

SENATE
STATE OF MINNESOTA
NINETY-THIRD SESSION

S.F. No. 3034

(SENATE AUTHORS: RASMUSSEN)

DATE	D-PG	OFFICIAL STATUS
03/22/2023	2200	Introduction and first reading Referred to Energy, Utilities, Environment, and Climate

1.1A bill for an act

1.2relating to energy; exempting electricity generated outside the state from the

1.3requirement that a certain proportion of retail electricity be carbon-free by certain

1.4dates; amending Laws 2023, chapter 7, section 10.

1.5BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6Section 1. Laws 2023, chapter 7, section 10, is amended to read:

1.7Subd. 2g. **Carbon-free standard.** (a) In addition to the requirements under subdivisions

1.82a and 2f, each electric utility must generate or procure sufficient electricity generated from

1.9a carbon-free energy technology to provide the electric utility's retail customers in Minnesota,

1.10or the retail customers of a distribution utility to which the electric utility provides wholesale

1.11electric service, so that the electric utility generates or procures an amount of electricity

1.12from carbon-free energy technologies that is equivalent to at least the following standard

1.13percentages of the electric utility's total retail electric sales to retail customers in Minnesota

1.14by the end of the year indicated:

1.15(1) 2030 80 percent for public utilities; 60 percent for

1.16other electric utilities

1.17(2) 2035 90 percent for all electric utilities

1.18(3) 2040 100 percent for all electric utilities.

1.19(b) This subdivision does not apply to electricity generated by electric utilities located

1.20outside of Minnesota.

1.21**EFFECTIVE DATE** This section is effective the day following final enactment.
