39.18 Sec. 52. Minnesota Statutes 2016, section 256B.69, subdivision 5a, is amended to read:

39.19 Subd. 5a. **Managed care contracts.** (a) Managed care contracts under this section and  
39.20 section 256L.12 shall be entered into or renewed on a calendar year basis. The commissioner  
39.21 may issue separate contracts with requirements specific to services to medical assistance  
39.22 recipients age 65 and older.

39.23 (b) A prepaid health plan providing covered health services for eligible persons pursuant  
39.24 to chapters 256B and 256L is responsible for complying with the terms of its contract with  
39.25 the commissioner. Requirements applicable to managed care programs under chapters 256B  
39.26 and 256L established after the effective date of a contract with the commissioner take effect  
39.27 when the contract is next issued or renewed.

39.28 (c) The commissioner shall withhold five percent of managed care plan payments under  
39.29 this section and county-based purchasing plan payments under section 256B.692 for the  
39.30 prepaid medical assistance program pending completion of performance targets. Each  
39.31 performance target must be quantifiable, objective, measurable, and reasonably attainable,  
39.32 except in the case of a performance target based on a federal or state law or rule. Criteria  
39.33 for assessment of each performance target must be outlined in writing prior to the contract

40.1 effective date. Clinical or utilization performance targets and their related criteria must  
40.2 consider evidence-based research and reasonable interventions when available or applicable  
40.3 to the populations served, and must be developed with input from external clinical experts  
40.4 and stakeholders, including managed care plans, county-based purchasing plans, and  
40.5 providers. The managed care or county-based purchasing plan must demonstrate, to the  
40.6 commissioner's satisfaction, that the data submitted regarding attainment of the performance  
40.7 target is accurate. The commissioner shall periodically change the administrative measures  
40.8 used as performance targets in order to improve plan performance across a broader range  
40.9 of administrative services. The performance targets must include measurement of plan  
40.10 efforts to contain spending on health care services and administrative activities. The  
40.11 commissioner may adopt plan-specific performance targets that take into account factors  
40.12 affecting only one plan, including characteristics of the plan's enrollee population. The  
40.13 withheld funds must be returned no sooner than July of the following year if performance  
40.14 targets in the contract are achieved. The commissioner may exclude special demonstration  
40.15 projects under subdivision 23.

40.16 (d) The commissioner shall require that managed care plans use the assessment and  
40.17 authorization processes, forms, timelines, standards, documentation, and data reporting  
40.18 requirements, protocols, billing processes, and policies consistent with medical assistance  
40.19 fee-for-service or the Department of Human Services contract requirements ~~consistent with~~  
40.20 ~~medical assistance fee-for-service or the Department of Human Services contract~~  
40.21 ~~requirements~~ for all personal care assistance services under section 256B.0659.

40.22 (e) Effective for services rendered on or after January 1, 2012, the commissioner shall  
40.23 include as part of the performance targets described in paragraph (c) a reduction in the health  
40.24 plan's emergency department utilization rate for medical assistance and MinnesotaCare  
40.25 enrollees, as determined by the commissioner. For 2012, the reduction shall be based on  
40.26 the health plan's utilization in 2009. To earn the return of the withhold each subsequent  
40.27 year, the managed care plan or county-based purchasing plan must achieve a qualifying  
40.28 reduction of no less than ten percent of the plan's emergency department utilization rate for  
40.29 medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described  
40.30 in subdivisions 23 and 28, compared to the previous measurement year until the final  
40.31 performance target is reached. When measuring performance, the commissioner must  
40.32 consider the difference in health risk in a managed care or county-based purchasing plan's  
40.33 membership in the baseline year compared to the measurement year, and work with the  
40.34 managed care or county-based purchasing plan to account for differences that they agree  
40.35 are significant.

41.1 The withheld funds must be returned no sooner than July 1 and no later than July 31 of  
41.2 the following calendar year if the managed care plan or county-based purchasing plan  
41.3 demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate  
41.4 was achieved. The commissioner shall structure the withhold so that the commissioner  
41.5 returns a portion of the withheld funds in amounts commensurate with achieved reductions  
41.6 in utilization less than the targeted amount.

41.7 The withhold described in this paragraph shall continue for each consecutive contract  
41.8 period until the plan's emergency room utilization rate for state health care program enrollees  
41.9 is reduced by 25 percent of the plan's emergency room utilization rate for medical assistance  
41.10 and MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate with the  
41.11 health plans in meeting this performance target and shall accept payment withholds that  
41.12 may be returned to the hospitals if the performance target is achieved.

41.13 (f) Effective for services rendered on or after January 1, 2012, the commissioner shall  
41.14 include as part of the performance targets described in paragraph (c) a reduction in the plan's  
41.15 hospitalization admission rate for medical assistance and MinnesotaCare enrollees, as  
41.16 determined by the commissioner. To earn the return of the withhold each year, the managed  
41.17 care plan or county-based purchasing plan must achieve a qualifying reduction of no less  
41.18 than five percent of the plan's hospital admission rate for medical assistance and  
41.19 MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and  
41.20 28, compared to the previous calendar year until the final performance target is reached.  
41.21 When measuring performance, the commissioner must consider the difference in health risk  
41.22 in a managed care or county-based purchasing plan's membership in the baseline year  
41.23 compared to the measurement year, and work with the managed care or county-based  
41.24 purchasing plan to account for differences that they agree are significant.

41.25 The withheld funds must be returned no sooner than July 1 and no later than July 31 of  
41.26 the following calendar year if the managed care plan or county-based purchasing plan  
41.27 demonstrates to the satisfaction of the commissioner that this reduction in the hospitalization  
41.28 rate was achieved. The commissioner shall structure the withhold so that the commissioner  
41.29 returns a portion of the withheld funds in amounts commensurate with achieved reductions  
41.30 in utilization less than the targeted amount.

41.31 The withhold described in this paragraph shall continue until there is a 25 percent  
41.32 reduction in the hospital admission rate compared to the hospital admission rates in calendar  
41.33 year 2011, as determined by the commissioner. The hospital admissions in this performance  
41.34 target do not include the admissions applicable to the subsequent hospital admission  
41.35 performance target under paragraph (g). Hospitals shall cooperate with the plans in meeting

42.1 this performance target and shall accept payment withholds that may be returned to the  
42.2 hospitals if the performance target is achieved.

42.3 (g) Effective for services rendered on or after January 1, 2012, the commissioner shall  
42.4 include as part of the performance targets described in paragraph (c) a reduction in the plan's  
42.5 hospitalization admission rates for subsequent hospitalizations within 30 days of a previous  
42.6 hospitalization of a patient regardless of the reason, for medical assistance and MinnesotaCare  
42.7 enrollees, as determined by the commissioner. To earn the return of the withhold each year,  
42.8 the managed care plan or county-based purchasing plan must achieve a qualifying reduction  
42.9 of the subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees,  
42.10 excluding enrollees in programs described in subdivisions 23 and 28, of no less than five  
42.11 percent compared to the previous calendar year until the final performance target is reached.

42.12 The withheld funds must be returned no sooner than July 1 and no later than July 31 of  
42.13 the following calendar year if the managed care plan or county-based purchasing plan  
42.14 demonstrates to the satisfaction of the commissioner that a qualifying reduction in the  
42.15 subsequent hospitalization rate was achieved. The commissioner shall structure the withhold  
42.16 so that the commissioner returns a portion of the withheld funds in amounts commensurate  
42.17 with achieved reductions in utilization less than the targeted amount.

42.18 The withhold described in this paragraph must continue for each consecutive contract  
42.19 period until the plan's subsequent hospitalization rate for medical assistance and  
42.20 MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and  
42.21 28, is reduced by 25 percent of the plan's subsequent hospitalization rate for calendar year  
42.22 2011. Hospitals shall cooperate with the plans in meeting this performance target and shall  
42.23 accept payment withholds that must be returned to the hospitals if the performance target  
42.24 is achieved.

