  
93.18 required for an election. In case of lack of a quorum or failure to elect, a meeting of an  
93.19 electing body may be adjourned to a stated time and place without further notice.

93.20 Subd. 7. **Election; multiple governing bodies.** In any district having more than  
93.21 one territorial unit, the related governing bodies, instead of meeting in joint session, may  
93.22 elect a board member by resolutions adopted by all of them separately, concurring in the  
93.23 election of the same person. A majority vote of all members of each related governing  
93.24 body is required for the adoption of any such resolution. The clerks or recorders of the  
93.25 other related governing bodies shall transmit certified copies of the resolutions to the clerk  
93.26 or recorder of the central related governing body. Upon receipt of concurring resolutions  
93.27 from all the related governing bodies, the presiding officer and clerk or recorder of the  
93.28 central related governing body shall certify the results and furnish certificates of election  
93.29 as provided for a joint meeting.

93.30 Subd. 8. **Vacancies.** Any vacancy in the membership of a board must be filled for  
93.31 the unexpired term in like manner as provided for the regular election of board members.

93.32 Subd. 9. **Certification of election; temporary chair.** The presiding and recording  
93.33 officers of the electing body shall certify the results of each election to the county auditor  
93.34 of each county wherein any part of the district is situated and to the clerk or recorder of  
93.35 each related governing body and shall make and transmit to each board member elected  
93.36 a certificate of the board member's election. Upon electing the first board members of a

94.1 district, the presiding officer of the electing body shall designate a member to serve as  
 94.2 temporary chair for purposes of initial organization of the board, and the recording  
 94.3 officer of the body shall include written notice thereof to all the board members with  
 94.4 their certificates of election.

94.5 Sec. 63. **[442A.15] BOARD ORGANIZATION AND PROCEDURES.**

94.6 Subdivision 1. **Initial, annual meetings.** As soon as practicable after the election  
 94.7 of the first board members of a district, the board shall meet at the call of the temporary  
 94.8 chair to elect officers and take other appropriate action for organization and administration  
 94.9 of the district. Each board shall hold a regular annual meeting at the call of the chair or  
 94.10 otherwise as the board prescribes on or as soon as practicable after the first business day in  
 94.11 January of each year and such other regular and special meetings as the board prescribes.

94.12 Subd. 2. **Officers.** The officers of each district shall be a chair and a vice-chair,  
 94.13 who shall be members of the board, and a secretary and a treasurer, who may but need  
 94.14 not be members of the board. The board of a new district at its initial meeting or as soon  
 94.15 thereafter as practicable shall elect the officers to serve until the first business day in  
 94.16 January next following. Thereafter, the board shall elect the officers at each regular annual  
 94.17 meeting for terms expiring on the first business day in January next following. Each  
 94.18 officer serves until a successor is elected and has qualified.

94.19 Subd. 3. **Meeting place; offices.** The board at its initial meeting or as soon  
 94.20 thereafter as practicable shall provide for suitable places for board meetings and for offices  
 94.21 of the district officers and may change the same thereafter as the board deems advisable.  
 94.22 The meeting place and offices may be the same as those of any related governing body,  
 94.23 with the approval of the body. The secretary of the board shall notify the secretary of state,  
 94.24 the county auditor of each county wherein any part of the district is situated, and the clerk  
 94.25 or recorder of each related governing body of the locations and post office addresses of the  
 94.26 meeting place and offices and any changes therein.

94.27 Subd. 4. **Budget.** At any time before the proceeds of the first tax levy in a district  
 94.28 become available, the district board may prepare a budget comprising an estimate of the  
 94.29 expenses of organizing and administering the district until the proceeds are available, with  
 94.30 a proposal for apportionment of the estimated amount among the related governmental  
 94.31 subdivisions, and may request the governing bodies thereof to advance funds according to  
 94.32 the proposal. The governing bodies may authorize advancement of the requested amounts,  
 94.33 or such part thereof as they respectively deem proper, from any funds available in their  
 94.34 respective treasuries. The board shall include in its first tax levy after receipt of any such

95.1 advancements a sufficient sum to cover the same and shall cause the same to be repaid,  
95.2 without interest, from the proceeds of taxes as soon as received.

