ARTICLE 2

EDUCATION EXCELLENCE

Section 1. **[121A.201] MTSS AND COLLABORATIVE MINNESOTA PARTNERSHIPS TO ADVANCE STUDENT SUCCESS (COMPASS).**

Beginning July 1, 2023, all Minnesota school districts and charter schools must be offered training and support in implementing MTSS through the Department of Education COMPASS team and the Department of Education's regional partners, the Minnesota Service Cooperatives. COMPASS is the state school improvement model providing a statewide system through which all districts and schools may receive support in the areas of literacy, math, social-emotional learning, and mental health within the MTSS framework. The MTSS framework is the state's systemic, continuous school improvement framework for ensuring

positive social, emotional, behavioral, developmental, and academic outcomes for every student. MTSS provides access to layered tiers of culturally and linguistically responsive, evidence-based practices. The MTSS framework relies on the understanding and belief that every student can learn and thrive, and it engages an anti-bias and socially just approach to examining policies and practices and ensuring equitable distribution of resources and opportunity. The MTSS systemic framework requires:

(1) a district-wide infrastructure consisting of effective leaders, collective efficacy among staff, positive school climate, linked teams, and professional learning that supports continuous improvement;

(2) authentic engagement with families and communities to develop reciprocal relationships and build new opportunities for students together;

(3) multilayered tiers of culturally and linguistically responsive instruction and support that allows every student the support they need to reach meaningful and rigorous learning standards. Tiers of support include core (Tier 1), supplemental (Tier 2), and intensive (Tier 3) instruction levels;

(4) valid and reliable assessment tools and processes to assess student and system performance and inform necessary changes; and

(5) a data-based decision-making approach in which problems are precisely defined and analyzed, solutions address root causes, and implementation is monitored to ensure success. The data-based problem-solving component of the MTSS framework consists of three major subcomponents: accessible and integrated data, decision-making process, and system performance.

Sec. 2. Minnesota Statutes 2022, section 124D.095, subdivision 7, is amended to read:

Approved online learning providers annually must submit program data to, confirm statements of assurances for, and provide program updates including a current course list to the commissioner.

(b) The online learning courses and programs must be rigorous, aligned with state academic standards, and contribute to grade progression in a single subject. The online learning provider, other than a digital learning provider offering digital learning to its enrolled

students only under subdivision 4, paragraph (d), must give the commissioner written assurance that: (1) all courses meet state academic standards; and (2) the online learning curriculum, instruction, and assessment, expectations for actual teacher-contact time or other student-to-teacher communication, and academic support meet nationally recognized professional standards and are described as such in an online learning course syllabus that meets the commissioner's requirements. Once an online learning provider is approved under this paragraph, all of its online learning course offerings are eligible for payment under this section unless a course is successfully challenged by an enrolling district or the department under paragraph (c).

(c) An enrolling district may challenge the validity of a course offered by an online learning provider. The department must review such challenges based on the approval procedures under paragraph (b). The department may initiate its own review of the validity of an online learning course offered by an online learning provider.

(d) The department may collect a fee not to exceed \$250 for approving online learning providers or \$50 per course for reviewing a challenge by an enrolling district.

(e) The department must develop, publish, and maintain a list of online learning providers that it has reviewed and approved.

(f) The department may review a complaint about an online learning provider, or a complaint about a provider based on the provider's response to notice of a violation. If the department determines that an online learning provider violated a law or rule, the department may:

(1) create a compliance plan for the provider; or

(2) withhold funds from the provider under sections 124D.095, 124E.25, and 127A.42.

The department must notify an online learning provider in writing about withholding funds and provide detailed calculations.

(g) An online learning program fee administration account is created in the special revenue fund. Funds retained under paragraph (d) shall be deposited in the account. Money in the account is appropriated to the commissioner for costs associated with administering and monitoring online and digital learning programs.

Sec. 3. ~~120B.1119~~ TITLE; THE READ ACT.

Sections 120B.12 to 120B.124 may be cited as the "Reading to Ensure Academic Development Act" or the "Read Act."

Sec. 4. Minnesota Statutes 2022, section 120B.12, is amended to read:

~~120B.12 READING PROFICIENTLY NO LATER THAN THE END OF GRADE 3~~ 3 READ ACT GOAL AND INTERVENTIONS.

Subdivision 1. **Literacy goal.** (a) The legislature seeks to have every child reading at or above grade level no later than the end of grade 3, every year, beginning in kindergarten,

53.1 including English multilingual learners, and that teachers provide comprehensive,
 53.2 scientifically based and students receiving special education services. School leaders and
 53.3 educators must provide evidence-based reading instruction consistent with section 122A.06,
 53.4 subdivision 4 through a focus on student mastery of the foundational reading skills of
 53.5 phonemic awareness, phonics, and fluency, as well as the development of oral language,
 53.6 vocabulary, and reading comprehension skills. Students must receive evidence-based
 53.7 instruction that is proven to effectively teach children to read, consistent with sections
 53.8 120B.12 to 120B.124.

53.9 (b) To meet this goal, each school district must provide teachers and instructional support
 53.10 staff with responsibility for teaching reading with training on evidence-based reading
 53.11 instruction that is approved by the Department of Education and CAREI. By 2025, a district
 53.12 must provide the training to intervention teachers working with students in kindergarten
 53.13 through grade 12, special education teachers, curriculum directors, instructional support
 53.14 staff who provide reading instruction, and any staff who selects literacy instructional materials
 53.15 for a district. By 2027, a district must provide the training to all classroom teachers of
 53.16 students in a prekindergarten program, and in kindergarten through grade 3. The
 53.17 commissioner may grant a district an extension to the deadlines in this paragraph.

53.18 (c) Districts are strongly encouraged to adopt a MTSS framework. The framework should
 53.19 include a process for monitoring student progress, evaluating program fidelity, and analyzing
 53.20 student outcomes and needs in order to design and implement ongoing evidenced-based
 53.21 instruction and interventions.

53.22 **Subd. 2. Identification; report.** ~~(a) Each school district must identify before the end of~~
 53.23 Twice per year, each school district must screen every student enrolled in kindergarten,
 53.24 grade 1, and grade 2 all students who are not reading at grade level, and grade 3 using a
 53.25 screening tool approved by the Department of Education. Students identified as not reading
 53.26 at grade level by the end of kindergarten, grade 1, and grade 2, and grade 3, including
 53.27 multilingual learners and students receiving special education services, must be universally
 53.28 screened, in a locally determined manner for mastery of foundational reading skills, including
 53.29 phonemic awareness, phonics, decoding, fluency, oral language, and for characteristics of
 53.30 dyslexia as measured by a screening tool approved by the Department of Education. The
 53.31 screening for characteristics of dyslexia may be integrated with universal screening for
 53.32 mastery of foundational skills and oral language. A district must submit data on student
 53.33 performance in kindergarten, grade 1, grade 2, and grade 3 on foundational reading skills,
 53.34 including phonemic awareness, phonics, decoding, fluency, and oral language to the
 53.35 Department of Education in the annual local literacy plan.

(b) Students in ~~grade 3 or higher who demonstrate a reading difficulty to a classroom teacher~~ grades 4 and above, including multilingual learners and students receiving special education services, who do not demonstrate mastery of foundational reading skills, including phonemic awareness, phonics, decoding, fluency, and oral language, must be screened, in a locally determined manner, using a screening tool approved by the Department of Education for characteristics of dyslexia, unless a different reason for the reading difficulty has been identified, and must continue to receive evidence-based instruction, interventions, and progress monitoring until the student achieves grade-level proficiency.

(c) Reading ~~assessments~~ screeners in English, and in the predominant languages of district students where practicable, must identify and evaluate students' areas of academic need related to literacy. The district also must monitor the progress and provide reading instruction appropriate to the specific needs of ~~English~~ multilingual learners. The district must use a locally adopted, developmentally appropriate, and culturally responsive ~~assessment screener~~ and annually report summary ~~assessment~~ screener results to the commissioner by July 1.

(d) The district also must ~~annually report to the commissioner by July 1~~ include in its literacy plan under subdivision 4a, a summary of the district's efforts to screen and, identify, and provide interventions to students who demonstrate characteristics of dyslexia using as measured by a screening tools such as those recommended by the department's dyslexia specialist tool approved by the Department of Education. Districts are strongly encouraged to use the MTSS framework. With respect to students screened or identified under paragraph (a), the report must include:

(1) a summary of the district's efforts to screen for dyslexia;

(2) the number of students universally screened for that reporting year; ~~and~~

(3) the number of students demonstrating characteristics of dyslexia for that year; and

~~(e) A student~~ (4) an explanation of how students identified under this subdivision must be are provided with alternate instruction and interventions under section 125A.56, subdivision 1.

Subd. 2a. **Parent notification and involvement.** Schools, at least annually, must give the parent of each student who is not reading at or above grade level timely information about:

(1) the student's reading proficiency as measured by a locally adopted ~~assessment~~ screener approved by the Department of Education;

(2) reading-related services currently being provided to the student and the student's progress; and

(3) strategies for parents to use at home in helping their student succeed in becoming grade-level proficient in reading in English and in their native language.

A district may not use this section to deny a student's right to a special education evaluation.

Subd. 3. **Intervention.** (a) For each student identified under subdivision 2, the district shall provide reading intervention to accelerate student growth and reach the goal of reading at or above grade level by the end of the current grade and school year. A district is encouraged to provide reading intervention through a MTSS framework. If a student does not read at or above grade level by the end of ~~grade 3~~ the current school year, the district must continue to provide reading intervention until the student reads at grade level. District intervention methods shall encourage family engagement and, where possible, collaboration with appropriate school and community programs. Intervention methods that specialize in evidence-based instructional practices and measure mastery of foundational reading skills, including phonemic awareness, phonics, decoding, fluency, and oral language. Intervention may include, but ~~are~~ is not limited to, requiring student attendance in summer school, intensified reading instruction that may require that the student be removed from the regular classroom for part of the school day, extended-day programs, or programs that strengthen students' cultural connections.

(b) ~~A school district or charter school~~ is strongly encouraged to provide a personal learning plan for a student who is unable to demonstrate grade-level proficiency, as measured by the statewide reading assessment in grade 3 or a screener identified by the Department of Education under section 120B.123. The district or charter school must determine the format of the personal learning plan in collaboration with the student's educators and other appropriate professionals. The school must develop the learning plan in consultation with the student's parent or guardian. The personal learning plan must include targeted instruction and ongoing progress monitoring of the student's progress, and address knowledge gaps and skill deficiencies through strategies such as specific exercises and practices during and outside of the regular school day, group interventions, periodic assessments or screeners, and reasonable timelines. The personal learning plan may include grade retention, if it is in the student's best interest; a student may not be retained solely due to delays in literacy or not demonstrating grade-level proficiency. A school must maintain and regularly update and modify the personal learning plan until the student reads at grade level. This paragraph does not apply to a student under an individualized education program.

Subd. 4. **Staff development.** (a) A district must provide training that is evidence-based to teachers and instructional staff in accordance with subdivision 1, paragraph (b). The training must include teaching in the areas of phonemic awareness, phonics, vocabulary development, reading fluency, reading comprehension, and culturally and linguistically responsive pedagogy.

(b) Each district shall use the data under subdivision 2 to identify the staff development needs so that:

(1) elementary teachers are able to implement ~~comprehensive, scientifically based reading and oral language~~ explicit, systematic, evidence-based instruction on foundational reading skills in the five reading areas of phonemic awareness, phonics, fluency, vocabulary, and comprehension as defined in section ~~122A.06, subdivision 4, 120B.121~~ and other literacy-related areas including writing until the student achieves grade-level reading and writing proficiency;

(2) elementary teachers have sufficient training to provide ~~comprehensive, scientifically based reading~~ school students with evidence-based reading and oral language instruction that meets students' developmental, linguistic, and literacy needs using the intervention methods or programs selected by the district for the identified students;

(3) licensed teachers employed by the district have regular opportunities to improve reading and writing instruction;

(4) licensed teachers recognize students' diverse needs in cross-cultural settings and are able to serve the oral language and linguistic needs of students who are ~~English~~ multilingual learners by maximizing strengths in their native languages in order to cultivate students' English language development, including oral academic language development, and build academic literacy; and

(5) licensed teachers are well trained in culturally responsive pedagogy that enables students to master content, develop skills to access content, and build relationships.

(c) A district must provide staff in early childhood programs sufficient training to provide children in early childhood programs with explicit, systematic instruction in phonological and phonemic awareness; oral language, including listening comprehension; vocabulary; and letter-sound correspondence.

Subd. 4a. **Local literacy plan.** (a) Consistent with this section, a school district must adopt a local literacy plan to have every child ~~reading at or above grade level no later than the end of~~ in kindergarten through grade 3, including ~~English learners~~ multilingual learners

and students receiving special education services, demonstrate mastery of foundational literacy skills and read proficiently, at or above grade level, at every grade. The plan must be updated by August 1 each year. The plan must be consistent with ~~section 122A.06, subdivision 4~~ the Read Act, and include the following:

(1) a process to assess students' level of reading proficiency and ~~data to support the effectiveness of an assessment used to screen and identify a student's level of reading proficiency~~ the screeners used, by school site and grade level, under section 120B.123;

(2) a process to notify and involve parents;

(3) a description of how schools in the district will determine the ~~proper~~ targeted reading instruction that is evidence-based and includes an intervention strategy for a student and the process for intensifying or modifying the reading strategy in order to obtain measurable reading progress;

(4) evidence-based intervention methods for students who are not reading at or above grade level and progress monitoring to provide information on the effectiveness of the intervention; ~~and~~

(5) identification of staff development needs, including a program to meet those needs;

(6) the literacy curriculum used by school site and grade level;

(7) a statement of whether the district has adopted a MTSS framework; and

(8) student data using the measures of foundational literacy skills and mastery identified by the Department of Education and CAREI.

(b) The district must post its literacy plan on the official school district website and submit it to the commissioner of education using the template developed by the commissioner of education once it is available.

(c) By March 1, 2024, the commissioner of education must develop a streamlined template for local literacy plans that meets the requirements of this subdivision and requires all reading instruction and teacher training in reading instruction to be evidence-based. The template must require a district to report information using the student categories required in the commissioner's report under paragraph (d). The template must focus district resources on improving students' foundational reading skills while reducing paperwork requirements for teachers.

(d) By December 1, 2025, the commissioner of education must submit a report to the legislative committees with jurisdiction over prekindergarten through grade 12 education

58.1 summarizing the local literacy plans submitted to the commissioner. The summary must
 58.2 include the following information:

58.3 (1) the number of teachers and other staff that have completed training approved by the
 58.4 Department of Education;

58.5 (2) by school site and grade, the screeners used at the beginning and end of the school
 58.6 year and the reading curriculum used; and

58.7 (3) by school site and grade, using the measurements of foundational literacy skills and
 58.8 mastery identified by the department and CAREI, both aggregated data and disaggregated
 58.9 data using the student categories under section 120B.35, subdivision 3, paragraph (a), clause
 58.10 (2).

58.11 Subd. 5. ~~Commissioner~~ **Approved screeners.** The commissioner ~~shall~~ must recommend
 58.12 to districts multiple ~~assessment~~ screening tools to assist districts and teachers with identifying
 58.13 students under subdivision 2 and to assess students' reading proficiency. The commissioner
 58.14 must identify screeners that may be used for both purposes. The commissioner ~~shall~~ must
 58.15 also make available examples of nationally recognized and ~~research-based~~ evidence-based
 58.16 instructional methods or programs to districts to provide ~~comprehensive, scientifically based~~
 58.17 evidence-based reading instruction and intervention under this section.

58.18 Sec. 5. **[120B.121] READ ACT DEFINITIONS.**

58.19 Subdivision 1. **Read Act.** For purposes of sections 120B.12 to 120B.124, the following

 58.26 based on reliable, trustworthy, and valid evidence and has demonstrated a record of success
 58.27 in increasing students' reading competency in the areas of phonemic awareness, phonics,
 58.28 vocabulary development, reading fluency, and reading comprehension. Evidence-based
 58.29 literacy instruction is explicit, systematic, evidence-based reading instruction that includes
 58.30 the acquisition of language, phonological and phonemic awareness, phonics and decoding,
 58.31 spelling, fluency, vocabulary, oral language, and comprehension that can be differentiated

59.16 of structured literacy, interventions, curriculum delivery, and teacher training; assist with
59.17 the development of personal learning plans; and train paraprofessionals and other support
59.18 staff to support classroom literacy instruction. A literacy lead may be employed by one
59.19 district, jointly by two or more districts, or may provide services to districts through a
59.20 partnership with the Regional Centers of Excellence or another district.

59.21 Subd. 9. **MTSS.** "Multitiered system of support" or "MTSS" means a systemic, continuous
59.22 improvement framework for ensuring positive social, emotional, behavioral, developmental,
59.23 and academic outcomes for every student. The MTSS framework provides access to layered

59.25 understanding and belief that every student can learn and thrive. Through a MTSS at the
59.26 core (Tier 1), supplemental (Tier 2), and intensive (Tier 3) levels, educators provide high
59.27 quality, evidence-based instruction and intervention that is matched to a student's needs;
59.28 progress is monitored to inform instruction and set goals and data is used for educational
59.29 decision making.

59.30 Subd. 10. **Oral language.** "Oral language," also called "spoken language," includes

60.3 the application of this knowledge in reading and spelling.

60.4 Subd. 13. **Progress monitoring.** "Progress monitoring" means using data collected to
60.5 inform whether interventions are working. Progress monitoring involves ongoing monitoring
60.6 of progress that quantifies rates of improvement and informs instructional practice and the
60.7 development of individualized programs using state-approved screening that is reliable and
60.8 valid for the intended purpose.

60.9 Subd. 14. **Reading comprehension.** "Reading comprehension" means a function of
60.10 word recognition skills, which includes phonemic awareness and language comprehension
60.11 skills.

60.12 Subd. 15. **Structured literacy.** "Structured literacy" means an approach to reading
60.13 instruction in which teachers carefully structure important literacy skills, concepts, and the
60.14 sequence of instruction to facilitate children's literacy learning and progress. Structured
60.15 literacy is characterized by the provision of systematic, explicit, sequential, and diagnostic
60.16 instruction in phonemic awareness, phonics, fluency, vocabulary and oral language
60.17 development, and reading comprehension.

60.18 Subd. 16. **Three-cueing system.** "Three-cueing system," also known as "meaning

60.29 related disorders. The dyslexia specialist shall also act to increase professional awareness
60.30 and instructional competencies to meet the educational needs of students with dyslexia or
60.31 identified with risk characteristics associated with dyslexia and shall develop implementation
60.32 guidance and make recommendations to the commissioner consistent with ~~section 122A.06,~~
60.33 ~~subdivision 4~~ sections 120B.12 to 120B.124, to be used to assist general education teachers

and special education teachers to recognize educational needs and to improve literacy outcomes for students with dyslexia or identified with risk characteristics associated with dyslexia, including recommendations related to increasing the availability of online and asynchronous professional development programs and materials.

Sec. 7. **[120B.123] READ ACT IMPLEMENTATION.**

Subdivision 1. Screeners. A district must administer a reading screener to students in kindergarten through grade 3 within the first six weeks of the school year, and again within the last six weeks of the school year. The screener must be one of the screening tools identified by the Department of Education.

Subd. 2. Progress monitoring. For a student not reading at grade level, a district is strongly encouraged to develop an intervention plan that meets the requirements of section 120B.12, subdivision 3. A district may use screening tools to monitor students' progress.

Subd. 3. Curriculum. A district must use evidence-based curriculum at each grade level that is designed around teaching the foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency, and reading comprehension.

Subd. 4. MTSS Framework. A district is encouraged to use a data-based decision-making process within the MTSS framework to determine the evidence-based core reading instruction and Tier 2 or Tier 3 intervention required to meet a student's identified needs.

Subd. 5. Professional development. (a) A district must provide training that is evidence-based to all reading intervention teachers and literacy specialists by July 1, 2025; and by June 15, 2027, to other teachers in the district, prioritizing elementary school classroom teachers, teachers who work with students with disabilities, English learners, and students who qualify for the graduation incentives program under section 124D.68. The commissioner of education may grant a district an extension to the deadlines in this paragraph.

(b) The training must prepare teachers to provide:

(1) elementary school students with explicit, systematic instruction in the five reading areas of phonemic awareness, phonics, fluency, vocabulary, and comprehension as defined in section 120B.121 and other literacy-related areas, including writing and oral language, until the student achieves grade-level reading and writing proficiency; and

(2) children in early childhood programs with explicit, systematic instruction in phonological and phonemic awareness; oral language, including listening comprehension; vocabulary; and letter-sound correspondence.

62.1 (c) The training must include teaching in the areas of phonemic awareness, phonics,
62.2 vocabulary development, reading fluency, reading comprehension, and culturally and
62.3 linguistically responsive pedagogy.

62.4 Subd. 6. **Literacy lead.** (a) By August 30, 2025, a district must employ or contract with
62.5 a literacy lead, or be actively supporting a designated literacy specialist through the process
62.6 of becoming a literacy lead. A board may satisfy the requirements of this subdivision by
62.7 contracting with another school board or cooperative unit under section 123A.24 for the
62.8 services of a literacy lead by August 30, 2025. A district may use Read Act funding to pay
62.9 for training, substitute teachers to allow teachers time to attend trainings, and incentives for
62.10 teachers that complete the training.

62.11 (b) A district literacy lead must collaborate with district administrators and staff to
62.12 support the district's implementation of requirements under the Read Act.

62.13 Subd. 7. **Department of Education.** (a) By July 1, 2023, the department must make
62.14 available to districts a list of approved evidence-based screeners in accordance with section
62.15 120B.12. A district must use an approved screener to assess students' mastery of foundational
62.16 reading skills in accordance with section 120B.12.

62.17 (b) The Department of Education must partner with CAREI as required under section
62.18 120B.124 to approve literacy curricula. A district is not required to use an approved
62.19 curriculum, unless the curriculum was purchased with state grant funds that require a
62.20 curriculum to be selected from a list of approved curricula.

62.21 (c) The Department of Education must partner with CAREI as required under section
62.22 120B.124 to approve professional development programs, subject to final determination by
62.23 the department. After the implementation partnership under section 120B.124 ends, the
62.24 department must continue to regularly provide districts with information about professional
62.25 development opportunities available throughout the state on reading instruction that is
62.26 evidence-based.

62.27 (d) The department must identify training required for a literacy specialist position under
62.28 this section.

62.29 (e) The department must employ a literacy specialist to provide support to districts
62.30 implementing the Read Act and coordinate duties assigned to the department under the
62.31 Read Act. The literacy specialist must work on state efforts to improve literacy tracking
62.32 and implementation.

(f) The department must develop a template for a local literacy plan in accordance with section 120B.12, subdivision 4a.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 8. **[120B.124] READ ACT IMPLEMENTATION PARTNERSHIP.**

Subdivision 1. **Resources.** The Department of Education must partner with CAREI for two years beginning June 1, 2023, until August 30, 2025, to support implementation of the Read Act. The department and CAREI must jointly:

Subdivision 1. **Purpose.** This section establishes a program to support districts and schools recruiting and offering hiring bonuses for ~~licensed~~ teachers who are American Indian or a person of color from another state or country in order to meet staffing needs in shortage areas in ~~economic development regions in~~ Minnesota.

Subd. 2. **Eligibility.** A district or school must verify that the hiring bonus is given to ~~teachers licensed in~~ persons from another state or country who:

(1) immediately qualify for a Tier ~~3 or Tier 4~~ 2 or higher Minnesota license;

(2) have moved to ~~the economic development region in~~ Minnesota ~~where they were hired~~; and

(3) belong to a racial or ethnic group that is underrepresented among teachers compared to students in the district or school under section 120B.35, subdivision 3, paragraph (b), clause (2).

Subd. 3. **Bonus amount.** A district or school may offer a ~~signing~~ hiring and retention bonus of a minimum of ~~\$2,500~~ \$4,000 and a maximum of ~~\$5,000~~ \$8,000 to a teacher who meets the eligibility requirements. A teacher who meets the eligibility requirements and meets a licensure shortage area in the economic development region of the state where the school is located may be offered a ~~signing~~ hiring bonus of a minimum of ~~\$4,000~~ \$5,000 and a maximum of ~~\$8,000~~ \$10,000. A teacher must be paid half of the bonus when starting employment and half after completing four years of service in the hiring district or school if the teacher has demonstrated teaching effectiveness and is not on a professional improvement plan under section 122A.40, subdivision 8, paragraph (b), clause (12) or (13), or section 122A.41, subdivision 5, paragraph (b), clause (12) or (13), or is not being considered for termination for a reason listed in section 122A.40, subdivision 9, including a teacher hired by a school district located in a city of the first class. A teacher who does not complete their first school year upon receiving a hiring bonus must repay the hiring bonus. A teacher must have a Tier 3 or Tier 4 Minnesota teaching license to qualify for the second half of the bonus. A district must prorate the second half of the bonus if the eligible teacher is nonrenewed due to reasons not having to do with teaching effectiveness or misconduct.

Subd. 4. **Administration.** (a) The commissioner must establish a process for districts or schools to seek reimbursement for hiring bonuses given to teachers in shortage areas moving to and working in Minnesota schools experiencing specific shortages. The commissioner must provide guidance for districts to seek repayment of a hiring bonus from a teacher who does not complete the first year of employment. The department may conduct a pilot program with a small number of teachers during the 2022-2023 biennium to establish feasibility. The department must submit a report by December 1, 2022, to the chairs and ranking minority members of the legislative committees with jurisdiction over kindergarten through grade 12 education detailing the effectiveness of the program and recommendations for improvement in future years.

(b) The commissioner may award participating districts and schools additional funds to administer the program, including out-of-state recruiting efforts and retention activities. The commissioner may allow participating districts and schools to reserve up to five percent of Come Teach in Minnesota funding to administer the program, including for out-of-state recruiting efforts and retention activities.

79.1 Subd. 5. **Come Teach in Minnesota Hiring Bonus program account.** (a) An account
79.2 is established in the special revenue fund known as the "Come Teach in Minnesota Hiring
79.3 Bonus program account."

79.4 (b) Funds appropriated for the Come Teach in Minnesota Hiring Bonus program under
79.5 this section must be transferred to the Come Teach in Minnesota Hiring Bonus program

79.8 under this section. Any returned funds are available to be regranted.

79.9 (d) Up to \$35,000 annually is appropriated to the commissioner for costs associated with
79.10 developing and administering the program under this section.

79.11 **EFFECTIVE DATE.** The amendment to subdivision 2 is effective retroactively from
79.12 July 1, 2022. The amendments to subdivisions 1, 3, and 4 are effective the day following
79.13 final enactment.

79.14 Sec. 11. **[122A.631] SUPPORTING HERITAGE LANGUAGE AND CULTURE**
79.15 **TEACHERS.**

79.16 Subdivision 1. **Purpose.** The purpose of this section is to increase the number of heritage
79.17 language and culture teachers in Minnesota.

79.18 Subd. 2. **Definitions.** "Heritage language and culture teachers" means teachers with a
79.19 connection to a community's language and culture who use this connection to support
79.20 students as they learn academic content or the language and culture of that particular
79.21 community.

79.22 Subd. 3. **Eligibility.** Applicants for the heritage language and culture licensure pathway
79.23 program must:

79.24 (1) hold a current license issued by the Professional Educator Licensing and Standards
79.25 Board or meet the criteria for licensure in 122A.181; and

79.26 (2) seek initial, dual, or additional licensure in a heritage language.

79.27 Subd. 4. **Heritage language and culture teacher licensure pathway program.** (a) The
79.28 Professional Educator Licensing and Standards Board shall develop a program to support
79.29 initial and additional licensure for heritage language and culture teachers. The program
79.30 must include:

79.31 (1) a yearlong mentorship program;

80.1 (2) monthly meetings where applicants receive guidance on completing the portfolio
80.2 process from a portfolio liaison, dedicated specifically to facilitating this program;

80.3 (3) a stipend to cover substitute teachers when meetings take place during the school
80.4 day;

80.5 (4) a waiver for all portfolio and licensure testing fees; and

80.6 (5) a portfolio review committee created by the board.

80.7 (b) For applicants seeking an initial license in a world language and culture, the applicant
80.8 must demonstrate meeting the standards of effective practice in Minnesota Rules, part
80.9 8710.2000 and content-specific pedagogical standards in Minnesota Rules, part 8710.4950,
80.10 through the portfolio process.

80.11 (c) For applicants seeking a dual license, the applicant must demonstrate meeting the
80.12 standards of effective practice in Minnesota Rules, part 8710.2000, content-specific
80.13 pedagogical standards in Minnesota Rules, part 8710.4950, and all standards for the chosen
80.14 dual license through the portfolio process.

80.15 (d) For applicants seeking an additional license in a world language and culture, the
80.16 applicant must demonstrate meeting the content-specific pedagogical standards in Minnesota
80.17 Rules, part 8710.4950.

80.18 Subd. 5. **Heritage language and culture educators seeking a world language**
80.19 **license.** Heritage language and culture teachers seeking a world language and culture license
80.20 pursuant to Minnesota Rules, part 8710.4950, who demonstrate proficiency through one of

80.22 world language and culture standards, which do not include content-specific pedagogical
80.23 standards, for licensure in their heritage language:

80.24 (1) passing a board-adopted assessment;

80.25 (2) holding a certificate to serve as a translator or interpreter; or

80.26 (3) completing an undergraduate or postbaccalaureate degree from an accredited
80.27 university where the majority of coursework was taught via the non-English instructional
80.28 language.

81.1 Sec. 12. Minnesota Statutes 2022, section 122A.635, is amended to read:

81.2 **122A.635 COLLABORATIVE URBAN AND GREATER MINNESOTA**
 81.3 **EDUCATORS OF COLOR GRANT PROGRAM.**

81.4 Subdivision 1. **Establishment.** The Professional Educator Licensing and Standards
 81.5 Board must award competitive grants to increase the number of teacher candidates who are
 81.6 of color or who are American Indian, complete teacher preparation programs, and meet the
 81.7 requirements for a Tier 3 license under section 122A.183. Eligibility for a grant under this
 81.8 section is limited to public or private higher education institutions that offer a teacher
 81.9 preparation program approved by the Professional Educator Licensing and Standards Board.

81.10 Subd. 2. **Competitive grants.** (a) The Professional Educator Licensing and Standards
 81.11 Board must award competitive grants to a variety of higher education institution types under
 81.12 this section. The board must require an applicant institution to submit a plan describing how
 81.13 it would use grant funds to increase the number of teachers who are of color or who are
 81.14 American Indian, and must award grants based on the following criteria, listed in descending
 81.15 order of priority:

81.16 ~~(1) the number of teacher candidates being supported in the program who are of color~~
 81.17 ~~or who are American Indian;~~

81.18 ~~(2) (1) program outcomes, including graduation or program completion rates; and~~
 81.19 ~~licensure recommendation rates; and placement rates for candidates who are of color or~~
 81.20 ~~who are American Indian compared to all candidates enrolled in a teacher preparation~~
 81.21 ~~program at the institution and, for each outcome measure, the number of those teacher~~
 81.22 ~~candidates who are of color or who are American Indian; and~~

81.23 ~~(3) the percent of racially and ethnically diverse teacher candidates enrolled in the~~
 81.24 ~~institution compared to:~~

81.25 ~~(i) the total percent of students of color and American Indian students enrolled at the~~
 81.26 ~~institution, regardless of major; and~~

81.27 ~~(ii) the percent of underrepresented racially and ethnically diverse teachers in the~~
 81.28 ~~economic development region of the state where the institution is located and where a~~
 81.29 ~~shortage of diverse teachers exists, as reported under section 122A.091, subdivision 5.~~

81.30 (2) the extent to which an institution's plan is clear in describing how the institution
 81.31 would use grant funds for implementing explicit research-based practices to provide
 81.32 programmatic support to teacher candidates who are of color or who are American Indian.
 81.33 Plans for grant funds may include:

82.1 (i) recruiting more racially and ethnically diverse candidates for admission to teacher
82.2 preparation programs;

82.3 (ii) providing differentiated advising, mentoring, or other supportive community-building
82.4 activities in addition to what the institution provides to all candidates enrolled in the
82.5 institution;

82.6 (iii) providing academic tutoring or support to help teacher candidates pass required
82.7 assessments; and

82.8 (iv) providing for program staffing expenses;

82.9 (3) an institution's plan to provide direct financial assistance as scholarships or stipends
82.10 within the allowable dollar range determined by the board under subdivision 3, paragraph
82.11 (b), to teacher candidates who are of color or who are American Indian;

82.12 ~~(b) The board must give priority in awarding grants under this section to institutions that~~
82.13 ~~received grants under Laws 2017, First Special Session chapter 5, article 2, section 57,~~
82.14 ~~subdivision 27, and have demonstrated continuing success at recruiting, retaining, graduating,~~
82.15 ~~and inducting (4) whether the institution has previously received a competitive grant under~~
82.16 this section and has demonstrated positive outcomes from the use of grant funds for efforts
82.17 helping teacher candidates who are of color or who are American Indian; to enroll in and
82.18 successfully complete teacher preparation programs and be recommended for licensure;

82.19 (5) geographic diversity among the institutions. In order to expand the number of grant
82.20 recipients throughout the state, whenever there is at least a 20 percent increase in the base
82.21 appropriation for this grant program, the board must prioritize awarding grants to institutions
82.22 outside of the Twin Cities metropolitan area. If the board awards a competitive grant based
82.23 on the criteria in paragraph (a) to a program that has not previously received funding, the
82.24 board must thereafter give priority to the program equivalent to other programs given priority
82.25 under this paragraph, that have received grants and demonstrated positive outcomes; and

82.26 (6) the percentage of racially and ethnically diverse teacher candidates enrolled in the
82.27 institution compared to:

82.28 (i) the aggregate percentage of students of color and American Indian students enrolled
82.29 in the institution, regardless of major; and

82.30 (ii) the percentage of underrepresented racially and ethnically diverse teachers in the
82.31 economic development region of the state where the institution is located and where a
82.32 shortage of diverse teachers exists, as reported under section 122A.091, subdivision 5.

83.1 (b) The board must not penalize an applicant institution in the grant review process for
83.2 using grant funds only to provide direct financial support to teacher candidates if that is the
83.3 institution's priority and the institution uses other resources to provide programmatic support
83.4 to candidates.

83.5 (c) The board must determine award amounts for development, maintenance and, or
83.6 expansion of programs based only on the degree to which applicants meet the criteria in
83.7 this subdivision, the number of candidates who are of color or who are American Indian
83.8 supported by an applicant program, ~~sustaining support for those candidates,~~ and funds
83.9 available.

83.10 (d) The board must determine grant awards in part by multiplying the number of teacher
83.11 candidates to be provided direct financial assistance by the average amount the institution
83.12 proposes per candidate that is within the allowable dollar range. After assessing an
83.13 institution's adherence to grant criteria and funds available, the board may grant an institution
83.14 a lower average amount per candidate and the institution may decide to award less per
83.15 candidate or provide financial assistance to fewer candidates within the allowable range.
83.16 Additionally, an institution may use up to 25 percent of the awarded grant funds to provide
83.17 programmatic support as described in paragraph (a), clause (3). If the board does not award
83.18 an applicant institution's full request, the board must allow the institution to modify how it
83.19 uses grant funds to maximize program outcomes consistent with the requirements of this
83.20 section.

83.21 Subd. 3. **Grant program administration.** (a) The Professional Educator Licensing and
83.22 Standards Board may enter into an interagency agreement with the Office of Higher
83.23 Education. The agreement may include a transfer of funds to the Office of Higher Education
83.24 to help establish and administer the competitive grant process. The board must award grants
83.25 to institutions located in various economic development regions throughout the state, but
83.26 must not predetermine the number of institutions to be awarded grants under this section
83.27 or set a limit for the amount that any one institution may receive as part of the competitive
83.28 grant application process.

83.29 (b) The board must establish a standard allowable dollar range for the amount of direct
83.30 financial assistance an applicant institution may provide to each candidate. To determine
83.31 the range, the board may collect de-identified data from institutions that received a grant
83.32 during the previous grant period and calculate the average scholarship amount awarded to
83.33 all candidates across all institutions using the most recent fiscal year data available. The
83.34 calculation may be used to determine a scholarship range that is no more than 25 percent
83.35 of this amount and no less than half the average of this amount. The purpose of direct

84.1 financial assistance is to assist candidates matriculating through completing licensure
 84.2 programs if they demonstrate financial need after considering other grants and scholarships
 84.3 provided.

84.4 (c) All grants must be awarded by August 15 of the fiscal year in which the grants are
 84.5 to be used ~~except that, for initial competitive grants awarded for fiscal year 2020, grants~~
 84.6 ~~must be awarded by September 15.~~ An institution that receives a grant under this section
 84.7 may use the grant funds over a two- to four-year period to sustain support for teacher
 84.8 candidates at any stage from recruitment and program admission to graduation and licensure
 84.9 application.