42.25 (h) Effective for services rendered on or after January 1, 2013, through December 31,  
42.26 2013, the commissioner shall withhold 4.5 percent of managed care plan payments under  
42.27 this section and county-based purchasing plan payments under section 256B.692 for the  
42.28 prepaid medical assistance program. The withheld funds must be returned no sooner than  
42.29 July 1 and no later than July 31 of the following year. The commissioner may exclude  
42.30 special demonstration projects under subdivision 23.

42.31 (i) Effective for services rendered on or after January 1, 2014, the commissioner shall  
42.32 withhold three percent of managed care plan payments under this section and county-based  
42.33 purchasing plan payments under section 256B.692 for the prepaid medical assistance  
42.34 program. The withheld funds must be returned no sooner than July 1 and no later than July

43.1 31 of the following year. The commissioner may exclude special demonstration projects  
43.2 under subdivision 23.

43.3 (j) A managed care plan or a county-based purchasing plan under section 256B.692 may  
43.4 include as admitted assets under section 62D.044 any amount withheld under this section  
43.5 that is reasonably expected to be returned.

43.6 (k) Contracts between the commissioner and a prepaid health plan are exempt from the  
43.7 set-aside and preference provisions of section 16C.16, subdivisions 6, paragraph (a), and  
43.8 7.

43.9 (l) The return of the withhold under paragraphs (h) and (i) is not subject to the  
43.10 requirements of paragraph (c).

43.11 (m) Managed care plans and county-based purchasing plans shall maintain current and  
43.12 fully executed agreements for all subcontractors, including bargaining groups, for  
43.13 administrative services that are expensed to the state's public health care programs.  
43.14 Subcontractor agreements determined to be material, as defined by the commissioner after  
43.15 taking into account state contracting and relevant statutory requirements, must be in the  
43.16 form of a written instrument or electronic document containing the elements of offer,  
43.17 acceptance, consideration, payment terms, scope, duration of the contract, and how the  
43.18 subcontractor services relate to state public health care programs. Upon request, the  
43.19 commissioner shall have access to all subcontractor documentation under this paragraph.  
43.20 Nothing in this paragraph shall allow release of information that is nonpublic data pursuant  
43.21 to section 13.02.

43.22 Sec. 53. Minnesota Statutes 2017 Supplement, section 256B.76, subdivision 1, is amended

48.27 immunodeficiency syndrome. For purposes of this section, "homeless adult" means a person  
48.28 who is living on the street or in a shelter or discharged from a regional treatment center,  
48.29 community hospital, or residential treatment program and has no appropriate housing  
48.30 available and lacks the resources and support necessary to access appropriate housing. At  
48.31 least 70 percent of the supportive housing units must serve homeless adults with mental  
48.32 illness, substance abuse problems, or human immunodeficiency virus or acquired  
48.33 immunodeficiency syndrome who are about to be or, within the previous six months, ~~has~~  
48.34 have been discharged from a regional treatment center, or a state-contracted psychiatric bed

49.1 in a community hospital, or a residential mental health or chemical dependency treatment  
49.2 program. If a person meets the requirements of subdivision 1, paragraph (a), and receives  
49.3 a federal or state housing subsidy, the housing support rate for that person is limited to the  
49.4 supplementary rate under section 256I.05, subdivision 1a, and is determined by subtracting  
49.5 the amount of the person's countable income that exceeds the MSA equivalent rate from  
49.6 the housing support supplementary service rate. A resident in a demonstration project site  
49.7 who no longer participates in the demonstration program shall retain eligibility for a housing  
49.8 support payment in an amount determined under section 256I.06, subdivision 8, using the  
49.9 MSA equivalent rate. Service funding under section 256I.05, subdivision 1a, will end June  
49.10 30, 1997, if federal matching funds are available and the services can be provided through  
49.11 a managed care entity. If federal matching funds are not available, then service funding will  
49.12 continue under section 256I.05, subdivision 1a;

49.13 (4) for an additional two beds, resulting in a total of 32 beds, for a facility located in  
49.14 Hennepin County providing services for recovering and chemically dependent men that has  
49.15 had a housing support contract with the county and has been licensed as a board and lodge  
49.16 facility with special services since 1980;

49.17 (5) for a housing support provider located in the city of St. Cloud, or a county contiguous  
49.18 to the city of St. Cloud, that operates a 40-bed facility, that received financing through the  
49.19 Minnesota Housing Finance Agency Ending Long-Term Homelessness Initiative and serves  
49.20 chemically dependent clientele, providing 24-hour-a-day supervision;

49.21 (6) for a new 65-bed facility in Crow Wing County that will serve chemically dependent  
49.22 persons, operated by a housing support provider that currently operates a 304-bed facility  
49.23 in Minneapolis, and a 44-bed facility in Duluth;

49.24 (7) for a housing support provider that operates two ten-bed facilities, one located in  
49.25 Hennepin County and one located in Ramsey County, that provide community support and  
49.26 24-hour-a-day supervision to serve the mental health needs of individuals who have  
49.27 chronically lived unsheltered; and

49.28 (8) for a facility authorized for recipients of housing support in Hennepin County with  
49.29 a capacity of up to 48 beds that has been licensed since 1978 as a board and lodging facility  
49.30 and that until August 1, 2007, operated as a licensed chemical dependency treatment program.

49.31 (b) An agency may enter into a housing support agreement for beds with rates in excess  
49.32 of the MSA equivalent rate in addition to those currently covered under a housing support  
49.33 agreement if the additional beds are only a replacement of beds with rates in excess of the  
49.34 MSA equivalent rate which have been made available due to closure of a setting, a change

50.1 of licensure or certification which removes the beds from housing support payment, or as  
 50.2 a result of the downsizing of a setting authorized for recipients of housing support. The  
 50.3 transfer of available beds from one agency to another can only occur by the agreement of  
 50.4 both agencies.

50.5 Sec. 60. Minnesota Statutes 2017 Supplement, section 256N.261, subdivision 1, is amended  
 50.6 to read:

50.7 Subdivision 1. **Program established.** The commissioner shall design and implement a  
 50.8 coordinated program to reduce the need for placement changes or out-of-home placements  
 50.9 of children and youth in foster care, adoptive placements, and permanent physical and legal  
 50.10 custody kinship placements, and to improve the functioning and stability of these families.  
 50.11 To the extent federal funds are available, the commissioner shall provide the following  
 50.12 adoption and foster care-competent services and ensure that placements are trauma-informed  
 50.13 and child and family-centered:

50.14 (1) a program providing information, referrals, a parent-to-parent support network, peer  
 50.15 support for youth, family activities, respite care, crisis services, educational support, and  
 50.16 mental health services for children and youth in adoption, foster care, and kinship placements  
 50.17 and adoptive, foster, and kinship families in Minnesota;

50.18 (2) training offered statewide in Minnesota for foster, adoptive, and kinship families,  
 50.19 ~~and training for foster families~~, and the professionals who serve the families, on the effects  
 50.20 of trauma, common disabilities of adopted children and children in foster care, and kinship  
 50.21 placements, and challenges in adoption, foster care, and kinship placements; and

50.22 (3) periodic evaluation of these services to ensure program effectiveness in preserving  
 50.23 and improving the success of adoptive, foster, and kinship placements.

50.24 Sec. 61. Minnesota Statutes 2016, section 256P.07, subdivision 7, is amended to read:

50.25 Subd. 7. **Minnesota supplemental aid-specific reporting.** In addition to subdivision  
 50.26 3, an assistance unit participating in the Minnesota supplemental aid program under section  
 50.27 256D.44, subdivision 5, paragraph ~~(f)~~ (g), within ten days of the change, must report shelter  
 50.28 expenses.

