3.8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

3.9 **ARTICLE 1**

3.10 **MISCELLANEOUS**

3.11 Section 1. Minnesota Statutes 2014, section 3.855, subdivision 4, is amended to read:

3.12 Subd. 4. **Other duties.** The commission shall:

3.13 (1) continually monitor the state's civil service system provided for in chapter 43A,
 3.14 rules of the commissioner of management and budget, and the collective bargaining
 3.15 process provided for in chapter 179A, as applied to state employees;

3.16 (2) research and analyze the need for improvements in those statutory sections;

3.17 (3) adopt rules consistent with this section relating to the scheduling and conduct of
 3.18 commission business and other organizational and procedural matters; and

3.19 (4) perform other related functions delegated to it by the legislature; and

3.20 ~~(5) adopt changes, as necessary, to the uniform collective bargaining agreement
 3.21 settlement document developed under section 179A.07, subdivision 7. Any modifications
 3.22 to the form approved by the commission must be submitted to the legislature in the same
 3.23 manner as compensation plans under subdivision 3.~~

3.24 Sec. 2. Minnesota Statutes 2014, section 3.8851, subdivision 1, is amended to read:

3.25 Subdivision 1. **Establishment.** (a) There is established a Legislative Energy
 3.26 Commission to study and to make recommendations for legislation concerning issues
 3.27 related to its duties under subdivision 3.

3.28 (b) The commission consists of:

3.29 (1) ten members of the house of representatives appointed by the speaker of the house,
 3.30 four of whom must be from the minority caucus, and including the chair of the committee
 3.31 with primary jurisdiction over energy policy; the chair or another member of each of the
 3.32 committees with primary jurisdiction over environmental policy, agricultural policy, and
 3.33 transportation policy; ~~and a legislator who is a member of the NextGen Energy Board; and~~

3.34 (2) ten members of the senate to be appointed by the Subcommittee on Committees,
 3.35 four of whom must be from the minority caucus, and including the chair of the committee
 3.36 with primary jurisdiction over energy policy; and the chair or another member of each of

4.1 the committees with primary jurisdiction over environmental policy, agricultural policy,
4.2 and transportation policy; ~~and a legislator who is a member of the NextGen Energy Board.~~

4.3 (c) The commission may employ full-time and part-time staff, contract for consulting
4.4 services, and may reimburse the expenses of persons requested to assist it in its duties.
4.5 The director of the Legislative Coordinating Commission shall assist the commission
4.6 in administrative matters. The commission shall elect cochairs, one member of the
4.7 house of representatives and one member of the senate from among the committee and
4.8 subcommittee chairs named to the commission. The commission members from the house
4.9 of representatives shall elect the house of representatives cochair, and the commission
4.10 members from the senate shall elect the senate cochair.

4.11 Sec. 3. Minnesota Statutes 2014, section 3A.02, subdivision 1, is amended to read:

4.12 Subdivision 1. **Qualifications.** (a) A former legislator is entitled, upon written
4.13 application to the director, to receive a retirement allowance monthly, if the person:

4.14 (1) has either served at least six full years, ~~without regard to the application of~~
4.15 ~~section 3A.10, subdivision 2,~~ or has served during all or part of four regular sessions as a
4.16 member of the legislature, which service need not be continuous;

4.17 (2) has attained the normal retirement age;

4.18 (3) has retired as a member of the legislature; and

4.19 (4) has made all contributions provided for in section 3A.03, has made payments
4.20 for past service under subdivision 2, or has made payments in lieu of contributions under
4.21 Minnesota Statutes 1992, section 3A.031, before July 1, 1994.

4.22 (b) Unless the former legislator has legislative service before January 1, 1979,
4.23 the retirement allowance is an amount equal to 2-1/2 percent per year of service of that
4.24 member's average monthly salary and adjusted for that person on an actuarial equivalent
4.25 basis to reflect the change in the postretirement interest rate actuarial assumption under
4.26 section 356.215, subdivision 8, from five percent to six percent. The adjustment must be
4.27 calculated by or, alternatively, the adjustment procedure must be specified by, the actuary
4.28 retained under section 356.214. The purpose of this adjustment is to ensure that the total
4.29 amount of benefits that the actuary predicts an individual member will receive over the
4.30 member's lifetime under this paragraph will be the same as the total amount of benefits the
4.31 actuary predicts the individual member would receive over the member's lifetime under
4.32 the law in effect before enactment of this paragraph. If the former legislator has legislative
4.33 service before January 1, 1979, the person's benefit must include the additional benefit
4.34 amount in effect on January 1, 1979, and adjusted as otherwise provided in this paragraph.

5.1 (c) The retirement allowance accrues following the receipt by the director of a
5.2 retirement application on a form prescribed by the director, but not before the normal
5.3 retirement age, except as specified in subdivision 1b. The annuity is payable for the
5.4 remainder of the former legislator's life, if the former legislator is not serving as a member
5.5 of the legislature or as a constitutional officer as defined in section 3A.01, subdivision 1c.
5.6 The annuity does not begin to accrue before the person's retirement as a legislator. No
5.7 annuity payment may be made retroactive for more than 180 days before the date that the
5.8 annuity application is filed with the director.

5.9 (d) Any member who has served during all or part of four regular sessions is
5.10 considered to have served eight years as a member of the legislature.

5.11 (e) The retirement allowance ceases with the last payment that accrued to the retired
5.12 legislator during the retired legislator's lifetime, except that the surviving spouse, if any,
5.13 is entitled to receive the retirement allowance of the retired legislator for the calendar
5.14 month in which the retired legislator died.

5.15 Sec. 4. Minnesota Statutes 2014, section 10A.09, subdivision 5, is amended to read:

5.16 Subd. 5. **Form.** (a) A statement of economic interest required by this section must
5.17 be on a form prescribed by the board. The individual filing must provide the following
5.18 information:

5.19 (1) name, address, occupation, and principal place of business;

5.20 (2) the name of each associated business and the nature of that association;

5.21 (3) a listing of all real property within the state, excluding homestead property, in
5.22 which the individual holds: (i) a fee simple interest, a mortgage, a contract for deed as buyer
5.23 or seller, or an option to buy, whether direct or indirect, if the interest is valued in excess of
5.24 \$2,500; or (ii) an option to buy, if the property has a fair market value of more than \$50,000;

5.25 (4) a listing of all real property within the state in which a partnership of which the
5.26 individual is a member holds: (i) a fee simple interest, a mortgage, a contract for deed as
5.27 buyer or seller, or an option to buy, whether direct or indirect, if the individual's share of
5.28 the partnership interest is valued in excess of \$2,500; or (ii) an option to buy, if the property
5.29 has a fair market value of more than \$50,000. A listing under this clause or clause (3) or (4)
5.30 must indicate the street address and the municipality or the section, township, range and
5.31 approximate acreage, whichever applies, and the county in which the property is located;

5.32 (5) a listing of any investments, ownership, or interests in property connected with
5.33 pari-mutuel horse racing in the United States and Canada, including a racehorse, in which
5.34 the individual directly or indirectly holds a partial or full interest or an immediate family
5.35 member holds a partial or full interest;

6.1 (6) a listing of the principal business or professional activity category of each
6.2 business from which the individual receives more than \$50 in any month as an employee,
6.3 if the individual has an ownership interest of 25 percent or more in the business; and

6.4 (7) a listing of each principal business or professional activity category from which
6.5 the individual received compensation of more than \$2,500 in the past 12 months as an
6.6 independent contractor.

6.7 (b) The business or professional categories for purposes of paragraph (a), clauses (6)
6.8 and (7), must be the general topic headings used by the federal Internal Revenue Service
6.9 for purposes of reporting self-employment income on Schedule C. This paragraph does
6.10 not require an individual to report any specific code number from that schedule. Any
6.11 additional principal business or professional activity category may only be adopted if
6.12 the category is enacted by law.

6.13 Sec. 5. Minnesota Statutes 2014, section 12.38, is amended to read:

6.14 **12.38 STATE AGENCIES; TEMPORARY WAIVER OF FEES.**

6.15 Notwithstanding any law to the contrary, a state agency as defined in section 16B.01,
6.16 subdivision 2, with the approval of the governor, may waive fees that would otherwise be
6.17 charged for agency services. The waiver of fees must be confined to geographic areas
6.18 within a presidentially declared disaster area, and to the minimum periods of time necessary

6.20 sections 14.055 and 14.056 do not apply to a waiver made under this section. The agency

6.29 recover costs and disbursements, including reasonable attorney's fees, as determined by
6.30 the court. If the court determines that an action brought under this subdivision is frivolous
6.31 and without merit and a basis in fact, it may award reasonable costs and attorney fees to
6.32 the responsible authority. If the court issues an order to compel compliance under this
6.33 subdivision, the court may impose a civil penalty of up to \$1,000 against the government
6.34 entity. This penalty is payable to the state general fund and is in addition to damages

7.1 under subdivision 1. The matter shall be heard as soon as possible. In an action involving
 7.2 a request for government data under section 13.03 or 13.04, the court may inspect in

 7.5 order to compel compliance under this subdivision, the court shall forward a copy of the
 7.6 order to the commissioner of administration.

7.7 (b) In determining whether to assess a civil penalty under this subdivision, the court

 7.18 procedures to guarantee the rights of data subjects under section ~~13.05, subdivision 8~~
 7.19 13.025, subdivision 3; and procedures to ensure that data on individuals are accurate and
 7.20 complete and to safeguard the data's security under section 13.05, subdivision 5;

7.21 (5) acted in conformity with an opinion issued under section 13.072 that was sought
 7.22 by a government entity or another person; or

7.23 (6) provided ongoing training to government entity personnel who respond to
 7.24 requests under this chapter.

7.25 (c) The court shall award reasonable attorney fees to a prevailing plaintiff who has
 7.26 brought an action under this subdivision if the government entity that is the defendant in
 7.27 the action was also the subject of a written opinion issued under section 13.072 and the
 7.28 court finds that the opinion is directly related to the cause of action being litigated and that
 7.29 the government entity did not act in conformity with the opinion.

10.18 color, disability, sex, national origin, marital status, status with regard to public assistance,
10.19 or political affiliation. It is the policy of this state to take affirmative action to eliminate
10.20 the underutilization of qualified members of protected groups in the civil service, where
10.21 such action is not in conflict with other provisions of this chapter or chapter 179, in order
10.22 to correct imbalances and eliminate the present effects of past discrimination.

10.23 No contract executed pursuant to chapter 179A shall modify, waive or abridge this
10.24 section and sections 43A.07 to ~~43A.13~~ 43A.121, 43A.15, and 43A.17 to 43A.21, except to

10.30 and 471.982, unless the context indicates otherwise, the terms defined in this section

11.4 Provided, however, that persons who are operating under a contract with, operating in
11.5 association with, enrolling enrollees for, or otherwise authorized by a health maintenance
11.6 organization licensed under sections 62D.01 to 62D.30 to act on its behalf may use the

11.18 prescriptions and prescription-related information using electronic media.

11.19 (b) If transactions described in this section are conducted, they must be done
11.20 electronically using the standards described in this section. Nothing in this section

15.17 zoological bond account in the state bond fund from the general fund a sum of money
15.18 sufficient in amount, when added to the balance on hand on November 1 in each year in
15.19 the bond account, to pay all principal and interest due and to become due on the bonds
15.20 to and including July 1 in the second ensuing year. The money received and on hand
15.21 pursuant to this annual appropriation is available in the state bond fund prior to the levy of

15.32 jurisdiction over environment and natural resources as part of the report required under
15.33 section 115A.411. If the commissioner finds that a county is not progressing toward
15.34 the goals in ~~subdivisions 2 and~~ subdivision 2a, the commissioner shall negotiate with

16.1 the county to develop and implement solid waste management techniques designed to
 16.2 assist the county in meeting the goals, such as organized collection, curbside collection
 16.3 of source-separated materials, and volume-based pricing.

16.4 Sec. 28. Minnesota Statutes 2014, section 115A.551, subdivision 5, is amended to read:

16.5 Subd. 5. **Failure to meet goal.** (a) A county failing to meet the interim goals in
 16.6 subdivision 3 shall, as a minimum:

16.7 (1) notify county residents of the failure to achieve the goal and why the goal was
 16.8 not achieved; and

16.9 (2) provide county residents with information on recycling programs offered by
 16.10 the county.

16.11 (b) If, based on the recycling monitoring described in subdivision 4, the
 16.12 commissioner finds that a county will be unable to meet the recycling goals established
 16.13 in ~~subdivisions 2 and~~ subdivision 2a, the commissioner shall, after consideration of
 16.14 the reasons for the county's inability to meet the goals, recommend legislation for
 16.15 consideration by the senate and house of representatives committees having jurisdiction
 16.16 over environment and natural resources and environment and natural resources finance to
 16.17 establish mandatory recycling standards and to authorize the commissioner to mandate
 16.18 appropriate solid waste management techniques designed to meet the standards in those
 16.19 counties that are unable to meet the goals.

16.20 Sec. 29. Minnesota Statutes 2014, section 116.07, subdivision 5, is amended to read:

16.21 Subd. 5. **Variations.** The Pollution Control Agency may grant variances from its
 16.22 rules as provided in ~~section 14.05, subdivision 4,~~ rules adopted under this section and
 16.23 sections 14.055 and 14.056 in order to avoid undue hardship and to promote the effective
 16.24 and reasonable application and enforcement of laws, rules, and standards for prevention,
 16.25 abatement and control of water, air, noise, and land pollution. The variance rules shall
 16.26 provide for notice and opportunity for hearing before a variance is granted.

16.27 A local government unit authorized by contract with the Pollution Control Agency
 16.28 pursuant to section 116.05 to exercise administrative powers under this chapter may
 16.29 grant variances after notice and public hearing from any ordinance, rule, or standard for
 16.30 prevention, abatement, or control of water, air, noise and land pollution, adopted pursuant
 16.31 to said administrative powers and under the provisions of this chapter.

16.32 Sec. 30. Minnesota Statutes 2014, section 116.42, is amended to read:

16.33 **116.42 ACID DEPOSITION; LEGISLATIVE INTENT.**

17.1 The legislature recognizes that acid deposition substantially resulting from the
17.2 conduct of commercial and industrial operations, both within and without the state, poses
17.3 a present and severe danger to the delicate balance of ecological systems within the state,
17.4 and that the failure to act promptly and decisively to mitigate or eliminate this danger
17.5 will soon result in untold and irreparable damage to the agricultural, water, forest, fish,
17.6 and wildlife resources of the state. It is therefore the intent of the legislature in enacting
17.7 sections 116.42 to ~~116.45~~ 116.44 to mitigate or eliminate the acid deposition problem by
17.8 curbing sources of acid deposition within the state and to support and encourage other
17.9 states, the federal government, and the province of Ontario in recognizing the dangers of
17.10 acid deposition and taking steps to mitigate or eliminate it within their own jurisdictions.

17.11 Sec. 31. Minnesota Statutes 2014, section 116.43, is amended to read:

17.12 **116.43 ACID DEPOSITION DEFINED.**

17.13 As used in sections 116.42 to ~~116.45~~ 116.44, "acid deposition" means the wet or dry
17.14 deposition from the atmosphere of chemical compounds, usually in the form of rain or
17.15 snow, having the potential to form an aqueous compound with a pH level lower than the
17.16 level considered normal under natural conditions, or lower than 5.6.

17.17 Sec. 32. Minnesota Statutes 2014, section 116.77, is amended to read:

17.18 **116.77 COVERAGE.**

17.19 Sections 116.75 to 116.83 and 609.671, subdivision ~~40~~ 11, cover any person,
17.20 including a veterinarian, who generates, treats, stores, transports, or disposes of infectious
17.21 or pathological waste but not including infectious or pathological waste generated by
17.22 households, farm operations, or agricultural businesses. Except as specifically provided,
17.23 sections 116.75 to 116.83 do not limit or alter treatment or disposal methods for infectious
17.24 or pathological waste.

17.25 Sec. 33. Minnesota Statutes 2014, section 116A.24, subdivision 2, is amended to read:

17.26 Subd. 2. **Powers.** Subject to the approval of the board or boards except to the extent
17.27 that approval is waived by the board or boards in an order filed with and confirmed by
17.28 order of the district court, the water or sewer or water and sewer commission or when a
17.29 multicounty system is involved a county board may do all things necessary to establish,
17.30 construct, operate and maintain a system including but not limited to the following:

17.31 (a) Employ on such terms as it deems advisable, persons or firms performing
17.32 engineering, legal or other services of a professional nature; require any employee
17.33 to obtain and file with it an individual bond or fidelity insurance policy; and procure

18.1 insurance in such amounts as it deems necessary against liability of the board or its
18.2 officers and employees or both, for personal injury or death and property damage or
18.3 destruction, with the force and effect stated in chapter 466, and against risks of damage to
18.4 or destruction of any of its facilities, equipment, or other property as it deems necessary.

18.5 (b) Construct or maintain its systems or facilities in, along, on, under, over, or
18.6 through public streets, bridges, viaducts, and other public rights-of-way without first
18.7 obtaining a franchise from any local government unit having jurisdiction over them; but
18.8 such facilities shall be constructed and maintained in accordance with the ordinances
18.9 and resolutions of any such government unit relating to construction, installation, and
18.10 maintenance of similar facilities in such public properties and shall not obstruct the public
18.11 use of such rights-of-way.

18.12 (c) Enter into any contract necessary or proper for the exercise of its powers or the
18.13 accomplishment of its purposes.

18.14 (d) Have the power to adopt rules and regulations relating to the establishment of
18.15 water or sewer rentals or user fees as may be deemed advisable and the operation of any
18.16 system operated by it, and may provide penalties for the violation thereof not exceeding
18.17 the maximum which may be specified for a misdemeanor. Any rule or regulation
18.18 prescribing a penalty for violation shall be published at least once in a newspaper having
18.19 general circulation in the area.

18.20 (e) Act under the provisions of section 471.59, or any other appropriate law
18.21 providing for joint or cooperative action between government units.

18.22 (f) Acquire by purchase, lease, condemnation, gift, or grant, any real or personal
18.23 property including positive and negative easements and water and air rights, and it may
18.24 construct, enlarge, improve, replace, repair, maintain, and operate any system determined
18.25 to be necessary or convenient for the collection and disposal of sewage or collection,
18.26 treatment, and distribution of water in its jurisdiction. Any local government unit and the
18.27 commissioners of transportation and natural resources are authorized to convey to or
18.28 permit the use of any such facilities owned or controlled by it by the board or commission,
18.29 subject to the rights of the holders of any bonds issued with respect thereto, with or
18.30 without compensation, without an election or approval by any other government agency.
18.31 The board or commission may hold such property for its purposes, and may lease any
18.32 such property so far as not needed for its purposes, upon such terms and in such manner
18.33 as it shall deem advisable. Unless otherwise provided, the right to acquire lands and
18.34 property rights by condemnation shall be exercised in accordance with sections ~~117.011~~
18.35 117.012 to 117.232, and shall apply to any property or interest therein owned by any local
18.36 government unit; provided, that no such property devoted to an actual public use at the

19.1 time, or held to be devoted to such use within a reasonable time, shall be so acquired
19.2 unless a court of competent jurisdiction shall determine that the use proposed by the
19.3 commission is paramount to such use. Except in case of property in actual public use,
19.4 the board or commission may take possession of any property for which condemnation
19.5 proceedings have been commenced at any time after the issuance of a court order
19.6 appointing commissioners for its condemnation.

19.7 (g) Contract with the United States or any agency thereof, any state or agency
19.8 thereof, or any local government unit or governmental agency or subdivision, for the joint
19.9 use of any facility owned by the board or such entity, for the operation by such entity of
19.10 any system or facility of the board, or for the performance on the board's behalf of any
19.11 service, on such terms as may be agreed upon by the contracting parties.

19.12 (h) Exercise any other powers granted to the board or boards or court under section
19.13 116A.01, subdivision 2, relating to the establishment of a water or sewer or water and
19.14 sewer system, except that the issuance of bonds by a commission is subject to subdivision
19.15 3, paragraph (b).

19.16 (i) Retain the services of a certified public accountant for the purposes of providing
19.17 an annual audited operating statement and balance sheet and other financial reports. The
19.18 reports must be prepared in accordance with general accounting principles and must be
19.19 filed within six months after the close of the fiscal year in the office of each county auditor
19.20 within the district and with the office of the state auditor. The reports may be prepared by
19.21 the state auditor instead of by a certified public accountant if the commission so requests.

19.22 Sec. 34. Minnesota Statutes 2015 Supplement, section 116D.04, subdivision 2a,
19.23 is amended to read:

19.24 Subd. 2a. **When prepared.** Where there is potential for significant environmental
19.25 effects resulting from any major governmental action, the action shall be preceded by a
19.26 detailed environmental impact statement prepared by the responsible governmental unit.
19.27 The environmental impact statement shall be an analytical rather than an encyclopedic
19.28 document which describes the proposed action in detail, analyzes its significant
19.29 environmental impacts, discusses appropriate alternatives to the proposed action and
19.30 their impacts, and explores methods by which adverse environmental impacts of an
19.31 action could be mitigated. The environmental impact statement shall also analyze those
19.32 economic, employment, and sociological effects that cannot be avoided should the action
19.33 be implemented. To ensure its use in the decision-making process, the environmental
19.34 impact statement shall be prepared as early as practical in the formulation of an action.

20.1 (a) The board shall by rule establish categories of actions for which environmental
20.2 impact statements and for which environmental assessment worksheets shall be prepared
20.3 as well as categories of actions for which no environmental review is required under this
20.4 section. A mandatory environmental assessment worksheet shall not be required for the
20.5 expansion of an ethanol plant, as defined in section 41A.09, subdivision 2a, paragraph
20.6 (b), or the conversion of an ethanol plant to a biobutanol facility or the expansion of a
20.7 biobutanol facility as defined in Minnesota Statutes 2014, section 41A.105, subdivision
20.8 1a, based on the capacity of the expanded or converted facility to produce alcohol fuel, but
20.9 must be required if the ethanol plant or biobutanol facility meets or exceeds thresholds
20.10 of other categories of actions for which environmental assessment worksheets must be
20.11 prepared. The responsible governmental unit for an ethanol plant or biobutanol facility
20.12 project for which an environmental assessment worksheet is prepared shall be the state
20.13 agency with the greatest responsibility for supervising or approving the project as a whole.

20.14 A mandatory environmental impact statement shall not be required for a facility
20.15 or plant located outside the seven-county metropolitan area that produces less than
20.16 125,000,000 gallons of ethanol, biobutanol, or cellulosic biofuel annually, or produces less
20.17 than 400,000 tons of chemicals annually, if the facility or plant is: an ethanol plant, as
20.18 defined in section 41A.09, subdivision 2a, paragraph (b); a biobutanol facility, as defined
20.19 in Minnesota Statutes 2014, section 41A.105, subdivision 1a, clause (1); or a cellulosic
20.20 biofuel facility. A facility or plant that only uses a cellulosic feedstock to produce
20.21 chemical products for use by another facility as a feedstock shall not be considered a fuel
20.22 conversion facility as used in rules adopted under this chapter.

20.23 (b) The responsible governmental unit shall promptly publish notice of the
20.24 completion of an environmental assessment worksheet by publishing the notice in at least
20.25 one newspaper of general circulation in the geographic area where the project is proposed,
20.26 by posting the notice on a Web site that has been designated as the official publication site
20.27 for publication of proceedings, public notices, and summaries of a political subdivision in
20.28 which the project is proposed, or in any other manner determined by the board and shall
20.29 provide copies of the environmental assessment worksheet to the board and its member
20.30 agencies. Comments on the need for an environmental impact statement may be submitted
20.31 to the responsible governmental unit during a 30-day period following publication of the
20.32 notice that an environmental assessment worksheet has been completed. The responsible
20.33 governmental unit's decision on the need for an environmental impact statement shall be
20.34 based on the environmental assessment worksheet and the comments received during the
20.35 comment period, and shall be made within 15 days after the close of the comment period.

21.1 The board's chair may extend the 15-day period by not more than 15 additional days upon
21.2 the request of the responsible governmental unit.

21.3 (c) An environmental assessment worksheet shall also be prepared for a proposed
21.4 action whenever material evidence accompanying a petition by not less than 100
21.5 individuals who reside or own property in the state, submitted before the proposed
21.6 project has received final approval by the appropriate governmental units, demonstrates
21.7 that, because of the nature or location of a proposed action, there may be potential for
21.8 significant environmental effects. Petitions requesting the preparation of an environmental
21.9 assessment worksheet shall be submitted to the board. The chair of the board shall
21.10 determine the appropriate responsible governmental unit and forward the petition to it.
21.11 A decision on the need for an environmental assessment worksheet shall be made by
21.12 the responsible governmental unit within 15 days after the petition is received by the
21.13 responsible governmental unit. The board's chair may extend the 15-day period by not
21.14 more than 15 additional days upon request of the responsible governmental unit.

21.15 (d) Except in an environmentally sensitive location where Minnesota Rules, part
21.16 4410.4300, subpart 29, item B, applies, the proposed action is exempt from environmental
21.17 review under this chapter and rules of the board, if:

21.18 (1) the proposed action is:

21.19 (i) an animal feedlot facility with a capacity of less than 1,000 animal units; or

21.20 (ii) an expansion of an existing animal feedlot facility with a total cumulative
21.21 capacity of less than 1,000 animal units;

21.22 (2) the application for the animal feedlot facility includes a written commitment by
21.23 the proposer to design, construct, and operate the facility in full compliance with Pollution
21.24 Control Agency feedlot rules; and

21.25 (3) the county board holds a public meeting for citizen input at least ten business
21.26 days prior to the Pollution Control Agency or county issuing a feedlot permit for the
21.27 animal feedlot facility unless another public meeting for citizen input has been held with
21.28 regard to the feedlot facility to be permitted. The exemption in this paragraph is in
21.29 addition to other exemptions provided under other law and rules of the board.

21.30 (e) The board may, prior to final approval of a proposed project, require preparation
21.31 of an environmental assessment worksheet by a responsible governmental unit selected
21.32 by the board for any action where environmental review under this section has not been
21.33 specifically provided for by rule or otherwise initiated.

21.34 (f) An early and open process shall be utilized to limit the scope of the environmental
21.35 impact statement to a discussion of those impacts, which, because of the nature or location
21.36 of the project, have the potential for significant environmental effects. The same process

22.1 shall be utilized to determine the form, content and level of detail of the statement as well
22.2 as the alternatives which are appropriate for consideration in the statement. In addition,
22.3 the permits which will be required for the proposed action shall be identified during the
22.4 scoping process. Further, the process shall identify those permits for which information
22.5 will be developed concurrently with the environmental impact statement. The board
22.6 shall provide in its rules for the expeditious completion of the scoping process. The
22.7 determinations reached in the process shall be incorporated into the order requiring the
22.8 preparation of an environmental impact statement.

22.9 (g) The responsible governmental unit shall, to the extent practicable, avoid
22.10 duplication and ensure coordination between state and federal environmental review
22.11 and between environmental review and environmental permitting. Whenever practical,
22.12 information needed by a governmental unit for making final decisions on permits
22.13 or other actions required for a proposed project shall be developed in conjunction
22.14 with the preparation of an environmental impact statement. When an environmental
22.15 impact statement is prepared for a project requiring multiple permits for which two or
22.16 more agencies' decision processes include either mandatory or discretionary hearings
22.17 before a hearing officer prior to the agencies' decision on the permit, the agencies
22.18 may, notwithstanding any law or rule to the contrary, conduct the hearings in a single
22.19 consolidated hearing process if requested by the proposer. All agencies having jurisdiction
22.20 over a permit that is included in the consolidated hearing shall participate. The responsible
22.21 governmental unit shall establish appropriate procedures for the consolidated hearing
22.22 process, including procedures to ensure that the consolidated hearing process is consistent
22.23 with the applicable requirements for each permit regarding the rights and duties of parties to
22.24 the hearing, and shall utilize the earliest applicable hearing procedure to initiate the hearing.

22.25 (h) An environmental impact statement shall be prepared and its adequacy
22.26 determined within 280 days after notice of its preparation unless the time is extended by
22.27 consent of the parties or by the governor for good cause. The responsible governmental
22.28 unit shall determine the adequacy of an environmental impact statement, unless within 60
22.29 days after notice is published that an environmental impact statement will be prepared,
22.30 the board chooses to determine the adequacy of an environmental impact statement. If an
22.31 environmental impact statement is found to be inadequate, the responsible governmental
22.32 unit shall have 60 days to prepare an adequate environmental impact statement.

22.33 (i) The proposer of a specific action may include in the information submitted to the
22.34 responsible governmental unit a preliminary draft environmental impact statement under
22.35 this section on that action for review, modification, and determination of completeness and
22.36 adequacy by the responsible governmental unit. A preliminary draft environmental impact

23.1 statement prepared by the project proposer and submitted to the responsible governmental
23.2 unit shall identify or include as an appendix all studies and other sources of information
23.3 used to substantiate the analysis contained in the preliminary draft environmental impact
23.4 statement. The responsible governmental unit shall require additional studies, if needed,
23.5 and obtain from the project proposer all additional studies and information necessary for
23.6 the responsible governmental unit to perform its responsibility to review, modify, and
23.7 determine the completeness and adequacy of the environmental impact statement.

23.8 Sec. 35. Minnesota Statutes 2015 Supplement, section 116J.549, subdivision 2, is

23.25 occupied by residents that meet income limits under federal or state law of initial
23.26 occupancy; and

28.2 amended to read:

28.3 Subdivision 1. **Nonresident tuition rate; other costs.** (a) For fiscal year 2015 and

28.5 a disability as defined in section 125A.02 outside the district of residence, excluding
28.6 a pupil for whom an adjustment to special education aid is calculated according to
28.7 section 127A.47, subdivision 7, paragraphs (b) to (d), special education aid paid to the
28.8 resident district must be reduced by an amount equal to (1) the actual cost of providing
28.9 special instruction and services to the pupil, including a proportionate amount for special
28.10 transportation and unreimbursed building lease and debt service costs for facilities used
28.11 primarily for special education, plus (2) the amount of general education revenue and
28.12 referendum equalization aid attributable to that pupil, calculated using the resident district's
28.13 average general education revenue and referendum equalization aid per adjusted pupil
28.14 unit excluding basic skills revenue, elementary sparsity revenue and secondary sparsity
28.15 revenue, minus (3) the amount of special education aid for children with a disability
28.16 under section 125A.76 received on behalf of that child, minus (4) if the pupil receives
28.17 special instruction and services outside the regular classroom for more than 60 percent
28.18 of the school day, the amount of general education revenue and referendum equalization
28.19 aid, excluding portions attributable to district and school administration, district support
28.20 services, operations and maintenance, capital expenditures, and pupil transportation,
28.21 attributable to that pupil for the portion of time the pupil receives special instruction
28.22 and services outside of the regular classroom, calculated using the resident district's
28.23 average general education revenue and referendum equalization aid per adjusted pupil unit
28.24 excluding basic skills revenue, elementary sparsity revenue and secondary sparsity revenue
28.25 and the serving district's basic skills revenue, elementary sparsity revenue and secondary
28.26 sparsity revenue per adjusted pupil unit. Notwithstanding clauses (1) and (4), for pupils
28.27 served by a cooperative unit without a fiscal agent school district, the general education
28.28 revenue and referendum equalization aid attributable to a pupil must be calculated using
28.29 the resident district's average general education revenue and referendum equalization aid
28.30 excluding compensatory revenue, elementary sparsity revenue, and secondary sparsity
28.31 revenue. Special education aid paid to the district or cooperative providing special
28.32 instruction and services for the pupil must be increased by the amount of the reduction in
28.33 the aid paid to the resident district. Amounts paid to cooperatives under this subdivision
28.34 and section 127A.47, subdivision 7, shall be recognized and reported as revenues and
28.35 expenditures on the resident school district's books of account under sections 123B.75

29.1 and 123B.76. If the resident district's special education aid is insufficient to make the full
29.2 adjustment, the remaining adjustment shall be made to other state aid due to the district.

29.3 (b) Notwithstanding paragraph (a), when a charter school receiving special education
29.4 aid under section 124E.21, subdivision 3, provides special instruction and services for
29.5 a pupil with a disability as defined in section 125A.02, excluding a pupil for whom an
29.6 adjustment to special education aid is calculated according to section ~~127A.46~~ 127A.47,
29.7 subdivision 7, paragraphs (b) to (e), special education aid paid to the resident district must
29.8 be reduced by an amount equal to that calculated under paragraph (a) as if the charter
29.9 school received aid under section 124E.21, subdivision 1. Notwithstanding paragraph (a),
29.10 special education aid paid to the charter school providing special instruction and services
29.11 for the pupil must not be increased by the amount of the reduction in the aid paid to
29.12 the resident district.

29.13 (c) Notwithstanding paragraph (a) and section 127A.47, subdivision 7, paragraphs
29.14 (b) to (d), a charter school where more than 30 percent of enrolled students receive special
29.15 education and related services, a site approved under section 125A.515, an intermediate
29.16 district, a special education cooperative, or a school district that served as the applicant
29.17 agency for a group of school districts for federal special education aids for fiscal year
29.18 2006 may apply to the commissioner for authority to charge the resident district an
29.19 additional amount to recover any remaining unreimbursed costs of serving pupils with
29.20 a disability. The application must include a description of the costs and the calculations
29.21 used to determine the unreimbursed portion to be charged to the resident district. Amounts
29.22 approved by the commissioner under this paragraph must be included in the tuition billings
29.23 or aid adjustments under paragraph (a), or section 127A.47, subdivision 7, paragraphs
29.24 (b) to (d), as applicable.

29.25 (d) For purposes of this subdivision and section 127A.47, subdivision 7, paragraph
29.26 (b), "general education revenue and referendum equalization aid" means the sum of the
29.27 general education revenue according to section 126C.10, subdivision 1, excluding the
29.28 local optional levy according to section 126C.10, subdivision 2e, paragraph (c), plus the
29.29 referendum equalization aid according to section 126C.17, subdivision 7.

29.30 Sec. 46. Minnesota Statutes 2014, section 125A.51, is amended to read:

29.31 **125A.51 PLACEMENT OF CHILDREN WITHOUT DISABILITIES;**
29.32 **EDUCATION AND TRANSPORTATION.**

29.33 The responsibility for providing instruction and transportation for a pupil without a
29.34 disability who has a short-term or temporary physical or emotional illness or disability, as

30.1 determined by the standards of the commissioner, and who is temporarily placed for care
30.2 and treatment for that illness or disability, must be determined as provided in this section.

30.3 (a) The school district of residence of the pupil is the district in which the pupil's
30.4 parent or guardian resides. If there is a dispute between school districts regarding
30.5 residency, the district of residence is the district designated by the commissioner.

30.6 (b) When parental rights have been terminated by court order, the legal residence
30.7 of a child placed in a residential or foster facility for care and treatment is the district in
30.8 which the child resides.

30.9 (c) Before the placement of a pupil for care and treatment, the district of residence
30.10 must be notified and provided an opportunity to participate in the placement decision.
30.11 When an immediate emergency placement is necessary and time does not permit
30.12 resident district participation in the placement decision, the district in which the pupil is
30.13 temporarily placed, if different from the district of residence, must notify the district
30.14 of residence of the emergency placement within 15 days of the placement. When a
30.15 nonresident district makes an emergency placement without first consulting with the
30.16 resident district, the resident district has up to five business days after receiving notice
30.17 of the emergency placement to request an opportunity to participate in the placement
30.18 decision, which the placing district must then provide.

30.19 (d) When a pupil without a disability is temporarily placed for care and treatment
30.20 in a day program and the pupil continues to live within the district of residence during
30.21 the care and treatment, the district of residence must provide instruction and necessary
30.22 transportation to and from the care and treatment program for the pupil. The resident
30.23 district may establish reasonable restrictions on transportation, except if a Minnesota court
30.24 or agency orders the child placed at a day care and treatment program and the resident
30.25 district receives a copy of the order, then the resident district must provide transportation
30.26 to and from the program unless the court or agency orders otherwise. Transportation shall
30.27 only be provided by the resident district during regular operating hours of the resident
30.28 district. The resident district may provide the instruction at a school within the district of
30.29 residence, at the pupil's residence, or in the case of a placement outside of the resident
30.30 district, in the district in which the day treatment program is located by paying tuition to
30.31 that district. The district of placement may contract with a facility to provide instruction
30.32 by teachers licensed by the state Board of Teaching.

