6.18 service is provided. The practice of audiology and speech-language pathology shall include

6.27 However, the single-state license granted to these individuals shall not be recognized as
6.28 granting the privilege to practice audiology or speech-language pathology in any other
6.29 member state. Nothing in this Compact shall affect the requirements established by a member
6.30 state for the issuance of a single-state license.

6.31 J. Member states may charge a fee for granting a compact privilege.

7.1 K. Member states must comply with the bylaws and rules and regulations of the

7.16 days from the date the adverse action is taken.

7.17 B. For the purposes of the compact privilege, an audiologist or speech-language
7.18 pathologist shall only hold one home state license at a time.

7.19 C. Except as provided in Section 5, if an audiologist or speech-language pathologist
7.20 changes primary state of residence by moving between two member states, the audiologist
7.21 or speech-language pathologist must apply for licensure in the new home state, and the
7.22 license issued by the prior home state shall be deactivated in accordance with applicable
7.23 rules adopted by the Commission.

7.24 D. The audiologist or speech-language pathologist may apply for licensure in advance
7.25 of a change in primary state of residence.

7.26 E. A license shall not be issued by the new home state until the audiologist or
7.27 speech-language pathologist provides satisfactory evidence of a change in primary state of
7.28 residence to the new home state and satisfies all applicable requirements to obtain a license
7.29 from the new home state.

8.1 F. If an audiologist or speech-language pathologist changes primary state of residence
8.2 by moving from a member state to a non-member state, the license issued by the prior home
8.3 state shall convert to a single-state license, valid only in the former home state.

8.4 G. The compact privilege is valid until the expiration date of the home state license. The
8.5 licensee must comply with the requirements of Section 3A to maintain the compact privilege
8.6 in the remote state.

8.7 H. A licensee providing audiology or speech-language pathology services in a remote
8.8 state under the compact privilege shall function within the laws and regulations of the remote
8.9 state.

8.10 I. A licensee providing audiology or speech-language pathology services in a remote
8.11 state is subject to that state's regulatory authority. A remote state may, in accordance with
8.12 due process and that state's laws, remove a licensee's compact privilege in the remote state
8.13 for a specific period of time, impose fines, or take any other necessary actions to protect
8.14 the health and safety of its citizens.

8.15 J. If a home state license is encumbered, the licensee shall lose the compact privilege in
8.16 any remote state until the following occur:

8.17 1. The home state license is no longer encumbered; and

8.18 2. Two years have elapsed from the date of the adverse action.

8.19 K. Once an encumbered license in the home state is restored to good standing, the licensee
8.20 must meet the requirements of Section 3A to obtain a compact privilege in any remote state.

8.21 L. Once the requirements of Section 3J have been met, the licensee must meet the
8.22 requirements in Section 3A to obtain a compact privilege in a remote state.

8.23 Section 4. Compact Privilege to Practice Telehealth

8.24 Member states shall recognize the right of an audiologist or speech-language pathologist,
8.25 licensed by a home state in accordance with Section 2 and under rules promulgated by the

8.28 by the Commission.

8.29 Section 5. Active Duty Military Personnel or Their Spouses

8.30 Active duty military personnel, or their spouse, shall designate a home state where the
8.31 individual has a current license in good standing. The individual may retain the home state
8.32 designation during the period the service member is on active duty. Subsequent to designating

9.1 a home state, the individual shall only change their home state through application for
9.2 licensure in the new state.

9.3 Section 6. Adverse Actions

9.4 A. In addition to the other powers conferred by state law, a remote state shall have the
9.5 authority, in accordance with existing state due process law, to:

9.6 1. Take adverse action against an audiologist's or speech-language pathologist's privilege
9.7 to practice within that member state.

9.8 2. Issue subpoenas for both hearings and investigations that require the attendance and
9.9 testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing
9.10 board in a member state for the attendance and testimony of witnesses or the production of
9.11 evidence from another member state shall be enforced in the latter state by any court of
9.12 competent jurisdiction, according to the practice and procedure of that court applicable to
9.13 subpoenas issued in proceedings pending before it. The issuing authority shall pay any
9.14 witness fees, travel expenses, mileage and other fees required by the service statutes of the
9.15 state in which the witnesses or evidence are located.