50.29 Sec. 62. Minnesota Statutes 2016, section 256R.04, subdivision 7, is amended to read:

50.30 Subd. 7. **Violations and penalties.** For a period not to exceed 180 days, the commissioner  
 50.31 may continue to make medical assistance payments to a nursing facility ~~or boarding care~~  
 50.32 ~~home~~ which is in violation of this section if extreme hardship to the residents would result.

51.1 In these cases the commissioner shall issue an order requiring the nursing facility to correct  
 51.2 the violation. The nursing facility shall have 20 days from its receipt of the order to correct  
 51.3 the violation. If the violation is not corrected within the 20-day period the commissioner  
 51.4 may reduce the payment rate to the nursing facility by up to 20 percent. The amount of the  
 51.5 payment rate reduction shall be related to the severity of the violation and shall remain in  
 51.6 effect until the violation is corrected. The nursing facility ~~or boarding care home~~ may appeal  
 51.7 the commissioner's action pursuant to the provisions of chapter 14 pertaining to contested  
 51.8 cases. An appeal shall be considered timely if written notice of appeal is received by the  
 51.9 commissioner within 20 days of notice of the commissioner's proposed action.

51.10 Sec. 63. Minnesota Statutes 2017 Supplement, section 260B.050, is amended to read:

51.11 **260B.050 EXPERT ASSISTANCE.**

51.12 In any county the court may provide for the physical and mental diagnosis of cases of  
 51.13 minors who are believed to be persons ~~with a physical disability, mentally ill, or~~  
 51.14 ~~developmentally disabled,~~ who have a physical disability, mental illness, or developmental  
 51.15 disability and for such purpose may appoint professionally qualified persons, whose  
 51.16 compensation shall be fixed by the judge with the approval of the county board.

51.17 Sec. 64. Minnesota Statutes 2016, section 268.069, subdivision 1, is amended to read:

51.18 Subdivision 1. **Requirements.** The commissioner must pay unemployment benefits  
 51.19 from the trust fund to an applicant who has met each of the following requirements:

51.20 (1) the applicant has filed an application for unemployment benefits and established a  
 51.21 benefit account in accordance with section 268.07;

51.22 (2) the applicant has not been held ineligible for unemployment benefits under section  
 51.23 268.095 because of a quit or discharge;

51.24 (3) the applicant has met all of the ongoing eligibility requirements under section 268.085;

51.25 (4) the applicant does not have an outstanding overpayment of unemployment benefits,  
 51.26 including any penalties or interest; and

51.27 (5) the applicant has not been held ineligible for unemployment benefits under section  
 51.28 ~~268.182~~ 268.183 because of a false representation or concealment of facts.

51.29 Sec. 65. Minnesota Statutes 2016, section 268.085, subdivision 2, is amended to read:

51.30 Subd. 2. **Not eligible.** An applicant is ineligible for unemployment benefits for any week:

52.1 (1) that occurs before the effective date of a benefit account;

52.2 (2) that the applicant, at any time during the week, has an outstanding ~~fraud~~  
52.3 misrepresentation overpayment balance under section 268.18, subdivision 2, including any  
52.4 penalties and interest;

52.5 (3) that occurs in a period when the applicant is a student in attendance at, or on vacation  
52.6 from a secondary school including the period between academic years or terms;

52.7 (4) that the applicant is incarcerated or performing court-ordered community service.  
52.8 The applicant's weekly unemployment benefit amount is reduced by one-fifth for each day  
52.9 the applicant is incarcerated or performing court-ordered community service;

52.10 (5) that the applicant fails or refuses to provide information on an issue of ineligibility  
52.11 required under section 268.101;

52.12 (6) that the applicant is performing services 32 hours or more, in employment, covered  
52.13 employment, noncovered employment, volunteer work, or self-employment regardless of  
52.14 the amount of any earnings; or

52.15 (7) with respect to which the applicant has filed an application for unemployment benefits  
52.16 under any federal law or the law of any other state. If the appropriate agency finally  
52.17 determines that the applicant is not entitled to establish a benefit account under federal law  
52.18 or the law of any other state, this clause does not apply.

52.19 Sec. 66. Minnesota Statutes 2016, section 268.101, subdivision 1, is amended to read:

52.20 Subdivision 1. **Notification.** (a) In an application for unemployment benefits, each  
52.21 applicant must report the name and the reason for no longer working for the applicant's  
52.22 most recent employer, as well as the names of all employers and the reasons for no longer  
52.23 working for all employers during the six calendar months before the date of the application.  
52.24 If the reason reported for no longer working for any of those employers is other than a layoff  
52.25 because of lack of work, that raises an issue of ineligibility that the department must  
52.26 determine. An applicant must report any offers of employment refused during the eight  
52.27 calendar weeks before the date of the application for unemployment benefits and the name  
52.28 of the employer that made the offer. An applicant's failure to report the name of an employer,  
52.29 or giving an incorrect reason for no longer working for an employer, or failing to disclose  
52.30 an offer of employment that was refused, is a violation of section ~~268.182, subdivision 2~~  
52.31 268.183.

52.32 In an application, the applicant must also provide all information necessary to determine  
52.33 the applicant's eligibility for unemployment benefits under this chapter. If the applicant fails

53.1 or refuses to provide information necessary to determine the applicant's eligibility for  
53.2 unemployment benefits, the applicant is ineligible for unemployment benefits under section  
53.3 268.085, subdivision 2, until the applicant provides this required information.

53.4 (b) Upon establishment of a benefit account under section 268.07, subdivision 2, the  
53.5 commissioner must notify, by mail or electronic transmission, all employers the applicant  
53.6 was required to report on the application and all base period employers and determined  
53.7 successors to those employers under section 268.051, subdivision 4, in order to provide the  
53.8 employer an opportunity to raise, in a manner and format prescribed by the commissioner,  
53.9 any issue of ineligibility. An employer must be informed of the effect that failure to raise  
53.10 an issue of ineligibility as a result of a quit or discharge of the applicant, as provided for  
53.11 under subdivision 2, paragraph (b), may have on the employer under section 268.047.

53.12 (c) Each applicant must report any employment, and loss of employment, and offers of  
53.13 employment refused, during those weeks the applicant filed continued requests for  
53.14 unemployment benefits under section 268.0865. Each applicant who stops filing continued  
53.15 requests during the benefit year and later begins filing continued requests during that same  
53.16 benefit year must report the name of any employer the applicant worked for during the  
53.17 period between the filing of continued requests and the reason the applicant stopped working  
53.18 for the employer. The applicant must report any offers of employment refused during the  
53.19 period between the filing of continued requests for unemployment benefits. Those employers  
53.20 from which the applicant has reported a loss of employment under this paragraph must be  
53.21 notified by mail or electronic transmission and provided an opportunity to raise, in a manner  
53.22 prescribed by the commissioner, any issue of ineligibility. An employer must be informed  
53.23 of the effect that failure to raise an issue of ineligibility as a result of a quit or a discharge  
53.24 of the applicant may have on the employer under section 268.047.

53.25 (d) The purpose for requiring the applicant to report the name of employers and the  
53.26 reason for no longer working for those employers, or offers of employment refused, under  
53.27 paragraphs (a) and (c) is for the commissioner to obtain information from an applicant  
53.28 raising all issues that may result in the applicant being ineligible for unemployment benefits  
53.29 under section 268.095, because of a quit or discharge, or the applicant being ineligible for  
53.30 unemployment benefits under section 268.085, subdivision 13c. If the reason given by the  
53.31 applicant for no longer working for an employer is other than a layoff because of lack of  
53.32 work, that raises an issue of ineligibility and the applicant is required, as part of the  
53.33 determination process under subdivision 2, paragraph (a), to state all the facts about the  
53.34 cause for no longer working for the employer, if known. If the applicant fails or refuses to

54.1 provide any required information, the applicant is ineligible for unemployment benefits  
54.2 under section 268.085, subdivision 2, until the applicant provides this required information.

