17.5 county auditor shall prepare absentee ballot application forms in the format provided by the  
17.6 secretary of state and shall furnish them to any person on request. By January 1 of each  
17.7 even-numbered year, the secretary of state shall make the forms to be used available to  
17.8 auditors through electronic means. An application submitted pursuant to this subdivision  
17.9 shall be in writing. An application may be submitted in person, by electronic facsimile  
17.10 device, by electronic mail, or by mail to:

17.11 (1) the county auditor of the county where the applicant maintains residence; or

17.12 (2) the municipal clerk of the municipality, or school district if applicable, where the  
17.13 applicant maintains residence.

17.14 For a federal, state, or county election, an absentee ballot application may alternatively be  
17.15 submitted electronically through a secure website that shall be maintained by the secretary  
17.16 of state for this purpose. Notwithstanding paragraph (b), the secretary of state must require  
17.17 applicants using the website to submit the applicant's e-mail address and verifiable Minnesota  
17.18 driver's license number, Minnesota state identification card number, voter identification  
17.19 card number, or the last four digits of the applicant's Social Security number.

17.20 An application submitted electronically under this paragraph may only be transmitted to  
17.21 the county auditor for processing if the secretary of state has verified the application  
17.22 information matches the information in a government database associated with the applicant's  
17.23 driver's license number, state identification card number, voter identification card number,  
17.24 or Social Security number. The secretary of state must review all unverifiable applications  
17.25 for evidence of suspicious activity and must forward any such application to an appropriate  
17.26 law enforcement agency for investigation.

17.27 (b) An application shall be approved if it is timely received, signed and dated by the  
17.28 applicant, contains the applicant's name and residence and mailing addresses, date of birth,  
17.29 and at least one of the following:

17.30 (1) the applicant's Minnesota driver's license number;

17.31 (2) Minnesota state identification card number;

17.32 (3) voter identification card number;

17.33 (4) the last four digits of the applicant's Social Security number; or

18.1 ~~(4)~~ (5) a statement that the applicant does not have any of these numbers.

18.2 (c) To be approved, the application must contain an oath that the information contained  
18.3 on the form is accurate, that the applicant is applying on the applicant's own behalf, and  
18.4 that the applicant is signing the form under penalty of perjury.

18.5 (d) Prior to approval, the county auditor or municipal clerk must verify that the Minnesota  
18.6 driver's license number, state identification card number, voter identification card number,  
18.7 or the last four digits of the Social Security number submitted by an applicant is valid and  
18.8 assigned to that applicant. If a driver's license, identification card number, voter identification  
18.9 card number, or the last four digits of a Social Security number is invalid or not assigned  
18.10 to the applicant, the county auditor or municipal clerk must reject the application.

18.11 ~~(d)~~ (e) An applicant's full date of birth, Minnesota driver's license or state identification  
18.12 number, and the last four digits of the applicant's Social Security number must not be made  
18.13 available for public inspection. An application may be submitted to the county auditor or  
18.14 municipal clerk by an electronic facsimile device. An application mailed or returned in  
18.15 person to the county auditor or municipal clerk on behalf of a voter by a person other than  
18.16 the voter must be deposited in the mail or returned in person to the county auditor or  
18.17 municipal clerk within ten days after it has been dated by the voter and no later than six  
18.18 days before the election. The absentee ballot applications or a list of persons applying for  
18.19 an absentee ballot may not be made available for public inspection until the close of voting  
18.20 on election day, except as authorized in section 203B.12.

18.21 ~~(e)~~ (f) An application under this subdivision may contain an application under subdivision  
18.22 5 to automatically receive an absentee ballot application.

18.23 Sec. 18. Minnesota Statutes 2020, section 203B.07, subdivision 3, is amended to read:

18.26 space for the voter's Minnesota driver's license number, state identification number, voter  
18.27 identification card number, or the last four digits of the voter's Social Security number, or  
18.28 to indicate that the voter does not have one of these numbers. The space must be designed  
18.29 to ensure that the voter provides the same type of identification as provided on the voter's  
18.30 absentee ballot application for purposes of comparison. The certificate must also contain a  
18.31 statement to be signed and sworn by the voter indicating that the voter meets all of the  
18.32 requirements established by law for voting by absentee ballot ~~and~~.

