86.25 Section 1. **[16A.963] ELECTRIC VEHICLE INFRASTRUCTURE APPROPRIATION**
 86.26 **BONDS.**

87.8 this subdivision, the commissioner may sell and issue appropriation bonds of the state under
87.9 this section for public purposes as provided by law, including for the purposes of financing
87.10 the cost of acquiring and installing electric vehicle charging infrastructure on publicly owned
87.11 property. Appropriation bonds may be sold and issued in amounts that, in the opinion of
87.12 the commissioner, are necessary to provide sufficient money to the commissioner of
87.13 administration under subdivision 7, not to exceed \$2,000,000 net of costs of issuance, for
87.14 the purposes as provided under this subdivision, and to pay debt service including capitalized
87.15 interest, costs of issuance, costs of credit enhancement, or make payments under other
87.16 agreements entered into under paragraph (d).

87.17 (b) Proceeds of the appropriation bonds must be credited to a special appropriation
87.18 electric vehicle infrastructure bond proceeds fund in the state treasury. All income from

87.34 deposited as provided in the agreement or ancillary arrangement. The determination of the

88.1 commissioner, included in an interest exchange agreement, that the agreement relates to an
88.2 appropriation bond, shall be conclusive.

88.3 (e) The commissioner may enter into written agreements or contracts relating to the
88.4 continuing disclosure of information necessary to comply with or facilitate the issuance of

88.17 established in subdivision 6.

88.18 (c) Appropriation bonds may be sold at either public or private sale upon such terms as

88.27 date, and costs related to the issuance and sale of the refunding bonds. The proceeds of any
88.28 refunding bonds may, at the discretion of the commissioner, be applied to the purchase or
88.29 payment at maturity of the appropriation bonds to be refunded, to the redemption of the
88.30 outstanding appropriation bonds on any redemption date, or to pay interest on the refunding
88.31 bonds and may, pending application, be placed in escrow to be applied to the purchase,
88.32 payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be
88.33 invested and reinvested in obligations that are authorized investments under section 11A.24.

89.1 The income earned or realized on the investment may also be applied to the payment of the

 89.3 bonds, or to pay interest on the refunding bonds. After the terms of the escrow have been
 89.4 fully satisfied, any balance of the proceeds and any investment income may be returned to
 89.5 the general fund or, if applicable, the special appropriation electric vehicle infrastructure
 89.6 bond proceeds fund for use in any lawful manner. All refunding bonds issued under this

 89.20 powers of the state are not pledged to the payment of the appropriation bonds or to any
 89.21 payment that the state agrees to make under this section. Appropriation bonds shall not be
 89.22 obligations paid directly, in whole or in part, from a tax of statewide application on any
 89.23 class of property, income, transaction, or privilege. Appropriation bonds shall be payable

 89.25 for any fiscal year, provided that nothing in this section shall be construed to require the
 89.26 state to appropriate money sufficient to make debt service payments with respect to the
 89.27 appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and shall no

92.30 payment at maturity of the appropriation bonds to be refunded, to the redemption of the
92.31 outstanding appropriation bonds on any redemption date, or to pay interest on the refunding
92.32 bonds and may, pending application, be placed in escrow to be applied to the purchase,
92.33 payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be

93.1 invested and reinvested in obligations that are authorized investments under section 11A.24.
 93.2 The income earned or realized on the investment may also be applied to the payment of the
 93.3 appropriation bonds to be refunded or interest or premiums on the refunded appropriation

 93.20 appropriation bonds are not public debt of the state, and the full faith, credit, and taxing
 93.21 powers of the state are not pledged to the payment of the appropriation bonds or to any
 93.22 payment that the state agrees to make under this section. Appropriation bonds shall not be
 93.23 obligations paid directly, in whole or in part, from a tax of statewide application on any
 93.24 class of property, income, transaction, or privilege. Appropriation bonds shall be payable

108.29 Sec. 8. Minnesota Statutes 2018, section 126C.66, subdivision 3, is amended to read:

108.30 Subd. 3. **Principal interest Payments.** All payments of principal and interest on debt
108.31 service notes or on capital loan contracts, as received by the commissioner, are appropriated
108.32 to the loan repayment account.

109.1 Sec. 9. Minnesota Statutes 2018, section 126C.69, as amended by Laws 2019, First Special
109.2 Session chapter 10, article 3, section 40, is amended to read:

109.3 **126C.69 CAPITAL GRANTS AND LOANS.**

109.4 Subdivision 1. **Capital grant and loan requests and uses.** Capital grants and loans are
109.5 available only to qualifying districts. Capital grants and loans must not be used for the
109.6 construction of swimming pools, ice arenas, athletic facilities, auditoriums, bus garages, or
109.7 heating system improvements. Proceeds of the grants and loans may be used only for sites
109.8 for education facilities and for acquiring, bettering, furnishing, or equipping education
109.9 facilities. Contracts must be entered into within 18 months after the date on which each
109.10 grant and loan is ~~granted~~ approved. For purposes of this section, "education facilities"
109.11 includes space for Head Start programs and social service programs.

109.12 Subd. 2. **Capital ~~loans~~ grant and loan eligibility.** Beginning July 1, ~~1999~~ 2020, a
109.13 district is not eligible for a capital grant and loan unless the district's estimated net debt tax
109.14 rate as computed by the commissioner after debt service equalization aid would be more
109.15 than 41.98 percent of adjusted net tax capacity. The estimate must assume a 20-year maturity
109.16 schedule for new debt.

109.17 Subd. 3. **District request for review and comment.** A district or a joint powers district
109.18 that intends to apply for a capital grant and loan must submit a proposal to the commissioner
109.19 for review and comment according to section 123B.71 by July 1 of an odd-numbered year.
109.20 The commissioner shall prepare a review and comment on the proposed facility, regardless
109.21 of the amount of the capital expenditure required to construct the facility. In addition to the
109.22 information provided under section 123B.71, subdivision 9, the commissioner shall require
109.23 that predesign packages comparable to those required under section 16B.335 be prepared
109.24 by the applicant school district. The predesign packages must be sufficient to define the
109.25 scope, cost, and schedule of the project and must demonstrate that the project has been
109.26 analyzed according to appropriate space needs standards and also consider the following
109.27 criteria in determining whether to make a positive review and comment.