84.10 Subd. 4. **Report.** (a) By ~~January~~ August 15 of each year, an institution awarded a grant
 84.11 under this section must prepare for the ~~legislature and the board~~ a detailed report regarding
 84.12 the expenditure of grant funds, including the amounts used to recruit, retain, and ~~induct~~
 84.13 support teacher candidates of color or ~~who are~~ American Indian teacher candidates to
 84.14 complete programs and be recommended for licensure. The report must include:

84.15 (1) the total number of teacher candidates of color, ~~disaggregated by race or ethnic group,~~
 84.16 ~~who~~ and American Indian teacher candidates who:

84.17 (i) are enrolled in the institution;

84.18 (ii) are supported by grant funds with direct financial assistance during the academic
 84.19 reporting year;

84.20 (iii) are supported with other programmatic supports;

84.21 (iv) are recruited ~~to the institution, are and~~ newly admitted to ~~the~~ a licensure program;
 84.22 ~~are enrolled in the;~~

84.23 (v) are enrolled in a licensure program;

84.24 (vi) have completed a licensure program, ~~have completed student teaching, have~~
 84.25 ~~graduated, are licensed, and are newly employed as Minnesota teachers in their licensure~~
 84.26 ~~field. A grant recipient must report; and~~

84.27 (vii) were recommended for licensure in the field for which they were prepared;

84.28 (2) the total number of teacher candidates of color or ~~who are~~ American Indian teacher
 84.29 candidates at each stage from ~~recruitment~~ program admission to ~~licensed teaching~~ licensure
 84.30 recommendation as a percentage of ~~total~~ all candidates seeking the same licensure at the
 84.31 institution-; and

(3) a brief narrative describing the successes and challenges of efforts proposed in the grant application to support candidates with grant funds, and lessons learned for future efforts.

(b) By November 1 of each year, the board must post a report on its website summarizing the activities and outcomes of grant recipients and results that promote sharing of effective practices and lessons learned among grant recipients.

Sec. 13. Minnesota Statutes 2022, section 122A.70, is amended to read:

122A.70 TEACHER MENTORSHIP AND RETENTION OF EFFECTIVE TEACHERS.

Subdivision 1. **Teacher mentoring, induction, and retention programs.** (a) School districts must develop teacher mentoring programs for teachers new to the profession or district, including teaching residents, teachers of color, teachers who are American Indian, teachers in license shortage areas, teachers with special needs, or experienced teachers in need of peer coaching.

(b) Teacher mentoring programs must be included in or aligned with districts' teacher evaluation and peer review processes under sections 122A.40, subdivision 8, and 122A.41, subdivision 5. A district may use staff development revenue under section 122A.61, special grant programs established by the legislature, or another funding source to pay a stipend to a mentor who may be a current or former teacher who has taught at least three years and is not on an improvement plan. ~~Other initiatives using such funds or funds available under sections 124D.861 and 124D.862 may include:~~

~~(1) additional stipends as incentives to mentors of color or who are American Indian;~~

~~(2) financial supports for professional learning community affinity groups across schools within and between districts for teachers from underrepresented racial and ethnic groups to come together throughout the school year. For purposes of this section, "affinity groups" are groups of educators who share a common racial or ethnic identity in society as persons of color or who are American Indian;~~

~~(3) programs for induction aligned with the district or school mentorship program during the first three years of teaching, especially for teachers from underrepresented racial and ethnic groups; or~~

~~(4) grants supporting licensed and nonlicensed educator participation in professional development, such as workshops and graduate courses, related to increasing student~~

86.5 ~~teachers of color and teachers who are American Indian. Retention strategies may include~~
86.6 ~~providing financial incentives for teachers of color and teachers who are American Indian~~
86.7 ~~to work in the school or district for at least five years and placing American Indian educators~~
86.8 ~~at sites with other American Indian educators and educators of color at sites with other~~
86.9 ~~educators of color to reduce isolation and increase opportunity for collegial support.~~

86.10 Subd. 2. **Board grants.** The Professional Educator Licensing and Standards Board must
86.11 make grant application forms available to sites interested in developing, sustaining, or
86.12 expanding a mentorship program. A school district; ~~a~~ or group of school districts; ~~a coalition~~
86.13 ~~of districts, teachers, and teacher education institutions; or,~~ a school or coalition of schools,
86.14 or a coalition of teachers, or nonlicensed educators may apply for a program grant. A higher
86.15 education institution or nonprofit organization may partner with a grant applicant but is not
86.16 eligible as a sole applicant for grant funds. The Professional Educator Licensing and
86.17 Standards Board, in consultation with the teacher mentoring task force, must approve or
86.18 disapprove the applications. To the extent possible, the approved applications must reflect
86.19 effective mentoring, professional development, and retention components, and be
86.20 geographically distributed throughout the state. The Professional Educator Licensing and
86.21 Standards Board must encourage the selected sites to consider the use of its assessment
86.22 procedures.

86.26 (2) financial supports for professional learning community affinity groups across schools
86.27 within and between districts for educators from underrepresented racial and ethnic groups
86.28 to come together throughout the school year. For purposes of this section, "affinity groups"
86.29 means groups of licensed and nonlicensed educators who share a common racial or ethnic
86.30 identity in society as persons who are of color or who are American Indian;

86.31 (3) programs for induction aligned with the district or school mentorship program during
86.32 the first three years of teaching, especially for teachers from underrepresented racial and
86.33 ethnic groups;

87.1 (4) professional development focused on ways to close opportunity and achievement
87.2 gaps for students of color and American Indian students; or

87.3 (5) for teachers of color and American Indian teachers, graduate courses toward a first
87.4 master's degree in a field related to their licensure or toward an additional license.

87.5 (b) A charter school or district that receives a grant must negotiate additional retention
87.6 strategies or protection from unrequested leaves of absence in the beginning years of
87.7 employment for teachers who are of color or who are American Indian. Retention strategies
87.8 may include providing financial incentives for teachers of color and teachers who are
87.9 American Indian to work in the school or district for at least five years and placing American
87.10 Indian educators at sites with other American Indian educators and educators of color at
87.11 sites with other educators of color to reduce isolation and increase opportunity for collegial
87.12 support.

87.13 Subd. 3. **Criteria for selection.** (a) At a minimum, applicants for grants under subdivision
87.14 2 must express commitment to:

87.15 (1) allow staff participation;

87.21 (7) share findings, materials, and techniques with other school districts; and

87.22 (8) retain teachers of color and teachers who are American Indian.

87.23 (b) The Professional Educator Licensing and Standards Board must give priority to
87.24 applications to fund programs to induct, mentor, and retain Tier 2 or Tier 3 teachers who
87.25 are of color or who are American Indian, and Tier 2 or Tier 3 teachers in licensure shortage
87.26 areas within the applicant's economic development region.

87.27 Subd. 4. **Additional funding.** Grant applicants must seek additional funding and
87.28 assistance from sources such as school districts, postsecondary institutions, foundations,
87.29 and the private sector.

87.30 Subd. 5. **Program implementation.** A grant recipient may use grant funds on
87.31 implementing activities over a period of time up to 24 months. New and expanding

88.1 mentorship sites that receive a board grant under subdivision 2 to design, develop, implement,
88.2 and evaluate their program must participate in activities that support program development
88.3 and implementation.

88.4 Subd. 6. **Report.** By ~~June~~ September 30 of each year after receiving a grant, recipients
88.5 must submit a report to the Professional Educator Licensing and Standards Board on program
88.6 efforts that describes mentoring and induction activities and assesses the impact of these
88.7 programs on teacher effectiveness and retention. The board must publish a summary report
88.8 for the public and submit the report to the committees of the legislature with jurisdiction

88.11 Sec. 14. Minnesota Statutes 2022, section 122A.73, subdivision 2, is amended to read:

88.12 Subd. 2. **Grow Your Own district programs.** (a) A school district, charter school,
88.13 cooperative unit under section 123A.24, subdivision 2, or Head Start program under section
88.14 119A.50 may apply for a grant ~~for~~ to partner with a Professional Educator Licensing and
88.15 Standards Board-approved teacher preparation program at the undergraduate or
88.16 postbaccalaureate level. Partnerships may also include associate's degree-granting institutions
88.17 to support students in early childhood or education programs that have transfer agreements
88.18 with board-approved preparation programs at colleges or universities. The grant recipient
88.19 must use at least 80 percent of grant funds to provide tuition scholarships or stipends to
88.20 enable school district employees or community members affiliated with a school district,

88.25 district for a reasonable amount of time that does not exceed five years.

88.28 a grant amount.

88.29 **EFFECTIVE DATE.** This section is effective July 1, 2024.

88.30 Sec. 15. Minnesota Statutes 2022, section 122A.73, subdivision 3, is amended to read:

105.10 transportation category must be excluded in calculating the actual expenditure per pupil
105.11 transported in the regular and excess transportation categories according to paragraph (a).
105.12 For purposes of subitem (A), a school district may transport a child who does not have a

(b) To be designated, a state-approved alternative program must demonstrate to the commissioner that it will:

(1) provide a program of instruction that permits pupils to receive instruction throughout the entire year; and

(2) develop and maintain a separate record system that, for purposes of section 126C.05, permits identification of membership attributable to pupils participating in the program.

