~~amount equal to \$5 per acre times five acres times the highest number of animals tested~~  
~~on the property for bovine tuberculosis in a whole-herd test as reported by the Board of~~  
~~Animal Health in 2006, 2007, or 2008~~ the amount of credit received under this section for  
taxes payable in 2011. The amount of the credit cannot exceed the property tax payable on  
the property where the herd had been located, excluding any tax attributable to residential

structures. To ~~begin to~~ qualify for the tax credit for taxes payable in 2012, the owner shall file an application with the county by ~~December 1 of the levy year~~ July 1, 2012. For taxes payable in 2012, the credit shall be paid as a direct payment to the property owner, issued by the county within 30 days of receipt of the application, provided that there are no delinquent taxes on the property. The credit must be given for each subsequent taxes payable year until the credit terminates under subdivision 4. For taxes payable in 2013 and thereafter, the assessor shall indicate the amount of the property tax reduction on the property tax statement of each taxpayer receiving a credit under this section. For taxes payable in 2013 and thereafter, the credit paid pursuant to this section shall be deducted from the tax due on the property as provided in section 273.1393.

Subd. 3. **Reimbursement for lost revenue.** The county auditor shall certify to the commissioner of revenue, as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29, the amount of tax lost to the county from the property tax credit under subdivision 2, either due to direct payment of the credit or to reduction of the property taxes due. Any prior year adjustments must also be certified in the abstracts of tax lists. The commissioner of revenue shall review the certifications to determine their accuracy. The commissioner may make the changes in the certification that are considered necessary or return a certification to the county auditor for corrections. The commissioner shall reimburse each taxing district, other than school districts, for the taxes lost. The payments must be made at the time provided in section 473H.10 for payment to taxing jurisdictions in the same proportion that the ad valorem tax is distributed, except that for taxes payable in 2012 the entire reimbursement must be made to the county. Reimbursements to school districts must be made as provided in section 273.1392. The amount necessary to make the reimbursements under this section is annually appropriated from the general fund to the commissioner of revenue.

Subd. 4. **Termination of credit.** The credits provided under this section cease to be available beginning with taxes payable in the year following the date when the Board of Animal Health has ~~certified that the state is free of~~ discontinued all required bovine tuberculosis related activities within the bovine tuberculosis management zone.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.