109.28 (a) To grant a positive review and comment the commissioner shall determine that all
109.29 of the following conditions are met:

109.30 (1) the facilities are needed for pupils for whom no adequate facilities exist or will exist;

109.31 (2) there is evidence to indicate that the facilities will have a useful public purpose for
109.32 at least the term of the bonds;

109.33 (3) no form of cooperation with another district would provide the necessary facilities;

110.1 (4) the facilities are comparable in size and quality to facilities recently constructed in
110.2 other districts that have similar enrollments;

110.3 (5) the facilities are comparable in size and quality to facilities recently constructed in
110.4 other districts that are financed without a capital loan;

110.5 (6) the district is projected to have adequate funds in its general operating budget to
110.6 support a quality education for its students for at least the next five years;

110.7 (7) the current facility poses a threat to the life, health, and safety of pupils, and cannot
110.8 reasonably be brought into compliance with fire, health, or life safety codes;

110.9 (8) the district has made a good faith effort, as evidenced by its maintenance expenditures,
110.10 to adequately maintain the existing facility during the previous ten years and to comply
110.11 with fire, health, and life safety codes and state and federal requirements for accessibility
110.12 for people with disabilities;

110.13 (9) the district has made a good faith effort to encourage integration of social service
110.14 programs within the new facility;

110.15 (10) evaluations by boards of adjacent districts have been received; and

110.16 (11) the proposal includes a comprehensive technology plan that assures information
110.17 access for the students, parents, and community.

110.18 (b) The commissioner may grant a negative review and comment if:

110.19 (1) the state demographer has examined the population of the communities to be served
110.20 by the facility and determined that the communities have not grown during the previous
110.21 five years;

110.22 (2) the state demographer determines that the economic and population bases of the
110.23 communities to be served by the facility are not likely to grow or to remain at a level
110.24 sufficient, during the next ten years, to ensure use of the entire facility;

110.25 (3) the need for facilities could be met within the district or adjacent districts at a
110.26 comparable cost by leasing, repairing, remodeling, or sharing existing facilities or by using
110.27 temporary facilities;

110.28 (4) the district plans do not include cooperation and collaboration with health and human
110.29 services agencies and other political subdivisions; or

110.30 (5) if the application is for new construction, an existing facility that would meet the
110.31 district's needs could be purchased at a comparable cost from any other source within the
110.32 area.

111.1 Subd. 4. **Multiple district proposals; review and comment.** In addition to the
111.2 requirements of subdivision 3, the commissioner may use additional requirements to
111.3 determine a positive review and comment on projects that are designed to serve more than
111.4 one district. These requirements may include:

111.5 (1) reducing or increasing the number of districts that plan to use the facility;

111.6 (2) location of the facility; and

111.7 (3) formation of a joint powers agreement among the participating districts.

111.8 Subd. 5. **Adjacent district comments.** The district must present the proposed project
111.9 to the board of each adjacent district at a public meeting of that district. The board of an
111.10 adjacent district must make a written evaluation of how the project will affect the future
111.11 education and building needs of the adjacent district. The board must submit the evaluation
111.12 to the applying district within 30 days of the meeting.

111.13 Subd. 6. **District application for capital grant and loan.** The school board of a district
111.14 desiring a capital grant and loan shall adopt a resolution stating the amount proposed to be
111.15 ~~borrowed~~ funded, the purpose for which the ~~debt is to be incurred~~ funding is requested, and
111.16 an estimate of the dates when the facilities for which the ~~loan~~ funding is requested will be
111.17 contracted for and completed. Applications for grants and loans must be accompanied by
111.18 a copy of the adopted board resolution and copies of the adjacent district evaluations. The
111.19 commissioner shall retain the evaluation as part of a permanent record of the district
111.20 submitting the evaluation.

111.21 Applications must be in the form and accompanied by the additional data required by
111.22 the commissioner. Applications must be received by the commissioner by September 1 of
111.23 an odd-numbered year. A district must resubmit an application each odd-numbered year.
111.24 Capital grant and loan applications that do not receive voter approval or are not approved
111.25 in law cancel July 1 of the year following application. When an application is received, the
111.26 commissioner shall obtain from the commissioner of revenue the information in the Revenue
111.27 Department's official records that is required to be used in computing the debt limit of the
111.28 district under section 475.53, subdivision 4.

111.29 Subd. 7. **Commissioner review; district proposals.** By November 1 of each
111.30 odd-numbered year, the commissioner must review all applications for capital grants and
111.31 loans that have received a positive review and comment. When reviewing applications, the
111.32 commissioner must consider whether the criteria in subdivision 3 have been met. The
111.33 commissioner may not approve an application if all of the required deadlines have not been

112.1 met. The commissioner may either approve or reject an application for a capital grant and
112.2 loan.

112.3 Subd. 8. **Commissioner recommendations.** The commissioner shall examine and
112.4 consider applications for capital grants and loans that have been approved and promptly
112.5 notify any district rejected of the decision.

112.6 The commissioner shall report each capital grant and loan that has been approved by
112.7 the commissioner and that has received voter approval to the education committees of the
112.8 legislature by January 1 of each even-numbered year. The commissioner must not report a
112.9 capital grant and loan that has not received voter approval. The commissioner shall also
112.10 report on the money remaining in the capital loan account and, if necessary, request that
112.11 another bond issue be authorized.

112.12 Subd. 9. **Grant and loan amount limits.** (a) A grant and loan must not be recommended
112.13 for approval for a district exceeding an amount computed as follows:

112.14 (1) the amount requested by the district under subdivision 6;

112.15 (2) plus the aggregate principal amount of general obligation bonds of the district
112.16 outstanding on June 30 of the year following the year the application was received, not
112.17 exceeding the limitation on net debt of the district in section 475.53, subdivision 4, or 637
112.18 percent of its adjusted net tax capacity as most recently determined, whichever is less;

112.19 (3) less the maximum net debt permissible for the district on December 1 of the year
112.20 the application is received, under the limitation in section 475.53, subdivision 4, or 637
112.21 percent of its adjusted net tax capacity as most recently determined, whichever is less;

112.22 (4) less any amount by which the amount voted exceeds the total cost of the facilities
112.23 for which the grant and loan is ~~granted~~ approved.

