1.1 A bill for an act
 1.2 relating to local government; requiring ten-day notice and a public hearing before
 1.3 a moratorium on residential development takes effect; amending Minnesota
 1.4 Statutes 2014, section 462.355, subdivision 4.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. Minnesota Statutes 2014, section 462.355, subdivision 4, is amended to read:

1.7 Subd. 4. **Interim ordinance.** (a) If a municipality is conducting studies or has
 1.8 authorized a study to be conducted or has held or has scheduled a hearing for the purpose
 1.9 of considering adoption or amendment of a comprehensive plan or official controls
 1.10 as defined in section 462.352, subdivision 15, or if new territory for which plans or
 1.11 controls have not been adopted is annexed to a municipality, the governing body of the
 1.12 municipality may adopt an interim ordinance applicable to all or part of its jurisdiction for
 1.13 the purpose of protecting the planning process and the health, safety and welfare of its
 1.14 citizens. The interim ordinance may regulate, restrict, or prohibit any use, development,
 1.15 or subdivision within the jurisdiction or a portion thereof for a period not to exceed one
 1.16 year from the date it is effective.

1.17 (b) If a proposed interim ordinance purports to regulate, restrict, or prohibit activities
 1.18 relating to livestock production or residential housing development, a public hearing
 1.19 must be held following a ten-day notice given by publication in a newspaper of general
 1.20 circulation in the municipality before the interim ordinance takes effect.

1.21 (c) The period of an interim ordinance applicable to an area that is affected by
 1.22 a city's master plan for a municipal airport may be extended for such additional periods
 1.23 as the municipality may deem appropriate, not exceeding a total additional period of 18
 1.24 months. In all other cases, no interim ordinance may halt, delay, or impede a subdivision

2.1 that has been given preliminary approval, nor may any interim ordinance extend the
2.2 time deadline for agency action set forth in section 15.99 with respect to any application
2.3 filed prior to the effective date of the interim ordinance. The governing body of the
2.4 municipality may extend the interim ordinance after a public hearing and written findings
2.5 have been adopted based upon one or more of the conditions in clause (1), (2), or (3).
2.6 The public hearing must be held at least 15 days but not more than 30 days before the
2.7 expiration of the interim ordinance, and notice of the hearing must be published at least
2.8 ten days before the hearing. The interim ordinance may be extended for the following
2.9 conditions and durations, but, except as provided in clause (3), an interim ordinance may
2.10 not be extended more than an additional 18 months:

2.11 (1) up to an additional 120 days following the receipt of the final approval or review
2.12 by a federal, state, or metropolitan agency when the approval is required by law and the
2.13 review or approval has not been completed and received by the municipality at least 30
2.14 days before the expiration of the interim ordinance;

2.15 (2) up to an additional 120 days following the completion of any other process
2.16 required by a state statute, federal law, or court order, when the process is not completed at
2.17 least 30 days before the expiration of the interim ordinance; or

2.18 (3) up to an additional one year if the municipality has not adopted a comprehensive
2.19 plan under this section at the time the interim ordinance is enacted.