(b) The certificate must include a space for a statement an oath signed by a person who is registered to vote in Minnesota or by a notary public or other individual authorized to administer oaths witness stating that:

(1) the unmarked ballots were displayed to that individual unmarked the witness;

(2) the voter marked the ballots in that individual's the witness's presence without showing how they were marked, or, if the voter was physically unable to mark them, that the voter directed another individual to mark them; and

For purposes of this subdivision, a witness is a person who is registered to vote in Minnesota or by a notary public or other individual authorized to administer oaths.

Sec. 19. Minnesota Statutes 2020, section 203B.08, subdivision 1, is amended to read:

Subdivision 1. **Marking and return by voter.** (a) An eligible voter who receives absentee ballots as provided in this chapter shall mark them in the manner specified in the directions for casting the absentee ballots.

(b) The voter must present proof of identity and residence as described in section 200.035 to the individual who witnesses the marking of the absentee ballots. The witness must record the type of document that was presented on the witness certificate described in section 203B.07, paragraph (b). If the voter does not present sufficient proof of identity and residence, the witness must not complete the witness certificate.

(c) The return envelope containing marked ballots may be mailed as provided in the directions for casting the absentee ballots or may be left with the county auditor or municipal clerk who transmitted the absentee ballots to the voter. If delivered in person, the return envelope must be submitted to the county auditor or municipal clerk by 3:00 p.m. on election day.

(d) The voter may designate an agent to deliver in person the sealed absentee ballot return envelope to the county auditor or municipal clerk or to deposit the return envelope in the mail. An agent may deliver or mail the return envelopes of not more than three voters in any election. Any person designated as an agent who tampers with either the return envelope or the voted ballots or does not immediately mail or deliver the return envelope to the county auditor or municipal clerk is guilty of a misdemeanor.

Sec. 20. Minnesota Statutes 2020, section 203B.121, subdivision 2, is amended to read:

**Subd. 2. Duties of ballot board; absentee ballots.** (a) The members of the ballot board shall take possession of all return envelopes delivered to them in accordance with section 203B.08. Upon receipt from the county auditor, municipal clerk, or school district clerk, two or more members of the ballot board shall examine each return envelope and shall mark it accepted or rejected in the manner provided in this subdivision. Election judges performing the duties in this section must be of different major political parties, unless they are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10, subdivision 2.

(b) The members of the ballot board shall mark the return envelope "Accepted" and initial or sign the return envelope below the word "Accepted" if a majority of the members of the ballot board examining the envelope are satisfied that:

(1) the voter's name and address on the return envelope are the same as the information provided on the absentee ballot application;

(2) the voter signed the certification on the envelope;

(3) the voter's Minnesota driver's license, state identification number, voter identification card number, or the last four digits of the voter's Social Security number are the same as a number on the voter's absentee ballot application or voter record. If the number does not match, the election judges must compare the signature provided by the applicant to determine whether the ballots were returned by the same person to whom they were transmitted;

(4) the voter is registered and eligible to vote in the precinct or has included a properly completed voter registration application in the return envelope;

(5) the portion of the certificate completed by a witness as required by section 203B.07, subdivision 3, paragraph (b), is completed and the document or documents listed that were used to prove identity and residence are documents authorized by section 200.035;

There is no other reason for rejecting an absentee ballot beyond those permitted by this section. Failure to place the ballot within the security envelope before placing it in the outer white envelope is not a reason to reject an absentee ballot.

(2) If an envelope has been rejected at least five days before the election, the envelope must remain sealed and the official in charge of the ballot board shall provide the voter with a replacement absentee ballot and return envelope in place of the rejected ballot.

(3) If an envelope is rejected within five days of the election, the envelope must remain sealed and the official in charge of the ballot board must attempt to contact the voter by telephone or e-mail to notify the voter that the voter's ballot has been rejected. The official must document the attempts made to contact the voter.

