4.8 Subd. 4. **Registration by election judges; procedures.** Registration at the polling place

 4.11 registrants provided by the county auditor or municipal clerk to see if the person has already  
 4.12 voted by absentee ballot. If the person's name appears on the list, the election judge must  
 4.13 not allow the individual to register or to vote in the polling place. The election judge who  
 4.14 registers an individual at the polling place on election day shall not handle that voter's ballots  
 4.15 at any time prior to the opening of the ballot box after the voting ends. Registration  
 4.16 applications and forms for oaths shall be available at each polling place. ~~If an individual~~

 4.22 ~~deficient shall give written notice to the individual whose registration is found deficient.~~  
 4.23 ~~An election day registration shall not be found deficient solely because the individual who~~  
 4.24 ~~provided proof of residence was ineligible to do so.~~

4.25 Sec. 4. Minnesota Statutes 2020, section 201.091, subdivision 4, is amended to read:

4.26 Subd. 4. **Public information lists.** (a) The county auditor shall make available for

 4.29 whose status is challenged in the statewide voter registration system at the time the list was  
 4.30 prepared. For each voter, the list must include the history of each change in status and the  
 4.31 date that the change to that status was made. The list must also include individuals who  
 4.32 were previously registered but were removed or made inactive in the statewide voter  
 4.33 registration system, and the reason for the removal or inactivation.

5.1 The list must not include the party choice of any voter who voted in a presidential  
5.2 nomination primary. The telephone number must be included on the list if provided by the  
5.3 voter. The public information list may also include information on voting districts.

5.4 (b) The county auditor may adopt reasonable rules governing access to the list. No  
5.5 individual inspecting the public information list shall tamper with or alter it in any manner.  
5.6 No individual who inspects the public information list or who acquires a list of registered  
5.7 voters prepared from the public information list may use any information contained in the  
5.8 list for purposes unrelated to elections, political activities, or law enforcement. The secretary  
5.9 of state may provide copies of the public information lists and other information from the  
5.10 statewide registration system for uses related to elections, political activities, or in response  
5.11 to a law enforcement inquiry from a public official concerning a failure to comply with any  
5.12 criminal statute or any state or local tax statute.

5.13 (c) Before inspecting the public information list or obtaining a list of voters or other  
5.14 information from the list, the individual shall provide identification to the public official  
5.15 having custody of the public information list and shall state in writing that any information  
5.16 obtained from the list will not be used for purposes unrelated to elections, political activities,  
5.17 or law enforcement. Requests to examine or obtain information from the public information  
5.18 lists or the statewide registration system must be made and processed in the manner provided  
5.19 in the rules of the secretary of state.

5.20 (d) Upon receipt of a statement signed by the voter that withholding the voter's name  
5.21 from the public information list is required for the safety of the voter or the voter's family,  
5.22 the secretary of state and county auditor must withhold from the public information list the  
5.23 name of a registered voter.

5.24 **EFFECTIVE DATE.** This section is effective July 1, 2022, and applies to public  
5.25 information lists created on or after that date. Information on status changes or individuals  
5.26 removed from the statewide voter registration system collected prior to July 1, 2022, must  
5.27 not be included on a public information list.

5.28 Sec. 5. Minnesota Statutes 2020, section 201.121, subdivision 1, is amended to read:

5.29 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration  
5.30 application is properly completed, submitted, and received in accordance with sections  
5.31 201.061 and 201.071, the county auditor shall enter the information contained on it into the  
5.32 statewide registration system. Voter registration applications completed before election day  
5.33 must be entered into the statewide registration system within ten days after they have been  
5.34 submitted to the county auditor. Voter registration applications completed on election day

6.1 must be entered into the statewide registration system ~~within 42~~ as soon as possible, but no  
6.2 later than three days after the election, ~~unless the county auditor notifies the secretary of~~  
6.3 ~~state before the deadline has expired that the deadline will not be met. Upon receipt of a~~  
6.4 ~~notification under this paragraph, the secretary of state must extend the deadline for that~~  
6.5 ~~county auditor by an additional 28 days. The secretary of state may waive a county's~~  
6.6 ~~obligations under this paragraph if, on good cause shown, the county demonstrates its~~  
6.7 ~~permanent inability to comply.~~

