1.19 permit. No such lease or permit for a period exceeding 21 years shall be granted except with

1.20 the approval of the Executive Council.

1.21 (b) Public access to the leased land for outdoor recreation is the same as access would

1.22 be under state management.

1.23 (c) Notwithstanding section 16A.125, subdivision 5, after deducting the reasonable costs

1.24 incurred for preparing and issuing the lease, all remaining proceeds from leasing school

2.1 trust land and university land for roads on forest lands must be deposited into the respective  
2.2 permanent fund for the lands.

2.3 (d) The commissioner may require a performance bond, security deposit, or other form  
2.4 of security for removing any improvements or personal property left on the leased premises

3.1 (b) The minimum bid for a parcel of land must include the estimated value or appraised  
 3.2 value of the land and any improvements and, if any of the land is valuable for merchantable