112.24 (b) The grant and loan may be approved in an amount computed as provided in paragraph
112.25 (a), clauses (1) to (3), subject to later reduction according to paragraph (a), clause (4).

112.26 (c) The loan amount equals the lesser of the total grant and loan approved or:

112.27 (1) the product of the maximum effort tax rate times 50 times the district's most recent
112.28 adjusted net tax capacity at the time the capital grant and loan is approved under subdivision
112.29 10, minus

112.30 (2) the district's capital loan balance outstanding at the time the capital grant and loan
112.31 is approved under subdivision 10, minus

113.1 (3) the district's principal and interest balance outstanding for eligible bonds issued for
 113.2 prior capital projects at the time the capital loan and grant is approved.

113.3 (d) The grant amount equals the difference between the total grant and loan approved
 113.4 and the loan amount under paragraph (c).

113.5 Subd. 10. **Legislative action.** Each capital grant and loan must be approved in a law.

113.6 If the aggregate amount of the capital grants and loans exceeds the amount that is or can
 113.7 be made available, the commissioner shall allot the available amount among any number
 113.8 of qualified applicant districts, according to the commissioner's judgment and discretion,
 113.9 based upon the districts' respective needs.

113.10 Subd. 11. **District referendum.** After receipt of the review and comment on the project
 113.11 and before January 1 of the even-numbered year, the question authorizing the borrowing
 113.12 of money for the facilities must be submitted by the school board to the voters of the district
 113.13 at a regular or special election. The question submitted must state the total amount to be
 113.14 borrowed from all sources. Approval of a majority of those voting on the question is sufficient
 113.15 to authorize the issuance of the obligations on public sale in accordance with chapter 475.
 113.16 The face of the ballot must include the following statement: "APPROVAL OF THIS
 113.17 QUESTION DOES NOT GUARANTEE THAT THE SCHOOL DISTRICT WILL
 113.18 RECEIVE A CAPITAL GRANT AND LOAN FROM THE STATE. THE GRANT AND
 113.19 LOAN MUST BE APPROVED BY THE STATE LEGISLATURE AND IS DEPENDENT
 113.20 ON AVAILABLE FUNDING." The district must mail to the commissioner a certificate by
 113.21 the clerk showing the vote at the election.

113.22 Subd. 12. **Contract.** (a) Each capital grant and loan must be evidenced by a contract
 113.23 between the district and the state acting through the commissioner. The contract must
 113.24 obligate the state to reimburse the district, from the maximum effort school loan fund, for
 113.25 eligible capital expenses for construction of the facility for which the grant and loan is
 113.26 ~~granted~~ approved, an amount computed as provided in subdivision 9. The commissioner
 113.27 must receive from the district a certified resolution of the board estimating the costs of
 113.28 construction and reciting that contracts for construction of the facilities for which the grant
 113.29 and loan is ~~granted~~ approved have been awarded, that bonds of the district have been issued
 113.30 and sold or that other district funds have been set aside in the amount necessary to pay all
 113.31 estimated costs of construction in excess of the amount of the grant and loan, and that all
 113.32 work, when completed, meets or exceeds standards established in the State Building Code.
 113.33 The contract must obligate the district to repay the loan out of the excesses of its maximum
 113.34 effort debt service levy over its required debt service levy, ~~including interest at a rate equal~~

114.1 ~~to the weighted average annual rate payable on Minnesota state school loan bonds issued~~
 114.2 ~~or reissued for the project.~~ Beginning July 1, 2020, no interest assessments shall be made
 114.3 on capital loan balances.

114.4 (b) The district must each year, as long as it is indebted to the state, levy for debt service
 114.5 (i) the amount of its maximum effort debt service levy or (ii) the amount of its required debt
 114.6 service levy, whichever is greater, ~~except as the required debt service levy may be reduced~~
 114.7 ~~by a loan under section 126C.68.~~ The district shall remit payments to the commissioner
 114.8 according to section 126C.71. The actual debt service levy shall be adjusted under section
 114.9 477A.09.

114.10 (c) The commissioner shall supervise the collection of outstanding accounts due the
 114.11 fund and may, by notice to the proper county auditor, require the maximum levy to be made
 114.12 as required in this subdivision. ~~Interest on capital loans must be paid on December 15 of~~
 114.13 ~~the year after the year the loan is granted and annually in later years.~~ By September 30, the
 114.14 commissioner shall notify the county auditor of each county containing taxable property
 114.15 situated within the district of the amount of the maximum effort debt service levy of the
 114.16 district for that year. The county auditor or auditors shall extend upon the tax rolls an ad
 114.17 valorem tax upon all taxable property within the district in the aggregate amount so certified.

114.18 Subd. 13. **Loan forgiveness.** If any capital loan is not paid within 50 years after it is
 114.19 granted from maximum effort debt service levies in excess of required debt service levies,
 114.20 the liability of the district on the loan is satisfied and discharged and interest on the loan
 114.21 ceases.

114.22 Subd. 14. **Participation by county auditor; record of contract; payment of loan.** The
 114.23 district must file a copy of the capital loan contract with the county auditor of each county
 114.24 in which any part of the district is situated. The county auditor shall enter the capital loan,
 114.25 evidenced by the contract, in the auditor's bond register. The commissioner shall keep a
 114.26 record of each capital grant and loan ~~and~~ contract showing the name and address of the
 114.27 district, the date of the contract, and the amount of the grant and loan initially approved.
 114.28 On receipt of the resolution required in subdivision 12 and documentation of expenditures
 114.29 under the contract, the commissioner shall issue payments, ~~which may be dispersed in~~
 114.30 ~~accordance with the schedule in the contract~~, on the capital grant and loan account for the
 114.31 amount that may be disbursed under subdivision 1. ~~Interest on each disbursement of the~~
 114.32 ~~capital loan amount accrues from the date on which the commissioner of management and~~
 114.33 ~~budget issues the payment.~~

115.1 Subd. 15. **Bond sale limitations.** (a) A district having an outstanding state loan must
 115.2 not issue and sell any bonds on the public market, except to refund state loans, unless it
 115.3 agrees to make the maximum effort debt service levy in each later year at the higher rate
 115.4 provided in section 126C.63, subdivision 8, and unless it schedules the maturities of the
 115.5 bonds according to section 475.54, subdivision 2. A district that refunds bonds at a lower
 115.6 interest rate may continue to make the maximum effort debt service levy in each later year
 115.7 at the current rate provided in section 126C.63, subdivision 8, if the district can demonstrate
 115.8 to the commissioner's satisfaction that the district's repayments of the state loan will not be
 115.9 reduced below the previous year's level. The district must report each sale to the
 115.10 commissioner.