(d) The official in charge of the absentee ballot board must mail the voter a written notice of absentee ballot rejection between six and ten weeks following the election. If the official determines that the voter has otherwise cast a ballot in the election, no notice is required. If an absentee ballot arrives after the deadline for submission provided by this chapter, the notice must be provided between six to ten weeks after receipt of the ballot. A notice of absentee ballot rejection must contain the following information:

(1) the date on which the absentee ballot was rejected or, if the ballot was received after the required deadline for submission, the date on which the ballot was received;

(2) the reason for rejection; and

(3) the name of the appropriate election official to whom the voter may direct further questions, along with appropriate contact information.

(e) An absentee ballot return envelope marked "Rejected" may not be opened or subject to further review except in an election contest filed pursuant to chapter 209.

Sec. 21. Minnesota Statutes 2020, section 204B.45, subdivision 2, is amended to read:

Subd. 2. **Procedure.** Notice of the election and the special mail procedure must be given at least ten weeks prior to the election. Not more than 46 days nor later than 14 days before a regularly scheduled election and not more than 30 days nor later than 14 days before any other election, the auditor shall mail ballots by nonforwardable mail to all voters registered in the city, town, or unorganized territory. Eligible voters not registered at the time the ballots are mailed may apply for ballots as provided in chapter 203B. Ballot return envelopes, with return postage provided, must be preaddressed to the auditor or clerk and the voter may return the ballot by mail or in person to the office of the auditor or clerk. The voter must present proof of identity and residence in the same manner required by section 203B.08, subdivision 1, paragraph (b). The signature envelope must include the oath prescribed by section 203B.07, subdivision 3, paragraph (b). The board may consist of deputy county auditors or deputy municipal clerks who have received training in the processing and counting of mail ballots, who need not be affiliated with a major political party. Election judges performing the duties in this section must be of different major political parties, unless they are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before the election, the ballots in the envelope must remain sealed and the auditor or clerk shall provide the voter with a replacement ballot and return envelope in place of the spoiled ballot. If the ballot is rejected within five days of the election, the envelope must remain sealed and the official in charge of the ballot board must attempt to contact the voter by telephone or e-mail to notify the voter that the voter's ballot has been rejected. The official must document the attempts made to contact the voter.

If the ballot is accepted, the county auditor or municipal clerk must mark the roster to indicate that the voter has already cast a ballot in that election. After the close of business on the seventh day before the election, the ballots from return envelopes marked "Accepted" may be opened, duplicated as needed in the manner provided by section 206.86, subdivision 5, initialed by the members of the ballot board, and deposited in the ballot box.

In all other respects, the provisions of the Minnesota Election Law governing deposit and counting of ballots apply.

The mail and absentee ballots for a precinct must be counted together and reported as one vote total. No vote totals from mail or absentee ballots may be made public before the close of voting on election day.

The costs of the mailing shall be paid by the election jurisdiction in which the voter resides. Any ballot received by 8:00 p.m. on the day of the election must be counted.

23.24 major political parties, unless they are exempt from that requirement under section 205.075,  
23.25 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before  
23.26 the election, the ballots in the envelope must remain sealed and the auditor or clerk must  
23.27 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.  
23.28 If the ballot is rejected within five days of the election, the envelope must remain sealed  
23.29 and the official in charge of the ballot board must attempt to contact the voter by telephone  
23.30 or e-mail to notify the voter that the voter's ballot has been rejected. The official must  
23.31 document the attempts made to contact the voter.

23.32 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to

38.22 (1) provide for voters to submit their voter registration applications to any county auditor,  
38.23 the secretary of state, or the Department of Public Safety;

38.24 (2) provide for the definition, establishment, and maintenance of a central database for  
38.25 all voter registration information;

38.26 (3) provide for entering data into the statewide registration system;

38.27 (4) provide for electronic transfer of completed voter registration applications from the

Sec. 11. Minnesota Statutes 2020, section 201.061, subdivision 1, is amended to read:

**Subdivision 1. Prior to election day.** (a) At any time except during the 20 days immediately preceding any regularly scheduled election, an eligible voter or any individual who will be an eligible voter at the time of the next election may register to vote in the precinct in which the voter maintains residence by completing a voter registration application as described in section 201.071, subdivision 1. A completed application may be submitted:

(1) in person or by mail to the county auditor of that county or to the Secretary of State's Office; or

(2) electronically through a secure website that shall be maintained by the secretary of state for this purpose, if the applicant has an e-mail address and provides the applicant's verifiable Minnesota driver's license number, Minnesota state identification card number, voter identification card number, or the last four digits of the applicant's Social Security number.