30.33 (e) When a pupil without a disability is temporarily placed in a residential program
30.34 for care and treatment, the district in which the pupil is placed must provide instruction
30.35 for the pupil and necessary transportation while the pupil is receiving instruction, and in
30.36 the case of a placement outside of the district of residence, the nonresident district must

31.1 bill the district of residence for the actual cost of providing the instruction for the regular
31.2 school year and for summer school, excluding transportation costs.

31.3 (f) Notwithstanding paragraph (e), if the pupil is homeless and placed in a public or
31.4 private homeless shelter, then the district that enrolls the pupil under section ~~127A.47,~~
31.5 ~~subdivision 2~~ 120A.20, subdivision 2, paragraph (b), shall provide the transportation, unless
31.6 the district that enrolls the pupil and the district in which the pupil is temporarily placed
31.7 agree that the district in which the pupil is temporarily placed shall provide transportation.
31.8 When a pupil without a disability is temporarily placed in a residential program outside
31.9 the district of residence, the administrator of the court placing the pupil must send timely
31.10 written notice of the placement to the district of residence. The district of placement may
31.11 contract with a residential facility to provide instruction by teachers licensed by the state
31.12 Board of Teaching. For purposes of this section, the state correctional facilities operated
31.13 on a fee-for-service basis are considered to be residential programs for care and treatment.

31.14 (g) The district of residence must include the pupil in its residence count of pupil
31.15 units and pay tuition as provided in section 123A.488 to the district providing the
31.16 instruction. Transportation costs must be paid by the district providing the transportation
31.17 and the state must pay transportation aid to that district. For purposes of computing state
31.18 transportation aid, pupils governed by this subdivision must be included in the disabled
31.19 transportation category if the pupils cannot be transported on a regular school bus route
31.20 without special accommodations.

31.21 Sec. 47. Minnesota Statutes 2015 Supplement, section 125A.76, subdivision 2c,
31.22 is amended to read:

31.23 Subd. 2c. **Special education aid.** ~~(a) For fiscal year 2014 and fiscal year 2015, a~~
31.24 ~~district's special education aid equals the sum of the district's special education aid under~~

 32.7 subdivision 7, the ratio of the district's average daily membership served for the current
 32.8 fiscal year to the district's average daily membership served for fiscal year 2016, and the
 32.9 program growth factor.

 32.11 education aid for a school district, not including a charter school or cooperative unit as
 32.12 defined in section 123A.24, must not be less than the lesser of (1) the district's nonfederal
 32.13 special education expenditures for that fiscal year or (2) the product of the sum of the
 32.14 special education aid the district would have received for fiscal year 2016 under Minnesota
 32.15 Statutes 2012, sections 125A.76 and 125A.79, as adjusted according to Minnesota Statutes
 32.16 2012, sections 125A.11 and 127A.47, subdivision 7, the ratio of the district's adjusted
 32.17 daily membership for the current fiscal year to the district's average daily membership for
 32.18 fiscal year 2016, and the program growth factor.

32.19 ~~(f)~~ (e) Notwithstanding subdivision 2a and section 125A.79, a charter school in
 32.20 its first year of operation shall generate special education aid based on current year
 32.21 data. A newly formed cooperative unit as defined in section 123A.24 may apply to the
 32.22 commissioner for approval to generate special education aid for its first year of operation
 32.23 based on current year data, with an offsetting adjustment to the prior year data used to
 32.24 calculate aid for programs at participating school districts or previous cooperatives that
 32.25 were replaced by the new cooperative.

 44.19 audiology out of the home, and a description of the applicant's education, training, and
 44.20 experience, including previous work history for the five years immediately preceding
 44.21 the date of application. The commissioner may ask the applicant to provide additional
 44.22 information necessary to clarify information submitted in the application; and

44.23 (2) submit documentation of the certificate of clinical competence issued by the
 44.24 American Speech-Language-Hearing Association, board certification by the American
 44.25 Board of Audiology, or satisfy the following requirements:

45.4 (3) sign a waiver authorizing the commissioner to obtain access to the applicant's
45.5 records in this or any other state in which the applicant has engaged in the practice of
45.6 speech-language pathology or audiology.

45.7 Sec. 68. Minnesota Statutes 2014, section 148.741, is amended to read:

45.8 **148.741 APPLICABILITY OF RULES.**

45.9 Minnesota Rules, parts 5601.0100 to 5601.3200, apply both to physical therapists
45.10 and physical therapist assistants, except parts 5601.1300; ~~5601.1900~~; 5601.2000;
45.11 5601.3200, subpart 2, item D; and 5601.3200, subpart 5, only apply to physical therapists.

45.12 Sec. 69. Minnesota Statutes 2015 Supplement, section 151.37, subdivision 2, is
45.13 amended to read:

45.14 Subd. 2. **Prescribing and filing.** (a) A licensed practitioner in the course of
45.15 professional practice only, may prescribe, administer, and dispense a legend drug, and
45.16 may cause the same to be administered by a nurse, a physician assistant, or medical
45.17 student or resident under the practitioner's direction and supervision, and may cause a
45.18 person who is an appropriately certified, registered, or licensed health care professional
45.19 to prescribe, dispense, and administer the same within the expressed legal scope of the
45.20 person's practice as defined in Minnesota Statutes. A licensed practitioner may prescribe a
45.21 legend drug, without reference to a specific patient, by directing a licensed dietitian or
45.22 licensed nutritionist, pursuant to section 148.634; a nurse, pursuant to section 148.235,
45.23 subdivisions 8 and 9; physician assistant; medical student or resident; or pharmacist
45.24 according to section 151.01, subdivision 27, to adhere to a particular practice guideline or
45.25 protocol when treating patients whose condition falls within such guideline or protocol,
45.26 and when such guideline or protocol specifies the circumstances under which the legend
45.27 drug is to be prescribed and administered. An individual who verbally, electronically, or
45.28 otherwise transmits a written, oral, or electronic order, as an agent of a prescriber, shall
45.29 not be deemed to have prescribed the legend drug. This paragraph applies to a physician
45.30 assistant only if the physician assistant meets the requirements of section 147A.18.

45.31 (b) The commissioner of health, if a licensed practitioner, or a person designated
45.32 by the commissioner who is a licensed practitioner, may prescribe a legend drug to an
45.33 individual or by protocol for mass dispensing purposes where the commissioner finds that
45.34 the conditions triggering section 144.4197 or 144.4198, subdivision 2, paragraph (b), exist.

46.1 The commissioner, if a licensed practitioner, or a designated licensed practitioner, may
46.2 prescribe, dispense, or administer a legend drug or other substance listed in subdivision 10
46.3 to control tuberculosis and other communicable diseases. The commissioner may modify
46.4 state drug labeling requirements, and medical screening criteria and documentation, where
46.5 time is critical and limited labeling and screening are most likely to ensure legend drugs
46.6 reach the maximum number of persons in a timely fashion so as to reduce morbidity
46.7 and mortality.

46.8 (c) A licensed practitioner that dispenses for profit a legend drug that is to be
46.9 administered orally, is ordinarily dispensed by a pharmacist, and is not a vaccine, must
46.10 file with the practitioner's licensing board a statement indicating that the practitioner
46.11 dispenses legend drugs for profit, the general circumstances under which the practitioner
46.12 dispenses for profit, and the types of legend drugs generally dispensed. It is unlawful to
46.13 dispense legend drugs for profit after July 31, 1990, unless the statement has been filed
46.14 with the appropriate licensing board. For purposes of this paragraph, "profit" means (1)
46.15 any amount received by the practitioner in excess of the acquisition cost of a legend drug
46.16 for legend drugs that are purchased in prepackaged form, or (2) any amount received
46.17 by the practitioner in excess of the acquisition cost of a legend drug plus the cost of
46.18 making the drug available if the legend drug requires compounding, packaging, or other
46.19 treatment. The statement filed under this paragraph is public data under section 13.03.
46.20 This paragraph does not apply to a licensed doctor of veterinary medicine or a registered
46.21 pharmacist. Any person other than a licensed practitioner with the authority to prescribe,
46.22 dispense, and administer a legend drug under paragraph (a) shall not dispense for profit.
46.23 To dispense for profit does not include dispensing by a community health clinic when the
46.24 profit from dispensing is used to meet operating expenses.

46.25 (d) A prescription drug order for the following drugs is not valid, unless it can be
46.26 established that the prescription drug order was based on a documented patient evaluation,
46.27 including an examination, adequate to establish a diagnosis and identify underlying
46.28 conditions and contraindications to treatment:

- 46.29 (1) controlled substance drugs listed in section 152.02, subdivisions 3 to 5;
46.30 (2) drugs defined by the Board of Pharmacy as controlled substances under section
46.31 152.02, subdivisions 7, 8, and 12;
46.32 (3) muscle relaxants;
46.33 (4) centrally acting analgesics with opioid activity;
46.34 (5) drugs containing butalbital; or
46.35 (6) phosphodiesterase type 5 inhibitors when used to treat erectile dysfunction.

47.1 (e) For the purposes of paragraph (d), the requirement for an examination shall be
47.2 met if an in-person examination has been completed in any of the following circumstances:

47.3 (1) the prescribing practitioner examines the patient at the time the prescription
47.4 or drug order is issued;

47.5 (2) the prescribing practitioner has performed a prior examination of the patient;

47.6 (3) another prescribing practitioner practicing within the same group or clinic as the
47.7 prescribing practitioner has examined the patient;

47.8 (4) a consulting practitioner to whom the prescribing practitioner has referred the
47.9 patient has examined the patient; or

47.10 (5) the referring practitioner has performed an examination in the case of a
47.11 consultant practitioner issuing a prescription or drug order when providing services by
47.12 means of telemedicine.

47.13 (f) Nothing in paragraph (d) or (e) prohibits a licensed practitioner from prescribing
47.14 a drug through the use of a guideline or protocol pursuant to paragraph (a).

47.15 (g) Nothing in this chapter prohibits a licensed practitioner from issuing a
47.16 prescription or dispensing a legend drug in accordance with the Expedited Partner Therapy
47.17 in the Management of Sexually Transmitted Diseases guidance document issued by the
47.18 United States Centers for Disease Control.

47.19 (h) Nothing in paragraph (d) or (e) limits prescription, administration, or dispensing
47.20 of legend drugs through a public health clinic or other distribution mechanism approved
47.21 by the commissioner of health or a community health board in order to prevent, mitigate,
47.22 or treat a pandemic illness, infectious disease outbreak, or intentional or accidental release
47.23 of a biological, chemical, or radiological agent.

47.24 (i) No pharmacist employed by, under contract to, or working for a pharmacy
47.25 licensed under section 151.19, subdivision 1, may dispense a legend drug based on a
47.26 prescription that the pharmacist knows, or would reasonably be expected to know, is not
47.27 valid under paragraph (d).

47.28 (j) No pharmacist employed by, under contract to, or working for a pharmacy
47.29 licensed under section 151.19, subdivision 2 1, and located outside the state may dispense
47.30 a legend drug to a resident of this state based on a prescription that the pharmacist knows,
47.31 or would reasonably be expected to know, is not valid under paragraph (d).

47.32 (k) Nothing in this chapter prohibits the commissioner of health, if a licensed
47.33 practitioner, or, if not a licensed practitioner, a designee of the commissioner who is
47.34 a licensed practitioner, from prescribing legend drugs for field-delivered therapy in the
47.35 treatment of a communicable disease according to the Centers For Disease Control and
47.36 Prevention Partner Services Guidelines.

48.1 Sec. 70. Minnesota Statutes 2014, section 153A.15, subdivision 1, is amended to read:

48.2 Subdivision 1. **Prohibited acts.** The commissioner may take enforcement action as
48.3 provided under subdivision 2 against a dispenser of hearing instruments for the following
48.4 acts and conduct:

48.5 (1) dispensing a hearing instrument to a minor person 18 years or younger unless
48.6 evaluated by an audiologist for hearing evaluation and hearing aid evaluation;

48.7 (2) being disciplined through a revocation, suspension, restriction, or limitation by
48.8 another state for conduct subject to action under this chapter;

48.9 (3) presenting advertising that is false or misleading;

48.10 (4) providing the commissioner with false or misleading statements of credentials,
48.11 training, or experience;

48.12 (5) engaging in conduct likely to deceive, defraud, or harm the public; or
48.13 demonstrating a willful or careless disregard for the health, welfare, or safety of a consumer;

48.14 (6) splitting fees or promising to pay a portion of a fee to any other professional
48.15 other than a fee for services rendered by the other professional to the client;

48.16 (7) engaging in abusive or fraudulent billing practices, including violations of
48.17 federal Medicare and Medicaid laws, Food and Drug Administration regulations, or state
48.18 medical assistance laws;

48.19 (8) obtaining money, property, or services from a consumer through the use of undue
48.20 influence, high pressure sales tactics, harassment, duress, deception, or fraud;

48.21 (9) performing the services of a certified hearing instrument dispenser in an
48.22 incompetent or negligent manner;

48.23 (10) failing to comply with the requirements of this chapter as an employer,
48.24 supervisor, or trainee;

48.25 (11) failing to provide information in a timely manner in response to a request by the
48.26 commissioner, commissioner's designee, or the advisory council;

48.27 (12) being convicted within the past five years of violating any laws of the United
48.28 States, or any state or territory of the United States, and the violation is a felony, gross
48.29 misdemeanor, or misdemeanor, an essential element of which relates to hearing instrument
48.30 dispensing, except as provided in chapter 364;

48.31 (13) failing to cooperate with the commissioner, the commissioner's designee, or
48.32 the advisory council in any investigation;

48.36 legal authorization to dispense hearing instruments in this or another state;

 49.2 court judgment, relating to the activities of the applicant in hearing instrument dispensing;

49.3 (17) having been or being disciplined by the commissioner of the Department of
 49.4 Health, or other authority, in this or another jurisdiction, if any of the grounds for the
 49.5 discipline are the same or substantially equivalent to those in sections 153A.13 to ~~153A.19~~
 49.6 153A.18;

49.7 (18) misrepresenting the purpose of hearing tests, or in any way communicating that
 49.8 the hearing test or hearing test protocol required by section 153A.14, subdivision 4b, is
 49.9 a medical evaluation, a diagnostic hearing evaluation conducted by an audiologist, or is
 49.10 other than a test to select a hearing instrument, except that the hearing instrument dispenser

 49.16 148.5195, subdivision 3, clause (20); 148.5197; 148.5198; and 153A.13 to 153A.18.

49.17 Sec. 71. Minnesota Statutes 2014, section 155A.23, subdivision 5a, is amended to read:

49.18 Subd. 5a. **Individual license.** "Individual license" means a license described in
 49.19 section 155A.25, subdivision 1, ~~paragraph (a), clauses (1) and (2)~~ 1a, paragraph (b),

 49.23 implements, or materials that are made or constructed of paper, wood, or other porous
 49.24 materials must only be used for one application or client service. Presence of used articles

 49.26 subdivision is punishable by penalty under section 155A.25, subdivision 1a, paragraph
 49.27 ~~(b)~~ (c), clause (7).

49.28 Sec. 73. Minnesota Statutes 2014, section 155A.355, subdivision 2, is amended to read:

 49.32 prima facie evidence of use and is punishable by penalty in section 155A.25, subdivision
 49.33 1a, paragraph ~~(b)~~ (c), clause (8).

50.1 Sec. 74. Minnesota Statutes 2014, section 174.06, subdivision 2, is amended to read:

50.2 Subd. 2. **Department of Aeronautics.** All powers, duties, and functions heretofore
50.3 vested in or imposed on the commissioner of aeronautics or the Department of Aeronautics
50.4 by sections 360.011 to 360.076, ~~360.301~~ 360.305 to 360.73, 360.81 to 360.91 or any other
50.5 law relating to the duties and powers of the commissioner of aeronautics are transferred
50.6 to, vested in, and imposed on the commissioner of transportation. The position of the
50.7 commissioner of aeronautics and the Department of Aeronautics as heretofore constituted
50.8 are abolished.

50.9 Sec. 75. Minnesota Statutes 2014, section 176.105, subdivision 4, is amended to read:

50.10 Subd. 4. **Legislative intent; rules; loss of more than one body part.** (a) For the
50.11 purpose of establishing a disability schedule, the legislature declares its intent that the
50.12 commissioner establish a disability schedule which shall be determined by sound actuarial
50.13 evaluation and shall be based on the benefit level which exists on January 1, 1983.

50.14 (b) The commissioner shall by rulemaking adopt procedures setting forth rules
50.15 for the evaluation and rating of functional disability and the schedule for permanent
50.16 partial disability and to determine the percentage of loss of function of a part of the body
50.17 based on the body as a whole, including internal organs, ~~described in section 176.101,~~
50.18 ~~subdivision 3,~~ and any other body part ~~not listed in section 176.101, subdivision 3,~~ which
50.19 the commissioner deems appropriate.

50.20 (c) The rules shall promote objectivity and consistency in the evaluation of
50.21 permanent functional impairment due to personal injury and in the assignment of a
50.22 numerical rating to the functional impairment.

50.23 (d) Prior to adoption of rules the commissioner shall conduct an analysis of the
50.24 current permanent partial disability schedule for the purpose of determining the number
50.25 and distribution of permanent partial disabilities and the average compensation for various
50.26 permanent partial disabilities. The commissioner shall consider setting the compensation
50.27 under the proposed schedule for the most serious conditions higher in comparison to the
50.28 current schedule and shall consider decreasing awards for minor conditions in comparison
50.29 to the current schedule.

50.30 (e) The commissioner may consider, among other factors, and shall not be limited
50.31 to the following factors in developing rules for the evaluation and rating of functional
50.32 disability and the schedule for permanent partial disability benefits:

50.33 (1) the workability and simplicity of the procedures with respect to the evaluation
50.34 of functional disability;

50.35 (2) the consistency of the procedures with accepted medical standards;

51.1 (3) rules, guidelines, and schedules that exist in other states that are related to the
 51.2 evaluation of permanent partial disability or to a schedule of benefits for functional
 51.3 disability provided that the commissioner is not bound by the degree of disability in
 51.4 these sources but shall adjust the relative degree of disability to conform to the expressed
 51.5 intent of this section;

51.6 (4) rules, guidelines, and schedules that have been developed by associations of
 51.7 health care providers or organizations provided that the commissioner is not bound by the
 51.8 degree of disability in these sources but shall adjust the relative degree of disability to
 51.9 conform to the expressed intent of this section;

51.10 (5) the effect the rules may have on reducing litigation;

51.11 (6) the treatment of preexisting disabilities with respect to the evaluation of
 51.12 permanent functional disability provided that any preexisting disabilities must be
 51.13 objectively determined by medical evidence; and

51.14 (7) symptomatology and loss of function and use of the injured member.

51.15 The factors in clauses (1) to (7) shall not be used in any individual or specific
 51.16 workers' compensation claim under this chapter but shall be used only in the adoption
 51.17 of rules pursuant to this section.

51.18 Nothing listed in clauses (1) to (7) shall be used to dispute or challenge a disability
 51.19 rating given to a part of the body so long as the whole schedule conforms with the
 51.20 expressed intent of this section.

51.21 (f) If an employee suffers a permanent functional disability of more than one body
 51.22 part due to a personal injury incurred in a single occurrence, the percent of the whole body
 51.23 which is permanently partially disabled shall be determined by the following formula so
 51.24 as to ensure that the percentage for all functional disability combined does not exceed the
 51.25 total for the whole body:

$$51.26 \qquad \qquad \qquad A + B (1 - A)$$

51.27 where: A is the greater percentage whole body loss of the first body part; and B is
 51.28 the lesser percentage whole body loss otherwise payable for the second body part. A + B
 51.29 (1-A) is equivalent to A + B - AB.

51.30 For permanent partial disabilities to three body parts due to a single occurrence or as
 51.31 the result of an occupational disease, the above formula shall be applied, providing that
 51.32 A equals the result obtained from application of the formula to the first two body parts
 51.33 and B equals the percentage for the third body part. For permanent partial disability to
 51.34 four or more body parts incurred as described above, A equals the result obtained from
 51.35 the prior application of the formula, and B equals the percentage for the fourth body
 51.36 part or more in arithmetic progressions.

52.1 Sec. 76. Minnesota Statutes 2014, section 196.05, subdivision 1, is amended to read:

52.2 Subdivision 1. **General duties.** The commissioner shall:

52.3 (1) act as the agent of a resident of the state having a claim against the United States
52.4 for benefits arising out of or by reason of service in the armed forces and prosecute the
52.5 claim without charge;

52.6 (2) act as custodian of veterans' bonus records;

52.7 (3) administer the laws relating to the providing of bronze flag holders at veterans'
52.8 graves for memorial purposes;

52.9 (4) administer the laws relating to recreational or rest camps for veterans so far
52.10 as applicable to state agencies;

52.15 securing to veterans and their dependents the benefits provided by national, state, and
52.16 county laws, municipal ordinances, or public and private social agencies;

52.17 (7) provide necessary assistance where other adequate aid is not available to the
52.18 dependent family of a veteran while the veteran is hospitalized and after the veteran is
52.19 released for as long a period as is necessary as determined by the commissioner;

52.20 ~~(8) act as the guardian, conservator, or representative payee of the estate for a minor~~
52.21 ~~or an incompetent person receiving money from the United States government when~~
52.22 ~~requested to do so by an agency of the United States of America provided sufficient~~
52.23 ~~personnel are available;~~

52.24 ~~(9)~~ (8) cooperate with United States governmental agencies providing compensation,
52.25 pensions, insurance, or other benefits provided by federal law, by supplementing the
52.26 benefits prescribed therein, when conditions in an individual case make it necessary;

52.27 ~~(10)~~ (9) assist dependent family members of military personnel who are called from
52.28 reserve status to extended federal active duty during a time of war or national emergency
52.29 through the state soldiers' assistance fund provided by section 197.03;

52.30 ~~(11)~~ (10) exercise other powers as may be authorized and necessary to carry out the
52.31 provisions of this chapter and chapter 197, consistent with that chapter; and

52.32 ~~(12)~~ (11) provide information, referral, and counseling services to those veterans
52.33 who may have suffered adverse health conditions as a result of possible exposure to
52.34 chemical agents.

53.1 Sec. 77. Minnesota Statutes 2015 Supplement, section 200.02, subdivision 23, is
53.2 amended to read:

53.3 Subd. 23. **Minor political party.** (a) "Minor political party" means a political party
53.4 that has adopted a state constitution, designated a state party chair, held a state convention
53.5 in the last two years, filed with the secretary of state no later than December 31 following
53.6 the most recent state general election a certification that the party has met the foregoing
53.7 requirements, and met the requirements of paragraph (b) or (e), as applicable.

53.8 (b) To be considered a minor party in all elections statewide, the political party must
53.9 have presented at least one candidate ~~for election to the office of:~~

53.10 (1) for election to the office of governor and lieutenant governor, secretary of state,
53.11 state auditor, or attorney general, at the last preceding state general election for those
53.12 offices; or

53.13 (2) for election to the office of presidential elector or U.S. senator at the preceding
53.14 state general election for presidential electors; and

53.15 (3) who received votes in each county that in the aggregate equal at least one percent
53.16 of the total number of individuals who voted in the election, or its members must have
53.17 presented to the secretary of state at any time before the close of filing for the state
53.18 partisan primary ballot a nominating petition in a form prescribed by the secretary of state
53.19 containing the valid signatures of party members in a number equal to at least one percent
53.20 of the total number of individuals who voted in the preceding state general election. A
53.21 signature is valid only if signed no more than one year prior to the date the petition was filed.

53.22 (c) A political party whose candidate receives a sufficient number of votes at a
53.23 state general election described in paragraph (b) becomes a minor political party as of
53.24 January 1 following that election and retains its minor party status for at least two state
53.25 general elections even if the party fails to present a candidate who receives the number
53.26 and percentage of votes required under paragraph (b) at subsequent state general elections.

53.27 (d) A minor political party whose candidates fail to receive the number and
53.28 percentage of votes required under paragraph (b) at each of two consecutive state general
53.29 elections described by paragraph (b) loses minor party status as of December 31 following
53.30 the later of the two consecutive state general elections.

53.31 (e) A minor party that qualifies to be a major party loses its status as a minor party
53.32 at the time it becomes a major party. Votes received by the candidates of a major party
53.33 must be counted in determining whether the party received sufficient votes to qualify as a
53.34 minor party, notwithstanding that the party does not receive sufficient votes to retain its
53.35 major party status. To be considered a minor party in an election in a legislative district,
53.36 the political party must have presented at least one candidate for a legislative office in that

54.1 district who received votes from at least ten percent of the total number of individuals
54.2 who voted for that office, or its members must have presented to the secretary of state a
54.3 nominating petition in a form prescribed by the secretary of state containing the valid
54.4 signatures of party members in a number equal to at least ten percent of the total number of
54.5 individuals who voted in the preceding state general election for that legislative office. A

63.33 (7) use prone restraint. For purposes of this section, "prone restraint" means use
 63.34 of manual restraint that places a person in a face-down position. Prone restraint does
 63.35 not include brief physical holding of a person who, during an emergency use of manual

64.1 restraint, rolls into a prone position, if the person is restored to a standing, sitting, or
64.2 side-lying position as quickly as possible;

64.3 (8) apply back or chest pressure while a person is in a prone position as identified in
64.4 clause (7), supine position, or side-lying position; or

64.5 (9) be implemented in a manner that is contraindicated for any of the person's known
64.6 medical or psychological limitations.

64.7 Sec. 96. Minnesota Statutes 2015 Supplement, section 245D.06, subdivision 7, is
64.8 amended to read:

64.9 Subd. 7. **Permitted actions and procedures.** (a) Use of the instructional techniques
64.10 and intervention procedures as identified in paragraphs (b) and (c) is permitted when used
64.11 on an intermittent or continuous basis. When used on a continuous basis, it must be
64.12 addressed in a person's coordinated service and support plan addendum as identified in
64.13 sections 245D.07 and 245D.071. ~~For purposes of this chapter, the requirements of this~~
64.14 ~~subdivision supersede the requirements identified in Minnesota Rules, part 9525.2720.~~

64.15 (b) Physical contact or instructional techniques must use the least restrictive
64.16 alternative possible to meet the needs of the person and may be used:

64.17 (1) to calm or comfort a person by holding that person with no resistance from
64.18 that person;

64.19 (2) to protect a person known to be at risk of injury due to frequent falls as a result
64.20 of a medical condition;

64.21 (3) to facilitate the person's completion of a task or response when the person does
64.22 not resist or the person's resistance is minimal in intensity and duration;

64.23 (4) to block or redirect a person's limbs or body without holding the person or
64.24 limiting the person's movement to interrupt the person's behavior that may result in injury
64.25 to self or others with less than 60 seconds of physical contact by staff; or

64.26 (5) to redirect a person's behavior when the behavior does not pose a serious threat
64.27 to the person or others and the behavior is effectively redirected with less than 60 seconds
64.28 of physical contact by staff.

64.29 (c) Restraint may be used as an intervention procedure to:

64.30 (1) allow a licensed health care professional to safely conduct a medical examination
64.31 or to provide medical treatment ordered by a licensed health care professional;

64.32 (2) assist in the safe evacuation or redirection of a person in the event of an
64.33 emergency and the person is at imminent risk of harm; or

64.34 (3) position a person with physical disabilities in a manner specified in the person's
64.35 coordinated service and support plan addendum.

65.1 Any use of manual restraint as allowed in this paragraph must comply with the restrictions
65.2 identified in subdivision 6, paragraph (b).

65.3 (d) Use of adaptive aids or equipment, orthotic devices, or other medical equipment
65.4 ordered by a licensed health professional to treat a diagnosed medical condition do not in
65.5 and of themselves constitute the use of mechanical restraint.

65.6 Sec. 97. Minnesota Statutes 2014, section 245D.06, subdivision 8, is amended to read:

65.7 Subd. 8. **Positive support transition plan.** (a) License holders must develop
65.8 a positive support transition plan on the forms and in the manner prescribed by the
65.9 commissioner for a person who requires intervention in order to maintain safety when it is
65.10 known that the person's behavior poses an immediate risk of physical harm to self or others.
65.11 ~~The positive support transition plan forms and instructions will supersede the requirements~~
65.12 ~~in Minnesota Rules, parts 9525.2750, 9525.2760, and 9525.2780.~~ The positive support
65.13 transition plan must phase out any existing plans for the emergency or programmatic use
65.14 of restrictive interventions prohibited under this chapter within the following timelines:

65.15 (1) for persons receiving services from the license holder before January 1, 2014,
65.16 the plan must be developed and implemented by February 1, 2014, and phased out no
65.17 later than December 31, 2014; and

65.18 (2) for persons admitted to the program on or after January 1, 2014, the plan must be
65.19 developed and implemented within 30 calendar days of service initiation and phased out
65.20 no later than 11 months from the date of plan implementation.

65.21 (b) The commissioner has limited authority to grant approval for the emergency use
65.22 of procedures identified in subdivision 6 that had been part of an approved positive support
65.23 transition plan when a person is at imminent risk of serious injury as defined in section
65.24 245.91, subdivision 6, due to self-injurious behavior and the following conditions are met:

65.25 (1) the person's expanded support team approves the emergency use of the
65.26 procedures; and

65.27 (2) the interim review panel established in section 245.8251, subdivision 4,
65.28 recommends commissioner approval of the emergency use of the procedures.

65.29 (c) Written requests for the emergency use of the procedures must be developed
65.30 and submitted to the commissioner by the designated coordinator with input from the
65.31 person's expanded support team in accordance with the requirements set by the interim
65.32 review panel, in addition to the following:

65.33 (1) a copy of the person's current positive support transition plan and copies of
65.34 each positive support transition plan review containing data on the progress of the plan
65.35 from the previous year;

66.1 (2) documentation of a good faith effort to eliminate the use of the procedures that
66.2 had been part of an approved positive support transition plan;

66.3 (3) justification for the continued use of the procedures that identifies the imminent
66.4 risk of serious injury due to the person's self-injurious behavior if the procedures were
66.5 eliminated;

66.6 (4) documentation of the clinicians consulted in creating and maintaining the
66.7 positive support transition plan; and

66.8 (5) documentation of the expanded support team's approval and the recommendation
66.9 from the interim panel required under paragraph (b).

66.10 (d) A copy of the written request, supporting documentation, and the commissioner's
66.11 final determination on the request must be maintained in the person's service recipient
66.12 record.

66.13 Sec. 98. Minnesota Statutes 2015 Supplement, section 245D.061, subdivision 1,
66.14 is amended to read:

66.15 Subdivision 1. **Standards for emergency use of manual restraints.** The license
66.16 holder must ensure that emergency use of manual restraints complies with the requirements
66.17 of this chapter and the license holder's policy and procedures as required under subdivision
66.18 9. ~~For the purposes of persons receiving services governed by this chapter, this section~~
66.19 ~~supersedes the requirements identified in Minnesota Rules, part 9525.2770.~~

66.20 Sec. 99. Minnesota Statutes 2015 Supplement, section 246.18, subdivision 8, is
66.21 amended to read:

66.22 Subd. 8. **State-operated services account.** (a) The state-operated services account is
66.23 established in the special revenue fund. Revenue generated by new state-operated services
66.24 listed under this section established after July 1, 2010, that are not enterprise activities must
66.25 be deposited into the state-operated services account, unless otherwise specified in law:

66.26 (1) intensive residential treatment services;

66.27 (2) foster care services; and

66.28 (3) psychiatric extensive recovery treatment services.

66.29 (b) Funds deposited in the state-operated services account are appropriated to the
66.30 commissioner of human services for the purposes of:

66.31 (1) providing services needed to transition individuals from institutional settings
66.32 within state-operated services to the community when those services have no other
66.33 adequate funding source; and

67.1 (2) ~~to fund~~ funding the operation of the intensive residential treatment service
67.2 program in Willmar.

67.3 Sec. 100. Minnesota Statutes 2014, section 252.28, subdivision 3, is amended to read:

67.4 Subd. 3. **Licensing determinations.** (a) No new license shall be granted pursuant
67.5 to this section when the issuance of the license would substantially contribute to an
67.6 excessive concentration of community residential facilities within any town, municipality
67.7 or county of the state.

67.8 (b) In determining whether a license shall be issued pursuant to this subdivision,
67.9 the commissioner of human services shall specifically consider the population, size, land
67.10 use plan, availability of community services and the number and size of existing public
67.11 and private community residential facilities in the town, municipality or county in which
67.12 a licensee seeks to operate a residence. Under no circumstances may the commissioner
67.13 newly license any facility pursuant to this section except as provided in section 245A.11.
67.14 The commissioner of human services shall establish uniform rules to implement the
67.15 provisions of this subdivision.

67.16 (c) Licenses for community facilities and services shall be issued pursuant to section
67.17 245.821.

67.18 (d) No new license shall be granted for a residential program that provides home
67.19 and community-based waived services to more than four individuals at a site, except as
67.20 authorized by the commissioner for emergency situations that would result in the placement
67.21 of individuals into regional treatment centers. Such licenses shall not exceed 24 months.

67.22 (e) The commissioner shall not approve a determination of need application that
67.23 requests that an existing residential program license under ~~Minnesota Rules, parts~~
67.24 ~~9525.0215 to 9525.0355~~ chapter 245D be modified in a manner that would result in the
67.25 issuance of two or more licenses for the same residential program at the same location.

67.26 Sec. 101. Minnesota Statutes 2014, section 252.451, subdivision 1, is amended to read:

67.27 Subdivision 1. **Definition.** For the purposes of this section, "qualified business"
67.28 means a business that employs primarily nondisabled persons and will employ persons
67.29 with developmental disabilities. For purposes of this section, licensed providers of
67.30 residential services for persons with developmental disabilities are not a qualified
67.31 business. A qualified business and its employees are exempt from Minnesota Rules, parts
67.32 ~~9525.1500 to 9525.1690~~ and 9525.1800 to 9525.1930.

67.33 Sec. 102. Minnesota Statutes 2014, section 253B.064, subdivision 1, is amended to read:

68.1 Subdivision 1. **General.** (a) An interested person may apply to the designated
68.2 agency for early intervention of a proposed patient in the county of financial responsibility
68.3 or the county where the patient is present. If the designated agency determines that early
68.4 intervention may be appropriate, a prepetition screening report must be prepared pursuant
68.5 to section 253B.07, subdivision 1. The county attorney may file a petition for early
68.6 intervention following the procedures of section 253B.07, subdivision 2.

68.7 (b) The proposed patient is entitled to representation by counsel, pursuant to section
68.8 ~~253B.03, subdivision 9~~ 253B.07, subdivision 2c. The proposed patient shall be examined
68.9 by an examiner, and has the right to a second independent examiner, pursuant to section
68.10 253B.07, subdivisions 3 and 5.

68.11 Sec. 103. Minnesota Statutes 2014, section 253B.18, subdivision 5a, is amended to read:

68.12 Subd. 5a. **Victim notification of petition and release; right to submit statement.**

68.13 (a) As used in this subdivision:

68.14 (1) "crime" has the meaning given to "violent crime" in section 609.1095, and
68.15 includes criminal sexual conduct in the fifth degree and offenses within the definition of
68.16 "crime against the person" in section 253B.02, subdivision 4a, and also includes offenses
68.17 listed in section ~~253D.08~~ 253D.02, subdivision 8, paragraph (b), regardless of whether
68.18 they are sexually motivated;

68.19 (2) "victim" means a person who has incurred loss or harm as a result of a crime
68.20 the behavior for which forms the basis for a commitment under this section or chapter
68.21 253D; and

68.22 (3) "convicted" and "conviction" have the meanings given in section 609.02,
68.23 subdivision 5, and also include juvenile court adjudications, findings under Minnesota
68.24 Rules of Criminal Procedure, rule 20.02, that the elements of a crime have been proved,
68.25 and findings in commitment cases under this section or chapter 253D that an act or acts
68.26 constituting a crime occurred.