115.11 (b) For a capital loan issued prior to July 1, 2001, after the district's capital loan has been
 115.12 outstanding for 30 years, the district must not issue bonds on the public market except to
 115.13 refund the loan.

115.14 (c) For a capital loan issued on or after July 1, 2001, after the district's capital loan has
 115.15 been outstanding for 20 years, the district must not issue bonds on the public market except
 115.16 to refund the loan.

115.17 **EFFECTIVE DATE.** This section is effective retroactively from July 1, 2020.

115.18 Sec. 10. Minnesota Statutes 2018, section 126C.71, is amended to read:

115.19 **126C.71 PAYMENT AND APPLICATIONS OF PAYMENT.**

115.20 Subdivision 1. **Payment.** (a) On November 20 of each year, each district having an
 115.21 outstanding capital loan or debt service loan shall compute the excess amount in the debt
 115.22 redemption fund. The commissioner shall prescribe the form and calculation to be used in
 115.23 computing the excess amount. A completed copy of this form shall be sent to the
 115.24 commissioner before December 1 of each year. The commissioner may recompute the
 115.25 excess amount and shall promptly notify the district of the recomputed amount.

115.26 ~~(b)~~ On December 15 of each year, the district shall remit to the commissioner, at a
 115.27 minimum, an amount equal to the greater of:

115.28 (i) the excess amount in the debt redemption fund; or

115.29 (ii) the amount by which the maximum effort debt service levy exceeds the required
 115.30 debt service levy for that calendar year.

115.31 ~~Any late payments shall be assessed an interest charge using the interest rates specified for~~
 115.32 ~~the debt service notes and capital loan contracts.~~

116.1 ~~(e)~~ (b) If a payment required under ~~the Maximum Effort School Aid Law~~ paragraph (a)
 116.2 is not made within 30 days, the commissioner may reduce any subsequent payments due
 116.3 the district under this chapter and chapters 120B, 122A, 123A, 123B, 124D, 125A, and
 116.4 127A by the amount due, after providing written notice to the district.

116.5 Subd. 2. **Application of payments.** The commissioner shall apply payments received
 116.6 under ~~the Maximum Effort School Aid Law and aids withheld according to subdivision 1;~~
 116.7 ~~paragraph (b), as follows: First, to payment of interest accrued on its notes, if any; second,~~
 116.8 ~~to interest on its contracts, if any; third, toward principal of its notes, if any; and last, toward~~
 116.9 the principal of its contracts, if any. While more than ~~one note or more than~~ one contract is
 116.10 held, priority of payment ~~of interest~~ must be given to the one of earliest date, ~~and after~~
 116.11 ~~interest accrued on all notes is paid, similar priority shall be given in the application of any~~
 116.12 ~~remaining amount to the payment of principal. In any year when the receipts from a district~~
 116.13 ~~are not sufficient to pay the interest accrued on any of its notes or contracts, the deficiency~~
 116.14 ~~must be added to the principal, and the commissioner shall notify the district and each county~~
 116.15 ~~auditor concerned of the new amount of principal of the note or contract.~~

116.16 Sec. 11. Minnesota Statutes 2018, section 134.45, subdivision 5, is amended to read:

116.17 Subd. 5. **Qualification; accessibility grants.** A public library jurisdiction may apply
 116.18 for a grant in an amount up to ~~\$200,000~~ \$300,000 or 50 percent of the approved costs of
 116.19 removing architectural barriers from a building or site, whichever is less. Grants may be
 116.20 made only for projects in existing buildings used as a library, or to prepare another existing
 116.21 building for use as a library. Renovation of an existing building may include an addition to
 116.22 the building if the additional space is necessary to provide accessibility or if relocating
 116.23 public spaces to the ground level provides improved overall accessibility. Grants must not
 116.24 be used to pay part of the cost of meeting accessibility requirements in a new building.

116.25 Sec. 12. Minnesota Statutes 2018, section 137.61, is amended to read:

116.26 **137.61 PURPOSE.**

116.27 Sections 137.61 to 137.65 provide for a biomedical science research funding program
 116.28 to further the investment in biomedical science research facilities in Minnesota to benefit
 116.29 the state's economy, advance the biomedical technology industry, benefit human health,
 116.30 and facilitate research collaboration between the University of Minnesota and other private
 116.31 and public institutions in this state. Sections 137.61 to 137.65 also provide funding for
 116.32 design, land acquisition, site preparation, and preconstruction services for the new clinical
 116.33 research facility on the University of Minnesota's Twin Cities campus.

117.1 Sec. 13. Minnesota Statutes 2018, section 137.62, subdivision 2, is amended to read:

117.2 Subd. 2. **Biomedical science research facility.** "Biomedical science research facility"
117.3 means a facility located on the campus of the University of Minnesota to be used as a
117.4 research facility and laboratory for biomedical science and biomedical technology. A hospital
117.5 licensed under sections 144.50 to 144.56 is not a biomedical science research facility.
117.6 Biomedical science research facility includes the clinical research facility defined in this
117.7 section.

117.8 Sec. 14. Minnesota Statutes 2018, section 137.62, is amended by adding a subdivision to
117.9 read:

117.10 Subd. 2a. **Clinical research facility.** "Clinical research facility" means a facility located
117.11 on the Twin Cities campus of the University of Minnesota to connect a broad array of clinical
117.12 research units and activities from across the university, providing a consolidated home for
117.13 the Clinical Translational Science Institute and related programs that support education,
117.14 research, clinical training, and patient care.

