1.10 13, article 2, sections 3 and 4; and Laws 2017, First Special Session chapter 6, article 18,  
1.11 section 13, is amended to read:

1.12 **Sec. 2. PAYMENT TO HEALTH CARRIERS ON BEHALF OF ELIGIBLE**  
1.13 **INDIVIDUALS.**

1.14 Subdivision 1. **Program established.** The commissioner of Minnesota Management  
1.15 and Budget, in consultation with the commissioner of commerce and the commissioner of  
1.16 human services, shall establish and administer the premium subsidy program authorized by  
1.17 this act, to help eligible individuals pay for coverage in the individual market in 2017 and  
1.18 2018.

1.19 Subd. 2. **Premium subsidy provided.** As soon as practicable, but no later than April  
1.20 30, 2017 of each calendar year, health carriers shall begin paying a premium subsidy to  
1.21 each eligible individual who purchases a health plan in the individual market, for all the  
1.22 months for which the net premium is paid. An eligible individual shall pay the net premium  
1.23 amount to the health carrier.

2.1 Subd. 3. **Payments to health carriers.** (a) The commissioner shall make payments to  
2.2 health carriers on behalf of eligible individuals effectuating coverage for calendar year 2017  
2.3 or 2018, for the months in that year for which the individual has paid the net premium  
2.4 amount to the health carrier. Payments to health carriers shall be based on the premium  
2.5 subsidy available to eligible individuals in the individual market, regardless of the cost of  
2.6 coverage purchased. The commissioner shall not withhold payments because a health carrier  
2.7 cannot prove an enrollee is an eligible individual.

2.8 (b) Health carriers seeking reimbursement from the commissioner must submit an invoice  
2.9 and supporting information to the commissioner, using a form developed by the  
2.10 commissioner, in order to be eligible for payment. The commissioner shall finalize the form  
2.11 by March 1, 2017.

2.12 (c) Total state payments to health carriers must be made within the limits of the available  
2.13 appropriation. The commissioner shall reimburse health carriers at the full requested amount  
2.14 up to the level of the appropriation. The commissioner, by July 15, ~~2017~~ of each calendar  
2.15 year, shall determine whether the available appropriation will be sufficient to provide  
2.16 premium subsidies equal to 25 percent of the gross premium for the period September 1,  
2.17 ~~2017~~, through December 31, ~~2017~~ of that calendar year. If the commissioner determines  
2.18 that the available appropriation is not sufficient, the commissioner shall reduce the premium  
2.19 subsidy percentage, beginning September 1, ~~2017~~, of that calendar year through the remainder  
2.20 of the calendar year, by an amount sufficient to ensure that the total amount of premium  
2.21 subsidies provided for the calendar year does not exceed the available appropriation. The  
2.22 commissioner shall notify health carriers of any reduced premium subsidy percentage within  
2.23 five days of making a determination. Health carriers shall provide enrollees with at least 30  
2.24 days' notice of any reduction in the premium subsidy percentage.

2.25 (d) The commissioner shall consider health carriers as vendors under Minnesota Statutes,  
2.26 section 16A.124, subdivision 3, and each monthly invoice shall represent the completed  
2.27 delivery of the service.

2.28 (e) The commissioner, with the November 2017 forecast, shall certify the extent to which  
2.29 appropriations exceed forecast obligations under this subdivision. Notwithstanding Laws  
2.30 2017, chapter 2, article 1, section 7, the estimated value of available funds, up to \$98,779,000,  
2.31 shall be canceled to the general fund. The cancellation in this paragraph shall be reduced  
2.32 by any difference in medical assistance expenditures estimated in the trend calculation under  
2.33 section 15.
