Variable rate adjustments may not exceed a 12-month period, except when approved for purposes established in paragraph (b), clause (1). Once approved, variable rate adjustments must continue to remain in place unless there is an identified change in need. A review of needed resources must be done at the time of the individual's annual support plan meeting. Any change in need identified must result in submission of a request to adjust the resources for the individual.~~ Variable rate adjustments approved solely on the basis of changes on a developmental disabilities screening document will end June 30, 2002.

(5) a demonstrated increased need for staff assistance, changes in the type of staff credentials needed, or a need for expert consultation based on assessments conducted prior to the annual support plan meeting.

(d) Variable rate requests must include the following information:
