28.1	(b) A director may participate in an in-person board meeting by any means of
28.2	communication through which the director, other directors so participating, and all directors
28.3	physically present at the meeting may simultaneously hear each other during the meeting.
28.4	Participation in a meeting by that means constitutes presence in person at the meeting.
28.5	Subd. 4. Calling meetings and notice. Unless the articles or bylaws provide for a
28.6	different time period, a director may call a board meeting by giving at least ten days' notice
28.7	or, in the case of organizational meetings, at least three days' notice to all directors of the
28.8	date, time, and place of the meeting. The notice need not state the purpose of the meeting
28.9	unless this chapter, the articles, or the bylaws require it.
28.10	Subd. 5. Previously scheduled meetings. If the day or date, time, and place of a board
28.11	meeting have been provided in the articles or bylaws, or announced at a previous meeting
28.12	of the board, no notice is required. Notice of an adjourned meeting need not be given other
28.13	than by announcement at the meeting at which adjournment is taken.
28.14	Subd. 6. Waiver of notice. A director may waive notice of a meeting of the board. A
28.15	waiver of notice by a director entitled to notice is effective whether given before, at, or after
28.16	the meeting, and whether given in writing, orally, or by attendance. Attendance by a director
28.17	at a meeting is a waiver of notice of that meeting, except where the director objects at the
28.18	beginning of the meeting to the transaction of business because the meeting is not lawfully
28.19	called or convened and the director does not participate in the meeting after the objection.
28.20	Subd. 7. Absent directors. If the articles or bylaws so provide, a director may give
28.21	advance written consent or opposition to a proposal to be acted on at a board meeting. If
28.22	the director is not present at the meeting, consent, or opposition to a proposal does not
28.23	constitute presence for purposes of determining the existence of a quorum, but consent or
28.24	opposition must be counted as the vote of a director present at the meeting in favor of or
28.25	against the proposal and must be entered in the minutes or other record of action at the
28.26	meeting, if the proposal acted on at the meeting is substantially the same or has substantially
28.27	the same effect as the proposal to which the director has consented or objected.

Sec. 29. [308C.431] QUORUM.

28.29 A majority, or a larger portion or number provided in the articles or bylaws, of the

28.30 directors currently holding office is a quorum for the transaction of business. In the absence

28.31 of a quorum, a majority of the directors present may adjourn a meeting from time to time

28.32 until a quorum is present. If a quorum is present when a duly called or held meeting is

28.33 <u>convened</u>, the directors present may continue to transact business until adjournment, even

31.3	Subd. 3. Presumption of assent and dissent. A director who is present at a meeting of
31.4	the board when an action is approved by the affirmative vote of a majority of the directors
31.5	present is presumed to have assented to the action approved, unless the director:
31.6	(1) objects at the beginning of the meeting to the transaction of business because the
31.7	meeting is not lawfully called or convened and does not participate in the meeting after the
31.8	objection, in which case the director is not considered to be present at the meeting for any
31.9	purpose of this chapter;
31.10	(2) votes against the action at the meeting; or

The cooperative may require successor 51.20 beneficiaries who did not occupy the dwelling unit with the deceased cooperative member 51.21 or members to offer the membership interest back to the cooperative for sale pursuant to 51.22 any cooperative right of first refusal, cooperative purchase option, or other membership 51.23 sale requirements or restrictions established by the cooperative in its bylaws or through the 51.24 51.25 cooperative's policies, rules, or regulations; 51.26 (4) an adult natural person remainderman, subject to a life estate retained by a natural

A restriction is not binding with respect to financial rights reflected in 54.6 the required records before the adoption of the restriction, unless the owners of those financial 54.7 rights are parties to the agreement or voted in favor of the restriction.

- 54.8 (b) Subject to paragraph (c), a written restriction on the assignment of financial rights 54.9 that is not manifestly unreasonable under the circumstances and is noted conspicuously in 54.10 the required records may be enforced against the owner of the restricted financial rights or 54.11 a successor or transferee of the owner, including a pledgee or a legal representative. Unless 54.12 noted conspicuously in the required records, a restriction, even though permitted by this 54.13 section, is ineffective against a person without knowledge of the restriction.
- 54.14 (c) With regard to restrictions on the assignment of financial rights, a would-be assignee
- 54.15 of financial rights is entitled to rely on a statement of membership interest issued by the
- 54.16 cooperative. A restriction on the assignment of financial rights, which is otherwise valid
- 54.17 and in effect at the time of the issuance of a statement of membership interest but which is
- 54.18 not reflected in that statement, is ineffective against an assignee who takes an assignment
- 54.19 <u>in reliance on the statement.</u>
- 54.20 (d) Notwithstanding any provision of law, articles, bylaws, operating agreement, other
 54.21 agreement, resolution, or action to the contrary, a security interest in a member's financial
 54.22 rights may be foreclosed and otherwise enforced, and a secured party may assign a member's
 54.23 financial rights in accordance with chapter 336, without the consent or approval of the
 54.24 member whose financial rights are subject to the security interest.

54.25 Sec. 54. [308C.611] NATURE OF A MEMBERSHIP INTEREST AND STATEMENT 54.26 OF INTEREST OWNED.

- 54.27 Subdivision 1. Generally. A membership interest is personal property. A member has
 54.28 no interest in specific cooperative property except the right to occupy a dwelling unit pursuant
 54.29 to an occupancy agreement, the proprietary lease, and use of the common elements. All
 54.30 property of the cooperative is property of the cooperative itself.
- 54.31 Subd. 2. Lien on membership interest. The cooperative may take a lien on the
- 54.32 membership interest and any dwelling unit represented by the membership certificate for
- 54.33 all sums due and to become due under the articles, bylaws, occupancy agreement, and
- 54.34 propriety lease whether by means of assessments or otherwise. The board may refuse consent

55.1 to the transfer of the membership interest represented by the membership certificate until

all outstanding sums due under the occupancy agreement are paid or for other reasonable

55.3 <u>cause described in the bylaws.</u>

- 55.4 Subd. 3. Terms of membership interests. All the membership interests of a cooperative
 55.5 must:
- 55.6 (1) be of one class, without series, unless the articles or bylaws establish or authorize

55.7 <u>the board to establish more than one class or series within classes;</u>

- 55.8 (2) be occupant membership interests and if authorized nonoccupant membership interest
- 55.9 subject to this chapter entitled to vote as provided in section 308C.555, and have equal

55.10 rights and preferences in all matters not otherwise provided for by the board and to the

- 55.11 extent that the articles or bylaws have fixed the relative rights and preferences of different
- 55.12 classes and series; and
- (3) if applicable due to the nature of the cooperative, share profits and losses and are
 entitled to distributions as provided in sections 308C.721 and 308C.725.
- Subd. 4. Rights of judgment creditor. On application to a court of competent jurisdiction 55.15 by any judgment creditor of a member, the court may charge a member with payment of 55.16 the unsatisfied amount of the judgment with interest. To the extent so charged, the judgment 55.17 creditor has only the rights of an assignee of a member's financial rights, if any. This chapter 55.18 does not deprive any member or a judgment creditor who is an assignee of financial rights 55.19 of the benefit of any exemption laws applicable to the membership interest. This section is 55.20 the sole and exclusive remedy of a judgment creditor with respect to the judgment debtor's 55.21 membership interest. 55.22
- 55.23Subd. 5. Procedure for fixing terms. (a) Subject to any restrictions in the articles or55.24bylaws, the power granted in this subdivision may be exercised by a resolution or resolutions55.25establishing a class or series, setting forth the designation of the class or series, and fixing55.26the relative rights and preferences of the class or series. Any of the rights and preferences55.27of a class or series established in the articles, bylaws, or by resolution of the board:
- (1) may be made dependent upon facts ascertainable outside the articles or bylaws or
 outside the resolution or resolutions establishing the class or series, if the manner in which
 the facts operate upon the rights and preferences of the class or series is clearly and expressly
 set forth in the articles or bylaws or in the resolution or resolutions establishing the class or
 series; and