54.3 Sec. 67. Minnesota Statutes 2016, section 268.186, subdivision 1, is amended to read:

54.4 Subdivision 1. **Employer records; audits.** (a) Each employer must keep true and accurate  
54.5 records on individuals performing services for the employer, containing the information  
54.6 the commissioner may require under Minnesota Rules, part 3315.1010. The records must  
54.7 be kept for a period of not less than four years in addition to the current calendar year.

54.8 (b) For the purpose of administering this chapter, the commissioner has the power to  
54.9 audit, examine, or cause to be supplied or copied, any books, correspondence, papers,  
54.10 records, or memoranda that are the property of, or in the possession of, an employer or any  
54.11 other person at any reasonable time and as often as may be necessary. Subpoenas may be  
54.12 issued under section 268.188, as necessary, for an audit.

54.13 An employer, or other person, that refuses to allow an audit of its records by the  
54.14 department, or that fails to make all necessary records available for audit in Minnesota upon  
54.15 request of the commissioner, may be assessed an administrative penalty of \$500. The penalty  
54.16 collected is credited to the trust fund.

54.17 (c) An employer, or other person, that fails to provide a weekly breakdown of money  
54.18 earned by an applicant upon request of the commissioner, information necessary for the  
54.19 detection of applicant ~~fraud~~ misrepresentation under section 268.18, subdivision 2, may be  
54.20 assessed an administrative penalty of \$100. Any notice requesting a weekly breakdown  
54.21 must clearly state that a \$100 penalty may be assessed for failure to provide the information.  
54.22 The penalty collected is credited to the trust fund.

54.23 Sec. 68. Minnesota Statutes 2017 Supplement, section 270.071, subdivision 7a, is amended  
54.24 to read:

54.25 Subd. 7a. **Intermittently Intermittent or irregularly timed flights.** "~~Intermittently~~  
54.26 Intermittent or irregularly timed flights" means any flight in which the departure time,  
54.27 departure location, and arrival location are specifically negotiated with the customer or the  
54.28 customer's representative, including but not limited to charter flights.

54.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

55.1 Sec. 69. Minnesota Statutes 2017 Supplement, section 270.074, subdivision 1, is amended  
55.2 to read:

55.3 Subdivision 1. **Valuation.** The commissioner shall determine the market valuation of  
55.4 all flight property operated or used by every airline company in air commerce in this state.  
55.5 The valuation apportioned to this state of such flight property shall be the proportion of the  
55.6 total valuation thereof determined on the basis of the total of the following percentages:

55.7 (1) 50 percent of the percentage which the number of revenue ton miles of passengers,  
55.8 mail, express and freight flown by the airline company within this state during the preceding  
55.9 calendar year is of the total number of such miles flown by it within and without this state  
55.10 during the preceding calendar year.

55.11 (2) 50 percent of the percentage that the total departures performed by the airline company  
55.12 within this state during the preceding calendar year is of the total departures performed by  
55.13 it within and without this state during the preceding calendar year.

55.14 **EFFECTIVE DATE.** This section is effective the day following final enactment.

55.15 Sec. 70. Minnesota Statutes 2017 Supplement, section 272.02, subdivision 10, is amended  
55.16 to read:

55.17 Subd. 10. **Personal property used for pollution control.** Personal property used  
55.18 primarily for the abatement and control of air, water, or land pollution is exempt to the  
55.19 extent that it is so used, and real property is exempt if it is used primarily for abatement and  
55.20 control of air, water, or land pollution as part of an agricultural operation, as a part of a  
55.21 centralized treatment and recovery facility operating under a permit issued by the Minnesota  
55.22 Pollution Control Agency pursuant to chapters 115 and 116 and Minnesota Rules, parts  
55.23 7001.0500 to 7001.0730, and 7045.0020 to 7045.1030, as a wastewater treatment facility  
55.24 and for the treatment, recovery, and stabilization of metals, oils, chemicals, water, sludges,  
55.25 or inorganic materials from hazardous industrial wastes, or as part of an electric generation  
55.26 system. For purposes of this subdivision, personal property includes ponderous machinery  
55.27 and equipment used in a business or production activity that at common law is considered  
55.28 real property.

55.29 Any taxpayer requesting exemption of all or a portion of any real property or any  
55.30 equipment or device, or part thereof, operated primarily for the control or abatement of air,  
55.31 water, or land pollution shall file an application with the commissioner of revenue. The  
55.32 commissioner shall develop an electronic means to notify interested parties when electric  
55.33 power generation facilities have filed an application. The commissioner shall prescribe the

56.1 content, format, and manner of the application pursuant to section 270C.30, except that a  
 56.2 "law administered by the commissioner" includes the property tax laws, ~~and~~. If an application  
 56.3 is made by electronic means, the taxpayer's signature is defined pursuant to section 270C.304,  
 56.4 except that a "law administered by the commissioner" includes the property tax laws. The  
 56.5 Minnesota Pollution Control Agency shall upon request of the commissioner furnish  
 56.6 information and advice to the commissioner.

56.7 The information and advice furnished by the Minnesota Pollution Control Agency must  
 56.8 include statements as to whether the equipment, device, or real property meets a standard,  
 56.9 rule, criteria, guideline, policy, or order of the Minnesota Pollution Control Agency, and  
 56.10 whether the equipment, device, or real property is installed or operated in accordance with  
 56.11 it. On determining that property qualifies for exemption, the commissioner shall issue an  
 56.12 order exempting the property from taxation. The commissioner shall develop an electronic  
 56.13 means to notify interested parties when the commissioner has issued an order exempting  
 56.14 property from taxation under this subdivision. The equipment, device, or real property shall  
 56.15 continue to be exempt from taxation as long as the order issued by the commissioner remains  
 56.16 in effect.

56.17 **EFFECTIVE DATE.** This section is effective the day following final enactment.

56.18 Sec. 71. Minnesota Statutes 2017 Supplement, section 273.372, subdivision 2, is amended  
 56.19 to read:

56.20 Subd. 2. **Contents and filing of petition.** (a) In all appeals to court that are required to  
 56.21 be brought against the commissioner under this section, the petition initiating the appeal  
 56.22 must be served on the commissioner and must be filed with the Tax Court in Ramsey County,  
 56.23 as provided in paragraph (b) or (c).

56.24 (b) If the appeal to court is from an order of the commissioner, it must be brought under  
 56.25 chapter 271 and filed within the time period prescribed in section 271.06, subdivision 2,  
 56.26 except that when the provisions of this section conflict with chapter 271 or 278, this section  
 56.27 prevails. In addition, the petition must include all the parcels encompassed by that order  
 56.28 which the petitioner claims have been partially, unfairly, or unequally assessed, assessed  
 56.29 at a valuation greater than their real or actual value, misclassified, or are exempt. For this  
 56.30 purpose, an order of the commissioner is either (1) a certification or notice of value by the  
 56.31 commissioner for property described in subdivision 1, or (2) the final determination by the  
 56.32 commissioner of ~~either an administrative appeal conference or informal administrative~~  
 56.33 ~~appeal~~ described in subdivision 4.

57.1 (c) If the appeal is from the tax that results from implementation of the commissioner's  
 57.2 order, certification, or recommendation, it must be brought under chapter 278, and the  
 57.3 provisions in that chapter apply, except that service shall be on the commissioner only and  
 57.4 not on the local officials specified in section 278.01, subdivision 1, and if any other provision  
 57.5 of this section conflicts with chapter 278, this section prevails. In addition, the petition must  
 57.6 include either all the utility parcels or all the railroad parcels in the state in which the  
 57.7 petitioner claims an interest and which the petitioner claims have been partially, unfairly,  
 57.8 or unequally assessed, assessed at a valuation greater than their real or actual value,  
 57.9 misclassified, or are exempt.

57.10 **EFFECTIVE DATE.** This section is effective the day following final enactment.