The record system and identification must ensure that the program will not have the effect of increasing the total average daily membership attributable to an individual pupil as a result of a learning year program. The record system must include the date the pupil originally enrolled in a learning year program, the pupil's grade level, the date of each grade promotion, the average daily membership generated in each grade level, the number of credits or standards earned, and the number needed to graduate.

(c) A student who has not completed a school district's graduation requirements may continue to enroll in courses the student must complete in order to graduate until the student satisfies the district's graduation requirements or the student is 21 years old, whichever comes first. A student with a disability as set forth in section 125A.02 may continue to enroll in courses until the student graduates with a regular high school diploma or the student is 22 years old, whichever comes first.

Sec. 6. Minnesota Statutes 2022, section 124D.68, subdivision 2, is amended to read:

107.6 (11) has withdrawn from school or has been chronically truant; or

107.7 (12) is being treated in a hospital in the seven-county metropolitan area for cancer or
107.8 other life threatening illness or is the sibling of an eligible pupil who is being currently
107.9 treated, and resides with the pupil's family at least 60 miles beyond the outside boundary
107.10 of the seven-county metropolitan area.

107.11 (b) A pupil otherwise qualifying under paragraph (a) who is at least 21 years of age and
107.12 not yet 22 years of age, and is an English learner with an interrupted formal education

107.17 Sec. 7. Minnesota Statutes 2022, section 125A.03, is amended to read:

107.18 **125A.03 SPECIAL INSTRUCTION FOR CHILDREN WITH A DISABILITY.**

107.19 (a) As defined in paragraph (b), every district must provide special instruction and
107.20 services, either within the district or in another district, for all children with a disability,
107.21 including providing required services under Code of Federal Regulations, title 34, section
107.22 300.121, paragraph (d), to those children suspended or expelled from school for more than
107.23 ten school days in that school year, who are residents of the district and who are disabled
107.24 as set forth in section 125A.02. For purposes of state and federal special education laws,
107.25 the phrase "special instruction and services" in the state Education Code means a free and
107.26 appropriate public education provided to an eligible child with disabilities. "Free appropriate
107.27 public education" means special education and related services that:

107.28 (1) are provided at public expense, under public supervision and direction, and without
107.29 charge;

107.30 (2) meet the standards of the state, including the requirements of the Individuals with
107.31 Disabilities Education Act, Part B or C;

108.1 (3) include an appropriate preschool, elementary school, or secondary school education;
108.2 and

108.3 (4) are provided to children ages three through 21 in conformity with an individualized
108.4 education program that meets the requirements of the Individuals with Disabilities Education
108.5 Act, subpart A, sections 300.320 to 300.324, and provided to infants and toddlers in
108.6 conformity with an individualized family service plan that meets the requirements of the
108.7 Individuals with Disabilities Education Act, subpart A, sections 303.300 to 303.346.

108.8 (b) Notwithstanding any age limits in laws to the contrary, special instruction and services
108.9 must be provided from birth ~~until July 1 after the child with a disability becomes 21 years~~
108.10 ~~old~~ until the child with a disability becomes 22 years old but shall not extend beyond
108.11 secondary school or its equivalent, except as provided in section 124D.68, subdivision 2.
108.12 Local health, education, and social service agencies must refer children under age five who
108.13 are known to need or suspected of needing special instruction and services to the school
108.14 district. Districts with less than the minimum number of eligible children with a disability
108.15 as determined by the commissioner must cooperate with other districts to maintain a full
108.16 range of programs for education and services for children with a disability. This section
108.17 does not alter the compulsory attendance requirements of section 120A.22.

108.18 (c) At the board's discretion, a school district that participates in a reciprocity agreement
108.19 with a neighboring state under section 124D.041 may enroll and provide special instruction
108.20 and services to a child from an adjoining state whose family resides at a Minnesota address
108.21 as assigned by the United States Postal Service if the district has completed child
108.22 identification procedures for that child to determine the child's eligibility for special education
108.23 services, and the child has received developmental screening under sections 121A.16 to
108.24 121A.19.

108.25 Sec. 8. Minnesota Statutes 2022, section 125A.08, is amended to read:

108.26 **125A.08 INDIVIDUALIZED EDUCATION PROGRAMS.**

108.27 (a) At the beginning of each school year, each school district shall have in effect, for
108.28 each child with a disability, an individualized education program.

108.29 (b) As defined in this section, every district must ensure the following:

108.30 (1) all students with disabilities are provided the special instruction and services which
108.31 are appropriate to their needs. Where the individualized education program team has
108.32 determined appropriate goals and objectives based on the student's needs, including the
108.33 extent to which the student can be included in the least restrictive environment, and where

109.1 there are essentially equivalent and effective instruction, related services, or assistive
109.2 technology devices available to meet the student's needs, cost to the district may be among
109.3 the factors considered by the team in choosing how to provide the appropriate services,
109.4 instruction, or devices that are to be made part of the student's individualized education
109.5 program. The individualized education program team shall consider and may authorize
109.6 services covered by medical assistance according to section 256B.0625, subdivision 26.
109.7 Before a school district evaluation team makes a determination of other health disability
109.8 under Minnesota Rules, part 3525.1335, subparts 1 and 2, item A, subitem (1), the evaluation
109.9 team must seek written documentation of the student's medically diagnosed chronic or acute
109.10 health condition signed by a licensed physician or a licensed health care provider acting
109.11 within the scope of the provider's practice. The student's needs and the special education
109.12 instruction and services to be provided must be agreed upon through the development of
109.13 an individualized education program. The program must address the student's need to develop
109.14 skills to live and work as independently as possible within the community. The individualized
109.15 education program team must consider positive behavioral interventions, strategies, and
109.16 supports that address behavior needs for children. During grade 9, the program must address
109.17 the student's needs for transition from secondary services to postsecondary education and
109.18 training, employment, community participation, recreation, and leisure and home living. In
109.19 developing the program, districts must inform parents of the full range of transitional goals
109.20 and related services that should be considered. The program must include a statement of
109.21 the needed transition services, including a statement of the interagency responsibilities or
109.22 linkages or both before secondary services are concluded. If the individualized education
109.23 program meets the plan components in section 120B.125, the individualized education
109.24 program satisfies the requirement and no additional transition plan is needed;

109.25 (2) children with a disability under age five and their families are provided special
109.26 instruction and services appropriate to the child's level of functioning and needs;

109.27 (3) children with a disability and their parents or guardians are guaranteed procedural
109.28 safeguards and the right to participate in decisions involving identification, assessment
109.29 including assistive technology assessment, and educational placement of children with a
109.30 disability;

109.31 (4) eligibility and needs of children with a disability are determined by an initial
109.32 evaluation or reevaluation, which may be completed using existing data under United States
109.33 Code, title 20, section 33, et seq.;

109.34 (5) to the maximum extent appropriate, children with a disability, including those in
109.35 public or private institutions or other care facilities, are educated with children who are not

110.1 disabled, and that special classes, separate schooling, or other removal of children with a
110.2 disability from the regular educational environment occurs only when and to the extent that
110.3 the nature or severity of the disability is such that education in regular classes with the use
110.4 of supplementary services cannot be achieved satisfactorily;

110.5 (6) in accordance with recognized professional standards, testing and evaluation materials,
110.6 and procedures used for the purposes of classification and placement of children with a
110.7 disability are selected and administered so as not to be racially or culturally discriminatory;
110.8 and

110.9 (7) the rights of the child are protected when the parents or guardians are not known or
110.10 not available, or the child is a ward of the state.

110.11 (c) For all paraprofessionals employed to work in programs whose role in part is to
110.12 provide direct support to students with disabilities, the school board in each district shall
110.13 ensure that:

110.14 (1) before or beginning at the time of employment, each paraprofessional must develop
110.15 sufficient knowledge and skills in emergency procedures, building orientation, roles and
110.16 responsibilities, confidentiality, vulnerability, and reportability, among other things, to begin
110.17 meeting the needs, especially disability-specific and behavioral needs, of the students with
110.18 whom the paraprofessional works;

110.19 (2) before beginning work alone with an individual student with a disability, the assigned
110.20 paraprofessional must be either given paid time, or time during the school day, to review a
110.21 student's individualized education program or be briefed on the student's specific needs by
110.22 appropriate staff;

110.23 ~~(2)~~ (3) annual training opportunities are required to enable the paraprofessional to
110.24 continue to further develop the knowledge and skills that are specific to the students with
110.25 whom the paraprofessional works, including understanding disabilities, the unique and
110.26 individual needs of each student according to the student's disability and how the disability
110.27 affects the student's education and behavior, following lesson plans, and implementing
110.28 follow-up instructional procedures and activities; ~~and~~

110.29 (4) a minimum of 16 hours of paid orientation or professional development must be
110.30 provided annually to all paraprofessionals, Title I aides, and other instructional support
110.31 staff. Eight of the 16 hours must be completed before the first instructional day of the school
110.32 year or within 30 days of hire. The orientation or professional development must be relevant
110.33 to the employee's occupation and may include collaboration time with classroom teachers
110.34 and planning for the school year. For paraprofessionals who provide direct support to

111.1 students, at least 50 percent of the professional development or orientation must be dedicated
111.2 to meeting the requirements of this section. Professional development for paraprofessionals
111.3 may also address the requirements of section 120B.363, subdivision 3. A school administrator
111.4 must provide an annual certification of compliance with this requirement to the commissioner.
111.5 The annual certification must include the prior year expenses associated with the training
111.6 provided under this clause; and

111.7 ~~(3)~~ (5) a districtwide process obligates each paraprofessional to work under the ongoing
111.8 direction of a licensed teacher and, where appropriate and possible, the supervision of a
111.9 school nurse.