117.15 Sec. 15. Minnesota Statutes 2018, section 137.63, is amended to read:

117.16 **137.63 BIOMEDICAL SCIENCE RESEARCH FACILITIES FUNDING**
117.17 **PROGRAM.**

117.18 Subdivision 1. **Program established.** A biomedical science research facilities funding
117.19 program is established to provide appropriations to the Board of Regents of the University
117.20 of Minnesota for up to 75 percent of the project costs for each of four projects approved by
117.21 the Board of Regents under section 137.64, other than the clinical research facility.
117.22 Appropriations to the Board of Regents for the clinical research facility are for 100 percent
117.23 of the project costs for design, land acquisition, site preparation, and preconstruction services.

117.24 Subd. 2. **Project requirements.** The Board of Regents of the University of Minnesota,
117.25 either acting on its own or in collaboration with another private or public entity, must pay
117.26 at least 25 percent of the project costs for each of four projects, other than the clinical
117.27 research facility. The board must not use tuition revenue to pay for the university's share
117.28 of the costs for the projects approved under section 137.64.

118.1 Sec. 16. Minnesota Statutes 2018, section 137.64, is amended to read:

118.2 **137.64 CONDITIONS FOR PAYMENTS TO UNIVERSITY.**

118.3 Subdivision 1. **Certifications.** Before the commissioner may make any payments
 118.4 authorized in this section to the Board of Regents for a biomedical science research facility
 118.5 project, the commissioner must certify that the board has, by board resolution, approved
 118.6 the maximum project cost for the project and complied with the requirements of section
 118.7 137.63, ~~subdivision 2~~. For each project approved by the board, the board must certify to the
 118.8 commissioner the amount of the annual payments of principal and interest required to service
 118.9 each series of bonds issued by the University of Minnesota for the project, and the actual
 118.10 amount of the state's annual payment to the University of Minnesota under subdivision 2.
 118.11 The annual payment must not exceed the amount required to pay debt service on the bonds
 118.12 issued to finance 75 percent of the project costs of biomedical science research facilities
 118.13 authorized before 2019. The annual payment may additionally be for the amount required
 118.14 to pay debt service on the bonds issued to finance 100 percent of the costs of the clinical
 118.15 research facility.

118.16 Subd. 2. **Payments.** On July 15 of each year after the certification under subdivision 1,
 118.17 but no earlier than July 15, 2009, and for so long thereafter as any bonds issued by the board
 118.18 ~~for the construction of a project, or any refunding bonds issued under subdivision 7, are~~
 118.19 outstanding, the state must transfer to the board annual payments as certified under
 118.20 subdivision 1, up to the maximum amounts in the appropriation schedule under subdivision
 118.21 3. Payments under this section are to reimburse the Board of Regents for the state's share
 118.22 of the project costs for the biomedical science research facility projects, provided that the
 118.23 principal amount of bonds issued by the University of Minnesota to pay the state's share of
 118.24 the costs must not exceed \$219,000,000.

118.25 Subd. 3. **Appropriations.** Annual appropriations are made from the general fund to the
 118.26 commissioner of management and budget for transfer to the Board of Regents, as follows:

118.27 (1) up to \$850,000 is appropriated in fiscal year 2010;

 141.4 Minnesota Statutes, section 290.0132, subdivision 14, or 290.0134, subdivision 14, for that
 141.5 qualifying depreciable property must recompute the taxpayer's tax in the year in which the
 141.6 qualifying depreciable property was placed in service and in each year a subtraction was
 141.7 claimed.

141.8 **EFFECTIVE DATE.** This section is effective retroactively and applies to the same tax
 141.9 periods to which section 13303 of Public Law 115-97 relates.

141.10 **ARTICLE 8**

141.11 **MISCELLANEOUS TAXES**

141.12 Section 1. Minnesota Statutes 2018, section 272.38, subdivision 1, is amended to read:

141.13 Subdivision 1. **Taxes to be first paid.** (a) No structures, standing timber, minerals, sand,
 141.14 gravel, peat, subsoil, or topsoil shall be removed from any tract of land until all the taxes
 141.15 assessed against such tract and due and payable shall have been fully paid and discharged.
 141.16 When the commissioner of management and budget or the county auditor has reason to
 141.17 believe that any such structure, timber, minerals, sand, gravel, peat, subsoil, or topsoil will
 141.18 be removed from such tract before such taxes shall have been paid, either may direct the
 141.19 county attorney to bring suit in the name of the state to enjoin any and all persons from
 141.20 removing such structure, timber, minerals, sand, gravel, peat, subsoil, or topsoil therefrom
 141.21 until such taxes are paid. No bond shall be required of plaintiff in such suit.

141.22 (b) If the county auditor determines that the removal of a structure is in the public interest,
 141.23 including the health, safety, and well-being of the surrounding area, and that removal will
 141.24 not impair the collection of property taxes, the county auditor may waive the requirements
 141.25 of this subdivision.

141.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

141.27 Sec. 2. Minnesota Statutes 2018, section 273.13, subdivision 25, is amended to read:

141.28 Subd. 25. **Class 4.** (a) Class 4a is residential real estate containing four or more units
 141.29 and used or held for use by the owner or by the tenants or lessees of the owner as a residence
 141.30 for rental periods of 30 days or more, excluding property qualifying for class 4d. Class 4a
 141.31 also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt
 141.32 under section 272.02, and contiguous property used for hospital purposes, without regard

142.1 to whether the property has been platted or subdivided. The market value of class 4a property
142.2 has a classification rate of 1.25 percent.

142.3 (b) Class 4b includes:

142.4 (1) residential real estate containing less than four units, including property rented as a
142.5 short-term rental property for more than 14 days in the preceding year, that does not qualify
142.6 as class 4bb, other than seasonal residential recreational property;

142.7 (2) manufactured homes not classified under any other provision;

142.8 (3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm
142.9 classified under subdivision 23, paragraph (b) containing two or three units; and

142.10 (4) unimproved property that is classified residential as determined under subdivision
142.11 33.

142.12 For the purposes of this paragraph, "short-term rental property" means nonhomestead
142.13 residential real estate rented for periods of less than 30 consecutive days.