57.11 Sec. 72. Minnesota Statutes 2017 Supplement, section 290.01, subdivision 31, is amended  
 57.12 to read:

57.13 Subd. 31. **Internal Revenue Code.** Unless specifically defined otherwise, "Internal  
 57.14 Revenue Code" means the Internal Revenue Code of 1986, as amended through December  
 57.15 16, 2016. Internal Revenue Code also includes any uncodified provision in federal law that  
 57.16 relates to provisions of the Internal Revenue Code that are incorporated into Minnesota law.  
 57.17 ~~When used in this chapter, the reference to "subtitle A, chapter 1, subchapter N, part 1, of~~  
 57.18 ~~the Internal Revenue Code" is to the Internal Revenue Code as amended through March 18,~~  
 57.19 ~~2010.~~

57.20 **EFFECTIVE DATE.** This section is effective retroactively for taxable years beginning  
 57.21 after December 31, 2012.

57.22 Sec. 73. Minnesota Statutes 2017 Supplement, section 290.067, subdivision 1, is amended  
 57.23 to read:

57.24 Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the tax  
 57.25 due from the taxpayer and a spouse, if any, under this chapter an amount equal to the  
 57.26 dependent care credit for which the taxpayer is eligible pursuant to the provisions of section  
 57.27 21 of the Internal Revenue Code except that in determining whether the child qualified as  
 57.28 a dependent, income received as a Minnesota family investment program grant or allowance  
 57.29 to or on behalf of the child must not be taken into account in determining whether the child  
 57.30 received more than half of the child's support from the taxpayer, ~~and the provisions of~~  
 57.31 ~~section 32(b)(1)(D) of the Internal Revenue Code do not apply.~~

57.32 (b) If a child who has not attained the age of six years at the close of the taxable year is  
 57.33 cared for at a licensed family day care home operated by the child's parent, the taxpayer is

58.1 deemed to have paid employment-related expenses. If the child is 16 months old or younger  
58.2 at the close of the taxable year, the amount of expenses deemed to have been paid equals  
58.3 the maximum limit for one qualified individual under section 21(c) and (d) of the Internal  
58.4 Revenue Code. If the child is older than 16 months of age but has not attained the age of  
58.5 six years at the close of the taxable year, the amount of expenses deemed to have been paid  
58.6 equals the amount the licensee would charge for the care of a child of the same age for the  
58.7 same number of hours of care.

58.8 (c) If a married couple:

58.9 (1) has a child who has not attained the age of one year at the close of the taxable year;

58.10 (2) files a joint tax return for the taxable year; and

58.18 deemed amounts apply regardless of whether any employment-related expenses have been  
58.19 paid.

58.20 (d) If the taxpayer is not required and does not file a federal individual income tax return  
58.21 for the tax year, no credit is allowed for any amount paid to any person unless:

58.25 Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name

59.3 (f) For residents of Minnesota, the subtractions for military pay under section 290.0132,

59.6 (g) For residents of Minnesota, the exclusion of combat pay under section 112 of the  
59.7 Internal Revenue Code is not considered "earned income not subject to tax under this  
59.8 chapter."

59.9 (h) For taxpayers with federal adjusted gross income in excess of \$50,000, the credit is  
59.10 equal to the lesser of the credit otherwise calculated under this subdivision, or the amount  
59.11 equal to \$600 minus five percent of federal adjusted gross income in excess of \$50,000 for  
59.12 taxpayers with one qualified individual, or \$1,200 minus five percent of federal adjusted  
59.13 gross income in excess of \$50,000 for taxpayers with two or more qualified individuals,  
59.14 but in no case is the credit less than zero.

59.16 Sec. 74. Minnesota Statutes 2016, section 290.068, as amended by Laws 2017, First Special

59.20 Subdivision 1. **Credit allowed.** A corporation, partners in a partnership, or shareholders  
59.21 in a corporation treated as an "S" corporation under section 290.9725 are allowed a credit  
59.22 against the tax computed under this chapter for the taxable year equal to:

59.23 (a) ten percent of the first \$2,000,000 of the excess (if any) of

59.24 (1) the qualified research expenses for the taxable year, over

59.25 (2) the base amount; and

59.26 (b) four percent on all of such excess expenses over \$2,000,000.

59.27 Subd. 2. **Definitions.** For purposes of this section, the following terms have the meanings  
59.28 given.

59.29 (a) "Qualified research expenses" means (i) qualified research expenses and basic research  
59.30 payments as defined in section 41(b) and (e) of the Internal Revenue Code, except it does  
59.31 not include expenses incurred for qualified research or basic research conducted outside

60.1 the state of Minnesota pursuant to section 41(d) and (e) of the Internal Revenue Code; and  
60.2 (ii) contributions to a nonprofit corporation established and operated pursuant to the  
60.3 provisions of chapter 317A for the purpose of promoting the establishment and expansion  
60.4 of business in this state, provided the contributions are invested by the nonprofit corporation  
60.5 for the purpose of providing funds for small, technologically innovative enterprises in  
60.6 Minnesota during the early stages of their development.

60.7 (b) "Qualified research" means qualified research as defined in section 41(d) of the  
60.8 Internal Revenue Code, except that the term does not include qualified research conducted  
60.9 outside the state of Minnesota.

60.15 subdivisions 1 and 2c, for the taxable year reduced by the sum of the nonrefundable credits  
60.16 allowed under this chapter, on all of the entities required to be included on the combined  
60.17 report of the unitary business.

60.18 Subd. 3. **Limitation; carryover.** (a) The credit for a taxable year beginning before  
60.19 January 1, 2010, and after December 31, 2012, shall not exceed the liability for tax. "~~Liability~~  
60.20 ~~for tax~~" for purposes of this section means the sum of the tax imposed under section 290.06,  
60.21 ~~subdivisions 1 and 2c, for the taxable year reduced by the sum of the nonrefundable credits~~  
60.22 ~~allowed under this chapter, on all of the entities required to be included on the combined~~  
60.23 ~~report of the unitary business.~~ If the amount of the credit allowed exceeds the liability for  
60.24 tax of the taxpayer, but is allowed as a result of the liability for tax of other members of the  
60.25 unitary group for the taxable year, the taxpayer must allocate the excess as a research credit  
60.26 to another member of the unitary group.

60.27 (b) In the case of a corporation which is a partner in a partnership, the credit allowed  
60.28 for the taxable year shall not exceed the lesser of the amount determined under paragraph  
60.29 (a) for the taxable year or an amount (separately computed with respect to the corporation's  
60.30 interest in the trade or business or entity) equal to the amount of tax attributable to that  
60.31 portion of taxable income which is allocable or apportionable to the corporation's interest  
60.32 in the trade or business or entity.

60.33 (c) If the amount of the credit determined under this section for any taxable year exceeds  
60.34 the limitation under paragraph (a) or (b), including amounts allocated to other members of

61.1 the unitary group, the excess shall be a research credit carryover to each of the 15 succeeding  
61.2 taxable years. The entire amount of the excess unused credit for the taxable year shall be  
61.3 carried first to the earliest of the taxable years to which the credit may be carried and then  
61.4 to each successive year to which the credit may be carried. The amount of the unused credit  
61.5 which may be added under this clause shall not exceed the taxpayer's liability for tax less  
61.6 the research credit for the taxable year.

61.7 Subd. 4. **Partnerships and S corporations.** In the case of partnerships the credit shall  
61.8 be allocated in the same manner provided by section 41(f)(2) of the Internal Revenue Code.

61.9 For shareholders in S corporations the credit must be allocated in the same manner as  
61.10 provided by section 1366(a) of the Internal Revenue Code.

61.11 Subd. 5. **Adjustments; acquisitions and dispositions.** If a taxpayer acquires or disposes  
61.12 of the major portion of a trade or business or the major portion of a separate unit of a trade  
61.13 or business in a transaction with another taxpayer, the taxpayer's qualified research expenses  
61.14 and base amount are adjusted in the same manner provided by section 41(f)(3) of the Internal  
61.15 Revenue Code.

