3.5 (c) The court shall award reasonable attorney fees to a prevailing plaintiff who has
3.6 brought an action under this subdivision if the government entity that is the defendant in
3.7 the action was also the subject of a written opinion issued under section 13.072 and the
3.8 court finds that the opinion is directly related to the cause of action being litigated and that

19.25 (c) A dentist, dental hygienist, or dental assistant practicing under a guest license

 19.28 Minnesota and the regulatory authority of the board. If the board suspends or revokes the
 19.29 guest license of, or otherwise disciplines, a dentist, dental hygienist, or dental assistant
 19.30 practicing under this subdivision, the board shall promptly report such disciplinary action
 19.31 to the dentist's, dental hygienist's, or dental assistant's regulatory board in the jurisdictions

20.10 The guest license for volunteer services shall limit the licensee to providing dental
20.11 care services for a period of time not to exceed ten days in a calendar year. Guest licenses
20.12 expire on December 31 of each year.

20.13 The holder of a guest license for volunteer services shall be subject to state laws and

20.20 to read:

20.21 Subd. 83a. **Tow truck or towing vehicle.** "Tow truck" or "towing vehicle" has the
20.22 meaning given in section 168B.011, subdivision 12a.

20.23 Sec. 38. Minnesota Statutes 2012, section 216B.16, subdivision 6b, is amended to read:

20.24 Subd. 6b. **Energy conservation improvement.** (a) Except as otherwise provided
20.25 in this subdivision, all investments and expenses of a public utility as defined in
20.26 section 216B.241, subdivision 1, paragraph ~~(f)~~ (h), incurred in connection with energy
20.27 conservation improvements shall be recognized and included by the commission in the
20.28 determination of just and reasonable rates as if the investments and expenses were directly
20.29 made or incurred by the utility in furnishing utility service.

20.30 (b) The commission shall not include investments and expenses for energy
20.31 conservation improvements in determining (i) just and reasonable electric rates for retail
20.32 electric service provided to large customer facilities whose electric utilities have been
20.33 exempted by the commissioner under section 216B.241, subdivision 1a, paragraph (b),
20.34 with respect to those large customer facilities; or (ii) just and reasonable gas rates for

21.1 large energy facilities, large customer facilities whose natural gas utilities have been
21.2 exempted by the commissioner under section 216B.241, subdivision 1a, paragraph (b), or
21.3 commercial gas customer facilities whose natural gas utilities have been exempted by the
21.4 commissioner under section 216B.241, subdivision 1a, paragraph (c).

21.5 (c) The commission may permit a public utility to file rate schedules providing for
21.6 annual recovery of the costs of energy conservation improvements. These rate schedules
21.7 may be applicable to less than all the customers in a class of retail customers if necessary
21.8 to reflect the requirements of section 216B.241. The commission shall allow a public
21.9 utility, without requiring a general rate filing under this section, to reduce the electric rates
21.10 applicable to large customer facilities that have been exempted by the commissioner under
21.11 section 216B.241, subdivision 1a, paragraph (b), and to reduce the gas rate applicable to a

21.14 (b) or (c), or by the commission under section 216B.241, subdivision 2, by an amount that
21.15 reflects the elimination of energy conservation improvement investments or expenditures
21.16 for those facilities. In the event that the commission has set electric or gas rates based on
21.17 the use of an accounting methodology that results in the cost of conservation improvements
21.18 being recovered from utility customers over a period of years, the rate reduction may
21.19 occur in a series of steps to coincide with the recovery of balances due to the utility for
21.20 conservation improvements made by the utility on or before December 31, 2007.

21.21 (d) Investments and expenses of a public utility shall not include electric utility
21.22 infrastructure costs as defined in section 216B.1636, subdivision 1, paragraph (b).

21.30 municipality; except that, if another board, commission, or body is empowered by law or
21.31 resolution of the city council or by its charter to establish and regulate rates and days for the
21.32 distribution of electric energy within the service area of the city, that board, commission,
21.33 or body shall be considered the governing body of the municipal electric utility.

23.1 Subd. 2. **Relationship to other standards governing home and community-based**
23.2 **services.** (a) A license holder governed by this chapter is also subject to the licensure

23.19 chapter 245B will be met for all persons receiving these services from the program. For
23.20 the purposes of this paragraph, if the license holder has obtained approval from the
23.21 commissioner for an alternative inspection status according to section 245B.031, that
23.22 approval will apply to all persons receiving services in the program.

