1.18 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.19 Section 1. Minnesota Statutes 2012, section 15.985, is amended to read:

1.20 **15.985 ADVISORY INSPECTIONS.**

1.21 (a) Upon the voluntary request of a person to a state agency for an advisory inspection  
 1.22 for the purpose of complying with state law, the agency must, except as provided in  
 1.23 paragraphs (f) and (g), conduct an advisory inspection. An agency is not required to  
 1.24 conduct an advisory inspection if the agency has a regularly scheduled inspection that  
 1.25 would occur within 90 days after the request for the advisory inspection, or if before  
 1.26 an advisory inspection is requested, the agency has notified the person that it will be  
 1.27 conducting an inspection within 45 days. If an advisory inspection results in findings that  
 1.28 potentially could make a person subject to a fine or other penalty imposed by the agency, the  
 1.29 agency must notify the person in writing of those findings within ten days of the inspection.

2.1 (1) Except as provided in clause (2), if within 60 days of receiving notice, the person  
2.2 notifies the agency that it has corrected the situation that made the person potentially  
2.3 subject to the fine or penalty, and the agency later determines that the situation is  
2.4 corrected, the agency may not impose a fine or penalty as a result of the findings in the  
2.5 advisory inspection.

2.6 (2) For violations of chapter 177, if the person notifies the agency within the time  
2.7 period for remedying violations required under the applicable section of chapter 177 that it  
2.8 has corrected the situation that made the person potentially subject to the fine or penalty,  
2.9 and the agency later determines that the situation is corrected, the agency may not impose  
2.10 a fine or penalty as a result of the finding in the advisory inspection.

2.11 (3) A person may not request more than one advisory inspection from the same  
2.12 agency in a calendar year. A person may not request an advisory inspection after an  
2.13 inspection resulting in a fine or other penalty has been determined and the violator notified  
2.14 of the amount to be paid, until fines or penalties have been paid or settled.

2.15 (b) For purposes of this section:

2.16 (1) "inspection" includes an examination of real or personal property or an audit or  
2.17 other examination of financial or other documents;

2.18 (2) "penalty" includes a civil or administrative fine or other financial sanction;

2.19 (3) "person" includes a real person and businesses, including corporations,  
2.20 partnerships, limited liability companies, and unincorporated associations; and

2.21 (4) "state agency" means a department, agency, board, commission, constitutional  
2.22 office, or other group in the executive branch of state government.

2.23 (c) If an agency revises, amends, extends, or adds additional violations to a notice,  
2.24 the person has 60 days from the date of those changes to correct the situation without fine  
2.25 or penalty. For violations of chapter 177, the person has the time period for remedying  
2.26 violations under the applicable section of chapter 177 to correct the situation without  
2.27 fine or penalty.

2.28 (d) An agency conducting an inspection under this section may impose and collect  
2.29 from the person requesting the inspection a fee equal to the costs incurred by the agency  
2.30 related to the inspection. Fees under this section shall be considered charges for goods  
2.31 and services provided for the direct and primary use of a private individual, business, or  
2.32 other entity under section 16A.1283, paragraph (b), clause (3). Fee revenue collected  
2.33 under this section must be deposited in an appropriate fund other than the general fund  
2.34 and is appropriated from that fund to the agency collecting the fee for the purpose of  
2.35 conducting inspections under this section.

3.1 (e) Nothing in this section shall prohibit or interfere with an agency offering similar  
3.2 programs that allow independent audits or inspections, including the environmental  
3.3 improvement program under chapter 114C. If a person conducts a self-audit under chapter  
3.4 114C, the terms and conditions of this section do not apply. For advisory inspections  
3.5 conducted by the Pollution Control Agency, terms and conditions of sections 114C.20 to  
3.6 ~~144C.28~~ 114C.28 shall be used instead of those in paragraphs (a) to (c) and (g).

3.7 (f) If agency staff resources are limited, an agency must give higher priority to  
3.8 the agency's regular inspections over advisory inspections under this section. Insofar as  
3.9 conducting advisory inspections reduces an agency's costs, the savings must be reflected  
3.10 in the charges for advisory inspections. Before hiring additional staff complement for  
3.11 purposes of this section, an agency must report to the chairs and ranking minority members  
3.12 of the legislative budget committees with jurisdiction over the agency documenting: (1)  
3.13 the demand for advisory inspections and why additional staff complement is needed to  
3.14 meet the demand; and (2) that the revenue generated by advisory inspections will cover the  
3.15 expenses of the additional staff complement. If a person requests an advisory inspection,  
3.16 but the agency does not have staff resources necessary to conduct the advisory inspection  
3.17 before a regular inspection is conducted, and the regular inspection results in findings that  
3.18 could make a person subject to a fine or penalty, the agency must take into account the  
3.19 person's request for an advisory inspection and the person's desire to take corrective action  
3.20 before taking any enforcement action against the person.