95.3 **Sec. 64. [442A.16] DISTRICT STATUS AND POWERS.**

95.4 Subdivision 1. **Status.** Every district shall be a public corporation and a governmental  
95.5 subdivision of the state and shall be deemed to be a municipality or municipal corporation  
95.6 for the purpose of obtaining federal or state grants or loans or otherwise complying with  
95.7 any provision of federal or state law or for any other purpose relating to the powers and  
95.8 purposes of the district for which such status is now or hereafter required by law.

95.9 Subd. 2. **Powers and purpose.** Every district shall have the powers and purposes  
95.10 prescribed by this chapter and such others as may now or hereafter be prescribed by law.  
95.11 No express grant of power or enumeration of powers herein shall be deemed to limit the  
95.12 generality or scope of any grant of power.

95.13 Subd. 3. **Scope of powers and duties.** Except as otherwise provided, a power or  
95.14 duty vested in or imposed upon a district or any of its officers, agents, or employees shall  
95.15 not be deemed exclusive and shall not supersede or abridge any power or duty vested in or  
95.16 imposed upon any other agency of the state or any governmental subdivision thereof, but  
95.17 shall be supplementary thereto.

95.18 Subd. 4. **Exercise of power.** All the powers of a district shall be exercised by its  
95.19 board of managers except so far as approval of any action by popular vote or by any other  
95.20 authority may be expressly required by law.

95.21 Subd. 5. **Lawsuits; contracts.** A district may sue and be sued and may enter into  
95.22 any contract necessary or proper for the exercise of its powers or the accomplishment  
95.23 of its purposes.

95.24 Subd. 6. **Property acquisition.** A district may acquire by purchase, gift, or  
95.25 condemnation or may lease or rent any real or personal property within or without the  
95.26 district that may be necessary for the exercise of district powers or the accomplishment of  
95.27 district purposes, may hold the property for such purposes, and may lease, rent out, sell, or  
95.28 otherwise dispose of any property not needed for such purposes.

95.29 Subd. 7. **Acceptance of money or property.** A district may accept gifts, grants,  
95.30 or loans of money or other property from the United States, the state, or any person,  
95.31 corporation, or other entity for district purposes; may enter into any agreement required in  
95.32 connection therewith; and may hold, use, and dispose of the money or property according  
95.33 to the terms of the gift, grant, loan, or agreement relating thereto.

95.34 **Sec. 65. [442A.17] SPECIFIC PURPOSES AND POWERS.**

96.1 Subdivision 1. **Pollution prevention.** A district may construct, install, improve,  
96.2 maintain, and operate any system, works, or facilities within or without the district  
96.3 required to control and prevent pollution of any waters of the state within its territory.

96.4 Subd. 2. **Sewage disposal.** A district may construct, install, improve, maintain,  
96.5 and operate any system, works, or facilities within or without the district required to  
96.6 provide for, regulate, and control the disposal of sewage, industrial waste, and other waste  
96.7 originating within its territory. The district may require any person upon whose premises  
96.8 there is any source of sewage, industrial waste, or other waste within the district to  
96.9 connect the premises with the disposal system, works, or facilities of the district whenever  
96.10 reasonable opportunity therefor is provided.

96.11 Subd. 3. **Garbage, refuse disposal.** A district may construct, install, improve,  
96.12 maintain, and operate any system, works, or facilities within or without the district required  
96.13 to provide for, regulate, and control the disposal of garbage or refuse originating within the  
96.14 district. The district may require any person upon whose premises any garbage or refuse is  
96.15 produced or accumulated to dispose of the garbage or refuse through the system, works, or  
96.16 facilities of the district whenever reasonable opportunity therefor is provided.

