1.1 A bill for an act
 1.2 relating to state government; designating the month of April as Genocide
 1.3 Awareness and Prevention Month; proposing coding for new law in Minnesota
 1.4 Statutes, chapter 10.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. **[10.581] GENOCIDE AWARENESS AND PREVENTION MONTH.**

1.7 (a) Beginning in 2013, the month of April is designated as Genocide Awareness and
 1.8 Prevention Month in recognition of the state's desire to combat all acts of genocide and
 1.9 all human rights atrocities. Following the holocaust, on December 9, 1948, the United
 1.10 Nations General Assembly adopted Resolution 260 (III) A, the United Nations Convention
 1.11 on the Prevention and Punishment of the Crime of Genocide, declaring genocide to be a
 1.12 crime under international law, and defining genocide to include the commission of certain
 1.13 acts, including killing members of a group, causing serious bodily or mental harm to
 1.14 members of a group, deliberately inflicting conditions of life calculated to bring about a
 1.15 group's physical destruction in whole or in part, imposing measures intended to prevent
 1.16 births within a group, and forcibly transferring children of a group to another group, with
 1.17 the intent to destroy, in whole or in part, a national, ethnic, racial, or religious group.
 1.18 The state declares that in order to prevent future genocides and mass atrocities, effective
 1.19 prevention measures must be implemented before a crisis has erupted, and that educating
 1.20 the public can help to protect individual rights and promote a culture of lawfulness that
 1.21 will help prevent future genocides.

1.22 (b) The governor may take any action necessary to promote and encourage the
 1.23 observance of Genocide Awareness and Prevention Month.

1.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.