3.21 (g) This section does not apply to:

3.22 (1) criminal penalties;

3.23 (2) situations in which implementation of this section is prohibited by federal  
3.24 law or would result in loss of federal funding or in other federal sanctions or in which  
3.25 implementation would interfere with multistate agreements, international agreements, or  
3.26 agreements between state and federal regulatory agencies;

3.27 (3) conduct constituting fraud;

3.28 (4) violations in a manner that endangers human life or presents significant risk of  
3.29 major injury or severe emotional harm to humans;

3.30 (5) violations that are part of a pattern that has occurred repeatedly and shows  
3.31 willful intent;

3.32 (6) violations for which it may be demonstrated that the alternative inspections  
3.33 process is being used to avoid enforcement;

3.34 (7) violations that occur within three years of violating an applicable law;

3.35 (8) the Department of Revenue;

3.36 (9) the Workers' Compensation Division at the Department of Labor and Industry;

4.1 (10) violations of vehicle size weight limits under sections 169.80 to 169.88;

4.2 (11) commercial motor vehicle inspections under section 169.781 and motor carrier  
4.3 regulations under chapter 221;

4.4 (12) the Dairy and Food Inspection Division of the Department of Agriculture, if the  
4.5 division provides free inspections similar to those under this section;

4.6 (13) state inspections or surveys of hospitals, nursing homes, outpatient surgical  
4.7 centers, supervised living facilities, board and lodging with special services, home care,  
4.8 housing with services and assisted living settings, hospice, and supplemental nursing  
4.9 services agencies;

4.10 (14) examinations of health maintenance organizations or county-based purchasing  
4.11 entities regulated under chapter 62D;

4.12 (15) special transportation services under section 174.30; and

4.13 (16) entities regulated by the Department of Commerce's Financial Institutions and  
4.14 Insurance Divisions for purposes of regulatory requirements of those divisions.

4.15 If an agency determines that this section does not apply due to situations specified in  
4.16 clause (2), the agency must report the basis for that determination to the chairs and ranking  
4.17 minority members of the legislative committees with jurisdiction over the agency.

4.18 (h) An agency may terminate an advisory inspection and proceed as if an inspection  
4.19 were a regular inspection if, in the process of conducting an advisory inspection, the  
4.20 agency finds a situation that the agency determines: could lead to criminal penalties;  
4.21 endangers human life or presents significant risk of major injury or severe emotional  
4.22 harm to humans; presents a severe and imminent threat to animals, food, feed, crops,  
4.23 commodities, or the environment; or evidences a pattern of willful violations.

4.25 enacted, is amended to read:

10.7 Subd. 8. **Competitive Grant Limitations**

 10.9 appropriation under this section is not eligible  
 10.10 to participate in competitive grant programs  
 10.11 under this section during the fiscal years in  
 10.12 which the direct appropriations are received.

10.13 Sec. 4. [CORR13-01C] 2013 H.F. No. 729, article 6, section 8, subdivision 3, if  
 10.14 enacted, is amended to read:

10.15 Subd. 3. **Content of the notice.** The notice must contain the following verbatim  
 10.16 language:

10.17 **"IMPORTANT INFORMATION ABOUT CONTRACTS FOR DEED**

10.18 **Know What You Are Getting Into**

10.19 (1) A contract for deed is a complex legal agreement. You are NOT a tenant. Mortgage  
 10.20 foreclosure laws don't apply.

10.21 (2) You should know ALL of your obligations and rights before you sign a purchase  
 10.22 agreement or contract for deed.

10.23 (3) You (seller must circle one):

10.24 (a) DO DO NOT have to pay homeowner's insurance.

10.25 (b) DO DO NOT have to pay property taxes.

10.26 (c) DO DO NOT have to make and pay for some or all of the repairs or  
 10.27 maintenance, as described in the contract for deed.

10.28 (4) After some time, you may need to make a large lump sum payment (called a "balloon  
 10.29 payment"). Know when it is due and how much it will be. You'll probably need to get a  
 10.30 new mortgage, another financial arrangement, or pay for the balance in cash at that time.

10.31 (5) If you miss just a single payment or can't make the balloon payment, the seller can  
 10.32 cancel your contract. You will likely lose all the money you have already paid. You will

11.1 likely lose your ability to purchase the home. The seller can begin an eviction action  
11.2 against you in just a few months.

11.3 (6) Within four months of signing the contract for deed, you must "record" it in the office  
11.4 of the county recorder or registrar of titles in the county in which the property is located.  
11.5 If you do not do so, you could face a fine.

