2.23 Sec. 2. **[62E.22] DUTIES OF COMMISSIONER.**

2.24 In the implementation and operation of the Minnesota premium security plan, established
 2.25 under section 62E.23, the commissioner shall require eligible health carriers to calculate
 2.26 the premium amount the eligible health carrier would have charged for the applicable plan
 2.27 year had the Minnesota premium security plan not been established and to submit this
 2.28 information as part of the rate filing.

2.29 Sec. 3. **[62E.23] MINNESOTA PREMIUM SECURITY PLAN.**

2.30 Subdivision 1. **The Minnesota premium security plan as state-based reinsurance.**
 2.31 The association is Minnesota's reinsurance entity to administer the state-based reinsurance

3.1 program referred to throughout this chapter as the Minnesota premium security plan. The
3.2 Minnesota premium security plan shall be designed to protect consumers by mitigating the
3.3 impact of high-risk individuals on rates in the individual market.

3.4 Subd. 2. **Minnesota premium security plan parameters.** (a) The board shall propose
3.5 to the commissioner the Minnesota premium security plan payment parameters for the next
3.6 plan year by January 15 of the calendar year prior to the applicable plan year. In developing
3.7 the proposed payment parameters, the board shall consider the anticipated impact to
3.8 premiums. The commissioner shall approve the payment parameters no later than 14 calendar
3.9 days following the board proposal. In developing the proposed payment parameters for plan
3.10 year 2019 and after, the board may develop methods to account for variations in costs within
3.11 the Minnesota premium security plan.

3.12 (b) For plan year 2018, the Minnesota premium security plan parameters, including the
3.13 attachment point, reinsurance cap, and coinsurance rate, shall be established within the
3.14 parameters of the appropriated funds as follows:

3.15 (1) the attachment point is set at \$70,000;

3.16 (2) the reinsurance cap is set at \$250,000; and

3.17 (3) the coinsurance rate is set at 50 percent.

3.18 (c) All eligible health carriers receiving Minnesota premium security plan payments
3.19 must apply the Minnesota premium security plan's parameters established under paragraph
3.20 (a) or (b), as applicable, when calculating reinsurance payments.

3.21 Subd. 3. **Payments under Minnesota premium security plan.** (a) Each Minnesota
3.22 premium security plan payment must be calculated with respect to an eligible health carrier's
3.23 incurred claims costs for an individual enrollee's covered benefits in the applicable plan
3.24 year. If such claims costs do not exceed the attachment point, payment will be zero dollars.
3.25 If such claims costs exceed the attachment point, payment will be calculated as the product
3.26 of the coinsurance rate multiplied by the lesser of:

3.27 (1) such claims costs minus the attachment point; or

3.28 (2) the reinsurance cap minus the attachment point.

3.29 (b) The board must ensure that the payments made to eligible health carriers must not
3.30 exceed the eligible health carrier's total paid amount for any eligible claim. For purposes
3.31 of this paragraph, "total paid amount of an eligible claim" means the amount paid by the
3.32 eligible health carrier based upon the allowed amount less any deductible, coinsurance, or

4.1 co-payment, as of the time the data is submitted or made accessible under subdivision 4,
4.2 paragraph (a), clause (1).

4.3 Subd. 4. **Requests for Minnesota premium security plan payments.** (a) An eligible
4.4 health carrier may make a request for payment when the eligible health carrier's claims costs
4.5 for an enrollee meet the criteria for payment under subdivision 2 and the requirements of
4.6 this subdivision.

4.7 (1) To be eligible for Minnesota premium security plan payments, an eligible health
4.8 carrier must provide to the association access to the data within the dedicated data
4.9 environment established by the eligible health carrier under the federal Risk Adjustment
4.10 Program. Eligible health carriers must submit an attestation to the board asserting entity
4.11 compliance with the dedicated data environments, data requirements, establishment and
4.12 usage of masked enrollee identification numbers, and data submission deadlines; and

4.13 (2) an eligible health carrier must provide the required access under clause (1) for the
4.14 applicable plan year by April 30 of the year following the end of the applicable plan year.

4.15 (b) An eligible health carrier must make requests for payment according to the
4.16 requirements established by the board.

4.17 (c) An eligible health carrier must maintain documents and records, whether paper,
4.18 electronic, or in other media, sufficient to substantiate the requests for Minnesota premium
4.19 security plan payments made pursuant to this section for a period of at least ten years and
4.20 must make those documents and records available upon request from the state or its designee
4.21 for purposes of verification, investigation, audit, or other review of Minnesota premium
4.22 security plan payment requests.

4.23 (d) The association or its designee may audit an eligible health carrier to assess the health
4.24 carrier's compliance with the requirements of this section. The eligible health carrier must
4.25 ensure that its relevant contracts, subcontractors, or agents cooperate with any audit under
4.26 this section. If an audit results in a proposed finding of material weakness or significant
4.27 deficiency with respect to compliance with any requirement under this section, the eligible
4.28 health carrier may provide a response to the draft audit report within 30 calendar days.
4.29 Within 30 calendar days of the issuance of the final audit report, the eligible health carrier
4.30 must complete the following:

4.31 (1) provide a written corrective action plan to the association for approval if the final
4.32 audit results in a finding of material weakness or significant deficiency with respect to
4.33 compliance with any requirement under this section;

5.1 (2) implement that plan; and

5.2 (3) provide to the association written documentation of the corrective actions once taken.