23.23 Sec. 45. Minnesota Statutes 2012, section 252.27, subdivision 2a, is amended to read:

23.24 Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor
23.25 child, including a child determined eligible for medical assistance without consideration of
23.26 parental income, must contribute to the cost of services used by making monthly payments
23.27 on a sliding scale based on income, unless the child is married or has been married,
23.28 parental rights have been terminated, or the child's adoption is subsidized according to
23.29 ~~section 259.67~~ chapter 259A or through title IV-E of the Social Security Act. The parental
23.30 contribution is a partial or full payment for medical services provided for diagnostic,
23.31 therapeutic, curing, treating, mitigating, rehabilitation, maintenance, and personal care
23.32 services as defined in United States Code, title 26, section 213, needed by the child with a
23.33 chronic illness or disability.

24.1 (b) For households with adjusted gross income equal to or greater than 100 percent
24.2 of federal poverty guidelines, the parental contribution shall be computed by applying the
24.3 following schedule of rates to the adjusted gross income of the natural or adoptive parents:

24.4 (1) if the adjusted gross income is equal to or greater than 100 percent of federal
24.5 poverty guidelines and less than 175 percent of federal poverty guidelines, the parental
24.6 contribution is \$4 per month;

24.7 (2) if the adjusted gross income is equal to or greater than 175 percent of federal
24.8 poverty guidelines and less than or equal to 545 percent of federal poverty guidelines,
24.9 the parental contribution shall be determined using a sliding fee scale established by the
24.10 commissioner of human services which begins at one percent of adjusted gross income
24.11 at 175 percent of federal poverty guidelines and increases to 7.5 percent of adjusted
24.12 gross income for those with adjusted gross income up to 545 percent of federal poverty
24.13 guidelines;

24.14 (3) if the adjusted gross income is greater than 545 percent of federal poverty
24.15 guidelines and less than 675 percent of federal poverty guidelines, the parental
24.16 contribution shall be 7.5 percent of adjusted gross income;

24.17 (4) if the adjusted gross income is equal to or greater than 675 percent of federal
24.18 poverty guidelines and less than 975 percent of federal poverty guidelines, the parental
24.19 contribution shall be determined using a sliding fee scale established by the commissioner
24.20 of human services which begins at 7.5 percent of adjusted gross income at 675 percent of
24.21 federal poverty guidelines and increases to ten percent of adjusted gross income for those
24.22 with adjusted gross income up to 975 percent of federal poverty guidelines; and

24.23 (5) if the adjusted gross income is equal to or greater than 975 percent of federal
24.24 poverty guidelines, the parental contribution shall be 12.5 percent of adjusted gross income.

24.25 If the child lives with the parent, the annual adjusted gross income is reduced by
24.26 \$2,400 prior to calculating the parental contribution. If the child resides in an institution
24.27 specified in section 256B.35, the parent is responsible for the personal needs allowance
24.28 specified under that section in addition to the parental contribution determined under this
24.29 section. The parental contribution is reduced by any amount required to be paid directly to
24.30 the child pursuant to a court order, but only if actually paid.

24.31 (c) The household size to be used in determining the amount of contribution under
24.32 paragraph (b) includes natural and adoptive parents and their dependents, including the
24.33 child receiving services. Adjustments in the contribution amount due to annual changes
24.34 in the federal poverty guidelines shall be implemented on the first day of July following
24.35 publication of the changes.

25.1 (d) For purposes of paragraph (b), "income" means the adjusted gross income of the
25.2 natural or adoptive parents determined according to the previous year's federal tax form,
25.3 except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds
25.4 have been used to purchase a home shall not be counted as income.

25.5 (e) The contribution shall be explained in writing to the parents at the time eligibility
25.6 for services is being determined. The contribution shall be made on a monthly basis
25.7 effective with the first month in which the child receives services. Annually upon
25.8 redetermination or at termination of eligibility, if the contribution exceeded the cost of
25.9 services provided, the local agency or the state shall reimburse that excess amount to
25.10 the parents, either by direct reimbursement if the parent is no longer required to pay a
25.11 contribution, or by a reduction in or waiver of parental fees until the excess amount is
25.12 exhausted. All reimbursements must include a notice that the amount reimbursed may be
25.13 taxable income if the parent paid for the parent's fees through an employer's health care
25.14 flexible spending account under the Internal Revenue Code, section 125, and that the
25.15 parent is responsible for paying the taxes owed on the amount reimbursed.