A registration that is received in person or by mail no later than 5:00 p.m. on the 21st day preceding any election, or a registration received electronically through the secretary of state's secure website no later than 11:59 p.m. on the 21st day preceding any election, shall be accepted. An improperly addressed or delivered registration application shall be forwarded within two working days after receipt to the county auditor of the county where the voter maintains residence. A state or local agency or an individual that accepts completed voter registration applications from a voter must submit the completed applications to the secretary of state or the appropriate county auditor within ten calendar days after the applications are dated by the voter.

(b) An application submitted electronically under paragraph (a), clause (2), may only be transmitted to the county auditor for processing if the secretary of state has verified the application information matches the information in a government database associated with the applicant's driver's license number, state identification card number, voter identification card number, or Social Security number. The secretary of state must review all unverifiable voter registration applications submitted electronically for evidence of suspicious activity and must forward any such application to an appropriate law enforcement agency for investigation.

An individual may not electronically submit a voter registration application on behalf of any other individual.

(c) For purposes of this section, mail registration is defined as a voter registration application delivered to the secretary of state, county auditor, or municipal clerk by the United States Postal Service or a commercial carrier.

Sec. 12. Minnesota Statutes 2020, section 201.061, subdivision 1a, is amended to read:

Subd. 1a. **Incomplete registration by mail.** If the county auditor determines that a voter who has submitted a voter registration application by mail has not previously voted in this state for a federal office and has also not presented a document authorized for election day registration in section 201.061, subdivision 3, to the auditor, and the county auditor is unable to verify the voter's driver's license, state identification, voter identification card, or last four digits of the voter's Social Security number as provided by the voter on the voter

41.1 registration application, then the county auditor must notify the voter that the registration  
41.2 is incomplete and to complete registration by using one of the following methods:

41.3 (1) presenting to the auditor more than 20 days before the election a document authorized  
41.4 for election day registration in section 201.061, subdivision 3;

41.5 (2) registering in person before or on election day;

41.6 (3) if voting by absentee ballot or by mail, following election day registration procedures  
41.7 for absentee voters as described in section 203B.04, subdivision 4; or

41.8 (4) providing proof of residence by any of the methods authorized for election day  
41.9 registration in section 201.061, subdivision 3.

41.10 Sec. 13. Minnesota Statutes 2020, section 201.071, subdivision 1, is amended to read:

41.11 Subdivision 1. **Form.** Both paper and electronic voter registration applications must  
41.12 contain the same information unless otherwise provided by law. A voter registration  
41.13 application must contain spaces for the following required information: voter's first name,  
41.14 middle name, and last name; voter's previous name, if any; voter's current address; voter's  
41.15 previous address, if any; voter's date of birth; voter's municipality and county of residence;  
41.16 voter's telephone number, if provided by the voter; date of registration; current and valid  
41.17 Minnesota driver's license number ~~or~~, Minnesota state identification number, voter  
41.18 identification card number, or if the voter has no current and valid Minnesota driver's license  
41.19 ~~or~~, Minnesota state identification, or voter identification card, the last four digits of the  
41.20 voter's Social Security number; and voter's signature. The paper registration application  
41.21 may include the voter's e-mail address, if provided by the voter. The electronic voter  
41.22 registration application must include the voter's e-mail address. The registration application  
41.23 may include the voter's interest in serving as an election judge, if indicated by the voter.  
41.24 The application must also contain the following certification of voter eligibility:

41.25 "I certify that I:

41.26 (1) will be at least 18 years old on election day;

41.27 (2) am a citizen of the United States;

41.28 (3) will have resided in Minnesota for 20 days immediately preceding election day;

41.29 (4) maintain residence at the address given on the registration form;

41.30 (5) am not under court-ordered guardianship in which the court order revokes my right  
41.31 to vote;

42.1 (6) have not been found by a court to be legally incompetent to vote;

42.2 (7) have the right to vote because, if I have been convicted of a felony, my felony sentence  
42.3 has expired (been completed) or I have been discharged from my sentence; and

42.4 (8) have read and understand the following statement: that giving false information is a  
42.5 felony punishable by not more than five years imprisonment or a fine of not more than  
42.6 \$10,000, or both."