6.8 ~~The secretary of state must post data on each county's compliance with this paragraph on~~  
6.9 ~~the secretary of state's website including, as applicable, the date each county fully complied~~  
6.10 ~~or the deadline by which a county's compliance must be complete.~~

6.11 (b) Upon receiving a completed voter registration application, the secretary of state may  
6.12 electronically transmit the information on the application to the appropriate county auditor  
6.13 as soon as possible for review by the county auditor before final entry into the statewide  
6.14 registration system. The secretary of state may mail the voter registration application to the  
6.15 county auditor.

6.16 (c) Within ten days after the county auditor has entered information from a voter  
6.17 registration application into the statewide registration system, the secretary of state shall  
6.18 compare the voter's name, date of birth, and driver's license number, state identification  
6.19 number, or the last four digits of the Social Security number with the same information  
6.20 contained in the Department of Public Safety database. For applications received on election  
6.21 day, this must be completed within three days after the county auditor or municipal clerk  
6.22 has entered the information into the statewide voter registration system.

6.23 (d) The secretary of state shall provide a report to the county auditor on a weekly basis  
6.24 that includes a list of voters whose name, date of birth, or identification number have been  
6.25 compared with the same information in the Department of Public Safety database and cannot  
6.26 be verified as provided in this subdivision. The report must list separately those voters who  
6.27 have submitted a voter registration application by mail and have not voted in a federal  
6.28 election in this state. For the six days following an election, the secretary of state must  
6.29 provide this report at least daily to county auditors and municipal clerks.

6.30 (e) The county auditor shall compile a list of voters for whom the county auditor and  
6.31 the secretary of state are unable to conclude that information on the voter registration  
6.32 application and the corresponding information in the Department of Public Safety database  
6.33 relate to the same person.

7.1 (f) The county auditor shall send a notice of incomplete registration to any voter whose  
 7.2 name appears on the list and change the voter's status to "incomplete." A voter who receives  
 7.3 a notice of incomplete registration from the county auditor may either provide the information  
 7.4 required to complete the registration at least 21 days before the next election or at the polling  
 7.5 place on election day.

7.6 Sec. 6. 201.146] NOTICE OF CHALLENGE; CONTEST.

7.7 Subdivision 1. Notice of challenge. No later than seven days after changing the status

 7.16 2.

7.17 Subd. 2. Contest. (a) An individual whose status was challenged in the statewide voter  
 7.18 registration system pursuant to section 201.13, subdivision 1, 201.14, or 201.145 has the

7.20 (b) To contest the challenge, the individual must file a contest petition with the named  
 7.21 entity. The petition must state the basis for the contest and provide any supporting  
 7.22 documentation. The individual may request a review meeting as part of the petition. The  
 7.23 meeting may be conducted by interactive video technology. The petition must be in a form  
 7.24 prescribed by the secretary of state.

7.25 (c) No later than seven days after receiving the contest petition, the named entity must  
 7.26 review the contest petition and any supporting documentation, as well as the data provided  
 7.27 to the secretary of state. If the individual requested a review meeting, the named entity must  
 7.28 schedule a meeting with the individual within 14 days after receiving the contest petition.

7.29 (d) After reviewing the required data, and after the review meeting if one occurred, the  
 7.30 named entity must determine whether the data is accurate or should be changed. If the named  
 7.31 entity determines that no change to the data is required, the named entity must notify the  
 7.32 individual. If the named entity determines that the data must be changed, the named entity

8.1 must promptly notify the individual and the secretary of state. Upon receiving the changed  
 8.2 data from the named entity, the secretary of state must promptly remove the challenged  
 8.3 status. If an individual disagrees with the decision of the named entity, the individual may  
 8.4 appeal to the district court.

8.5 (e) For purposes of this section, "named entity" means the entity listed in the notice as  
 8.6 required by subdivision 1, clause (3).