111.10 (d) A school district may conduct a functional behavior assessment as defined in
111.11 Minnesota Rules, part 3525.0210, subpart 22, as a stand-alone evaluation without conducting
111.12 a comprehensive evaluation of the student in accordance with prior written notice provisions
111.13 in section 125A.091, subdivision 3a. A parent or guardian may request that a school district
111.14 conduct a comprehensive evaluation of the parent's or guardian's student.

111.15 Sec. 9. Minnesota Statutes 2022, section 125A.76, subdivision 2e, is amended to read:

111.16 Subd. 2e. **Cross subsidy reduction aid.** (a) A school district's annual cross subsidy
111.17 reduction aid equals the school district's initial special education cross subsidy for the
111.18 previous fiscal year times the cross subsidy aid factor for that fiscal year.

111.19 (b) The cross subsidy aid factor equals ~~2.6 percent for fiscal year 2020 and 6.43 percent~~
111.20 ~~for fiscal year 2021~~ 40 percent for fiscal year 2024, 47.3 percent for fiscal year 2025, and
111.21 60 percent for fiscal year 2026 and later.

111.22 **EFFECTIVE DATE.** This section is effective for revenue for fiscal year 2024 and later.

111.24 **AID.**

111.25 Subdivision 1. **Definition.** For purposes of this section, "special education separate site
111.26 and program" means a public separate day school facility attended by students with
111.27 disabilities for 50 percent or more of their school day.

111.28 Subd. 2. **Eligibility for special education separate sites and programs aid.** An
111.29 education cooperative under section 471.59, education district under section 123A.15,

111.31 136D.01 qualifies for additional state funding to special education separate sites and programs

112.1 for every kindergarten through grade 12 child with a disability, as defined in section 125A.02,
112.2 served in a special education separate site or program as defined in subdivision 1.

112.3 Subd. 3. **Uses of special education separate sites and programs aid.** Additional state
112.4 funding to special education separate sites and programs under this section may be used for

112.12 Subd. 26. **Special education services.** (a) Medical assistance covers evaluations necessary
112.13 in making a determination for eligibility for individualized education program and
112.14 individualized family service plan services and for medical services identified in a recipient's
112.15 individualized education program and individualized family service plan and covered under
112.16 the medical assistance state plan. Covered services include occupational therapy, physical
112.17 therapy, speech-language therapy, clinical psychological services, nursing services, school
112.18 psychological services, school social work services, personal care assistants serving as
112.19 management aides, assistive technology devices, transportation services, health assessments,
112.20 and other services covered under the medical assistance state plan. Mental health services
112.21 eligible for medical assistance reimbursement must be provided or coordinated through a
112.22 children's mental health collaborative where a collaborative exists if the child is included
112.23 in the collaborative operational target population. The provision or coordination of services
112.24 does not require that the individualized education program be developed by the collaborative.

112.25 The services may be provided by a Minnesota school district that is enrolled as a medical
112.26 assistance provider or its subcontractor, and only if the services meet all the requirements
112.27 otherwise applicable if the service had been provided by a provider other than a school
112.28 district, in the following areas: medical necessity; physician's, advanced practice registered
112.29 nurse's, or physician assistant's orders; documentation; personnel qualifications; and prior
112.30 authorization requirements. The nonfederal share of costs for services provided under this
112.31 subdivision is the responsibility of the local school district as provided in section 125A.74.
112.32 Services listed in a child's individualized education program are eligible for medical
112.33 assistance reimbursement only if those services meet criteria for federal financial participation
112.34 under the Medicaid program.

113.1 (b) Approval of health-related services for inclusion in the individualized education
113.2 program does not require prior authorization for purposes of reimbursement under this
113.3 chapter. The commissioner may require physician, advanced practice registered nurse, or
113.4 physician assistant review and approval of the plan not more than once annually or upon
113.5 any modification of the individualized education program that reflects a change in
113.6 health-related services.

113.7 (c) Services of a speech-language pathologist provided under this section are covered
113.8 notwithstanding Minnesota Rules, part 9505.0390, subpart 1, item L, if the person:

113.9 (1) holds a masters degree in speech-language pathology;

113.10 (2) is licensed by the Professional Educator Licensing and Standards Board as an
113.11 educational speech-language pathologist; and

113.12 (3) either has a certificate of clinical competence from the American Speech and Hearing
113.13 Association, has completed the equivalent educational requirements and work experience
113.14 necessary for the certificate or has completed the academic program and is acquiring
113.15 supervised work experience to qualify for the certificate.

113.16 (d) Medical assistance coverage for medically necessary services provided under other
113.17 subdivisions in this section may not be denied solely on the basis that the same or similar
113.18 services are covered under this subdivision.

113.19 (e) The commissioner shall develop and implement package rates, bundled rates, or per
113.20 diem rates for special education services under which separately covered services are grouped
113.21 together and billed as a unit in order to reduce administrative complexity.

113.22 (f) The commissioner shall develop a cost-based payment structure for payment of these
113.23 services. Only costs reported through the designated Minnesota Department of Education
113.24 data systems in distinct service categories qualify for inclusion in the cost-based payment
113.25 structure. The commissioner shall reimburse claims submitted based on an interim rate, and
113.26 shall settle at a final rate once the department has determined it. The commissioner shall
113.27 notify the school district of the final rate. The school district has 60 days to appeal the final
113.28 rate. To appeal the final rate, the school district shall file a written appeal request to the
113.29 commissioner within 60 days of the date the final rate determination was mailed. The appeal
113.30 request shall specify (1) the disputed items and (2) the name and address of the person to
113.31 contact regarding the appeal.

(g) Effective July 1, 2000, medical assistance services provided under an individualized education program or an individual family service plan by local school districts shall not count against medical assistance authorization thresholds for that child.

(h) Nursing services as defined in section 148.171, subdivision 15, and provided as an individualized education program health-related service, are eligible for medical assistance payment if they are otherwise a covered service under the medical assistance program. Medical assistance covers the administration of prescription medications by a licensed nurse who is employed by or under contract with a school district when the administration of medications is identified in the child's individualized education program. The simple administration of medications alone is not covered under medical assistance when administered by a provider other than a school district or when it is not identified in the child's individualized education program.

(i) School social work services provided by a mental health professional, as defined in section 245I.04, subdivision 2, or mental health practitioner, as defined in section 245I.04, subdivision 4, under the supervision of a mental health professional, are eligible for medical assistance payment. A mental health practitioner performing school social work services under this section must provide services within the mental health practitioner's licensure scope of practice, if applicable, and within the mental health practitioner scope of practice under section 245I.04, subdivision 5.

(j) Notwithstanding Minnesota Rules, part 9505.0371, a special education evaluation, individualized education program, or individual family service plan may be used to determine medical necessity and eligibility for school social work services under paragraph (i) instead of a diagnostic assessment if the special education evaluation, individualized education program, or individual family service plan includes a sign, symptom, or condition ICD-10-CM code for the student.

(k) A school social worker or school providing mental health services under paragraph (i) is not required to be certified to provide children's therapeutic services and supports under section 256B.0943.

(l) Covered mental health services provided by a school social worker under paragraph (i) include but are not limited to:

(1) administering and reporting standardized measures;

(2) care coordination;

(3) children's mental health crisis assistance, planning, and response services;

115.1 (4) children's mental health clinical care consultation;

ARTICLE 6**FACILITIES**

Section 1. Minnesota Statutes 2022, section 123B.595, subdivision 3, is amended to read:

Subd. 3. **Intermediate districts and other cooperative units.** (a) Upon approval through the adoption of a resolution by each member district school board of an intermediate district or other cooperative ~~units~~ unit under section 123A.24, subdivision 2, or a joint powers district under section 471.59, and the approval of the commissioner of education, a school district may include in its authority under this section a proportionate share of the long-term maintenance costs of the intermediate district ~~or~~ cooperative unit, or joint powers district. The cooperative unit or joint powers district may issue bonds to finance the project costs or levy for the costs; using long-term maintenance revenue transferred from member districts to make debt service payments or pay project costs or, for leased facilities, pay the portion of lease costs attributable to the amortized cost of long-term facilities maintenance projects completed by the landlord. Authority under this subdivision is in addition to the authority for individual district projects under subdivision 1.

(b) The resolution adopted under paragraph (a) may specify which member districts will share the project costs under this subdivision, except that debt service payments for bonds issued by a cooperative unit or joint powers district to finance long-term maintenance project costs must be the responsibility of all member districts.

EFFECTIVE DATE. This section is effective for revenue for fiscal year 2025 and later.

Sec. 2. Minnesota Statutes 2022, section 126C.40, subdivision 1, is amended to read:

Subdivision 1. **To lease building or land.** (a) When an independent or a special school district or a group of independent or special school districts finds it economically advantageous to rent or lease a building or land for any instructional purposes or for school storage or furniture repair, and it determines that the operating capital revenue authorized under section 126C.10, subdivision 13, is insufficient for this purpose, it may apply to the commissioner for permission to make an additional capital expenditure levy for this purpose. An application for permission to levy under this subdivision must contain financial justification for the proposed levy, the terms and conditions of the proposed lease, and a description of the space to be leased and its proposed use.