9.16 B. Only the home state shall have the power to take adverse action against an audiologist's
9.17 or speech-language pathologist's license issued by the home state.

9.18 C. For purposes of taking adverse action, the home state shall give the same priority and
9.19 effect to reported conduct received from a member state as it would if the conduct had
9.20 occurred within the home state. In so doing, the home state shall apply its own state laws
9.21 to determine appropriate action.

9.22 D. The home state shall complete any pending investigations of an audiologist or
9.23 speech-language pathologist who changes primary state of residence during the course of
9.24 the investigations. The home state shall also have the authority to take appropriate action(s)
9.25 and shall promptly report the conclusions of the investigations to the administrator of the
9.26 data system. The administrator of the data system shall promptly notify the new home state
9.27 of any adverse actions.

9.28 E. If otherwise permitted by state law, the member state may recover from the affected
9.29 audiologist or speech-language pathologist the costs of investigations and disposition of
9.30 cases resulting from any adverse action taken against that audiologist or speech-language
9.31 pathologist.

9.32 F. The member state may take adverse action based on the factual findings of the remote
9.33 state, provided that the home state follows its own procedures for taking the adverse action.

10.1 G. Joint Investigations

10.2 1. In addition to the authority granted to a member state by its respective audiology or
 10.3 speech-language pathology practice act or other applicable state law, any member state may
 10.4 participate with other member states in joint investigations of licensees.

10.5 2. Member states shall share any investigative, litigation, or compliance materials in
 10.6 furtherance of any joint or individual investigation initiated under the Compact.

10.7 H. If adverse action is taken by the home state against an audiologist's or speech-language
 10.8 pathologist's license, the audiologist's or speech-language pathologist's privilege to practice
 10.9 in all other member states shall be deactivated until all encumbrances have been removed
 10.10 from the state license. All home state disciplinary orders that impose adverse action against
 10.11 an audiologist's or speech-language pathologist's license shall include a statement that the
 10.12 audiologist's or speech-language pathologist's privilege to practice is deactivated in all
 10.13 member states during the pendency of the order.

10.14 I. If a member state takes adverse action, it shall promptly notify the administrator of
 10.15 the data system. The administrator of the data system shall promptly notify the home state
 10.16 of any adverse actions by remote states.

10.17 J. Nothing in this Compact shall override a member state's decision that participation in
 10.18 an alternative program may be used in lieu of adverse action.

10.19 Section 7. Establishment of the Audiology and Speech-Language Pathology Compact
 10.20 Commission

10.21 A. The Compact member states hereby create and establish a joint public agency known
 10.22 as the Audiology and Speech-Language Pathology Compact Commission:

10.23 1. The Commission is an instrumentality of the Compact states.

10.24 2. Venue is proper and judicial proceedings by or against the Commission shall be
 10.25 brought solely and exclusively in a court of competent jurisdiction where the principal office
 10.26 of the Commission is located. The Commission may waive venue and jurisdictional defenses
 10.27 to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

10.28 3. Nothing in this Compact shall be construed to be a waiver of sovereign immunity.

10.29 B. Membership, Voting, and Meetings

10.30 1. Each member state shall have two delegates selected by that member state's licensing
 10.31 board. The delegates shall be current members of the licensing board. One shall be an
 10.32 audiologist and one shall be a speech-language pathologist.

11.2 from a state licensing board, shall be chosen by the Executive Committee from a pool of
11.3 nominees provided by the Commission at Large.

11.5 the state from which the delegate is appointed.

11.6 4. The member state board shall fill any vacancy occurring on the Commission, within
11.7 90 days.

11.8 5. Each delegate shall be entitled to one vote with regard to the promulgation of rules
11.9 and creation of bylaws and shall otherwise have an opportunity to participate in the business
11.10 and affairs of the Commission.

11.12 bylaws may provide for delegates' participation in meetings by telephone or other means
11.13 of communication.

13.18 g. Other duties as provided in rules or bylaws.