8.7 **EFFECTIVE DATE.** This section is effective July 1, 2022, and applies to individuals  
 8.8 who are challenged on or after that date, and applies to reports received by the secretary of  
 8.9 state on or after that date. The notices required by subdivision 1 must be sent to individuals  
 8.10 who are challenged in the statewide voter registration system pursuant to this section on or

10.26 Sec. 11. Minnesota Statutes 2021 Supplement, section 203B.08, subdivision 3, is amended  
 10.27 to read:

10.28 Subd. 3. **Procedures on receipt of ballots.** (a) When absentee ballots are returned to a  
 10.29 county auditor or municipal clerk, that official shall stamp or initial and date the return  
 10.30 envelope and. The county auditor must open the return envelope to determine if a voter  
 10.31 registration application is in the envelope. If a voter registration application is in the envelope,  
 10.32 the county auditor must remove the voter registration application. The county auditor must  
 10.33 reseal the return envelope, initial across the seal, and note that a voter registration application

11.1 was removed from the envelope. The county auditor must place ~~it~~ all return envelopes in a  
11.2 locked ballot container or other secured and locked space with other return envelopes  
11.3 received by that office. Except for voter registration applications removed pursuant to this  
11.4 section, all contents of the return envelope must remain in the return envelope until delivered  
11.5 to the ballot board.

11.6 (b) Within five days after receipt, the county auditor or municipal clerk shall deliver to  
11.7 the ballot board all ballots received, except that during the 14 days immediately preceding  
11.8 an election, the county auditor or municipal clerk shall deliver all ballots received to the  
11.9 ballot board within three days. Ballots received on election day either (1) after 3:00 p.m.,  
11.10 if delivered in person; or (2) after 8:00 p.m., if delivered by mail or a package delivery  
11.11 service, shall be marked as received late by the county auditor or municipal clerk, and must  
11.12 not be delivered to the ballot board.

11.13 (c) Upon removing the voter registration application as required by paragraph (a), the  
11.14 county auditor must immediately process the voter registration application as provided in  
11.15 section 201.121, subdivisions 1 and 2.

11.16 Sec. 12. Minnesota Statutes 2020, section 203B.081, subdivision 3, is amended to read:

11.17 Subd. 3. **Alternative procedure.** (a) The county auditor may make available a ballot  
11.18 counter and ballot box for use by ~~the~~ preregistered voters during the seven days before the  
11.19 election. If a ballot counter and ballot box is provided, a voter must be given the option  
11.20 either (1) to vote using the process provided in section 203B.08, subdivision 1, or (2) to  
11.21 vote in the manner provided in this subdivision.

11.22 (b) If a voter chooses to vote in the manner provided in this subdivision, the voter must  
11.23 state the voter's name, address, and date of birth to the county auditor or municipal clerk.  
11.24 The voter shall sign a voter's certificate, which must include the voter's name, identification  
11.25 number, and the certification required by section 201.071, subdivision 1. The signature of  
11.26 an individual on the voter's certificate and the issuance of a ballot to the individual is evidence  
11.27 of the intent of the individual to vote at that election.

11.28 (c) After signing the voter's certificate, the voter shall be issued a ballot and immediately  
11.29 retire to a voting station or other designated location in the polling place to mark the ballot.  
11.30 The ballot must not be taken from the polling place. If the voter spoils the ballot, the voter  
11.31 may return it to the election official in exchange for a new ballot. After completing the  
11.32 ballot, the voter shall deposit the ballot into the ballot box.

12.1 (d) The election official must immediately record that the voter has voted in the manner  
12.2 provided in section 203B.121, subdivision 3.

12.3 (e) The election duties required by this subdivision must be performed by the county  
12.4 auditor, municipal clerk, or a deputy of the auditor or clerk.

12.5 (f) If a person is not preregistered to vote, the person must not be allowed to cast an  
12.6 absentee ballot using the alternative procedure authorized by this subdivision.

12.7 Sec. 13. Minnesota Statutes 2021 Supplement, section 203B.121, subdivision 2, is amended  
12.8 to read:

12.9 Subd. 2. **Duties of ballot board; absentee ballots.** (a) The members of the ballot board  
12.10 shall take possession of all signature envelopes delivered to them in accordance with section  
12.11 203B.08. Upon receipt from the county auditor, municipal clerk, or school district clerk,  
12.12 two or more members of the ballot board shall examine each signature envelope and shall  
12.13 mark it accepted or rejected in the manner provided in this subdivision. Election judges  
12.14 performing the duties in this section must be of different major political parties, unless they  
12.15 are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10,  
12.16 subdivision 2.

