 17.26 person. The license holder must not refuse to admit a person based solely on the type of
 17.27 residential services the person is receiving, or solely on the person's severity of disability,
 17.28 orthopedic or neurological handicaps, sight or hearing impairments, lack of communication
 17.29 skills, physical disabilities, toilet habits, behavioral disorders, or past failure to make progress.
 17.30 Documentation of the basis for refusal must be provided to the person or the person's legal
 17.31 representative and case manager upon request; and

17.32 (5) requires the person or the person's legal representative and license holder to sign and

18.7 annually, dated, and signed by the person or the person's legal representative and license

18.15 7-1/2 foot ceiling. A double occupancy room must have at least 120 square feet of floor
18.16 space with a 7-1/2 foot ceiling. Bedrooms must be separated from halls, corridors, and other

18.18 not serve as a corridor to another room used in daily living.

18.19 (c) A person's personal possessions and items for the person's own use are the only items
18.20 permitted to be stored in a person's bedroom.

18.21 (d) Unless otherwise documented through assessment as a safety concern for the person,

18.27 possessions and clothing; and

18.28 (4) a mirror for grooming.

18.29 (e) When possible, a person must be allowed to have items of furniture that the person
18.30 personally owns in the bedroom, unless doing so would interfere with safety precautions,
18.31 violate a building or fire code, or interfere with another person's use of the bedroom. A
18.32 person may choose not to have a cabinet, dresser, shelves, or a mirror in the bedroom, as

19.1 otherwise required under paragraph (d), clause (3) or (4). A person may choose to use a
 19.2 mattress other than an innerspring mattress and may choose not to have the mattress on a
 19.3 mattress frame or support. If a person chooses not to have a piece of required furniture, the
 19.4 license holder must document this choice and is not required to provide the item. If a person
 19.5 chooses to use a mattress other than an innerspring mattress or chooses not to have a mattress
 19.6 frame or support, the license holder must document this choice and allow the alternative
 19.7 desired by the person.

19.8 (f) A person must be allowed to bring personal possessions into the bedroom and other
 19.9 designated storage space, if such space is available, in the residence. The person must be
 19.10 allowed to accumulate possessions to the extent the residence is able to accommodate them,
 19.11 unless doing so is contraindicated for the person's physical or mental health, would interfere
 19.12 with safety precautions or another person's use of the bedroom, or would violate a building
 19.13 or fire code. The license holder must allow for locked storage of personal items. Any
 19.14 restriction on the possession or locked storage of personal items, including requiring a
 19.15 person to use a lock provided by the license holder, must comply with section 245D.04,
 19.16 subdivision 3, paragraph (c), and allow the person to be present if and when the license
 19.17 holder opens the lock.

19.18 (g) A person must be allowed to lock the person's bedroom door. The license holder
 19.19 must document and assess the physical plant and the environment, and the population served,
 19.20 and identify the risk factors that require using locked doors, and the specific action taken
 19.21 to minimize the safety risk to a person receiving services at the site.

 19.26 who need assessment in order to determine waiver or alternative care program eligibility,
 19.27 must be visited by a long-term care consultation team within 20 calendar days after the date
 19.28 on which an assessment was requested or recommended. Upon statewide implementation
 19.29 of subdivisions 2b, 2c, and 5, this requirement also applies to an assessment of a person
 19.30 requesting personal care assistance services and home care nursing. The commissioner shall
 19.31 provide at least a 90-day notice to lead agencies prior to the effective date of this requirement.
 19.32 Face-to-face assessments must be conducted according to paragraphs (b) to (i).

20.1 (b) Upon implementation of subdivisions 2b, 2c, and 5, lead agencies shall use certified
20.2 assessors to conduct the assessment. For a person with complex health care needs, a public
20.3 health or registered nurse from the team must be consulted.

20.4 (c) The MnCHOICES assessment provided by the commissioner to lead agencies must
20.5 be used to complete a comprehensive, person-centered assessment. The assessment must
20.6 include the health, psychological, functional, environmental, and social needs of the
20.7 individual necessary to develop a community support plan that meets the individual's needs
20.8 and preferences.

20.9 (d) The assessment must be conducted in a face-to-face interview with the person being
20.10 assessed and the person's legal representative. At the request of the person, other individuals
20.11 may participate in the assessment to provide information on the needs, strengths, and
20.12 preferences of the person necessary to develop a community support plan that ensures the
20.13 person's health and safety. Except for legal representatives or family members invited by
20.14 the person, persons participating in the assessment may not be a provider of service or have
20.15 any financial interest in the provision of services. For persons who are to be assessed for
20.16 elderly waiver customized living services under section 256B.0915, with the permission of
20.17 the person being assessed or the person's designated or legal representative, the client's
20.18 current or proposed provider of services may submit a copy of the provider's nursing
20.19 assessment or written report outlining its recommendations regarding the client's care needs.
20.20 The person conducting the assessment must notify the provider of the date by which this
20.21 information is to be submitted. This information shall be provided to the person conducting
20.22 the assessment prior to the assessment. For a person who is to be assessed for waiver services
20.23 under section 256B.092 or 256B.49, with the permission of the person being assessed or
20.24 the person's designated legal representative, the person's current provider of services may
20.25 submit a written report outlining recommendations regarding the person's care needs prepared
20.26 by a direct service employee with at least 20 hours of service to that client. The person
20.27 conducting the assessment or reassessment must notify the provider of the date by which
20.28 this information is to be submitted. This information shall be provided to the person
20.29 conducting the assessment and the person or the person's legal representative, and must be
20.30 considered prior to the finalization of the assessment or reassessment.