13.19 4. Meetings of the Commission

13.20 All meetings shall be open to the public, and public notice of meetings shall be given
13.21 in the same manner as required under the rulemaking provisions in Section 9.

13.22 5. The Commission or the Executive Committee or other committees of the Commission
13.23 may convene in a closed, non-public meeting if the Commission or Executive Committee
13.24 or other committees of the Commission must discuss:

13.25 a. Non-compliance of a member state with its obligations under the Compact;

13.26 b. The employment, compensation, discipline, or other matters, practices, or procedures

 14.5 or confidential;

14.6 g. Disclosure of information of a personal nature where disclosure would constitute a
 14.7 clearly unwarranted invasion of personal privacy;

14.8 h. Disclosure of investigative records compiled for law enforcement purposes;

14.9 i. Disclosure of information related to any investigative reports prepared by or on behalf
 14.10 of or for use of the Commission or other committee charged with responsibility of
 14.11 investigation or determination of compliance issues pursuant to the Compact; or

14.12 j. Matters specifically exempted from disclosure by federal or member state statute.

14.13 6. If a meeting, or portion of a meeting, is closed pursuant to this provision, the
 14.14 Commission's legal counsel or designee shall certify that the meeting may be closed and
 14.15 shall reference each relevant exempting provision.

14.16 7. The Commission shall keep minutes that fully and clearly describe all matters discussed
 14.17 in a meeting and shall provide a full and accurate summary of actions taken, and the reasons
 14.18 therefore, including a description of the views expressed. All documents considered in
 14.19 connection with an action shall be identified in minutes. All minutes and documents of a
 14.20 closed meeting shall remain under seal, subject to release by a majority vote of the
 14.21 Commission or order of a court of competent jurisdiction.

14.22 8. Financing of the Commission

14.23 a. The Commission shall pay, or provide for the payment of, the reasonable expenses
 14.24 of its establishment, organization, and ongoing activities.

14.25 b. The Commission may accept any and all appropriate revenue sources, donations, and
 14.26 grants of money, equipment, supplies, materials, and services.

14.27 c. The Commission may levy on and collect an annual assessment from each member
 14.28 state or impose fees on other parties to cover the cost of the operations and activities of the
 14.29 Commission and its staff, which must be in a total amount sufficient to cover its annual
 14.30 budget as approved each year for which revenue is not provided by other sources. The
 14.31 aggregate annual assessment amount shall be allocated based upon a formula to be determined
 14.32 by the Commission, which shall promulgate a rule binding upon all member states.

15.1 9. The Commission shall not incur obligations of any kind prior to securing the funds
15.2 adequate to meet the same; nor shall the Commission pledge the credit of any of the member
15.3 states, except by and with the authority of the member state.

15.4 10. The Commission shall keep accurate accounts of all receipts and disbursements. The
15.5 receipts and disbursements of the Commission shall be subject to the audit and accounting
15.6 procedures established under its bylaws. However, all receipts and disbursements of funds
15.7 handled by the Commission shall be audited yearly by a certified or licensed public
15.8 accountant, and the report of the audit shall be included in and become part of the annual
15.9 report of the Commission.

15.10 F. Qualified Immunity, Defense, and Indemnification

15.11 1. The members, officers, executive director, employees and representatives of the
15.12 Commission shall be immune from suit and liability, either personally or in their official
15.13 capacity, for any claim for damage to or loss of property or personal injury or other civil
15.14 liability caused by or arising out of any actual or alleged act, error, or omission that occurred,
15.15 or that the person against whom the claim is made had a reasonable basis for believing
15.16 occurred within the scope of Commission employment, duties, or responsibilities; provided
15.17 that nothing in this paragraph shall be construed to protect any person from suit or liability
15.18 for any damage, loss, injury, or liability caused by the intentional or willful or wanton
15.19 misconduct of that person.