12.17 (b) The members of the ballot board shall mark the signature envelope "Accepted" and  
12.18 initial or sign the signature envelope below the word "Accepted" if a majority of the members  
12.19 of the ballot board examining the envelope are satisfied that:

12.20 (1) the voter's name and address on the signature envelope are the same as the information  
12.21 provided on the absentee ballot application;

12.22 (2) the voter signed the certification on the envelope;

12.23 (3) the voter's Minnesota driver's license, state identification number, or the last four  
12.24 digits of the voter's Social Security number are the same as a number on the voter's absentee  
12.25 ballot application or voter record. If the number does not match, the election judges must  
12.26 compare the signature provided by the applicant to determine whether the ballots were  
12.27 returned by the same person to whom they were transmitted;

12.28 (4) the voter is registered and eligible to vote in the precinct ~~or has included a properly~~  
12.29 ~~completed voter registration application in the signature envelope;~~

12.30 (5) the certificate has been completed as prescribed in the directions for casting an  
12.31 absentee ballot; and

13.1 (6) the voter has not already voted at that election, either in person or, if it is after the  
13.2 close of business on the seventh day before the election, by absentee ballot.

13.3 The signature envelope from accepted ballots must be preserved and returned to the  
13.4 county auditor.

13.5 (c)(1) If a majority of the members of the ballot board examining a signature envelope  
13.6 find that an absentee voter has failed to meet one of the requirements provided in paragraph  
13.7 (b), they shall mark the signature envelope "Rejected," initial or sign it below the word  
13.8 "Rejected," list the reason for the rejection on the envelope, and return it to the county  
13.9 auditor. There is no other reason for rejecting an absentee ballot beyond those permitted by  
13.10 this section. Failure to place the ballot within the secrecy envelope before placing it in the  
13.11 outer white envelope is not a reason to reject an absentee ballot.

13.12 (2) If an envelope has been rejected at least five days before the election, the envelope  
13.13 must remain sealed and the official in charge of the ballot board shall provide the voter with  
13.14 a replacement absentee ballot and signature envelope in place of the rejected ballot.

13.15 (3) If an envelope is rejected within five days of the election, the envelope must remain  
13.16 sealed and the official in charge of the ballot board must attempt to contact the voter by  
13.17 telephone or e-mail to notify the voter that the voter's ballot has been rejected. The official  
13.18 must document the attempts made to contact the voter.

13.19 (d) The official in charge of the absentee ballot board must mail the voter a written notice  
13.20 of absentee ballot rejection between six and ten weeks following the election. If the official  
13.21 determines that the voter has otherwise cast a ballot in the election, no notice is required.  
13.22 If an absentee ballot arrives after the deadline for submission provided by this chapter, the  
13.23 notice must be provided between six to ten weeks after receipt of the ballot. A notice of  
13.24 absentee ballot rejection must contain the following information:

13.25 (1) the date on which the absentee ballot was rejected or, if the ballot was received after  
13.26 the required deadline for submission, the date on which the ballot was received;

13.27 (2) the reason for rejection; and

13.28 (3) the name of the appropriate election official to whom the voter may direct further  
13.29 questions, along with appropriate contact information.

13.30 (e) An absentee ballot signature envelope marked "Rejected" may not be opened or  
13.31 subject to further review except in an election contest filed pursuant to chapter 209.

