13.11 Sec. 12. Minnesota Statutes 2022, section 67A.14, subdivision 1, is amended to read:

Subdivision 1. Kinds of property; property outside authorized territory. (a) Township
mutual fire insurance companies may insure qualified property. Qualified property means
dwellings, household goods, appurtenant structures, farm buildings, farm personal property,
churches, church personal property, county fair buildings, community and township meeting
halls and their usual contents.

(b) Township mutual fire insurance companies may extend coverage to include an
insured's secondary property if the township mutual fire insurance company covers qualified
property belonging to the insured. Secondary property means any real or personal property
that is not considered qualified property for a township mutual fire insurance company to
cover under this chapter. The maximum amount of coverage that a township mutual fire
insurance company may write for secondary property is 25 percent of the total limit of
liability of the policy issued to an insured covering the qualified property.

(c) A township mutual fire insurance company may insure any real or personal property, 13.24 including qualified or secondary property, subject to the limitations in subdivision 1, 13.25 paragraph (b), located outside the limits of the territory in which the company is authorized 13.26 by its certificate or articles of incorporation to transact business, if the company is already 13.27 covering qualified property belonging to the insured, inside the limits of the company's 13.28 13.29 territory. For purposes of this paragraph, qualified property inside the limits of the company's territory includes qualified property outside the territory of the surviving company to a 13.30 merger for the duration of the policy insuring the qualified property if the qualified property 13.31 was qualified property inside the territory of a constituent company to the merger. 13.32

14.1	(d) A township mutual fire insurance company may insure property temporarily outside

14.3	Sec. 13. Minnesota Statutes 2022, section 72A.20, subdivision 13, is amended to read:
14.4	Subd. 13. Refusal to renew. (a) Refusing to renew, declining to offer or write, or charging
14.5	differential rates for an equivalent amount of homeowner's insurance coverage, as defined
14.6	by section 65A.27, for property located in a town or statutory or home rule charter city, in
14.7	which the insurer offers to sell or writes homeowner's insurance, solely because:
14.8	(a) (1) of the geographic area in which the property is located;
14.9	(b) (2) of the age of the primary structure sought to be insured;
14.10	(e) (3) the insured or prospective insured was denied coverage of the property by another
14.11	insurer, whether by cancellation, nonrenewal or declination to offer coverage, for a reason
14.12	other than those specified in section 65A.01, subdivision 3a, clauses (a) to (e);
14.13	(d) (4) the property of the insured or prospective insured has been insured under the
14.14	Minnesota FAIR Plan Act, shall constitute an unfair method of competition and an unfair
14.15	and deceptive act or practice; or
14.16	(e) (5) the insured has inquired about coverage for a hypothetical claim or has made an
14.17	inquiry to the insured's agent regarding a potential claim.
14.18	This subdivision prohibits an insurer from filing or charging different rates for different
14.19	zip code areas within the same town or statutory or home rule charter city.
14.20	(b) An insurer must not establish more than one geographical rating territory within the
14.21	same city of the first class or city of the second class that has 60,000 or more inhabitants.
14.22	For purposes of compliance with this paragraph: (1) the population of the cities subject to
14.23	this paragraph is determined by the preceding United States decennial census, as reported
14.24	by the Minnesota State Demographic Center; and (2) the territorial boundaries of the cities
14.25	subject to this paragraph are the boundaries as the boundaries exist on December 31 in years
14.26	ending in 0 or 5, whichever is more recent. Any revisions to the rating manual resulting
14.27	from a change in the territorial boundaries or population must be filed with the commissioner
14.28	within 120 days of the date the data are reported.
14.29	(c) This subdivision shall not prohibit the insurer from applying underwriting or rating
14.30	standards which the insurer applies generally in all other locations in the state and which

are not specifically prohibited by clauses (a) to (e). Such underwriting or rating standards
shall specifically include but not be limited to standards based upon the proximity of the

insured property to an extraordinary hazard or based upon the quality or availability of fire
protection services or based upon the density or concentration of the insurer's risks. Clause
(b) shall not prohibit the use of rating standards based upon the age of the insured structure's

subdivisions 2 to 4, either (1) by failing to give an insured or applicant the required notice
or statement or (2) by failing to state specifically a bona fide underwriting or other reason

15.8 for the refusal to write shall create a presumption that the insurer has violated this subdivision.

