A bill for an act  
relating to public safety; providing for the registration of automatic external  
defibrillators; proposing coding for new law in Minnesota Statutes, chapter 403.  
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **[403.51] AUTOMATIC EXTERNAL DEFIBRILLATION;  
REGISTRATION.**

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms  
have the meanings given them.

(b) "Automatic external defibrillator" or "AED" means an electronic device designed  
and manufactured to operate automatically or semiautomatically for the purpose of  
delivering an electrical current to the heart of a person in sudden cardiac arrest.

(c) "AED registry" means a registry of AEDs that requires a maintenance program  
or package, and includes, but is not limited to: the Minnesota AED Registry, the National  
AED Registry, iRescU, or a manufacturer-specific program.

(d) "Public Access AED" means an AED that is intended, by its markings or display,  
to be used or accessed by the public for the benefit of the general public that may be in the  
vicinity or location of that AED. It does not include an AED that is owned or used by a  
hospital, clinic, business, or organization that is intended to be used by staff and is not  
marked or displayed in a manner to encourage public access.

(e) "Maintenance program or package" means a program that will alert the AED  
owner when the AED has electrodes and batteries due to expire or replaces those expiring  
electrodes and batteries for the AED owner.

(f) "Public safety agency" means local law enforcement, county sheriff, municipal  
police, tribal agencies, state law enforcement, fire departments, including municipal

departments, industrial fire brigades, and nonprofit fire departments, joint powers agencies, and licensed ambulance services.

(g) "Mobile AED" means an AED that (1) is purchased with the intent of being located in a vehicle, including, but not limited to, public safety agency vehicles; or (2) will not be placed in stationary storage, including, but not limited to, an AED used at an athletic event.

(h) "Private Use AED" means an AED that is not intended to be used or accessed by the public for the benefit of the general public. This may include, but is not limited to, AEDs found in private residences.

**Subd. 2. Registration.** A person who purchases or obtains a Public Access AED shall register that device with an AED registry within 30 working days of receiving the AED.

**Subd. 3. Required information.** A person registering a Public Access AED shall provide the following information for each AED:

(1) AED manufacturer, model, and serial number;

(2) specific location where the AED will be kept; and

(3) the title, address, and telephone number of a person in management at the business or organization where the AED is located.

**Subd. 4. Information changes.** The owner of a Public Access AED shall notify the owner's AED registry of any changes in the information that is required in the registration within 30 working days of the change occurring.

**Subd. 5. Public Access AED requirements.** A Public Access AED:

(1) may be inspected during regular business hours by a public safety agency with jurisdiction over the location of the AED;

(2) must be kept in the location specified in the registration; and

(3) must be reasonably maintained, including replacement of dead batteries and pads/electrodes, and comply with all manufacturer's recall and safety notices.

**Subd. 6. Removal of AED.** An authorized agent of a public safety agency with jurisdiction over the location of the AED may direct the owner of a Public Access AED to comply with this section. The authorized agent of the public safety agency may direct the owner of the AED to remove the AED from its public access location and to remove or cover any public signs relating to that AED if it is determined that the AED is not ready for immediate use.

**Subd. 7. Private Use AEDs.** The owner of a Private Use AED is not subject to the requirements of this section but is encouraged to maintain the AED in a consistent manner.

**Subd. 8. Mobile AEDs.** The owner of a Mobile AED is not subject to the requirements of this section but is encouraged to maintain the AED in a consistent manner.

3.1            Subd. 9. **Signs.** A person acquiring a Public Use AED is encouraged but is not  
3.2 required to post signs bearing the universal AED symbol in order to increase the ease of  
3.3 access by the public to the AED in the event of an emergency. A person may not post any  
3.4 AED sign or allow any AED sign to remain posted upon being ordered to remove or cover  
3.5 any AED signs by an authorized agent of a public safety agency.

3.6            Subd. 10. **Emergency response plans.** The owner of one or more Public Access  
3.7 AEDs shall develop an emergency response plan appropriate for the nature of the facility  
3.8 the AED is intended to serve.

3.9            Subd. 11. **Civil or criminal liability.** This section does not create any civil liability  
3.10 on the part of an AED owner or preclude civil liability under other law. Section 645.241  
3.11 does not apply to this section.

3.12            **EFFECTIVE DATE.** This section is effective August 1, 2014.
