1.15 planning to cease, curtail, or relocate services must notify the commissioner of health at

1.16 least ~~90 days~~ nine months before the scheduled cessation ~~or,~~ curtailment, or relocation of

1.17 services. The commissioner shall cooperate with the controlling persons and advise them

1.18 about relocating ~~the~~ any patients or residents, to the extent they must be relocated. If a

1.19 facility or campus of the facility voluntarily plans to cease operations, the controlling persons

1.20 of the facility must also comply with section 144.556.

1.21 Subd. 1a. **Public hearing.** Upon receiving notice under subdivision 1, the commissioner

1.22 shall conduct a public hearing on the scheduled cessation or curtailment of operations, or

1.23 relocation of services from the facility or campus of the facility. The commissioner must

1.24 provide adequate public notice of the hearing in a time and manner determined by the

2.1 commissioner. The public hearing must be conducted in the community where the facility
2.2 or campus of the facility is located at least six months before the scheduled cessation,
2.3 curtailment, or relocation of services. The public hearing must include:

2.4 (1) an explanation by controlling persons of the facility of the reasons for ceasing
2.5 operations, curtailing operations, or relocating the provision of health services to another
2.6 hospital campus or facility;

2.7 (2) a description of the actions that controlling persons of the facility will take to ensure
2.8 that residents in the facility's or campus's service area have continued access to those health
2.9 services to be eliminated, curtailed, or relocated;

2.10 (3) an opportunity for public testimony on the scheduled cessation, curtailment, or
2.11 relocation of services, and on the facility's plan to ensure continued access to those health
2.12 services to be eliminated, curtailed, or relocated; and
