2.27 Subd. 3. **Director and staff.** The office consists of a director of the Office of
 2.28 Workforce Housing and any other staff necessary to carry out the office's duties under

2.32 (2) coordinate with state, regional, local, and private entities to develop workforce
 2.33 housing;

3.23 (d) Contributions made to the fund are not refundable.

3.24 Subd. 6. **Grants; project eligibility and preferences.** (a) The Office of Workforce
 3.25 Housing shall award grants through a competitive grants program for the purposes defined
 3.26 in this section using the eligibility and preferences provided in this subdivision. If a
 3.27 project meets the qualifications in paragraph (b), the director may certify the project as
 3.28 a qualifying workforce housing project based on the eligibility of the program and the
 3.29 preferences in paragraph (c). The total grant to a qualified workforce housing project must
 3.30 not exceed \$1,000,000.

3.31 (b) To be eligible for a grant, the project must:

4.7 (7) be located within five miles of a consolidated population center.

4.8 (c) Preferences for grants from the workforce housing fund must be given to projects:

4.9 (1) where a qualified local investor has expressed a preference that the investment be
4.10 allocated to a specific qualified workforce housing project or a specific community; and

4.11 (2) that have the largest total private investment in the fund relative to the total
4.12 project cost.

4.13 Subd. 7. **Sales tax exemptions.** Projects that are eligible for the grants program
4.14 in subdivision 6 may also request a sales tax exemption pursuant to section 297A.71,
4.15 subdivision 23a, on construction materials necessary for the completion of the project.

4.16 The Office of Workforce Housing may grant the sales tax exemptions based on the
4.17 eligibility and preferences in the workforce housing fund.

4.18 Subd. 8. **Qualified local investor tax credit.** (a) A qualified local investor is
4.19 allowed a tax credit in an amount equal to 100 percent of the qualified investment in the
4.20 fund but no more than \$1,000,000 in the taxable year against the taxpayer's income or
4.21 corporate franchise tax imposed under chapter 290. The director must not allocate more
4.22 than \$10,000,000 in credits to qualified local investors for a taxable year, except that
4.23 the director may use available tax credit allocations from subdivision 9 for qualified
4.24 local investor tax credits under this subdivision when necessary to achieve the goals of
4.25 the Office of Workforce Housing. The director must not exceed a total allocation of tax
4.26 credits for both programs in an amount greater than \$30,000,000 annually.

4.27 (b) For the purposes of this section, a qualified local investor is an investor that is:

4.28 (1) an individual or a business with less than 50 full-time equivalent employees;

4.29 (2) located in Greater Minnesota; and

4.30 (3) resides or has an office or production facility within 20 miles of a qualified
4.31 workforce housing project.

4.32 (c) The director shall not allocate a credit to a qualified local investor if the investor
4.33 is an officer or principal of a business or a family member of an officer or principal of
4.34 a business, or sole proprietorship that is competing for a grant through the workforce
4.35 housing fund in the year the tax credit would be awarded.

5.1 (d) Applications for tax credits for a taxable year must be made available by the
5.2 office by November 1 of the prior year. The office must make every effort to provide
5.3 applications and relevant data to applicants in a simple, concise manner using plain
5.4 language. Tax credits must be allocated to qualified local investors in the order that the
5.5 tax credit request applications are filed with the office. The director must approve or
5.6 reject tax credit request applications within 15 days of receiving the application. The
5.7 investment specified in the application must be made within 60 days of the allocation of
5.8 the credit. If the investment is not made within 60 days, the credit allocation is canceled.
5.9 A qualified local investor that fails to invest as specified in the application must notify
5.10 the commissioner immediately and no later than five business days after the expiration
5.11 of the 60-day investment period. The director may require an application fee for the
5.12 applications submitted under this subdivision.

5.13 (e) All tax credit request applications filed with the department on the same day must
5.14 be treated as having been filed contemporaneously. If two or more qualified local investors
5.15 file tax credit request applications on the same day, and the aggregate amount of credit
5.16 allocation claims exceeds the aggregate limit of credits under this section or the lesser
5.17 amount of credits that remain unallocated on that day, then the credits must be allocated
5.18 among the qualified local investors who filed on that day on a pro rata basis with respect to
5.19 the amounts claimed. The pro rata allocation for any one qualified local investor is the
5.20 product obtained by multiplying a fraction, the numerator of which is the amount of the
5.21 credit allocation claim filed on behalf of a qualified local investor and the denominator of
5.22 which is the total of all credit allocation claims filed on behalf of all applicants on that day,
5.23 by the amount of credits that remain unallocated on that day for the taxable year.

