1.4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5 Section 1. **QUARTERLY MNLARS FUNDING REVIEW.**

1.6 Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have

1.7 the meanings given:

1.8 (b) "Commission" means the Legislative Advisory Commission established under

1.9 Minnesota Statutes, section 3.30.

1.10 (c) "Commissioner" means the commissioner of management and budget.

1.11 (d) "MNLARS" means the Minnesota Licensing and Registration System developed by

1.12 the Department of Public Safety and the Office of MN.IT Services.

1.13 Subd. 2. **Establishing system benchmarks.** By May 15, 2018, the commissioner of

1.14 public safety and the state chief information officer must submit to the commission a

1.15 proposed progress timeline for the development and implementation of MNLARS. By June

1.16 1, 2018, the commission, in consultation with the commissioner of public safety and the

1.17 state chief information officer, must approve a progress timeline for the development and

1.18 implementation of MNLARS, including specific system benchmarks that must be met

1.19 quarterly by July 1, October 1, January 1, and April 1 in fiscal year 2019.

1.20 Subd. 3. **Review of MNLARS appropriation.** (a) Funds appropriated to the Department

1.21 of Public Safety for MNLARS are divided into four equal quarters. The commissioner may

1.22 allot a quarter of the funds on July 1, October 1, January 1, and April 1, as provided in this

2.1 section. Twenty days prior to the benchmark dates identified in subdivision 2, the
2.2 commissioner must submit the proposed funding allotment to the members of the commission
2.3 for review and recommendation. The commissioner of public safety and the state chief
2.4 information officer must provide information to the commission to enable the commission
2.5 to determine whether the benchmarks have been met. The members of the commission have
2.6 20 days from the receipt of the proposal to determine whether the Department of Public
2.7 Safety and the Office of MN.IT Services have met the system benchmarks established in
2.8 subdivision 2. If any member of the commission makes a negative recommendation based
2.9 on failure to meet system benchmarks or recommends further review of the request during
2.10 the 20-day review period, the commissioner is prohibited from allotting the quarterly funds
2.11 to the Department of Public Safety for MNLARS. If all of the members of the commission
2.12 make a positive recommendation or no recommendation during the 20-day review period,
2.13 the commissioner may allot the quarterly funds to the Department of Public Safety for
2.14 MNLARS.

2.15 (b) A member of the commission, by written notice to the commissioner, may withdraw
2.16 a negative recommendation or a recommendation for further review within 20 days of
2.17 making the recommendation. If all negative recommendations and all recommendations for
2.18 further review have been withdrawn, the commissioner may allot the quarterly funds to the
2.19 Department of Public Safety for MNLARS.

2.20 (c) A commission recommendation must be made at a commission meeting unless a
2.21 written recommendation is signed by all of the members entitled to vote on the item, as
2.22 provided under Minnesota Statutes, section 3.30, subdivision 2.

2.23 Subd. 4. **Resubmission of proposal.** If a proposed allotment receives a negative
2.24 recommendation or a recommendation for further review under subdivision 3, the
2.25 commissioner may submit proposed legislation to the chairs of the house of representatives
2.26 Ways and Means Committee and the senate Finance Committee for consideration during
2.27 the 2019 legislative session. The commissioner must submit the proposed legislation by
2.28 February 1, 2019.