96.17 Subd. 4. **Water supply.** A district may procure supplies of water necessary for any  
96.18 purpose under subdivisions 1 to 3 and may construct, install, improve, maintain, and  
96.19 operate any system, works, or facilities required therefor within or without the district.

96.20 Subd. 5. **Roads.** (a) To maintain the integrity of and facilitate access to district  
96.21 systems, works, or facilities, the district may maintain and repair a road by agreement with  
96.22 the entity that was responsible for the performance of maintenance and repair immediately  
96.23 prior to the agreement. Maintenance and repair includes but is not limited to providing  
96.24 lighting, snow removal, and grass mowing.

96.25 (b) A district shall establish a taxing subdistrict of benefited property and shall levy  
96.26 special taxes, pursuant to section 442A.24, subdivision 2, for the purposes of paying the  
96.27 cost of improvement or maintenance of a road under paragraph (a).

96.28 (c) For purposes of this subdivision, a district shall not be construed as a road  
96.29 authority under chapter 160.

96.30 (d) The district and its officers and employees are exempt from liability for any tort  
96.31 claim for injury to person or property arising from travel on a road maintained by the  
96.32 district and related to the road's maintenance or condition.

96.33 **Sec. 66. [442A.18] DISTRICT PROJECTS AND FACILITIES.**

96.34 Subdivision 1. **Public property.** For the purpose of constructing, improving,  
96.35 maintaining, or operating any system, works, or facilities designed or used for any purpose

97.1 under section 442A.17, a district, its officers, agents, employees, and contractors may enter,  
 97.2 occupy, excavate, and otherwise operate in, upon, under, through, or along any public  
 97.3 highway, including a state trunk highway, or any street, park, or other public grounds so  
 97.4 far as necessary for such work, with the approval of the governing body or other authority  
 97.5 in charge of the public property affected and on such terms as may be agreed upon with the  
 97.6 governing body or authority respecting interference with public use, restoration of previous  
 97.7 conditions, compensation for damages, and other pertinent matters. If an agreement cannot  
 97.8 be reached after reasonable opportunity therefor, the district may acquire the necessary  
 97.9 rights, easements, or other interests in the public property by condemnation, subject to all  
 97.10 applicable provisions of law as in case of taking private property, upon condition that the  
 97.11 court shall determine that there is paramount public necessity for the acquisition.

97.12 Subd. 2. **Use of other systems.** A district may, upon such terms as may be  
 97.13 agreed upon with the respective governing bodies or authorities concerned, provide for  
 97.14 connecting with or using; lease; or acquire and take over any system, works, or facilities  
 97.15 for any purpose under section 442A.17 belonging to any other governmental subdivision  
 97.16 or other public agency.

97.17 Subd. 3. **Use by other governmental bodies.** A district may, upon such terms  
 97.18 as may be agreed upon with the respective governing bodies or authorities concerned,  
 97.19 authorize the use by any other governmental subdivision or other public agency of any  
 97.20 system, works, or facilities of the district constructed for any purpose under section  
 97.21 442A.17 so far as the capacity thereof is sufficient beyond the needs of the district. A  
 97.22 district may extend any such system, works, or facilities and permit the use thereof by  
 97.23 persons outside the district, so far as the capacity thereof is sufficient beyond the needs of  
 97.24 the district, upon such terms as the board may prescribe.

97.25 Subd. 4. **Joint projects.** A district may be a party to a joint cooperative project,  
 97.26 undertaking, or enterprise with one or more other governmental subdivisions or other  
 97.27 public agencies for any purpose under section 442A.17 upon such terms as may be  
 97.28 agreed upon between the governing bodies or authorities concerned. Without limiting the  
 97.29 effect of the foregoing provision or any other provision of this chapter, a district, with  
 97.30 respect to any of said purposes, may act under and be subject to section 471.59, or any  
 97.31 other appropriate law providing for joint or cooperative action between governmental  
 97.32 subdivisions or other public agencies.