15.9 Sec. 14. Minnesota Statutes 2022, section 325E.66, subdivision 1, is amended to read:

15.10 Subdivision 1. Payment or rebate of insurance deductible Residential contractor;

15.11 **prohibited insurance practices.** (a) A residential contractor providing home repair or

under this clause includes but is not limited to offering compensation in exchange for:

15.18 (i) allowing the residential contractor to conduct an inspection of the covered property;

15.19 (ii) making an insurance claim for damage to the covered property; or

15.20 (iii) referring the residential contractor's services to others when insurance proceeds are

15.26 the insured's policy, or adjust a property insurance claim on behalf of the insured, unless

15.27 the contractor has a license as a public adjuster under chapter 72B.

(b) If a residential contractor violates this section, the insurer to whom the insured
tendered the claim shall not be obligated to consider the estimate prepared by the residential
contractor. The residential contractor must provide a written notification of the requirements
of this section with its initial estimate. The adjuster or insurer must provide a written

(8) violate any provision of any other applicable state or federal law regulating residential

(9) make or cause to be made, directly or indirectly, any false, deceptive, or misleading
statement or representation in connection with a residential loan transaction including,
without limitation, a false, deceptive, or misleading statement or representation regarding
the borrower's ability to qualify for any mortgage product;

50.24 (11) compensate, whether directly or indirectly, coerce or intimidate an appraiser for 50.25 the purpose of influencing the independent judgment of the appraiser with respect to the 50.26 value of real estate that is to be covered by a residential mortgage or is being offered as 50.27 security according to an application for a residential mortgage loan;

(12) issue any document indicating conditional qualification or conditional approval for
a residential mortgage loan, unless the document also clearly indicates that final qualification
or approval is not guaranteed, and may be subject to additional review;

(13) make or assist in making any residential mortgage loan with the intent that the loan
will not be repaid and that the residential mortgage originator will obtain title to the property
through foreclosure;

(14) provide or offer to provide for a borrower, any brokering or lending services under
an arrangement with a person other than a licensee or exempt person, provided that a person
may rely upon a written representation by the residential mortgage originator that it is in
compliance with the licensing requirements of this chapter;

(15) claim to represent a licensee or exempt person, unless the person is an employee
of the licensee or exempt person or unless the person has entered into a written agency
agreement with the licensee or exempt person;

(16) fail to comply with the record keeping and notification requirements identified in
section 58.14 or fail to abide by the affirmations made on the application for licensure;

(17) represent that the licensee or exempt person is acting as the borrower's agent after
providing the nonagency disclosure required by section 58.15, unless the disclosure is
retracted and the licensee or exempt person complies with all of the requirements of section
58.16;

(18) make, provide, or arrange for a residential mortgage loan that is of a lower investment grade if the borrower's credit score or, if the originator does not utilize credit scoring or if a credit score is unavailable, then comparable underwriting data, indicates that the borrower may qualify for a residential mortgage loan, available from or through the originator, that is of a higher investment grade, unless the borrower is informed that the borrower may qualify for a higher investment grade loan with a lower interest rate and/or lower discount points, and consents in writing to receipt of the lower investment grade loan;

51.24 For purposes of this section, "investment grade" refers to a system of categorizing 51.25 residential mortgage loans in which the loans are distinguished by interest rate or discount 51.26 points or both charged to the borrower, which vary according to the degree of perceived 51.27 risk of default based on factors such as the borrower's credit, including credit score and 51.28 credit patterns, income and employment history, debt ratio, loan-to-value ratio, and prior 51.29 bankruptcy or foreclosure;

(19) make, publish, disseminate, circulate, place before the public, or cause to be made,
directly or indirectly, any advertisement or marketing materials of any type, or any statement
or representation relating to the business of residential mortgage loans that is false, deceptive,
or misleading;

