9.12 ARTICLE 2

9.13 PERSONAL CARE ASSISTANT RATE REFORM

9.14 Section 1. Minnesota Statutes 2020, section 256B.69, subdivision 5a, is amended to read:

9.15 Subd. 5a. **Managed care contracts.** (a) Managed care contracts under this section and
 9.16 section 256L.12 shall be entered into or renewed on a calendar year basis. The commissioner
 9.17 may issue separate contracts with requirements specific to services to medical assistance
 9.18 recipients age 65 and older.

9.19 (b) A prepaid health plan providing covered health services for eligible persons pursuant
 9.20 to chapters 256B and 256L is responsible for complying with the terms of its contract with
 9.21 the commissioner. Requirements applicable to managed care programs under chapters 256B
 9.22 and 256L established after the effective date of a contract with the commissioner take effect
 9.23 when the contract is next issued or renewed.

9.24 (c) The commissioner shall withhold five percent of managed care plan payments under
 9.25 this section and county-based purchasing plan payments under section 256B.692 for the
 9.26 prepaid medical assistance program pending completion of performance targets. Each
 9.27 performance target must be quantifiable, objective, measurable, and reasonably attainable,
 9.28 except in the case of a performance target based on a federal or state law or rule. Criteria
 9.29 for assessment of each performance target must be outlined in writing prior to the contract
 9.30 effective date. Clinical or utilization performance targets and their related criteria must
 9.31 consider evidence-based research and reasonable interventions when available or applicable
 9.32 to the populations served, and must be developed with input from external clinical experts
 9.33 and stakeholders, including managed care plans, county-based purchasing plans, and

10.1 providers. The managed care or county-based purchasing plan must demonstrate, to the
10.2 commissioner's satisfaction, that the data submitted regarding attainment of the performance
10.3 target is accurate. The commissioner shall periodically change the administrative measures
10.4 used as performance targets in order to improve plan performance across a broader range
10.5 of administrative services. The performance targets must include measurement of plan
10.6 efforts to contain spending on health care services and administrative activities. The
10.7 commissioner may adopt plan-specific performance targets that take into account factors
10.8 affecting only one plan, including characteristics of the plan's enrollee population. The
10.9 withheld funds must be returned no sooner than July of the following year if performance
10.10 targets in the contract are achieved. The commissioner may exclude special demonstration
10.11 projects under subdivision 23.

10.12 (d) The commissioner shall require that managed care plans:

10.13 (1) use the assessment and authorization processes, forms, timelines, standards,
10.14 documentation, and data reporting requirements, protocols, billing processes, and policies
10.15 consistent with medical assistance fee-for-service or the Department of Human Services
10.16 contract requirements for all personal care assistance services under section 256B.0659;
10.17 and

10.18 (2) by January 30 of each year that follows a rate increase for any aspect of services
10.19 under section 256B.0659 or 256B.85, inform the commissioner and the chairs and ranking
10.20 minority members of the legislative committees with jurisdiction over rates determined
10.21 under section 256B.851 of the amount of the rate increase that is paid to each personal care
10.22 assistance provider agency with which the plan has a contract.

10.23 (e) Effective for services rendered on or after January 1, 2012, the commissioner shall
10.24 include as part of the performance targets described in paragraph (c) a reduction in the health
10.25 plan's emergency department utilization rate for medical assistance and MinnesotaCare
10.26 enrollees, as determined by the commissioner. For 2012, the reduction shall be based on
10.27 the health plan's utilization in 2009. To earn the return of the withhold each subsequent
10.28 year, the managed care plan or county-based purchasing plan must achieve a qualifying
10.29 reduction of no less than ten percent of the plan's emergency department utilization rate for
10.30 medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described
10.31 in subdivisions 23 and 28, compared to the previous measurement year until the final
10.32 performance target is reached. When measuring performance, the commissioner must
10.33 consider the difference in health risk in a managed care or county-based purchasing plan's
10.34 membership in the baseline year compared to the measurement year, and work with the

11.1 managed care or county-based purchasing plan to account for differences that they agree
11.2 are significant.