25.16 (f) The monthly contribution amount must be reviewed at least every 12 months;
25.17 when there is a change in household size; and when there is a loss of or gain in income
25.18 from one month to another in excess of ten percent. The local agency shall mail a written
25.19 notice 30 days in advance of the effective date of a change in the contribution amount.
25.20 A decrease in the contribution amount is effective in the month that the parent verifies a
25.21 reduction in income or change in household size.

25.22 (g) Parents of a minor child who do not live with each other shall each pay the
25.23 contribution required under paragraph (a). An amount equal to the annual court-ordered
25.24 child support payment actually paid on behalf of the child receiving services shall be
25.25 deducted from the adjusted gross income of the parent making the payment prior to
25.26 calculating the parental contribution under paragraph (b).

25.27 (h) The contribution under paragraph (b) shall be increased by an additional five
25.28 percent if the local agency determines that insurance coverage is available but not
25.29 obtained for the child. For purposes of this section, "available" means the insurance is a
25.30 benefit of employment for a family member at an annual cost of no more than five percent
25.31 of the family's annual income. For purposes of this section, "insurance" means health
25.32 and accident insurance coverage, enrollment in a nonprofit health service plan, health
25.33 maintenance organization, self-insured plan, or preferred provider organization.

25.34 Parents who have more than one child receiving services shall not be required
25.35 to pay more than the amount for the child with the highest expenditures. There shall
25.36 be no resource contribution from the parents. The parent shall not be required to pay

26.1 a contribution in excess of the cost of the services provided to the child, not counting
26.2 payments made to school districts for education-related services. Notice of an increase in
26.3 fee payment must be given at least 30 days before the increased fee is due.

26.4 (i) The contribution under paragraph (b) shall be reduced by \$300 per fiscal year if,
26.5 in the 12 months prior to July 1:

26.6 (1) the parent applied for insurance for the child;

26.7 (2) the insurer denied insurance;

26.8 (3) the parents submitted a complaint or appeal, in writing to the insurer, submitted
26.9 a complaint or appeal, in writing, to the commissioner of health or the commissioner of
26.10 commerce, or litigated the complaint or appeal; and

26.11 (4) as a result of the dispute, the insurer reversed its decision and granted insurance.

26.12 For purposes of this section, "insurance" has the meaning given in paragraph (h).

26.13 A parent who has requested a reduction in the contribution amount under this
26.14 paragraph shall submit proof in the form and manner prescribed by the commissioner or
26.15 county agency, including, but not limited to, the insurer's denial of insurance, the written
26.16 letter or complaint of the parents, court documents, and the written response of the insurer
26.17 approving insurance. The determinations of the commissioner or county agency under this
26.18 paragraph are not rules subject to chapter 14.

26.19 (j) Notwithstanding paragraph (b), for the period from July 1, 2010, to June 30,
26.20 2015, the parental contribution shall be computed by applying the following contribution
26.21 schedule to the adjusted gross income of the natural or adoptive parents:

26.22 (1) if the adjusted gross income is equal to or greater than 100 percent of federal
26.23 poverty guidelines and less than 175 percent of federal poverty guidelines, the parental
26.24 contribution is \$4 per month;

26.25 (2) if the adjusted gross income is equal to or greater than 175 percent of federal
26.26 poverty guidelines and less than or equal to 525 percent of federal poverty guidelines,
26.27 the parental contribution shall be determined using a sliding fee scale established by the
26.28 commissioner of human services which begins at one percent of adjusted gross income
26.29 at 175 percent of federal poverty guidelines and increases to eight percent of adjusted
26.30 gross income for those with adjusted gross income up to 525 percent of federal poverty
26.31 guidelines;

26.32 (3) if the adjusted gross income is greater than 525 percent of federal poverty
26.33 guidelines and less than 675 percent of federal poverty guidelines, the parental
26.34 contribution shall be 9.5 percent of adjusted gross income;

26.35 (4) if the adjusted gross income is equal to or greater than 675 percent of federal
26.36 poverty guidelines and less than 900 percent of federal poverty guidelines, the parental

27.1 contribution shall be determined using a sliding fee scale established by the commissioner
27.2 of human services which begins at 9.5 percent of adjusted gross income at 675 percent of
27.3 federal poverty guidelines and increases to 12 percent of adjusted gross income for those
27.4 with adjusted gross income up to 900 percent of federal poverty guidelines; and

27.5 (5) if the adjusted gross income is equal to or greater than 900 percent of federal
27.6 poverty guidelines, the parental contribution shall be 13.5 percent of adjusted gross
27.7 income. If the child lives with the parent, the annual adjusted gross income is reduced by
27.8 \$2,400 prior to calculating the parental contribution. If the child resides in an institution
27.9 specified in section 256B.35, the parent is responsible for the personal needs allowance
27.10 specified under that section in addition to the parental contribution determined under this
27.11 section. The parental contribution is reduced by any amount required to be paid directly to
27.12 the child pursuant to a court order, but only if actually paid.