61.16 Subd. 6a. **Credit to be refundable.** If the amount of credit allowed in this section for  
61.17 qualified research expenses incurred in taxable years beginning after December 31, 2009,  
61.18 and before January 1, 2013, exceeds the taxpayer's tax liability under this chapter, the  
61.19 commissioner shall refund the excess amount. The credit allowed for qualified research  
61.20 expenses incurred in taxable years beginning after December 31, 2009, and before January  
61.21 1, 2013, must be used before any research credit earned under subdivision 3.

61.22 Subd. 7. **Appropriation.** An amount sufficient to pay the refunds required by this section  
61.23 is appropriated to the commissioner from the general fund.

61.24 Sec. 75. Minnesota Statutes 2017 Supplement, section 290.081, is amended to read:

61.25 **290.081 INCOME OF NONRESIDENTS, RECIPROCITY.**

61.26 (a) The compensation received for the performance of personal or professional services  
61.27 within this state by an individual whose residence, place of abode, and place customarily  
61.28 returned to at least once a month is in another state, shall be excluded from gross income  
61.29 to the extent such compensation is subject to an income tax imposed by the state of residence;  
61.30 provided that such state allows a similar exclusion of compensation received by residents  
61.31 of Minnesota for services performed therein.

61.32 (b) When it is deemed to be in the best interests of the people of this state, the  
61.33 commissioner may determine that the provisions of paragraph (a) shall not apply. As long

62.1 as the provisions of paragraph (a) apply between Minnesota and Wisconsin, the provisions  
62.2 of paragraph (a) shall apply to any individual who is domiciled in Wisconsin.

62.3 (c) For the purposes of paragraph (a), whenever the Wisconsin tax on Minnesota residents  
62.4 which would have been paid Wisconsin without paragraph (a) exceeds the Minnesota tax  
62.5 on Wisconsin residents which would have been paid Minnesota without paragraph (a), or  
62.6 vice versa, then the state with the net revenue loss calculated under paragraph (e) shall  
62.7 receive from the other state the amount of such loss.

62.8 (d) Payments for amounts calculated under paragraph (c) must equal one-quarter of the  
62.9 estimated annual amount and must be paid at the midpoint of each quarter, on February 15,  
62.10 May 15, August 15, and November 15.

62.11 (e)(1) The commissioner of revenue is authorized to enter into agreements with the state  
62.12 of Wisconsin specifying the reciprocity payment due dates, conditions constituting  
62.13 delinquency, interest rates, and a method for computing interest due.

62.14 (2) For agreements entered into before August 1, 2018, the annual compensation required  
62.15 under paragraph (c) must equal at least the net revenue loss minus up to \$3,000,000 per  
62.16 fiscal year.

62.17 (3) For the purposes of this section, "net revenue loss" means the difference between  
62.18 the amount of Minnesota income taxes Minnesota forgoes by not taxing Wisconsin residents  
62.19 on income subject to reciprocity and the credit Minnesota would have been required to give  
62.20 under section 290.06, subdivision 22, to Minnesota residents working in Wisconsin had  
62.21 there not been reciprocity.

62.22 (4) All agreements must include provisions:

62.23 (i) providing for a suspension of the agreement if one party to the agreement does not  
62.24 pay in full by a time prescribed in the agreement;

62.25 (ii) setting the interest rate that will be applied, and that interest shall run from the date  
62.26 the payment is due until the day the payment is made, except that interest from the  
62.27 reconciliation payments runs from July 1 of the tax year until paid;

62.28 (iii) stating a time for annual reconciliation must be completed by October 31 of the  
62.29 year following the tax year, and the time for payment of any amounts to be completed by  
62.30 no later than December 1 of the year following the tax year;

62.31 (iv) requiring the parties to jointly conduct updated benchmark studies every five years  
62.32 beginning tax year 2018;

63.1 (v) requiring each party to the agreement to require taxpayers who request exemption  
63.2 from withholding in the state where they work to make an annual application and that a list  
63.3 of participants will be exchanged annually; and

63.4 (vi) that provide that the sum of the amount of the quarterly payments must be a  
63.5 reasonable estimate of the revenue loss as defined in ~~item (iii)~~ clause (3).

63.6 (f) If an agreement cannot be reached as to the amount of the loss, the commissioner of  
63.7 revenue and the taxing official of the state of Wisconsin shall each appoint a member of a  
63.8 board of arbitration and these members shall appoint the third member of the board. The  
63.9 board shall select one of its members as chair. Such board may administer oaths, take  
63.10 testimony, subpoena witnesses, and require their attendance, require the production of books,  
63.11 papers and documents, and hold hearings at such places as are deemed necessary. The board  
63.12 shall then make a determination as to the amount to be paid the other state which  
63.13 determination shall be final and conclusive.

63.14 (g) The commissioner may furnish copies of returns, reports, or other information to the  
63.15 taxing official of the state of Wisconsin, a member of the board of arbitration, or a consultant  
63.16 under joint contract with the states of Minnesota and Wisconsin for the purpose of making  
63.17 a determination as to the amount to be paid the other state under the provisions of this  
63.18 section. Prior to the release of any information under the provisions of this section, the  
63.19 person to whom the information is to be released shall sign an agreement which provides  
63.20 that the person will protect the confidentiality of the returns and information revealed thereby  
63.21 to the extent that it is protected under the laws of the state of Minnesota.

63.26 modifications:

63.27 (1) The amount of the net operating loss deduction must not exceed 90 percent of

63.31 years beginning after December 31, 1989, section 290.095, subdivision 3, must be applied  
63.32 by substituting "90 percent of alternative minimum taxable net income" for "taxable net

78.27 (a) **Consumer goods.** A secured party shall cause the secured party of record for a

79.4 (1) within one month after there is no obligation secured by the collateral covered by  
79.5 the financing statement and no commitment to make an advance, incur an obligation, or

79.8 from a debtor.

79.9 (c) **Other collateral.** In cases not governed by subsection (a), within 20 days after a  
79.10 secured party receives an authenticated demand from a debtor, the secured party shall cause  
79.11 the secured party of record for a financing statement to send to the debtor a termination  
79.12 statement for the financing statement or file the termination statement in the filing office  
79.13 if:

79.14 (1) except in the case of a financing statement covering accounts or chattel paper that  
79.15 has been sold or goods that are the subject of a consignment, there is no obligation secured

79.21 debtor but are not in the debtor's possession; or

79.24 336.9-510, upon the filing of a termination statement with the filing office, the financing  
79.25 statement to which the termination statement relates ceases to be effective. Except as  
79.26 otherwise provided in section 336.9-510, for purposes of sections 336.9-519(g), 336.9-522(a),  
79.27 and 336.9-523(c), the filing with the filing office of a termination statement relating to a  
79.28 filing financing statement that indicates that the debtor is a transmitting utility also causes  
79.29 the effectiveness of the financing statement to lapse.

81.1 Sec. 97. Minnesota Statutes 2017 Supplement, section 477A.011, subdivision 34, is  
81.2 amended to read:

81.3 Subd. 34. **City revenue need.** (a) For a city with a population equal to or greater than  
81.4 10,000, "city revenue need" is 1.15 times the sum of (1) 4.59 times the pre-1940 housing  
81.5 percentage; plus (2) 0.622 times the percent of housing built between 1940 and 1970; plus  
81.6 (3) 169.415 times the jobs per capita; plus (4) the sparsity adjustment; plus (5) 307.664.

81.7 (b) For a city with a population equal to or greater than 2,500 and less than 10,000, "city  
81.8 revenue need" is 1.15 times the sum of (1) 572.62; plus (2) 5.026 times the pre-1940 housing  
81.9 percentage; minus (3) 53.768 times household size; plus (4) 14.022 times peak population  
81.10 decline; plus (5) the sparsity adjustment.