68.27 (b) A county attorney who files a petition to commit a person under this section or
68.28 chapter 253D shall make a reasonable effort to provide prompt notice of filing the petition to
68.29 any victim of a crime for which the person was convicted. In addition, the county attorney
68.30 shall make a reasonable effort to promptly notify the victim of the resolution of the petition.

68.31 (c) Before provisionally discharging, discharging, granting pass-eligible status,
68.32 approving a pass plan, or otherwise permanently or temporarily releasing a person
68.33 committed under this section from a treatment facility, the head of the treatment facility
68.34 shall make a reasonable effort to notify any victim of a crime for which the person was
68.35 convicted that the person may be discharged or released and that the victim has a right

69.1 to submit a written statement regarding decisions of the medical director, special review
69.2 board, or commissioner with respect to the person. To the extent possible, the notice
69.3 must be provided at least 14 days before any special review board hearing or before
69.4 a determination on a pass plan. Notwithstanding section 611A.06, subdivision 4, the
69.5 commissioner shall provide the judicial appeal panel with victim information in order to
69.6 comply with the provisions of this section. The judicial appeal panel shall ensure that the
69.7 data on victims remains private as provided for in section 611A.06, subdivision 4.

69.8 (d) This subdivision applies only to victims who have requested notification through
69.9 the Department of Corrections electronic victim notification system, or by contacting, in
69.10 writing, the county attorney in the county where the conviction for the crime occurred.
69.11 A request for notice under this subdivision received by the commissioner of corrections
69.12 through the Department of Corrections electronic victim notification system shall be
69.13 promptly forwarded to the prosecutorial authority with jurisdiction over the offense to
69.14 which the notice relates or, following commitment, the head of the treatment facility. A
69.15 county attorney who receives a request for notification under this paragraph following
69.16 commitment shall promptly forward the request to the commissioner of human services.

69.17 (e) The rights under this subdivision are in addition to rights available to a victim
69.18 under chapter 611A. This provision does not give a victim all the rights of a "notified
69.19 person" or a person "entitled to statutory notice" under subdivision 4a, 4b, or 5 or section
69.20 253D.14.

69.21 Sec. 104. Minnesota Statutes 2014, section 253C.01, subdivision 1, is amended to read:

69.26 Rules, parts ~~9545.0900 to 9545.1090~~ 2960.0580 to 2960.0700, to provide services to
69.27 minors on a 24-hour basis.

69.28 Sec. 105. Minnesota Statutes 2014, section 256.01, subdivision 2, is amended to read:

69.29 Subd. 2. **Specific powers.** Subject to the provisions of section 241.021, subdivision
69.30 2, the commissioner of human services shall carry out the specific duties in paragraphs (a)
69.31 through (bb):

69.32 (a) Administer and supervise all forms of public assistance provided for by state law
69.33 and other welfare activities or services as are vested in the commissioner. Administration
69.34 and supervision of human services activities or services includes, but is not limited to,

70.1 assuring timely and accurate distribution of benefits, completeness of service, and quality
70.2 program management. In addition to administering and supervising human services
70.3 activities vested by law in the department, the commissioner shall have the authority to:

70.4 (1) require county agency participation in training and technical assistance programs
70.5 to promote compliance with statutes, rules, federal laws, regulations, and policies
70.6 governing human services;

70.7 (2) monitor, on an ongoing basis, the performance of county agencies in the
70.8 operation and administration of human services, enforce compliance with statutes, rules,
70.9 federal laws, regulations, and policies governing welfare services and promote excellence
70.10 of administration and program operation;

70.11 (3) develop a quality control program or other monitoring program to review county
70.12 performance and accuracy of benefit determinations;

70.13 (4) require county agencies to make an adjustment to the public assistance benefits
70.14 issued to any individual consistent with federal law and regulation and state law and rule
70.15 and to issue or recover benefits as appropriate;

70.16 (5) delay or deny payment of all or part of the state and federal share of benefits and
70.17 administrative reimbursement according to the procedures set forth in section 256.017;

70.18 (6) make contracts with and grants to public and private agencies and organizations,
70.19 both profit and nonprofit, and individuals, using appropriated funds; and

70.20 (7) enter into contractual agreements with federally recognized Indian tribes with
70.21 a reservation in Minnesota to the extent necessary for the tribe to operate a federally
70.22 approved family assistance program or any other program under the supervision of the
70.23 commissioner. The commissioner shall consult with the affected county or counties in
70.24 the contractual agreement negotiations, if the county or counties wish to be included,
70.25 in order to avoid the duplication of county and tribal assistance program services. The
70.26 commissioner may establish necessary accounts for the purposes of receiving and
70.27 disbursing funds as necessary for the operation of the programs.

70.28 (b) Inform county agencies, on a timely basis, of changes in statute, rule, federal law,
70.29 regulation, and policy necessary to county agency administration of the programs.

70.30 (c) Administer and supervise all child welfare activities; promote the enforcement of
70.31 laws protecting disabled, dependent, neglected and delinquent children, and children born
70.32 to mothers who were not married to the children's fathers at the times of the conception
70.33 nor at the births of the children; license and supervise child-caring and child-placing
70.34 agencies and institutions; supervise the care of children in boarding and foster homes or
70.35 in private institutions; and generally perform all functions relating to the field of child
70.36 welfare now vested in the State Board of Control.

71.1 (d) Administer and supervise all noninstitutional service to persons with disabilities,
71.2 including persons who have vision impairments, and persons who are deaf, deafblind, and
71.3 hard-of-hearing or with other disabilities. The commissioner may provide and contract for
71.4 the care and treatment of qualified indigent children in facilities other than those located and
71.5 available at state hospitals when it is not feasible to provide the service in state hospitals.

71.6 (e) Assist and actively cooperate with other departments, agencies and institutions,
71.7 local, state, and federal, by performing services in conformity with the purposes of Laws
71.8 1939, chapter 431.

71.9 (f) Act as the agent of and cooperate with the federal government in matters of
71.10 mutual concern relative to and in conformity with the provisions of Laws 1939, chapter
71.11 431, including the administration of any federal funds granted to the state to aid in the
71.12 performance of any functions of the commissioner as specified in Laws 1939, chapter 431,
71.13 and including the promulgation of rules making uniformly available medical care benefits
71.14 to all recipients of public assistance, at such times as the federal government increases its
71.15 participation in assistance expenditures for medical care to recipients of public assistance,
71.16 the cost thereof to be borne in the same proportion as are grants of aid to said recipients.

71.17 (g) Establish and maintain any administrative units reasonably necessary for the
71.18 performance of administrative functions common to all divisions of the department.

71.19 (h) Act as designated guardian of both the estate and the person of all the wards of
71.20 the state of Minnesota, whether by operation of law or by an order of court, without any
71.21 further act or proceeding whatever, except as to persons committed as developmentally
71.22 disabled. For children under the guardianship of the commissioner or a tribe in Minnesota
71.23 recognized by the Secretary of the Interior whose interests would be best served by
71.24 adoptive placement, the commissioner may contract with a licensed child-placing agency
71.25 or a Minnesota tribal social services agency to provide adoption services. A contract
71.26 with a licensed child-placing agency must be designed to supplement existing county
71.27 efforts and may not replace existing county programs or tribal social services, unless the
71.28 replacement is agreed to by the county board and the appropriate exclusive bargaining
71.29 representative, tribal governing body, or the commissioner has evidence that child
71.30 placements of the county continue to be substantially below that of other counties. Funds
71.31 encumbered and obligated under an agreement for a specific child shall remain available
71.32 until the terms of the agreement are fulfilled or the agreement is terminated.

71.33 (i) Act as coordinating referral and informational center on requests for service for
71.34 newly arrived immigrants coming to Minnesota.

71.35 (j) The specific enumeration of powers and duties as hereinabove set forth shall in no
71.36 way be construed to be a limitation upon the general transfer of powers herein contained.

72.1 (k) Establish county, regional, or statewide schedules of maximum fees and charges
72.2 which may be paid by county agencies for medical, dental, surgical, hospital, nursing and
72.3 nursing home care and medicine and medical supplies under all programs of medical
72.4 care provided by the state and for congregate living care under the income maintenance
72.5 programs.

72.6 (l) Have the authority to conduct and administer experimental projects to test methods
72.7 and procedures of administering assistance and services to recipients or potential recipients
72.8 of public welfare. To carry out such experimental projects, it is further provided that the
72.9 commissioner of human services is authorized to waive the enforcement of existing specific
72.10 statutory program requirements, rules, and standards in one or more counties. The order
72.11 establishing the waiver shall provide alternative methods and procedures of administration,
72.12 shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and
72.13 in no event shall the duration of a project exceed four years. It is further provided that no
72.14 order establishing an experimental project as authorized by the provisions of this section
72.15 shall become effective until the following conditions have been met:

72.16 (1) the secretary of health and human services of the United States has agreed, for
72.17 the same project, to waive state plan requirements relative to statewide uniformity; and

72.18 (2) a comprehensive plan, including estimated project costs, shall be approved by
72.19 the Legislative Advisory Commission and filed with the commissioner of administration.

72.20 (m) According to federal requirements, establish procedures to be followed by
72.21 local welfare boards in creating citizen advisory committees, including procedures for
72.22 selection of committee members.

72.23 (n) Allocate federal fiscal disallowances or sanctions which are based on quality
72.24 control error rates for the aid to families with dependent children program formerly
72.25 codified in sections 256.72 to 256.87, medical assistance, or food stamp program in the
72.26 following manner:

72.27 (1) one-half of the total amount of the disallowance shall be borne by the county
72.28 boards responsible for administering the programs. For the medical assistance and the
72.29 AFDC program formerly codified in sections 256.72 to 256.87, disallowances shall be
72.30 shared by each county board in the same proportion as that county's expenditures for the
72.31 sanctioned program are to the total of all counties' expenditures for the AFDC program
72.32 formerly codified in sections 256.72 to 256.87, and medical assistance programs. For the
72.33 food stamp program, sanctions shall be shared by each county board, with 50 percent of
72.34 the sanction being distributed to each county in the same proportion as that county's
72.35 administrative costs for food stamps are to the total of all food stamp administrative costs
72.36 for all counties, and 50 percent of the sanctions being distributed to each county in the

73.1 same proportion as that county's value of food stamp benefits issued are to the total of
73.2 all benefits issued for all counties. Each county shall pay its share of the disallowance
73.3 to the state of Minnesota. When a county fails to pay the amount due hereunder, the
73.4 commissioner may deduct the amount from reimbursement otherwise due the county, or
73.5 the attorney general, upon the request of the commissioner, may institute civil action
73.6 to recover the amount due; and

73.7 (2) notwithstanding the provisions of clause (1), if the disallowance results from
73.8 knowing noncompliance by one or more counties with a specific program instruction, and
73.9 that knowing noncompliance is a matter of official county board record, the commissioner
73.10 may require payment or recover from the county or counties, in the manner prescribed in
73.11 clause (1), an amount equal to the portion of the total disallowance which resulted from the
73.12 noncompliance, and may distribute the balance of the disallowance according to clause (1).

73.13 (o) Develop and implement special projects that maximize reimbursements and
73.14 result in the recovery of money to the state. For the purpose of recovering state money,
73.15 the commissioner may enter into contracts with third parties. Any recoveries that result
73.16 from projects or contracts entered into under this paragraph shall be deposited in the
73.17 state treasury and credited to a special account until the balance in the account reaches
73.18 \$1,000,000. When the balance in the account exceeds \$1,000,000, the excess shall be
73.19 transferred and credited to the general fund. All money in the account is appropriated to
73.20 the commissioner for the purposes of this paragraph.

73.21 ~~(p) Have the authority to make direct payments to facilities providing shelter~~
73.22 ~~to women and their children according to section 256D.05, subdivision 3. Upon~~
73.23 ~~the written request of a shelter facility that has been denied payments under section~~
73.24 ~~256D.05, subdivision 3, the commissioner shall review all relevant evidence and make~~
73.25 ~~a determination within 30 days of the request for review regarding issuance of direct~~
73.26 ~~payments to the shelter facility. Failure to act within 30 days shall be considered a~~
73.27 ~~determination not to issue direct payments.~~

73.29 requirements:

73.30 (1) the commissioner shall establish fiscal and statistical reporting requirements
73.31 necessary to account for the expenditure of funds allocated to counties for human
73.32 services programs. When establishing financial and statistical reporting requirements, the
73.33 commissioner shall evaluate all reports, in consultation with the counties, to determine if
73.34 the reports can be simplified or the number of reports can be reduced;

73.35 (2) the county board shall submit monthly or quarterly reports to the department
73.36 as required by the commissioner. Monthly reports are due no later than 15 working days

74.1 after the end of the month. Quarterly reports are due no later than 30 calendar days after
74.2 the end of the quarter, unless the commissioner determines that the deadline must be
74.3 shortened to 20 calendar days to avoid jeopardizing compliance with federal deadlines
74.4 or risking a loss of federal funding. Only reports that are complete, legible, and in the
74.5 required format shall be accepted by the commissioner;

74.6 (3) if the required reports are not received by the deadlines established in clause (2),
74.7 the commissioner may delay payments and withhold funds from the county board until
74.8 the next reporting period. When the report is needed to account for the use of federal
74.9 funds and the late report results in a reduction in federal funding, the commissioner shall
74.10 withhold from the county boards with late reports an amount equal to the reduction in
74.11 federal funding until full federal funding is received;

74.12 (4) a county board that submits reports that are late, illegible, incomplete, or not
74.13 in the required format for two out of three consecutive reporting periods is considered
74.14 noncompliant. When a county board is found to be noncompliant, the commissioner
74.15 shall notify the county board of the reason the county board is considered noncompliant
74.16 and request that the county board develop a corrective action plan stating how the
74.17 county board plans to correct the problem. The corrective action plan must be submitted
74.18 to the commissioner within 45 days after the date the county board received notice
74.19 of noncompliance;

74.20 (5) the final deadline for fiscal reports or amendments to fiscal reports is one year
74.21 after the date the report was originally due. If the commissioner does not receive a report
74.22 by the final deadline, the county board forfeits the funding associated with the report for
74.23 that reporting period and the county board must repay any funds associated with the
74.24 report received for that reporting period;

74.25 (6) the commissioner may not delay payments, withhold funds, or require repayment
74.26 under clause (3) or (5) if the county demonstrates that the commissioner failed to
74.27 provide appropriate forms, guidelines, and technical assistance to enable the county to
74.28 comply with the requirements. If the county board disagrees with an action taken by the
74.29 commissioner under clause (3) or (5), the county board may appeal the action according
74.30 to sections 14.57 to 14.69; and

74.31 (7) counties subject to withholding of funds under clause (3) or forfeiture or
74.32 repayment of funds under clause (5) shall not reduce or withhold benefits or services to
74.33 clients to cover costs incurred due to actions taken by the commissioner under clause
74.34 (3) or (5).

75.2 federal fiscal disallowances or sanctions are based on a statewide random sample in direct
75.3 proportion to each county's claim for that period.

75.4 (s) Be responsible for ensuring the detection, prevention, investigation, and
75.5 resolution of fraudulent activities or behavior by applicants, recipients, and other
75.6 participants in the human services programs administered by the department.

75.8 all available and cost-beneficial methodologies to collect and recover these overpayments
75.9 in the human services programs administered by the department.

75.10 (u) Have the authority to administer the federal drug rebate program for drugs
75.11 purchased under the medical assistance program as allowed by section 1927 of title XIX
75.12 of the Social Security Act and according to the terms and conditions of section 1927.
75.13 Rebates shall be collected for all drugs that have been dispensed or administered in an
75.14 outpatient setting and that are from manufacturers who have signed a rebate agreement
75.15 with the United States Department of Health and Human Services.

75.16 (v) Have the authority to administer a supplemental drug rebate program for drugs
75.17 purchased under the medical assistance program. The commissioner may enter into
75.18 supplemental rebate contracts with pharmaceutical manufacturers and may require prior
75.19 authorization for drugs that are from manufacturers that have not signed a supplemental
75.20 rebate contract. Prior authorization of drugs shall be subject to the provisions of section
75.21 256B.0625, subdivision 13.

75.26 treatment center which operates communications systems. Each account must be used
75.27 to manage shared communication costs necessary for the operations of the programs the
75.28 commissioner supervises. The commissioner may distribute the costs of operating and
75.29 maintaining communication systems to participants in a manner that reflects actual usage.

75.31 other costs as determined by the commissioner. Nonprofit organizations and state, county,
75.32 and local government agencies involved in the operation of programs the commissioner
75.33 supervises may participate in the use of the department's communications technology and
75.34 share in the cost of operation. The commissioner may accept on behalf of the state any

75.36 any lawful purpose pertaining to the communication activities of the department. Any

77.15 preponderance of evidence exists to support the final disposition under sections 626.556
77.16 and 626.557. For purposes of hearings regarding disqualification, the state human
77.17 services judge shall affirm the proposed disqualification in an appeal under subdivision 3,
77.18 paragraph (a), clause (9), if a preponderance of the evidence shows the individual has:

77.19 (1) committed maltreatment under section 626.556 or 626.557, which is serious or
77.20 recurring;

77.26 (b) If the disqualification is affirmed, the state human services judge shall determine
77.27 whether the individual poses a risk of harm in accordance with the requirements of

77.30 judge shall consider all of the characteristics that cause the individual to be disqualified,
77.31 including those characteristics that were not subject to review under paragraph (a), in
77.32 order to determine whether the individual poses a risk of harm. A decision to set aside
77.33 a disqualification that is the subject of the hearing constitutes a determination that the

78.1 individual does not pose a risk of harm and that the individual may provide direct contact
78.2 services in the individual program specified in the set aside.

78.3 (c) If a disqualification is based solely on a conviction or is conclusive for any

78.5 hearing under this section.

78.7 of health, education, or human services, as applicable, who shall issue a final order. The
78.8 commissioner shall affirm, reverse, or modify the final disposition. Any order of the
78.9 commissioner issued in accordance with this subdivision is conclusive upon the parties

93.11 groups for purposes of reimbursement under this section, the commissioner shall ensure
93.12 that nursing facilities in any county contiguous to the Minneapolis-St. Paul seven-county
93.13 metropolitan area are included in the same geographic group. The limits established by
93.14 the commissioner shall not be less, in the aggregate, than the 60th percentile of total
93.15 actual allowable historical operating cost per diems for each group of nursing facilities
93.16 established under subdivision 1 based on cost reports of allowable operating costs in the
93.17 previous reporting year. For rate years beginning on or after July 1, 1989, facilities located
93.18 in geographic group I as described in Minnesota Rules, part 9549.0052, on January 1,
93.19 1989, may choose to have the commissioner apply either the care related limits or the other
93.20 operating cost limits calculated for facilities located in geographic group II, or both, if
93.21 either of the limits calculated for the group II facilities is higher. The efficiency incentive
93.22 for geographic group I nursing facilities must be calculated based on geographic group I
93.23 limits. The phase-in must be established utilizing the chosen limits. For purposes of these
93.24 exceptions to the geographic grouping requirements, the definitions in Minnesota Rules,
93.25 parts ~~9549.0050~~ 9549.0051 to 9549.0059 (Emergency), and 9549.0010 to 9549.0080,
93.26 apply. The limits established under this paragraph remain in effect until the commissioner
93.27 establishes a new base period. Until the new base period is established, the commissioner
93.28 shall adjust the limits annually using the appropriate economic change indices established
93.29 in paragraph (e). In determining allowable historical operating cost per diems for purposes
93.30 of setting limits and nursing facility payment rates, the commissioner shall divide the
93.31 allowable historical operating costs by the actual number of resident days, except that
93.32 where a nursing facility is occupied at less than 90 percent of licensed capacity days, the
93.33 commissioner may establish procedures to adjust the computation of the per diem to
93.34 an imputed occupancy level at or below 90 percent. The commissioner shall establish
93.35 efficiency incentives as appropriate. The commissioner may establish efficiency incentives
93.36 for different operating cost categories. The commissioner shall consider establishing

94.1 efficiency incentives in care related cost categories. The commissioner may combine one
94.2 or more operating cost categories and may use different methods for calculating payment
94.3 rates for each operating cost category or combination of operating cost categories. For the
94.4 rate year beginning on July 1, 1985, the commissioner shall:

94.5 (1) allow nursing facilities that have an average length of stay of 180 days or less in
94.6 their skilled nursing level of care, 125 percent of the care related limit and 105 percent
94.7 of the other operating cost limit established by rule; and

94.8 (2) exempt nursing facilities licensed on July 1, 1983, by the commissioner to
94.9 provide residential services for the physically disabled under Minnesota Rules, parts
94.10 9570.2000 to ~~9570.3600~~ 9570.3400, from the care related limits and allow 105 percent of
94.11 the other operating cost limit established by rule.

94.12 For the purpose of calculating the other operating cost efficiency incentive for
94.13 nursing facilities referred to in clause (1) or (2), the commissioner shall use the other
94.14 operating cost limit established by rule before application of the 105 percent.

94.15 (e) The commissioner shall establish a composite index or indices by determining
94.16 the appropriate economic change indicators to be applied to specific operating cost
94.17 categories or combination of operating cost categories.

94.18 (f) Each nursing facility shall receive an operating cost payment rate equal to the sum
94.19 of the nursing facility's operating cost payment rates for each operating cost category. The
94.20 operating cost payment rate for an operating cost category shall be the lesser of the nursing
94.21 facility's historical operating cost in the category increased by the appropriate index
94.22 established in paragraph (e) for the operating cost category plus an efficiency incentive
94.23 established pursuant to paragraph (d) or the limit for the operating cost category increased
94.24 by the same index. If a nursing facility's actual historic operating costs are greater than the
94.25 prospective payment rate for that rate year, there shall be no retroactive cost settle up. In
94.26 establishing payment rates for one or more operating cost categories, the commissioner may
94.27 establish separate rates for different classes of residents based on their relative care needs.

94.28 (g) The commissioner shall include the reported actual real estate tax liability or
94.29 payments in lieu of real estate tax of each nursing facility as an operating cost of that
94.30 nursing facility. Allowable costs under this subdivision for payments made by a nonprofit
94.31 nursing facility that are in lieu of real estate taxes shall not exceed the amount which the
94.32 nursing facility would have paid to a city or township and county for fire, police, sanitation
94.33 services, and road maintenance costs had real estate taxes been levied on that property
94.34 for those purposes. For rate years beginning on or after July 1, 1987, the reported actual
94.35 real estate tax liability or payments in lieu of real estate tax of nursing facilities shall be
94.36 adjusted to include an amount equal to one-half of the dollar change in real estate taxes

95.1 from the prior year. The commissioner shall include a reported actual special assessment,
 95.2 and reported actual license fees required by the Minnesota Department of Health, for each
 95.3 nursing facility as an operating cost of that nursing facility. For rate years beginning
 95.4 on or after July 1, 1989, the commissioner shall include a nursing facility's reported
 95.5 Public Employee Retirement Act contribution for the reporting year as apportioned to the
 95.6 care-related operating cost categories and other operating cost categories multiplied by
 95.7 the appropriate composite index or indices established pursuant to paragraph (e) as costs
 95.8 under this paragraph. Total adjusted real estate tax liability, payments in lieu of real
 95.9 estate tax, actual special assessments paid, the indexed Public Employee Retirement Act
 95.10 contribution, and license fees paid as required by the Minnesota Department of Health,
 95.11 for each nursing facility (1) shall be divided by actual resident days in order to compute
 95.12 the operating cost payment rate for this operating cost category, (2) shall not be used to
 95.13 compute the care-related operating cost limits or other operating cost limits established
 95.14 by the commissioner, and (3) shall not be increased by the composite index or indices
 95.15 established pursuant to paragraph (e), unless otherwise indicated in this paragraph.

95.16 Sec. 122. Minnesota Statutes 2014, section 256B.438, subdivision 4, is amended to read:

95.17 Subd. 4. **Resident assessment schedule.** (a) Nursing facilities shall conduct and
 95.18 submit case mix assessments according to the schedule established by the commissioner
 95.19 of health under section 144.0724, subdivisions 4 and 5.

95.20 (b) The resident reimbursement classifications established under section 144.0724,
 95.21 subdivision ~~3~~ 3a, shall be effective the day of admission for new admission assessments.
 95.22 The effective date for significant change assessments shall be the assessment reference
 95.23 date. The effective date for annual and quarterly assessments shall be the first day of the
 95.24 month following assessment reference date.

95.25 (c) Effective October 1, 2006, the commissioner shall rebase payment rates
 95.26 to account for the change in the resident assessment schedule in section 144.0724,
 95.27 subdivision 4, paragraph (b), clause (4), in a facility specific budget neutral manner,
 95.28 according to subdivision 7, paragraph (b).

95.29 (d) Effective January 1, 2012, the commissioner shall determine payment rates
 95.30 to account for the transition to RUG-IV, in a facility-specific, revenue-neutral manner,
 95.31 according to subdivision 8, paragraph (b).

95.32 Sec. 123. Minnesota Statutes 2014, section 256B.47, subdivision 1, is amended to read:

95.33 Subdivision 1. **Nonallowable costs.** The following costs shall not be recognized as
 95.34 allowable: (1) political contributions; (2) salaries or expenses of a lobbyist, as defined

96.1 in section 10A.01, subdivision 21, for lobbying activities; (3) advertising designed to
 96.2 encourage potential residents to select a particular nursing facility; (4) assessments levied
 96.3 by the commissioner of health for uncorrected violations; (5) legal and related expenses
 96.4 for unsuccessful challenges to decisions by governmental agencies; (6) memberships in
 96.5 sports, health or similar social clubs or organizations; (7) costs incurred for activities
 96.6 directly related to influencing employees with respect to unionization; and (8) direct and
 96.7 indirect costs of providing services which are billed separately from the nursing facility's
 96.8 payment rate or pursuant to Minnesota Rules, parts ~~9500.0750 to 9500.1080~~ 9505.0170
 96.9 to 9505.0475. The commissioner shall by rule exclude the costs of any other items not
 96.10 directly related to the provision of resident care.

96.11 Sec. 124. Minnesota Statutes 2014, section 256B.47, subdivision 3, is amended to read:

96.12 Subd. 3. **Allocation of costs.** To ensure the avoidance of double payments as
 96.13 required by section 256B.433, the direct and indirect reporting year costs of providing
 96.14 residents of nursing facilities that are not hospital attached with therapy services that are
 96.15 billed separately from the nursing facility payment rate or according to Minnesota Rules,
 96.16 parts ~~9500.0750 to 9500.1080~~ 9505.0170 to 9505.0475, must be determined and deducted
 96.17 from the appropriate cost categories of the annual cost report as follows:

96.18 (a) The costs of wages and salaries for employees providing or participating in
 96.19 providing and consultants providing services shall be allocated to the therapy service
 96.20 based on direct identification.

96.21 (b) The costs of fringe benefits and payroll taxes relating to the costs in paragraph (a)
 96.22 must be allocated to the therapy service based on direct identification or the ratio of total
 96.23 costs in paragraph (a) to the sum of total allowable salaries and the costs in paragraph (a).

96.24 (c) The costs of housekeeping, plant operations and maintenance, real estate taxes,
 96.25 special assessments, and insurance, other than the amounts classified as a fringe benefit,
 96.26 must be allocated to the therapy service based on the ratio of service area square footage
 96.27 to total facility square footage.

96.28 (d) The costs of bookkeeping and medical records must be allocated to the therapy
 96.29 service either by the method in paragraph (e) or based on direct identification. Direct
 96.30 identification may be used if adequate documentation is provided to, and accepted by,
 96.31 the commissioner.

96.32 (e) The costs of administrators, bookkeeping, and medical records salaries, except
 96.33 as provided in paragraph (d), must be allocated to the therapy service based on the ratio
 96.34 of the total costs in paragraphs (a) to (d) to the sum of total allowable nursing facility
 96.35 costs and the costs in paragraphs (a) to (d).

97.1 (f) The cost of property must be allocated to the therapy service and removed from the
97.2 nursing facility's property-related payment rate, based on the ratio of service area square
97.3 footage to total facility square footage multiplied by the property-related payment rate.

97.4 Sec. 125. Minnesota Statutes 2014, section 256B.47, subdivision 4, is amended to read:

97.5 Subd. 4. **Allocation of costs; hospital-attached facilities.** To ensure the avoidance
97.6 of double payments as required by section 256B.433, the direct and indirect reporting
97.7 year costs of providing therapy services to residents of a hospital-attached nursing
97.8 facility, when the services are billed separately from the nursing facility's payment rate or
97.9 according to Minnesota Rules, parts ~~9500.0750 to 9500.1080~~ 9505.0170 to 9505.0475,
97.10 must be determined and deducted from the appropriate cost categories of the annual cost
97.11 report based on the Medicare step-down as prepared in accordance with instructions
97.12 provided by the commissioner.

97.13 Sec. 126. Minnesota Statutes 2014, section 256B.4914, subdivision 9, is amended to

97.16 unit-based ~~without program~~ services without programming, including night supervision,
97.17 personal support, respite, and companion care provided to an individual outside of any day
97.18 or residential service plan must be calculated as follows unless the services are authorized
97.19 separately under subdivision 6 or 7:

97.20 (1) for all services except respite, determine the number of units of service to meet
97.21 a recipient's needs;

97.22 (2) personnel hourly wage rates must be based on the 2009 Bureau of Labor Statistics
97.23 Minnesota-specific rate or rates derived by the commissioner as provided in subdivision 5;

97.24 (3) for a recipient requiring customization for deaf and hard-of-hearing language
97.25 accessibility under subdivision 12, add the customization rate provided in subdivision 12
97.26 to the result of clause (2). This is defined as the customized direct care rate;

97.27 (4) multiply the number of direct staff hours by the appropriate staff wage in
97.28 subdivision 5 or the customized direct care rate;

97.29 (5) multiply the number of direct staff hours by the product of the supervision span
97.30 of control ratio in subdivision 5, paragraph (f), clause (1), and the appropriate supervision
97.31 wage in subdivision 5, paragraph (a), clause (16);

97.32 (6) combine the results of clauses (4) and (5), and multiply the result by one plus
97.33 the employee vacation, sick, and training allowance ratio in subdivision 5, paragraph (f),
97.34 clause (2). This is defined as the direct staffing rate;

98.1 (7) for program plan support, multiply the result of clause (6) by one plus the

98.4 employee-related cost ratio in subdivision 5, paragraph (f), clause (3);

98.5 (9) for client programming and supports, multiply the result of clause (8) by one plus
98.6 the client programming and support ratio in subdivision 5, paragraph (f), clause (5);

98.7 (10) this is the subtotal rate;

98.8 (11) sum the standard general and administrative rate, the program-related expense
98.9 ratio, and the absence and utilization factor ratio;

98.10 (12) divide the result of clause (10) by one minus the result of clause (11). This is
98.11 the total payment amount;

98.12 (13) for respite services, determine the number of day units of service to meet an
98.13 individual's needs;

98.14 (14) personnel hourly wage rates must be based on the 2009 Bureau of Labor Statistics
98.15 Minnesota-specific rate or rates derived by the commissioner as provided in subdivision 5;

98.16 (15) for a recipient requiring deaf and hard-of-hearing customization under
98.17 subdivision 12, add the customization rate provided in subdivision 12 to the result of
98.18 clause (14). This is defined as the customized direct care rate;

98.19 (16) multiply the number of direct staff hours by the appropriate staff wage in
98.20 subdivision 5, paragraph (a);

98.21 (17) multiply the number of direct staff hours by the product of the supervisory span
98.22 of control ratio in subdivision 5, paragraph (g), clause (1), and the appropriate supervision
98.23 wage in subdivision 5, paragraph (a), clause (16);

98.24 (18) combine the results of clauses (16) and (17), and multiply the result by one plus
98.25 the employee vacation, sick, and training allowance ratio in subdivision 5, paragraph (g),
98.26 clause (2). This is defined as the direct staffing rate;

98.27 (19) for employee-related expenses, multiply the result of clause (18) by one plus
98.28 the employee-related cost ratio in subdivision 5, paragraph (g), clause (3);

98.29 (20) this is the subtotal rate;

98.30 (21) sum the standard general and administrative rate, the program-related expense
98.31 ratio, and the absence and utilization factor ratio;

98.32 (22) divide the result of clause (20) by one minus the result of clause (21). This is
98.33 the total payment amount; and

98.34 (23) adjust the result of clauses (12) and (22) by a factor to be determined by the
98.35 commissioner to adjust for regional differences in the cost of providing services.

99.1 Sec. 127. Minnesota Statutes 2015 Supplement, section 256B.50, subdivision 1,
99.2 is amended to read:

99.3 Subdivision 1. **Scope.** A provider may appeal from a determination of a payment
99.4 rate established pursuant to this chapter or allowed costs under section 256B.441 ~~and~~
99.5 ~~reimbursement rules of the commissioner~~ if the appeal, if successful, would result in
99.6 a change to the provider's payment rate or to the calculation of maximum charges to
99.7 therapy vendors as provided by section 256B.433, subdivision 3. Appeals must be filed
99.8 in accordance with procedures in this section. This section does not apply to a request
99.9 from a resident or long-term care facility for reconsideration of the classification of a

99.28 assistance on or after May 1, 1990.

99.29 (b) For purposes of establishing payment rates under this subdivision and

100.3 solely for other reasons such as the relocation of a facility; a change in the facility's name,
100.4 program, number of beds, type of beds, or ownership; or the sale of a facility, unless the
100.5 relocation of a facility to one or more service sites is the result of a closure of a facility
100.6 under section 252.292, in which case clause (3) shall not apply. The term does include
100.7 a facility that converts more than 50 percent of its licensed beds from class A to class
100.8 B residential or class B institutional to serve persons discharged from state regional

100.23 subpart 1, item C, subitem (4), for facilities that were newly constructed or newly
100.24 established before May 1, 1990.

100.25 (4) The investment per bed limits in clause (2) and Minnesota Rules, part 9553.0060,
100.26 subpart 1, item C, subitem (2) shall be adjusted annually beginning January 1, 1991, and
100.27 each January 1 following, as provided in Minnesota Rules, part 9553.0060, subpart 1, item

100.31 provided for in Minnesota Rules, part 9553.0060, subpart 3, item F, on capital debt for
100.32 capital assets acquired during the interim or settle-up period, shall be increased by 2.5
100.33 percentage points for each full .25 percentage points that the facility's interest rate on its
100.34 mortgage is below the maximum interest rate as established in Minnesota Rules, part
100.35 9553.0060, subpart 2, item A, subitem (2). For all following rate periods, the interest
100.36 expense limitation on capital debt in Minnesota Rules, part 9553.0060, subpart 3, item F,

101.1 shall apply to the facility's capital assets acquired, leased, or constructed after the interim
101.2 or settle-up period. If a newly constructed or newly established facility is acquired by the
101.3 state, the limitations of this paragraph and Minnesota Rules, part 9553.0060, subpart
101.4 3, item F, shall not apply.

101.5 (e) If a newly constructed or newly established facility is leased with an arm's-length
101.6 lease as provided for in Minnesota Rules, part 9553.0060, subpart 7, the lease agreement
101.7 shall be subject to the following conditions:

101.14 (f) All leases of the physical plant of an intermediate care facility for the
101.15 developmentally disabled shall contain a clause that requires the owner to give the
101.16 commissioner notice of any requests or orders to vacate the premises 90 days before
101.17 such vacation of the premises is to take place. In the case of eviction actions, the owner
101.18 shall notify the commissioner within three days of notice of an eviction action being
101.19 served upon the tenant. The only exception to this notice requirement is in the case of
101.20 emergencies where immediate vacation of the premises is necessary to assure the safety
101.21 and welfare of the residents. In such an emergency situation, the owner shall give the
101.22 commissioner notice of the request to vacate at the time the owner of the property is aware
101.23 that the vacating of the premises is necessary. This section applies to all leases entered
101.24 into after May 1, 1990. Rentals set in leases entered into after that date that do not contain
101.25 this clause are not allowable costs for purposes of medical assistance reimbursement.