27.13 Sec. 46. Minnesota Statutes 2012, section 256B.055, subdivision 1, is amended to read:

27.14 Subdivision 1. **Children eligible for subsidized adoption assistance.** Medical
27.15 assistance may be paid for a child eligible for or receiving adoption assistance payments
27.16 under title IV-E of the Social Security Act, United States Code, title 42, sections 670 to
27.17 676, and to any child who is not title IV-E eligible but who was determined eligible for
27.18 adoption assistance under section ~~259.67, subdivision 4, paragraphs (a) to (e)~~ 259A.10,
27.19 subdivision 2, and has a special need for medical or rehabilitative care.

27.20 Sec. 47. Minnesota Statutes 2012, section 256B.0595, subdivision 4, is amended to read:

27.21 Subd. 4. **Other exceptions to transfer prohibition.** (a) An institutionalized person,
27.22 as defined in subdivision 1, paragraph (h), who has made, or whose spouse has made a
27.23 transfer prohibited by subdivision 1, is not ineligible for long-term care services if one of
27.24 the following conditions applies:

27.25 (1) the assets were transferred to the individual's spouse or to another for the sole
27.26 benefit of the spouse; or

27.27 (2) the institutionalized spouse, prior to being institutionalized, transferred assets
27.28 to a spouse, provided that the spouse to whom the assets were transferred does not then
27.29 transfer those assets to another person for less than fair market value. (At the time when
27.30 one spouse is institutionalized, assets must be allocated between the spouses as provided
27.31 under section 256B.059); or

27.32 (3) the assets were transferred to the individual's child who is blind or permanently
27.33 and totally disabled as determined in the supplemental security income program; or

28.1 (4) a satisfactory showing is made that the individual intended to dispose of the
28.2 assets either at fair market value or for other valuable consideration; or

28.3 (5) the local agency determines that denial of eligibility for long-term care
28.4 services would work an undue hardship and grants a waiver of a period of ineligibility
28.5 resulting from a transfer for less than fair market value based on an imminent threat to
28.6 the individual's health and well-being. Imminent threat to the individual's health and
28.7 well-being means that imposing a period of ineligibility would endanger the individual's
28.8 health or life or cause serious deprivation of food, clothing, or shelter. Whenever an
28.9 applicant or recipient is denied eligibility because of a transfer for less than fair market
28.10 value, the local agency shall notify the applicant or recipient that the applicant or recipient
28.11 may request a waiver of the period of ineligibility if the denial of eligibility will cause
28.12 undue hardship. With the written consent of the individual or the personal representative
28.13 of the individual, a long-term care facility in which an individual is residing may file an
28.14 undue hardship waiver request, on behalf of the individual who is denied eligibility for
28.15 long-term care services on or after July 1, 2006, due to a period of ineligibility resulting
28.16 from a transfer on or after February 8, 2006; or

28.17 (6) for transfers occurring after August 10, 1993, the assets were transferred by the
28.18 person or the person's spouse: (i) into a trust established for the sole benefit of a son or
28.19 daughter of any age who is blind or disabled as defined by the Supplemental Security

 34.6 specific timeline, to which the prospective adoptive parents have agreed, the time for filing
 34.7 a petition be extended long enough to complete the plan because such an extension is in
 34.8 the best interests of the child and additional time is needed for the child to adjust to the
 34.9 adoptive home; or

34.10 (3) that the child be removed from the prospective adoptive home.