81.11 (c) For a city with a population less than 2,500, "city revenue need" is the sum of (1)  
81.12 410; plus (2) 0.367 times the city's population over 100; plus (3) the sparsity adjustment.  
81.13 The city revenue need for a city under this paragraph shall not exceed 630 plus the city's  
81.14 sparsity adjustment.

81.15 (d) For a city with a population of at least 2,500 but less than 3,000, the "city revenue  
81.16 need" equals (1) the transition factor times the city's revenue need calculated in paragraph  
81.17 (b); plus (2) 630 times the difference between one and the transition factor. For a city with  
81.18 a population of at least 10,000 but less than 11,000, the "city revenue need" equals (1) the  
81.19 transition factor times the city's revenue need calculated in paragraph (a); plus (2) the city's  
81.20 revenue need calculated under the formula in paragraph (b) times the difference between  
81.21 one and the transition factor. For purposes of the first sentence of this paragraph "transition  
81.22 factor" is 0.2 percent times the amount that the city's population exceeds the minimum  
81.23 threshold. For purposes of the second sentence of this paragraph, "transition factor" is 0.1  
81.24 percent times the amount that the city's population exceeds the minimum threshold.

81.25 (e) The city revenue need cannot be less than zero.

81.26 (f) For calendar year 2015 and subsequent years, the city revenue need for a city, as  
81.27 determined in paragraphs (a) to (e), is multiplied by the ratio of the annual implicit price  
81.28 deflator for government consumption expenditures and gross investment for state and local  
81.29 governments as prepared by the United States Department of Commerce, for the most  
81.30 recently available year to the 2013 implicit price deflator for state and local government  
81.31 purchases.

81.32 **EFFECTIVE DATE.** This section is effective the day following final enactment.

82.1 Sec. 98. Minnesota Statutes 2017 Supplement, section 477A.013, subdivision 1, is amended  
82.2 to read:

82.3 Subdivision 1. **Towns.** (a) In 2014 and thereafter, each town is eligible for a distribution  
82.4 under this subdivision equal to the product of (i) its agricultural property factor, (ii) its town  
82.5 area factor, (iii) its population factor, and (iv) 0.0045. As used in this subdivision, the  
82.6 following terms have the meanings given them:

82.7 (1) "agricultural property factor" means the ratio of the adjusted net tax capacity of  
82.8 agricultural property located in a town, to the adjusted net tax capacity of all other property  
82.9 located in the town. The agricultural property factor cannot exceed eight;

82.10 (2) "agricultural property" means property classified under section 273.13, as homestead  
82.11 and nonhomestead agricultural property, rural vacant land, and noncommercial seasonal  
82.12 recreational property;

82.13 (3) "town area factor" means the most recent estimate of total acreage, not to exceed  
82.14 50,000 acres, located in the township available as of July 1 in the aid calculation year,  
82.15 estimated or established by:

82.16 (i) the United States Bureau of the Census;

82.17 (ii) the State Land Management Information Center; or

82.18 (iii) the secretary of state; and

82.19 (4) "population factor" means the square root of the towns' population.

82.20 (b) If the sum of the aids payable to all towns under this subdivision exceeds the limit  
82.21 under section 477A.03, subdivision 2c, the distribution to each town must be reduced  
82.22 proportionately so that the total amount of aids distributed under this ~~section~~ subdivision  
82.23 does not exceed the limit in section 477A.03, subdivision 2c.

82.24 (c) Data used in calculating aids to towns under this subdivision, other than acreage,  
82.25 shall be the most recently available data as of January 1 in the year in which the aid is  
82.26 calculated.

82.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

82.28 Sec. 99. Minnesota Statutes 2016, section 477A.013, subdivision 13, is amended to read:

82.29 Subd. 13. **Certified aid adjustments.** (a) A city that received an aid base increase under  
82.30 Minnesota Statutes 2012, section 477A.011, subdivision 36, paragraph (e), shall have its

83.1 total aid under subdivision 9 increased by an amount equal to \$150,000 for aids payable in  
83.2 2014 through 2018.

83.3 (b) A city that received an aid base increase under Minnesota Statutes 2012, section  
83.4 477A.011, subdivision 36, paragraph (r), shall have its total aid under subdivision 9 increased  
83.5 by an amount equal to \$160,000 for aids payable in 2014 and thereafter.

83.6 (c) A city that received a temporary aid increase under Minnesota Statutes 2012, section  
83.7 477A.011, subdivision 36, paragraph (o), shall have its total aid under subdivision 9 increased  
83.8 by an amount equal to \$1,000,000 for aids payable in 2014 only.

83.9 Sec. 100. Minnesota Statutes 2016, section 508A.17, subdivision 1, is amended to read:

83.10 Subdivision 1. **Limitation.** As against a title to land registered under a CPT which has  
83.11 been entered and maintained by the registrar under sections 508A.01 to 508A.85, no action  
83.12 affecting the possession or title to the land shall be commenced by any person, partnership,  
83.13 corporation, state, or political subdivision to enforce any right, title, estate, lien, or interest  
83.14 founded upon any instrument, event, or transaction which was executed or occurred before  
83.15 the entry of the first CPT and which is not set out as a separate memorial on the CPT or  
83.16 covered by section 508A.25, clauses (1) to (5) and ~~(7)~~ (8), unless the action is commenced  
83.17 and a notice of lis pendens of it is registered upon the CPT within a period of five years  
83.18 from the date of the first CPT.

83.19 Sec. 101. Minnesota Statutes 2016, section 518A.39, subdivision 2, is amended to read:

83.20 Subd. 2. **Modification.** (a) The terms of an order respecting maintenance or support  
83.21 may be modified upon a showing of one or more of the following, any of which makes the  
83.22 terms unreasonable and unfair: (1) substantially increased or decreased gross income of an  
83.23 obligor or obligee; (2) substantially increased or decreased need of an obligor or obligee or  
83.24 the child or children that are the subject of these proceedings; (3) receipt of assistance under  
83.25 the AFDC program formerly codified under sections 256.72 to 256.87 or 256B.01 to 256B.40,  
83.26 or chapter 256J or 256K; (4) a change in the cost of living for either party as measured by  
83.27 the Federal Bureau of Labor Statistics; (5) extraordinary medical expenses of the child not  
83.28 provided for under section 518A.41; (6) a change in the availability of appropriate health  
83.29 care coverage or a substantial increase or decrease in health care coverage costs; (7) the  
83.30 addition of work-related or education-related child care expenses of the obligee or a  
83.31 substantial increase or decrease in existing work-related or education-related child care  
83.32 expenses; or (8) upon the emancipation of the child, as provided in subdivision 5.

84.1 (b) It is presumed that there has been a substantial change in circumstances under  
84.2 paragraph (a) and the terms of a current support order shall be rebuttably presumed to be  
84.3 unreasonable and unfair if:

84.4 (1) the application of the child support guidelines in section 518A.35, to the current  
84.5 circumstances of the parties results in a calculated court order that is at least 20 percent and  
84.6 at least \$75 per month higher or lower than the current support order or, if the current support  
84.7 order is less than \$75, it results in a calculated court order that is at least 20 percent per  
84.8 month higher or lower;

84.9 (2) the medical support provisions of the order established under section 518A.41 are  
84.10 not enforceable by the public authority or the obligee;

84.11 (3) health coverage ordered under section 518A.41 is not available to the child for whom  
84.12 the order is established by the parent ordered to provide;

84.13 (4) the existing support obligation is in the form of a statement of percentage and not a  
84.14 specific dollar amount;

84.15 (5) the gross income of an obligor or obligee has decreased by at least 20 percent through  
84.16 no fault or choice of the party; or

84.17 (6) a deviation was granted based on the factor in section 518A.43, subdivision 1, clause  
84.18 (4), and the child no longer resides in a foreign country or the factor is otherwise no longer  
84.19 applicable.