101.26 (g) A newly constructed or newly established facility's preopening costs are subject
101.27 to the provisions of Minnesota Rules, part 9553.0035, subpart 12, and must be limited to
101.28 only those costs incurred during one of the following periods, whichever is shorter:

101.30 and 30 days before the date the facility is certified for medical assistance; or

101.31 (2) the 12-month period immediately preceding the 30 days before the date the
101.32 facility is certified for medical assistance.

101.33 (h) The development of any newly constructed or newly established facility as
101.34 defined in this subdivision and projected to be operational after July 1, 1991, by the
101.35 commissioner of human services shall be delayed until July 1, 1993, except for those
101.36 facilities authorized by the commissioner as a result of a closure of a facility according

102.1 to section 252.292 prior to January 1, 1991, or those facilities developed as a result of a
102.2 receivership of a facility according to section 245A.12. This paragraph does not apply to
102.3 state-operated community facilities authorized in section 252.50.

102.4 Sec. 130. Minnesota Statutes 2014, section 256B.5013, subdivision 1, is amended to

102.6 Subdivision 1. **Variable rate adjustments.** (a) For rate years beginning on or after
102.7 October 1, 2000, when there is a documented increase in the needs of a current ICF/DD
102.8 recipient, the county of financial responsibility may recommend a variable rate to enable
102.9 the facility to meet the individual's increased needs. Variable rate adjustments made under
102.10 this subdivision replace payments for persons with special needs under section 256B.501,
102.11 subdivision 8, and payments for persons with special needs for crisis intervention services
102.12 under section 256B.501, subdivision 8a. Effective July 1, 2003, facilities with a base rate
102.13 above the 50th percentile of the statewide average reimbursement rate for a Class A
102.14 facility or Class B facility, whichever matches the facility licensure, are not eligible for a
102.15 variable rate adjustment. Variable rate adjustments may not exceed a 12-month period,
102.16 except when approved for purposes established in paragraph (b), clause (1). Variable rate
102.17 adjustments approved solely on the basis of changes on a developmental disabilities
102.18 screening document will end June 30, 2002.

102.19 (b) A variable rate may be recommended by the county of financial responsibility
102.20 for increased needs in the following situations:

102.21 (1) a need for resources due to an individual's full or partial retirement from
102.22 participation in a day training and habilitation service when the individual: (i) has reached
102.23 the age of 65 or has a change in health condition that makes it difficult for the person
102.24 to participate in day training and habilitation services over an extended period of time
102.25 because it is medically contraindicated; and (ii) has expressed a desire for change through
102.26 the developmental disability screening process under section 256B.092;

102.27 (2) a need for additional resources for intensive short-term programming which is
102.28 necessary prior to an individual's discharge to a less restrictive, more integrated setting;

102.29 (3) a demonstrated medical need that significantly impacts the type or amount of
102.30 services needed by the individual; or

102.31 (4) a demonstrated behavioral need that significantly impacts the type or amount of
102.32 services needed by the individual.

102.33 (c) The county of financial responsibility must justify the purpose, the projected
102.34 length of time, and the additional funding needed for the facility to meet the needs of
102.35 the individual.

103.1 (d) The facility shall provide an annual report to the county case manager on
103.2 the use of the variable rate funds and the status of the individual on whose behalf the
103.3 funds were approved. The county case manager will forward the facility's report with a
103.4 recommendation to the commissioner to approve or disapprove a continuation of the
103.5 variable rate.

103.6 (e) Funds made available through the variable rate process that are not used by
103.7 the facility to meet the needs of the individual for whom they were approved shall be
103.8 returned to the state.

103.9 Sec. 131. Minnesota Statutes 2014, section 256B.69, subdivision 5, is amended to read:

103.10 Subd. 5. **Prospective per capita payment.** The commissioner shall establish the
103.11 method and amount of payments for services. The commissioner shall annually contract
103.12 with demonstration providers to provide services consistent with these established
103.13 methods and amounts for payment.

103.14 If allowed by the commissioner, a demonstration provider may contract with an
103.15 insurer, health care provider, nonprofit health service plan corporation, or the commissioner,
103.16 to provide insurance or similar protection against the cost of care provided by the
103.17 demonstration provider or to provide coverage against the risks incurred by demonstration
103.18 providers under this section. The recipients enrolled with a demonstration provider are
103.19 a permissible group under group insurance laws and chapter 62C, the Nonprofit Health
103.20 Service Plan Corporations Act. Under this type of contract, the insurer or corporation may
103.21 make benefit payments to a demonstration provider for services rendered or to be rendered
103.22 to a recipient. Any insurer or nonprofit health service plan corporation licensed to do
103.23 business in this state is authorized to provide this insurance or similar protection.

103.24 ~~Payments to providers participating in the project are exempt from the requirements~~
103.25 ~~of sections 256.966 and 256B.03, subdivision 2.~~ The commissioner shall complete

104.10 receiving rehabilitation services in the most recent calendar year are medical assistance
104.11 recipients, shall be reimbursed by the commissioner for rehabilitation services at rates that
104.12 are 38 percent greater than the maximum reimbursement rate allowed under subdivision 1,
104.13 paragraph (a), clause (2), when those services are (1) provided within the comprehensive
104.14 outpatient rehabilitation facility and (2) provided to residents of nursing facilities owned
104.15 by the entity.

104.19 purpose, the commissioner shall provide an annual inflation adjustment for the providers
104.20 listed in paragraph (c). The index for the inflation adjustment must be based on the
104.21 change in the Employment Cost Index for Private Industry Workers - Total Compensation
104.22 forecasted by Data Resources, Inc., as forecasted in the fourth quarter of the calendar year
104.23 preceding the fiscal year. The commissioner shall increase reimbursement or allocation

105.18 Sec. 135. Minnesota Statutes 2014, section 256B.77, subdivision 10, is amended to read:

105.19 Subd. 10. **Capitation payment.** (a) The commissioner shall pay a capitation
105.20 payment to the county authority and, when applicable under subdivision 6, paragraph (a),
105.21 to the service delivery organization for each medical assistance eligible enrollee. The
105.22 commissioner shall develop capitation payment rates for the initial contract period for
105.23 each demonstration site in consultation with an independent actuary, to ensure that the cost
105.24 of services under the demonstration project does not exceed the estimated cost for medical
105.25 assistance services for the covered population under the fee-for-service system for the
105.26 demonstration period. For each year of the demonstration project, the capitation payment
105.27 rate shall be based on 96 percent of the projected per person costs that would otherwise
105.28 have been paid under medical assistance fee-for-service during each of those years.
105.29 Rates shall be adjusted within the limits of the available risk adjustment technology, as
105.30 mandated by section 62Q.03. In addition, the commissioner shall implement appropriate
105.31 risk and savings sharing provisions with county administrative entities and, when
105.32 applicable under subdivision 6, paragraph (a), service delivery organizations within the
105.33 projected budget limits. Capitation rates shall be adjusted, at least annually, to include
105.34 any rate increases and payments for expanded or newly covered services for eligible
105.35 individuals. The initial demonstration project rate shall include an amount in addition to

106.1 the fee-for-service payments to adjust for underutilization of dental services. Any savings
106.2 beyond those allowed for the county authority, county administrative entity, or service
106.3 delivery organization shall be first used to meet the unmet needs of eligible individuals.
106.4 ~~Payments to providers participating in the project are exempt from the requirements of~~
106.5 ~~sections 256.966 and 256B.03, subdivision 2.~~

106.6 (b) The commissioner shall monitor and evaluate annually the effect of the discount
106.7 on consumers, the county authority, and providers of disability services. Findings shall be
106.8 reported and recommendations made, as appropriate, to ensure that the discount effect
106.9 does not adversely affect the ability of the county administrative entity or providers of
106.10 services to provide appropriate services to eligible individuals, and does not result in cost
106.11 shifting of eligible individuals to the county authority.

106.12 (c) For risk-sharing to occur under this subdivision, the aggregate fee-for-service
106.13 cost of covered services provided by the county administrative entity under this section
106.14 must exceed the aggregate sum of capitation payments made to the county administrative
106.15 entity under this section. The county authority is required to maintain its current level
106.16 of nonmedical assistance spending on enrollees. If the county authority spends less in
106.17 nonmedical assistance dollars on enrollees than it spent the year prior to the contract year,
106.18 the amount of underspending shall be deducted from the aggregate fee-for-service cost
106.19 of covered services. The commissioner shall then compare the fee-for-service costs and
106.20 capitation payments related to the services provided for the term of this contract. The
106.21 commissioner shall base its calculation of the fee-for-service costs on application of the
106.22 medical assistance fee schedule to services identified on the county administrative entity's
106.23 encounter claims submitted to the commissioner. The aggregate fee-for-service cost shall
106.24 not include any third-party recoveries or cost-avoided amounts.

106.25 If the commissioner finds that the aggregate fee-for-service cost is greater than the
106.26 sum of the capitation payments, the commissioner shall settle according to the following
106.27 schedule:

106.28 (1) For the first contract year for each project, the commissioner shall pay the county
106.29 administrative entity 50 percent of the difference between the sum of the capitation
106.30 payments and 100 percent of projected fee-for-service costs. For aggregate fee-for-service
106.31 costs in excess of 100 percent of projected fee-for-service costs, the commissioner shall
106.32 pay 25 percent of the difference between the aggregate fee-for-service costs and the
106.33 projected fee-for-service costs, up to 104 percent of the projected fee-for-service costs.
106.34 The county administrative entity shall be responsible for all costs in excess of 104 percent
106.35 of projected fee-for-service costs.

107.1 (2) For the second contract year for each project, the commissioner shall pay the
107.2 county administrative entity 37.5 percent of the difference between the sum of the
107.3 capitation payments and 100 percent of projected fee-for-service costs. The county
107.4 administrative entity shall be responsible for all costs in excess of 100 percent of projected
107.5 fee-for-service costs.

107.6 (3) For the third contract year for each project, the commissioner shall pay the
107.7 county administrative entity 25 percent of the difference between the sum of the capitation
107.8 payments and 100 percent of projected fee-for-service costs. The county administrative
107.9 entity shall be responsible for all costs in excess of 100 percent of projected fee-for-service
107.10 costs.

107.11 (4) For the fourth and subsequent contract years for each project, the county
107.12 administrative entity shall be responsible for all costs in excess of the capitation payments.

107.13 (d) In addition to other payments under this subdivision, the commissioner may
107.14 increase payments by up to 0.25 percent of the projected per-person costs that would
107.15 otherwise have been paid under medical assistance fee-for-service. The commissioner
107.16 may make the increased payments to:

107.17 (1) offset rate increases for regional treatment services under subdivision 22 which
107.18 are higher than were expected by the commissioner when the capitation was set at 96
107.19 percent; and

107.20 (2) implement incentives to encourage appropriate, high quality, efficient services.

107.21 Sec. 136. Minnesota Statutes 2015 Supplement, section 256B.85, subdivision 17,

 111.15 chapter, no waiting period is required before securing county or state residence. A person
 111.16 cannot, however, gain residence while physically present in an excluded time facility
 111.17 unless otherwise specified in this chapter or in a federal regulation controlling a federally
 111.18 funded human service program. Interstate migrants who enter a shelter for battered
 111.19 women directly from another state can gain residency while in the facility provided the
 111.20 person can provide documentation that the person is a victim of domestic abuse and the
 111.21 county determines that the placement is appropriate; ~~and the commissioner of human~~
 111.22 ~~services is authorized to make per diem payments under section 256D.05, subdivision~~
 111.23 ~~3, on behalf of such individuals.~~

111.24 Sec. 142. Minnesota Statutes 2015 Supplement, section 256I.04, subdivision 3, is
 111.25 amended to read:

111.26 Subd. 3. **Moratorium on development of group residential housing beds.** (a)
 111.27 Agencies shall not enter into agreements for new group residential housing beds with total
 111.28 rates in excess of the MSA equivalent rate except:

111.29 (1) for group residential housing establishments licensed under ~~Minnesota Rules,~~
 111.30 ~~parts 9525.0215 to 9525.0355,~~ chapter 245D provided the facility is needed to meet the
 111.31 census reduction targets for persons with developmental disabilities at regional treatment
 111.32 centers;

111.33 (2) up to 80 beds in a single, specialized facility located in Hennepin County that will
 111.34 provide housing for chronic inebriates who are repetitive users of detoxification centers

112.1 and are refused placement in emergency shelters because of their state of intoxication,
112.2 and planning for the specialized facility must have been initiated before July 1, 1991,
112.3 in anticipation of receiving a grant from the Housing Finance Agency under section
112.4 462A.05, subdivision 20a, paragraph (b);

112.5 (3) notwithstanding the provisions of subdivision 2a, for up to 190 supportive
112.6 housing units in Anoka, Dakota, Hennepin, or Ramsey County for homeless adults with a
112.7 mental illness, a history of substance abuse, or human immunodeficiency virus or acquired
112.8 immunodeficiency syndrome. For purposes of this section, "homeless adult" means a
112.9 person who is living on the street or in a shelter or discharged from a regional treatment
112.10 center, community hospital, or residential treatment program and has no appropriate
112.11 housing available and lacks the resources and support necessary to access appropriate
112.12 housing. At least 70 percent of the supportive housing units must serve homeless adults
112.13 with mental illness, substance abuse problems, or human immunodeficiency virus or
112.14 acquired immunodeficiency syndrome who are about to be or, within the previous six
112.15 months, has been discharged from a regional treatment center, or a state-contracted
112.16 psychiatric bed in a community hospital, or a residential mental health or chemical
112.17 dependency treatment program. If a person meets the requirements of subdivision 1,
112.18 paragraph (a), and receives a federal or state housing subsidy, the group residential housing
112.19 rate for that person is limited to the supplementary rate under section 256I.05, subdivision
112.20 1a, and is determined by subtracting the amount of the person's countable income that
112.21 exceeds the MSA equivalent rate from the group residential housing supplementary rate.
112.22 A resident in a demonstration project site who no longer participates in the demonstration
112.23 program shall retain eligibility for a group residential housing payment in an amount
112.24 determined under section 256I.06, subdivision 8, using the MSA equivalent rate. Service
112.25 funding under section 256I.05, subdivision 1a, will end June 30, 1997, if federal matching
112.26 funds are available and the services can be provided through a managed care entity. If
112.27 federal matching funds are not available, then service funding will continue under section
112.28 256I.05, subdivision 1a;

112.29 (4) for an additional two beds, resulting in a total of 32 beds, for a facility located in
112.30 Hennepin County providing services for recovering and chemically dependent men that
112.31 has had a group residential housing contract with the county and has been licensed as a
112.32 board and lodge facility with special services since 1980;

112.33 (5) for a group residential housing provider located in the city of St. Cloud, or a county
112.34 contiguous to the city of St. Cloud, that operates a 40-bed facility, that received financing
112.35 through the Minnesota Housing Finance Agency Ending Long-Term Homelessness
112.36 Initiative and serves chemically dependent clientele, providing 24-hour-a-day supervision;

113.1 (6) for a new 65-bed facility in Crow Wing County that will serve chemically
113.2 dependent persons, operated by a group residential housing provider that currently
113.3 operates a 304-bed facility in Minneapolis, and a 44-bed facility in Duluth;

113.4 (7) for a group residential housing provider that operates two ten-bed facilities, one
113.5 located in Hennepin County and one located in Ramsey County, that provide community
113.6 support and 24-hour-a-day supervision to serve the mental health needs of individuals
113.7 who have chronically lived unsheltered; and

113.8 (8) for a group residential facility in Hennepin County with a capacity of up to 48
113.9 beds that has been licensed since 1978 as a board and lodging facility and that until August
113.10 1, 2007, operated as a licensed chemical dependency treatment program.

113.11 (b) An agency may enter into a group residential housing agreement for beds with
113.12 rates in excess of the MSA equivalent rate in addition to those currently covered under a
113.13 group residential housing agreement if the additional beds are only a replacement of beds
113.14 with rates in excess of the MSA equivalent rate which have been made available due to
113.15 closure of a setting, a change of licensure or certification which removes the beds from
113.16 group residential housing payment, or as a result of the downsizing of a group residential
113.17 housing setting. The transfer of available beds from one agency to another can only
113.18 occur by the agreement of both agencies.

113.19 Sec. 143. Minnesota Statutes 2015 Supplement, section 256I.04, subdivision 4, is
113.20 amended to read:

113.21 Subd. 4. **Rental assistance.** For participants in the Minnesota supportive housing
113.22 demonstration program under subdivision 3, paragraph (a), clause ~~(5)~~ (3), notwithstanding
113.23 the provisions of section 256I.06, subdivision 8, the amount of the group residential
113.24 housing payment for room and board must be calculated by subtracting 30 percent of the
113.25 recipient's adjusted income as defined by the United States Department of Housing and
113.26 Urban Development for the Section 8 program from the fair market rent established for the
113.27 recipient's living unit by the federal Department of Housing and Urban Development. This
113.28 payment shall be regarded as a state housing subsidy for the purposes of subdivision 3.
113.29 Notwithstanding the provisions of section 256I.06, subdivision 6, the recipient's countable
113.30 income will only be adjusted when a change of greater than \$100 in a month occurs or
113.31 upon annual redetermination of eligibility, whichever is sooner.

113.32 Sec. 144. Minnesota Statutes 2014, section 256I.05, subdivision 1a, is amended to read:

113.33 Subd. 1a. **Supplementary service rates.** (a) Subject to the provisions of section
113.34 256I.04, subdivision 3, the county agency may negotiate a payment not to exceed \$426.37

114.1 for other services necessary to provide room and board provided by the group residence if
114.2 the residence is licensed by or registered by the Department of Health, or licensed by the
114.3 Department of Human Services to provide services in addition to room and board, and if the
114.4 provider of services is not also concurrently receiving funding for services for a recipient
114.5 under a home and community-based waiver under title XIX of the Social Security Act; or
114.6 funding from the medical assistance program under section 256B.0659, for personal care
114.7 services for residents in the setting; or residing in a setting which receives funding under
114.8 ~~Minnesota Rules, parts 9535.2000 to 9535.3000~~ section 245.73. If funding is available for
114.9 other necessary services through a home and community-based waiver, or personal care
114.10 services under section 256B.0659, then the GRH rate is limited to the rate set in subdivision
114.11 1. Unless otherwise provided in law, in no case may the supplementary service rate exceed
114.12 \$426.37. The registration and licensure requirement does not apply to establishments
114.13 which are exempt from state licensure because they are located on Indian reservations and
114.14 for which the tribe has prescribed health and safety requirements. Service payments under
114.15 this section may be prohibited under rules to prevent the supplanting of federal funds with
114.16 state funds. The commissioner shall pursue the feasibility of obtaining the approval of the
114.17 Secretary of Health and Human Services to provide home and community-based waiver
114.18 services under title XIX of the Social Security Act for residents who are not eligible for an
114.19 existing home and community-based waiver due to a primary diagnosis of mental illness or
114.20 chemical dependency and shall apply for a waiver if it is determined to be cost-effective.

114.21 (b) The commissioner is authorized to make cost-neutral transfers from the GRH
114.22 fund for beds under this section to other funding programs administered by the department
114.23 after consultation with the county or counties in which the affected beds are located.

114.24 The commissioner may also make cost-neutral transfers from the GRH fund to county
114.25 human service agencies for beds permanently removed from the GRH census under a plan
114.26 submitted by the county agency and approved by the commissioner. The commissioner
114.27 shall report the amount of any transfers under this provision annually to the legislature.

114.28 ~~(e) The provisions of paragraph (b) do not apply to a facility that has its~~
114.29 ~~reimbursement rate established under section 256B.431, subdivision 4, paragraph (e).~~

114.30 ~~(d)~~ (c) Counties must not negotiate supplementary service rates with providers of
114.31 group residential housing that are licensed as board and lodging with special services and
114.32 that do not encourage a policy of sobriety on their premises and make referrals to available
114.33 community services for volunteer and employment opportunities for residents.

114.34 Sec. 145. Minnesota Statutes 2015 Supplement, section 256I.05, subdivision 1c, is
114.35 amended to read:

115.1 Subd. 1c. **Rate increases.** An agency may not increase the rates negotiated for
115.2 group residential housing above those in effect on June 30, 1993, except as provided
115.3 in paragraphs (a) to (f).

115.4 (a) An agency may increase the rates for group residential housing settings to the
115.5 MSA equivalent rate for those settings whose current rate is below the MSA equivalent rate.

115.6 (b) An agency may increase the rates for residents in adult foster care whose
115.7 difficulty of care has increased. The total group residential housing rate for these residents
115.8 must not exceed the maximum rate specified in subdivisions 1 and 1a. Agencies must not
115.9 include nor increase group residential housing difficulty of care rates for adults in foster
115.10 care whose difficulty of care is eligible for funding by home and community-based waiver
115.11 programs under title XIX of the Social Security Act.

115.12 (c) The room and board rates will be increased each year when the MSA equivalent
115.13 rate is adjusted for SSI cost-of-living increases by the amount of the annual SSI increase,
115.14 less the amount of the increase in the medical assistance personal needs allowance under
115.15 section 256B.35.

115.16 (d) When a group residential housing rate is used to pay for an individual's room
115.17 and board, or other costs necessary to provide room and board, the rate payable to
115.18 the residence must continue for up to 18 calendar days per incident that the person is
115.19 temporarily absent from the residence, not to exceed 60 days in a calendar year, if the
115.20 absence or absences have received the prior approval of the county agency's social service
115.21 staff. Prior approval is not required for emergency absences due to crisis, illness, or injury.

115.22 (e) For facilities meeting substantial change criteria within the prior year. Substantial
115.23 change criteria exists if the group residential housing establishment experiences a 25
115.24 percent increase or decrease in the total number of its beds, if the net cost of capital
115.25 additions or improvements is in excess of 15 percent of the current market value of the
115.26 residence, or if the residence physically moves, or changes its licensure, and incurs a
115.27 resulting increase in operation and property costs.

115.28 (f) Until June 30, 1994, an agency may increase by up to five percent the total
115.29 rate paid for recipients of assistance under sections 256D.01 to 256D.21 or 256D.33 to
115.30 256D.54 who reside in residences that are licensed by the commissioner of health as
115.31 a boarding care home, but are not certified for the purposes of the medical assistance
115.32 program. However, an increase under this clause must not exceed an amount equivalent to
115.33 65 percent of the 1991 medical assistance reimbursement rate for nursing home resident
115.34 class A, in the geographic grouping in which the facility is located, as established under
115.35 Minnesota Rules, parts ~~9549.0050~~ 9549.0051 to 9549.0058.

116.1 Sec. 146. Minnesota Statutes 2014, section 256J.08, subdivision 73, is amended to read:

116.2 Subd. 73. **Qualified noncitizen.** "Qualified noncitizen" means a person:

116.3 (1) who was lawfully admitted for permanent residence according to United States
116.4 Code, title 8;

116.5 (2) who was admitted to the United States as a refugee according to United States
116.6 Code, title 8; section 1157;

116.7 (3) whose deportation is being withheld according to United States Code, title 8,
116.8 sections 1231(b)(3), 1253(h), and 1641(b)(5);

116.9 (4) who was paroled for a period of at least one year according to United States
116.10 Code, title 8, section 1182(d)(5);

116.11 (5) who was granted conditional entry according to United State States Code, title 8,
116.12 section 1153(a)(7);

116.13 (6) who is a Cuban or Haitian entrant as defined in section 501(e) of the Refugee
116.14 Education Assistance Act of 1980, United States Code, title 8, section 1641(b)(7);

116.15 (7) who was granted asylum according to United States Code, title 8, section 1158;

116.16 (8) who is a battered noncitizen according to United States Code, title 8, section
116.17 1641(c); or

116.18 (9) who is a parent or child of a battered noncitizen according to United States Code,
116.19 title 8, section 1641(c).

116.20 Sec. 147. Minnesota Statutes 2014, section 256J.24, subdivision 7, is amended to read:

116.21 Subd. 7. **Family wage level.** The family wage level is 110 percent of the transitional
116.22 standard under subdivision 5 ~~or 6~~. If there is earned income in the assistance unit, earned
116.23 income is subtracted from the family wage level to determine the amount of the assistance
116.24 payment, as specified in section 256J.21. The assistance payment may not exceed the
116.25 transitional standard under subdivision 5 ~~or 6~~, ~~or the shared household standard under~~
116.26 ~~subdivision 9, whichever is applicable~~, for the assistance unit.

116.27 Sec. 148. Minnesota Statutes 2014, section 256L.03, subdivision 3, is amended to read:

116.28 Subd. 3. **Inpatient hospital services.** (a) Covered health services shall include
116.29 inpatient hospital services, including inpatient hospital mental health services and inpatient
116.30 hospital and residential chemical dependency treatment, subject to those limitations
116.31 necessary to coordinate the provision of these services with eligibility under the medical
116.32 assistance spenddown.

117.1 (b) Admissions for inpatient hospital services paid for under section 256L.11,
 117.2 subdivision 3, must be certified as medically necessary in accordance with Minnesota
 117.3 Rules, parts ~~9505.0500~~ 9505.0505 to 9505.0540, except as provided in clauses (1) and (2):

117.4 (1) all admissions must be certified, except those authorized under rules established
 117.5 under section 254A.03, subdivision 3, or approved under Medicare; and

117.6 (2) payment under section 256L.11, subdivision 3, shall be reduced by five percent
 117.7 for admissions for which certification is requested more than 30 days after the day of
 117.8 admission. The hospital may not seek payment from the enrollee for the amount of the
 117.9 payment reduction under this clause.

117.10 Sec. 149. Minnesota Statutes 2014, section 257C.03, subdivision 7, is amended to read:

117.11 Subd. 7. **Interested third party; burden of proof; factors.** (a) To establish that an
 117.12 individual is an interested third party, the individual must:

117.13 (1) show by clear and convincing evidence that one of the following factors exist:

117.14 (i) the parent has abandoned, neglected, or otherwise exhibited disregard for the
 117.15 child's well-being to the extent that the child will be harmed by living with the parent;

117.16 (ii) placement of the child with the individual takes priority over preserving the
 117.17 day-to-day parent-child relationship because of the presence of physical or emotional
 117.18 danger to the child, or both; or

117.19 (iii) other extraordinary circumstances;

117.20 (2) prove by a preponderance of the evidence that it is in the best interests of the
 117.21 child to be in the custody of the interested third party; and

117.22 (3) show by clear and convincing evidence that granting the petition would not
 117.23 violate section 518.179, ~~subdivision 1a.~~

117.24 (b) The following factors must be considered by the court in determining an
 117.25 interested third party's petition:

117.26 (1) the amount of involvement the interested third party had with the child during
 117.27 the parent's absence or during the child's lifetime;

117.28 (2) the amount of involvement the parent had with the child during the parent's
 117.29 absence;

117.30 (3) the presence or involvement of other interested third parties;

117.31 (4) the facts and circumstances of the parent's absence;

117.32 (5) the parent's refusal to comply with conditions for retaining custody set forth
 117.33 in previous court orders;

117.34 (6) whether the parent now seeking custody was previously prevented from doing so
 117.35 as a result of domestic violence;

- 118.1 (7) whether a sibling of the child is already in the care of the interested third party; and
118.2 (8) the existence of a standby custody designation under chapter 257B.
118.3 (c) In determining the best interests of the child, the court must apply the standards
118.4 in section 257C.04.

118.5 Sec. 150. Minnesota Statutes 2014, section 260.785, subdivision 3, is amended to read:

118.6 Subd. 3. **Compliance grants.** The commissioner shall establish direct grants to
118.7 an Indian child welfare defense corporation, as defined in Minnesota Statutes 1996,
118.8 section 611.216, subdivision 1a, to promote statewide compliance with the Indian Family
118.9 Preservation Act and the Indian Child Welfare Act, United States Code, title 25, section
118.10 1901, et seq. The commissioner shall give priority consideration to applicants with
118.11 demonstrated capability of providing legal advocacy services statewide.

118.12 Sec. 151. Minnesota Statutes 2015 Supplement, section 260C.221, is amended to read:

118.13 **260C.221 RELATIVE SEARCH.**

118.14 (a) The responsible social services agency shall exercise due diligence to identify
118.15 and notify adult relatives prior to placement or within 30 days after the child's removal
118.16 from the parent. The county agency shall consider placement with a relative under this
118.17 section without delay and whenever the child must move from or be returned to foster
118.18 care. The relative search required by this section shall be comprehensive in scope. After a
118.19 finding that the agency has made reasonable efforts to conduct the relative search under
118.20 this paragraph, the agency has the continuing responsibility to appropriately involve
118.21 relatives, who have responded to the notice required under this paragraph, in planning
118.22 for the child and to continue to consider relatives according to the requirements of
118.23 section 260C.212, subdivision 2. At any time during the course of juvenile protection
118.24 proceedings, the court may order the agency to reopen its search for relatives when it is in
118.25 the child's best interest to do so.

118.26 (b) The relative search required by this section shall include both maternal and
118.27 paternal adult relatives of the child; all adult grandparents; all legal parents, guardians or
118.28 custodians; of the child's siblings; and any other adult relatives suggested by the child's
118.29 parents, subject to the exceptions due to family violence in paragraph (c). The search shall
118.30 also include getting information from the child in an age-appropriate manner about who
118.31 the child considers to be family members and important friends with whom the child has
118.32 resided or had significant contact. The relative search required under this section must
118.33 fulfill the agency's duties under the Indian Child Welfare Act regarding active efforts
118.34 to prevent the breakup of the Indian family under United States Code, title 25, section

119.1 1912(d), and to meet placement preferences under United States Code, title 25, section
119.2 1915. The relatives must be notified:

119.3 (1) of the need for a foster home for the child, the option to become a placement
119.4 resource for the child, and the possibility of the need for a permanent placement for the
119.5 child;

119.6 (2) of their responsibility to keep the responsible social services agency and the court
119.7 informed of their current address in order to receive notice in the event that a permanent
119.8 placement is sought for the child and to receive notice of the permanency progress review
119.9 hearing under section 260C.204. A relative who fails to provide a current address to the
119.10 responsible social services agency and the court forfeits the right to receive notice of the
119.11 possibility of permanent placement and of the permanency progress review hearing under
119.12 section 260C.204. A decision by a relative not to be identified as a potential permanent
119.13 placement resource or participate in planning for the child at the beginning of the case
119.14 shall not affect whether the relative is considered for placement of the child with that
119.15 relative later;

119.16 (3) that the relative may participate in the care and planning for the child, including
119.17 that the opportunity for such participation may be lost by failing to respond to the notice
119.18 sent under this subdivision. "Participate in the care and planning" includes, but is not
119.19 limited to, participation in case planning for the parent and child, identifying the strengths
119.20 and needs of the parent and child, supervising visits, providing respite and vacation visits
119.21 for the child, providing transportation to appointments, suggesting other relatives who
119.22 might be able to help support the case plan, and to the extent possible, helping to maintain
119.23 the child's familiar and regular activities and contact with friends and relatives;

119.24 (4) of the family foster care licensing requirements, including how to complete an
119.25 application and how to request a variance from licensing standards that do not present a
119.26 safety or health risk to the child in the home under section 245A.04 and supports that are
119.27 available for relatives and children who reside in a family foster home; and

119.28 (5) of the relatives' right to ask to be notified of any court proceedings regarding
119.29 the child, to attend the hearings, and of a relative's right or opportunity to be heard by the
119.30 court as required under section 260C.152, subdivision 5.

119.31 (c) A responsible social services agency may disclose private data, as defined in
119.32 sections 13.02 and 626.556, to relatives of the child for the purpose of locating and
119.33 assessing a suitable placement and may use any reasonable means of identifying and
119.34 locating relatives including the Internet or other electronic means of conducting a search.
119.35 The agency shall disclose data that is necessary to facilitate possible placement with
119.36 relatives and to ensure that the relative is informed of the needs of the child so the

120.1 relative can participate in planning for the child and be supportive of services to the child
120.2 and family. If the child's parent refuses to give the responsible social services agency
120.3 information sufficient to identify the maternal and paternal relatives of the child, the
120.4 agency shall ask the juvenile court to order the parent to provide the necessary information.
120.5 If a parent makes an explicit request that a specific relative not be contacted or considered
120.6 for placement due to safety reasons including past family or domestic violence, the agency
120.7 shall bring the parent's request to the attention of the court to determine whether the
120.8 parent's request is consistent with the best interests of the child and the agency shall not
120.9 contact the specific relative when the juvenile court finds that contacting the specific
120.10 relative would endanger the parent, guardian, child, sibling, or any family member.

120.11 (d) At a regularly scheduled hearing not later than three months after the child's
120.12 placement in foster care and as required in section 260C.202, the agency shall report to
120.13 the court:

120.14 (1) its efforts to identify maternal and paternal relatives of the child and to engage
120.15 the relatives in providing support for the child and family, and document that the relatives
120.16 have been provided the notice required under paragraph (a); and

120.17 (2) its decision regarding placing the child with a relative as required under section
120.18 260C.212, subdivision 2, and to ask relatives to visit or maintain contact with the child in

120.21 (e) Notwithstanding chapter 13, the agency shall disclose data about particular
120.22 relatives identified, searched for, and contacted for the purposes of the court's review of
120.23 the agency's due diligence.

120.24 (f) When the court is satisfied that the agency has exercised due diligence to

120.26 reasonable efforts have been made to conduct a relative search to identify and provide
120.27 notice to adult relatives as required under section 260.012, paragraph (e), clause (3). If the

120.32 necessary because there is a likelihood that the child will not return to a parent's care, the
120.33 agency must send the notice provided in paragraph (h), may ask the court to modify the
120.34 duty of the agency to send the notice required in paragraph (h), or may ask the court to

121.1 relative or a foster home that has committed to adopting the child or taking permanent
 121.2 legal and physical custody of the child and the agency approves of that foster home for
 121.3 permanent placement of the child. The actions ordered by the court under this section
 121.4 must be consistent with the best interests, safety, permanency, and welfare of the child.

121.5 (h) Unless required under the Indian Child Welfare Act or relieved of this duty by the
 121.6 court under paragraph (f), when the agency determines that it is necessary to prepare for
 121.7 permanent placement determination proceedings, or in anticipation of filing a termination
 121.8 of parental rights petition, the agency shall send notice to the relatives, any adult with
 121.9 whom the child is currently residing, any adult with whom the child has resided for one

 121.13 indicate to the agency their interest in providing a permanent home. The notice must state
 121.14 that within 30 days of receipt of the notice an individual receiving the notice must indicate

138.28 "IMPORTANT NOTICE

138.29 State law provides special rules for the owners, residents, and prospective residents
 138.30 of manufactured home parks.

138.31 You may keep your home in the park as long as the park is in operation and you
 138.32 meet your financial obligations, obey state and local laws which apply to the park, obey
 138.33 reasonable park rules, do not substantially annoy or endanger the other residents or
 138.34 substantially endanger park personnel and do not substantially damage the park premises.

139.1 You may not be evicted or have your rent increased or your services cut for complaining
139.2 to the park owner or to a governmental official.

139.3 If you receive an eviction notice and do not leave the park, the park owner may take
139.4 you to court. If you lose in court, a sheriff may remove you and your home from the park
139.5 within seven days. Or, the court may require you to leave the park within seven days but
139.6 give you 60 days to sell the home within the park.

139.7 If you receive an eviction notice for a new or amended rule and the court finds the
139.8 rule to be reasonable and not a substantial modification of your original agreement, the
139.9 court will not order you to leave but will order you to comply with the rule within ten
139.10 days. If you do not comply within the time given or if you violate the rule at a later time,
139.11 you will be subject to eviction.

139.12 All park rules and policies must be reasonable. Your rent may not be increased more
139.13 than twice a year. Changes made in park rules after you become a park resident will not
139.14 apply to you if they substantially change your original agreement.