15.20 2. The Commission shall defend any member, officer, executive director, employee, or
15.21 representative of the Commission in any civil action seeking to impose liability arising out
15.22 of any actual or alleged act, error, or omission that occurred within the scope of Commission
15.23 employment, duties, or responsibilities, or that the person against whom the claim is made
15.24 had a reasonable basis for believing occurred within the scope of Commission employment,
15.25 duties, or responsibilities; provided that nothing herein shall be construed to prohibit that
15.26 person from retaining his or her own counsel; and provided further, that the actual or alleged
15.27 act, error, or omission did not result from that person's intentional or willful or wanton
15.28 misconduct.

15.29 3. The Commission shall indemnify and hold harmless any member, officer, executive
15.30 director, employee, or representative of the Commission for the amount of any settlement
15.31 or judgment obtained against that person arising out of any actual or alleged act, error or
15.32 omission that occurred within the scope of Commission employment, duties, or
15.33 responsibilities, or that person had a reasonable basis for believing occurred within the scope
15.34 of Commission employment, duties, or responsibilities, provided that the actual or alleged

16.1 act, error, or omission did not result from the intentional or willful or wanton misconduct
16.2 of that person.

16.3 Section 8. Data System

16.4 A. The Commission shall provide for the development, maintenance, and utilization of
16.5 a coordinated database and reporting system containing licensure, adverse action, and
16.6 investigative information on all licensed individuals in member states.

16.7 B. Notwithstanding any other provision of state law to the contrary, a member state shall
16.8 submit a uniform data set to the data system on all individuals to whom this Compact is
16.9 applicable as required by the rules of the Commission, including:

16.10 1. Identifying information;

16.11 2. Licensure data;

16.12 3. Adverse actions against a license or compact privilege;

16.13 4. Non-confidential information related to alternative program participation;

16.14 5. Any denial of application for licensure, and the reason(s) for denial; and

16.15 6. Other information that may facilitate the administration of this Compact, as determined
16.16 by the rules of the Commission.

16.17 C. Investigative information pertaining to a licensee in any member state shall only be
16.18 available to other member states.

16.19 D. The Commission shall promptly notify all member states of any adverse action taken
16.20 against a licensee or an individual applying for a license. Adverse action information
16.21 pertaining to a licensee in any member state shall be available to any other member state.

16.22 E. Member states contributing information to the data system may designate information
16.23 that may not be shared with the public without the express permission of the contributing
16.24 state.

16.25 F. Any information submitted to the data system that is subsequently required to be
16.26 expunged by the laws of the member state contributing the information shall be removed
16.27 from the data system.

16.28 Section 9. Rulemaking

16.29 A. The Commission shall exercise its rulemaking powers pursuant to the criteria set
16.30 forth in this Section and the rules adopted thereunder. Rules and amendments shall become
16.31 binding as of the date specified in each rule or amendment.

17.1 B. If a majority of the legislatures of the member states rejects a rule, by enactment of
17.2 a statute or resolution in the same manner used to adopt the Compact within four years of
17.3 the date of adoption of the rule, the rule shall have no further force and effect in any member
17.4 state.

17.5 C. Rules or amendments to the rules shall be adopted at a regular or special meeting of
17.6 the Commission.

17.7 D. Prior to promulgation and adoption of a final rule or rules by the Commission, and
17.8 at least 30 days in advance of the meeting at which the rule shall be considered and voted
17.9 upon, the Commission shall file a Notice of Proposed Rulemaking:

17.10 1. On the website of the Commission or other publicly accessible platform; and

17.11 2. On the website of each member state audiology or speech-language pathology licensing
17.12 board or other publicly accessible platform or the publication in which each state would
17.13 otherwise publish proposed rules.

17.14 E. The Notice of Proposed Rulemaking shall include:

17.15 1. The proposed time, date, and location of the meeting in which the rule shall be
17.16 considered and voted upon;

17.17 2. The text of the proposed rule or amendment and the reason for the proposed rule;

17.18 3. A request for comments on the proposed rule from any interested person; and

17.19 4. The manner in which interested persons may submit notice to the Commission of
17.20 their intention to attend the public hearing and any written comments.

17.21 F. Prior to the adoption of a proposed rule, the Commission shall allow persons to submit
17.22 written data, facts, opinions, and arguments, which shall be made available to the public.