14.1 Sec. 14. Minnesota Statutes 2020, section 204C.10, is amended to read:

14.2 **204C.10 POLLING PLACE ROSTER; VOTER SIGNATURE CERTIFICATE;**  
 14.3 **VOTER RECEIPT.**

14.4 (a) An individual seeking to vote shall sign a polling place roster or voter signature  
 14.5 certificate which states that the individual is at least 18 years of age, a citizen of the United  
 14.6 States, has resided in Minnesota for 20 days immediately preceding the election, maintains  
 14.7 residence at the address shown, is not under a guardianship in which the court order revokes  
 14.8 the individual's right to vote, has not been found by a court of law to be legally incompetent  
 14.9 to vote or has the right to vote because, if the individual was convicted of a felony, the  
 14.10 felony sentence has expired or been completed or the individual has been discharged from  
 14.11 the sentence, is registered and has not already voted in the election. The roster must also  
 14.12 state: "I understand that deliberately providing false information is a felony punishable by  
 14.13 not more than five years imprisonment and a fine of not more than \$10,000, or both."

14.14 (b) At the presidential nomination primary, the polling place roster must also state: "I  
 14.15 am in general agreement with the principles of the party for whose candidate I intend to  
 14.16 vote." This statement must appear separately from the statements required in paragraph (a).  
 14.17 The felony penalty provided for in paragraph (a) does not apply to this paragraph.

14.18 (c) ~~A judge may,~~ Before the applicant signs the roster or voter signature certificate, an  
 14.19 election judge must confirm the applicant's name, address, and date of birth. If the voter's  
 14.20 registration status is challenged, the voter must not be allowed to sign the polling place  
 14.21 roster or a voter signature certificate, but must be allowed to cast an administrative-challenged  
 14.22 ballot or a verification-challenged ballot pursuant to section 204C.136. A voter must be  
 14.23 allowed to cast an administrative-challenged ballot if the basis of the challenge is:

14.24 (1) based on a death reported by the commissioner of health;

14.25 (2) a name change recorded with a court in state;

14.26 (3) a Minnesota court order revoking the person's right to vote or where the court has  
 14.27 found the person to be legally incompetent to vote;

14.28 (4) a felony conviction; or

14.29 (5) a temporary lawful status in the county based on a person's driver's license status.

14.30 A voter must be allowed to cast a verification-challenged ballot if the challenge is for any  
 14.31 other reason.

15.1 (d) After the applicant signs the roster or voter signature certificate, the judge shall give  
 15.2 the applicant a voter's receipt. The voter shall deliver the voter's receipt to the judge in  
 15.3 charge of ballots as proof of the voter's right to vote, and thereupon the judge shall hand to  
 15.4 the voter the ballot. The voters' receipts must be maintained during the time for notice of  
 15.5 filing an election contest.

15.6 (e) ~~Whenever a challenged status appears on the polling place roster,~~ If a voter has a  
 15.7 challenged status in the statewide voter registration system at the time the roster was prepared,  
 15.8 the voter's challenged status must be indicated on the roster. The roster must also include  
 15.9 the basis for the challenge. An election judge must ensure that the challenge is concealed  
 15.10 or hidden from the view of any voter other than the voter whose status is challenged.

15.11 Sec. 15. Minnesota Statutes 2020, section 204C.12, subdivision 2, is amended to read:

15.12 Subd. 2. **Statement of grounds; oath.** A challenger must be a resident of this state. The  
 15.13 secretary of state shall prepare a form that challengers must complete and sign when making  
 15.14 a challenge. The form must include space to state the ground for the challenge, a statement  
 15.15 that the challenge is based on the challenger's personal knowledge, and a statement that the  
 15.16 challenge is made under oath. The form must include a space for the challenger's printed  
 15.17 name, signature, telephone number, and address.

15.18 ~~An election judge shall administer to the challenged individual the following oath:~~

15.19 ~~"Do you solemnly swear (or affirm) that you will fully and truly answer all questions~~  
 15.20 ~~put to you concerning your eligibility to vote at this election?"~~

15.21 ~~The election judge shall then ask the challenged individual sufficient questions to test~~  
 15.22 ~~that individual's residence and right to vote.~~

15.23 Sec. 16. [204C.135] PROVISIONAL BALLOTS.

15.24 Subdivision 1. Casting provisional ballots. (a) A voter who registered on election day  
 15.25 pursuant to section 201.061, subdivision 3, is entitled to cast a provisional ballot.