42.7 The certification must include boxes for the voter to respond to the following questions:

42.8 "(1) Are you a citizen of the United States?" and

42.9 "(2) Will you be 18 years old on or before election day?"

42.10 And the instruction:

42.11 "If you checked 'no' to either of these questions, do not complete this form."

42.12 The form of the voter registration application and the certification of voter eligibility  
42.13 must be as provided in this subdivision and approved by the secretary of state. Voter  
42.14 registration forms authorized by the National Voter Registration Act must also be accepted  
42.15 as valid. The federal postcard application form must also be accepted as valid if it is not  
42.16 deficient and the voter is eligible to register in Minnesota.

42.17 An individual may use a voter registration application to apply to register to vote in  
42.18 Minnesota or to change information on an existing registration.

42.19 Sec. 14. Minnesota Statutes 2020, section 201.071, subdivision 2, is amended to read:

42.20 Subd. 2. **Instructions.** A registration application shall be accompanied by instructions  
42.21 specifying the manner and method of registration, the qualifications for voting, the penalties  
42.22 for false registration, and the availability of registration and voting assistance for elderly  
42.23 and disabled individuals and residents of health care facilities and hospitals. The instructions  
42.24 must indicate that if the voter does not have a valid Minnesota driver's license or identification  
42.25 card, voter identification card, the last four digits of the voter's Social Security number must  
42.26 be provided, unless the voter does not have a Social Security number. If, prior to election  
42.27 day, a person requests the instructions in Braille, audio format, or in a version printed in  
42.28 16-point bold type with 24-point leading, the county auditor shall provide them in the form  
42.29 requested. The secretary of state shall prepare Braille and audio copies and make them  
42.30 available.

43.1 Sec. 15. Minnesota Statutes 2020, section 201.071, subdivision 3, is amended to read:

43.2 Subd. 3. **Deficient registration.** No voter registration application is deficient if it contains  
43.3 the voter's name, address, date of birth, current and valid Minnesota driver's license number  
43.4 ~~or~~, Minnesota state identification number, or voter identification card number, or if the voter  
43.5 has no current and valid Minnesota driver's license ~~or~~, Minnesota state identification number,  
43.6 or voter identification card number, the last four digits of the voter's Social Security number,  
43.7 if the voter has been issued a Social Security number, prior registration, if any, and signature.  
43.8 The absence of a zip code number does not cause the registration to be deficient. Failure to  
43.9 check a box on an application form that a voter has certified to be true does not cause the  
43.10 registration to be deficient. The election judges shall request an individual to correct a voter  
43.11 registration application if it is deficient or illegible. No eligible voter may be prevented  
43.12 from voting unless the voter's registration application is deficient or the voter is duly and  
43.13 successfully challenged in accordance with section 201.195 or 204C.12.

43.14 A voter registration application accepted prior to August 1, 1983, is not deficient for  
43.15 lack of date of birth. The county or municipality may attempt to obtain the date of birth for  
43.16 a voter registration application accepted prior to August 1, 1983, by a request to the voter  
43.17 at any time except at the polling place. Failure by the voter to comply with this request does  
43.18 not make the registration deficient.

43.19 A voter registration application accepted before January 1, 2004, is not deficient for lack  
43.20 of a valid Minnesota driver's license or state identification number or the last four digits of  
43.21 a Social Security number. A voter registration application submitted by a voter who does  
43.22 not have a Minnesota driver's license or state identification number, or a Social Security  
43.23 number, is not deficient for lack of any of these numbers.

43.24 A voter registration application submitted electronically through the website of the  
43.25 secretary of state prior to April 30, 2014, is not invalid as a result of its electronic submission.

43.26 Sec. 16. Minnesota Statutes 2020, section 201.091, subdivision 9, is amended to read:

43.27 Subd. 9. **Restricted data.** A list provided for public inspection or purchase, or in response  
43.28 to a law enforcement inquiry, must not include a voter's date of birth or any part of a voter's  
43.29 Social Security number, driver's license number, identification card number, voter  
43.30 identification card number, military identification card number, or passport number.

