4.22 license holders of nursing facilities receiving rate adjustments under section 256B.441,
4.23 subdivision 55a, shall be responsible for paying the portion of nonfederal costs calculated
4.24 under section 256B.441, subdivision 55a, paragraph (d). Payments of the nonfederal share
4.25 shall be made monthly to the commissioner in amounts determined in accordance with
4.26 section 256B.441, subdivision 55a, paragraph (d). Payments for each month beginning
4.27 in January 2011 through September 2015 shall be due by the 15th day of the following
4.28 month. If any provider obligated to pay an amount under this subdivision is more than two
4.29 months delinquent in the timely payment of the monthly installment, the commissioner
4.30 may withhold payments, penalties, and interest in accordance with the methods outlined in
4.31 section 256.9657, subdivision 7a.

5.1 Sec. 5. Minnesota Statutes 2008, section 256B.441, is amended by adding a
5.2 subdivision to read:

5.3 Subd. 55a. **Alternative to phase-in for publicly owned nursing facilities.** (a) For
5.4 operating payment rates implemented between January 1, 2011, and September 30, 2015,
5.5 the commissioner shall allow nursing facilities whose physical plant is owned or whose
5.6 license is held by a city, county, or hospital district to apply for a higher payment rate
5.7 under this section if the local government entity agrees to pay a specified portion of the
5.8 nonfederal share of medical assistance costs. Nursing facilities that apply shall be eligible
5.9 to select an operating payment rate, with a weight of 1.00, up to the rate calculated in
5.10 subdivision 54, without application of the phase-in under subdivision 55. The rates for the
5.11 other RUG's levels shall be computed as provided under subdivision 54.

5.12 (b) Rates determined under this subdivision shall take effect beginning January 1,
5.13 2011, based on cost reports for the rate year ending September 30, 2009, and in future rate
5.14 years, rates determined for nursing facilities participating under this subdivision shall take
5.15 effect on October 1 of each year, based on the most recent available cost report.

5.16 (c) Eligible nursing facilities that wish to participate under this subdivision shall
5.17 make an application to the commissioner by September 30, 2010. Participation under this
5.18 subdivision is irrevocable. If paragraph (a) does not result in a rate greater than what
5.19 would have been provided without application of this subdivision, a facility's rates shall be
5.20 calculated as otherwise provided and no payment by the local government entity shall
5.21 be required under paragraph (d).

5.22 (d) For each participating nursing facility, the public entity that owns the physical
5.23 plant or is the license holder of the nursing facility shall pay to the state the entire
5.24 nonfederal share of medical assistance payments received as a result of the difference
5.25 between the nursing facility's payment rate under subdivision 54, paragraph (a), and
5.26 the rates that the nursing facility would otherwise be paid without application of this
5.27 subdivision under subdivision 55 as determined by the commissioner.

5.28 (e) The commissioner may, at any time, reduce the payments under this subdivision
5.29 based on the commissioner's determination that the payments shall cause nursing facility
5.30 rates to exceed the state's Medicare upper payment limit or any other federal limitation. If
5.31 the commissioner determines a reduction is necessary, the commissioner shall reduce all
5.32 payment rates for participating nursing facilities by a percentage applied to the amount of
5.33 increase they would otherwise receive under this subdivision and shall notify participating
5.34 facilities of the reductions. If payments to a nursing facility are reduced, payments under
5.35 section 256B.19, subdivision 1e, shall be reduced accordingly.

6.14 Subd. 3. **Standards adoption.** Notwithstanding Minnesota Statutes, sections
6.15 120B.021, subdivision 2, and 120B.023, any statutory criteria required when reviewing
6.16 or revising standards and benchmarks and any requirements governing the content of
6.17 statewide standards or any other law to the contrary, the commissioner of education shall
6.18 initially adopt the most recent standards developed by the National Association for Sport
6.19 and Physical Education for physical education in grades kindergarten through 12.

6.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

6.21 Sec. 8. **HEALTHY KIDS AWARDS PROGRAM.**

6.22 Subdivision 1. **Establishment.** The healthy kids awards program is established to
6.23 reward kindergarten through grade 12 schools that implement policies and practices that
6.24 create opportunities for students to be physically active and make healthy food choices
6.25 throughout the day. The program seeks to integrate physical activity into nonphysical
6.26 education classes, recess, and extracurricular activities throughout the day in addition to
6.27 the physical education received in physical education classes. The program also seeks to
6.28 integrate nutrition education and healthy food and beverage choices throughout the school
6.29 environment, including classrooms, cafeteria, vending, school stores, and fund-raising.

7.5 and applies beginning in the 2010-2011 school year and later.

7.6 Sec. 9. **EFFECTIVE UPON FEDERAL APPROVAL.**

7.7 Sections 4 and 5 shall be implemented only upon federal approval. The
7.8 commissioner of human services shall delay the effective date of sections 4 and 5
7.9 if necessary in order to avoid loss of enhanced federal Medicaid matching funds as
7.10 authorized by the American Recovery and Reinvestment Act of 2009 and extended by
7.11 any subsequent law.
