1.16 for a license issued under sections 326B.802 to 326B.885 and is not an application for  
1.17 license renewal, then the contractor recovery fund fee required under section 326B.89,  
1.18 subdivision 3, is due ~~after the department has determined that the applicant meets the~~  
1.19 ~~qualifications for licensing and~~ before the license is issued.

1.20 Sec. 2. Minnesota Statutes 2010, section 326B.092, subdivision 7, is amended to read:

1.21 Subd. 7. **License fees and license renewal fees.** (a) The license fee for each license  
1.22 ~~except a renewed license shall be the base license fee plus any applicable board fee, as~~  
1.23 ~~set forth in this subdivision. The license renewal fee for each renewed license is the~~  
1.24 base license fee plus any applicable board fee, continuing education fee, and contractor  
1.25 recovery fund fee and additional assessment, as set forth in this subdivision.

(b) For purposes of this section, "license duration" means the number of years for which the license is issued except that:

(1) if the initial license is not issued for a whole number of years, the license duration shall be rounded up to the next whole number; and

(2) if the department receives an application for license renewal after the renewal deadline, license duration means the number of years for which the renewed license would have been issued if the renewal application had been submitted on time and all other requirements for renewal had been met.

(c) The base license fee shall depend on whether the license is classified as an entry level, master, journeyman, or business license, and on the license duration. The base license fee shall be:

License Classification	License Duration		
	1 Year	2 Years	3 Years
Entry level	\$10	\$20	\$30
Journeyman	\$20	\$40	\$60
Master	\$40	\$80	\$120
Business	\$90	\$180	\$270

(d) If there is a continuing education requirement for renewal of the license, then a continuing education fee must be included in the renewal license fee. The continuing education fee for all license classifications shall be: \$10 if the renewal license duration is one year; \$20 if the renewal license duration is two years; and \$30 if the renewal license duration is three years.

(e) If the license is issued under sections 326B.31 to 326B.59 or 326B.90 to 326B.93, then a board fee must be included in the license fee and the renewal license fee. The board fee for all license classifications shall be: \$4 if the license duration is one year; \$8 if the license duration is two years; and \$12 if the license duration is three years.

(f) If the application is for the renewal of a license issued under sections 326B.802 to 326B.885, then the contractor recovery fund fee required under section 326B.89, subdivision 3, and any additional assessment required under section 326B.89, subdivision 16, must be included in the license renewal fee.

Sec. 3. Minnesota Statutes 2010, section 326B.103, subdivision 3, is amended to read:

(3) used by the owner, lessee, and sublessee of the building and members of their immediate families, their employees, and persons engaged in the pickup or delivery of agricultural produce or products.

Sec. 4. Minnesota Statutes 2011 Supplement, section 326B.46, subdivision 1a, is amended to read:

The responsible individual must be a master plumber or, in an area of the state that is not a city or town with a population of more than 5,000 according to the last federal census, a restricted master plumber. The certificate must be signed by the responsible individual and must state that the person signing the certificate is responsible for ensuring that the maintenance and repair work performed by the employer's employees complies with sections 326B.41 to 326B.49, all rules adopted under those sections and sections 326B.50 to 326B.59, and all orders issued under section 326B.082. The employer must pay a filing fee to file a certificate of responsible individual with the commissioner. The certificate shall expire two years from the date of filing. In order to maintain a current certificate of responsible individual, the employer must resubmit a certificate of responsible individual, with a filing fee, no later than two years from the date of the previous submittal. The filing of the certificate of responsible individual does not exempt any employee of the employer from the requirements of this chapter regarding individual licensing as a plumber or registration as ~~a plumber's apprentice~~ an unlicensed individual.

(c) If a contractor employs a licensed plumber, the licensed plumber does not need a separate contractor license to perform plumbing work on behalf of the employer within the scope of the licensed plumber's license.

(d) A person may perform and offer to perform building sewer or water service installation without a contractor's license if the person is in compliance with the bond and insurance requirements of subdivision 2.