44.1 Sec. 17. Minnesota Statutes 2020, section 201.121, subdivision 1, is amended to read:

44.2 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration  
44.3 application is properly completed, submitted, and received in accordance with sections  
44.4 201.061 and 201.071, the county auditor shall enter the information contained on it into the  
44.5 statewide registration system. Voter registration applications completed before election day  
44.6 must be entered into the statewide registration system within ten days after they have been  
44.7 submitted to the county auditor. Voter registration applications completed on election day  
44.8 must be entered into the statewide registration system within 42 days after the election,  
44.9 unless the county auditor notifies the secretary of state before the deadline has expired that  
44.10 the deadline will not be met. Upon receipt of a notification under this paragraph, the secretary  
44.11 of state must extend the deadline for that county auditor by an additional 28 days. The  
44.12 secretary of state may waive a county's obligations under this paragraph if, on good cause  
44.13 shown, the county demonstrates its permanent inability to comply.

44.14 The secretary of state must post data on each county's compliance with this paragraph on  
44.15 the secretary of state's website including, as applicable, the date each county fully complied  
44.16 or the deadline by which a county's compliance must be complete.

44.17 (b) Upon receiving a completed voter registration application, the secretary of state may  
44.18 electronically transmit the information on the application to the appropriate county auditor  
44.19 as soon as possible for review by the county auditor before final entry into the statewide  
44.20 registration system. The secretary of state may mail the voter registration application to the  
44.21 county auditor.

44.22 (c) Within ten days after the county auditor has entered information from a voter  
44.23 registration application into the statewide registration system, the secretary of state shall  
44.24 compare the voter's name, date of birth, and driver's license number, state identification  
44.25 number, voter identification card number, or the last four digits of the Social Security number  
44.26 with the same information contained in the Department of Public Safety database.

44.27 (d) The secretary of state shall provide a report to the county auditor on a weekly basis  
44.28 that includes a list of voters whose name, date of birth, or identification number have been  
44.29 compared with the same information in the Department of Public Safety database and cannot  
44.30 be verified as provided in this subdivision. The report must list separately those voters who  
44.31 have submitted a voter registration application by mail and have not voted in a federal  
44.32 election in this state.

44.33 (e) The county auditor shall compile a list of voters for whom the county auditor and  
44.34 the secretary of state are unable to conclude that information on the voter registration

45.1 application and the corresponding information in the Department of Public Safety database  
45.2 relate to the same person.

45.3 (f) The county auditor shall send a notice of incomplete registration to any voter whose  
45.4 name appears on the list and change the voter's status to "incomplete." A voter who receives  
45.5 a notice of incomplete registration from the county auditor may either provide the information  
45.6 required to complete the registration at least 21 days before the next election or at the polling  
45.7 place on election day.

45.8 Sec. 18. Minnesota Statutes 2020, section 201.13, subdivision 3, is amended to read:

45.9 Subd. 3. **Use of change of address system.** (a) At least once each month the secretary  
45.10 of state shall obtain a list of individuals registered to vote in this state who have filed with  
45.11 the United States Postal Service a change of their permanent address. The secretary of state  
45.12 may also periodically obtain a list of individuals with driver's licenses ~~or~~ state identification  
45.13 cards, or voter identification cards to identify those who are registered to vote who have  
45.14 applied to the Department of Public Safety for a replacement driver's license ~~or~~ state  
45.15 identification card, or voter identification card with a different address, and a list of  
45.16 individuals for whom the Department of Public Safety received notification of a driver's  
45.17 license ~~or~~ state identification card, or voter identification card cancellation due to a change  
45.18 of residency out of state. However, the secretary of state shall not load data derived from  
45.19 these lists into the statewide voter registration system within the 47 days before the state  
45.20 primary or 47 days before a November general election.