17.23 G. The Commission shall grant an opportunity for a public hearing before it adopts a
17.24 rule or amendment if a hearing is requested by:

17.25 1. At least 25 persons;

17.26 2. A state or federal governmental subdivision or agency; or

17.27 3. An association having at least 25 members.

17.28 H. If a hearing is held on the proposed rule or amendment, the Commission shall publish
17.29 the place, time, and date of the scheduled public hearing. If the hearing is held via electronic
17.30 means, the Commission shall publish the mechanism for access to the electronic hearing.

18.1 1. All persons wishing to be heard at the hearing shall notify the executive director of
18.2 the Commission or other designated member in writing of their desire to appear and testify
18.3 at the hearing not less than five business days before the scheduled date of the hearing.

18.4 2. Hearings shall be conducted in a manner providing each person who wishes to comment
18.5 a fair and reasonable opportunity to comment orally or in writing.

18.6 3. All hearings shall be recorded. A copy of the recording shall be made available on
18.7 request.

18.8 4. Nothing in this section shall be construed as requiring a separate hearing on each rule.
18.9 Rules may be grouped for the convenience of the Commission at hearings required by this
18.10 section.

18.11 I. Following the scheduled hearing date, or by the close of business on the scheduled
18.12 hearing date if the hearing was not held, the Commission shall consider all written and oral
18.13 comments received.

18.14 J. If no written notice of intent to attend the public hearing by interested parties is
18.15 received, the Commission may proceed with promulgation of the proposed rule without a
18.16 public hearing.

18.17 K. The Commission shall, by majority vote of all members, take final action on the
18.18 proposed rule and shall determine the effective date of the rule, if any, based on the
18.19 rulemaking record and the full text of the rule.

18.20 L. Upon determination that an emergency exists, the Commission may consider and
18.21 adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided
18.22 that the usual rulemaking procedures provided in the Compact and in this section shall be
18.23 retroactively applied to the rule as soon as reasonably possible, in no event later than 90
18.24 days after the effective date of the rule. For the purposes of this provision, an emergency
18.25 rule is one that must be adopted immediately in order to:

18.26 1. Meet an imminent threat to public health, safety, or welfare;

18.27 2. Prevent a loss of Commission or member state funds; or

18.28 3. Meet a deadline for the promulgation of an administrative rule that is established by
18.29 federal law or rule.

18.30 M. The Commission or an authorized committee of the Commission may direct revisions
18.31 to a previously adopted rule or amendment for purposes of correcting typographical errors,
18.32 errors in format, errors in consistency, or grammatical errors. Public notice of any revisions

19.1 shall be posted on the website of the Commission. The revision shall be subject to challenge
19.2 by any person for a period of 30 days after posting. The revision may be challenged only
19.3 on grounds that the revision results in a material change to a rule. A challenge shall be made
19.4 in writing and delivered to the chair of the Commission prior to the end of the notice period.
19.5 If no challenge is made, the revision shall take effect without further action. If the revision
19.6 is challenged, the revision may not take effect without the approval of the Commission.

19.7 Section 10. Oversight, Dispute Resolution, and Enforcement

19.8 A. Dispute Resolution

19.9 1. Upon request by a member state, the Commission shall attempt to resolve disputes
19.10 related to the Compact that arise among member states and between member and non-member
19.11 states.

19.12 2. The Commission shall promulgate a rule providing for both mediation and binding
19.13 dispute resolution for such disputes as appropriate.

19.14 B. Enforcement

19.15 1. The Commission, in the reasonable exercise of its discretion, shall enforce the
19.16 provisions and rules of this Compact.

19.17 2. By majority vote, the Commission may initiate legal action in the United States District
19.18 Court for the District of Columbia or the federal district where the Commission has its
19.19 principal offices against a member state in default to enforce compliance with the provisions
19.20 of the Compact and its promulgated rules and bylaws. The relief sought may include both
19.21 injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing
19.22 member shall be awarded all costs of litigation, including reasonable attorney's fees.

19.23 3. The remedies herein shall not be the exclusive remedies of the Commission. The
19.24 Commission may pursue any other remedies available under federal or state law.