5.24 (f) The director must notify the commissioner of revenue of credit certificates issued
5.25 under this subdivision.

5.26 Subd. 9. **Qualified project investor tax credits.** (a) A taxpayer who makes a
5.27 qualified investment in a qualified workforce housing project is allowed a tax credit
5.28 for 30 percent of the amount of the qualified investment, up to \$1,000,000, to reduce
5.29 the taxpayer's income or corporate franchise tax under chapter 290 in the year that the
5.30 qualified workforce housing project has housing units that are certified for occupancy
5.31 by the Department of Labor and Industry. The director must not allocate more than
5.32 \$20,000,000 in credits to qualified project investors for a taxable year, except that the
5.33 director may use available tax credit allocations from subdivision 8 for the qualified
5.34 project investor tax credits under this subdivision when necessary to achieve the goals of
5.35 the Office of Workforce Housing. The director must not exceed a total allocation of tax
5.36 credits for both programs in an amount greater than \$30,000,000 annually.

6.1 (b) The director shall not allocate a credit if the investor is an officer or principal of a
6.2 business or sole proprietorship, or a family member of an officer or principal of a business
6.3 or sole proprietorship, that is competing for a grant through the workforce housing fund in
6.4 the year the tax credit would be awarded.

6.5 (c) Applications for tax credits for a taxable year must be made available by the
6.6 Office of Workforce Housing by November 1 of the prior year. The office must make
6.7 every effort to provide applications and relevant data to applicants in a simple, concise
6.8 manner using plain language. Tax credits must be allocated to qualified project investors
6.9 in the order that the tax credit request applications are filed with the office. The director
6.10 must approve or reject tax credit request applications within 15 days of receiving the
6.11 application. The investment specified in the application must be made within 60 days
6.12 of the allocation of the credit. If the investment is not made within 60 days, the credit
6.13 allocation is canceled. A qualified project investor who fails to invest as specified in the
6.14 application must notify the commissioner immediately and no later than five business
6.15 days after the expiration of the 60-day investment period. The director may require an
6.16 application fee for the applications submitted under this subdivision.

6.17 (d) All tax credit request applications filed with the department on the same day
6.18 must be treated as having been filed contemporaneously. If two or more qualified project
6.19 investors file tax credit request applications on the same day, and the aggregate amount of
6.20 credit allocation claims exceeds the aggregate limit of credits under this section or the lesser
6.21 amount of credits that remain unallocated on that day, then the credits must be allocated
6.22 among the qualified project investors who filed on that day on a pro rata basis with respect
6.23 to the amounts claimed. The pro rata allocation for any one qualified project investor is the
6.24 product obtained by multiplying a fraction, the numerator of which is the amount of the
6.25 credit allocation claim filed on behalf of a qualified project investor and the denominator
6.26 of which is the total of all credit allocation claims filed on behalf of all applicants on that
6.27 day, by the amount of credits that remain unallocated on that day for the taxable year.

6.28 (e) The director must notify the commissioner of revenue of credit certificates issued
6.29 under this subdivision.

6.30 Subd. 10. **Transfer and revocation of credits.** (a) A tax credit under this section
6.31 is not transferable to any other taxpayer.

6.32 (b) If the director discovers that a qualified local investor or qualified project investor
6.33 did not meet the eligibility requirements for the tax credits under this section after the
6.34 credits have been allocated, the director may determine that credit allocated is revoked
6.35 and must be repaid by the investor. The director must notify the commissioner of revenue
6.36 of every credit revoked and subject to full or partial repayment under this section.

7.1 Subd. 11. **Data privacy.** Data contained in an application submitted to the Office
7.2 of Workforce Housing are nonpublic data, or private data on an individual, as defined in
7.3 section 13.02, subdivision 9 or 12, except that the following data items are public:

7.4 (1) the name, mailing address, telephone number, e-mail address, contact person's
7.5 name, and industry type of a qualified local investor upon approval of the application and
7.6 certification by the director under subdivision 8, 9, or 10;

7.7 (2) for credit certificates issued under subdivision 8 or 9, the amount of the credit
7.8 certificate issued, the amount of the qualifying investment, the name of the qualifying
7.9 investor that received the certificate, and the name of the workforce housing project for
7.10 which the qualifying investment was made, if any; and

7.11 (3) for credits revoked under subdivision 10, the amount revoked and the name
7.12 of the qualified investor.