34.11 The prospective adoptive parent must reimburse an agency for the cost of preparing

 34.19 child, adoptive parents assume all the rights and responsibilities of birth parents. The
 34.20 responsibilities include providing for the child's financial support and caring for health,
 34.21 emotional, and behavioral problems. Except for subsidized adoptions under Minnesota
 34.22 Statutes, ~~section 259.67~~ chapter 259A, or any other provisions of law that expressly apply
 34.23 to adoptive parents and children, adoptive parents are not eligible for state or federal
 34.24 financial subsidies besides those that a birth parent would be eligible to receive for a child.
 34.25 Adoptive parents may not terminate their parental rights to a legally adopted child for a
 34.26 reason that would not apply to a birth parent seeking to terminate rights to a child. An
 34.27 individual who takes guardianship of a child for the purpose of adopting the child shall,
 34.28 upon taking guardianship from the child's country of origin, assume all the rights and
 34.29 responsibilities of birth and adoptive parents as stated in this paragraph."

35.12 as defined in subdivision 15;

35.13 (3) is without necessary food, clothing, shelter, education, or other required care

35.17 condition because the child's parent, guardian, or custodian is unable or unwilling to

35.24 medical judgment, will be most likely to be effective in ameliorating or correcting all
35.25 conditions, except that the term does not include the failure to provide treatment other
35.26 than appropriate nutrition, hydration, or medication to an infant when, in the treating
35.27 physician's or physicians' reasonable medical judgment:

35.28 (i) the infant is chronically and irreversibly comatose;

35.29 (ii) the provision of the treatment would merely prolong dying, not be effective in
35.30 ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be
35.31 futile in terms of the survival of the infant; or

35.32 (iii) the provision of the treatment would be virtually futile in terms of the survival
35.33 of the infant and the treatment itself under the circumstances would be inhumane;

35.34 (6) is one whose parent, guardian, or other custodian for good cause desires to be
35.35 relieved of the child's care and custody, including a child who entered foster care under a

36.1 voluntary placement agreement between the parent and the responsible social services
36.2 agency under section 260C.227;

36.3 (7) has been placed for adoption or care in violation of law;

36.5 disability, or state of immaturity of the child's parent, guardian, or other custodian;

36.6 (9) is one whose behavior, condition, or environment is such as to be injurious or
36.7 dangerous to the child or others. An injurious or dangerous environment may include, but
36.8 is not limited to, the exposure of a child to criminal activity in the child's home;

36.9 (10) is experiencing growth delays, which may be referred to as failure to thrive, that
36.10 have been diagnosed by a physician and are due to parental neglect;

36.11 (11) has engaged in prostitution as defined in section 609.321, subdivision 9;

36.12 (12) has committed a delinquent act or a juvenile petty offense before becoming
36.13 ten years old;

36.14 (13) is a runaway;

36.15 (14) is a habitual truant;

36.16 (15) has been found incompetent to proceed or has been found not guilty by reason
36.17 of mental illness or mental deficiency in connection with a delinquency proceeding, a
36.18 certification under section 260B.125, an extended jurisdiction juvenile prosecution, or a
36.19 proceeding involving a juvenile petty offense;

36.20 (16) has a parent whose parental rights to one or more other children were
36.21 involuntarily terminated or whose custodial rights to another child have been involuntarily
36.22 transferred to a relative and there is a case plan prepared by the responsible social services
36.23 agency documenting a compelling reason why filing the termination of parental rights
36.24 petition under section ~~260C.301, subdivision 3~~ 260C.503, subdivision 2, is not in the best
36.25 interests of the child; or

36.26 (17) is a sexually exploited youth.

36.27 Sec. 56. Minnesota Statutes 2012, section 260C.007, subdivision 8, is amended to read:

36.32 noncustodial parent under section ~~260C.301, subdivision 3~~ 260C.503, subdivision 2.

37.4 Saturdays, Sundays, and holidays, to determine whether the child should continue in
37.5 custody.

37.6 (b) Unless there is reason to believe that the child would endanger self or others or
37.7 not return for a court hearing, or that the child's health or welfare would be immediately
37.8 endangered, the child shall be released to the custody of a parent, guardian, custodian,
37.9 or other suitable person, subject to reasonable conditions of release including, but not
37.10 limited to, a requirement that the child undergo a chemical use assessment as provided in

37.12 (c) If the court determines there is reason to believe that the child would endanger
37.13 self or others or not return for a court hearing, or that the child's health or welfare would
37.14 be immediately endangered if returned to the care of the parent or guardian who has
37.15 custody and from whom the child was removed, the court shall order the child into
37.16 foster care under the legal responsibility of the responsible social services agency or
37.17 responsible probation or corrections agency for the purposes of protective care as that term
37.18 is used in the juvenile court rules or into the home of a noncustodial parent and order the
37.19 noncustodial parent to comply with any conditions the court determines to be appropriate
37.20 to the safety and care of the child, including cooperating with paternity establishment
37.21 proceedings in the case of a man who has not been adjudicated the child's father. The

37.23 visit at any time prior to adjudication and disposition under section 260C.201, subdivision

37.25 guardian who has custody and from whom the child was removed and order the parent or
37.26 guardian to comply with any conditions the court determines to be appropriate to meet
37.27 the safety, health, and welfare of the child.