11.3 The withheld funds must be returned no sooner than July 1 and no later than July 31 of
11.4 the following calendar year if the managed care plan or county-based purchasing plan
11.5 demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate
11.6 was achieved. The commissioner shall structure the withhold so that the commissioner
11.7 returns a portion of the withheld funds in amounts commensurate with achieved reductions
11.8 in utilization less than the targeted amount.

11.9 The withhold described in this paragraph shall continue for each consecutive contract
11.10 period until the plan's emergency room utilization rate for state health care program enrollees
11.11 is reduced by 25 percent of the plan's emergency room utilization rate for medical assistance
11.12 and MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate with the
11.13 health plans in meeting this performance target and shall accept payment withholds that
11.14 may be returned to the hospitals if the performance target is achieved.

11.15 (f) Effective for services rendered on or after January 1, 2012, the commissioner shall
11.16 include as part of the performance targets described in paragraph (c) a reduction in the plan's
11.17 hospitalization admission rate for medical assistance and MinnesotaCare enrollees, as
11.18 determined by the commissioner. To earn the return of the withhold each year, the managed
11.19 care plan or county-based purchasing plan must achieve a qualifying reduction of no less
11.20 than five percent of the plan's hospital admission rate for medical assistance and
11.21 MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and
11.22 28, compared to the previous calendar year until the final performance target is reached.
11.23 When measuring performance, the commissioner must consider the difference in health risk
11.24 in a managed care or county-based purchasing plan's membership in the baseline year
11.25 compared to the measurement year, and work with the managed care or county-based
11.26 purchasing plan to account for differences that they agree are significant.

11.27 The withheld funds must be returned no sooner than July 1 and no later than July 31 of
11.28 the following calendar year if the managed care plan or county-based purchasing plan
11.29 demonstrates to the satisfaction of the commissioner that this reduction in the hospitalization
11.30 rate was achieved. The commissioner shall structure the withhold so that the commissioner
11.31 returns a portion of the withheld funds in amounts commensurate with achieved reductions
11.32 in utilization less than the targeted amount.

11.33 The withhold described in this paragraph shall continue until there is a 25 percent
11.34 reduction in the hospital admission rate compared to the hospital admission rates in calendar

12.1 year 2011, as determined by the commissioner. The hospital admissions in this performance
12.2 target do not include the admissions applicable to the subsequent hospital admission
12.3 performance target under paragraph (g). Hospitals shall cooperate with the plans in meeting
12.4 this performance target and shall accept payment withholds that may be returned to the
12.5 hospitals if the performance target is achieved.

12.6 (g) Effective for services rendered on or after January 1, 2012, the commissioner shall
12.7 include as part of the performance targets described in paragraph (c) a reduction in the plan's
12.8 hospitalization admission rates for subsequent hospitalizations within 30 days of a previous
12.9 hospitalization of a patient regardless of the reason, for medical assistance and MinnesotaCare
12.10 enrollees, as determined by the commissioner. To earn the return of the withhold each year,
12.11 the managed care plan or county-based purchasing plan must achieve a qualifying reduction
12.12 of the subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees,
12.13 excluding enrollees in programs described in subdivisions 23 and 28, of no less than five
12.14 percent compared to the previous calendar year until the final performance target is reached.

12.15 The withheld funds must be returned no sooner than July 1 and no later than July 31 of
12.16 the following calendar year if the managed care plan or county-based purchasing plan
12.17 demonstrates to the satisfaction of the commissioner that a qualifying reduction in the
12.18 subsequent hospitalization rate was achieved. The commissioner shall structure the withhold
12.19 so that the commissioner returns a portion of the withheld funds in amounts commensurate
12.20 with achieved reductions in utilization less than the targeted amount.

