5.26 third-party program and any third-party testers.

5.27 Subd. 13. **Denial; cancellation; suspension.** (a) The commissioner may deny an  
5.28 application for a third-party testing program or third-party tester if the applicant does not  
5.29 qualify for approval or certification under this section or Minnesota Rules, parts 7410.6000  
5.30 to 7410.6540. In addition, a misstatement or misrepresentation is grounds for denying a  
5.31 letter of approval for a third-party program or a third-party tester certificate.

5.32 (b) The commissioner may cancel the approval of a third-party testing program or  
5.33 third-party tester or may suspend a program or tester for:

6.9 suspension under subdivision 13 is determined at the sole discretion of the commissioner.  
6.10 If the commissioner determines that grounds for cancellation or suspension exist for failure  
6.11 to comply with or satisfy any requirement in this section or Minnesota Rules, parts 7410.6000  
6.12 to 7410.6540, the commissioner may immediately cancel or suspend the third-party testing  
6.13 program or third-party tester from administering any further tests.

6.14 (b) When an application to be a third-party testing program or third-party tester  
6.15 application is denied, or when individual program approval or a tester's certificate is canceled,  
6.16 a notice must be mailed to the subject indicating the reasons for the denial or cancellation  
6.17 and that the third-party testing program or third-party tester may appeal the decision as  
6.18 provided in subdivision 16.

6.19 Subd. 15. **Correction order.** If an audit by the commissioner identifies a situation that  
6.20 needs correction but does not merit suspension or cancellation, the commissioner may issue  
6.21 a correction order to a third-party tester or program for 30 days to correct a deficiency before  
6.22 the program or tester becomes subject to suspension or cancellation. The notice must include  
6.23 the basis for requiring the correction. The notice must notify the individual of the ability to  
6.24 appeal the correction order as provided in subdivision 16. The third-party testing program  
6.25 or third-party tester is permitted 30 days to correct the deficiency without having to reapply.

6.27 **hearing.** (a) Within 20 calendar days of receiving a notice of cancellation or denial issued  
6.28 pursuant to subdivision 14 or correction order issued pursuant to subdivision 15, the  
6.29 third-party testing program or third-party tester may submit a request for reconsideration  
6.30 in writing to the commissioner. The commissioner shall review the request for reconsideration  
6.31 and issue a decision within 30 days of receipt of the request. Upon receipt of the  
6.32 commissioner's decision, the affected party may request a contested case hearing under  
6.33 chapter 14.

7.1 (b) As an alternative to the process in paragraph (a), the affected party may initiate a  
7.2 contested case proceeding within 20 calendar days of receiving a notice of cancellation or  
7.3 denial issued pursuant to subdivision 14 or a correction order issued pursuant to subdivision  
7.4 15.

7.5 (c) If a correction order issued pursuant to subdivision 15 is appealed under paragraph  
7.6 (a) or (b), the commissioner must not enforce the correction order until the appeal is complete.

7.7 Subd. 17. **Rulemaking.** The commissioner must not adopt new rules or amend existing  
7.8 rules to implement the requirements of this section. Except where otherwise provided by  
7.9 this section, the commissioner shall apply applicable provisions from Minnesota Rules,

7.13 2025 are appropriated from the driver services operating account in the special revenue  
7.14 fund to the commissioner of public safety for the costs of implementing and administering