139.15 The park may not charge you an entrance fee.

139.16 The park may require a security deposit, but the deposit must not amount to more
139.17 than two months rent.

139.18 You have a right to sell the home in the park. But the sale is not final until the park
139.19 owner approves the buyer as a new resident, and you must advise in writing anyone who
139.20 wants to buy your home that the sale is subject to final approval by the park owner.

139.21 The park must provide to you, in writing, the procedures and criteria used to
139.22 evaluate a prospective resident. If your application is denied, you can request, in writing,
139.23 the reason why.

139.24 You must also disclose in writing certain safety information about your home to
139.25 anyone who wants to buy it in the park. You must give this information to the buyer before
139.26 the sale, in writing, on the form that is attached to this notice. You must completely and
139.27 accurately fill out the form and you and the buyer should each keep a copy.

139.28 Your rental agreement and the park rules contain important information about your
139.29 rights and duties. Read them carefully and keep a copy.

139.30 You must be given a copy of the shelter or evacuation plan for the park. This
139.31 document contains information on where to seek shelter in times of severe weather
139.32 conditions. You should carefully review the plan and keep a copy.

139.33 By February 1 of each year, the park must give you a certificate of rent constituting
139.34 property taxes as required by Minnesota Statutes, section 290A.19.

140.1 For further information concerning your rights, consult a private attorney. The state
140.2 law governing the rental of lots in manufactured home parks may also be enforced by
140.3 the Minnesota Attorney General."

140.4 ~~In addition, the safety feature disclosure form required under section 327C.07,~~

147.32 (b) The credit equals one percent of the wages and salaries paid by the taxpayer
147.33 during the taxable year for employees whose principal place of work is located in a border

148.1 city but outside of a zone designated under section 469.1731. The credit applies for the
 148.2 first three taxable years of the operation of the corporation in the border city. In the fourth
 148.3 and fifth taxable years of the operation of the corporation in the border city, the credit
 148.4 equals 0.5 percent of the wages and salaries. After the fifth year, no credit is allowed. The
 148.5 city shall determine the amount of wages that qualify for the credit and issue tax credit
 148.6 certificates in the correct amount.

148.7 (c) The credit under this subdivision applies only to a corporate enterprise engaged
 148.8 in assembling, fabricating, manufacturing, mixing, or processing of any agricultural,
 148.9 mineral, or manufactured product or combinations of them.

148.10 (d) The credit allowed under this subdivision may not exceed the lesser of:

148.11 (1) the tax liability of the taxpayer for the taxable year; or

148.16 Subd. 6. **Sales tax exemption; equipment; construction materials.** (a) The gross
 148.17 receipts from the sale of machinery and equipment and repair parts are exempt from
 148.18 taxation under chapter 297A, if the machinery and equipment:

148.19 (1) are used in connection with a trade or business;

148.20 (2) are placed in service in a city that is authorized to designate a zone under section
 148.21 469.1731, regardless of whether the machinery and equipment are used in a zone; and

148.22 (3) have a useful life of 12 months or more.

148.23 (b) The gross receipts from the sale of construction materials are exempt, if they are
 148.24 used to construct:

148.25 (1) a facility for use in a trade or business located in a city that is authorized to
 148.26 designate a zone under section 469.1731, regardless of whether the facility is located in a
 148.27 zone; or

148.28 (2) housing that is located in a zone.

148.29 The exemptions under this paragraph apply regardless of whether the purchase is made by
 148.30 the owner, the user, or a contractor.

148.31 (c) A purchaser may claim an exemption under this subdivision for tax on the
 148.32 purchases up to, but not exceeding:

148.34 (2) any tax credit certificates used under the provisions of ~~subdivisions 4 and~~
 148.35 ~~subdivision 5, and section 469.1732, subdivision 2.~~

149.1 (d) The tax on sales of items exempted under this subdivision shall be imposed and
149.2 collected as if the applicable rate under section 297A.62 applied. Upon application by the
149.3 purchaser, on forms prescribed by the commissioner, a refund equal to the tax paid shall
149.4 be paid to the purchaser. The application must include sufficient information to permit
149.5 the commissioner to verify the sales tax paid and the eligibility of the claimant to receive
149.6 the credit. No more than two applications for refunds may be filed under this subdivision
149.7 in a calendar year. The provisions of section 289A.40 apply to the refunds payable
149.8 under this subdivision. There is annually appropriated to the commissioner of revenue
149.9 the amount required to make the refunds, which must be deducted from the amount of
149.10 the city's allocation under section 469.169, subdivision 12, that remains available and its
149.11 limitation under section 469.1735.

149.12 (e) The amount to be refunded shall bear interest at the rate in section 270C.405

149.17 (b) Unless the city council determines that no existing business within the city
149.18 would be a potential competitor of the project, the project operator shall publish two
149.19 notices to competitors of the application of the tax exemption or payments in lieu in the
149.20 official newspaper of the city. The city shall prescribe the form of the notice. The two
149.21 notices must be published at least one week apart. The publications must be completed
149.22 not less than 15 days nor more than 30 days before the city council approves the tax
149.23 exemption or payments in lieu of taxes.

149.24 Sec. 190. Minnesota Statutes 2014, section 469.1735, subdivision 1, is amended to read:

149.26 ~~469.1732, subdivision 2, or 469.1734, subdivision 4 or 5~~, or an exemption from sales tax
149.27 under section 469.1734, subdivision 6, a business must apply to the city for a tax credit
149.28 certificate. As a condition of its application, the business must agree to furnish information
149.29 to the city that is sufficient to verify the eligibility for any credits or other tax reductions
149.30 claimed. The total amount of the state tax reductions allowed for the specified period may
149.31 not exceed the amount of the tax credit certificates provided by the city to the business. The
149.32 city must verify the amount of tax reduction or credits for which each business is eligible.

149.33 Sec. 191. Minnesota Statutes 2014, section 469.1763, subdivision 2, is amended to read:

150.1 Subd. 2. **Expenditures outside district.** (a) For each tax increment financing
150.2 district, an amount equal to at least 75 percent of the total revenue derived from tax
150.3 increments paid by properties in the district must be expended on activities in the district
150.4 or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities
150.5 in the district or to pay, or secure payment of, debt service on credit enhanced bonds.
150.6 For districts, other than redevelopment districts for which the request for certification
150.7 was made after June 30, 1995, the in-district percentage for purposes of the preceding
150.8 sentence is 80 percent. Not more than 25 percent of the total revenue derived from tax
150.9 increments paid by properties in the district may be expended, through a development fund
150.10 or otherwise, on activities outside of the district but within the defined geographic area of
150.11 the project except to pay, or secure payment of, debt service on credit enhanced bonds.
150.12 For districts, other than redevelopment districts for which the request for certification was
150.13 made after June 30, 1995, the pooling percentage for purposes of the preceding sentence is
150.14 20 percent. The revenue derived from tax increments for the district that are expended on
150.15 costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before
150.16 calculating the percentages that must be expended within and without the district.

150.17 (b) In the case of a housing district, a housing project, as defined in section 469.174,
150.18 subdivision 11, is an activity in the district.

150.19 (c) All administrative expenses are for activities outside of the district, except that
150.20 if the only expenses for activities outside of the district under this subdivision are for
150.21 the purposes described in paragraph (d), administrative expenses will be considered as
150.22 expenditures for activities in the district.

150.23 (d) The authority may elect, in the tax increment financing plan for the district,
150.24 to increase by up to ten percentage points the permitted amount of expenditures for
150.25 activities located outside the geographic area of the district under paragraph (a). As
150.26 permitted by section 469.176, subdivision 4k, the expenditures, including the permitted
150.27 expenditures under paragraph (a), need not be made within the geographic area of the
150.28 project. Expenditures that meet the requirements of this paragraph are legally permitted
150.29 expenditures of the district, notwithstanding section 469.176, subdivisions 4b, 4c, and 4j.
150.30 To qualify for the increase under this paragraph, the expenditures must:

150.31 (1) be used exclusively to assist housing that meets the requirement for a qualified
150.32 low-income building, as that term is used in section 42 of the Internal Revenue Code; and

150.33 (2) not exceed the qualified basis of the housing, as defined under section 42(c) of
150.34 the Internal Revenue Code, less the amount of any credit allowed under section 42 of
150.35 the Internal Revenue Code; and

150.36 (3) be used to:

- 151.1 (i) acquire and prepare the site of the housing;
- 151.2 (ii) acquire, construct, or rehabilitate the housing; or
- 151.3 (iii) make public improvements directly related to the housing; or
- 151.4 (4) be used to develop housing:
- 151.5 (i) if the market value of the housing does not exceed the lesser of:
- 151.6 (A) 150 percent of the average market value of single-family homes in that
- 151.7 municipality; or
- 151.8 (B) \$200,000 for municipalities located in the metropolitan area, as defined in
- 151.9 section 473.121, or \$125,000 for all other municipalities; and
- 151.10 (ii) if the expenditures are used to pay the cost of site acquisition, relocation,
- 151.11 demolition of existing structures, site preparation, and pollution abatement on one or
- 151.12 more parcels, if the parcel contains a residence containing one to four family dwelling
- 151.13 units that has been vacant for six or more months and is in foreclosure as defined in
- 151.14 section 325N.10, subdivision 7, but without regard to whether the residence is the owner's
- 151.15 principal residence, and only after the redemption period has expired.
- 151.16 ~~(e) For a district created within a biotechnology and health sciences industry zone~~
- 151.17 ~~as defined in Minnesota Statutes 2012, section 469.330, subdivision 6, or for an existing~~
- 151.18 ~~district located within such a zone, tax increment derived from such a district may be~~
- 151.19 ~~expended outside of the district but within the zone only for expenditures required for the~~
- 151.20 ~~construction of public infrastructure necessary to support the activities of the zone, land~~
- 151.21 ~~acquisition, and other redevelopment costs as defined in section 469.176, subdivision 4j.~~
- 151.22 ~~These expenditures are considered as expenditures for activities within the district. The~~
- 151.23 ~~authority provided by this paragraph expires for expenditures made after the later of (1)~~
- 151.24 ~~December 31, 2015, or (2) the end of the five-year period beginning on the date the district~~
- 151.25 ~~was certified, provided that date was before January 1, 2016.~~
- 151.26 ~~(f)~~ (e) The authority under paragraph (d), clause (4), expires on December 31, 2016.
- 151.27 Increments may continue to be expended under this authority after that date, if they are
- 151.28 used to pay bonds or binding contracts that would qualify under subdivision 3, paragraph
- 151.29 (a), if December 31, 2016, is considered to be the last date of the five-year period after
- 151.30 certification under that provision.

151.31 Sec. 192. Minnesota Statutes 2014, section 473.388, subdivision 4, is amended to read:

152.2 existing service.

152.3 (b) The amount of assistance which the council must provide to a system under this
152.4 section may not be less than the sum of the amounts determined for each municipality
152.5 comprising the system as follows:

152.6 (1) the transit operating assistance grants received under this subdivision by the
152.7 municipality in calendar year 2001 or the tax revenues for transit services levied by the
152.8 municipality for taxes payable in 2001, including that portion of the levy derived from
152.9 the areawide pool under section 473F.08, subdivision 3, clause (a), plus the portion of
152.10 the municipality's aid under Minnesota Statutes 2002, section 273.1398, subdivision 2,
152.11 attributable to the transit levy; times

152.12 (2) the ratio of (i) an amount equal to 3.74 percent of the state revenues generated
152.13 from the taxes imposed under chapter 297B for the current fiscal year to (ii) the total
152.14 transit operating assistance grants received under this subdivision in calendar year 2001

152.18 of homestead and agricultural credit aid under Minnesota Statutes 2002, section 273.1398,
152.19 subdivision 2, attributable to nondebt transit levies, times

152.20 (3) the ratio of (i) the municipality's total taxable market value for taxes payable
152.21 in 2006 divided by the municipality's total taxable market value for taxes payable in
152.22 2001, to (ii) the total taxable market value of all property located in replacement service
152.23 municipalities for taxes payable in 2006 divided by the total taxable market value of all
152.24 property located in replacement service municipalities for taxes payable in 2001.

152.25 (c) The council shall pay the amount to be provided to the recipient from the funds
152.26 the council receives in the metropolitan area transit account under section 16A.88.

178.4 does not require compliance with any provision of the federal act prior to the effective date
178.5 provided for that provision in the federal act. The commissioner shall enforce this section.

178.20 (c) If payment for covered expenses has been made under state medical programs for
178.21 health care items or services provided to an individual, and a third party has a legal liability
178.22 to make payments, the rights of payment and appeal of an adverse coverage decision for the
178.23 individual, or in the case of a child their responsible relative or caretaker, will be subrogated

178.36 indicate this benefit coverage on any claim forms submitted by the provider to the health

179.1 insurer for those services. If the commissioner of human services notifies the health
179.2 insurer that the commissioner has made payments to the provider, payment for benefits or
179.3 notices of denials issued by the health insurer must be issued directly to the commissioner.
179.4 Submission by the department to the health insurer of the claim on a Department of
179.5 Human Services claim form is proper notice and shall be considered proof of payment of
179.6 the claim to the provider and supersedes any contract requirements of the health insurer
179.7 relating to the form of submission. Liability to the insured for coverage is satisfied to the

179.9 the commissioner as required by this section.

179.10 (e) When a state agency has acquired the rights of an individual eligible for medical
179.11 programs named in this section and has health benefits coverage through a health insurer,

184.18 Sec. 17. Minnesota Statutes 2015 Supplement, section 62J.692, subdivision 4, is
184.19 amended to read:

184.20 Subd. 4. **Distribution of funds.** (a) The commissioner shall annually distribute the
184.21 available medical education funds to all qualifying applicants based on a public program
184.22 volume factor, which is determined by the total volume of public program revenue
184.23 received by each training site as a percentage of all public program revenue received by
184.24 all training sites in the fund pool.

184.25 Public program revenue for the distribution formula includes revenue from medical
184.26 assistance, and prepaid medical assistance, ~~general assistance medical care, and prepaid~~
184.27 ~~general assistance medical care~~. Training sites that receive no public program revenue
184.28 are ineligible for funds available under this subdivision. For purposes of determining
184.29 training-site level grants to be distributed under this paragraph, total statewide average
184.30 costs per trainee for medical residents is based on audited clinical training costs per trainee
184.31 in primary care clinical medical education programs for medical residents. Total statewide
184.32 average costs per trainee for dental residents is based on audited clinical training costs
184.33 per trainee in clinical medical education programs for dental students. Total statewide
184.34 average costs per trainee for pharmacy residents is based on audited clinical training
184.35 costs per trainee in clinical medical education programs for pharmacy students. Training

185.1 sites whose training site level grant is less than \$5,000, based on the formula described
185.2 in this paragraph, or that train fewer than 0.1 FTE eligible trainees, are ineligible for
185.3 funds available under this subdivision. No training sites shall receive a grant per FTE
185.4 trainee that is in excess of the 95th percentile grant per FTE across all eligible training
185.5 sites; grants in excess of this amount will be redistributed to other eligible sites based on
185.6 the formula described in this paragraph.

185.7 (b) For funds distributed in fiscal years 2014 and 2015, the distribution formula shall
185.8 include a supplemental public program volume factor, which is determined by providing
185.9 a supplemental payment to training sites whose public program revenue accounted for
185.10 at least 0.98 percent of the total public program revenue received by all eligible training
185.11 sites. The supplemental public program volume factor shall be equal to ten percent of each
185.12 training site's grant for funds distributed in fiscal year 2014 and for funds distributed in
185.13 fiscal year 2015. Grants to training sites whose public program revenue accounted for less
185.14 than 0.98 percent of the total public program revenue received by all eligible training sites
185.15 shall be reduced by an amount equal to the total value of the supplemental payment. For
185.16 fiscal year 2016 and beyond, the distribution of funds shall be based solely on the public
185.17 program volume factor as described in paragraph (a).

185.18 (c) Funds distributed shall not be used to displace current funding appropriations
185.19 from federal or state sources.

185.20 (d) Funds shall be distributed to the sponsoring institutions indicating the amount to
185.21 be distributed to each of the sponsor's clinical medical education programs based on the
185.22 criteria in this subdivision and in accordance with the commissioner's approval letter. Each
185.23 clinical medical education program must distribute funds allocated under paragraphs (a)
185.24 and (b) to the training sites as specified in the commissioner's approval letter. Sponsoring
185.25 institutions, which are accredited through an organization recognized by the Department
185.26 of Education or the Centers for Medicare and Medicaid Services, may contract directly
185.27 with training sites to provide clinical training. To ensure the quality of clinical training,
185.28 those accredited sponsoring institutions must:

185.29 (1) develop contracts specifying the terms, expectations, and outcomes of the clinical
185.30 training conducted at sites; and

185.31 (2) take necessary action if the contract requirements are not met. Action may include
185.32 the withholding of payments under this section or the removal of students from the site.

185.33 (e) Use of funds is limited to expenses related to clinical training program costs for
185.34 eligible programs.

185.35 (f) Any funds not distributed in accordance with the commissioner's approval letter
185.36 must be returned to the medical education and research fund within 30 days of receiving

186.1 notice from the commissioner. The commissioner shall distribute returned funds to the
 186.2 appropriate training sites in accordance with the commissioner's approval letter.

186.3 (g) A maximum of \$150,000 of the funds dedicated to the commissioner under
 186.4 section 297F.10, subdivision 1, clause (2), may be used by the commissioner for
 186.5 administrative expenses associated with implementing this section.

186.6 Sec. 18. Minnesota Statutes 2014, section 62J.70, subdivision 2, is amended to read:

186.7 Subd. 2. **Health care provider or provider.** "Health care provider" or "provider"
 186.8 means:

186.9 (1) a physician, nurse, or other provider as defined under section 62J.03;

186.10 (2) a hospital as defined under section 144.696, subdivision 3;

186.11 (3) an individual or entity that provides health care services under the medical
 186.12 assistance, ~~general assistance medical care~~, MinnesotaCare, or state employee group
 186.13 insurance program; and

186.14 (4) an association, partnership, corporation, limited liability corporation, or other
 186.15 organization of persons or entities described in clause (1) or (2) organized for the purposes
 186.16 of providing, arranging, or administering health care services or treatment.

186.17 This section does not apply to trade associations, membership associations of
 186.18 health care professionals, or other organizations that do not directly provide, arrange, or
 186.19 administer health care services or treatment.

186.20 Sec. 19. Minnesota Statutes 2014, section 62J.701, is amended to read:

186.21 **62J.701 GOVERNMENTAL PROGRAMS.**

186.22 Beginning January 1, 1999, the provisions in paragraphs (a) to (d) apply.

186.23 (a) For purposes of sections 62J.695 to 62J.80, the requirements and other provisions
 186.24 that apply to health plan companies also apply to governmental programs.

186.25 (b) For purposes of this section, "governmental programs" means the medical
 186.26 assistance program, the MinnesotaCare program, ~~the general assistance medical care~~
 186.27 ~~program~~, the state employee group insurance program, the public employees insurance
 186.28 program under section 43A.316, and coverage provided by political subdivisions under
 186.29 section 471.617.

186.30 (c) Notwithstanding paragraph (a), section 62J.72 does not apply to the
 186.31 fee-for-service programs under medical assistance, and MinnesotaCare, ~~and general~~
 186.32 ~~assistance medical care~~.

186.33 (d) If a state commissioner or local unit of government contracts with a health plan
 186.34 company or a third-party administrator, the contract may assign any obligations under

187.1 paragraph (a) to the health plan company or third-party administrator. Nothing in this
187.2 paragraph shall be construed to remove or diminish any enforcement responsibilities of
187.3 the commissioners of health or commerce provided in sections 62J.695 to 62J.80.

187.4 Sec. 20. Minnesota Statutes 2014, section 62J.81, subdivision 2, is amended to read:

187.5 Subd. 2. **Applicability.** For purposes of this section, "consumer" does not include
187.6 a medical assistance, or MinnesotaCare, ~~or general assistance medical care~~ enrollee, for
187.7 services covered under those programs.

187.8 Sec. 21. Minnesota Statutes 2014, section 62L.03, subdivision 3, is amended to read:

187.9 Subd. 3. **Minimum participation and contribution.** (a) A small employer that has
187.10 at least 75 percent of its eligible employees who have not waived coverage participating in
187.11 a health benefit plan and that contributes at least 50 percent toward the cost of coverage of
187.12 each eligible employee must be guaranteed coverage on a guaranteed issue basis from
187.13 any health carrier participating in the small employer market. The participation level
187.14 of eligible employees must be determined at the initial offering of coverage and at the
187.15 renewal date of coverage. A health carrier must not increase the participation requirements
187.16 applicable to a small employer at any time after the small employer has been accepted for
187.17 coverage. For the purposes of this subdivision, waiver of coverage includes only waivers
187.18 due to: (1) coverage under another group health plan; (2) coverage under Medicare
187.19 Parts A and B; or (3) coverage under medical assistance under chapter 256B ~~or general~~
187.20 ~~assistance medical care under chapter 256D.~~

187.21 (b) If a small employer does not satisfy the contribution or participation requirements
187.22 under this subdivision, a health carrier may voluntarily issue or renew individual health
187.23 plans, or a health benefit plan which must fully comply with this chapter. A health carrier
187.24 that provides a health benefit plan to a small employer that does not meet the contribution
187.25 or participation requirements of this subdivision must maintain this information in its files
187.26 for audit by the commissioner. A health carrier may not offer an individual health plan,
187.27 purchased through an arrangement between the employer and the health carrier, to any
187.28 employee unless the health carrier also offers the individual health plan, on a guaranteed
187.29 issue basis, to all other employees of the same employer. An arrangement permitted under
187.30 section 62L.12, subdivision 2, paragraph (1), is not an arrangement between the employer
187.31 and the health carrier for purposes of this paragraph.

187.32 (c) Nothing in this section obligates a health carrier to issue coverage to a small
187.33 employer that currently offers coverage through a health benefit plan from another health
187.34 carrier, unless the new coverage will replace the existing coverage and not serve as one

188.1 of two or more health benefit plans offered by the employer. This paragraph does not
188.2 apply if the small employer will meet the required participation level with respect to
188.3 the new coverage.

188.4 (d) If a small employer cannot meet either the participation or contribution
188.5 requirement, the small employer may purchase coverage only during an open enrollment
188.6 period each year between November 15 and December 15.

188.7 Sec. 22. Minnesota Statutes 2014, section 62M.07, is amended to read:

188.14 and providers and for notifying the provider, enrollee, or enrollee's designee of appeal
188.15 procedures under clause (4);

188.16 (3) compliance with section 62M.05, subdivisions 3a and 3b, regarding time frames
188.17 for approving and disapproving prior authorization requests;

188.18 (4) written procedures for appeals of denials of prior authorization which specify the
188.19 responsibilities of the enrollee and provider, and which meet the requirements of sections
188.20 62M.06 and 72A.285, regarding release of summary review findings; and

188.21 (5) procedures to ensure confidentiality of patient-specific information, consistent
188.22 with applicable law.

188.23 (b) No utilization review organization, health plan company, or claims administrator
188.24 may conduct or require prior authorization of emergency confinement or emergency
188.25 treatment. The enrollee or the enrollee's authorized representative may be required to
188.26 notify the health plan company, claims administrator, or utilization review organization
188.27 as soon after the beginning of the emergency confinement or emergency treatment as
188.28 reasonably possible.

188.29 (c) If prior authorization for a health care service is required, the utilization review
188.30 organization, health plan company, or claim administrator must allow providers to submit
188.31 requests for prior authorization of the health care services without unreasonable delay
188.32 by telephone, facsimile, or voice mail or through an electronic mechanism 24 hours a
188.33 day, seven days a week. This paragraph does not apply to dental service covered under
188.34 MinnesotaCare, ~~general assistance medical care~~, or medical assistance.

189.4 ~~medical care~~, and MinnesotaCare. The system must be developed in accordance with the
189.5 general risk adjustment methodologies described in this section, must include factors in
189.6 addition to age and sex adjustment, and may include additional demographic factors,
189.7 different targeted conditions, and/or different payment amounts for conditions. The risk
189.8 adjustment system for public programs must attempt to reflect the special needs related to
189.9 poverty, cultural, or language barriers and other needs of the public program population.

189.10 (b) The commissioner of human services shall phase in risk adjustment according to
189.11 the following schedule:

189.12 (1) for the first contract year, no more than ten percent of reimbursements shall be
189.13 risk adjusted; and

189.14 (2) for the second contract year, no more than 30 percent of reimbursements shall be
189.15 risk adjusted.

189.16 Sec. 24. Minnesota Statutes 2014, section 62Q.19, subdivision 2a, is amended to read:

189.17 Subd. 2a. **Definition of health plan company.** For purposes of this section, "health
189.18 plan company" does not include a health plan company as defined in section 62Q.01 with
189.19 fewer than 50,000 enrollees, all of whose enrollees are covered under medical assistance,
189.20 ~~general assistance medical care~~, or MinnesotaCare.

189.21 Sec. 25. Minnesota Statutes 2014, section 62Q.22, subdivision 8, is amended to read:

189.22 Subd. 8. **Public assistance program eligibility.** A community health clinic may
189.23 require an individual or family enrolled in the clinic's prepaid option to apply for medical
189.24 assistance, ~~general assistance medical care~~, or the MinnesotaCare program. The clinic must
189.25 assist the individual or family in filing the application for the appropriate public program.
189.26 If, upon the request of the clinic, an individual or family refuses to apply for these programs,
189.27 the clinic may disenroll the individual or family from the prepaid option at any time.

203.22 may have been previously dispensed;

203.23 (2) that a visual inspection has been conducted by the pharmacist or practitioner
203.24 to ensure that the drug has not expired, has not been adulterated or misbranded, and is

203.27 the cancer drug repository, the Board of Pharmacy, and any other participant of the
203.28 cancer drug repository program cannot guarantee the safety of the drug or supply being
203.29 dispensed or administered and that the pharmacist or practitioner has determined that the
203.30 drug or supply is safe to dispense or administer based on the accuracy of the donor's
203.31 form submitted with the donated drug or supply and the visual inspection required to be
203.32 performed by the pharmacist or practitioner before dispensing or administering.

203.33 The board shall make the cancer drug repository form available on the Board of
203.34 Pharmacy's Web site.

204.1 (d) Drugs and supplies shall only be dispensed or administered to individuals who
 204.2 meet the eligibility requirements in subdivision 4 and in the following order of priority:

204.3 (1) individuals who are uninsured;

204.4 (2) individuals who are enrolled in medical assistance, ~~general assistance medical~~
 204.5 ~~care~~, MinnesotaCare, Medicare, or other public assistance health care; and

204.6 (3) all other individuals who are otherwise eligible under subdivision 4 to receive
 204.7 drugs or supplies from a cancer drug repository.

204.8 Sec. 41. Minnesota Statutes 2014, section 168B.07, subdivision 3, is amended to read:

204.9 Subd. 3. **Retrieval of contents.** (a) For purposes of this subdivision:

204.10 (1) "contents" does not include any permanently affixed mechanical or
 204.11 nonmechanical automobile parts; automobile body parts; or automobile accessories,
 204.12 including audio or video players; and

204.13 (2) "relief based on need" includes, but is not limited to, receipt of MFIP and
 204.14 Diversionary Work Program, medical assistance, general assistance, ~~general assistance~~
 204.15 ~~medical care~~, emergency general assistance, Minnesota supplemental aid, MSA-emergency
 204.16 assistance, MinnesotaCare, Supplemental Security Income, energy assistance, emergency
 204.17 assistance, food stamps, earned income tax credit, or Minnesota working family tax credit.

204.18 (b) A unit of government or impound lot operator shall establish reasonable
 204.19 procedures for retrieval of vehicle contents, and may establish reasonable procedures to
 204.20 protect the safety and security of the impound lot and its personnel.

204.21 (c) At any time before the expiration of the waiting periods provided in section
 204.22 168B.051, a registered owner who provides documentation from a government or
 204.23 nonprofit agency or legal aid office that the registered owner is homeless, receives relief
 204.24 based on need, or is eligible for legal aid services, has the unencumbered right to retrieve
 204.25 any and all contents without charge and regardless of whether the registered owner pays
 204.26 incurred charges or fees, transfers title, or reclaims the vehicle.

204.27 Sec. 42. Minnesota Statutes 2014, section 244.05, subdivision 8, is amended to read:

204.28 Subd. 8. **Conditional medical release.** Notwithstanding subdivisions 4 and 5, the
 204.29 commissioner may order that any offender be placed on conditional medical release before
 204.30 the offender's scheduled supervised release date or target release date if the offender
 204.31 suffers from a grave illness or medical condition and the release poses no threat to the
 204.32 public. In making the decision to release an offender on this status, the commissioner must
 204.33 consider the offender's age and medical condition, the health care needs of the offender,
 204.34 the offender's custody classification and level of risk of violence, the appropriate level

205.1 of community supervision, and alternative placements that may be available for the
205.2 offender. An inmate may not be released under this provision unless the commissioner
205.3 has determined that the inmate's health costs are likely to be borne by medical assistance,
205.4 Medicaid, ~~general assistance medical care~~, veteran's benefits, or by any other federal or state
205.5 medical assistance programs or by the inmate. Conditional medical release is governed by
205.6 provisions relating to supervised release except that it may be rescinded without hearing
205.7 by the commissioner if the offender's medical condition improves to the extent that the
205.8 continuation of the conditional medical release presents a more serious risk to the public.

205.9 Sec. 43. Minnesota Statutes 2014, section 244.054, subdivision 2, is amended to read:

205.10 Subd. 2. **Content of plan.** If an offender chooses to have a discharge plan
205.11 developed, the commissioner of human services shall develop and implement a discharge
205.12 plan, which must include at least the following:

205.13 (1) at least 90 days before the offender is due to be discharged, the commissioner
205.14 of human services shall designate an agent of the Department of Human Services with
205.15 mental health training to serve as the primary person responsible for carrying out discharge
205.16 planning activities;

205.17 (2) at least 75 days before the offender is due to be discharged, the offender's
205.18 designated agent shall:

205.19 (i) obtain informed consent and releases of information from the offender that are
205.20 needed for transition services;

205.21 (ii) contact the county human services department in the community where the
205.22 offender expects to reside following discharge, and inform the department of the offender's
205.23 impending discharge and the planned date of the offender's return to the community;
205.24 determine whether the county or a designated contracted provider will provide case
205.25 management services to the offender; refer the offender to the case management services
205.26 provider; and confirm that the case management services provider will have opened the
205.27 offender's case prior to the offender's discharge; and

205.28 (iii) refer the offender to appropriate staff in the county human services department
205.29 in the community where the offender expects to reside following discharge, for enrollment
205.30 of the offender if eligible in medical assistance ~~or general assistance medical care~~, using
205.31 special procedures established by process and Department of Human Services bulletin;

205.32 (3) at least 2-1/2 months before discharge, the offender's designated agent shall
205.33 secure timely appointments for the offender with a psychiatrist no later than 30 days
205.34 following discharge, and with other program staff at a community mental health provider
205.35 that is able to serve former offenders with serious and persistent mental illness;

206.1 (4) at least 30 days before discharge, the offender's designated agent shall convene a
206.2 pre-discharge assessment and planning meeting of key staff from the programs in which
206.3 the offender has participated while in the correctional facility, the offender, the supervising
206.4 agent, and the mental health case management services provider assigned to the offender.
206.5 At the meeting, attendees shall provide background information and continuing care
206.6 recommendations for the offender, including information on the offender's risk for relapse;
206.7 current medications, including dosage and frequency; therapy and behavioral goals;
206.8 diagnostic and assessment information, including results of a chemical dependency
206.9 evaluation; confirmation of appointments with a psychiatrist and other program staff in
206.10 the community; a relapse prevention plan; continuing care needs; needs for housing,
206.11 employment, and finance support and assistance; and recommendations for successful
206.12 community integration, including chemical dependency treatment or support if chemical
206.13 dependency is a risk factor. Immediately following this meeting, the offender's designated
206.14 agent shall summarize this background information and continuing care recommendations
206.15 in a written report;

206.16 (5) immediately following the pre-discharge assessment and planning meeting, the
206.17 provider of mental health case management services who will serve the offender following
206.18 discharge shall offer to make arrangements and referrals for housing, financial support,
206.19 benefits assistance, employment counseling, and other services required in sections
206.20 245.461 to 245.486;

206.21 (6) at least ten days before the offender's first scheduled postdischarge appointment
206.22 with a mental health provider, the offender's designated agent shall transfer the following
206.23 records to the offender's case management services provider and psychiatrist: the
206.24 pre-discharge assessment and planning report, medical records, and pharmacy records.
206.25 These records may be transferred only if the offender provides informed consent for
206.26 their release;

206.27 (7) upon discharge, the offender's designated agent shall ensure that the offender
206.28 leaves the correctional facility with at least a ten-day supply of all necessary medications;
206.29 and

206.30 (8) upon discharge, the prescribing authority at the offender's correctional facility
206.31 shall telephone in prescriptions for all necessary medications to a pharmacy in the
206.32 community where the offender plans to reside. The prescriptions must provide at least a
206.33 30-day supply of all necessary medications, and must be able to be refilled once for one
206.34 additional 30-day supply.

206.35 Sec. 44. Minnesota Statutes 2014, section 245.466, subdivision 7, is amended to read:

207.1 Subd. 7. **IMD downsizing flexibility.** (a) If a county presents a budget-neutral
207.2 plan for a net reduction in the number of institution for mental disease (IMD) beds
207.3 funded under group residential housing, the commissioner may transfer the net savings
207.4 from group residential housing and ~~general assistance medical care~~ to medical assistance
207.5 and mental health grants to provide appropriate services in non-IMD settings. For the
207.6 purposes of this subdivision, "a budget neutral plan" means a plan that does not increase
207.7 the state share of costs.

207.8 (b) ~~The provisions of paragraph (a) do not apply to a facility that has its~~
207.9 ~~reimbursement rate established under section 256B.431, subdivision 4, paragraph (e).~~

207.10 Sec. 45. Minnesota Statutes 2015 Supplement, section 245.4661, subdivision 6,
207.11 is amended to read:

207.12 Subd. 6. **Duties of commissioner.** (a) For purposes of the pilot projects, the
207.13 commissioner shall facilitate integration of funds or other resources as needed and
207.14 requested by each project. These resources may include:

207.15 (1) community support services funds administered under Minnesota Rules, parts
207.16 9535.1700 to 9535.1760;

207.17 (2) other mental health special project funds;

207.18 (3) medical assistance, ~~general assistance medical care~~, MinnesotaCare₂, and group
207.19 residential housing if requested by the project's managing entity, and if the commissioner
207.20 determines this would be consistent with the state's overall health care reform efforts; and

207.21 (4) regional treatment center resources consistent with section 246.0136, subdivision
207.22 1.

207.23 (b) The commissioner shall consider the following criteria in awarding start-up and
207.24 implementation grants for the pilot projects:

207.25 (1) the ability of the proposed projects to accomplish the objectives described in
207.26 subdivision 2;

207.27 (2) the size of the target population to be served; and

207.28 (3) geographical distribution.

207.29 (c) The commissioner shall review overall status of the projects initiatives at least
207.30 every two years and recommend any legislative changes needed by January 15 of each
207.31 odd-numbered year.

207.32 (d) The commissioner may waive administrative rule requirements which are
207.33 incompatible with the implementation of the pilot project.

208.1 (e) The commissioner may exempt the participating counties from fiscal sanctions
208.2 for noncompliance with requirements in laws and rules which are incompatible with the
208.3 implementation of the pilot project.

208.4 (f) The commissioner may award grants to an entity designated by a county board or
208.5 group of county boards to pay for start-up and implementation costs of the pilot project.

