DATE	D-PG	OFFICIAL STATUS
02/28/2011	303	Introduction and first reading Referred to Environment and Natural Resources

A bill for an act  
relating to environment; requiring modification to subsurface sewage treatment  
rules.  
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **SUBSURFACE SEWAGE TREATMENT SYSTEM RULES.**

(a) By July 1, 2011, the Pollution Control Agency shall publish rules in the State Register with the contents of the agency's rules adopted under Minnesota Statutes, section 115.55, as they existed on December 31, 2007. The published rules shall replace the rules adopted under Minnesota Statutes, section 115.55, in existence on the effective date of this act. The rules published under this section are adopted upon publication without further administrative action. Rules adopted under Minnesota Statutes, section 115.55, in existence on the effective date of this act are repealed upon publication of rules according to this section without further administrative action. Adoption and repeal according to this section are not subject to Minnesota Statutes, chapter 14, and Minnesota Statutes, section 14.386, does not apply. The agency retains the authority to amend the rules under later administrative action pursuant to Minnesota Statutes, chapter 14.

(b) The Pollution Control Agency shall not adopt rules proposed and published at State Register, volume 34, pages 1789-1820, June 21, 2010, or any modification thereof.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