97.33 **Sec. 67. [442A.19] CONTROL OF SANITARY FACILITIES.**

97.34 A district may regulate and control the construction, maintenance, and use of privies,  
 97.35 cesspools, septic tanks, toilets, and other facilities and devices for the reception or disposal

98.1 of human or animal excreta or other domestic wastes within its territory so far as necessary  
 98.2 to prevent nuisances or pollution or to protect the public health, safety, and welfare  
 98.3 and may prohibit the use of any such facilities or devices not connected with a district  
 98.4 disposal system, works, or facilities whenever reasonable opportunity for such connection

 98.6 or apply to the construction, maintenance, operation, or use by any person other than the  
 98.7 district of any disposal system or part thereof within the district under and in accordance  
 98.8 with a valid and existing permit issued by the Minnesota Pollution Control Agency.

98.14 A district may do and perform all other acts and things necessary or proper for the  
 98.15 effectuation of its powers and the accomplishment of its purposes. Without limiting the  
 98.16 effect of the foregoing provision or any other provision of this chapter, a district, with  
 98.17 respect to each and all of said powers and purposes, shall have like powers as are vested in  
 98.18 statutory cities with respect to any similar purposes. The exercise of such powers by a  
 98.19 district and all matters pertaining thereto are governed by the law relating to the exercise  
 98.20 of similar powers by statutory cities and matters pertaining thereto, so far as applicable,  
 98.21 with like force and effect, except as otherwise provided.

98.22 Sec. 70. **[442A.22] ADVISORY COMMITTEE.**

98.26 Subdivision 1. **Generally.** The board of managers of every district shall have charge  
 98.27 and control of all the funds, property, and affairs of the district. With respect thereto, the  
 98.28 board has the same powers and duties as are provided by law for a statutory city council  
 98.29 with respect to similar statutory city matters, except as otherwise provided. Except as  
 98.30 otherwise provided, the chair, vice-chair, secretary, and treasurer of the district have the  
 98.31 same powers and duties, respectively, as the mayor, acting mayor, clerk, and treasurer  
 98.32 of a statutory city. Except as otherwise provided, the exercise of the powers and the

99.1 performance of the duties of the board and officers of the district and all other activities,

 99.11 for violation of statutory city ordinances.

99.12 Subd. 3. **Arrest; prosecution.** (a) Violations of district ordinances may be  
 99.13 prosecuted before any court having jurisdiction of misdemeanors. Any peace officer may

 99.19 property taxable within the district.

99.20 Subd. 2. **Particular area.** In the case where a particular area within the district,  
 99.21 but not the entire district, is benefited by a system, works, or facilities of the district,  
 99.22 the board, after holding a public hearing as provided by law for levying assessments on  
 99.23 benefited property, shall by ordinance establish such area as a taxing subdistrict, to be  
 99.24 designated by number, and shall levy special taxes on all the taxable property therein, to be  
 99.25 accounted for separately and used only for the purpose of paying the cost of construction,  
 99.26 improvement, acquisition, maintenance, or operation of such system, works, or facilities,  
 99.27 or paying the principal and interest on bonds issued to provide funds therefor and expenses  
 99.28 incident thereto. The hearing may be held jointly with a hearing for the purpose of levying  
 99.29 assessments on benefited property within the proposed taxing subdistrict.

99.30 Subd. 3. **Benefited property.** The board shall levy assessments on benefited property  
 99.31 to provide funds for payment of the cost of construction, improvement, or acquisition of  
 99.32 any system, works, or facilities designed or used for any district purpose or for payment of  
 99.33 the principal of and interest on any bonds issued therefor and expenses incident thereto.

99.34 Subd. 4. **Service charges.** The board shall prescribe service, use, or rental charges  
 99.35 for persons or premises connecting with or making use of any system, works, or facilities

100.1 of the district; prescribe the method of payment and collection of the charges; and provide  
 100.2 for the collection thereof for the district by any related governmental subdivision or  
 100.3 other public agency on such terms as may be agreed upon with the governing body or  
 100.4 other authority thereof.