7.13 Subd. 12. **Reporting.** Beginning in 2016, the director must annually report by
7.14 March 15 to the chairs and ranking minority members of the legislative committees
7.15 with jurisdiction over taxes and economic development in the senate and house of
7.16 representatives, in compliance with sections 3.195 and 3.197, on tax credits issued
7.17 under this section and the workforce housing projects funded by the workforce housing
7.18 development fund. The report must include:

7.19 (1) information about the availability of workforce housing in Greater Minnesota;

7.20 (2) information from employers and communities in Greater Minnesota about
7.21 whether or not workforce housing needs are being met;

7.22 (3) which projects have been funded by the workforce housing fund and whether
7.23 previously funded projects have created economic growth;

7.24 (4) a summary of the Office of Workforce Housing activities to coordinate workforce
7.25 housing for the state;

7.26 (5) any suggested legislation to accelerate construction of workforce housing;

7.27 (6) the number and amount of tax credits issued and the identity of the recipients;

7.28 (7) the amount of investments made to the fund and whether or not those funds
7.29 were for a preferred project;

7.30 (8) the number and amount of tax credits revoked under subdivision 10; and

7.31 (9) any other relevant information needed to evaluate the effect of the grants and tax
7.32 credits available through the Office of Workforce Housing.

7.33 Subd. 13. **Appropriations.** Amounts in the workforce housing fund are appropriated
7.34 to the commissioner of employment and economic development for costs associated with
7.35 the administration of applications and for the personnel and administrative expenses related
7.36 to administering the workforce housing grant program and investor tax credit programs.

8.1 **EFFECTIVE DATE.** The tax credits in this section are effective for taxable years
8.2 beginning after December 31, 2015.

8.3 Sec. 2. Minnesota Statutes 2014, section 290.06, is amended by adding a subdivision
8.4 to read:

8.5 Subd. 37. **Workforce housing tax credit.** (a) A taxpayer is allowed a credit against
8.6 the tax under subdivision 1 or 2c equal to the amount certified by the director of workforce
8.7 housing under section 116J.549, to the taxpayer for the taxable year.

8.8 (b) Credits allowed to a partnership, limited liability company taxed as a partnership,
8.9 corporation, or multiple owners of property are passed through to the partners, members,
8.10 shareholders, or owners, respectively, pro rata to each partner, member, shareholder, or
8.11 owner based on that person's share of the entity's income for the taxable year.

8.12 (c)(1) The credit is limited to the liability for tax. "Liability for tax" for purposes of
8.13 this subdivision means the tax imposed under subdivision 1 or 2c, as applicable, for the
8.14 taxable year reduced by the sum of the nonrefundable credits allowed under this chapter.

8.15 (2) For a corporation that is a partner in a partnership, the credit allowed for the
8.16 taxable year is limited to the lesser of the amount determined under clause (1) for the
8.17 taxable year or an amount, separately computed with respect to the corporation's interest
8.18 in the trade, business, or entity, equal to the amount of tax attributable to that portion of
8.19 taxable income that is allocable or apportionable to the corporation's interest in the trade,
8.20 business, or entity.

8.21 (3) If the amount of the credit determined under this subdivision for any taxable year
8.22 exceeds the limitation under clause (1), the excess is a credit carryover to each of the ten
8.23 succeeding taxable years. The entire amount of the excess unused credit for the taxable
8.24 year is carried first to the earliest of the taxable years to which the credit may be carried
8.25 and then to each successive year to which the credit may be carried. The amount of the
8.26 unused credit that may be added under this clause is limited to the taxpayer's liability
8.27 for tax, less the credit for the taxable year.

8.28 **EFFECTIVE DATE.** The tax credits in this section are effective for taxable years
8.29 beginning after December 31, 2015.

8.30 Sec. 3. Minnesota Statutes 2014, section 297A.71, is amended by adding a subdivision

8.33 Purchase of materials and supplies used or consumed in and equipment incorporated into
8.34 the construction, improvement, or expansion of qualified workforce housing projects

9.2 has been awarded a grant by the Office of Workforce Housing through the workforce
9.3 housing fund and the director of workforce housing has granted the qualified workforce
9.4 housing project the sales tax exemption under section 116J.549, subdivision 7. The tax
9.5 must be imposed and collected as if the rate under section 297A.62, subdivision 1, applied,
9.6 and then refunded in the manner provided in section 297A.75.

9.7 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
9.8 December 31, 2015.

9.9 Sec. 4. **APPROPRIATION; OFFICE OF WORKFORCE HOUSING.**