11.6 **Key Things Highly Recommended Before You Sign**

11.7 (1) Get advice from a lawyer or the Minnesota Home Ownership Center at 1-866-462-6466  
11.8 or go to [www.hocmn.org](http://www.hocmn.org). To find a lawyer through the Minnesota State Bar Association,  
11.9 go to [www.mnfindalawyer.com](http://www.mnfindalawyer.com).

11.10 (2) Get an independent, professional appraisal of the property to learn what it is worth.

11.11 (3) Get an independent, professional inspection of the property.

11.12 (4) Buy title insurance or ask a real estate lawyer for a "title opinion."

11.13 (5) Check with the city or county to find out if there are inspection reports or unpaid  
11.14 utility bills.

11.15 (6) Check with a title company or the county where the property is located to find out if  
11.16 there is a mortgage or other lien on the property and if the property taxes have been paid.

11.17 (7) Ensure that your interest rate does not exceed the maximum allowed by law by calling  
11.18 the Department of Commerce at ~~651-297-7053~~ to get a recorded message for the current  
11.19 month's maximum rate.

11.20 **If You Are Entering into a Purchase Agreement**

11.21 (1) If you haven't already signed the contract for deed, you can cancel the purchase  
11.22 agreement (and get all your money back) if you do so within five business days after  
11.23 getting this notice.

11.24 (2) To cancel the purchase agreement, you must follow the provisions of Minnesota  
11.25 Statutes, section 559.217, subdivision 4. Ask a lawyer for help."

11.26 Sec. 5. [CORR13-02] 2013 S.F. No. 671, article 1, section 12, subdivision 3, if  
11.27 enacted, is amended to read:

 18.7 amended by 2013 H.F. No. 630, article 4, section 1, if enacted, is amended to read:

18.8           Subd. 4. **Formation of school.** (a) An authorizer, after receiving an application from  
 18.9 a school developer, may charter a licensed teacher under section 122A.18, subdivision  
 18.10 1, or a group of individuals that includes one or more licensed teachers under section  
 18.11 122A.18, subdivision 1, to operate a school subject to the commissioner's approval of the  
 18.12 authorizer's affidavit under paragraph (b). The school must be organized and operated as a  
 18.13 nonprofit corporation under chapter 317A and the provisions under the applicable chapter  
 18.14 shall apply to the school except as provided in this section.

18.15           Notwithstanding sections 465.717 and 465.719, a school district, subject to this  
 18.16 section and section 124D.11, may create a corporation for the purpose of establishing a  
 18.17 charter school.

18.18           (b) Before the operators may establish and operate a school, the authorizer must file  
 18.19 an affidavit with the commissioner stating its intent to charter a school. An authorizer  
 18.20 must file a separate affidavit for each school it intends to charter. The affidavit must state  
 18.21 the terms and conditions under which the authorizer would charter a school and how the  
 18.22 authorizer intends to oversee the fiscal and student performance of the charter school and to  
 18.23 comply with the terms of the written contract between the authorizer and the charter school  
 18.24 board of directors under subdivision 6. The commissioner must approve or disapprove the  
 18.25 authorizer's affidavit within 60 business days of receipt of the affidavit. If the commissioner  
 18.26 disapproves the affidavit, the commissioner shall notify the authorizer of the deficiencies  
 18.27 in the affidavit and the authorizer then has 20 business days to address the deficiencies.  
 18.28 If the authorizer does not address deficiencies to the commissioner's satisfaction, the  
 18.29 commissioner's disapproval is final. Failure to obtain commissioner approval precludes an  
 18.30 authorizer from chartering the school that is the subject of this affidavit.

18.31           (c) The authorizer may prevent an approved charter school from opening for  
 18.32 operation if, among other grounds, the charter school violates this section or does not meet  
 18.33 the ready-to-open standards that are part of the authorizer's oversight and evaluation  
 18.34 process or are stipulated in the charter school contract.

19.1 (d) The operators authorized to organize and operate a school, before entering into  
19.2 a contract or other agreement for professional or other services, goods, or facilities,  
19.3 must incorporate as a nonprofit corporation under chapter 317A and must establish a  
19.4 board of directors composed of at least five members who are not related parties until a  
19.5 timely election for members of the ongoing charter school board of directors is held  
19.6 according to the school's articles and bylaws under paragraph (f). A charter school board  
19.7 of directors must be composed of at least five members who are not related parties.  
19.8 Staff members employed at the school, including teachers providing instruction under a  
19.9 contract with a cooperative, members of the board of directors, and all parents or legal  
19.10 guardians of children enrolled in the school are the voters eligible to elect the members

19.12 school board election dates at least 30 days before the election. Board of director meetings  
19.13 must comply with chapter 13D.