100.6 Subdivision 1. **Borrowing power.** The board may authorize the borrowing of  
 100.7 money for any district purpose and provide for the repayment thereof, subject to chapter  
 100.8 475. The taxes initially levied by any district according to section 475.61 for the payment  
 100.9 of district bonds, upon property within each municipality included in the district, shall be  
 100.10 included in computing the levy of the municipality.

100.11 Subd. 2. **Bond issuance.** The board may authorize the issuance of bonds or  
 100.12 obligations of the district to provide funds for the construction, improvement, or  
 100.13 acquisition of any system, works, or facilities for any district purpose or for refunding  
 100.14 any prior bonds or obligations issued for any such purpose and may pledge the full faith  
 100.15 and credit of the district; the proceeds of tax levies or assessments; service, use, or  
 100.16 rental charges; or any combination thereof to the payment of such bonds or obligations  
 100.17 and interest thereon or expenses incident thereto. An election or vote of the people of  
 100.18 the district is required to authorize the issuance of any bonds or obligations. Except as  
 100.19 otherwise provided in this chapter, the forms and procedures for issuing and selling bonds  
 100.20 and provisions for payment thereof must comply with chapter 475.

100.21 Sec. 74. **[442A.26] FUNDS; DISTRICT TREASURY.**

 100.23 other income of the district must be deposited in the district treasury and must be held  
 100.24 and disposed of as the board may direct for district purposes, subject to any pledges or  
 100.25 dedications made by the board for the use of particular funds for the payment of bonds,  
 100.26 interest thereon, or expenses incident thereto or for other specific purposes.

100.27 Sec. 75. **[442A.27] EFFECT OF DISTRICT ORDINANCES AND FACILITIES.**

100.28 In any case where an ordinance is enacted or a regulation adopted by a district  
 100.29 board relating to the same subject matter and applicable in the same area as an existing  
 100.30 ordinance or regulation of a related governmental subdivision for the district, the district  
 100.31 ordinance or regulation, to the extent of its application, supersedes the ordinance or  
 100.32 regulation of the related governmental subdivision. In any case where an area within a  
 100.33 district is served for any district purpose by a system, works, or facilities of the district,

101.1 no system, works, or facilities shall be constructed, maintained, or operated for the same  
101.2 purpose in the same area by any related governmental subdivision or other public agency  
101.3 except as approved by the district board.

101.4 Sec. 76. **[442A.28] APPLICATION.**

101.5 This chapter does not abridge or supersede any authority of the Minnesota Pollution  
101.6 Control Agency or the commissioner of health, but is subject and supplementary thereto.  
101.7 Districts and members of district boards are subject to the authority of the Minnesota  
101.8 Pollution Control Agency and have no power or authority to abate or control pollution that  
101.9 is permitted by and in accord with any classification of waters, standards of water quality,  
101.10 or permit established, fixed, or issued by the Minnesota Pollution Control Agency.

101.15 the procedures and principles established in sections 442A.01 to 442A.28, may require  
101.16 that disputes over proposed sanitary district creations, attachments, detachments, or  
101.17 dissolutions be addressed in whole or in part by means of alternative dispute resolution

101.29 mediation, arbitration, or hearing, the costs must be allocated on an equitable basis by  
101.30 the mediator, arbitrator, or chief administrative law judge.

101.31 (d) The chief administrative law judge may contract with the parties to a matter for  
101.32 the purpose of providing administrative law judges and reporters for an administrative

 102.16 applicable procedures and statutory criteria of this chapter.

102.17 Subd. 5. **Limitations on authority.** Nothing in this section shall be construed to

No district shall be created within 25 miles of the boundary of any city of the first class without the approval of the governing body thereof and the approval of the governing body of each and every municipality in the proposed district by resolution filed with the agency.