15.26 (b) A voter seeking to cast a provisional ballot must sign a provisional ballot roster or  
 15.27 a provisional voter signature certificate and complete a voter registration application. The  
 15.28 voter registration application may be completed by an electronic roster and affixed to the  
 15.29 provisional ballot envelope. The voter must also swear or affirm in writing that the voter is  
 15.30 eligible to vote, has not voted previously in the same election, and meets the criteria for  
 15.31 registering to vote in the precinct in which the voter appears.

16.1 (c) Once the voter has completed the provisional ballot envelope, the voter must be  
16.2 allowed to cast a provisional ballot. The provisional ballot must be in the same form as the  
16.3 official ballot available in the precinct on election day. A completed provisional ballot shall  
16.4 be sealed in a secrecy envelope. The secrecy envelope shall be sealed inside the voter's  
16.5 provisional ballot envelope and deposited by the voter in a secure, sealed provisional ballot  
16.6 box. Completed provisional ballots must not be combined with other voted ballots in the  
16.7 polling place.

16.8 (d) The secretary of state must prescribe the form of the secrecy and provisional ballot  
16.9 envelopes. The provisional ballot envelope must be a color other than that provided for  
16.10 absentee ballot envelopes or challenged ballot envelopes and must be prominently labeled  
16.11 "Provisional Ballot Envelope."

16.12 (e) Provisional ballots and related documentation shall be delivered to and securely  
16.13 maintained by the county auditor or municipal clerk in the same manner as required for  
16.14 other election materials under sections 204C.27 and 204C.28.

16.15 **Subd. 2. Accepting or rejecting provisional ballot envelopes.** (a) Within seven days  
16.16 after the election, two or more election judges that are affiliated with different major political  
16.17 parties must process each applicant's registration application as provided by section 201.121,  
16.18 subdivisions 1 and 2. If more than two election judges are processing registration applications,  
16.19 the party balance requirements of section 204B.19, subdivision 5, apply. All election judges  
16.20 processing voter registration applications must have a major political party affiliation. If  
16.21 the applicant is registered to vote, then the election judges must determine if the voter's  
16.22 status is challenged in the statewide voter registration system. If the voter's status is  
16.23 challenged, the provisional ballot must not be accepted but must be processed as a challenged  
16.24 ballot as provided in section 204C.136, subdivision 2. If the ballot will be treated as a  
16.25 verification-challenged ballot, the election judges must attempt to contact the voter to inform  
16.26 the voter they must appear in person to prove their eligibility to vote before their ballot will  
16.27 be counted. If the applicant is registered to vote and the voter's status is not challenged in  
16.28 the statewide voter registration system, that voter's provisional ballot envelope must be  
16.29 accepted. The election judges must mark the provisional ballot envelope "Accepted" and  
16.30 initial or sign the envelope below the word "Accepted." If the applicant is not registered to  
16.31 vote, the provisional ballot envelope must be rejected. If a provisional ballot envelope is  
16.32 rejected, the election judges must mark the provisional ballot envelope "Rejected," initial  
16.33 or sign it below the word "Rejected," and list the reason for rejection on the envelope. The  
16.34 election judges must promptly record in the statewide voter registration system that a voter's  
16.35 provisional ballot envelope has been accepted or rejected.

17.1 (b) The county auditor or municipal clerk must mail the voter a written notice of  
17.2 provisional ballot rejection between six and ten weeks following the election. The notice  
17.3 must include the reason for rejection and the name of the appropriate election official to  
17.4 whom the voter may direct further questions, along with appropriate contact information.

17.5 (c) A provisional ballot envelope marked "Rejected" may not be opened or subject to  
17.6 further review except in an election contest filed pursuant to chapter 209.

17.7 Subd. 3. **Provisional ballots; reconciliation.** On the seventh day after the election and  
17.8 prior to counting any provisional ballots in the final vote totals from a precinct, the two or  
17.9 more election judges that are affiliated with different major political parties must verify that  
17.10 the number of signatures appearing on the provisional ballot roster from that precinct is  
17.11 equal to or greater than the number of provisional ballots submitted by voters in the precinct  
17.12 on election day. If more than two election judges are reconciling ballots, the party balance  
17.13 requirements of section 204B.19, subdivision 5, apply. All election judges must have a  
17.14 major political party affiliation. Any discrepancy must be resolved before the provisional  
17.15 ballots from the precinct may be counted. Excess provisional ballots must be randomly  
17.16 withdrawn from the accepted provisional ballots in the manner required by section 204C.20,  
17.17 subdivision 2.