19.14 (e) A charter school shall publish and maintain on the school's official Web site: (1)

19.16 any board-delegated authority, for at least one calendar year from the date of publication;  
19.17 (2) directory information for members of the board of directors and committees having

19.19 authorizer. Identifying and contact information for the school's authorizer must be  
19.20 included in other school materials made available to the public. Upon request of an  
19.21 individual, the charter school must also make available in a timely fashion financial  
19.22 statements showing all operations and transactions affecting income, surplus, and deficit  
19.23 during the school's last annual accounting period; and a balance sheet summarizing assets  
19.24 and liabilities on the closing date of the accounting period. A charter school also must

19.26 available to the public.

19.28 member's term on the board. All new board members shall attend initial training on  
19.29 the board's role and responsibilities, employment policies and practices, and financial  
19.30 management. A new board member who does not begin the required initial training within  
19.31 six months after being seated and complete that training within 12 months of being seated  
19.32 on the board is automatically ineligible to continue to serve as a board member. The  
19.33 school shall include in its annual report the training attended by each board member  
19.34 during the previous year.

19.35 (g) The ongoing board must be elected before the school completes its third year of  
19.36 operation. Board elections must be held during the school year but may not be conducted

20.1 on days when the school is closed for holidays, breaks, or vacations. The charter school  
20.2 board of directors shall be composed of at least five nonrelated members and include: (i)  
20.3 at least one licensed teacher employed as a teacher at the school or providing instruction  
20.4 under contract between the charter school and a cooperative; (ii) at least one parent or  
20.5 legal guardian of a student enrolled in the charter school who is not an employee of  
20.6 the charter school; and (iii) at least one interested community member who resides in  
20.7 Minnesota and is not employed by the charter school and does not have a child enrolled  
20.8 in the school. The board may include a majority of teachers described in this paragraph  
20.9 or parents or community members, or it may have no clear majority. The chief financial  
20.10 officer and the chief administrator may only serve as ex-officio nonvoting board members.  
20.11 No charter school employees shall serve on the board other than teachers under item (i).  
20.12 Contractors providing facilities, goods, or services to a charter school shall not serve on  
20.13 the board of directors of the charter school. Board bylaws shall outline the process and  
20.14 procedures for changing the board's governance structure, consistent with chapter 317A.  
20.15 A board may change its governance structure only:

20.16 (1) by a majority vote of the board of directors and a majority vote of the licensed  
20.17 teachers employed by the school as teachers, including licensed teachers providing  
20.18 instruction under a contract between the school and a cooperative; and

20.19 (2) with the authorizer's approval.

20.20 Any change in board governance structure must conform with the composition of  
20.21 the board established under this paragraph.

20.22 (h) The granting or renewal of a charter by an authorizer must not be conditioned  
20.23 upon the bargaining unit status of the employees of the school.

20.24 (i) The granting or renewal of a charter school by an authorizer must not be  
20.25 contingent on the charter school being required to contract, lease, or purchase services  
20.26 from the authorizer. Any potential contract, lease, or purchase of service from an  
20.27 authorizer must be disclosed to the commissioner, accepted through an open bidding  
20.28 process, and be a separate contract from the charter contract. The school must document  
20.29 the open bidding process. An authorizer must not enter into a contract to provide  
20.30 management and financial services for a school that it authorizes, unless the school  
20.31 documents that it received at least two competitive bids.

20.32 (j) An authorizer may permit the board of directors of a charter school to expand the  
20.33 operation of the charter school to additional sites or grades at the school beyond those  
20.34 described in the authorizer's original affidavit as approved by the commissioner only  
20.35 after submitting a supplemental affidavit for approval to the commissioner in a form and  
20.36 manner prescribed by the commissioner. The supplemental affidavit must document that:

21.1 (1) the proposed expansion plan demonstrates need and projected enrollment;

21.2 (2) the expansion is warranted, at a minimum, by longitudinal data demonstrating  
21.3 students' improved academic performance and growth on statewide assessments under  
21.4 chapter 120B;

21.5 (3) the charter school is financially sound and the financing it needs to implement  
21.6 the proposed expansion exists; and

21.7 (4) the charter school has the governance structure and management capacity to  
21.8 carry out its expansion.

21.9 (k) The commissioner shall have 30 business days to review and comment on the  
21.10 supplemental affidavit. The commissioner shall notify the authorizer of any deficiencies in  
21.11 the supplemental affidavit and the authorizer then has 20 business days to address, to the  
21.12 commissioner's satisfaction, any deficiencies in the supplemental affidavit. The school  
21.13 may not expand grades or add sites until the commissioner has approved the supplemental  
21.14 affidavit. The commissioner's approval or disapproval of a supplemental affidavit is final.

21.15 Sec. 12. [CORR13-03G] Minnesota Statutes 2012, section 125A.76, subdivision 1, as