142.14 The market value of class 4b property has a classification rate of 1.25 percent.

142.15 (c) Class 4bb includes:

142.16 (1) nonhomestead residential real estate containing one unit, other than seasonal
142.17 residential recreational property;

142.18 (2) a single family dwelling, garage, and surrounding one acre of property on a
142.19 nonhomestead farm classified under subdivision 23, paragraph (b); and

142.20 (3) a condominium-type storage unit having an individual property identification number
142.21 that is not used for a commercial purpose.

142.22 Class 4bb property has the same classification rates as class 1a property under subdivision
142.23 22.

142.24 Property that has been classified as seasonal residential recreational property at any time
142.25 during which it has been owned by the current owner or spouse of the current owner does
142.26 not qualify for class 4bb.

142.27 (d) Class 4c property includes:

142.28 (1) except as provided in subdivision 22, paragraph (c), real and personal property
142.29 devoted to commercial temporary and seasonal residential occupancy for recreation purposes,
142.30 for not more than 250 days in the year preceding the year of assessment. For purposes of
142.31 this clause, property is devoted to a commercial purpose on a specific day if any portion of

143.1 the property is used for residential occupancy, and a fee is charged for residential occupancy.
143.2 Class 4c property under this clause must contain three or more rental units. A "rental unit"
143.3 is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site
143.4 equipped with water and electrical hookups for recreational vehicles. A camping pad offered
143.5 for rent by a property that otherwise qualifies for class 4c under this clause is also class 4c
143.6 under this clause regardless of the term of the rental agreement, as long as the use of the
143.7 camping pad does not exceed 250 days. In order for a property to be classified under this
143.8 clause, either (i) the business located on the property must provide recreational activities,
143.9 at least 40 percent of the annual gross lodging receipts related to the property must be from
143.10 business conducted during 90 consecutive days, and either (A) at least 60 percent of all paid
143.11 bookings by lodging guests during the year must be for periods of at least two consecutive
143.12 nights; or (B) at least 20 percent of the annual gross receipts must be from charges for
143.13 providing recreational activities, or (ii) the business must contain 20 or fewer rental units,
143.14 and must be located in a township or a city with a population of 2,500 or less located outside
143.15 the metropolitan area, as defined under section 473.121, subdivision 2, that contains a portion
143.16 of a state trail administered by the Department of Natural Resources. For purposes of item
143.17 (i)(A), a paid booking of five or more nights shall be counted as two bookings. Class 4c
143.18 property also includes commercial use real property used exclusively for recreational
143.19 purposes in conjunction with other class 4c property classified under this clause and devoted
143.20 to temporary and seasonal residential occupancy for recreational purposes, up to a total of
143.21 two acres, provided the property is not devoted to commercial recreational use for more
143.22 than 250 days in the year preceding the year of assessment and is located within two miles
143.23 of the class 4c property with which it is used. In order for a property to qualify for
143.24 classification under this clause, the owner must submit a declaration to the assessor
143.25 designating the cabins or units occupied for 250 days or less in the year preceding the year
143.26 of assessment by January 15 of the assessment year. Those cabins or units and a proportionate
143.27 share of the land on which they are located must be designated class 4c under this clause
143.28 as otherwise provided. The remainder of the cabins or units and a proportionate share of
143.29 the land on which they are located will be designated as class 3a. The owner of property
143.30 desiring designation as class 4c property under this clause must provide guest registers or
143.31 other records demonstrating that the units for which class 4c designation is sought were not
143.32 occupied for more than 250 days in the year preceding the assessment if so requested. The
143.33 portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center
143.34 or meeting room, and (5) other nonresidential facility operated on a commercial basis not
143.35 directly related to temporary and seasonal residential occupancy for recreation purposes
143.36 does not qualify for class 4c. For the purposes of this paragraph, "recreational activities"

144.1 means renting ice fishing houses, boats and motors, snowmobiles, downhill or cross-country
144.2 ski equipment; providing marina services, launch services, or guide services; or selling bait
144.3 and fishing tackle;

144.4 (2) qualified property used as a golf course if:

144.5 (i) it is open to the public on a daily fee basis. It may charge membership fees or dues,
144.6 but a membership fee may not be required in order to use the property for golfing, and its
144.7 green fees for golfing must be comparable to green fees typically charged by municipal
144.8 courses; and

144.9 (ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).

144.10 A structure used as a clubhouse, restaurant, or place of refreshment in conjunction with
144.11 the golf course is classified as class 3a property;

144.12 (3) real property up to a maximum of three acres of land owned and used by a nonprofit
144.13 community service oriented organization and not used for residential purposes on either a
144.14 temporary or permanent basis, provided that:

144.15 (i) the property is not used for a revenue-producing activity for more than six days in
144.16 the calendar year preceding the year of assessment; or

144.17 (ii) the organization makes annual charitable contributions and donations at least equal
144.18 to the property's previous year's property taxes and the property is allowed to be used for
144.19 public and community meetings or events for no charge, as appropriate to the size of the
144.20 facility.

144.21 For purposes of this clause:

144.22 (A) "charitable contributions and donations" has the same meaning as lawful gambling
144.23 purposes under section 349.12, subdivision 25, excluding those purposes relating to the
144.24 payment of taxes, assessments, fees, auditing costs, and utility payments;

144.25 (B) "property taxes" excludes the state general tax;

144.26 (C) a "nonprofit community service oriented organization" means any corporation,
144.27 society, association, foundation, or institution organized and operated exclusively for
144.28 charitable, religious, fraternal, civic, or educational purposes, and which is exempt from
144.29 federal income taxation pursuant to section 501(c)(3), (8), (10), or (19) of the Internal
144.30 Revenue Code; and

144.31 (D) "revenue-producing activities" shall include but not be limited to property or that
144.32 portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt

145.1 liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling
145.2 alley, a retail store, gambling conducted by organizations licensed under chapter 349, an
145.3 insurance business, or office or other space leased or rented to a lessee who conducts a
145.4 for-profit enterprise on the premises.

145.5 Any portion of the property not qualifying under either item (i) or (ii) is class 3a. The
145.6 use of the property for social events open exclusively to members and their guests for periods
145.7 of less than 24 hours, when an admission is not charged nor any revenues are received by
145.8 the organization shall not be considered a revenue-producing activity.