17.18 Subd. 4. **Counting provisional ballots.** Once the reconciliation process required by  
17.19 subdivision 3 is completed, accepted provisional ballot envelopes must be opened; duplicated  
17.20 as needed in the manner provided in section 206.86, subdivision 5; initialed by the election  
17.21 judges; and deposited in the appropriate ballot box. If more than one ballot is enclosed in  
17.22 the ballot envelope, the ballots must be spoiled and must not be counted.

17.23 Sec. 17. **[204C.136] CHALLENGED BALLOTS.**

17.24 Subdivision 1. **Casting challenged ballots.** (a) A voter whose registration status is  
17.25 challenged is entitled to cast a challenged ballot. A voter must be allowed to cast an  
17.26 administrative-challenged ballot if the basis of the challenge is:

17.27 (1) based on a death reported by the commissioner of health;

17.28 (2) a name change recorded with a court in state;

17.29 (3) a Minnesota court order revoking the person's right to vote or where the court has  
17.30 found the person to be legally incompetent to vote;

17.31 (4) a felony conviction; or

17.32 (5) a temporary lawful status in the county based on a person's driver's license status.

18.1 A voter must be allowed to cast a verification-challenged ballot if the challenge is for any  
18.2 other reason. For purposes of this section, both types of challenged ballots are handled in  
18.3 the same manner except where otherwise specified.

18.4 (b) A voter seeking to cast a challenged ballot must sign a challenged ballot roster or a  
18.5 challenged voter signature certificate and complete a challenged ballot envelope. The roster  
18.6 must indicate whether the voter is provided with an administrative-challenged ballot or a  
18.7 verification-challenged ballot. The envelope must contain a space for the voter to list the  
18.8 voter's name, address of residence, date of birth, voter identification number, and any other  
18.9 information prescribed by the secretary of state. The voter must also swear or affirm, in  
18.10 writing, that the voter is eligible to vote, has not voted previously in the same election, and  
18.11 meets the criteria for registering to vote in the precinct in which the voter appears.

18.12 (c) Once the voter has completed the challenged ballot envelope, the voter must be  
18.13 allowed to cast a challenged ballot. The challenged ballot must be in the same form as the  
18.14 official ballot available in the precinct on election day. A completed challenged ballot shall  
18.15 be sealed in a secrecy envelope. The secrecy envelope shall be sealed inside the voter's  
18.16 challenged ballot envelope and deposited by the voter in a secure, sealed challenged ballot  
18.17 box. There must be separate ballot boxes for administrative-challenged ballot envelopes  
18.18 and verification-challenged ballot envelopes. Completed challenged ballots may not be  
18.19 combined with other voted ballots in the polling place.

18.20 (d) The form of the secrecy and challenged ballot envelopes shall be prescribed by the  
18.21 secretary of state. The administrative-challenged ballot envelopes and verification-challenged  
18.22 ballot envelopes must be different colors and must be a color other than that provided for  
18.23 absentee ballot envelopes or provisional ballot envelopes and must be prominently labeled  
18.24 "Administrative-Challenged Ballot Envelope" or "Verification-Challenged Ballot Envelope."

18.25 (e) Challenged ballots and related documentation shall be delivered to and securely  
18.26 maintained by the county auditor or municipal clerk in the same manner as required for  
18.27 other election materials under sections 204C.27 and 204C.28.