56.1	(2) may include by reference some or all of the terms of any agreements, contracts, or
56.2	other arrangements entered into by the cooperative in connection with the establishment of
56.3	the class or series if the cooperative retains at its principal executive office a copy of the
56.4	agreements, contracts, or other arrangements or the portions will be included by reference.
56.5	(b) A statement setting forth the name of the cooperative and the text of the resolution
56.6	and certifying the adoption of the resolution and the date of adoption must be given to the
56.7	members before the acceptance of any contributions for which the resolution creates rights
56.8	or preferences not set forth in the articles or bylaws. Where the members have received
56.9	notice of the creation of membership interests with rights or preferences not set forth in the
56.10	articles or bylaws before the acceptance of the contributions with respect to the membership
56.11	interests, the statement may be filed any time within one year after the acceptance of the
56.12	contributions. The resolution is effective three days after delivery to the members is deemed
56.13	effective by the board, or, if the statement is not required to be given to the members before
56.14	the acceptance of contributions, on the date of its adoption by the directors.
56.15	Subd. 6. Specific terms. Without limiting the authority granted in this section, a
56.16	cooperative may have membership interests of a class or series:
56.17	(1) subject to the right of the cooperative to redeem any of those membership interests
56.18	at the price fixed for their redemption by the articles or bylaws or by the board;
56.19	(2) entitling the members to cumulative, partially cumulative, or noncumulative
56.20	distributions;
56.21	(3) having preference over any class or series of membership interests for the payment
56.22	of distributions of any or all kinds;
56.23	(4) convertible into membership interests of any other class or any series of the same or
56.24	another class; or
56.25	(5) having full, partial, or no voting rights, except as provided in section 308B.555.
56.26	Subd. 7. Grant of a security interest. For the purpose of any law relating to security
56.27	interests, membership interests, governance or voting rights, and financial rights are each
56.28	to be characterized as provided in section 336.8-103, paragraph (c).
56.29	Subd. 8. Powers of estate of a deceased or incompetent member. (a) If a member
56.30	who is an individual dies or a court of competent jurisdiction adjudges the member to be
56.31	incompetent to manage the member's person or property, or an order for relief under the
56.32	bankruptcy code is entered with respect to the member, the member's executor, administrator,

Article 1 Sec. 56.

66.1	Sec. 57. [308C.614] LIEN FOR ASSESSMENTS.
66.2	(a) A senior housing cooperative formed under this chapter has a lien on a membership
66.3	interest, the appurtenant occupancy agreement, and the member's associated occupancy
66.4	rights for any assessment levied against that membership interest from the time the
66.5	assessment becomes due. If an assessment is payable in installments, the full amount of the
66.6	assessment is a lien from the time the first installment thereof becomes due. Unless the
66.7	bylaws provide otherwise, any fees, charges, or payments that members must regularly pay
66.8	to the cooperative are enforceable as assessments under this section. Other cooperatives
66.9	formed under this chapter may authorize a lien on a membership interest, occupancy
66.10	agreement, or a proprietary lease in the bylaws.
66.11	(b) A lien under this section is prior to all other liens and encumbrances on a membership
66.12	certificate except (i) liens, encumbrances, or mortgages which the cooperative creates,
66.13	assumes, or takes subject to, or (ii) any first security interest encumbering only the
66.14	membership interest. If a first security interest encumbering a membership interest which
66.15	is personal property is foreclosed, the secured party or the purchaser at the sale shall take
66.16	title to the membership interest subject to unpaid assessments. This paragraph shall not
66.17	affect the priority of mechanics' liens encumbering the project.
66.18	(c) Proceedings to enforce an assessment lien shall be instituted within three years after
66.19	the last installment of the assessment becomes payable, or shall be barred.
66.20	(d) The member and owner of the membership interest, at the time an assessment is due,
66.21	shall be personally liable to the cooperative for payment of the assessment levied against
66.22	the membership interest. If there are multiple owners of the membership interest, they shall
66.23	be jointly and severally liable.
66.24	(e) This section does not prohibit actions to recover sums for which paragraph (a) creates
66.25	a lien nor prohibit a cooperative from taking an assignment of the membership certificate
66.26	and occupancy agreement or other conveyance documents agreed upon by the parties in
66.27	lieu of foreclosure.
66.28	(f) The cooperative shall furnish to a member or the member's authorized agent upon

- written request of the member or the authorized agent a statement setting forth the amount
 of unpaid assessments currently levied against the member's interest. The statement shall
 be furnished within ten business days after receipt of the request and is binding on the
- 66.32 cooperative and every member.