20.31 (e) The person or the person's legal representative must be provided with a written
20.32 community support plan within 40 calendar days of the assessment visit, regardless of
20.33 whether the individual is eligible for Minnesota health care programs. The written community
20.34 support plan must include:

20.35 (1) a summary of assessed needs as defined in paragraphs (c) and (d);

21.1 (2) the individual's options and choices to meet identified needs, including all available
21.2 options for case management services and providers, including service provided in a
21.3 non-disability-specific setting;

21.4 (3) identification of health and safety risks and how those risks will be addressed,
21.5 including personal risk management strategies;

21.6 (4) referral information; and

21.7 (5) informal caregiver supports, if applicable.

21.8 For a person determined eligible for state plan home care under subdivision 1a, paragraph
21.9 (b), clause (1), the person or person's representative must also receive a copy of the home
21.10 care service plan developed by the certified assessor.

21.11 (f) A person may request assistance in identifying community supports without
21.12 participating in a complete assessment. Upon a request for assistance identifying community
21.13 support, the person must be transferred or referred to long-term care options counseling
21.14 services available under sections 256.975, subdivision 7, and 256.01, subdivision 24, for
21.15 telephone assistance and follow up.

21.16 (g) The person has the right to make the final decision between institutional placement
21.17 and community placement after the recommendations have been provided, except as provided
21.18 in section 256.975, subdivision 7a, paragraph (d).

21.19 (h) The lead agency must give the person receiving assessment or support planning, or
21.20 the person's legal representative, materials, and forms supplied by the commissioner
21.21 containing the following information:

21.22 (1) written recommendations for community-based services and consumer-directed
21.23 options;

21.24 (2) documentation that the most cost-effective alternatives available were offered to the
21.25 individual. For purposes of this clause, "cost-effective" means community services and
21.26 living arrangements that cost the same as or less than institutional care. For an individual
21.27 found to meet eligibility criteria for home and community-based service programs under
21.28 section 256B.0915 or 256B.49, "cost-effectiveness" has the meaning found in the federally
21.29 approved waiver plan for each program;

21.30 (3) the need for and purpose of preadmission screening conducted by long-term care
21.31 options counselors according to section 256.975, subdivisions 7a to 7c, if the person selects
21.32 nursing facility placement. If the individual selects nursing facility placement, the lead
21.33 agency shall forward information needed to complete the level of care determinations and

22.1 screening for developmental disability and mental illness collected during the assessment
22.2 to the long-term care options counselor using forms provided by the commissioner;

22.3 (4) the role of long-term care consultation assessment and support planning in eligibility
22.4 determination for waiver and alternative care programs, and state plan home care, case
22.5 management, and other services as defined in subdivision 1a, paragraphs (a), clause (6),
22.6 and (b);

22.7 (5) information about Minnesota health care programs;

22.8 (6) the person's freedom to accept or reject the recommendations of the team;

22.9 (7) the person's right to confidentiality under the Minnesota Government Data Practices
22.10 Act, chapter 13;

22.11 (8) the certified assessor's decision regarding the person's need for institutional level of
22.12 care as determined under criteria established in subdivision 4e and the certified assessor's
22.13 decision regarding eligibility for all services and programs as defined in subdivision 1a,
22.14 paragraphs (a), clause (6), and (b); and

22.15 (9) the person's right to appeal the certified assessor's decision regarding eligibility for
22.16 all services and programs as defined in subdivision 1a, paragraphs (a), clauses (6), (7), and
22.17 (8), and (b), and incorporating the decision regarding the need for institutional level of care

33.12 defined in subdivisions 6 to 9 with estimated spending for the same recipients and services
33.13 under the rates in effect on July 1, 2013. This comparison must distinguish spending under
33.14 each of subdivisions 6, 7, 8, and 9. The comparison must be based on actual recipients and
33.15 services for one or more service months after the new rates have gone into effect. The
33.16 commissioner shall consult with the commissioner of management and budget on this
33.17 analysis to ensure budget neutrality. If estimated spending under the new rates for services
33.18 under one or more subdivisions differs in this comparison by 0.3 percent or more, the
33.19 commissioner shall assure aggregate budget neutrality across all service areas by adjusting
33.20 the budget neutrality factor in paragraph (a) in each subdivision so that total estimated
33.21 spending for each subdivision under the new rates matches estimated spending under the
33.22 rates in effect on July 1, 2013.

33.23 (c) A service rate developed using values in subdivision 5, paragraph (a), clause (11),
33.24 is not subject to budget neutrality adjustments.

33.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.