208.6 Sec. 46. Minnesota Statutes 2014, section 245.467, subdivision 2, is amended to read:

208.7 Subd. 2. **Diagnostic assessment.** All providers of residential, acute care hospital
208.8 inpatient, and regional treatment centers must complete a diagnostic assessment for each
208.9 of their clients within five days of admission. Providers of outpatient and day treatment
208.10 services must complete a diagnostic assessment within five days after the adult's second
208.11 visit or within 30 days after intake, whichever occurs first. In cases where a diagnostic
208.12 assessment is available and has been completed within three years preceding admission,
208.13 only an adult diagnostic assessment update is necessary. An "adult diagnostic assessment
208.14 update" means a written summary by a mental health professional of the adult's current
208.15 mental health status and service needs and includes a face-to-face interview with the adult.
208.16 If the adult's mental health status has changed markedly since the adult's most recent
208.17 diagnostic assessment, a new diagnostic assessment is required. Compliance with the
208.18 provisions of this subdivision does not ensure eligibility for medical assistance ~~or general~~
208.19 ~~assistance medical care~~ reimbursement under ~~chapters~~ chapter 256B and 256D.

208.20 Sec. 47. Minnesota Statutes 2014, section 245.4682, subdivision 3, is amended to read:

208.21 Subd. 3. **Projects for coordination of care.** (a) Consistent with section 256B.69
208.22 and ~~chapters 256D and~~ chapter 256L, the commissioner is authorized to solicit, approve,
208.23 and implement up to three projects to demonstrate the integration of physical and mental
208.24 health services within prepaid health plans and their coordination with social services.
208.25 The commissioner shall require that each project be based on locally defined partnerships
208.26 that include at least one health maintenance organization, community integrated service
208.27 network, or accountable provider network authorized and operating under chapter 62D,
208.28 62N, or 62T, or county-based purchasing entity under section 256B.692 that is eligible to
208.29 contract with the commissioner as a prepaid health plan, and the county or counties within
208.30 the service area. Counties shall retain responsibility and authority for social services in
208.31 these locally defined partnerships.

208.32 (b) The commissioner, in consultation with consumers, families, and their
208.33 representatives, shall:

- 209.1 (1) determine criteria for approving the projects and use those criteria to solicit
209.2 proposals for preferred integrated networks. The commissioner must develop criteria to
209.3 evaluate the partnership proposed by the county and prepaid health plan to coordinate
209.4 access and delivery of services. The proposal must at a minimum address how the
209.5 partnership will coordinate the provision of:
- 209.6 (i) client outreach and identification of health and social service needs paired with
209.7 expedited access to appropriate resources;
 - 209.8 (ii) activities to maintain continuity of health care coverage;
 - 209.9 (iii) children's residential mental health treatment and treatment foster care;
 - 209.10 (iv) court-ordered assessments and treatments;
 - 209.11 (v) prepetition screening and commitments under chapter 253B;
 - 209.12 (vi) assessment and treatment of children identified through mental health screening
209.13 of child welfare and juvenile corrections cases;
 - 209.14 (vii) home and community-based waiver services;
 - 209.15 (viii) assistance with finding and maintaining employment;
 - 209.16 (ix) housing; and
 - 209.17 (x) transportation;
- 209.18 (2) determine specifications for contracts with prepaid health plans to improve the
209.19 plan's ability to serve persons with mental health conditions, including specifications
209.20 addressing:
- 209.21 (i) early identification and intervention of physical and behavioral health problems;
 - 209.22 (ii) communication between the enrollee and the health plan;
 - 209.23 (iii) facilitation of enrollment for persons who are also eligible for a Medicare
209.24 special needs plan offered by the health plan;
 - 209.25 (iv) risk screening procedures;
 - 209.26 (v) health care coordination;
 - 209.27 (vi) member services and access to applicable protections and appeal processes;
 - 209.28 (vii) specialty provider networks;
 - 209.29 (viii) transportation services;
 - 209.30 (ix) treatment planning; and
 - 209.31 (x) administrative simplification for providers;
- 209.32 (3) begin implementation of the projects no earlier than January 1, 2009, with not
209.33 more than 40 percent of the statewide population included during calendar year 2009 and
209.34 additional counties included in subsequent years;
- 209.35 (4) waive any administrative rule not consistent with the implementation of the
209.36 projects;

210.1 (5) allow potential bidders at least 90 days to respond to the request for proposals; and
210.2 (6) conduct an independent evaluation to determine if mental health outcomes have
210.3 improved in that county or counties according to measurable standards designed in
210.4 consultation with the advisory body established under this subdivision and reviewed by
210.5 the State Advisory Council on Mental Health.

210.6 (c) Notwithstanding any statute or administrative rule to the contrary, the
210.7 commissioner may enroll all persons eligible for medical assistance with serious mental
210.8 illness or emotional disturbance in the prepaid plan of their choice within the project
210.9 service area unless:

210.10 (1) the individual is eligible for home and community-based services for persons
210.11 with developmental disabilities and related conditions under section 256B.092; or

210.12 (2) the individual has a basis for exclusion from the prepaid plan under section
210.13 256B.69, subdivision 4, other than disability, mental illness, or emotional disturbance.

210.14 (d) The commissioner shall involve organizations representing persons with mental
210.15 illness and their families in the development and distribution of information used to
210.16 educate potential enrollees regarding their options for health care and mental health
210.17 service delivery under this subdivision.

210.18 (e) If the person described in paragraph (c) does not elect to remain in fee-for-service
210.19 medical assistance, or declines to choose a plan, the commissioner may preferentially
210.20 assign that person to the prepaid plan participating in the preferred integrated network.
210.21 The commissioner shall implement the enrollment changes within a project's service area
210.22 on the timeline specified in that project's approved application.

210.23 (f) A person enrolled in a prepaid health plan under paragraphs (c) and (d) may
210.24 disenroll from the plan at any time.

210.25 (g) The commissioner, in consultation with consumers, families, and their
210.26 representatives, shall evaluate the projects begun in 2009, and shall refine the design of the
210.27 service integration projects before expanding the projects. The commissioner shall report
210.28 to the chairs of the legislative committees with jurisdiction over mental health services
210.29 by March 1, 2008, on plans for evaluation of preferred integrated networks established
210.30 under this subdivision.

210.31 (h) The commissioner shall apply for any federal waivers necessary to implement
210.32 these changes.

210.33 (i) Payment for Medicaid service providers under this subdivision for the months of
210.34 May and June will be made no earlier than July 1 of the same calendar year.

210.35 Sec. 48. Minnesota Statutes 2014, section 245.4712, subdivision 3, is amended to read:

211.1 Subd. 3. **Benefits assistance.** The county board must offer to help adults with
 211.2 serious and persistent mental illness in applying for state and federal benefits, including
 211.3 Supplemental Security Income, medical assistance, Medicare, general assistance, ~~general~~
 211.4 ~~assistance-medical care~~, and Minnesota supplemental aid. The help must be offered as
 211.5 part of the community support program available to adults with serious and persistent
 211.6 mental illness for whom the county is financially responsible and who may qualify for
 211.7 these benefits.

211.8 Sec. 49. Minnesota Statutes 2014, section 245.4876, subdivision 2, is amended to read:

211.9 Subd. 2. **Diagnostic assessment.** All residential treatment facilities and acute care
 211.10 hospital inpatient treatment facilities that provide mental health services for children
 211.11 must complete a diagnostic assessment for each of their child clients within five working
 211.12 days of admission. Providers of outpatient and day treatment services for children must
 211.13 complete a diagnostic assessment within five days after the child's second visit or 30 days
 211.14 after intake, whichever occurs first. In cases where a diagnostic assessment is available
 211.15 and has been completed within 180 days preceding admission, only updating is necessary.
 211.16 "Updating" means a written summary by a mental health professional of the child's current
 211.17 mental health status and service needs. If the child's mental health status has changed
 211.18 markedly since the child's most recent diagnostic assessment, a new diagnostic assessment
 211.19 is required. Compliance with the provisions of this subdivision does not ensure eligibility
 211.20 for medical assistance or ~~general assistance-medical care~~ reimbursement under ~~chapters~~
 211.21 chapter 256B and 256D.

211.22 Sec. 50. Minnesota Statutes 2014, section 253B.03, subdivision 10, is amended to read:

211.23 Subd. 10. **Notification.** All persons admitted or committed to a treatment facility
 211.24 shall be notified in writing of their rights regarding hospitalization and other treatment
 211.25 at the time of admission. This notification must include:

211.26 (1) patient rights specified in this section and section 144.651, including nursing
 211.27 home discharge rights;

211.28 (2) the right to obtain treatment and services voluntarily under this chapter;

211.29 (3) the right to voluntary admission and release under section 253B.04;

211.30 (4) rights in case of an emergency admission under section 253B.05, including
 211.31 the right to documentation in support of an emergency hold and the right to a summary
 211.32 hearing before a judge if the patient believes an emergency hold is improper;

211.33 (5) the right to request expedited review under section 62M.05 if additional days of
 211.34 inpatient stay are denied;

212.1 (6) the right to continuing benefits pending appeal and to an expedited administrative
212.2 hearing under section 256.045 if the patient is a recipient of medical assistance, ~~general~~
212.3 ~~assistance-medical-care~~, or MinnesotaCare; and

212.4 (7) the right to an external appeal process under section 62Q.73, including the right
212.5 to a second opinion.

212.6 Sec. 51. Minnesota Statutes 2014, section 254B.03, subdivision 4, is amended to read:

212.7 Subd. 4. **Division of costs.** Except for services provided by a county under
212.8 section 254B.09, subdivision 1, or services provided under section 256B.69 ~~or 256D.03,~~
212.9 ~~subdivision 4, paragraph (b),~~ the county shall, out of local money, pay the state for 22.95
212.10 percent of the cost of chemical dependency services, including those services provided to
212.11 persons eligible for medical assistance under chapter 256B ~~and general assistance-medical~~
212.12 ~~care under chapter 256D.~~ Counties may use the indigent hospitalization levy for treatment
212.13 and hospital payments made under this section. 22.95 percent of any state collections from
212.14 private or third-party pay, less 15 percent for the cost of payment and collections, must be
212.15 distributed to the county that paid for a portion of the treatment under this section.

212.16 Sec. 52. Minnesota Statutes 2014, section 254B.04, subdivision 1, is amended to read:

212.17 Subdivision 1. **Eligibility.** (a) Persons eligible for benefits under Code of Federal
212.18 Regulations, title 25, part 20, and persons eligible for medical assistance benefits under
212.19 sections 256B.055, 256B.056, and 256B.057, subdivisions 1, 5, and 6, or who meet the
212.20 income standards of section 256B.056, subdivision 4, ~~and persons eligible for general~~
212.21 ~~assistance-medical-care under section 256D.03, subdivision 3,~~ are entitled to chemical
212.22 dependency fund services. State money appropriated for this paragraph must be placed in
212.23 a separate account established for this purpose.

212.24 Persons with dependent children who are determined to be in need of chemical
212.25 dependency treatment pursuant to an assessment under section 626.556, subdivision 10, or
212.26 a case plan under section 260C.201, subdivision 6, or 260C.212, shall be assisted by the
212.27 local agency to access needed treatment services. Treatment services must be appropriate
212.28 for the individual or family, which may include long-term care treatment or treatment in a
212.29 facility that allows the dependent children to stay in the treatment facility. The county
212.30 shall pay for out-of-home placement costs, if applicable.

212.31 (b) A person not entitled to services under paragraph (a), but with family income
212.32 that is less than 215 percent of the federal poverty guidelines for the applicable family
212.33 size, shall be eligible to receive chemical dependency fund services within the limit
212.34 of funds appropriated for this group for the fiscal year. If notified by the state agency

213.1 of limited funds, a county must give preferential treatment to persons with dependent
213.2 children who are in need of chemical dependency treatment pursuant to an assessment
213.3 under section 626.556, subdivision 10, or a case plan under section 260C.201, subdivision
213.4 6, or 260C.212. A county may spend money from its own sources to serve persons under
213.5 this paragraph. State money appropriated for this paragraph must be placed in a separate
213.6 account established for this purpose.

213.7 (c) Persons whose income is between 215 percent and 412 percent of the federal
213.8 poverty guidelines for the applicable family size shall be eligible for chemical dependency
213.9 services on a sliding fee basis, within the limit of funds appropriated for this group for the
213.10 fiscal year. Persons eligible under this paragraph must contribute to the cost of services
213.11 according to the sliding fee scale established under subdivision 3. A county may spend
213.12 money from its own sources to provide services to persons under this paragraph. State
213.13 money appropriated for this paragraph must be placed in a separate account established
213.14 for this purpose.

 214.8 programs would fall under the definition of "federal public benefit" under United States
 214.9 Code, title 8, section 1642, if federal funds were used to pay for all or part of the benefits.

214.10 (b) The commissioner shall comply with the reporting requirements under United
 214.11 States Code, title 42, section 611a, and any federal regulation or guidance adopted under
 214.12 that law.

215.1 charge a county for development and operating costs incurred by computer systems for
215.2 functions requested by the county and not mandated by state or federal law for programs
215.3 administered by the computer system incurring the cost.

215.4 (c) The commissioner shall distribute the nonfederal share of the costs of operating
215.5 and maintaining the systems to the commissioner and to the counties participating in the
215.6 system in a manner that reflects actual system usage, except that the nonfederal share of
215.7 the costs of the MAXIS computer system and child support enforcement systems for
215.8 statewide programs administered by those systems and mandated by state or federal law
215.9 shall be borne entirely by the commissioner.

215.10 The commissioner may enter into contractual agreements with federally recognized

215.17 Sec. 57. Minnesota Statutes 2014, section 256.015, subdivision 1, is amended to read:

215.18 Subdivision 1. **State agency has lien.** When the state agency provides, pays for, or
215.19 becomes liable for medical care or furnishes subsistence or other payments to a person,
215.20 the agency shall have a lien for the cost of the care and payments on any and all causes of
215.21 action or recovery rights under any policy, plan, or contract providing benefits for health
215.22 care or injury which accrue to the person to whom the care or payments were furnished,
215.23 or to the person's legal representatives, as a result of the occurrence that necessitated
215.24 the medical care, subsistence, or other payments. For purposes of this section, "state
215.25 agency" includes prepaid health plans under contract with the commissioner according
215.26 to sections 256B.69, ~~256D.03, subdivision 4, paragraph (c)~~, 256L.01, subdivision 7,

215.32 Sec. 58. Minnesota Statutes 2014, section 256.015, subdivision 3, is amended to read:

215.33 Subd. 3. **Prosecutor.** The attorney general shall represent the commissioner to
215.34 enforce the lien created under this section or, if no action has been brought, may initiate

216.1 and prosecute an independent action on behalf of the commissioner against a person, firm,
 216.2 or corporation that may be liable to the person to whom the care or payment was furnished.

216.3 Any prepaid health plan providing services under sections 256B.69, ~~256D.03,~~
 216.4 ~~subdivision 4, paragraph (e),~~ and 256L.12 and Minnesota Statutes 2009 Supplement,
 216.5 section 256D.03, subdivision 4, paragraph (c); children's mental health collaboratives

 216.7 256B.77; nursing homes under the alternative payment demonstration project under
 216.8 section 256B.434; or the county-based purchasing entity providing services under section
 216.9 256B.692 may retain legal representation to enforce their lien created under this section
 216.10 or, if no action has been brought, may initiate and prosecute an independent action on their
 216.11 behalf against a person, firm, or corporation that may be liable to the person to whom the
 216.12 care or payment was furnished.

216.13 Sec. 59. Minnesota Statutes 2014, section 256.019, subdivision 1, is amended to read:

216.14 Subdivision 1. **Retention rates.** When an assistance recovery amount is collected
 216.15 and posted by a county agency under the provisions governing public assistance programs
 216.16 including general assistance medical care formerly codified in chapter 256D, general
 216.17 assistance, and Minnesota supplemental aid, the county may keep one-half of the recovery
 216.18 made by the county agency using any method other than recoupment. For medical
 216.19 assistance, if the recovery is made by a county agency using any method other than
 216.20 recoupment, the county may keep one-half of the nonfederal share of the recovery. For
 216.21 MinnesotaCare, if the recovery is collected and posted by the county agency, the county
 216.22 may keep one-half of the nonfederal share of the recovery.

216.23 This does not apply to recoveries from medical providers or to recoveries begun
 216.24 by the Department of Human Services' Surveillance and Utilization Review Division,
 216.25 State Hospital Collections Unit, and the Benefit Recoveries Division or, by the attorney
 216.26 general's office, or child support collections. In the food stamp or food support program,
 216.27 the nonfederal share of recoveries in the federal tax offset program only will be divided
 216.28 equally between the state agency and the involved county agency.

216.29 Sec. 60. Minnesota Statutes 2014, section 256.029, is amended to read:

216.30 **256.029 DOMESTIC VIOLENCE INFORMATIONAL BROCHURE.**

216.31 (a) The commissioner shall provide a domestic violence informational brochure that
 216.32 provides information about the existence of domestic violence waivers for eligible public
 216.33 assistance applicants to all applicants of general assistance, ~~general assistance medical~~
 216.34 ~~care,~~ Minnesota family investment program, medical assistance, and MinnesotaCare. The

217.1 brochure must explain that eligible applicants may be temporarily waived from certain
217.2 program requirements due to domestic violence. The brochure must provide information
217.3 about services and other programs to help victims of domestic violence.

217.4 (b) The brochure must be funded with TANF funds.

217.5 Sec. 61. Minnesota Statutes 2014, section 256.045, subdivision 3a, is amended to read:

217.6 Subd. 3a. **Prepaid health plan appeals.** (a) All prepaid health plans under contract
217.7 to the commissioner under chapter 256B ~~or 256D~~ must provide for a complaint system
217.8 according to section 62D.11. When a prepaid health plan denies, reduces, or terminates a
217.9 health service or denies a request to authorize a previously authorized health service, the
217.10 prepaid health plan must notify the recipient of the right to file a complaint or an appeal.
217.11 The notice must include the name and telephone number of the ombudsman and notice of
217.12 the recipient's right to request a hearing under paragraph (b). Recipients may request the
217.13 assistance of the ombudsman in the complaint system process. The prepaid health plan
217.14 must issue a written resolution of the complaint to the recipient within 30 days after the
217.15 complaint is filed with the prepaid health plan. A recipient is not required to exhaust the
217.16 complaint system procedures in order to request a hearing under paragraph (b).

217.17 (b) Recipients enrolled in a prepaid health plan under chapter 256B ~~or 256D~~ may
217.18 contest a prepaid health plan's denial, reduction, or termination of health services, a
217.19 prepaid health plan's denial of a request to authorize a previously authorized health
217.20 service, or the prepaid health plan's written resolution of a complaint by submitting a
217.21 written request for a hearing according to subdivision 3. A state human services judge
217.22 shall conduct a hearing on the matter and shall recommend an order to the commissioner
217.23 of human services. The commissioner need not grant a hearing if the sole issue raised
217.24 by a recipient is the commissioner's authority to require mandatory enrollment in a
217.25 prepaid health plan in a county where prepaid health plans are under contract with the
217.26 commissioner. The state human services judge may order a second medical opinion
217.27 from the prepaid health plan or may order a second medical opinion from a nonprepaid
217.28 health plan provider at the expense of the prepaid health plan. Recipients may request
217.29 the assistance of the ombudsman in the appeal process.

217.30 (c) In the written request for a hearing to appeal from a prepaid health plan's denial,
217.31 reduction, or termination of a health service, a prepaid health plan's denial of a request to
217.32 authorize a previously authorized service, or the prepaid health plan's written resolution
217.33 to a complaint, a recipient may request an expedited hearing. If an expedited appeal is
217.34 warranted, the state human services judge shall hear the appeal and render a decision

218.1 within a time commensurate with the level of urgency involved, based on the individual
218.2 circumstances of the case.

218.3 Sec. 62. Minnesota Statutes 2014, section 256.045, subdivision 10, is amended to read:

218.4 Subd. 10. **Payments pending appeal.** If the commissioner of human services
218.5 or district court orders monthly assistance or aid or services paid or provided in any
218.6 proceeding under this section, it shall be paid or provided pending appeal to the
218.7 commissioner of human services, district court, Court of Appeals, or Supreme Court. The
218.8 human services judge may order the local human services agency to reduce or terminate
218.9 medical assistance or ~~general assistance medical care~~ to a recipient before a final order is
218.10 issued under this section if: (1) the human services judge determines at the hearing that the
218.11 sole issue on appeal is one of a change in state or federal law; and (2) the commissioner or
218.12 the local agency notifies the recipient before the action. The state or county agency has a
218.13 claim for food stamps, food support, cash payments, medical assistance, ~~general assistance~~
218.14 ~~medical care~~, and MinnesotaCare program payments made to or on behalf of a recipient or
218.15 former recipient while an appeal is pending if the recipient or former recipient is determined
218.16 ineligible for the food stamps, food support, cash payments, medical assistance, ~~general~~
218.17 ~~assistance medical care~~, or MinnesotaCare as a result of the appeal, except for medical
218.18 assistance and ~~general assistance medical care~~ made on behalf of a recipient pursuant to a
218.19 court order. In enforcing a claim on MinnesotaCare program payments, the state or county
218.20 agency shall reduce the claim amount by the value of any premium payments made by a
218.21 recipient or former recipient during the period for which the recipient or former recipient
218.22 has been determined to be ineligible. Provision of a health care service by the state agency
218.23 under medical assistance, ~~general assistance medical care~~, or MinnesotaCare pending
218.24 appeal shall not render moot the state agency's position in a court of law.

218.25 Sec. 63. Minnesota Statutes 2014, section 256.046, subdivision 1, is amended to read:

218.26 Subdivision 1. **Hearing authority.** A local agency must initiate an administrative
218.27 fraud disqualification hearing for individuals, including child care providers caring for
218.28 children receiving child care assistance, accused of wrongfully obtaining assistance or
218.29 intentional program violations, in lieu of a criminal action when it has not been pursued,
218.30 in the Minnesota family investment program and any affiliated program to include the
218.31 diversionary work program and the work participation cash benefit program, child care
218.32 assistance programs, general assistance, family general assistance program formerly
218.33 codified in section 256D.05, subdivision 1, clause (15), Minnesota supplemental aid,
218.34 food stamp programs, ~~general assistance medical care~~, MinnesotaCare for adults without

219.1 children, and upon federal approval, all categories of medical assistance and remaining
219.2 categories of MinnesotaCare except for children through age 18. The Department
219.3 of Human Services, in lieu of a local agency, may initiate an administrative fraud
219.4 disqualification hearing when the state agency is directly responsible for administration or
219.5 investigation of the program for which benefits were wrongfully obtained. The hearing is
219.6 subject to the requirements of section 256.045 and the requirements in Code of Federal
219.7 Regulations, title 7, section 273.16.

219.8 Sec. 64. Minnesota Statutes 2014, section 256.9365, subdivision 3, is amended to read:

219.9 Subd. 3. **Cost-effective coverage.** Requirements for the payment of individual
219.10 plan premiums under subdivision 2, clause (5), must be designed to ensure that the state
219.11 cost of paying an individual plan premium does not exceed the estimated state cost that
219.12 would otherwise be incurred in the medical assistance ~~or general assistance medical care~~
219.13 program. The commissioner shall purchase the most cost-effective coverage available
219.14 for eligible individuals.

219.15 Sec. 65. Minnesota Statutes 2014, section 256.962, subdivision 1, is amended to read:

219.16 Subdivision 1. **Public awareness and education.** The commissioner, in consultation
219.17 with community organizations, health plans, and other public entities experienced in
219.18 outreach to the uninsured, shall design and implement a statewide campaign to raise public
219.19 awareness on the availability of health coverage through medical assistance, ~~general~~
219.20 ~~assistance medical care~~, and MinnesotaCare and to educate the public on the importance of
219.21 obtaining and maintaining health care coverage. The campaign shall include multimedia
219.22 messages directed to the general population.

219.23 Sec. 66. Minnesota Statutes 2014, section 256.962, subdivision 5, is amended to read:

219.24 Subd. 5. **Incentive program.** Beginning January 1, 2008, the commissioner shall
219.25 establish an incentive program for organizations and licensed insurance producers under
219.26 chapter 60K that directly identify and assist potential enrollees in filling out and submitting
219.27 an application. For each applicant who is successfully enrolled in MinnesotaCare, or
219.28 medical assistance, ~~or general assistance medical care~~, the commissioner, within the
219.29 available appropriation, shall pay the organization or licensed insurance producer a \$25
219.30 application assistance bonus. The organization or licensed insurance producer may
219.31 provide an applicant a gift certificate or other incentive upon enrollment.

219.32 Sec. 67. Minnesota Statutes 2014, section 256.9655, subdivision 1, is amended to read:

220.1 Subdivision 1. **Duties of commissioner.** The commissioner shall establish
220.2 procedures to analyze and correct problems associated with medical care claims
220.3 preparation and processing under the medical assistance, ~~general assistance medical care,~~
220.4 and MinnesotaCare programs. At a minimum, the commissioner shall:

220.5 (1) designate a full-time position as a liaison between the Department of Human
220.6 Services and providers;

220.7 (2) analyze impediments to timely processing of claims, provide information and
220.8 consultation to providers, and develop methods to resolve or reduce problems;

220.9 (3) provide to each acute care hospital a quarterly listing of claims received and
220.10 identify claims that have been suspended and the reason the claims were suspended;

220.11 (4) provide education and information on reasons for rejecting and suspending
220.12 claims and identify methods that would avoid multiple submissions of claims; and

220.13 (5) for each acute care hospital, identify and prioritize claims that are in jeopardy of
220.14 exceeding time factors that eliminate payment.

220.15 Sec. 68. Minnesota Statutes 2014, section 256.9686, subdivision 7, is amended to read:

220.16 Subd. 7. **Medical assistance.** "Medical assistance" means the program established
220.17 under chapter 256B and Title XIX of the Social Security Act. ~~Medical assistance includes~~
220.18 ~~general assistance medical care established under chapter 256D, unless otherwise~~
220.19 ~~specifically stated.~~

220.20 Sec. 69. Minnesota Statutes 2014, section 256.98, subdivision 3, is amended to read:

220.21 Subd. 3. **Amount of assistance incorrectly paid.** The amount of the assistance
220.22 incorrectly paid under this section is:

220.23 (1) the difference between the amount of assistance actually received on the basis
220.24 of misrepresented or concealed facts and the amount to which the recipient would have
220.25 been entitled had the specific concealment or misrepresentation not occurred. Unless
220.26 required by law, rule, or regulation, earned income disregards shall not be applied to
220.27 earnings not reported by the recipient; or

220.28 (2) equal to all payments for health care services, including capitation payments
220.29 made to a health plan, made on behalf of a person enrolled in MinnesotaCare, medical
220.30 assistance, or general assistance medical care formerly codified in chapter 256D, for which
220.31 the person was not entitled due to the concealment or misrepresentation of facts.

220.32 Sec. 70. Minnesota Statutes 2014, section 256.98, subdivision 8, is amended to read:

221.1 Subd. 8. **Disqualification from program.** (a) Any person found to be guilty of
221.2 wrongfully obtaining assistance by a federal or state court or by an administrative hearing
221.3 determination, or waiver thereof, through a disqualification consent agreement, or as part
221.4 of any approved diversion plan under section 401.065, or any court-ordered stay which
221.5 carries with it any probationary or other conditions, in the Minnesota family investment
221.6 program and any affiliated program to include the diversionary work program and the
221.7 work participation cash benefit program, the food stamp or food support program, the
221.8 general assistance program, the group residential housing program, or the Minnesota
221.9 supplemental aid program shall be disqualified from that program. In addition, any person
221.10 disqualified from the Minnesota family investment program shall also be disqualified from
221.11 the food stamp or food support program. The needs of that individual shall not be taken
221.12 into consideration in determining the grant level for that assistance unit:

- 221.13 (1) for one year after the first offense;
221.14 (2) for two years after the second offense; and
221.15 (3) permanently after the third or subsequent offense.

221.16 The period of program disqualification shall begin on the date stipulated on the
221.17 advance notice of disqualification without possibility of postponement for administrative
221.18 stay or administrative hearing and shall continue through completion unless and until the
221.19 findings upon which the sanctions were imposed are reversed by a court of competent
221.20 jurisdiction. The period for which sanctions are imposed is not subject to review. The
221.21 sanctions provided under this subdivision are in addition to, and not in substitution
221.22 for, any other sanctions that may be provided for by law for the offense involved. A
221.23 disqualification established through hearing or waiver shall result in the disqualification
221.24 period beginning immediately unless the person has become otherwise ineligible for
221.25 assistance. If the person is ineligible for assistance, the disqualification period begins
221.26 when the person again meets the eligibility criteria of the program from which they were
221.27 disqualified and makes application for that program.

221.28 (b) A family receiving assistance through child care assistance programs
221.29 under chapter 119B with a family member who is found to be guilty of wrongfully
221.30 obtaining child care assistance by a federal court, state court, or an administrative
221.31 hearing determination or waiver, through a disqualification consent agreement, as part
221.32 of an approved diversion plan under section 401.065, or a court-ordered stay with
221.33 probationary or other conditions, is disqualified from child care assistance programs. The
221.34 disqualifications must be for periods of one year and two years for the first and second
221.35 offenses, respectively. Subsequent violations must result in permanent disqualification.

222.1 During the disqualification period, disqualification from any child care program must
 222.2 extend to all child care programs and must be immediately applied.

222.3 (c) A provider caring for children receiving assistance through child care assistance
 222.4 programs under chapter 119B is disqualified from receiving payment for child care
 222.5 services from the child care assistance program under chapter 119B when the provider is
 222.6 found to have wrongfully obtained child care assistance by a federal court, state court,
 222.7 or an administrative hearing determination or waiver under section 256.046, through
 222.8 a disqualification consent agreement, as part of an approved diversion plan under
 222.9 section 401.065, or a court-ordered stay with probationary or other conditions. The
 222.10 disqualification must be for a period of one year for the first offense and two years for
 222.11 the second offense. Any subsequent violation must result in permanent disqualification.
 222.12 The disqualification period must be imposed immediately after a determination is made
 222.13 under this paragraph. During the disqualification period, the provider is disqualified from
 222.14 receiving payment from any child care program under chapter 119B.

222.15 (d) Any person found to be guilty of wrongfully obtaining ~~general assistance~~
 222.16 ~~medical care~~, MinnesotaCare for adults without children; and upon federal approval, all
 222.17 categories of medical assistance and remaining categories of MinnesotaCare, except
 222.18 for children through age 18, by a federal or state court or by an administrative hearing
 222.19 determination, or waiver thereof, through a disqualification consent agreement, or as part
 222.20 of any approved diversion plan under section 401.065, or any court-ordered stay which
 222.21 carries with it any probationary or other conditions, is disqualified from that program. The
 222.22 period of disqualification is one year after the first offense, two years after the second
 222.23 offense, and permanently after the third or subsequent offense. The period of program
 222.24 disqualification shall begin on the date stipulated on the advance notice of disqualification
 222.25 without possibility of postponement for administrative stay or administrative hearing
 222.26 and shall continue through completion unless and until the findings upon which the
 222.27 sanctions were imposed are reversed by a court of competent jurisdiction. The period for
 222.28 which sanctions are imposed is not subject to review. The sanctions provided under this
 222.29 subdivision are in addition to, and not in substitution for, any other sanctions that may be
 222.30 provided for by law for the offense involved.

222.31 Sec. 71. Minnesota Statutes 2014, section 256.99, is amended to read:

223.23 responsible for supervising the work to determine whether the claimed injury occurred,
223.24 whether the claimed medical expenses are reasonable, and whether the loss is covered
223.25 by the claimant's insurance. If insurance coverage is established, the county agency shall
223.26 submit the claim to the appropriate insurance entity for payment. The investigating county
223.27 agency shall submit all valid claims, in the amount net of any insurance payments, to the

224.8 committees of the senate and the house of representatives a list of claims of \$1,000
224.9 or less paid during the preceding calendar year and shall be reimbursed by legislative

224.13 of the second year must be returned to the general fund. On or before February 1 of
224.14 each year, the commissioner shall submit to the appropriate committees of the senate
224.15 and the house of representatives a list of claims in excess of \$1,000 and a list of claims

224.26 other benefits provided in chapter 176. Payments made under this section must be reduced
224.27 by any proceeds received by the claimant from any insurance policy covering the loss. For
224.28 the purposes of this section, "insurance policy" does not include the medical assistance
224.29 program authorized under chapter 256B or the general assistance medical care program
224.30 authorized under chapter 256D.

224.31 (f) The procedure established by this section is exclusive of all other legal, equitable,
224.32 and statutory remedies against the state, its political subdivisions, or employees of the
224.33 state or its political subdivisions. The claimant may not seek damages from any state or
224.34 county insurance policy or self-insurance program.

224.35 (g) A claim is not valid for purposes of this subdivision if the local agency

225.24 alternative payment mechanism agreed upon by the tribes and the commissioner under
225.25 this subdivision is not dependent upon county or health plan agreement but is intended to
225.26 create a direct payment mechanism between the state and the tribe for the administration
225.27 of the medical assistance ~~and general assistance medical care programs~~ program, and
225.28 for covered services.

225.29 (b) A tribe that implements a purchasing model under this subdivision shall report to
225.30 the commissioner at least annually on the operation of the model. The commissioner and the
225.31 tribe shall cooperatively determine the data elements, format, and timetable for the report.

226.1 status as Indians and for which a reservation exists as is consistent with Public Law
 226.2 100-485, as amended.

226.3 (d) Payments under this subdivision may not result in an increase in expenditures
 226.4 that would not otherwise occur in the medical assistance program under this chapter ~~or the~~
 226.5 ~~general assistance medical care program under chapter 256D.~~

226.6 Sec. 76. Minnesota Statutes 2014, section 256B.035, is amended to read:

227.4 in a designated area. A dental plan under contract with the department must serve

232.1 (e) The payment limitations in this subdivision shall also apply to MinnesotaCare
232.2 ~~and general assistance medical care.~~

232.3 (f) A physician shall not bill a recipient of services for any payment disallowed
232.4 under this subdivision.

232.5 Sec. 86. Minnesota Statutes 2014, section 256B.0625, subdivision 3c, is amended to
232.6 read:

232.7 Subd. 3c. **Health Services Policy Committee.** (a) The commissioner, after
232.8 receiving recommendations from professional physician associations, professional
232.9 associations representing licensed nonphysician health care professionals, and consumer
232.10 groups, shall establish a 13-member Health Services Policy Committee, which consists of
232.11 12 voting members and one nonvoting member. The Health Services Policy Committee
232.12 shall advise the commissioner regarding health services pertaining to the administration
232.13 of health care benefits covered under the medical assistance, ~~general assistance medical~~
232.14 ~~care~~, and MinnesotaCare programs. The Health Services Policy Committee shall meet at
232.15 least quarterly. The Health Services Policy Committee shall annually elect a physician
232.16 chair from among its members, who shall work directly with the commissioner's medical
232.17 director, to establish the agenda for each meeting. The Health Services Policy Committee
232.18 shall also recommend criteria for verifying centers of excellence for specific aspects of
232.19 medical care where a specific set of combined services, a volume of patients necessary to
232.20 maintain a high level of competency, or a specific level of technical capacity is associated
232.21 with improved health outcomes.

232.22 (b) The commissioner shall establish a dental subcommittee to operate under the
232.23 Health Services Policy Committee. The dental subcommittee consists of general dentists,
232.24 dental specialists, safety net providers, dental hygienists, health plan company and county
232.25 and public health representatives, health researchers, consumers, and a designee of the
232.26 commissioner of health. The dental subcommittee shall advise the commissioner regarding:

232.27 (1) the critical access dental program under section 256B.76, subdivision 4, including
232.28 but not limited to criteria for designating and terminating critical access dental providers;

232.29 (2) any changes to the critical access dental provider program necessary to comply
232.30 with program expenditure limits;

232.31 (3) dental coverage policy based on evidence, quality, continuity of care, and best
232.32 practices;

232.33 (4) the development of dental delivery models; and

232.34 (5) dental services to be added or eliminated from subdivision 9, paragraph (b).

