relating to workers' compensation; modifying payment provisions; amending
Minnesota Statutes 2010, sections 176.101, subdivision 4; 353.656, subdivision
2.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2010, section 176.101, subdivision 4, is amended to read:

Subd. 4. **Permanent total disability.** (a) For permanent total disability, as defined
in subdivision 5, the compensation shall be 66-2/3 percent of the daily wage at the time of
the injury, subject to a maximum weekly compensation equal to the maximum weekly
compensation for a temporary total disability and a minimum weekly compensation
equal to 65 percent of the statewide average weekly wage. This compensation shall be
paid during the permanent total disability of the injured employee but after a total of
\$25,000 of weekly compensation has been paid, the amount of the weekly compensation
benefits being paid by the employer shall be reduced by the amount of any disability
benefits being paid by any government disability benefit program if the disability benefits
are occasioned by the same injury or injuries which give rise to payments under this
subdivision. This reduction shall also apply to any old age and survivor insurance benefits.
Payments shall be made at the intervals when the wage was payable, as nearly as may
be. In case an employee who is permanently and totally disabled becomes an inmate of
a public institution, no compensation shall be payable during the period of confinement
in the institution, unless there is wholly dependent on the employee for support some
person named in section 176.111, subdivision 1, 2 or 3, in which case the compensation
provided for in section 176.111, during the period of confinement, shall be paid for the
benefit of the dependent person during dependency. The dependency of this person shall

be determined as though the employee were deceased. Permanent total disability shall cease at age 67 because the employee is presumed retired from the labor market. This presumption is rebuttable by the employee. The subjective statement the employee is not retired is not sufficient in itself to rebut the presumptive evidence of retirement but may be considered along with other evidence.

(b) Notwithstanding the reduction for government disability benefits under paragraph (a), the permanent total disability benefit shall not be reduced by any total and permanent duty disability received by a member of the Public Employees Retirement Association police and fire plan under section 353.656, subdivision 1a.

The disability benefit must be reduced to that amount which, when added to the workers' compensation benefits, does not exceed the greater of the salaries described in clauses (1) and (2).

(b) Permanent partial disability payments provided for in section 176.101, subdivision 2a, and retraining payments provided for in section 176.102, subdivision 11, must not be offset from disability payments due under paragraph (a) if the amounts of the permanent partial or retraining payments are reported to the executive director in a manner specified by the executive director.