84.20 (c) A child support order is not presumptively modifiable solely because an obligor or  
84.21 obligee becomes responsible for the support of an additional nonjoint child, which is born  
84.22 after an existing order. Section 518A.33 shall be considered if other grounds are alleged  
84.23 which allow a modification of support.

84.24 (d) If child support was established by applying a parenting expense adjustment or  
84.25 presumed equal parenting time calculation under previously existing child support guidelines  
84.26 and there is no parenting plan or order from which overnights or overnight equivalents can  
84.27 be determined, there is a rebuttable presumption that the established adjustment or calculation  
84.28 will continue after modification so long as the modification is not based on a change in  
84.29 parenting time. In determining an obligation under previously existing child support  
84.30 guidelines, it is presumed that the court shall:

84.31 (1) if a 12 percent parenting expense adjustment was applied, multiply the obligor's  
84.32 share of the combined basic support obligation calculated under section 518A.34, paragraph  
84.33 (b), clause (5), by 0.88; or

85.1 (2) if the parenting time was presumed equal but the parents' parental incomes for  
85.2 determining child support were not equal:

85.3 (i) multiply the combined basic support obligation under section 518A.34, paragraph  
85.4 (b), clause (5), by ~~0.075~~ 0.75;

85.5 (ii) prorate the amount under item (i) between the parents based on each parent's  
85.6 proportionate share of the combined PICS; and

85.7 (iii) subtract the lower amount from the higher amount.

85.8 (e) On a motion for modification of maintenance, including a motion for the extension  
85.9 of the duration of a maintenance award, the court shall apply, in addition to all other relevant  
85.10 factors, the factors for an award of maintenance under section 518.552 that exist at the time  
85.11 of the motion. On a motion for modification of support, the court:

85.12 (1) shall apply section 518A.35, and shall not consider the financial circumstances of  
85.13 each party's spouse, if any; and

85.14 (2) shall not consider compensation received by a party for employment in excess of a  
85.15 40-hour work week, provided that the party demonstrates, and the court finds, that:

85.16 (i) the excess employment began after entry of the existing support order;

85.17 (ii) the excess employment is voluntary and not a condition of employment;

85.18 (iii) the excess employment is in the nature of additional, part-time employment, or  
85.19 overtime employment compensable by the hour or fractions of an hour;

85.20 (iv) the party's compensation structure has not been changed for the purpose of affecting  
85.21 a support or maintenance obligation;

85.22 (v) in the case of an obligor, current child support payments are at least equal to the  
85.23 guidelines amount based on income not excluded under this clause; and

85.24 (vi) in the case of an obligor who is in arrears in child support payments to the obligee,  
85.25 any net income from excess employment must be used to pay the arrearages until the  
85.26 arrearages are paid in full.

85.27 (f) A modification of support or maintenance, including interest that accrued pursuant  
85.28 to section 548.091, may be made retroactive only with respect to any period during which  
85.29 the petitioning party has pending a motion for modification but only from the date of service  
85.30 of notice of the motion on the responding party and on the public authority if public assistance  
85.31 is being furnished or the county attorney is the attorney of record, unless the court adopts  
85.32 an alternative effective date under paragraph (l). The court's adoption of an alternative

86.1 effective date under paragraph (l) shall not be considered a retroactive modification of  
86.2 maintenance or support.

86.3 (g) Except for an award of the right of occupancy of the homestead, provided in section  
86.4 518.63, all divisions of real and personal property provided by section 518.58 shall be final,  
86.5 and may be revoked or modified only where the court finds the existence of conditions that  
86.6 justify reopening a judgment under the laws of this state, including motions under section  
86.7 518.145, subdivision 2. The court may impose a lien or charge on the divided property at  
86.8 any time while the property, or subsequently acquired property, is owned by the parties or  
86.9 either of them, for the payment of maintenance or support money, or may sequester the  
86.10 property as is provided by section 518A.71.

86.11 (h) The court need not hold an evidentiary hearing on a motion for modification of  
86.12 maintenance or support.

86.13 (i) Sections 518.14 and 518A.735 shall govern the award of attorney fees for motions  
86.14 brought under this subdivision.

86.15 (j) Except as expressly provided, an enactment, amendment, or repeal of law does not  
86.16 constitute a substantial change in the circumstances for purposes of modifying a child support  
86.17 order.

86.18 (k) On the first modification following implementation of amended child support  
86.19 guidelines, the modification of basic support may be limited if the amount of the full variance  
86.20 would create hardship for either the obligor or the obligee. Hardship includes, but is not  
86.21 limited to, eligibility for assistance under chapter 256J.

86.22 (l) The court may select an alternative effective date for a maintenance or support order  
86.23 if the parties enter into a binding agreement for an alternative effective date.

86.24 Sec. 102. Minnesota Statutes 2016, section 609.11, subdivision 9, is amended to read:

86.25 Subd. 9. **Applicable offenses.** The crimes for which mandatory minimum sentences  
86.26 shall be served as provided in this section are: murder in the first, second, or third degree;  
86.27 assault in the first, second, or third degree; burglary; kidnapping; false imprisonment;

96.28 a current contract with another entity that has the required authority to provide that service  
96.29 and that meets federal CCBHC criteria as a designated collaborating organization, or, to  
96.30 the extent allowed by the federal CCBHC criteria, the commissioner may approve a referral  
96.31 arrangement. The CCBHC must meet federal requirements regarding the type and scope of  
96.32 services to be provided directly by the CCBHC.

97.1 (c) Notwithstanding any other law that requires a county contract or other form of county

97.3 CCBHC requirements may receive the prospective payment under paragraph (f) for those

97.6 in paragraph (a), the commissioner shall require a letter of support from the CCBHC's host  
97.7 county confirming that the CCBHC and the county or counties it serves have an ongoing

97.12 variances to state requirements if the variances do not conflict with federal requirements.  
97.13 If standards overlap, the commissioner may substitute all or a part of a licensure or  
97.14 certification that is substantially the same as another licensure or certification. The  
97.15 commissioner shall consult with stakeholders, as described in subdivision 4, before granting  
97.16 variances under this provision.

97.17 (e) The commissioner shall issue a list of required evidence-based practices to be

97.19 The commissioner may update the list to reflect advances in outcomes research and medical  
97.20 services for persons living with mental illnesses or substance use disorders. The commissioner  
97.21 shall take into consideration the adequacy of evidence to support the efficacy of the practice,

97.34 approval, whichever is later.

98.1 (g) The commissioner shall seek federal approval to continue federal financial  
98.2 participation in payment for CCBHC services after the federal demonstration period ends  
98.3 for clinics that were certified as CCBHCs during the demonstration period and that continue  
98.4 to meet the CCBHC certification standards in paragraph (a). Payment for CCBHC services  
98.5 shall cease effective July 1, 2019, if continued federal financial participation for the payment  
98.6 of CCBHC services cannot be obtained.

98.7 (h) The commissioner may certify at least one CCBHC located in an urban area and at  
98.8 least one CCBHC located in a rural area, as defined by federal criteria. To the extent allowed  
98.9 by federal law, the commissioner may limit the number of certified clinics so that the  
98.10 projected claims for certified clinics will not exceed the funds budgeted for this purpose.  
98.11 The commissioner shall give preference to clinics that:

98.12 (1) provide a comprehensive range of services and evidence-based practices for all age  
98.13 groups, with services being fully coordinated and integrated; and

98.14 (2) enhance the state's ability to meet the federal priorities to be selected as a CCBHC  
98.15 demonstration state.

98.16 (i) The commissioner shall recertify CCBHCs at least every three years. The  
98.17 commissioner shall establish a process for decertification and shall require corrective action,  
98.18 medical assistance repayment, or decertification of a CCBHC that no longer meets the  
98.19 requirements in this section or that fails to meet the standards provided by the commissioner  
98.20 in the application and certification process.