233.1 (c) The Health Services Policy Committee shall study approaches to making
233.2 provider reimbursement under the medical assistance, and MinnesotaCare, ~~and general~~
233.3 ~~assistance medical care~~ programs contingent on patient participation in a patient-centered
233.4 decision-making process, and shall evaluate the impact of these approaches on health
233.5 care quality, patient satisfaction, and health care costs. The committee shall present
233.6 findings and recommendations to the commissioner and the legislative committees with
233.7 jurisdiction over health care by January 15, 2010.

233.8 (d) The Health Services Policy Committee shall monitor and track the practice
233.9 patterns of physicians providing services to medical assistance, and MinnesotaCare,
233.10 ~~and general assistance medical care~~ enrollees under fee-for-service, managed care, and
233.11 county-based purchasing. The committee shall focus on services or specialties for
233.12 which there is a high variation in utilization across physicians, or which are associated
233.13 with high medical costs. The commissioner, based upon the findings of the committee,
233.14 shall regularly notify physicians whose practice patterns indicate higher than average
233.15 utilization or costs. Managed care and county-based purchasing plans shall provide the
233.16 commissioner with utilization and cost data necessary to implement this paragraph, and
233.17 the commissioner shall make this data available to the committee.

233.18 (e) The Health Services Policy Committee shall review caesarean section rates
233.19 for the fee-for-service medical assistance population. The committee may develop best
233.20 practices policies related to the minimization of caesarean sections, including but not
233.21 limited to standards and guidelines for health care providers and health care facilities.

233.22 Sec. 87. Minnesota Statutes 2015 Supplement, section 256B.0625, subdivision 20,
233.23 is amended to read:

233.24 Subd. 20. **Mental health case management.** (a) To the extent authorized by rule
233.25 of the state agency, medical assistance covers case management services to persons with
233.26 serious and persistent mental illness and children with severe emotional disturbance.
233.27 Services provided under this section must meet the relevant standards in sections 245.461
233.28 to 245.4887, the Comprehensive Adult and Children's Mental Health Acts, Minnesota
233.29 Rules, parts 9520.0900 to 9520.0926, and 9505.0322, excluding subpart 10.

233.30 (b) Entities meeting program standards set out in rules governing family community
233.31 support services as defined in section 245.4871, subdivision 17, are eligible for medical
233.32 assistance reimbursement for case management services for children with severe
233.33 emotional disturbance when these services meet the program standards in Minnesota
233.34 Rules, parts 9520.0900 to 9520.0926 and 9505.0322, excluding subparts 6 and 10.

234.1 (c) Medical assistance and MinnesotaCare payment for mental health case
234.2 management shall be made on a monthly basis. In order to receive payment for an eligible
234.3 child, the provider must document at least a face-to-face contact with the child, the child's
234.4 parents, or the child's legal representative. To receive payment for an eligible adult, the
234.5 provider must document:

234.6 (1) at least a face-to-face contact with the adult or the adult's legal representative; or

234.7 (2) at least a telephone contact with the adult or the adult's legal representative and
234.8 document a face-to-face contact with the adult or the adult's legal representative within
234.9 the preceding two months.

234.10 (d) Payment for mental health case management provided by county or state staff
234.11 shall be based on the monthly rate methodology under section 256B.094, subdivision 6,
234.12 paragraph (b), with separate rates calculated for child welfare and mental health, and
234.13 within mental health, separate rates for children and adults.

234.14 (e) Payment for mental health case management provided by Indian health services
234.15 or by agencies operated by Indian tribes may be made according to this section or other
234.16 relevant federally approved rate setting methodology.

234.17 (f) Payment for mental health case management provided by vendors who contract
234.18 with a county or Indian tribe shall be based on a monthly rate negotiated by the host county
234.19 or tribe. The negotiated rate must not exceed the rate charged by the vendor for the same
234.20 service to other payers. If the service is provided by a team of contracted vendors, the
234.21 county or tribe may negotiate a team rate with a vendor who is a member of the team. The
234.22 team shall determine how to distribute the rate among its members. No reimbursement
234.23 received by contracted vendors shall be returned to the county or tribe, except to reimburse
234.24 the county or tribe for advance funding provided by the county or tribe to the vendor.

234.25 (g) If the service is provided by a team which includes contracted vendors, tribal
234.26 staff, and county or state staff, the costs for county or state staff participation in the team
234.27 shall be included in the rate for county-provided services. In this case, the contracted
234.28 vendor, the tribal agency, and the county may each receive separate payment for services
234.29 provided by each entity in the same month. In order to prevent duplication of services,
234.30 each entity must document, in the recipient's file, the need for team case management and
234.31 a description of the roles of the team members.

234.32 (h) Notwithstanding section 256B.19, subdivision 1, the nonfederal share of costs
234.33 for mental health case management shall be provided by the recipient's county of
234.34 responsibility, as defined in sections 256G.01 to 256G.12, from sources other than federal
234.35 funds or funds used to match other federal funds. If the service is provided by a tribal
234.36 agency, the nonfederal share, if any, shall be provided by the recipient's tribe. When this

235.1 service is paid by the state without a federal share through fee-for-service, 50 percent of
235.2 the cost shall be provided by the recipient's county of responsibility.

235.3 (i) Notwithstanding any administrative rule to the contrary, prepaid medical
235.4 assistance, ~~general assistance medical care~~, and MinnesotaCare include mental health case
235.5 management. When the service is provided through prepaid capitation, the nonfederal
235.6 share is paid by the state and the county pays no share.

235.7 (j) The commissioner may suspend, reduce, or terminate the reimbursement to a
235.8 provider that does not meet the reporting or other requirements of this section. The county
235.9 of responsibility, as defined in sections 256G.01 to 256G.12, or, if applicable, the tribal
235.10 agency, is responsible for any federal disallowances. The county or tribe may share this
235.11 responsibility with its contracted vendors.

235.12 (k) The commissioner shall set aside a portion of the federal funds earned for county
235.13 expenditures under this section to repay the special revenue maximization account under
235.14 section 256.01, subdivision 2, paragraph (o). The repayment is limited to:

235.15 (1) the costs of developing and implementing this section; and

235.16 (2) programming the information systems.

235.17 (l) Payments to counties and tribal agencies for case management expenditures
235.18 under this section shall only be made from federal earnings from services provided
235.19 under this section. When this service is paid by the state without a federal share through
235.20 fee-for-service, 50 percent of the cost shall be provided by the state. Payments to
235.21 county-contracted vendors shall include the federal earnings, the state share, and the
235.22 county share.

235.23 (m) Case management services under this subdivision do not include therapy,
235.24 treatment, legal, or outreach services.

235.25 (n) If the recipient is a resident of a nursing facility, intermediate care facility, or
235.26 hospital, and the recipient's institutional care is paid by medical assistance, payment for
235.27 case management services under this subdivision is limited to the lesser of:

235.28 (1) the last 180 days of the recipient's residency in that facility and may not exceed
235.29 more than six months in a calendar year; or

235.30 (2) the limits and conditions which apply to federal Medicaid funding for this service.

235.31 (o) Payment for case management services under this subdivision shall not duplicate
235.32 payments made under other program authorities for the same purpose.

235.33 Sec. 88. Minnesota Statutes 2014, section 256B.0625, subdivision 25a, is amended to
235.34 read:

236.1 Subd. 25a. **Prior authorization of diagnostic imaging services.** (a) Effective
236.2 January 1, 2010, the commissioner shall require prior authorization or decision support
236.3 for the ordering providers at the time the service is ordered for the following outpatient
236.4 diagnostic imaging services: computerized tomography (CT), magnetic resonance
236.5 imaging (MRI), magnetic resonance angiography (MRA), positive emission tomography
236.6 (PET), cardiac imaging, and ultrasound diagnostic imaging.

236.7 (b) Prior authorization under this subdivision is not required for diagnostic imaging
236.8 services performed as part of a hospital emergency room visit, inpatient hospitalization, or
236.9 if concurrent with or on the same day as an urgent care facility visit.

236.10 (c) This subdivision does not apply to services provided to recipients who are
236.11 enrolled in Medicare, the prepaid medical assistance program, ~~the prepaid general~~
236.12 ~~assistance medical care program~~, or the MinnesotaCare program.

236.13 (d) The commissioner may contract with a private entity to provide the prior
236.14 authorization or decision support required under this subdivision. The contracting entity
236.15 must incorporate clinical guidelines that are based on evidence-based medical literature, if
236.16 available. By January 1, 2012, the contracting entity shall report to the commissioner the
236.17 results of prior authorization or decision support.

236.31 ~~when provided in a facility other than a facility of the Indian health service or a facility~~
236.32 ~~operated by a tribe or tribal organization.~~ MinnesotaCare payments for enrollees who are
236.33 not eligible for federal financial participation at facilities of the Indian health service and
236.34 facilities operated by a tribe or tribal organization for the provision of outpatient medical
236.35 services must be in accordance with the medical assistance rates paid for the same services

238.14 Sec. 94. Minnesota Statutes 2014, section 256B.15, subdivision 1, is amended to read:

238.15 Subdivision 1. **Policy and applicability.** (a) It is the policy of this state that
238.16 individuals or couples, either or both of whom participate in the medical assistance
238.17 program, use their own assets to pay their share of the total cost of their care during or
238.18 after their enrollment in the program according to applicable federal law and the laws of
238.19 this state. The following provisions apply:

238.20 (1) subdivisions 1c to 1k shall not apply to claims arising under this section which
238.21 are presented under section 525.313;

238.22 (2) the provisions of subdivisions 1c to 1k expanding the interests included in an
238.23 estate for purposes of recovery under this section give effect to the provisions of United
238.24 States Code, title 42, section 1396p, governing recoveries, but do not give rise to any
238.25 express or implied liens in favor of any other parties not named in these provisions;

238.26 (3) the continuation of a recipient's life estate or joint tenancy interest in real
238.27 property after the recipient's death for the purpose of recovering medical assistance under
238.28 this section modifies common law principles holding that these interests terminate on
238.29 the death of the holder;

239.12 this exemption, real property the recipient and their surviving joint tenant spouse purchase
239.13 solely with the proceeds from the sale of their prior homestead, own of record as joint
239.14 tenants, and qualify as homestead property under section 273.124 in the calendar year
239.15 in which the recipient dies and prior to the recipient's death shall be deemed to be real
239.16 property classified and taxed to the recipient and their surviving joint tenant spouse as
239.17 homestead property in the calendar year in which the recipient dies. The surviving spouse,
239.18 or any person with personal knowledge of the facts, may provide an affidavit describing
239.19 the homestead property affected by this clause and stating facts showing compliance with
239.20 this clause. The affidavit shall be prima facie evidence of the facts it states.

239.21 (b) For purposes of this section, "medical assistance" includes the medical assistance
239.22 program under this chapter ~~and~~₂ the general assistance medical care program formerly
239.23 codified under chapter 256D₂ and alternative care for nonmedical assistance recipients

239.26 does not include Medicare cost-sharing benefits in accordance with United States Code,
239.27 title 42, section 1396p.

239.28 (d) All provisions in this subdivision, and subdivisions 1d, 1f, 1g, 1h, 1i, and 1j,
239.29 related to the continuation of a recipient's life estate or joint tenancy interests in real

239.34 Subd. 1a. **Estates subject to claims.** (a) If a person receives any medical assistance
239.35 hereunder, on the person's death, if single, or on the death of the survivor of a married

240.1 couple, either or both of whom received medical assistance, or as otherwise provided
240.2 for in this section, the total amount paid for medical assistance rendered for the person
240.3 and spouse shall be filed as a claim against the estate of the person or the estate of the
240.4 surviving spouse in the court having jurisdiction to probate the estate or to issue a decree
240.5 of descent according to sections 525.31 to 525.313.

240.6 (b) For the purposes of this section, the person's estate must consist of:

240.7 (1) the person's probate estate;

240.8 (2) all of the person's interests or proceeds of those interests in real property the
240.9 person owned as a life tenant or as a joint tenant with a right of survivorship at the time of
240.10 the person's death;

240.11 (3) all of the person's interests or proceeds of those interests in securities the person
240.12 owned in beneficiary form as provided under sections 524.6-301 to 524.6-311 at the time

240.14 of the probate estate under section 524.6-307;

240.15 (4) all of the person's interests in joint accounts, multiple-party accounts, and

240.20 (5) assets conveyed to a survivor, heir, or assign of the person through survivorship,
240.21 living trust, or other arrangements.

240.22 (c) For the purpose of this section and recovery in a surviving spouse's estate for
240.23 medical assistance paid for a predeceased spouse, the estate must consist of all of the legal
240.24 title and interests the deceased individual's predeceased spouse had in jointly owned or
240.25 marital property at the time of the spouse's death, as defined in subdivision 2b, and the
240.26 proceeds of those interests, that passed to the deceased individual or another individual, a
240.27 survivor, an heir, or an assign of the predeceased spouse through a joint tenancy, tenancy
240.28 in common, survivorship, life estate, living trust, or other arrangement. A deceased
240.29 recipient who, at death, owned the property jointly with the surviving spouse shall have
240.30 an interest in the entire property.

240.31 (d) For the purpose of recovery in a single person's estate or the estate of a survivor
240.32 of a married couple, "other arrangement" includes any other means by which title to all or
240.33 any part of the jointly owned or marital property or interest passed from the predeceased
240.34 spouse to another including, but not limited to, transfers between spouses which are
240.35 permitted, prohibited, or penalized for purposes of medical assistance.

241.5 services under this chapter, and, at the time of institutionalization or application for
241.6 medical assistance, whichever is later, the person could not have reasonably been expected

241.13 (f) The claim shall be considered an expense of the last illness of the decedent for
241.14 the purpose of section 524.3-805. Notwithstanding any law or rule to the contrary, a
241.15 state or county agency with a claim under this section must be a creditor under section
241.16 524.6-307. Any statute of limitations that purports to limit any county agency or the state
241.17 agency, or both, to recover for medical assistance granted hereunder shall not apply to any
241.18 claim made hereunder for reimbursement for any medical assistance granted hereunder.
241.19 Notice of the claim shall be given to all heirs and devisees of the decedent, and to other
241.20 persons with an ownership interest in the real property owned by the decedent at the time
241.21 of the decedent's death, whose identity can be ascertained with reasonable diligence. The
241.22 notice must include procedures and instructions for making an application for a hardship
241.23 waiver under subdivision 5; time frames for submitting an application and determination;
241.24 and information regarding appeal rights and procedures. Counties are entitled to one-half
241.25 of the nonfederal share of medical assistance collections from estates that are directly
241.26 attributable to county effort. Counties are entitled to ten percent of the collections for
241.27 alternative care directly attributable to county effort.

241.28 Sec. 96. Minnesota Statutes 2014, section 256B.15, subdivision 2, is amended to read:

241.29 Subd. 2. **Limitations on claims.** The claim shall include only the total amount of
241.30 medical assistance rendered after age 55 or during a period of institutionalization described
241.31 in subdivision 1a, paragraph (e), and the total amount of general assistance medical care
241.32 rendered under the program formerly codified under chapter 256D, and shall not include
241.33 interest. Claims that have been allowed but not paid shall bear interest according to section
241.34 524.3-806, paragraph (d). A claim against the estate of a surviving spouse who did not
241.35 receive medical assistance, for medical assistance rendered for the predeceased spouse,

242.1 shall be payable from the full value of all of the predeceased spouse's assets and interests
 242.2 which are part of the surviving spouse's estate under subdivisions 1a and 2b. Recovery of
 242.3 medical assistance expenses in the nonrecipient surviving spouse's estate is limited to the
 242.4 value of the assets of the estate that were marital property or jointly owned property at any
 242.5 time during the marriage. The claim is not payable from the value of assets or proceeds of
 242.6 assets in the estate attributable to a predeceased spouse whom the individual married after
 242.7 the death of the predeceased recipient spouse for whom the claim is filed or from assets
 242.8 and the proceeds of assets in the estate which the nonrecipient decedent spouse acquired
 242.9 with assets which were not marital property or jointly owned property after the death of
 242.10 the predeceased recipient spouse. Claims for alternative care shall be net of all premiums
 242.11 paid under section 256B.0913, subdivision 12, on or after July 1, 2003, and shall be
 242.12 limited to services provided on or after July 1, 2003. Claims against marital property shall
 242.13 be limited to claims against recipients who died on or after July 1, 2009.

242.14 Sec. 97. Minnesota Statutes 2014, section 256B.19, subdivision 2c, is amended to read:

242.15 Subd. 2c. **Obligation of local agency to investigate eligibility for medical**
 242.16 **assistance.** (a) When the commissioner receives information that indicates that a ~~general~~
 242.17 ~~assistance medical care recipient or MinnesotaCare program enrollee~~ may be eligible
 242.18 for medical assistance, the commissioner may notify the appropriate local agency of
 242.19 that fact. The local agency must investigate eligibility for medical assistance and take
 242.20 appropriate action and notify the commissioner of that action within 90 days from the date
 242.21 notice is issued. If the person is eligible for medical assistance, the local agency must find
 242.22 eligibility retroactively to the date on which the person met all eligibility requirements.

242.23 (b) When a prepaid health plan under a contract with the state to provide medical
 242.24 assistance services notifies the commissioner that an infant has been or will be born to an
 242.25 enrollee under the contract, the commissioner may notify the appropriate local agency
 242.26 of that fact. The local agency must investigate eligibility for medical assistance for the
 242.27 infant, take appropriate action, and notify the commissioner of that action within 90 days
 242.28 from the date notice is issued. If the infant would have been eligible on the date of birth,
 242.29 the local agency must establish eligibility retroactively to that month.

242.30 (c) For ~~general assistance medical care recipients and MinnesotaCare program~~
 242.31 ~~enrollees~~, if the local agency fails to comply with paragraph (a), the local agency is
 242.32 responsible for the entire cost of ~~general assistance medical care or MinnesotaCare~~
 242.33 ~~program services~~ provided from the date the commissioner issues the notice until the
 242.34 date the local agency takes appropriate action on the case and notifies the commissioner
 242.35 of the action. For infants, if the local agency fails to comply with paragraph (b), the

243.1 commissioner may determine eligibility for medical assistance for the infant for a period
 243.2 of two months, and the local agency shall be responsible for the entire cost of medical
 243.3 assistance services provided for that infant, in addition to a fee of \$100 for processing the
 243.4 case. The commissioner shall deduct any obligation incurred under this paragraph from
 243.5 the amount due to the local agency under subdivision 1.

243.6 Sec. 98. Minnesota Statutes 2014, section 256B.37, subdivision 2, is amended to read:

243.7 Subd. 2. **Civil action for recovery.** To recover under this section, the attorney
 243.8 general may institute or join a civil action to enforce the subrogation rights of the
 243.9 commissioner established under this section.

243.10 Any prepaid health plan providing services under sections 256B.69, ~~256D.03,~~
 243.11 ~~subdivision 4, paragraph (e),~~ and 256L.12 and Minnesota Statutes 2009 Supplement,
 243.12 section 256D.03, subdivision 4, paragraph (c); children's mental health collaboratives

 243.14 256B.77; nursing homes under the alternative payment demonstration project under
 243.15 section 256B.434; or the county-based purchasing entity providing services under section
 243.16 256B.692 may retain legal representation to enforce the subrogation rights created under
 243.17 this section or, if no action has been brought, may initiate and prosecute an independent
 243.18 action on their behalf against a person, firm, or corporation that may be liable to the person
 243.19 to whom the care or payment was furnished.

243.20 Sec. 99. Minnesota Statutes 2014, section 256B.691, is amended to read:

243.21 **256B.691 RISK-BASED TRANSPORTATION PAYMENTS.**

243.22 Any contract with a prepaid health plan under the medical assistance, ~~general~~
 243.23 ~~assistance medical care,~~ or MinnesotaCare program that requires the health plan to
 243.24 cover transportation services for obtaining medical care for eligible individuals who are
 243.25 ambulatory must provide for payment for those services on a risk basis.

243.26 Sec. 100. Minnesota Statutes 2014, section 256B.73, subdivision 4, is amended to read:

243.27 Subd. 4. **Enrollee eligibility requirements.** To be eligible for participation in the
 243.28 demonstration project, an enrollee must:

243.29 (1) not be eligible for Medicare, or medical assistance, ~~or general assistance medical~~
 243.30 ~~care;~~ and

243.31 (2) have no medical insurance or health benefits plan available through employment
 243.32 or other means that would provide coverage for the same medical services as provided by
 243.33 this demonstration.

244.1 Sec. 101. Minnesota Statutes 2014, section 256B.73, subdivision 8, is amended to read:

244.2 Subd. 8. **Medical assistance and general assistance medical care coordination.**

244.3 To assure enrollees of uninterrupted delivery of health care services, the commissioner
244.4 may pay the premium to the demonstration provider for persons who become eligible for
244.5 medical assistance ~~or general assistance medical care~~. To determine eligibility for medical
244.6 assistance, any medical expenses for eligible services incurred by the demonstration
244.7 provider shall be considered as evidence of satisfying the medical expense requirements
244.8 of section 256B.056, subdivisions 4 and 5. ~~To determine eligibility for general assistance~~
244.9 ~~medical care, any medical expenses for eligible services incurred by the demonstration~~
244.10 ~~provider shall be considered as evidence of satisfying the medical expense requirements~~
244.11 ~~of section 256D.03, subdivision 3.~~

244.12 Sec. 102. Minnesota Statutes 2015 Supplement, section 256B.765, is amended to read:

244.13 **256B.765 PROVIDER RATE INCREASES.**

244.14 (a) Effective July 1, 2001, within the limits of appropriations specifically for this
244.15 purpose, the commissioner shall provide an annual inflation adjustment for the providers
244.16 listed in paragraph (c). The index for the inflation adjustment must be based on the
244.17 change in the Employment Cost Index for Private Industry Workers - Total Compensation
244.18 forecasted by Data Resources, Inc., as forecasted in the fourth quarter of the calendar year
244.19 preceding the fiscal year. The commissioner shall increase reimbursement or allocation
244.20 rates by the percentage of this adjustment, and county boards shall adjust provider
244.21 contracts as needed.

244.22 (b) The commissioner of management and budget shall include an annual
244.23 inflationary adjustment in reimbursement rates for the providers listed in paragraph (c)
244.24 using the inflation factor specified in paragraph (a) as a budget change request in each
244.25 biennial detailed expenditure budget submitted to the legislature under section 16A.11.

244.26 (c) The annual adjustment under paragraph (a) shall be provided for home and
244.27 community-based waiver services for persons with developmental disabilities under

244.35 habilitation services for adults with developmental disabilities under sections 252.41 to

245.1 252.46; physical therapy services under ~~sections~~ section 256B.0625, subdivision 8, ~~and~~
245.2 ~~256D.03, subdivision 4~~; occupational therapy services under ~~sections~~ section 256B.0625,
245.3 subdivision 8a, ~~and 256D.03, subdivision 4~~; speech-language therapy services under
245.4 ~~section 256D.03, subdivision 4~~, and Minnesota Rules, part 9505.0390; respiratory therapy
245.5 services under ~~section 256D.03, subdivision 4~~, and Minnesota Rules, part 9505.0295;
245.6 alternative care services under section 256B.0913; adult residential program grants under
245.7 Minnesota Rules, parts 9535.2000 to 9535.3000; adult and family community support

245.9 services under section 252.275 including SILS funding under county social services

245.13 Sec. 103. Minnesota Statutes 2014, section 256B.77, subdivision 26, is amended to read:

245.14 Subd. 26. **Southern Minnesota health initiative pilot project.** When the
245.15 commissioner contracts under subdivisions 1 and 6, paragraph (a), with the joint
245.16 powers board for the southern Minnesota health initiative (SMHI) to participate in the
245.17 demonstration project for persons with disabilities under subdivision 5, the commissioner
245.18 shall also require health plans serving counties participating in the southern Minnesota
245.19 health initiative under this section to contract with the southern Minnesota Health
245.20 Initiative Joint Powers Board to provide covered mental health and chemical dependency
245.21 services for the nonelderly/nondisabled persons who reside in one of the counties and
245.22 who are required or elect to participate in the prepaid medical assistance ~~and general~~
245.23 ~~assistance medical care programs~~ program. Enrollees may obtain covered mental health
245.24 and chemical dependency services through the SMHI or through other health plan
245.25 contractors. Participation of the nonelderly/nondisabled with the SMHI is voluntary. The
245.26 commissioner shall identify a monthly per capita payment amount that health plans are
245.27 required to pay to the SMHI for all nonelderly/nondisabled recipients who choose the
245.28 SMHI for their mental health and chemical dependency services.

245.29 Sec. 104. Minnesota Statutes 2014, section 256G.01, subdivision 4, is amended to read:

245.30 Subd. 4. **Additional coverage.** The provisions in sections 256G.02, subdivision
245.31 4, paragraphs (a) to (d); 256G.02, subdivisions 5 to 8; 256G.03; 256G.04; 256G.05; and
245.32 256G.07, subdivisions 1 to 3, apply to the following programs: the aid to families with
245.33 dependent children program formerly codified in sections 256.72 to 256.87, Minnesota
245.34 family investment program; medical assistance; general assistance; the family general

246.1 assistance program formerly codified in sections 256D.01 to 256D.23; general assistance
246.2 medical care formerly codified in chapter 256D; and Minnesota supplemental aid.

246.3 Sec. 105. Minnesota Statutes 2014, section 256J.01, subdivision 5, is amended to read:

246.4 Subd. 5. **Compliance system.** The commissioner shall administer a compliance
246.5 system for the state's temporary assistance for needy families (TANF) program, the
246.6 food stamp or food support program, general assistance, medical assistance, ~~general~~
246.7 ~~assistance-medical care~~, emergency general assistance, Minnesota supplemental aid,
246.8 preadmission screening, child support program, and alternative care grants under the
246.9 powers and authorities named in section 256.01, subdivision 2. The purpose of the
246.10 compliance system is to permit the commissioner to supervise the administration of
246.11 public assistance programs and to enforce timely and accurate distribution of benefits,
246.12 completeness of service and efficient and effective program management and operations,
246.13 to increase uniformity and consistency in the administration and delivery of public
246.14 assistance programs throughout the state, and to reduce the possibility of sanction and
246.15 fiscal disallowances for noncompliance with federal regulations and state statutes.

246.16 Sec. 106. Minnesota Statutes 2014, section 256J.396, subdivision 1, is amended to read:

246.17 Subdivision 1. **General provisions.** A minor caregiver and the minor's dependent
246.18 child living outside of the home of the adult parent must meet the criteria in section
246.19 256J.14, to be eligible for assistance in the MFIP program. A parent who lives outside the
246.20 home of a minor child who is an unemancipated minor caregiver of an assistance unit is
246.21 financially responsible for that minor caregiver unless the parent is a recipient of public
246.22 assistance, SSI, MSA, medical assistance, or general assistance, ~~or general assistance~~
246.23 ~~medical care~~, and a court order does not otherwise provide a support obligation.

246.24 Sec. 107. Minnesota Statutes 2014, section 256J.68, subdivision 6, is amended to read:

246.25 Subd. 6. **Compensation for certain costs.** Compensation paid under this section is
246.26 limited to reimbursement for reasonable medical expenses and permanent partial disability
246.27 compensation for disability in like amounts as allowed in section 176.101, subdivision 2a.
246.28 Compensation for injuries resulting in death shall include reasonable medical expenses
246.29 and burial expenses in addition to payment to the participant's estate in an amount up to
246.30 \$200,000. No compensation shall be paid under this section for pain and suffering, lost
246.31 wages, or other benefits provided in chapter 176. Payments made under this section shall
246.32 be reduced by any proceeds received by the claimant from any insurance policy covering
246.33 the loss. For the purposes of this section, "insurance policy" does not include the medical

247.1 assistance program authorized under chapter 256B ~~or the general assistance medical care~~
247.2 ~~program authorized under chapter 256D.~~

247.3 Sec. 108. Minnesota Statutes 2014, section 256L.09, subdivision 1, is amended to read:

247.4 Subdivision 1. **Findings and purpose.** The legislature finds that the enactment
247.5 of a comprehensive health plan for uninsured Minnesotans creates a risk that persons
247.6 needing medical care will migrate to the state for the primary purpose of obtaining
247.7 medical care subsidized by the state. The risk of migration undermines the state's ability
247.8 to provide to legitimate state residents a valuable and necessary health care program
247.9 which is an important component of the state's comprehensive cost containment and
247.10 health care system reform plan. Intent-based residency requirements, which are expressly
247.11 authorized under decisions of the United States Supreme Court, are an unenforceable and
247.12 ineffective method of denying benefits to those persons the Supreme Court has stated
247.13 may legitimately be denied eligibility for state programs. If the state is unable to limit
247.14 eligibility to legitimate permanent residents of the state, the state faces a significant risk
247.15 that it will be forced to reduce the eligibility and benefits it would otherwise provide to
247.16 Minnesotans. The legislature finds that a durational residence requirement is a legitimate,
247.17 objective, enforceable standard for determining whether a person is a permanent resident
247.18 of the state. The legislature also finds low-income persons who have not lived in the state
247.19 for the required time period will have access to necessary health care services through
247.20 ~~the general assistance medical care program~~, the medical assistance program, and public
247.21 and private charity care programs.

247.22 Sec. 109. Minnesota Statutes 2014, section 256L.12, subdivision 4, is amended to read:

247.23 Subd. 4. **Exemptions to limitations on choice.** All contracts between the
247.24 Department of Human Services and prepaid health plans to serve medical assistance;
247.25 ~~general assistance medical care~~, and MinnesotaCare recipients must comply with the
247.26 requirements of United States Code, title 42, section 1396a (a)(23)(B), notwithstanding
247.27 any waivers authorized by the United States Department of Health and Human Services
247.28 pursuant to United States Code, title 42, section 1315.

247.29 Sec. 110. Minnesota Statutes 2014, section 256L.12, subdivision 5, is amended to read:

247.30 Subd. 5. **Eligibility for other state programs.** MinnesotaCare enrollees who
247.31 become eligible for medical assistance will remain in the same managed care plan if
247.32 the managed care plan has a contract for that population. ~~MinnesotaCare enrollees who~~
247.33 ~~were formerly eligible for general assistance medical care pursuant to section 256D.03,~~

248.1 ~~subdivision 3, within six months of MinnesotaCare enrollment and were enrolled in a~~
248.2 ~~prepaid health plan pursuant to section 256D.03, subdivision 4, paragraph (c), must~~
248.3 ~~remain in the same managed care plan if the managed care plan has a contract for that~~
248.4 ~~population.~~ Managed care plans must participate in the MinnesotaCare program under a
248.5 contract with the Department of Human Services in service areas where they participate in
248.6 the medical assistance program.

248.7 Sec. 111. Minnesota Statutes 2014, section 256M.10, subdivision 2, is amended to read:

248.8 Subd. 2. **Vulnerable children and adults services.** (a) "Vulnerable children and
248.9 adults services" means services provided or arranged for by county boards for vulnerable
248.10 children under chapter 260C, and sections 626.556 and 626.5561, and adults under section
248.11 626.557 who experience dependency, abuse, or neglect, as well as services for family
248.12 members to support those individuals. These services may be provided by professionals
248.13 or nonprofessionals, including the person's natural supports in the community. For the
248.14 purpose of this chapter, "vulnerable children" means children and adolescents.

248.15 (b) Vulnerable children and adults services do not include services under the public
248.16 assistance programs known as the Minnesota family investment program, Minnesota
248.17 supplemental aid, medical assistance, general assistance, ~~general assistance medical care,~~
248.18 MinnesotaCare, or community health services.

248.19 Sec. 112. Minnesota Statutes 2014, section 260.795, subdivision 2, is amended to read:

248.20 Subd. 2. **Inappropriate expenditures.** Indian child welfare grant money must
248.21 not be used for:

- 248.22 (1) child day care necessary solely because of employment or training for
248.23 employment of a parent or other relative with whom the child is living;
- 248.24 (2) foster care maintenance or difficulty of care payments;
- 248.25 (3) residential facility payments;
- 248.26 (4) adoption assistance payments;
- 248.27 (5) public assistance payments for Minnesota family investment program assistance,
248.28 supplemental aid, medical assistance, general assistance, ~~general assistance medical care,~~
248.29 or community health services authorized by sections 145A.01 to 145A.14; or
- 248.30 (6) administrative costs for income maintenance staff.

248.31 Sec. 113. Minnesota Statutes 2014, section 260B.188, subdivision 1, is amended to read:

248.32 Subdivision 1. **Medical aid.** If a child is taken into custody as provided in section
248.33 260B.175 and detained in a local juvenile secure detention facility or shelter care facility,

249.1 or if a child is sentenced by the juvenile court to a local correctional facility as defined in
249.2 section 241.021, subdivision 1, paragraph (f), the child's county of residence shall pay
249.3 the costs of medical services provided to the child during the period of time the child is
249.4 residing in the facility. The county of residence is entitled to reimbursement from the
249.5 child or the child's family for payment of medical bills to the extent that the child or the
249.6 child's family has the ability to pay for the medical services. If there is a disagreement
249.7 between the county and the child or the child's family concerning the ability to pay or
249.8 whether the medical services were necessary, the court with jurisdiction over the child
249.9 shall determine the extent, if any, of the child's or the family's ability to pay for the
249.10 medical services or whether the services are necessary. If the child is covered by health or
249.11 medical insurance or a health plan when medical services are provided, the county paying
249.12 the costs of medical services has a right of subrogation to be reimbursed by the insurance
249.13 carrier or health plan for all amounts spent by it for medical services to the child that are
249.14 covered by the insurance policy or health plan, in accordance with the benefits, limitations,
249.15 exclusions, provider restrictions, and other provisions of the policy or health plan. The
249.16 county may maintain an action to enforce this subrogation right. The county does not have
249.17 a right of subrogation against the medical assistance program; or the MinnesotaCare
249.18 program; ~~or the general assistance medical care program.~~

249.19 Sec. 114. Minnesota Statutes 2014, section 260C.188, subdivision 1, is amended to read:

249.20 Subdivision 1. **Medical aid.** If a child is taken into custody as provided in section
249.21 260C.175 and detained in a local juvenile secure detention facility or a shelter care
249.22 facility, the child's county of residence shall pay the costs of medical services provided
249.23 to the child during the period of time the child is residing in the facility. The county of
249.24 residence is entitled to reimbursement from the child or the child's family for payment of
249.25 medical bills to the extent that the child or the child's family has the ability to pay for the
249.26 medical services. If there is a disagreement between the county and the child or the child's
249.27 family concerning the ability to pay or whether the medical services were necessary, the
249.28 court with jurisdiction over the child shall determine the extent, if any, of the child's or the
249.29 family's ability to pay for the medical services or whether the services are necessary. If the
249.30 child is covered by health or medical insurance or a health plan when medical services are
249.31 provided, the county paying the costs of medical services has a right of subrogation to be
249.32 reimbursed by the insurance carrier or health plan for all amounts spent by it for medical
249.33 services to the child that are covered by the insurance policy or health plan, in accordance
249.34 with the benefits, limitations, exclusions, provider restrictions, and other provisions of the
249.35 policy or health plan. The county may maintain an action to enforce this subrogation right.

250.1 The county does not have a right of subrogation against the medical assistance program;
250.2 or the MinnesotaCare program, or the general assistance medical care program.

250.3 Sec. 115. Minnesota Statutes 2015 Supplement, section 261.23, is amended to read:

250.4 **261.23 COSTS OF HOSPITALIZATION.**

250.5 The costs of hospitalization of such indigent persons exclusive of medical and
250.6 surgical care and treatment shall not exceed in amount the full rates fixed and charged
250.7 by the Minnesota general hospital for the hospitalization of such indigent patients. For

259.21 (c) The term "gross income," as it is used in this section, has the same meaning
259.22 given it in section 290.01, subdivision 20.

259.23 Sec. 3. Minnesota Statutes 2014, section 289A.08, subdivision 7, is amended to read:

259.24 Subd. 7. **Composite income tax returns for nonresident partners, shareholders,**
259.25 **and beneficiaries.** (a) The commissioner may allow a partnership with nonresident
259.26 partners to file a composite return and to pay the tax on behalf of nonresident partners who
259.27 have no other Minnesota source income. This composite return must include the names,
259.28 addresses, Social Security numbers, income allocation, and tax liability for the nonresident
259.29 partners electing to be covered by the composite return.