37.28 (d) In determining whether the child's health or welfare would be immediately
37.29 endangered, the court shall consider whether the child would reside with a perpetrator
37.30 of domestic child abuse.

37.31 (e) The court, before determining whether a child should be placed in or continue
37.32 in foster care under the protective care of the responsible agency, shall also make a
37.33 determination, consistent with section 260.012 as to whether reasonable efforts were made
37.34 to prevent placement or whether reasonable efforts to prevent placement are not required.
37.35 In the case of an Indian child, the court shall determine whether active efforts, according
37.36 to the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912(d),

38.1 were made to prevent placement. The court shall enter a finding that the responsible
38.2 social services agency has made reasonable efforts to prevent placement when the agency
38.3 establishes either:

38.4 (1) that it has actually provided services or made efforts in an attempt to prevent
38.5 the child's removal but that such services or efforts have not proven sufficient to permit
38.6 the child to safely remain in the home; or

38.7 (2) that there are no services or other efforts that could be made at the time of the
38.8 hearing that could safely permit the child to remain home or to return home. When
38.9 reasonable efforts to prevent placement are required and there are services or other efforts
38.10 that could be ordered which would permit the child to safely return home, the court shall
38.11 order the child returned to the care of the parent or guardian and the services or efforts put
38.12 in place to ensure the child's safety. When the court makes a prima facie determination
38.13 that one of the circumstances under paragraph (g) exists, the court shall determine that
38.14 reasonable efforts to prevent placement and to return the child to the care of the parent or
38.15 guardian are not required.

38.16 If the court finds the social services agency's preventive or reunification efforts
38.17 have not been reasonable but further preventive or reunification efforts could not permit
38.18 the child to safely remain at home, the court may nevertheless authorize or continue
38.19 the removal of the child.

38.20 (f) The court may not order or continue the foster care placement of the child unless
38.21 the court makes explicit, individualized findings that continued custody of the child by
38.22 the parent or guardian would be contrary to the welfare of the child and that placement is
38.23 in the best interest of the child.

38.24 (g) At the emergency removal hearing, or at any time during the course of the
38.25 proceeding, and upon notice and request of the county attorney, the court shall determine
38.26 whether a petition has been filed stating a prima facie case that:

38.27 (1) the parent has subjected a child to egregious harm as defined in section
38.28 260C.007, subdivision 14;

38.29 (2) the parental rights of the parent to another child have been involuntarily
38.30 terminated;

38.31 (3) the child is an abandoned infant under section 260C.301, subdivision 2,
38.32 paragraph (a), clause (2);

38.33 (4) the parents' custodial rights to another child have been involuntarily transferred
38.34 to a relative under Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph
38.35 (e), clause (1); section 260C.515, subdivision 4; or a similar law of another jurisdiction;

39.1 (5) the parent has committed sexual abuse as defined in section 626.556, subdivision
39.2 2, against the child or another child of the parent;

39.3 (6) the parent has committed an offense that requires registration as a predatory
39.4 offender under section 243.166, subdivision 1b, paragraph (a) or (b); or

39.5 (7) the provision of services or further services for the purpose of reunification is
39.6 futile and therefore unreasonable.

39.7 (h) When a petition to terminate parental rights is required under section 260C.301,
39.8 subdivision ~~3~~ or 4, or 260C.503, subdivision 2, but the county attorney has determined not
39.9 to proceed with a termination of parental rights petition, and has instead filed a petition to
39.10 transfer permanent legal and physical custody to a relative under section 260C.507, the
39.11 court shall schedule a permanency hearing within 30 days of the filing of the petition.

39.12 (i) If the county attorney has filed a petition under section 260C.307, the court shall
39.13 schedule a trial under section 260C.163 within 90 days of the filing of the petition except
39.14 when the county attorney determines that the criminal case shall proceed to trial first under
39.15 section 260C.503, subdivision 2, paragraph (c).