5.3 Subd. 5. **Notification of Minnesota premium security plan payments.** (a) For each
5.4 applicable plan year, the association must notify eligible health carriers annually of Minnesota
5.5 premium security plan payments, if applicable, to be made for the applicable plan year no
5.6 later than June 30 of the year following the applicable plan year.

5.7 (b) An eligible health carrier may follow the appeals procedure under section 62E.10,
5.8 subdivision 2a.

5.9 (c) For each applicable plan year, the board must provide to each eligible health carrier
5.10 the calculation of total Minnesota premium security plan payment requests on a quarterly
5.11 basis during the applicable plan year.

5.12 Subd. 6. **Disbursement of Minnesota premium security plan payments.** The
5.13 association must:

5.14 (1) collect or access data required to determine Minnesota premium security plan
5.15 payments from an eligible health carrier according to the data requirements under subdivision
5.16 5; and

5.17 (2) make Minnesota premium security plan payments to the eligible health carrier after
5.18 receiving a valid claim for payment from that eligible health carrier by August 15 of the
5.19 year following the applicable plan year.

5.20 Subd. 7. **Reserve surplus.** The association must use any monetary reserves of the
5.21 association to offset costs of the Minnesota premium security plan.

5.22 Subd. 8. **Data.** Government data of the association under this section are private data
5.23 on individuals or nonpublic data as defined in section 13.02, subdivision 9 or 12.

5.24 Subd. 9. **Appropriation.** \$150,000,000 in fiscal year 2018 is appropriated from the
5.25 general fund to the commissioner of commerce for the Minnesota premium security plan
5.26 under this section. This is a onetime appropriation and is available until June 30, 2019.

5.27 Sec. 4. **[62E.24] ACCOUNTING, REPORTING, AND AUDITING.**

5.28 Subdivision 1. **Accounting requirements.** For each plan year, the board must ensure
5.29 that it keeps an accounting of:

5.30 (1) all claims for Minnesota premium security plan payments received from eligible
5.31 health carriers;

6.1 (2) all Minnesota premium security plan payments made to eligible health carriers;

6.2 (3) all administrative expenses incurred for the Minnesota premium security plan; and

6.3 (4) all assessments made for security plan costs.

6.4 Subd. 2. **Summary report.** The board must submit to the commissioner and make public
6.5 a report on the Minnesota premium security plan operations for each plan year by November
6.6 1 following the applicable year or 60 calendar days following the last disbursement of
6.7 Minnesota premium security plan payments for the applicable plan year.

6.8 Subd. 3. **Audits.** The commissioner or designee may conduct a financial or programmatic
6.9 audit of the Minnesota premium security plan to assess its compliance with the requirements.
6.10 The board must ensure that it and any relevant contractors, subcontractors, or agents
6.11 cooperate with any audit. The Minnesota premium security plan is subject to audit by the
6.12 legislative auditor.

6.13 Subd. 4. **Independent external audit.** The board must engage an independent qualified
6.14 auditing entity to perform a financial and programmatic audit for each plan year of the
6.15 Minnesota premium security plan in accordance with generally accepted auditing standards.
6.16 The board must:

6.17 (1) provide to the commissioner the results of the audit, in the manner and time frame
6.18 to be specified by the commissioner;

6.19 (2) identify to the commissioner any material weakness or significant deficiency identified
6.20 in the audit, and address in writing to the commissioner how the board intends to correct
6.21 any such material weakness or significant deficiency; and

6.22 (3) make public a summary of the results of the audit, including any material weakness
6.23 or significant deficiency and how the board intends to correct the material weakness or
6.24 significant deficiency.

6.25 Subd. 5. **Action on audit findings.** If an audit results in a finding of material weakness
6.26 or significant deficiency with respect to compliance with any requirement under this section,
6.27 the commissioner of commerce must ensure the board:

6.28 (1) within 60 calendar days of the issuance of the final audit report, provides a written
6.29 corrective action plan to the commissioner for approval;

6.30 (2) implements that plan; and

6.31 (3) provides to the commissioner written documentation of the corrective actions once
6.32 taken.

7.1 Sec. 5. **STATE INNOVATION WAIVER.**

7.5 Affordable Care Act with respect to health insurance coverage in the state for a plan year

7.8 Minnesota premium security plan board shall implement a state plan for meeting the waiver
7.9 requirements in a manner consistent with state and federal law, and as approved by the

7.13 premium security plan did not exist; and

7.14 (2) federal funding for MinnesotaCare, as Minnesota's basic health program, continues
7.15 to be based on the market premium and cost-sharing levels before the impact of reinsurance
7.16 under the premium security plan established under Minnesota Statutes, section 62E.23.
