3.15 or cash-equivalent items, such as gift cards or store credit, from refunds or rebates from a
3.16 provider of services or products in this program. Refunds or rebates shall be credited directly
3.17 to the participating student's ESA. The funds in an ESA may only be used for
3.18 education-related purposes. Eligible schools, postsecondary institutions, and educational
3.19 service providers that serve participating students shall provide parents with a receipt for
3.20 all qualifying expenses.

3.21 (d) Payment for educational services through an ESA shall not preclude parents from
3.22 paying for educational services using non-ESA funds.

3.24 program shall remain eligible to receive monthly ESA payments until the participating
3.25 student returns to a public school, graduates from high school, or completes the school year

3.33 and any remaining funds shall be returned to the state general fund.

4.1 (h) A participating student shall be allowed to return to the resident school district at
4.2 any time after enrolling in the program, according to rules adopted by the commissioner
4.3 providing for the least disruptive process for doing so. Upon a participating student's return
4.4 to the resident school district, the student's ESA shall be closed and any remaining funds
4.5 shall be returned to the state general fund.

4.7 Subd. 4. **Funding.** (a) The commissioner shall determine the amount to be deposited in
4.8 each student's ESA on a first-come, first-served basis. The ESA amount shall be the statewide
4.9 average general education aid per adjusted pupil unit.

4.10 (b) The commissioner shall allow program participation of up to one percent of public
4.11 school average daily membership in fiscal year 2024, 1-1/2 percent of public school average
4.12 daily membership in fiscal year 2025, and two percent of public school average daily
4.13 membership in fiscal year 2026 and later.

4.14 Subd. 5. **District aid adjustment.** The commissioner shall make a onetime adjustment

4.18 equal to ten percent of the statewide average general education revenue per adjusted pupil
4.19 unit for the previous fiscal year.

4.20 Subd. 6. **Administration.** (a) The commissioner shall create a standard form that parents
4.21 of students may submit to establish the student's eligibility for an ESA. The commissioner
4.22 shall ensure that the application is readily available to interested families through various
4.23 sources, including the department's website, and a copy of procedural safeguards annually
4.24 given to parents.

4.25 (b) The commissioner shall provide parents of participating students with a written
4.26 explanation of the allowable uses of ESAs, the responsibilities of parents, and the duties of
4.27 the commissioner. The information shall also be made available on the department's website.

4.28 (c) The commissioner shall annually notify all students who are eligible to participate
4.29 of the existence of the program and shall ensure that low-income families are made aware
4.30 of their potential eligibility.

4.31 (d) The commissioner may deduct up to three percent from appropriations made to fund
4.32 ESAs to cover the costs of overseeing and administering the program.

5.1 (e) The commissioner shall make payments to the ESAs of participating students on a
5.2 monthly basis unless there is evidence of misuse of the ESA pursuant to this subdivision.

5.3 (f) The commissioner shall make a determination of eligibility and shall approve the
5.4 application within 45 business days of receiving an application for participation in the
5.5 program.

5.6 Subd. 7. **ESA establishment.** (a) To ensure that funds are spent appropriately, the
5.7 commissioner shall adopt rules and policies necessary for the administration of the program,
5.8 including the auditing of ESAs, and shall conduct or contract for random audits throughout
5.9 the year.

5.10 (b) Beginning with the 2023-2024 school year, the commissioner shall issue ESA cards
5.11 to parents making expenditures under this section on behalf of a participating student. ESA
5.12 cards shall be issued to parents upon enrollment in the program and shall expire when the
5.13 participating student's ESA is closed, except for the periodic expiration and replacement of
5.14 cards in the normal course of business. All unexpended amounts shall remain in the student's
5.15 ESA and be combined with the following year's allocation of ESA funds, subject to
5.16 subdivision 3, paragraphs (f) and (g).

5.17 (c) The commissioner, taking into consideration requests from the parents of participating
5.18 students, shall use merchant category classification (MCC) codes, or a similar system as
5.19 practicable and consistent with current technology, to identify categories of providers that
5.20 provide services and products consistent with subdivision 3, paragraph (b). The commissioner
5.21 shall make a list of blocked and unblocked MCC codes publicly available for purposes of
5.22 the program.

5.23 (d) The commissioner shall adopt a process for removing educational service providers
5.24 that defraud parents and for referring cases of fraud to law enforcement.

5.25 (e) The commissioner shall establish or contract for the establishment of an online,
5.26 anonymous fraud-reporting service and an anonymous telephone hotline for fraud reporting.

5.27 (f) The commissioner shall adopt rules implementing policies on misspending of ESA
5.28 funds.

5.29 (g) Any amount not spent in the allowable categories pursuant to the agreement will
5.30 cause the ESA card to be temporarily suspended and the parent contacted within five business
5.31 days by United States mail at the parent's home address explaining the suspension, detailing
5.32 the violation, and requesting the parent to:

6.1 (1) provide additional documentation within 15 business days justifying the expenditure;
6.2 or

6.3 (2) repay the misspent amount within 15 business days.

6.4 (h) If the parent does not provide sufficient documentation and refuses to repay the
6.5 amount, the commissioner shall begin the removal process and shall seek to recover the
6.6 misspent funds using administrative measures or other appropriate measures, including
6.7 referral to collections, seeking a civil judgment, or referral to law enforcement.

6.8 (i) If the parent repays the amount within the requested time frame, then the offense will
6.9 be recorded and held in the parent's file.

6.10 (j) Three offenses within a consecutive three-year period shall disqualify the student
6.11 from participating in the program.

6.12 (k) If the commissioner determines that a parent has failed to comply with the terms of
6.13 the agreement as specified in subdivision 3, the commissioner shall suspend the participating
6.14 student's ESA. The commissioner shall notify the parent in writing within five business
6.15 days that the ESA has been suspended and that no further transactions will be allowed or
6.16 disbursements made. The notification shall specify the reason for the suspension and state
6.17 that the parent has 21 business days to respond and take corrective action.

6.18 (l) If the parent fails to respond to the commissioner, furnish reasonable and necessary
6.19 information, or make a report that may be required for reinstatement within the 21-day
6.20 period, the commissioner may remove the participating student from the program.

6.21 (m) The decision of the commissioner under this section is subject to judicial review
6.22 under Minnesota Statutes, sections 14.63 to 14.69. The decision of the commissioner is
6.23 stayed pending an appeal.

6.24 (n) The commissioner shall refer cases of substantial misuse of funds to law enforcement
6.25 agencies for investigation if evidence of fraudulent intent and use of an ESA is obtained.

6.26 Subd. 8. **Scope.** An eligible nonpublic school is autonomous and not an agent of the
6.27 state or federal government, and therefore:

6.28 (1) the commissioner, department, or any other government agency shall not in any way
6.29 regulate the educational program of a nonpublic school or educational service provider that
6.30 accepts funds from the parent of a participating student;

6.31 (2) the creation of the program does not expand the regulatory authority of the state, its
6.32 officers, or any school district to impose any additional regulation of nonpublic schools or

7.1 educational service providers beyond those necessary to enforce the requirements of the
 7.2 program; and