39.16 (j) If the court determines the child should be ordered into foster care and the child's
39.17 parent refuses to give information to the responsible social services agency regarding
39.18 the child's father or relatives of the child, the court may order the parent to disclose the
39.19 names, addresses, telephone numbers, and other identifying information to the responsible
39.20 social services agency for the purpose of complying with sections 260C.151, 260C.212,
39.21 260C.215, and 260C.221.

39.22 (k) If a child ordered into foster care has siblings, whether full, half, or step, who
39.23 are also ordered into foster care, the court shall inquire of the responsible social services
39.24 agency of the efforts to place the children together as required by section 260C.212,
39.25 subdivision 2, paragraph (d), if placement together is in each child's best interests, unless
39.26 a child is in placement for treatment or a child is placed with a previously noncustodial
39.27 parent who is not a parent to all siblings. If the children are not placed together at the time
39.28 of the hearing, the court shall inquire at each subsequent hearing of the agency's reasonable
39.29 efforts to place the siblings together, as required under section 260.012. If any sibling is
39.30 not placed with another sibling or siblings, the agency must develop a plan to facilitate
39.31 visitation or ongoing contact among the siblings as required under section 260C.212,
39.32 subdivision 1, unless it is contrary to the safety or well-being of any of the siblings to do so.

39.33 (l) When the court has ordered the child into foster care or into the home of a
39.34 noncustodial parent, the court may order a chemical dependency evaluation, mental health
39.35 evaluation, medical examination, and parenting assessment for the parent as necessary
39.36 to support the development of a plan for reunification required under subdivision 7 and

40.1 section 260C.212, subdivision 1, or the child protective services plan under section
40.2 626.556, subdivision 10, and Minnesota Rules, part 9560.0228.

40.3 Sec. 58. Minnesota Statutes 2012, section 260C.503, subdivision 2, is amended to read:

40.4 Subd. 2. **Termination of parental rights.** (a) The responsible social services
40.5 agency must ask the county attorney to immediately file a termination of parental rights
40.6 petition when:

40.7 (1) the child has been subjected to egregious harm as defined in section 260C.007,
40.8 subdivision 14;

40.9 (2) the child is determined to be the sibling of a child who was subjected to
40.10 egregious harm;

40.11 (3) the child is an abandoned infant as defined in section ~~260C.301, subdivision 3,~~
40.12 ~~paragraph (b), clause (2)~~ 260C.301, subdivision 2, paragraph (a), clause (2);

40.13 (4) the child's parent has lost parental rights to another child through an order
40.14 involuntarily terminating the parent's rights;

40.15 (5) the parent has committed sexual abuse as defined in section 626.556, subdivision
40.16 2, against the child or another child of the parent;

40.17 (6) the parent has committed an offense that requires registration as a predatory
40.18 offender under section 243.166, subdivision 1b, paragraph (a) or (b); or

40.19 (7) another child of the parent is the subject of an order involuntarily transferring
40.20 permanent legal and physical custody of the child to a relative under this chapter or a
40.21 similar law of another jurisdiction;

40.22 The county attorney shall file a termination of parental rights petition unless the conditions
40.23 of paragraph (d) are met.

40.24 (b) When the termination of parental rights petition is filed under this subdivision,
40.25 the responsible social services agency shall identify, recruit, and approve an adoptive
40.26 family for the child. If a termination of parental rights petition has been filed by another
40.27 party, the responsible social services agency shall be joined as a party to the petition.

40.28 (c) If criminal charges have been filed against a parent arising out of the conduct
40.29 alleged to constitute egregious harm, the county attorney shall determine which matter
40.30 should proceed to trial first, consistent with the best interests of the child and subject
40.31 to the defendant's right to a speedy trial.

40.32 (d) The requirement of paragraph (a) does not apply if the responsible social services
40.33 agency and the county attorney determine and file with the court:

40.34 (1) a petition for transfer of permanent legal and physical custody to a relative under
40.35 sections 260C.505 and 260C.515, subdivision 3, including a determination that adoption

41.1 is not in the child's best interests and that transfer of permanent legal and physical custody
 41.2 is in the child's best interests; or

41.3 (2) a petition under section 260C.141 alleging the child, and where appropriate,
 41.4 the child's siblings, to be in need of protection or services accompanied by a case plan
 41.5 prepared by the responsible social services agency documenting a compelling reason why
 41.6 filing a termination of parental rights petition would not be in the best interests of the child.