19.25 Section 11. Date of Implementation of the Interstate Commission for Audiology and
19.26 Speech-Language Pathology Practice and Associated Rules, Withdrawal, and Amendment

19.27 A. The Compact shall come into effect on the date on which the Compact statute is
19.28 enacted into law in the tenth member state. The provisions, which become effective at that
19.29 time, shall be limited to the powers granted to the Commission relating to assembly and the
19.30 promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking
19.31 powers necessary to the implementation and administration of the Compact.

20.1 B. Any state that joins the Compact subsequent to the Commission's initial adoption of
20.2 the rules shall be subject to the rules as they exist on the date on which the Compact becomes
20.3 law in that state. Any rule that has been previously adopted by the Commission shall have
20.4 the full force and effect of law on the day the Compact becomes law in that state.

20.5 C. Any member state may withdraw from this Compact by enacting a statute repealing
20.6 the same.

20.7 1. A member state's withdrawal shall not take effect until six months after enactment of
20.8 the repealing statute.

20.9 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's
20.10 audiology or speech-language pathology licensing board to comply with the investigative
20.11 and adverse action reporting requirements of this act prior to the effective date of withdrawal.

20.12 D. Nothing contained in this Compact shall be construed to invalidate or prevent any
20.13 audiology or speech-language pathology licensure agreement or other cooperative
20.14 arrangement between a member state and a non-member state that does not conflict with
20.15 the provisions of this Compact.

20.16 E. This Compact may be amended by the member states. No amendment to this Compact
20.17 shall become effective and binding upon any member state until it is enacted into the laws
20.18 of all member states.

20.19 Section 12. Construction and Severability

20.20 This Compact shall be liberally construed so as to effectuate the purposes thereof. The
20.21 provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision
20.22 of this Compact is declared to be contrary to the constitution of any member state or of the
20.23 United States or the applicability thereof to any government, agency, person, or circumstance
20.24 is held invalid, the validity of the remainder of this Compact and the applicability thereof
20.25 to any government, agency, person, or circumstance shall not be affected thereby. If this
20.26 Compact shall be held contrary to the constitution of any member state, the Compact shall
20.27 remain in full force and effect as to the remaining member states and in full force and effect
20.28 as to the member state affected as to all severable matters.

20.29 Section 13. Binding Effect of Compact and Other Laws

20.30 A. Nothing herein prevents the enforcement of any other law of a member state that is
20.31 not inconsistent with the Compact.

20.32 B. All laws in a member state in conflict with the Compact are superseded to the extent
20.33 of the conflict.

21.1 C. All lawful actions of the Commission, including all rules and bylaws promulgated
21.2 by the Commission, are binding upon the member states.

21.3 D. All agreements between the Commission and the member states are binding in
21.4 accordance with their terms.

21.5 E. In the event any provision of the Compact exceeds the constitutional limits imposed
21.6 on the legislature of any member state, the provision shall be ineffective to the extent of the
21.7 conflict with the constitutional provision in question in that member state.

21.8 **EFFECTIVE DATE.** This section is effective on the date on which the compact statute
21.9 is enacted into law in the tenth member state in accordance with section 11 of this Compact.

21.10 Sec. 3. **[148.5186] APPLICATION OF AUDIOLOGY AND SPEECH-LANGUAGE**
21.11 **PATHOLOGY INTERSTATE COMPACT TO EXISTING LAWS.**

21.12 Subdivision 1. **Rulemaking.** Rules developed by the Audiology and Speech-Language
21.13 Pathology Compact Commission under section 148.5185 are not subject to sections 14.05
21.14 to 14.389.

21.15 Subd. 2. **Background studies.** The commissioner of health is authorized to require an
21.16 audiologist or speech-language pathologist licensed in Minnesota as the home state to submit
21.17 to a criminal history background check under section 144.0572.

21.18 Subd. 3. **Provision of data.** All provisions of section 148.5185 authorizing or requiring
21.19 the commissioner to provide data to the Audiology and Speech-Language Pathology Compact
21.20 Commission are authorized by section 144.051, subdivision 6.