(b) A public meeting must be held to inform citizens of the proposed creation of the district. At the meeting, information must be provided, including a description of the district's proposed structure, bylaws, territory, ordinances, budget, and charges. Notice of the meeting must be published for two successive weeks in a qualified newspaper published within the territory of the proposed district or, if there is no qualified newspaper published within the territory, in a qualified newspaper of general circulation in the territory, and by posting for two weeks in each territorial unit of the proposed district. The notice of any election and the ballot to be used shall contain the text of the resolution followed by the question: "Shall the above resolution be approved?"

If any signer is alleged to be a landowner in a territorial unit, a statement as to the signer's landowner status as shown by the county auditor's tax assessment records, certified by the auditor, shall be attached to or endorsed upon the petition.

Subd. 3. **Changes; errors.** At any time before publication of the public notice required in subdivision 4, or before the public hearing, if required under subdivision 4, additional signatures may be added to the petition or amendments of the petition may be made to correct or remedy any error or defect in signature or otherwise except a material error or defect in the description of the territory of the proposed district. No proceeding shall be invalidated on account of any error or defect in the petition unless questioned by an interested party before the reception of evidence begins at the hearing except a material error or defect in the description of the territory of the proposed district. If the qualifications of any signer of a petition are challenged, the agency or its agent shall determine the challenge forthwith on the allegations of the petition, the county auditor's certificate of land ownership, and such other evidence as may be received.

Subd. 4. **State Register; hearing.** (a) Upon receipt of a petition and the record of the public meeting required under subdivision 1, the agency shall publish a notice in the State Register and mail a copy to each property owner in the affected territory at the owner's address as given by the county auditor. (5) state that if a timely request for hearing is not received, the agency may make a decision on the petition at a future meeting of the agency.

(b) If 25 or more timely requests for hearing are received, the agency must hold a hearing on the petition in accordance with the contested case provisions of chapter 14.

Subd. 5. **Findings; order.** After the public notice period or the public hearing, if required under subdivision 4, and based on the petition, any public comments received, and, if a hearing was held, the hearing record, the agency shall make findings of fact and conclusions determining whether or not the conditions requisite for the creation of a district exist in the territory described in the petition. If the agency finds that conditions exist, it may make an order creating a district for the territory described in the petition under the name proposed in the petition or such other name, including the words "sanitary district," as the agency deems appropriate.

Subd. 6. **Denial of petition.** If the agency, after the conclusion of the public notice period or the holding of a hearing, if required, determines that the creation of a district in the territory described in the petition is not warranted, it shall make an order denying the petition. The

secretary of the agency shall give notice of such denial by mail to each signer of the petition. No petition for the creation of a district consisting of the same territory shall be entertained within a year after the date of an order, but this shall not preclude action on a petition for the creation of a district embracing part of the territory with or without other territory.

Subd. 7. **Notice of orders.** Notice of the making of every order of the agency creating a sanitary district, referring to the date of the order and describing the territory of the district, shall be given by the secretary in like manner as for notice of the hearing on the petition for creation of the district.

Subd. 8. **Appeal.** An appeal may be taken from an order of the agency creating or dissolving a district, annexing territory to or detaching territory from a district, or denying a petition for any such action, as now or hereafter provided for appeals from other orders of the agency except that the giving of notice of the order as provided in subdivision 7 shall be deemed notice thereof to all interested parties, and the time for appeal by any party shall be limited to 30 days after completion of the mailing of copies of the order or after expiration of the prescribed period of posting or publication, whichever is latest. The validity of the creation of a district shall not be otherwise questioned.

Subd. 9. **Filing.** Upon expiration of the time for appeal from an order of the agency creating a district, or, in case of an appeal, upon the taking effect of a final judgment of a court of competent jurisdiction sustaining the order, the secretary of the agency shall deliver a certified copy of the order to the secretary of state for filing. Thereupon the creation of the district shall be deemed complete, and it shall be conclusively presumed that all requirements of law relating thereto have been complied with. The secretary of the agency shall also transmit a certified copy of the order for filing to the county auditor of each county and the clerk or recorder of each municipality and organized town wherein any part of the territory of the district is situated and to the secretary of the district board when elected.