45.21 (b) If the address is changed to another address in this state, the secretary of state shall  
45.22 locate the precinct in which the voter resides, if possible. If the secretary of state is able to  
45.23 locate the precinct in which the voter resides, the secretary must transmit the information  
45.24 about the changed address by electronic means to the county auditor of the county in which  
45.25 the new address is located. For addresses for which the secretary of state is unable to  
45.26 determine the precinct, the secretary may forward information to the appropriate county  
45.27 auditors for individual review. If the voter has not voted or submitted a voter registration  
45.28 application since the address change, upon receipt of the information, the county auditor  
45.29 shall update the voter's address in the statewide voter registration system. The county auditor  
45.30 shall mail to the voter a notice stating the voter's name, address, precinct, and polling place,  
45.31 unless the voter's record is challenged due to a felony conviction, noncitizenship, name  
45.32 change, incompetence, or a court's revocation of voting rights of individuals under  
45.33 guardianship, in which case the auditor must not mail the notice. The notice must advise  
45.34 the voter that the voter's voting address has been changed and that the voter must notify the

county auditor within 21 days if the new address is not the voter's address of residence. The notice must state that it must be returned if it is not deliverable to the voter at the named address.

(c) If the change of permanent address is to an address outside this state, the secretary of state shall notify by electronic means the auditor of the county where the voter formerly resided that the voter has moved to another state. If the voter has not voted or submitted a voter registration application since the address change, the county auditor shall promptly mail to the voter at the voter's new address a notice advising the voter that the voter's status in the statewide voter registration system will be changed to "inactive" unless the voter notifies the county auditor within 21 days that the voter is retaining the former address as the voter's address of residence, except that if the voter's record is challenged due to a felony conviction, noncitizenship, name change, incompetence, or a court's revocation of voting rights of individuals under guardianship, the auditor must not mail the notice. If the notice is not received by the deadline, the county auditor shall change the voter's status to "inactive" in the statewide voter registration system.

(d) If, in order to maintain voter registration records, the secretary of state enters an agreement to share information or data with an organization governed exclusively by a group of states, the secretary must first determine that the data security protocols are sufficient to safeguard the information or data shared. If required by such an agreement, the secretary of state may share the following data from the statewide voter registration system and data released to the secretary of state under section 171.12, subdivision 7a:

(1) name;

(2) date of birth;

(3) address;

(4) driver's license ~~or~~, state identification card number, or voter identification number;

(5) the last four digits of an individual's Social Security number; and

(6) the date that an individual's record was last updated.

If the secretary of state enters into such an agreement, the secretary and county auditors must process changes to voter records based upon that data in accordance with this section. Except as otherwise provided in this subdivision, when data is shared with the secretary of state by another state, the secretary of state must maintain the same data classification that the data had while it was in the possession of the state providing the data.

Sec. 19. Minnesota Statutes 2020, section 201.14, is amended to read:

**201.14 COURT ADMINISTRATOR OF DISTRICT COURT; REPORT CHANGES OF NAMES.**

The state court administrator shall regularly report by electronic means to the secretary of state the name, address, and, if available, driver's license ~~or~~, state identification card number, or voter identification card number of each individual, 18 years of age or over, whose name was changed since the last report, by marriage, divorce, or any order or decree of the court. The secretary of state shall determine if any of the persons in the report are registered to vote under their previous name and shall prepare a list of those registrants for each county auditor. Upon receipt of the list, the county auditor shall make the change in the voter's record and mail to the voter the notice of registration required by section 201.121, subdivision 2. A notice must not be mailed if the voter's record is challenged due to a felony conviction, lack of United States citizenship, legal incompetence, or court-ordered revocation of voting rights of persons under guardianship.

Sec. 20. Minnesota Statutes 2020, section 201.145, subdivision 2, is amended to read:

Subd. 2. **State court administrator report.** (a) The state court administrator must report on individuals 17 years of age or older who are under a guardianship in which a court order revokes the ward's right to vote or where the court has found the individual to be legally incompetent to vote.

(b) The state court administrator must report on individuals transferred to the jurisdiction of the court who meet a condition specified in paragraph (a).

(c) Each report required under this subdivision must include the following information for each individual in the report: name, address, date of birth, and, if available, last four digits of the Social Security number and driver's license ~~or~~, state identification card number, or voter identification card number.

(d) No later than seven calendar days after receiving a report under this subdivision, the secretary of state must determine if a person identified under paragraphs (a) and (b) is registered to vote and must prepare a list of those registrants for the county auditor. No later than seven calendar days after receiving the list from the secretary of state, the county auditor must challenge the status on the record in the statewide voter registration system of each individual named in the list.