41.7 Sec. 59. Minnesota Statutes 2012, section 272.488, subdivision 2, is amended to read:

41.8 Subd. 2. **Central database.** County recorders and the secretary of state shall enter
 41.9 information relative to lien notices, releases, revocations of release, and refilings of any of
 41.10 those items into the computerized database system of the secretary of state. For notices
 41.11 transmitted electronically for filing with the county recorders, the date and time of filing of
 41.12 the notice and county recorder's file number, and for notices transmitted electronically
 41.13 for filing with the secretary of state, the secretary of state's filing information, must be
 41.14 entered by the filing officer into the computerized database system before the close of the
 41.15 fifth working day following the day of the original data transmission to the filing officer.
 41.16 When notices are transmitted electronically, the filing officer must file the notices no later
 41.17 than 5:00 p.m. on the business day after they were transmitted to the filing officer. All

56.11 sheriff's sale has the right to file an eviction against you in court.

56.12 **Be Careful of Foreclosure Scams**

56.13 Be careful! After the foreclosure sale, people may approach you to buy your house
56.14 or ask you to transfer your house to them for little or no money.

56.15 Before you give up the rights to your house or sign any documents (including a
56.16 deed), be sure you know how much the house sold for at the sheriff's sale and decide if
56.17 you can save the house by paying the amount of the bid, plus interest and costs.

56.18 **How to Find Out How Much Your House Sold For at the Foreclosure Sale**

56.19 The amount you need to pay to redeem your house may be less than the amount you
56.20 owed on the mortgage before the sale. You can learn what this amount is (and who the
56.21 winning bidder at the sale was) by attending the sheriff's sale or by contacting the sheriff's
56.22 office after the sale.

56.23 **You Can Also Sell Your House**

56.24 During the redemption period, if you sell your home, you must sell it for enough
56.25 to pay off the winning bidder from the sheriff's sale and pay interest, fees, and other
56.26 claims against the property. If there is any money left from the sale of the house after all
56.27 these debts are paid, you can keep the money. You can also enter into a "short sale." A
56.28 short sale is an agreement in which the lender agrees to accept less than the full amount
56.29 you owe on the mortgage.

Laws 2012, chapter 216, article 9, section 4

Sec. 4. Minnesota Statutes 2010, section 245A.11, subdivision 2a, is amended to read:

Subd. 2a. **Adult foster care license capacity.** (a) The commissioner shall issue adult foster care licenses with a maximum licensed capacity of four beds, including nonstaff roomers and boarders, except that the commissioner may issue a license with a capacity of five beds, including roomers and boarders, according to paragraphs (b) to (f).

(b) An adult foster care license holder may have a maximum license capacity of five if all persons in care are age 55 or over and do not have a serious and persistent mental illness or a developmental disability.

(c) The commissioner may grant variances to paragraph (b) to allow a foster care provider with a licensed capacity of five persons to admit an individual under the age of 55 if the variance complies with section 245A.04, subdivision 9, and approval of the variance is recommended by the county in which the licensed foster care provider is located.

(d) The commissioner may grant variances to paragraph (b) to allow the use of a fifth bed for emergency crisis services for a person with serious and persistent mental illness or a developmental disability, regardless of age, if the variance complies with section 245A.04, subdivision 9, and approval of the variance is recommended by the county in which the licensed foster care provider is located.

(e) If the 2009 legislature adopts a rate reduction that impacts providers of adult foster care services, the commissioner may issue an adult foster care license with a capacity of five adults if the fifth bed does not increase the overall statewide capacity of licensed adult foster care beds in homes that are not the primary residence of the license holder, over the licensed capacity in such homes on July 1, 2009, as identified in a plan submitted to the commissioner by the county, when the capacity is recommended by the county licensing agency of the county in which the facility is located and if the recommendation verifies that:

(1) the facility meets the physical environment requirements in the adult foster care licensing rule;

(2) the five-bed living arrangement is specified for each resident in the resident's:

(i) individualized plan of care;

(ii) individual service plan under section 256B.092, subdivision 1b, if required; or

(iii) individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart 19, if required;

(3) the license holder obtains written and signed informed consent from each resident or resident's legal representative documenting the resident's informed choice to living in the home and that the resident's refusal to consent would not have resulted in service termination; and

(4) the facility was licensed for adult foster care before March 1, 2009.

(f) The commissioner shall not issue a new adult foster care license under paragraph (e) after June 30, 2014. The commissioner shall allow a facility with an adult foster care license issued under paragraph (e) before June 30, 2016, to continue with a capacity of five adults if the license holder continues to comply with the requirements in paragraph (e).