145.9 The organization shall maintain records of its charitable contributions and donations
145.10 and of public meetings and events held on the property and make them available upon
145.11 request any time to the assessor to ensure eligibility. An organization meeting the requirement
145.12 under item (ii) must file an application by May 1 with the assessor for eligibility for the
145.13 current year's assessment. The commissioner shall prescribe a uniform application form
145.14 and instructions;

145.15 (4) postsecondary student housing of not more than one acre of land that is owned by a
145.16 nonprofit corporation organized under chapter 317A and is used exclusively by a student
145.17 cooperative, sorority, or fraternity for on-campus housing or housing located within two
145.18 miles of the border of a college campus;

145.19 (5)(i) manufactured home parks as defined in section 327.14, subdivision 3, excluding
145.20 manufactured home parks described in items (ii) and (iii), (ii) manufactured home parks as
145.21 defined in section 327.14, subdivision 3, that are described in section 273.124, subdivision
145.22 3a, and (iii) class I manufactured home parks as defined in section 327C.01, subdivision
145.23 13;

145.24 (6) real property that is actively and exclusively devoted to indoor fitness, health, social,
145.25 recreational, and related uses, is owned and operated by a not-for-profit corporation, and is
145.26 located within the metropolitan area as defined in section 473.121, subdivision 2;

145.27 (7) a leased or privately owned noncommercial aircraft storage hangar not exempt under
145.28 section 272.01, subdivision 2, and the land on which it is located, provided that:

145.29 (i) the land is on an airport owned or operated by a city, town, county, Metropolitan
145.30 Airports Commission, or group thereof; and

145.31 (ii) the land lease, or any ordinance or signed agreement restricting the use of the leased
145.32 premise, prohibits commercial activity performed at the hangar.

146.1 If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must be
146.2 filed by the new owner with the assessor of the county where the property is located within
146.3 60 days of the sale;

146.4 (8) a privately owned noncommercial aircraft storage hangar not exempt under section
146.5 272.01, subdivision 2, and the land on which it is located, provided that:

146.6 (i) the land abuts a public airport; and

146.7 (ii) the owner of the aircraft storage hangar provides the assessor with a signed agreement
146.8 restricting the use of the premises, prohibiting commercial use or activity performed at the
146.9 hangar; and

146.10 (9) residential real estate, a portion of which is used by the owner for homestead purposes,
146.11 and that is also a place of lodging, if all of the following criteria are met:

146.12 (i) rooms are provided for rent to transient guests that generally stay for periods of 14
146.13 or fewer days;

146.14 (ii) meals are provided to persons who rent rooms, the cost of which is incorporated in
146.15 the basic room rate;

146.16 (iii) meals are not provided to the general public except for special events on fewer than
146.17 seven days in the calendar year preceding the year of the assessment; and

146.18 (iv) the owner is the operator of the property.

146.19 The market value subject to the 4c classification under this clause is limited to five rental
146.20 units. Any rental units on the property in excess of five, must be valued and assessed as
146.21 class 3a. The portion of the property used for purposes of a homestead by the owner must
146.22 be classified as class 1a property under subdivision 22;

146.23 (10) real property up to a maximum of three acres and operated as a restaurant as defined
146.24 under section 157.15, subdivision 12, provided it: (i) is located on a lake as defined under

146.28 receipts from the sale of alcoholic beverages must be included in determining the property's
146.29 qualification under item (ii). The property's primary business must be as a restaurant and
146.30 not as a bar. Gross receipts from gift shop sales located on the premises must be excluded.
146.31 Owners of real property desiring 4c classification under this clause must submit an annual
146.32 declaration to the assessor by February 1 of the current assessment year, based on the
146.33 property's relevant information for the preceding assessment year;

147.1 (11) lakeshore and riparian property and adjacent land, not to exceed six acres, used as
147.2 a marina, as defined in section 86A.20, subdivision 5, which is made accessible to the public
147.3 and devoted to recreational use for marina services. The marina owner must annually provide
147.4 evidence to the assessor that it provides services, including lake or river access to the public
147.5 by means of an access ramp or other facility that is either located on the property of the
147.6 marina or at a publicly owned site that abuts the property of the marina. No more than 800
147.7 feet of lakeshore may be included in this classification. Buildings used in conjunction with
147.8 a marina for marina services, including but not limited to buildings used to provide food
147.9 and beverage services, fuel, boat repairs, or the sale of bait or fishing tackle, are classified
147.10 as class 3a property; and

147.11 (12) real and personal property devoted to noncommercial temporary and seasonal
147.12 residential occupancy for recreation purposes.

147.14 each parcel of noncommercial seasonal residential recreational property under clause (12)
147.15 has the same classification rates as class 4bb property, (ii) manufactured home parks assessed
147.16 under clause (5), item (i), have the same classification rate as class 4b property, the market
147.17 value of manufactured home parks assessed under clause (5), item (ii), have a classification
147.18 rate of 0.75 percent if more than 50 percent of the lots in the park are occupied by
147.19 shareholders in the cooperative corporation or association and a classification rate of one
147.20 percent if 50 percent or less of the lots are so occupied, and class I manufactured home
147.21 parks as defined in section 327C.01, subdivision 13, have a classification rate of 1.0 percent,
147.22 (iii) commercial-use seasonal residential recreational property and marina recreational land
147.23 as described in clause (11), has a classification rate of one percent for the first \$500,000 of
147.24 market value, and 1.25 percent for the remaining market value, (iv) the market value of
147.25 property described in clause (4) has a classification rate of one percent, (v) the market value
147.26 of property described in clauses (2), (6), and (10) has a classification rate of 1.25 percent,
147.27 (vi) that portion of the market value of property in clause (9) qualifying for class 4c property

147.31 a list of congressionally chartered veterans organizations to the commissioner of revenue
147.32 by June 30, 2017, and by January 1, 2018, and each year thereafter.

147.33 (e) Class 4d property is qualifying low-income rental housing certified to the assessor
147.34 by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion of
147.35 the units in the building qualify as low-income rental housing units as certified under section

148.1 273.128, subdivision 3, only the proportion of qualifying units to the total number of units
148.2 in the building qualify for class 4d. The remaining portion of the building shall be classified
148.3 by the assessor based upon its use. Class 4d also includes the same proportion of land as
148.4 the qualifying low-income rental housing units are to the total units in the building. For all
148.5 properties qualifying as class 4d, the market value determined by the assessor must be based
148.6 on the normal approach to value using normal unrestricted rents.

