1.24 (3) Burnsville;	1.23	(2) Brooklyn Park;
	1.24	(3) Burnsville;

1

2.1	(1) Coop Banida
2.1	(4) Coon Rapids; (5) Duluth:
2.2	(5) Duluth;
2.3	(6) Eagan; (7) Eden Prairiet
2.4	(7) Eden Prairie;
2.5	(8) Maple Grove;
2.6	(9) Minneapolis;
2.7	(10) Plymouth;
2.8	(11)  Rochester;
2.9	(12) St. Cloud;
2.10	(13) St. Paul; and
2.11	(14) Woodbury.
2.12	Subd. 3. Coordination benefits; targeted vendors. (a) The commissioner, in
2.13	cooperation with the commissioner of administration, shall ensure that a percentage of
2.14	the state's targeted vendor agreements in section 16C.16 are set aside for utilization by
2.15	businesses located in the labor surplus area targeted for redevelopment.
2.16	(b) The commissioner shall assist community councils in coordinating funds
2.17	to finance the redevelopment projects using existing state, county, and city financing
2.18	and grant programs and assist in the distribution of those funds in a manner that is
2.19	directly proportionate to the surplus labor available in the labor surplus area targeted for
2.20	redevelopment. The commissioner shall set aside a percentage of state and federal funds
2.21	appropriated for redevelopment projects for use by community councils under this section.
2.22	(c) The commissioner shall work with the commissioner of management and budget
2.23	and the treasurer of each county and city to establish a socially responsible investment
2.24	program that requires a financial institution that proposes to provide services to the
2.25	state, county, or city to commit to establishing a lending program that supports the
2.26	redevelopment plan objectives in the targeted labor surplus area. In return for deposits
2.27	received, participating lending institutions agree to establish a lending program that assists
2.28	with the redevelopment plan goals.
2.29	Subd. 4. Redevelopment plan requirements. (a) A community council agrees to
2.30	maximize, to the greatest extent possible, the purchase of goods and services and the hiring
2.31	of labor for the projects from within the labor surplus area in which the redevelopment
2.32	plan is located. This includes:
2.33	(1) utilizing local construction labor and contractors;
2.34	(2) recruiting, hiring, and training United States veterans and other individuals from
2.35	the labor surplus area for jobs resulting from the redevelopment project;
2.36	(3) making purchases for the redevelopment project from local businesses;

2

	03/08/13	REVISOR	SS/TA	13-2527	as introduced			
3.1	(4) making new and redeveloped commercial and industrial space available to							
3.2	entrepreneurs within the labor surplus area; and							
3.3	(5) making new and redeveloped housing available to residents currently residing							
3.4	within the labor surplus area.							
3.5	(b) Redevelopment projects must utilize sustainable and ecofriendly development							
3.6	principles to the greatest extent possible.							
3.7	(c) Redevelopment projects must be jointly ventured with a qualified housing and							
3.8	redevelopment authority as defined in section 469.002 and to the greatest extent possible							
3.9	prime contractors located within the labor surplus area.							
3.10	Subd. 5. Redevelopment plan goals. Community councils must agree to use							
3.11	existing redevel	opment plans for t	he labor surplus area	or create a redevelopm	nent plan			
3.12	that establishes outcome-based goals to measure the productivity of the redevelopment							
3.13	project, including:							
3.14	<u>(1) the nu</u>	mber of temporary	and permanent jobs	to be created through	the			
3.15	implementation of the redevelopment plan for residents within the labor surplus area;							
3.16	(2) the number of the numbe	mber of affordable	rental, owner-occup	ied, and permanent sup	oportive			
3.17	housing units to be developed;							
3.18	(3) the am	ount of commercia	al, manufacturing, and	d industrial space to be	e developed;			
3.19	and