18.28 **Subd. 2. Accepting or rejecting challenged ballot envelopes.** (a) This paragraph applies  
18.29 to accepting or rejecting administrative-challenged ballot envelopes. Before the meeting of  
18.30 the canvassing board, the two or more election judges that are affiliated with different major  
18.31 political parties must accept or reject each challenged ballot. If more than two election  
18.32 judges are processing registration applications, the party balance requirements of section  
18.33 204B.19, subdivision 5, apply. All election judges processing voter registration applications  
18.34 must have a major political party affiliation. The election judges must review the information

19.1 in the statewide voter registration system, required by section 201.145, subdivision 1, for  
19.2 the date of the election. If the information shows that the voter was not challenged, or should  
19.3 not have been challenged on that date and was otherwise eligible to vote, that voter's  
19.4 challenged ballot must be accepted. The election judges must mark the challenged ballot  
19.5 envelope "Accepted" and initial or sign the envelope below the word "Accepted." If a  
19.6 challenged ballot envelope is not accepted, the election judges must mark the challenged  
19.7 ballot envelope "Rejected," initial or sign it below the word "Rejected," and list the reason  
19.8 for the rejection on the envelope. The election judges must promptly record in the statewide  
19.9 voter registration system that a voter's challenged ballot has been accepted or rejected.

19.10 (b) This paragraph applies to accepting or rejecting verification-challenged ballot  
19.11 envelopes. A voter who casts a verification-challenged ballot may personally appear at the  
19.12 office of the county auditor or municipal clerk no later than seven calendar days following  
19.13 the election to prove that the voter's challenged ballot should be counted. The county auditor's  
19.14 office and the city clerk's office must be open for approving verification-challenged ballots  
19.15 on the Saturday following the election for the hours prescribed in section 203B.085. The  
19.16 voter must provide proof of eligibility to vote in the precinct where the voter cast the  
19.17 verification-challenged ballot. Two or more election judges that are affiliated with different  
19.18 major political parties must review the voter's proof of eligibility. If more than two election  
19.19 judges are reviewing eligibility, the party balance requirements of section 204B.19,  
19.20 subdivision 5, apply. All election judges processing voter registration applications must  
19.21 have a major political party affiliation. The election judges must accept a challenged ballot  
19.22 if the voter is able to provide satisfactory proof of the voter's eligibility. The election judges  
19.23 must mark the challenged ballot envelope "Accepted" and initial or sign the envelope below  
19.24 the word "Accepted." If a challenged ballot envelope is not accepted, the election judges  
19.25 must mark the challenged ballot envelope "Rejected," initial or sign it below the word  
19.26 "Rejected," and list the reason for the rejection on the envelope. The election judges must  
19.27 promptly record in the statewide voter registration system that a voter's challenged ballot  
19.28 has been accepted or rejected.

19.29 (c) The county auditor or municipal clerk must mail the voter a written notice of  
19.30 challenged ballot rejection between six and ten weeks following the election. The notice  
19.31 must include the reason for rejection and the name of the appropriate election official to  
19.32 whom the voter may direct further questions, along with appropriate contact information.

19.33 (d) A challenged ballot envelope marked "Rejected" may not be opened or subject to  
19.34 further review except in an election contest filed pursuant to chapter 209.

20.1 Subd. 3. **Challenged ballots; reconciliation.** Prior to counting any challenged ballots  
 20.2 in the final vote totals from a precinct, the two or more election judges that are affiliated  
 20.3 with different major political parties must verify that the number of signatures appearing  
 20.4 on the challenged ballot roster from that precinct is equal to or greater than the number of  
 20.5 challenged ballots submitted by voters in the precinct on election day. If more than two  
 20.6 election judges are reconciling ballots, the party balance requirements of section 204B.19,  
 20.7 subdivision 5, apply. All election judges must have a major political party affiliation. Any  
 20.8 discrepancy must be resolved before the challenged ballots from the precinct may be counted.  
 20.9 Excess challenged ballots to be counted must be randomly withdrawn in the manner required  
 20.10 by section 204C.20, subdivision 2.

20.11 Subd. 4. **Counting challenged ballots.** Accepted challenged ballot envelopes must be  
 20.12 opened, duplicated as needed in the manner provided in section 206.86, subdivision 5,  
 20.13 initialed by the election judges, and deposited in the appropriate ballot box. If more than  
 20.14 one ballot is enclosed in the ballot envelope, the ballots must be spoiled and must not be  
 20.15 counted.

20.16 Sec. 18. **[204C.137] PROVISIONAL AND CHALLENGED BALLOTS; PUBLIC**  
 20.17 **INFORMATION LISTS.**

20.18 On the eighth day after the election, the following information must be made available