148.7 (f) The first tier of market value of class 4d property has a classification rate of 0.75
148.8 percent. The remaining value of class 4d property has a classification rate of 0.25 percent.
148.9 For the purposes of this paragraph, the "first tier of market value of class 4d property" means
148.10 the market value of each housing unit up to the first tier limit. For the purposes of this
148.11 paragraph, all class 4d property value must be assigned to individual housing units. The
148.12 first tier limit is \$100,000 for assessment year 2014. For subsequent years, the limit is
148.13 adjusted each year by the average statewide change in estimated market value of property
148.14 classified as class 4a and 4d under this section for the previous assessment year, excluding
148.15 valuation change due to new construction, rounded to the nearest \$1,000, provided, however,
148.16 that the limit may never be less than \$100,000. Beginning with assessment year 2015, the
148.17 commissioner of revenue must certify the limit for each assessment year by November 1
148.18 of the previous year.

148.19 **EFFECTIVE DATE.** This section is effective beginning with assessments in 2021 and
148.20 thereafter.

148.21 Sec. 3. Minnesota Statutes 2019 Supplement, section 273.13, subdivision 34, is amended
148.22 to read:

148.23 Subd. 34. **Homestead of veteran with a disability or family caregiver.** (a) All or a
148.24 portion of the market value of property owned by a veteran and serving as the veteran's
148.25 homestead under this section is excluded in determining the property's taxable market value
148.26 if the veteran has a service-connected disability of 70 percent or more as certified by the
148.27 United States Department of Veterans Affairs. To qualify for exclusion under this subdivision,
148.28 the veteran must have been honorably discharged from the United States armed forces, as
148.29 indicated by United States Government Form DD214 or other official military discharge
148.30 papers.

148.31 (b)(1) For a disability rating of 70 percent or more, \$150,000 of market value is excluded,
148.32 except as provided in clause (2); and

148.33 (2) for a total (100 percent) and permanent disability, \$300,000 of market value is
148.34 excluded.

149.1 (c) If a veteran with a disability qualifying for a valuation exclusion under paragraph
149.2 (b), clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the
149.3 spouse holds the legal or beneficial title to the homestead and permanently resides there,
149.4 the exclusion shall carry over to the benefit of the veteran's spouse until such time as the
149.5 spouse remarries, or sells, transfers, or otherwise disposes of the property, except as otherwise
149.6 provided in paragraph (n). Qualification under this paragraph requires an application under
149.7 paragraph (h), and a spouse must notify the assessor if there is a change in the spouse's
149.8 marital status, ownership of the property, or use of the property as a permanent residence.

149.9 (d) If the spouse of a member of any branch or unit of the United States armed forces
149.10 who dies due to a service-connected cause while serving honorably in active service, as
149.11 indicated on United States Government Form DD1300 or DD2064, holds the legal or
149.12 beneficial title to a homestead and permanently resides there, the spouse is entitled to the
149.13 benefit described in paragraph (b), clause (2), until such time as the spouse remarries or
149.14 sells, transfers, or otherwise disposes of the property, except as otherwise provided in
149.15 paragraph (n).

149.16 (e) If a veteran meets the disability criteria of paragraph (a) but does not own property
149.17 classified as homestead in the state of Minnesota, then the homestead of the veteran's primary
149.18 family caregiver, if any, is eligible for the exclusion that the veteran would otherwise qualify
149.19 for under paragraph (b).

149.20 (f) In the case of an agricultural homestead, only the portion of the property consisting
149.21 of the house and garage and immediately surrounding one acre of land qualifies for the
149.22 valuation exclusion under this subdivision.

149.23 (g) A property qualifying for a valuation exclusion under this subdivision is not eligible
149.24 for the market value exclusion under subdivision 35, or classification under subdivision 22,
149.25 paragraph (b).

149.26 (h) To qualify for a valuation exclusion under this subdivision a property owner must
149.27 apply to the assessor by December 15 of the first assessment year for which the exclusion
149.28 is sought. For an application received after December 15, the exclusion shall become effective
149.29 for the following assessment year. Except as provided in paragraph (c), the owner of a
149.30 property that has been accepted for a valuation exclusion must notify the assessor if there
149.31 is a change in ownership of the property or in the use of the property as a homestead.

149.32 (i) A first-time application by a qualifying spouse for the market value exclusion under
149.33 paragraph (d) must be made any time within two years of the death of the service member.

149.34 (j) For purposes of this subdivision:

150.1 (1) "active service" has the meaning given in section 190.05;

150.2 (2) "own" means that the person's name is present as an owner on the property deed;

150.3 (3) "primary family caregiver" means a person who is approved by the secretary of the
150.4 United States Department of Veterans Affairs for assistance as the primary provider of
150.5 personal care services for an eligible veteran under the Program of Comprehensive Assistance
150.6 for Family Caregivers, codified as United States Code, title 38, section 1720G; and

150.7 (4) "veteran" has the meaning given the term in section 197.447.

150.8 (k) If a veteran dying after December 31, 2011, did not apply for or receive the exclusion
150.9 under paragraph (b), clause (2), before dying, the veteran's spouse is entitled to the benefit
150.10 under paragraph (b), clause (2), until the spouse remarries or sells, transfers, or otherwise
150.11 disposes of the property, except as otherwise provided in paragraph (n), if:

150.12 (1) the spouse files a first-time application within two years of the death of the service
150.13 member or by June 1, 2019, whichever is later;

150.14 (2) upon the death of the veteran, the spouse holds the legal or beneficial title to the
150.15 homestead and permanently resides there;

150.16 (3) the veteran met the honorable discharge requirements of paragraph (a); and

150.17 (4) the United States Department of Veterans Affairs certifies that:

150.18 (i) the veteran met the total (100 percent) and permanent disability requirement under
150.19 paragraph (b), clause (2); or

The notes must be delivered to the commissioner not later than November 15 of the year in which executed. The commissioner shall cause a record to be made and preserved showing the obligor district and the date and principal amount of each note.