259.30 (b) The computation of a partner's tax liability must be determined by multiplying
259.31 the income allocated to that partner by the highest rate used to determine the tax liability
259.32 for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard
259.33 deductions, or personal exemptions are not allowed.

259.34 (c) The partnership must submit a request to use this composite return filing method
259.35 for nonresident partners. The requesting partnership must file a composite return in the

260.1 form prescribed by the commissioner of revenue. The filing of a composite return is
260.2 considered a request to use the composite return filing method.

260.3 (d) The electing partner must not have any Minnesota source income other than the
260.4 income from the partnership and other electing partnerships. If it is determined that the
260.5 electing partner has other Minnesota source income, the inclusion of the income and tax
260.6 liability for that partner under this provision will not constitute a return to satisfy the
260.7 requirements of subdivision 1. The tax paid for the individual as part of the composite return
260.8 is allowed as a payment of the tax by the individual on the date on which the composite
260.9 return payment was made. If the electing nonresident partner has no other Minnesota
260.10 source income, filing of the composite return is a return for purposes of subdivision 1.

260.11 (e) This subdivision does not negate the requirement that an individual pay estimated
260.12 tax if the individual's liability would exceed the requirements set forth in section 289A.25.
260.13 The individual's liability to pay estimated tax is, however, satisfied when the partnership
260.14 pays composite estimated tax in the manner prescribed in section 289A.25.

260.15 (f) If an electing partner's share of the partnership's gross income from Minnesota
260.16 sources is less than the filing requirements for a nonresident under this subdivision, the tax
260.17 liability is zero. However, a statement showing the partner's share of gross income must
260.18 be included as part of the composite return.

260.19 (g) The election provided in this subdivision is only available to a partner who has
260.20 no other Minnesota source income and who is either (1) a full-year nonresident individual
260.21 or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of
260.22 the Internal Revenue Code.

260.23 (h) A corporation defined in section 290.9725 and its nonresident shareholders may
260.24 make an election under this paragraph. The provisions covering the partnership apply to
260.25 the corporation and the provisions applying to the partner apply to the shareholder.

260.26 (i) Estates and trusts distributing current income only and the nonresident individual
260.27 beneficiaries of the estates or trusts may make an election under this paragraph. The
260.28 provisions covering the partnership apply to the estate or trust. The provisions applying to
260.29 the partner apply to the beneficiary.

260.30 (j) For the purposes of this subdivision, "income" means the partner's share of
260.31 federal adjusted gross income from the partnership modified by the additions provided in
260.32 section ~~290.01, subdivision 19a, clauses (6) to (9)~~ 290.0131, subdivisions 8 to 11, and
260.33 the subtractions provided in: (i) section ~~290.01, subdivision 19b, clause (8)~~ 290.0132,
260.34 subdivision 9, to the extent the amount is assignable or allocable to Minnesota under
260.35 section 290.17; and (ii) section ~~290.01, subdivision 19b, clause (13)~~ 290.0132, subdivision
260.36 14. The subtraction allowed under section ~~290.01, subdivision 19b, clause (8)~~ 290.0132,

261.1 subdivision 9, is only allowed on the composite tax computation to the extent the electing
261.2 partner would have been allowed the subtraction.

261.3 Sec. 4. Minnesota Statutes 2014, section 289A.12, subdivision 14, is amended to read:

261.4 Subd. 14. **Regulated investment companies; reporting exempt-interest**

261.5 **dividends.** (a) A regulated investment company paying \$10 or more in exempt-interest
261.6 dividends to an individual who is a resident of Minnesota must make a return indicating
261.7 the amount of the exempt-interest dividends, the name, address, and Social Security
261.8 number of the recipient, and any other information that the commissioner specifies. The
261.9 return must be provided to the shareholder by February 15 of the year following the year
261.10 of the payment. The return provided to the shareholder must include a clear statement,
261.11 in the form prescribed by the commissioner, that the exempt-interest dividends must be
261.12 included in the computation of Minnesota taxable income. By June 1 of each year, the
261.13 regulated investment company must file a copy of the return with the commissioner.

261.14 (b) For purposes of this subdivision, the following definitions apply.

261.15 (1) "Exempt-interest dividends" mean exempt-interest dividends as defined in
261.16 section 852(b)(5) of the Internal Revenue Code, but does not include the portion of
261.17 exempt-interest dividends that are not required to be added to federal taxable income under
261.18 section ~~290.01, subdivision 19a, clause (1)(ii)~~ 290.0131, subdivision 2, paragraph (b).

261.19 (2) "Regulated investment company" means regulated investment company as
261.20 defined in section 851(a) of the Internal Revenue Code or a fund of the regulated
261.21 investment company as defined in section 851(g) of the Internal Revenue Code.

261.22 Sec. 5. Minnesota Statutes 2014, section 289A.50, subdivision 10, is amended to read:

261.23 Subd. 10. **Limitation on refund.** (a) If an addition to federal taxable income
261.24 under section ~~290.01, subdivision 19a, clause (1)~~ 290.0131, subdivision 2, is judicially
261.25 determined to discriminate against interstate commerce with respect to obligations of
261.26 a certain character or type, the legislature intends that the discrimination be remedied
261.27 by adding to federal taxable income interest on comparable obligations of Minnesota
261.28 governmental units and Indian tribes. For purposes of this subdivision, "comparable
261.29 obligation" means obligations of the character or type that the court found to be
261.30 unconstitutionally favored by section ~~290.01, subdivision 19a, clause (1)~~ 290.0131,
261.31 subdivision 2, whether based on the security for payment, use of the proceeds, or any other
261.32 factor identified as determinative by the court.

262.1 (b) This subdivision applies beginning with the taxable years that begin during the
262.2 calendar year in which the court's decision is final. Other remedies apply for previous
262.3 taxable years.

262.4 Sec. 6. Minnesota Statutes 2015 Supplement, section 290.01, subdivision 19, is
262.5 amended to read:

262.6 Subd. 19. **Net income.** The term "net income" means the federal taxable income,
262.7 as defined in section 63 of the Internal Revenue Code of 1986, as amended through the
262.8 date named in this subdivision, incorporating the federal effective dates of changes to
262.9 the Internal Revenue Code and any elections made by the taxpayer in accordance with
262.10 the Internal Revenue Code in determining federal taxable income for federal income
262.11 tax purposes, and with the modifications provided in ~~subdivisions 19a to 19f~~ sections
262.12 290.0131 to 290.0136.

262.13 In the case of a regulated investment company or a fund thereof, as defined in section
262.14 851(a) or 851(g) of the Internal Revenue Code, federal taxable income means investment
262.15 company taxable income as defined in section 852(b)(2) of the Internal Revenue Code,
262.16 except that:

262.17 (1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal
262.18 Revenue Code does not apply;

262.19 (2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal
262.20 Revenue Code must be applied by allowing a deduction for capital gain dividends and
262.21 exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal
262.22 Revenue Code; and

262.23 (3) the deduction for dividends paid must also be applied in the amount of any
262.24 undistributed capital gains which the regulated investment company elects to have treated
262.25 as provided in section 852(b)(3)(D) of the Internal Revenue Code.

262.26 The net income of a real estate investment trust as defined and limited by section
262.27 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust
262.28 taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

262.29 The net income of a designated settlement fund as defined in section 468B(d) of
262.30 the Internal Revenue Code means the gross income as defined in section 468B(b) of the
262.31 Internal Revenue Code.

262.32 The Internal Revenue Code of 1986, as amended through December 31, 2014, shall
262.33 be in effect for taxable years beginning after December 31, 1996.

263.1 Except as otherwise provided, references to the Internal Revenue Code in
263.2 ~~subdivisions 19 to 19f~~ sections 290.0131 to 290.0136 mean the code in effect for purposes
263.3 of determining net income for the applicable year.

263.4 Sec. 7. Minnesota Statutes 2014, section 290.01, subdivision 29a, is amended to read:

263.5 Subd. 29a. **State itemized deduction.** "State itemized deduction" means federal
263.6 itemized deductions, as defined in section 63(d) of the Internal Revenue Code, disregarding
263.7 any limitation under section 68 of the Internal Revenue Code, and reduced by the amount of
263.8 the addition required under ~~subdivision 19a, clause (15)~~ section 290.0131, subdivision 13.

263.9 Sec. 8. **[290.0131] INDIVIDUALS; ADDITIONS TO FEDERAL TAXABLE**
263.10 **INCOME.**

263.11 Subdivision 1. **Definition; scope.** (a) For the purposes of this section, "addition"
263.12 means an amount that must be added to federal taxable income in computing net income
263.13 for the taxable year to which the amounts relate.

263.14 (b) The additions in this section apply to individuals, estates, and trusts.

263.15 (c) Unless specifically indicated or unless the context clearly indicates otherwise,
263.16 only amounts that were deducted or excluded in computing federal taxable income are an
263.17 addition under this section.

263.18 Subd. 2. **Federally exempt interest income.** (a) Interest income on obligations of
263.19 any state other than Minnesota or a political or governmental subdivision, municipality,
263.20 or governmental agency or instrumentality of any state other than Minnesota exempt
263.21 from federal income taxes under the Internal Revenue Code or any other federal statute
263.22 is an addition.

263.23 (b) Exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue
263.24 Code, are an addition, except the portion of the exempt-interest dividends:

263.25 (1) exempt from state taxation under the laws of the United States; or

263.26 (2) derived from interest income on obligations of the state of Minnesota or its
263.27 political or governmental subdivisions, municipalities, or governmental agencies or
263.28 instrumentalities, but only if the portion of the exempt-interest dividends from those
263.29 Minnesota sources paid to all shareholders represents 95 percent or more of the
263.30 exempt-interest dividends, including any dividends exempt under clause (1), that are paid
263.31 by the regulated investment company as defined in section 851(a) of the Internal Revenue
263.32 Code, or the fund of the regulated investment company as defined in section 851(g) of the
263.33 Internal Revenue Code, making the payment.

264.1 (c) For the purposes of paragraphs (a) and (b), interest on obligations of an Indian
264.2 tribal government described in section 7871(c) of the Internal Revenue Code is treated as
264.3 interest income on obligations of the state in which the tribe is located.

264.4 Subd. 3. **Income, sales and use, motor vehicle sales, or excise taxes paid.** (a)
264.5 The amount of income, sales and use, motor vehicle sales, or excise taxes paid or accrued
264.6 within the taxable year under this chapter and the amount of taxes based on net income,
264.7 sales and use, motor vehicle sales, or excise taxes paid to any other state or to any province
264.8 or territory of Canada is an addition to the extent deducted under section 63(d) of the
264.9 Internal Revenue Code.

264.10 (b) The addition under paragraph (a) may not be more than the amount by which
264.11 the state itemized deduction exceeds the amount of the standard deduction as defined
264.12 in section 63(c) of the Internal Revenue Code. For the purpose of this subdivision,
264.13 income, sales and use, motor vehicle sales, or excise taxes are the last itemized deductions
264.14 disallowed under subdivision 12.

264.15 Subd. 4. **Capital gain on lump-sum distribution.** The capital gain amount of a
264.16 lump-sum distribution to which the special tax under section 1122(h)(3)(B)(ii) of the Tax
264.17 Reform Act of 1986, Public Law 99-514, applies is an addition.

264.18 Subd. 5. **Income taxes deducted in computing federal adjusted gross income.** (a)
264.19 The amount of income taxes paid or accrued within the taxable year under this chapter and
264.20 taxes based on net income paid to any other state or any province or territory of Canada is an
264.21 addition to the extent allowed as a deduction in determining federal adjusted gross income.

264.22 (b) For the purpose of this subdivision, income taxes do not include the taxes imposed
264.23 by sections 290.0922, subdivision 1, paragraph (b); 290.9727; 290.9728; and 290.9729.

264.24 Subd. 6. **Disallowed expense, interest, or taxes.** The amount of expense, interest,
264.25 or taxes disallowed under section 290.10, subdivision 1, other than expenses or interest
264.26 used in computing net interest income for the subtraction allowed under section 290.0132,
264.27 subdivision 2, is an addition.

264.28 Subd. 7. **Fines, fees, and penalties.** The amount of expenses disallowed under
264.29 section 290.10, subdivision 2, is an addition.

264.30 Subd. 8. **Partner's pro rata share of net income.** The amount of a partner's
264.31 pro rata share of net income which does not flow through to the partner because the
264.32 partnership elected to pay the tax on the income under section 6242(a)(2) of the Internal
264.33 Revenue Code is an addition.

264.34 Subd. 9. **Bonus depreciation.** (a) Eighty percent of the depreciation deduction
264.35 allowed under section 168(k) of the Internal Revenue Code is an addition.

265.1 (b) For the purposes of this subdivision, if the taxpayer has an activity that in the
265.2 taxable year generates a deduction for depreciation under section 168(k) of the Internal
265.3 Revenue Code and the activity generates a loss for the taxable year that the taxpayer is not
265.4 allowed to claim for the taxable year, "the depreciation deduction allowed under section
265.5 168(k)" for the taxable year is limited to excess of the depreciation claimed by the activity
265.6 under section 168(k) over the amount of the loss from the activity that is not allowed in
265.7 the taxable year. In succeeding taxable years when the losses not allowed in the taxable
265.8 year are allowed, the depreciation under section 168(k) is allowed.

265.9 Subd. 10. **Section 179 expensing.** Eighty percent of the amount by which the
265.10 deduction allowed by section 179 of the Internal Revenue Code exceeds the deduction
265.11 allowable by section 179 of the Internal Revenue Code, as amended through December
265.12 31, 2003, is an addition.

265.13 Subd. 11. **Income attributable to domestic production activities.** The amount of

265.18 deductions, as allowed under section 63(d) of the Internal Revenue Code, exceeds the
265.19 amount of the standard deduction as defined in section 63(c) of the Internal Revenue Code.

265.20 (b) The amount of disallowed itemized deductions is equal to the lesser of:

265.21 (1) three percent of the excess of the taxpayer's federal adjusted gross income over
265.22 the applicable amount; or

265.23 (2) 80 percent of the amount of the itemized deductions otherwise allowable to the
265.24 taxpayer under the Internal Revenue Code for the taxable year.

265.25 (c) "Applicable amount" means \$100,000, or \$50,000 for a married individual filing
265.26 a separate return. Each dollar amount is increased by an amount equal to:

265.27 (1) that dollar amount, multiplied by

265.28 (2) the cost-of-living adjustment determined under section 1(f)(3) of the Internal
265.29 Revenue Code for the calendar year in which the taxable year begins, by substituting
265.30 "calendar year 1990" for "calendar year 1992" in subparagraph (B) of section 1(f)(3).

265.31 (d) "Itemized deductions" excludes:

265.32 (1) the deduction for medical expenses under section 213 of the Internal Revenue
265.33 Code;

265.34 (2) any deduction for investment interest as defined in section 163(d) of the Internal
265.35 Revenue Code; and

266.1 (3) the deduction under section 165(a) of the Internal Revenue Code for casualty or
266.2 theft losses described in paragraph (2) or (3) of section 165(c) of the Internal Revenue
266.3 Code or for losses described in section 165(d) of the Internal Revenue Code.

266.4 Subd. 13. **Disallowed personal exemption amount.** (a) The amount of disallowed
266.5 personal exemptions for taxpayers with federal adjusted gross income over the threshold
266.6 amount is an addition.

266.7 (b) The disallowed personal exemption amount is equal to the number of personal
266.8 exemptions allowed under section 151(b) and (c) of the Internal Revenue Code multiplied
266.9 by the dollar amount for personal exemptions under section 151(d)(1) and (2) of the
266.10 Internal Revenue Code, as adjusted for inflation by section 151(d)(4) of the Internal
266.11 Revenue Code, and by the applicable percentage.

266.12 (c) For a married individual filing a separate return, "applicable percentage" means
266.13 two percentage points for each \$1,250, or fraction of that amount, by which the taxpayer's
266.14 federal adjusted gross income for the taxable year exceeds the threshold amount. For all
266.15 other filers, applicable percentage means two percentage points for each \$2,500, or fraction
266.16 of that amount, by which the taxpayer's federal adjusted gross income for the taxable year
266.17 exceeds the threshold amount. The applicable percentage must not exceed 100 percent.

266.18 (d) "Threshold amount" means:

266.19 (1) \$150,000 for a joint return or a surviving spouse;

266.20 (2) \$125,000 for a head of a household;

266.21 (3) \$100,000 for an individual who is not married and who is not a surviving spouse
266.22 or head of a household; and

266.23 (4) \$75,000 for a married individual filing a separate return.

266.24 (e) The thresholds must be increased by an amount equal to:

266.25 (1) the threshold dollar amount, multiplied by

266.26 (2) the cost-of-living adjustment determined under section 1(f)(3) of the Internal
266.27 Revenue Code for the calendar year in which the taxable year begins, by substituting
266.28 "calendar year 1990" for "calendar year 1992" in subparagraph (B) of section 1(f)(3).

266.29 **Sec. 9. [290.0132] INDIVIDUALS; SUBTRACTIONS FROM FEDERAL**
266.30 **TAXABLE INCOME.**

266.31 Subdivision 1. **Definition; scope.** (a) For the purposes of this section, "subtraction"
266.32 means an amount that shall be subtracted from federal taxable income in computing net
266.33 income for the taxable year to which the amounts relate.

266.34 (b) The subtractions in this section apply to individuals, estates, and trusts.

267.1 (c) Unless specifically indicated or unless the context clearly indicates otherwise,
267.2 no amount deducted, subtracted, or otherwise excluded in computing federal taxable
267.3 income is a subtraction under this section.

267.4 Subd. 2. **Exempt interest.** Net interest income on obligations of any authority,
267.5 commission, or instrumentality of the United States to the extent includable in taxable
267.6 income for federal income tax purposes, but exempt from state income tax under the
267.7 laws of the United States, is a subtraction.

267.8 Subd. 3. **Overpayment of income tax.** The amount of any overpayment of income
267.9 tax to Minnesota or to any other state, for any previous taxable year, is a subtraction,
267.10 whether the amount is received as a refund or as a credit to another taxable year's income
267.11 tax liability.

267.12 Subd. 4. **Education expenses.** (a) Subject to the limits in paragraph (b), the
267.13 following amounts paid to others for each qualifying child are a subtraction:

267.14 (1) education-related expenses; plus

267.15 (2) tuition and fees paid to attend a school described in section 290.0674, subdivision
267.16 1, clause (4), that are not included in education-related expenses; less

267.17 (3) any amount used to claim the credit under section 290.0674.

267.18 (b) The maximum subtraction allowed under this subdivision is:

267.19 (1) \$1,625 for each qualifying child in kindergarten through grade 6; and

267.20 (2) \$2,500 for each qualifying child in grades 7 through 12.

267.21 (c) The definitions in section 290.0674, subdivision 1, apply to this subdivision.

267.22 Subd. 5. **Elderly and disabled.** The subtraction base amount allowed under section
267.23 290.0802 is a subtraction.

267.24 Subd. 6. **Gain on forced sale of farm property; foreclosure.** Income realized on
267.25 disposition of property exempt from tax under section 290.491 is a subtraction.

267.26 Subd. 7. **Charitable contributions for taxpayers who do not itemize.** To the
267.27 extent not deducted or not deductible under section 408(d)(8)(E) of the Internal Revenue
267.28 Code in determining federal taxable income by an individual who does not itemize
267.29 deductions for federal income tax purposes for the taxable year, an amount equal to 50
267.30 percent of the excess of charitable contributions over \$500 allowable as a deduction for
267.31 the taxable year under section 170(a) of the Internal Revenue Code is a subtraction.

267.32 Subd. 8. **Subnational foreign taxes.** (a) For individuals who are allowed a
267.33 federal foreign tax credit for taxes that do not qualify for a credit under section 290.06,
267.34 subdivision 22, an amount equal to the carryover of subnational foreign taxes for the
267.35 taxable year is a subtraction, but not to exceed the total subnational foreign taxes reported
267.36 in claiming the foreign tax credit.

268.1 (b) For purposes of this subdivision, "federal foreign tax credit" means the credit
268.2 allowed under section 27 of the Internal Revenue Code, and "carryover of subnational
268.3 foreign taxes" equals the carryover allowed under section 904(c) of the Internal Revenue
268.4 Code minus national level foreign taxes to the extent they exceed the federal foreign
268.5 tax credit.

268.6 Subd. 9. **Delayed bonus depreciation.** (a) In each of the five taxable years
268.7 immediately following the taxable year in which an addition is required under section
268.8 290.0131, subdivision 9, or 290.0133, subdivision 11, for a shareholder of a corporation
268.9 that is an S corporation, an amount equal to one-fifth of the delayed depreciation is
268.10 a subtraction.

268.11 (b) For purposes of this subdivision, "delayed depreciation" means the amount of
268.12 the addition made by the taxpayer under section 290.0131, subdivision 9, or 290.0133,
268.13 subdivision 11, for a shareholder of an S corporation, minus the positive value of any net
268.14 operating loss under section 172 of the Internal Revenue Code generated for the taxable
268.15 year of the addition. The resulting delayed depreciation cannot be less than zero.

268.16 Subd. 10. **Job opportunity building zone income.** (a) Job opportunity building
268.17 zone income as provided under section 469.316 is a subtraction.

- 274.26 (1) On the first \$24,270, 5.35 percent;

275.22 (2) the denominator is the individual's federal adjusted gross income as defined in
 275.23 section 62 of the Internal Revenue Code ~~of 1986~~, increased by the amounts specified
 275.24 in section ~~290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), and (11) to (14)~~
 275.25 290.0131, subdivisions 2 and 6 to 11, and reduced by the amounts specified in section

275.29 Subd. 22. **Credit for taxes paid to another state.** (a) A taxpayer who is liable for
 275.30 taxes based on net income to another state, as provided in paragraphs (b) through (f), upon
 275.31 income allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to
 275.32 another state if the tax is actually paid in the taxable year or a subsequent taxable year. A
 275.33 taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7, paragraph
 275.34 (b), and who is subject to income tax as a resident in the state of the individual's domicile
 275.35 is not allowed this credit unless the state of domicile does not allow a similar credit.

276.1 (b) For an individual, estate, or trust, the credit is determined by multiplying the tax
276.2 payable under this chapter by the ratio derived by dividing the income subject to tax in the
276.3 other state that is also subject to tax in Minnesota while a resident of Minnesota by the
276.4 taxpayer's federal adjusted gross income, as defined in section 62 of the Internal Revenue
276.5 Code, modified by the addition required by section ~~290.01, subdivision 19a, clause (1)~~
276.6 290.0131, subdivision 2, and the subtraction allowed by section ~~290.01, subdivision 19b,~~
276.7 ~~clause (1)~~ 290.0132, subdivision 2, to the extent the income is allocated or assigned to
276.8 Minnesota under sections 290.081 and 290.17.

276.9 (c) If the taxpayer is an athletic team that apportions all of its income under section
276.10 290.17, subdivision 5, the credit is determined by multiplying the tax payable under this
276.11 chapter by the ratio derived from dividing the total net income subject to tax in the other
276.12 state by the taxpayer's Minnesota taxable income.

276.13 (d) The credit determined under paragraph (b) or (c) shall not exceed the amount of
276.14 tax so paid to the other state on the gross income earned within the other state subject to
276.15 tax under this chapter, nor shall the allowance of the credit reduce the taxes paid under
276.16 this chapter to an amount less than what would be assessed if such income amount was
276.17 excluded from taxable net income.

276.18 (e) In the case of the tax assessed on a lump-sum distribution under section
276.19 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state on
276.20 the lump-sum distribution that is also subject to tax under section 290.032, and shall
276.21 not exceed the tax assessed under section 290.032. To the extent the total lump-sum
276.22 distribution defined in section 290.032, subdivision 1, includes lump-sum distributions
276.23 received in prior years or is all or in part an annuity contract, the reduction to the tax on
276.24 the lump-sum distribution allowed under section 290.032, subdivision 2, includes tax paid
276.25 to another state that is properly apportioned to that distribution.

276.26 (f) If a Minnesota resident reported an item of income to Minnesota and is assessed
276.27 tax in such other state on that same income after the Minnesota statute of limitations
276.28 has expired, the taxpayer shall receive a credit for that year under paragraph (a),
276.29 notwithstanding any statute of limitations to the contrary. The claim for the credit must
276.30 be submitted within one year from the date the taxes were paid to the other state. The
276.31 taxpayer must submit sufficient proof to show entitlement to a credit.

276.32 (g) For the purposes of this subdivision, a resident shareholder of a corporation
276.33 treated as an "S" corporation under section 290.9725, must be considered to have paid
276.34 a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share
276.35 of any net income tax paid by the S corporation to another state. For the purposes of the

277.1 preceding sentence, the term "net income tax" means any tax imposed on or measured by
277.2 a corporation's net income.

277.3 (h) For the purposes of this subdivision, a resident partner of an entity taxed as a
277.4 partnership under the Internal Revenue Code must be considered to have paid a tax imposed
277.5 on the partner in an amount equal to the partner's pro rata share of any net income tax paid
277.6 by the partnership to another state. For purposes of the preceding sentence, the term "net
277.7 income" tax means any tax imposed on or measured by a partnership's net income.

277.8 (i) For the purposes of this subdivision, "another state":

277.9 (1) includes:

277.10 (i) the District of Columbia; and

277.11 (ii) a province or territory of Canada; but

277.12 (2) excludes Puerto Rico and the several territories organized by Congress.

277.13 (j) The limitations on the credit in paragraphs (b), (c), and (d), are imposed on a
277.14 state by state basis.

277.15 (k) For a tax imposed by a province or territory of Canada, the tax for purposes of
277.16 this subdivision is the excess of the tax over the amount of the foreign tax credit allowed
277.17 under section 27 of the Internal Revenue Code. In determining the amount of the foreign
277.18 tax credit allowed, the net income taxes imposed by Canada on the income are deducted
277.19 first. Any remaining amount of the allowable foreign tax credit reduces the provincial or
277.20 territorial tax that qualifies for the credit under this subdivision.

277.21 Sec. 14. Minnesota Statutes 2014, section 290.067, subdivision 1, is amended to read:

277.22 Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the
277.23 tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the
277.24 dependent care credit for which the taxpayer is eligible pursuant to the provisions of
277.25 section 21 of the Internal Revenue Code subject to the limitations provided in subdivision
277.26 2 except that in determining whether the child qualified as a dependent, income received
277.27 as a Minnesota family investment program grant or allowance to or on behalf of the child
277.28 must not be taken into account in determining whether the child received more than half
277.29 of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of
277.30 the Internal Revenue Code do not apply.

277.31 (b) If a child who has not attained the age of six years at the close of the taxable year
277.32 is cared for at a licensed family day care home operated by the child's parent, the taxpayer
277.33 is deemed to have paid employment-related expenses. If the child is 16 months old or
277.34 younger at the close of the taxable year, the amount of expenses deemed to have been paid
277.35 equals the maximum limit for one qualified individual under section 21(c) and (d) of the

278.1 Internal Revenue Code. If the child is older than 16 months of age but has not attained the
278.2 age of six years at the close of the taxable year, the amount of expenses deemed to have
278.3 been paid equals the amount the licensee would charge for the care of a child of the same
278.4 age for the same number of hours of care.

278.5 (c) If a married couple:

278.6 (1) has a child who has not attained the age of one year at the close of the taxable year;

278.7 (2) files a joint tax return for the taxable year; and

278.8 (3) does not participate in a dependent care assistance program as defined in section
278.9 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid
278.10 for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of
278.11 (i) the combined earned income of the couple or (ii) the amount of the maximum limit for
278.12 one qualified individual under section 21(c) and (d) of the Internal Revenue Code will
278.13 be deemed to be the employment related expense paid for that child. The earned income
278.14 limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed
278.15 amount. These deemed amounts apply regardless of whether any employment-related
278.16 expenses have been paid.

278.17 (d) If the taxpayer is not required and does not file a federal individual income tax
278.18 return for the tax year, no credit is allowed for any amount paid to any person unless:

278.19 (1) the name, address, and taxpayer identification number of the person are included
278.20 on the return claiming the credit; or

278.21 (2) if the person is an organization described in section 501(c)(3) of the Internal
278.22 Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code,
278.23 the name and address of the person are included on the return claiming the credit.

278.24 In the case of a failure to provide the information required under the preceding sentence,
278.25 the preceding sentence does not apply if it is shown that the taxpayer exercised due
278.26 diligence in attempting to provide the information required.

278.27 (e) In the case of a nonresident, part-year resident, or a person who has earned
278.28 income not subject to tax under this chapter including earned income excluded pursuant to
278.29 section ~~290.01, subdivision 19b, clause (9)~~ 290.0132, subdivision 10, the credit determined
278.30 under section 21 of the Internal Revenue Code must be allocated based on the ratio by
278.31 which the earned income of the claimant and the claimant's spouse from Minnesota
278.32 sources bears to the total earned income of the claimant and the claimant's spouse.

278.33 (f) For residents of Minnesota, the subtractions for military pay under section
278.34 ~~290.01, subdivision 19b, clauses (10) and (11)~~ 290.0132, subdivisions 11 and 12, are not
278.35 considered "earned income not subject to tax under this chapter."

279.1 (g) For residents of Minnesota, the exclusion of combat pay under section 112 of
279.2 the Internal Revenue Code is not considered "earned income not subject to tax under
279.3 this chapter."

279.4 Sec. 15. Minnesota Statutes 2015 Supplement, section 290.0671, subdivision 1,
279.5 is amended to read:

279.6 Subdivision 1. **Credit allowed.** (a) An individual who is a resident of Minnesota is
279.7 allowed a credit against the tax imposed by this chapter equal to a percentage of earned
279.8 income. To receive a credit, a taxpayer must be eligible for a credit under section 32 of the
279.9 Internal Revenue Code.

279.10 (b) For individuals with no qualifying children, the credit equals 2.10 percent of the
279.11 first \$6,180 of earned income. The credit is reduced by 2.01 percent of earned income
279.12 or adjusted gross income, whichever is greater, in excess of \$8,130, but in no case is
279.13 the credit less than zero.

279.14 (c) For individuals with one qualifying child, the credit equals 9.35 percent of the
279.15 first \$11,120 of earned income. The credit is reduced by 6.02 percent of earned income
279.16 or adjusted gross income, whichever is greater, in excess of \$21,190, but in no case is
279.17 the credit less than zero.

279.18 (d) For individuals with two or more qualifying children, the credit equals 11 percent
279.19 of the first \$18,240 of earned income. The credit is reduced by 10.82 percent of earned
279.20 income or adjusted gross income, whichever is greater, in excess of \$25,130, but in no
279.21 case is the credit less than zero.

279.22 (e) For a part-year resident, the credit must be allocated based on the percentage
279.23 calculated under section 290.06, subdivision 2c, paragraph (e).

279.24 (f) For a person who was a resident for the entire tax year and has earned income
279.25 not subject to tax under this chapter, including income excluded under section ~~290.01,~~
279.26 ~~subdivision 19b, clause (9)~~ 290.0132, subdivision 10, the credit must be allocated based
279.27 on the ratio of federal adjusted gross income reduced by the earned income not subject to
279.28 tax under this chapter over federal adjusted gross income. For purposes of this paragraph,
279.29 the subtractions for military pay under section ~~290.01, subdivision 19b, clauses (10) and~~
279.30 ~~(11)~~ 290.0132, subdivisions 11 and 12, are not considered "earned income not subject to
279.31 tax under this chapter."

279.32 For the purposes of this paragraph, the exclusion of combat pay under section 112
279.33 of the Internal Revenue Code is not considered "earned income not subject to tax under
279.34 this chapter."

280.1 (g) For tax years beginning after December 31, 2007, and before December 31,
280.2 2010, and for tax years beginning after December 31, 2017, the \$8,130 in paragraph (b),
280.3 the \$21,190 in paragraph (c), and the \$25,130 in paragraph (d), after being adjusted for
280.4 inflation under subdivision 7, are each increased by \$3,000 for married taxpayers filing joint
280.5 returns. For tax years beginning after December 31, 2008, the commissioner shall annually
280.6 adjust the \$3,000 by the percentage determined pursuant to the provisions of section 1(f)
280.7 of the Internal Revenue Code, except that in section 1(f)(3)(B), the word "2007" shall be
280.8 substituted for the word "1992." For 2009, the commissioner shall then determine the
280.9 percent change from the 12 months ending on August 31, 2007, to the 12 months ending on
280.10 August 31, 2008, and in each subsequent year, from the 12 months ending on August 31,
280.11 2007, to the 12 months ending on August 31 of the year preceding the taxable year. The
280.12 earned income thresholds as adjusted for inflation must be rounded to the nearest \$10. If the
280.13 amount ends in \$5, the amount is rounded up to the nearest \$10. The determination of the
280.14 commissioner under this subdivision is not a rule under the Administrative Procedure Act.

280.15 (h)(1) For tax years beginning after December 31, 2012, and before January 1, 2014,
280.16 the \$5,770 in paragraph (b), the \$15,080 in paragraph (c), and the \$17,890 in paragraph (d),
280.17 after being adjusted for inflation under subdivision 7, are increased by \$5,340 for married
280.18 taxpayers filing joint returns; and (2) for tax years beginning after December 31, 2013, and
280.19 before January 1, 2018, the \$8,130 in paragraph (b), the \$21,190 in paragraph (c), and the
280.20 \$25,130 in paragraph (d), after being adjusted for inflation under subdivision 7, are each
280.21 increased by \$5,000 for married taxpayers filing joint returns. For tax years beginning
280.22 after December 31, 2010, and before January 1, 2012, and for tax years beginning after
280.23 December 31, 2013, and before January 1, 2018, the commissioner shall annually adjust
280.24 the \$5,000 by the percentage determined pursuant to the provisions of section 1(f) of
280.25 the Internal Revenue Code, except that in section 1(f)(3)(B), the word "2008" shall be
280.26 substituted for the word "1992." For 2011, the commissioner shall then determine the
280.27 percent change from the 12 months ending on August 31, 2008, to the 12 months ending on
280.28 August 31, 2010, and in each subsequent year, from the 12 months ending on August 31,
280.29 2008, to the 12 months ending on August 31 of the year preceding the taxable year. The
280.30 earned income thresholds as adjusted for inflation must be rounded to the nearest \$10. If the
280.31 amount ends in \$5, the amount is rounded up to the nearest \$10. The determination of the
280.32 commissioner under this subdivision is not a rule under the Administrative Procedure Act.

280.33 (i) The commissioner shall construct tables showing the amount of the credit at
280.34 various income levels and make them available to taxpayers. The tables shall follow
280.35 the schedule contained in this subdivision, except that the commissioner may graduate
280.36 the transition between income brackets.

281.1 Sec. 16. Minnesota Statutes 2014, section 290.0674, subdivision 1, is amended to read:

281.2 Subdivision 1. **Credit allowed.** An individual is allowed a credit against the
281.3 tax imposed by this chapter in an amount equal to 75 percent of the amount paid for
281.4 education-related expenses for a qualifying child in kindergarten through grade 12. For
281.5 purposes of this section, "education-related expenses" means:

281.6 (1) fees or tuition for instruction by an instructor under section 120A.22, subdivision

281.19 equipment purchased or leased for use in elementary and secondary schools in teaching
281.20 only those subjects legally and commonly taught in public elementary and secondary
281.21 schools in this state. "Textbooks" does not include instructional books and materials
281.22 used in the teaching of religious tenets, doctrines, or worship, the purpose of which is
281.23 to instill such tenets, doctrines, or worship, nor does it include books or materials for
281.24 extracurricular activities including sporting events, musical or dramatic events, speech
281.25 activities, driver's education, or similar programs;

281.36 attendance laws, which is not operated for profit, and which adheres to the provisions of

282.1 the Civil Rights Act of 1964 and chapter 363A. Amounts under this clause exclude any
 282.2 expense the taxpayer incurred in using the taxpayer's or the qualifying child's vehicle.