(b) The criteria for approval of applications to levy under this subdivision must include: the reasonableness of the price, the appropriateness of the space to the proposed activity, the feasibility of transporting pupils to the leased building or land, conformity of the lease

to the laws and rules of the state of Minnesota, and the appropriateness of the proposed lease to the space needs and the financial condition of the district. The commissioner must not authorize a levy under this subdivision in an amount greater than the cost to the district of renting or leasing a building or land for approved purposes. The proceeds of this levy must not be used for custodial or other maintenance services. A district may not levy under this subdivision for the purpose of leasing or renting a district-owned building or site to itself.

(c) For agreements finalized after July 1, 1997, a district may not levy under this subdivision for the purpose of leasing: (1) a newly constructed building used primarily for regular kindergarten, elementary, or secondary instruction; or (2) a newly constructed building addition or additions used primarily for regular kindergarten, elementary, or secondary instruction that contains more than 20 percent of the square footage of the previously existing building.

(d) Notwithstanding paragraph (b), a district may levy under this subdivision for the purpose of leasing or renting a district-owned building or site to itself only if the amount is needed by the district to make payments required by a lease purchase agreement, installment purchase agreement, or other deferred payments agreement authorized by law, and the levy meets the requirements of paragraph (c). A levy authorized for a district by the commissioner under this paragraph may be in the amount needed by the district to make payments required by a lease purchase agreement, installment purchase agreement, or other deferred payments agreement authorized by law, provided that any agreement include a provision giving the school districts the right to terminate the agreement annually without penalty.

(e) The total levy under this subdivision for a district for any year must not exceed \$212 times the adjusted pupil units for the fiscal year to which the levy is attributable.

(f) For agreements for which a review and comment have been submitted to the Department of Education after April 1, 1998, the term "instructional purpose" as used in this subdivision excludes expenditures on stadiums.

(g) The commissioner of education may authorize a school district to exceed the limit in paragraph (e) if the school district petitions the commissioner for approval. The commissioner shall grant approval to a school district to exceed the limit in paragraph (e) for not more than five years if the district meets the following criteria:

(1) the school district has been experiencing pupil enrollment growth in the preceding five years;

(2) the purpose of the increased levy is in the long-term public interest;

(3) the purpose of the increased levy promotes colocation of government services; and

(4) the purpose of the increased levy is in the long-term interest of the district by avoiding over construction of school facilities.

(h) A school district that is a member of an intermediate school district or other cooperative unit under section 123A.24, subdivision 2, or a joint powers district under section 471.59 may include in its authority under this section the costs associated with leases of administrative and classroom space for ~~intermediate school district programs~~ of the intermediate school district or other cooperative unit under section 123A.24, subdivision 2, or joint powers district under section 471.59. This authority must not exceed \$65 times the adjusted pupil units of the member districts. This authority is in addition to any other authority authorized under this section. The intermediate school district, other cooperative unit, or joint powers district may specify which member districts will levy for lease costs under this paragraph.

~~(i) In addition to the allowable capital levies in paragraph (a), for taxes payable in 2012 to 2023, a district that is a member of the "Technology and Information Education Systems" data processing joint board, that finds it economically advantageous to enter into a lease agreement to finance improvements to a building and land for a group of school districts or special school districts for staff development purposes, may levy for its portion of lease costs attributed to the district within the total levy limit in paragraph (e). The total levy authority under this paragraph shall not exceed \$632,000.~~

~~(j)~~ (i) Notwithstanding paragraph (a), a district may levy under this subdivision for the purpose of leasing administrative space if the district can demonstrate to the satisfaction of the commissioner that the lease cost for the administrative space is no greater than the lease cost for instructional space that the district would otherwise lease. The commissioner must deny this levy authority unless the district passes a resolution stating its intent to lease instructional space under this section if the commissioner does not grant authority under this paragraph. The resolution must also certify that the lease cost for administrative space under this paragraph is no greater than the lease cost for the district's proposed instructional lease.

(j) Notwithstanding paragraph (a), a district may levy under this subdivision for the district's proportionate share of deferred maintenance expenditures for a district-owned building or site leased to a cooperative unit under section 123A.24, subdivision 2, or a joint powers district under section 471.59 for any instructional purposes or for school storage.

EFFECTIVE DATE. This section is effective for revenue for fiscal year 2025 and later.

120.9 (2) annually levy the amounts necessary to pay the district's obligations under the
120.10 installment contract or lease purchase agreement.

120.11 (b) The obligation created by the installment contract or the lease purchase agreement
120.12 must not be included in the calculation of net debt for purposes of section 475.53, and does
120.13 not constitute debt under other law. An election is not required in connection with the
120.14 execution of the installment contract or the lease purchase agreement.

120.15 (c) The proceeds of the levy authorized by this subdivision must not be used to acquire
120.16 a facility to be primarily used for athletic or school administration purposes.

120.17 (d) For the purposes of this subdivision, "district" means:

120.18 (1) Special School District No. 1, Minneapolis, Independent School District No. 625,
120.19 St. Paul, Independent School District No. 709, Duluth, or Independent School District No.

120.23 the commissioner to contribute to the implementation of the desegregation plan; or

120.24 (2) other districts eligible for revenue under section 124D.862 if the facility acquired
120.25 under this subdivision is to be primarily used for a joint program for interdistrict
120.26 desegregation and the commissioner determines that the joint programs are being undertaken
120.27 to implement the districts' desegregation plan.

120.28 (e) Notwithstanding subdivision 1, the prohibition against a levy by a district to lease
120.29 or rent a district-owned building to itself does not apply to levies otherwise authorized by
120.30 this subdivision.

120.31 (f) For the purposes of this subdivision, any references in subdivision 1 to building or
120.32 land shall include personal property.

121.1 (g) This subdivision is subject to review and comment under section 123B.71, subdivision
121.2 8.

129.26 **119A.52 DISTRIBUTION OF APPROPRIATION.**

129.27 (a) The commissioner of education must distribute money appropriated for that purpose
129.28 to federally designated Head Start programs to expand services and to serve additional
129.29 low-income children. ~~Migrant and Indian reservation programs must be initially allocated~~
129.30 ~~money based on the programs' share of federal funds.~~ which may include costs associated

130.1 with program operations, infrastructure, or reconfiguration to serve children from birth to
130.2 age five in center-based services. The distribution must occur in the following order: (1)
130.3 10.72 percent of the total Head Start appropriation must be initially allocated to federally
130.4 designated Tribal Head Start programs; (2) the Tribal Head Start portion of the appropriation
130.5 must be initially allocated to Tribal Head Start programs based on the programs' share of
130.6 federal funds; and (3) migrant programs must be initially allocated funding based on the
130.7 programs' share of federal funds. The remaining money must be initially allocated to the
130.8 remaining local agencies based equally on the agencies' share of federal funds and on the
130.9 proportion of eligible children in the agencies' service area who are not currently being
130.10 served. A Head Start program must be funded at a per child rate equal to its contracted,
130.11 federally funded base level at the start of the fiscal year. For all agencies without a federal
130.12 Early Head Start rate, the state average federal cost per child for Early Head Start applies.
130.13 In allocating funds under this paragraph, the commissioner of education must assure that
130.14 each Head Start program in existence in 1993 is allocated no less funding in any fiscal year
130.15 than was allocated to that program in fiscal year 1993. Before paying money to the programs,
130.16 the commissioner must notify each program of its initial allocation and how the money must
130.17 be used. Each program must present a plan under section 119A.535. For any program that
130.18 cannot utilize its full allocation at the beginning of the fiscal year, the commissioner must
130.19 reduce the allocation proportionately. Money available after the initial allocations are reduced
130.20 must be redistributed to eligible programs.

130.21 (b) The commissioner must develop procedures to make payments to programs based
130.22 upon the number of children reported to be enrolled during the required time period of
130.23 program operations. Enrollment is defined by federal Head Start regulations. The procedures
130.24 must include a reporting schedule, corrective action plan requirements, and financial
130.25 consequences to be imposed on programs that do not meet full enrollment after the period
130.26 of corrective action. Programs reporting chronic underenrollment, as defined by the
130.27 commissioner, will have their subsequent program year allocation reduced proportionately.
130.28 Funds made available by prorating payments and allocations to programs with reported
130.29 underenrollment will be made available to the extent funds exist to fully enrolled Head Start
130.30 programs through a form and manner prescribed by the department.

130.31 (c) Programs with approved innovative initiatives that target services to high-risk
130.32 populations, including homeless families and families living in homeless shelters and
130.33 transitional housing, are exempt from the procedures in paragraph (b). This exemption does
130.34 not apply to entire programs. The exemption applies only to approved innovative initiatives

131.9 kindergarten; and (4) ~~\$30~~ \$39 for a student screened within 30 days after first enrolling in
131.10 a public school kindergarten if the student has not previously been screened according to
131.11 the requirements of section 121A.17. If this amount of aid is insufficient, the district may
131.12 permanently transfer from the general fund an amount that, when added to the aid, is
131.13 sufficient. Developmental screening aid shall not be paid for any student who is screened
131.14 more than 30 days after the first day of attendance at a public school kindergarten, except
131.15 if a student transfers to another public school kindergarten within 30 days after first enrolling
131.16 in a Minnesota public school kindergarten program. In this case, if the student has not been
131.17 screened, the district to which the student transfers may receive developmental screening
131.18 aid for screening that student when the screening is performed within 30 days of the transfer
131.19 date.

154.24 grant until adjournment of the next regular or special legislative session.