(20) advertise loan types or terms that are not available from or through the licensee or exempt person on the date advertised, or on the date specified in the advertisement. For purposes of this clause, advertisement includes, but is not limited to, a list of sample mortgage terms, including interest rates, discount points, and closing costs provided by licensees or exempt persons to a print or electronic medium that presents the information to the public;

(21) use or employ phrases, pictures, return addresses, geographic designations, or other
means that create the impression, directly or indirectly, that a licensee or other person is a
governmental agency, or is associated with, sponsored by, or in any manner connected to,
related to, or endorsed by a governmental agency, if that is not the case;

52.10 (22) violate section 82.77, relating to table funding;

(23) make, provide, or arrange for a residential mortgage loan all or a portion of the 52.11 proceeds of which are used to fully or partially pay off a "special mortgage" unless the 52.12 borrower has obtained a written certification from an authorized independent loan counselor 52.13 that the borrower has received counseling on the advisability of the loan transaction. For 52.14 purposes of this section, "special mortgage" means a residential mortgage loan originated, 52.15 subsidized, or guaranteed by or through a state, tribal, or local government, or nonprofit 52.16 organization, that bears one or more of the following nonstandard payment terms which 52.17 substantially benefit the borrower: (i) payments vary with income; (ii) payments of principal 52.18 or interest are not required or can be deferred under specified conditions; (iii) principal or 52.19 interest is forgivable under specified conditions; or (iv) where no interest or an annual 52.20 interest rate of two percent or less is charged in connection with the loan. For purposes of 52.21 this section, "authorized independent loan counselor" means a nonprofit, third-party 52.22 individual or organization providing home buyer education programs, foreclosure prevention 52.23 services, mortgage loan counseling, or credit counseling certified by the United States 52.24 Department of Housing and Urban Development, the Minnesota Home Ownership Center, 52.25 the Minnesota Mortgage Foreclosure Prevention Association, AARP, or NeighborWorks 52.26 52.27 America;

(24) make, provide, or arrange for a residential mortgage loan without verifying the 52.28 borrower's reasonable ability to pay the scheduled payments of the following, as applicable: 52.29 principal; interest; real estate taxes; homeowner's insurance, assessments, and mortgage 52.30 insurance premiums. For loans in which the interest rate may vary, the reasonable ability 52.31 to pay shall be determined based on a fully indexed rate and a repayment schedule which 52.32 achieves full amortization over the life of the loan. For all residential mortgage loans, the 52.33 borrower's income and financial resources must be verified by tax returns, payroll receipts, 52.34 bank records, or other similarly reliable documents. 52.35

Nothing in this section shall be construed to limit a mortgage originator's or exempt 53.1 person's ability to rely on criteria other than the borrower's income and financial resources 53.2 to establish the borrower's reasonable ability to repay the residential mortgage loan, including 53.3 criteria established by the United States Department of Veterans Affairs or the United States 53.4 Department of Housing and Urban Development for interest rate reduction refinancing loans 53.5 or streamline loans, or criteria authorized or promulgated by the Federal National Mortgage 53.6 Association or Federal Home Loan Mortgage Corporation; however, such other criteria 53.7 53.8 must be verified through reasonably reliable methods and documentation. The mortgage originator's analysis of the borrower's reasonable ability to repay may include, but is not 53.9 limited to, consideration of the following items, if verified: (1) the borrower's current and 53.10 expected income; (2) current and expected cash flow; (3) net worth and other financial 53.11 resources other than the consumer's equity in the dwelling that secures the loan; (4) current 53.12 financial obligations; (5) property taxes and insurance; (6) assessments on the property; (7) 53.13 employment status; (8) credit history; (9) debt-to-income ratio; (10) credit scores; (11) tax 53.14 returns; (12) pension statements; and (13) employment payment records, provided that no 53.15 mortgage originator shall disregard facts and circumstances that indicate that the financial 53.16 or other information submitted by the consumer is inaccurate or incomplete. A statement 53.17 by the borrower to the residential mortgage originator or exempt person of the borrower's 53.18 income and resources or sole reliance on any single item listed above is not sufficient to 53.19 establish the existence of the income or resources when verifying the reasonable ability to 53.20 53.21 pay;