Subd. 5. New contributions may be aggregated. If a cooperative accepts more than
one contribution pertaining to the same series or class at the same time, then for the purpose
of the restatement required by this section, the cooperative may consider all the new

Sec. 65. [308C.711] CONTRIBUTION AGREEMENTS.
Subdivision 1. Signed writing. A contribution agreement, whether made before or after
the formation of the cooperative, is not enforceable against the would-be contributor unless
it is in writing and signed by the would-be contributor.
Subd. 2. Irrevocable period. Unless otherwise provided in the contribution agreement,
or unless all of the would-be contributors and, if in existence, the cooperative, consent to a
shorter or longer period, a contribution agreement is irrevocable for a period of six months.
Subd. 3. Current and deferred payment. A contribution agreement, whether made
before or after the formation of a cooperative, must be paid or performed in full at the time
or times, or in the installments, if any, specified in the contribution agreement. In the absence
of a provision in the contribution agreement specifying the time at which the contribution
is to be paid or performed, the contribution must be paid or performed at the time or times
determined by the board, but a call made by the board for payment or performance on
contributions must be uniform for all membership interests of the same class or for all
membership interests of the same series.
Subd. 4. Failure to pay remedies. (a) Unless otherwise provided in the contribution
agreement, in the event of default in the payment or performance of an installment or call
when due, the cooperative may proceed to collect the amount due in the same manner as a
debt due the cooperative. If a would-be contributor does not make a required contribution
of property or services, the cooperative shall require the would-be contributor to contribute
cash equal to that portion of the value, as stated in the cooperative required records, of the

74.33 <u>contribution that has not been made.</u>

93.7 A "limited equity cooperative apartment" is a dwelling unit owned by a limited equity93.8 cooperative.

93.9 "Occupancy entitling cooperative share or membership" is the ownership interest in a

If a 93.15 cooperative fails to operate in accordance with the provisions of clauses (a) to (d), the 93.16 property shall be subject to additional property taxes in the amount of the difference between 93.17 the taxes determined in accordance with this subdivision for the last ten years that the 93.18 property had been assessed pursuant to this subdivision and the amount that would have 93.19 been paid if the provisions of this subdivision had not applied to it. The additional taxes, 93.20 plus interest at the rate specified in section 549.09, shall be extended against the property 93.21 on the tax list for the current year. 93.22

93.23 Sec. 3. Minnesota Statutes 2022, section 273.124, subdivision 3, is amended to read:

Subd. 3. Cooperatives and charitable corporations; homestead and other 93.24 property. (a) When property is owned by a corporation or association organized under 93.25 chapter 308A or, 308B, or 308C, and each person who owns a share or shares in the 93.26 corporation or association is entitled to occupy a building on the property, or a unit within 93.27 a building on the property, the corporation or association may claim homestead treatment 93.28 for each dwelling, or for each unit in the case of a building containing several dwelling 93.29 93.30 units, or for the part of the value of the building occupied by a shareholder. Each building or unit must be designated by legal description or number. The net tax capacity of each 93.31 building or unit that qualifies for assessment as a homestead under this subdivision must 93.32 include not more than one-half acre of land, if platted, nor more than 80 acres if unplatted. 93.33 The net tax capacity of the property is the sum of the net tax capacities of each of the 93.34

respective buildings or units comprising the property, including the net tax capacity of each 94.1 unit's or building's proportionate share of the land and any common buildings. To qualify 94.2 for the treatment provided by this subdivision, the corporation or association must be wholly 94.3 owned by persons having a right to occupy a building or unit owned by the corporation or 94.4 association. A charitable corporation organized under the laws of Minnesota and not 94.5 otherwise exempt thereunder with no outstanding stock qualifies for homestead treatment 94.6 with respect to member residents of the dwelling units who have purchased and hold 94.7 94.8 residential participation warrants entitling them to occupy the units.

Failure to 94.22 notify the assessor within 30 days shall result in the loss of benefits under paragraph (a) or 94.23 (b) for taxes payable in the year that the failure is discovered. For these purposes, "benefits 94.24 under paragraph (a) or (b)" means the difference in the net tax capacity of the building or 94.25 units which no longer qualify as computed under paragraph (a) or (b) and as computed 94.26 under the otherwise applicable law, times the local tax rate applicable to the building for 94.27 that taxes payable year. Upon discovery of a failure to notify, the assessor shall inform the 94.28 94.29 auditor of the difference in net tax capacity for the building or buildings in which units no longer qualify, and the auditor shall calculate the benefits under paragraph (a) or (b). Such 94.30 amount, plus a penalty equal to 100 percent of that amount, shall then be demanded of the 94.31 building's owner. The property owner may appeal the county's determination by serving 94.32 copies of a petition for review with county officials as provided in section 278.01 and filing 94.33 a proof of service as provided in section 278.01 with the Minnesota Tax Court within 60 94.34 days of the date of the notice from the county.