12.21 The withhold described in this paragraph must continue for each consecutive contract
12.22 period until the plan's subsequent hospitalization rate for medical assistance and
12.23 MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and
12.24 28, is reduced by 25 percent of the plan's subsequent hospitalization rate for calendar year
12.25 2011. Hospitals shall cooperate with the plans in meeting this performance target and shall
12.26 accept payment withholds that must be returned to the hospitals if the performance target
12.27 is achieved.

12.29 2013, the commissioner shall withhold 4.5 percent of managed care plan payments under
12.30 this section and county-based purchasing plan payments under section 256B.692 for the
12.31 prepaid medical assistance program. The withheld funds must be returned no sooner than
12.32 July 1 and no later than July 31 of the following year. The commissioner may exclude
12.33 special demonstration projects under subdivision 23.

13.1 (i) Effective for services rendered on or after January 1, 2014, the commissioner shall
 13.2 withhold three percent of managed care plan payments under this section and county-based
 13.3 purchasing plan payments under section 256B.692 for the prepaid medical assistance
 13.4 program. The withheld funds must be returned no sooner than July 1 and no later than July
 13.5 31 of the following year. The commissioner may exclude special demonstration projects
 13.6 under subdivision 23.

13.7 (j) A managed care plan or a county-based purchasing plan under section 256B.692 may
 13.8 include as admitted assets under section 62D.044 any amount withheld under this section
 13.9 that is reasonably expected to be returned.

13.10 (k) Contracts between the commissioner and a prepaid health plan are exempt from the
 13.11 set-aside and preference provisions of section 16C.16, subdivisions 6, paragraph (a), and
 13.12 7.

13.13 (l) The return of the withhold under paragraphs (h) and (i) is not subject to the
 13.14 requirements of paragraph (c).

13.15 (m) Managed care plans and county-based purchasing plans shall maintain current and
 13.16 fully executed agreements for all subcontractors, including bargaining groups, for
 13.17 administrative services that are expensed to the state's public health care programs.
 13.18 Subcontractor agreements determined to be material, as defined by the commissioner after
 13.19 taking into account state contracting and relevant statutory requirements, must be in the
 13.20 form of a written instrument or electronic document containing the elements of offer,
 13.21 acceptance, consideration, payment terms, scope, duration of the contract, and how the
 13.22 subcontractor services relate to state public health care programs. Upon request, the
 13.23 commissioner shall have access to all subcontractor documentation under this paragraph.
 13.24 Nothing in this paragraph shall allow release of information that is nonpublic data pursuant
 13.25 to section 13.02.

18.30 Sec. 3. **[256B.851] COMMUNITY FIRST SERVICES AND SUPPORTS; PAYMENT**
18.31 **RATES.**

18.32 **Subdivision 1. Application.** (a) The payment methodologies in this section apply to:

19.6 17a.

19.7 (b) This section does not change existing personal care assistance program or community
19.8 first services and supports policies and procedures.

19.9 Subd. 2. **Definitions.** (a) For purposes of this section, the following terms have the
19.10 meanings given in section 256B.85, subdivision 2, and as follows.

19.11 (b) "Commissioner" means the commissioner of human services.

19.15 provided to a qualified individual based on an approved service authorization.

19.16 Subd. 3. **Payment rates; base wage index.** When initially establishing the base wage
19.17 component values, the commissioner must use the Minnesota-specific median wage for the
19.18 standard occupational classification (SOC) codes published by the Bureau of Labor Statistics
19.19 in the edition of the Occupational Handbook available January 1, 2021. The commissioner
19.20 must calculate the base wage component values for staff providing personal care assistance
19.21 services, CFSS, extended personal care assistance services, extended CFSS, enhanced rate
19.22 personal care assistance services, and enhanced rate CFSS. The base wage component value
19.23 must be the median wage for personal care aide (SOC code 39-9021).

19.24 Subd. 4. **Payment rates; base wage index adjustments.** (a) On August 1, 2021, and
19.25 July 1, 2023, and every two years thereafter, the commissioner must update the base wage
19.26 component values based on the wage data by SOC codes from the Bureau of Labor Statistics
19.27 available one year and a day prior to the scheduled update.

19.28 (b) The commissioner must publish the updated base wage component values.