(25) engage in "churning." As used in this section, "churning" means knowingly or 53.22 intentionally making, providing, or arranging for a residential mortgage loan when the new 53.23 residential mortgage loan does not provide a reasonable, tangible net benefit to the borrower 53.24 considering all of the circumstances, including the terms of both the new and refinanced 53.25 loans, the cost of the new loan, and the borrower's circumstances;. In order to demonstrate 53.26 a reasonable, tangible net benefit to the borrower, the circumstances at the time of the 53.27 application must be documented in writing and must be signed by the borrower prior to the 53.28 closing date; 53.29

(26) the first time a residential mortgage originator orally informs a borrower of the anticipated or actual periodic payment amount for a first-lien residential mortgage loan which does not include an amount for payment of property taxes and hazard insurance, the residential mortgage originator must inform the borrower that an additional amount will be due for taxes and insurance and, if known, disclose to the borrower the amount of the anticipated or actual periodic payments for property taxes and hazard insurance. This same

54.1 oral disclosure must be made each time the residential mortgage originator orally informs 54.2 the borrower of a different anticipated or actual periodic payment amount change from the 54.3 amount previously disclosed. A residential mortgage originator need not make this disclosure 54.4 concerning a refinancing loan if the residential mortgage originator knows that the borrower's 54.5 existing loan that is anticipated to be refinanced does not have an escrow account; or

(27) make, provide, or arrange for a residential mortgage loan, other than a reverse
mortgage pursuant to United States Code, title 15, chapter 41, if the borrower's compliance
with any repayment option offered pursuant to the terms of the loan will result in negative
amortization during any six-month period.

(b) Paragraph (a), clauses (24) through (27), do not apply to a state or federally chartered
bank, savings bank, or credit union, an institution chartered by Congress under the Farm
Credit Act, or to a person making, providing, or arranging a residential mortgage loan
originated or purchased by a state agency or a tribal or local unit of government. This
paragraph supersedes any inconsistent provision of this chapter.

The commissioner can proceed 100.7 100.8 under this section only if the tax is uncontested or if the time for appeal of the tax has expired. The commissioner shall not proceed under this section until the expiration of 30 100.9 days after mailing to the taxpayer, at the taxpayer's last known address, a written notice of 100.10 (1) the amount of taxes, interest, and penalties due from the taxpayer and demand for their 100.11 payment, and (2) the commissioner's intention to require additional withholding by the 100.12 taxpayer's employer pursuant to this section. The effect of the notice shall expire one year 100.13 after it has been mailed to the taxpayer provided that the notice may be renewed by mailing 100.14 a new notice which is in accordance with this section. The renewed notice shall have the 100.15 effect of reinstating the priority of the original claim. If no statement of exemption is received by 100.19 the commissioner within 30 days from the mailing of the notice, the commissioner may 100.20 proceed under this section. The notice to the taxpayer's employer may be served by mail or 100.21 by delivery by an agent of the department and shall be in substantially the same form as 100.22 provided in Minnesota Statutes 2022, section 571.75. Upon receipt of notice, the employer 100.23 shall withhold from compensation due or to become due to the employee, the total amount 100.24 shown by the notice, subject to the provisions of Minnesota Statutes 2022, section 571.922. 100.25 The employer shall continue to withhold each pay period until the notice is released by the 100.26 commissioner under section 270C.7109. Upon receipt of notice by the employer, the claim 100.27 of the state of Minnesota shall have priority over any subsequent garnishments or wage 100.28 assignments. The commissioner may arrange between the employer and the employee for 100.29 withholding a portion of the total amount due the employee each pay period, until the total 100.30 amount shown by the notice plus accrued interest has been withheld. 100.31

(b) The "compensation due" any employee is defined in accordance with the provisions
of <u>Minnesota Statutes 2022</u>, section 571.921. The maximum withholding allowed under
this section for any one pay period shall be decreased by any amounts payable pursuant to