Sec. 21. Minnesota Statutes 2020, section 201.145, subdivision 3, is amended to read:

**Subd. 3. Commissioner of corrections report; state court administrator report. (a)**

The state court administrator must report on individuals 17 years of age or older who have been convicted of a felony.

52.25 the statewide voter registration system under this section must include the information  
52.26 provided on the bar code label whenever information is entered into the system.

52.27 Sec. 27. Minnesota Statutes 2020, section 203B.17, subdivision 2, is amended to read:

The secretary of state must review all unverifiable applications for evidence of suspicious activity and must forward any such application to an appropriate law enforcement agency for investigation.

The county auditor shall retain the record for six years. No later than 90 days after the general election, the secretary of state shall report to the federal Election Assistance Commission the number of absentee ballots transmitted to voters under section 203B.16.

Sec. 29. Minnesota Statutes 2020, section 203B.21, subdivision 3, is amended to read:

Subd. 3. **Back of return envelope.** On the back of the return envelope a certificate shall appear with space for:

(1) the voter's address of present or former residence in Minnesota;

(2) the voter's current e-mail address, if the voter has one;

(3) a statement indicating the category described in section 203B.16 to which the voter belongs;

(4) a statement that the voter has not cast and will not cast another absentee ballot in the same election or elections;

(5) a statement that the voter personally marked the ballots without showing them to anyone, or if physically unable to mark them, that the voter directed another individual to mark them; and

The certificate shall also contain a signed oath in the form required by section 705 of the Help America Vote Act, Public Law 107-252, which must read:

"I swear or affirm, under penalty of perjury, that:

I am a member of the uniformed services or merchant marine on active duty or an eligible spouse or dependent of such a member; a United States citizen temporarily residing outside the United States; or other United States citizen residing outside the United States; and I am a United States citizen, at least 18 years of age (or will be by the date of the election), and I am eligible to vote in the requested jurisdiction; I have not been convicted of a felony, or other disqualifying offense, or been adjudicated mentally incompetent, or, if so, my voting rights have been reinstated; and I am not registering, requesting a ballot, or voting in any other jurisdiction in the United States except the jurisdiction cited in this voting form. In voting, I have marked and sealed my ballot in private and have not allowed any person to observe the marking of the ballot, except for those authorized to assist voters under state or federal law. I have not been influenced.

The information on this form is true, accurate, and complete to the best of my knowledge. I understand that a material misstatement of fact in completion of this document may constitute grounds for a conviction for perjury."

Sec. 30. Minnesota Statutes 2020, section 203B.24, subdivision 1, is amended to read:

Subdivision 1. **Check of voter eligibility; proper execution of certificate.** Upon receipt of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election judges shall compare the voter's name with the names recorded under section 203B.19 in the statewide registration system to insure that the ballot is from a voter eligible to cast an absentee ballot under sections 203B.16 to 203B.27. The election judges shall mark the return envelope "Accepted" and initial or sign the return envelope below the word "Accepted" if the election judges are satisfied that:

(1) the voter's name on the return envelope appears in substantially the same form as on the application records provided to the election judges by the county auditor;

(2) the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the Help America Vote Act, Public Law 107-252;

(3) the voter has set forth the same voter's passport number, or Minnesota driver's license ~~or~~, state identification card number, or voter identification card number, or the last four digits of the voter's Social Security number as submitted on the application, if the voter has one of these documents;

(4) the voter is not known to have died; and

(5) the voter has not already voted at that election, either in person or by absentee ballot.

If the identification number described in clause (3) does not match the number as submitted on the application, the election judges must make a reasonable effort to satisfy themselves through other information provided by the applicant, or by an individual authorized to apply on behalf of the voter, that the ballots were returned by the same person to whom the ballots were transmitted.

An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the security envelope before placing it in the outer white envelope is not a reason to reject an absentee ballot.

Election judges must note the reason for rejection on the back of the envelope in the space provided for that purpose.

Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall not be counted if the certificate on the return envelope is not properly executed. In all other respects the provisions of the Minnesota Election Law governing deposit and counting of ballots shall apply. Notwithstanding other provisions of this section, the counting of the absentee ballot of a deceased voter does not invalidate the election.

Sec. 31. **EFFECTIVE DATE.**

Except where otherwise provided, this article is effective June 1, 2023.

APPENDIX