19.29 Subd. 5. **Payment rates; total wage index.** (a) The commissioner must multiply the
19.30 base wage component values by one plus the appropriate competitive workforce factor. The
19.31 product is the total wage component value.

20.1 (b) For personal care assistance services, CFSS, extended personal care assistance
20.2 services, extended CFSS, enhanced rate personal care assistance services, and enhanced
20.3 rate CFSS, the initial competitive workforce factor is zero.

20.4 Subd. 6. **Payment rates; total wage index adjustments.** (a) On July 1, 2023, and every
20.5 two years thereafter, the commissioner must adjust the competitive workforce factor in
20.6 subdivision 5, paragraph (b), with an updated competitive workforce factor using the most
20.7 recently available data. The commissioner must calculate the biennial adjustment to the
20.8 competitive workforce factor as follows:

20.9 (1) subtract the weighted average for personal care aide (SOC code 39-9021) from the
20.10 weighted average wage for all other SOC codes with the same Bureau of Labor Statistics
20.11 classifications as personal care aide (SOC code 39-9021), for education, experience, and
20.12 training for job competency;

20.13 (2) determine the average of (i) the weighted average for personal care aide (SOC code
20.14 39-9021) and (ii) the weighted average wage for all other SOC codes with the same Bureau
20.15 of Labor Statistics classifications for education, experience, and training for job competency
20.16 as for personal care aide (SOC code 39-9021);

20.17 (3) divide the result of clause (1) by the result of clause (2);

20.18 (4) if the result of clause (3) is positive, increase the competitive workforce factor by
20.19 the lesser of the result of clause (3) and 0.01; and

20.20 (5) if the result of clause (3) is zero or negative, set the competitive workforce factor
20.21 equal to zero.

20.22 (b) The commissioner must publish the updated competitive workforce value.

20.23 Subd. 7. **Payment rates; standard component values.** The commissioner must use the
20.24 following standard component values:

20.25 (1) for the employee vacation, sick, and training factor, ... percent;

20.26 (2) for the employer taxes and workers' compensation factor, ... percent;

20.27 (3) for the employee benefits factor, ... percent;

20.28 (4) for the client programming and supports factor, ... percent;

20.29 (5) for the program plan support factor, ... percent;

20.30 (6) for the general business and administrative expenses factor, ... percent;

20.31 (7) for the program administration expenses factor, ... percent; and

21.1 (8) for the absence and utilization factor, ... percent.

21.2 Subd. 8. **Payment rates; rate determination.** (a) The commissioner must determine
 21.3 the rate for each service under subdivision 1 as follows:

21.4 (1) multiply the appropriate total wage component value by one plus the employee
 21.5 vacation, sick, and training factor;

21.6 (2) for program plan support, multiply the result of clause (1) by one plus the program
 21.7 plan support factor;

21.8 (3) for employee-related expenses, add the employer taxes and workers' compensation
 21.9 factor and the employee benefits factor. The sum is employee-related expenses. Multiply
 21.10 the product of clause (2) by one plus the value for employee-related expenses;

21.11 (4) for client programming and supports, multiply the product of clause (3) by one plus
 21.12 the client programming and supports factor;

21.13 (5) for administrative expenses, add the general business and administrative expenses
 21.14 factor, the program administration expenses factor, and the absence and utilization factor;

21.15 (6) divide the result of clause (4) by one minus the result of clause (5). The quotient is
 21.16 the hourly rate;

21.17 (7) divide the hourly rate by four. The quotient is the total payment rate; and

21.18 (8) for enhanced rate personal care assistance services and enhanced rate CFSS, multiply
 21.19 the result of clause (7) by 1.075. The product is the enhanced total payment rate.

21.20 (b) The commissioner must publish the total payment rate and the enhanced total payment
 21.21 rate.