### **115.21 ANNEXATION, DETACHMENT, AND DISSOLUTION.**

Subdivision 1. **Annexation.** An area adjacent to an existing district may be annexed thereto upon a petition to the agency stating the grounds therefor as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, also signed with respect to the area proposed for annexation in like manner as provided for a petition for creation of a district. Except as otherwise provided, a proceeding for annexation shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. For the purpose of giving the required notices the territory involved shall comprise the area proposed for annexation together with the entire territory of the district. If the agency determines that the requisite conditions exist in the area proposed for annexation together with the territory of the district, it may make an order for annexation accordingly. All taxable property within the annexed area shall be subject to taxation for any existing bonded indebtedness or other indebtedness of the district for the cost of acquisition, construction, or improvement of any disposal system or other works or facilities beneficial to the annexed area to such extent as the agency may determine to be just and equitable, to be specified in the order for annexation. The proper officers shall levy further taxes on such property accordingly.

Subd. 2. **Detachment.** An area within a district may be detached therefrom upon a petition to the agency stating the grounds therefor as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, also signed with respect to the area proposed for detachment in like manner as provided for a petition for creation of a district. Except as otherwise provided, a proceeding for detachment shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. For the purpose of giving the required notices the territory involved shall comprise the entire territory of the district. If the agency determines that the requisite conditions for inclusion in a district no longer exist in the area proposed for detachment, it may make an order for detachment accordingly. All taxable property within the detached area shall remain subject to taxation for any existing bonded indebtedness of the district to such extent as it would have been subject thereto if not detached, and shall also remain subject to taxation for any other existing indebtedness of the district incurred for any purpose beneficial to such area to such extent as the agency may determine to be just and equitable, to be specified in the order for detachment. The proper officers shall levy further taxes on such property accordingly.

Subd. 3. **Joint petition.** Different areas may be annexed to and detached from a district in a single proceeding upon a joint petition therefor and upon compliance with the provisions of subdivisions 1 and 2 with respect to the area affected so far as applicable.

Except as otherwise provided, a proceeding for dissolution shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. If the commission determines that the conditions requisite for the creation of the district no longer exist therein, that all indebtedness of the district has been paid, and that all property of the district except funds has been disposed of, it may make an order dissolving the district and directing the distribution of its remaining funds, if any, among the related governmental subdivisions on such basis as the agency determines to be just and equitable, to be specified in the order. Certified copies of the order for dissolution shall be transmitted and filed as provided for an order creating a district. The secretary of the agency shall also transmit a certified copy of the order to the treasurer of the district, who shall thereupon distribute the remaining funds of the district as directed by the order, and shall be responsible for such funds until so distributed.

### **115.22 PETITIONERS TO PAY EXPENSES.**

Subdivision 1. **Composition.** The governing body of each district shall be a board of managers of five members, who shall be voters residing in the district, and who may but need not be officers, members of governing bodies, or employees of the related governmental subdivisions, except that where there are more than five territorial units in a district there shall be one board member for each unit.

Subd. 2. **Terms.** The terms of the first board members elected after creation of a district shall be so arranged and determined by the electing body as to expire on the first business day in January as follows:

At least ten days' notice of the meeting shall be given by mail by the clerk or recorder of such body to the clerks or recorders of all the other related governing bodies, who shall immediately transmit such notice to all the members of such bodies, respectively. Subsequent joint meetings to elect board members for regular terms shall

A majority vote of all the members of each related governing body shall be required for the adoption of any such resolution. The clerks or recorders of the other related governing bodies shall transmit certified copies of such resolutions to the clerk or recorder of the central related governing body.