21.22 Subd. 9. **Payment rates; collective bargaining.** The commissioner's authority to set
 21.23 payment rates, including wages and benefits, for the services of individual providers as
 21.24 defined in section 256B.0711, subdivision 1, paragraph (d), is subject to the state's obligations
 21.25 to meet and negotiate under chapter 179A, as modified and made applicable to individual
 21.26 providers under section 179A.54, and to agreements with any exclusive representative of
 21.27 individual providers, as authorized by chapter 179A, as modified and made applicable to
 21.28 individual providers under section 179A.54.

21.29 Subd. 10. **Required reporting of cost data.** (a) As determined by the commissioner
 21.30 and in consultation with stakeholders, agencies enrolled to provide services with rates
 21.31 determined under this section must submit requested cost data to the commissioner. The
 21.32 commissioner may request cost data, including but not limited to:

- 22.1 (1) worker wage costs;
22.2 (2) benefits paid;
22.3 (3) supervisor wage costs;
22.4 (4) executive wage costs;

22.6 (6) taxes, workers' compensation, and unemployment insurance costs paid;
22.7 (7) administrative costs paid;
22.8 (8) program costs paid;
22.9 (9) transportation costs paid;
22.10 (10) staff vacancy rates; and
22.11 (11) other data relating to costs required to provide services requested by the
22.12 commissioner.

22.13 (b) At least once in any five-year period, a provider must submit the required cost data
22.14 for a fiscal year that ended not more than 18 months prior to the submission date. The
22.15 commissioner must provide each provider a 90-day notice prior to its submission due date.
22.16 If a provider fails to submit required cost data, the commissioner must provide notice to
22.17 providers that have not provided required cost data 30 days after the required submission
22.18 date and a second notice for providers who have not provided required cost data 60 days
22.19 after the required submission date. The commissioner must temporarily suspend payments
22.20 to a provider if the commissioner has not received required cost data 90 days after the
22.21 required submission date. The commissioner must make withheld payments when the
22.22 required cost data is received by the commissioner.

22.23 (c) The commissioner must conduct a random validation of data submitted under this
22.24 subdivision to ensure data accuracy.

22.25 (d) The commissioner, in consultation with stakeholders, must develop and implement
22.26 a process for providing training and technical assistance necessary to support provider
22.27 submission of cost data required under this subdivision.

22.28 Subd. 11. **Required analysis of cost data.** (a) The commissioner must evaluate on an
22.29 ongoing basis whether the base wage component values and standard component values in
22.30 this section appropriately address costs to provide the services covered under this section.
22.31 The commissioner must analyze cost data submitted under this section and may submit

23.1 recommendations to the chairs and ranking minority members of the legislative committees
 23.2 with jurisdiction over human services on adjustments and updates to standard component
 23.3 values, base wage component values, and competitive workforce factors.

23.4 (b) The commissioner must release cost data in an aggregate form. Cost data from
 23.5 individual providers must not be released except as provided for in current law.

23.6 Subd. 12. **Payment rates; reports required.** (a) Notwithstanding subdivision 11,
 23.7 paragraph (a), the commissioner must assess the standard component values and publish
 23.8 evaluation findings and recommended changes to the rate methodology in a report to the
 23.9 legislature by August 1, 2024.

23.10 (b) The commissioner must assess the long-term impacts of the rate methodology
 23.11 implementation on staff providing services with rates determined under this section, including
 23.12 but not limited to measuring changes in wages, benefits provided, hours worked, and
 23.13 retention. Notwithstanding subdivision 11, paragraph (a), the commissioner must publish
 23.14 evaluation findings in a report to the legislature by August 1, 2027.

23.15 (c) This subdivision expires on August 1, 2027, or upon the date the commissioner
 23.16 submits to the legislature the report described in paragraph (b), whichever is later. The
 23.17 commissioner must inform the revisor of statutes when the report is submitted.

23.18 **EFFECTIVE DATE.** This section is effective July 1, 2021, or upon federal approval,
 23.19 whichever is later. The commissioner of human services must notify the revisor of statutes
 23.20 when federal approval is obtained.

23.21 Sec. 4. Minnesota Statutes 2020, section 256S.18, subdivision 7, is amended to read:
