23.8 Subd. 2. **Selection of general incentives for review; schedule for evaluation;**
23.9 **report.** Annually, the legislative auditor shall submit to the Legislative Audit Commission
23.10 a list of three to five general incentives proposed for review. In selecting general
23.11 incentives to include on this list, the legislative auditor may consider what the incentive
23.12 will cost state and local governments in actual spending and foregone revenue currently or
23.13 projected into the future, the legislature's need for information about a general incentive
23.14 that has an upcoming expiration date, and the legislature's need for regular information on
23.15 the results of all major general incentives. Annually, the Legislative Audit Commission
23.16 will select at least one general incentive for the legislative auditor's evaluation. The
23.17 legislative auditor will evaluate the selected general incentive or incentives, prepared
23.18 according to the evaluation plan established under subdivision 4, and submit a written
23.19 report to the Legislative Audit Commission.

23.20 Subd. 3. **Exclusive incentive schedule.** The legislative auditor's schedule shall
23.21 ensure that at least once every four years the legislative auditor will complete an analysis
23.22 of best practices for exclusive incentives.

23.23 Subd. 4. **Evaluation plans.** By February 1, 2016, the Legislative Audit Commission
23.24 shall establish evaluation plans that identify elements that the legislative auditor must
23.25 include in evaluations of a general incentive and an exclusive incentive. The Legislative
23.26 Audit Commission may modify the evaluation plans as needed.

23.27 Sec. 3. **[6.481] COUNTY AUDITS.**

23.28 Subdivision 1. **Powers and duties.** All the powers and duties conferred and imposed
23.29 upon the state auditor shall be exercised and performed by the state auditor in respect to
23.30 the offices, institutions, public property, and improvements of several counties of the
23.31 state. The state auditor may visit, without previous notice, each county and examine all
23.32 accounts and records relating to the receipt and disbursement of the public funds and the
23.33 custody of the public funds and other property. The state auditor shall prescribe and install
23.34 systems of accounts and financial reports that shall be uniform, so far as practicable, for
23.35 the same class of offices.

24.1 Subd. 2. **Annual audit required.** A county must have an annual financial audit.
24.2 A county may choose to have the audit performed by the state auditor, or may choose to
24.3 have the audit performed by a CPA firm meeting the requirements of section 326A.05.
24.4 The state auditor or a CPA firm may accept the records and audit of the Department of
24.5 Human Services instead of examining county human service funds, if the audit of the
24.6 Department of Human Services has been made within any period covered by the auditor's
24.7 audit of other county records.

24.8 Subd. 3. **CPA firm audit.** A county audit performed by a CPA firm must meet
24.9 the standards and be in the form required by the state auditor. The state auditor may
24.10 require additional information from the CPA firm if the state auditor determines that is
24.11 in the public interest, but the state auditor must accept the audit unless the state auditor
24.12 determines it does not meet recognized industry auditing standards or is not in the form
24.13 required by the state auditor. The state auditor may make additional examinations as the
24.14 auditor determines to be in the public interest.

24.15 Subd. 4. **Audit availability; data.** A copy of the annual audit by the state auditor or
24.16 by a CPA firm must be available for public inspection in the Office of the State Auditor and
24.17 in the Office of the County Auditor. If an audit is performed by a CPA firm, data relating
24.18 to the audit are subject to the same data classifications that apply under section 6.715. A
24.19 CPA firm conducting a county audit must provide access to data relating to the audit and is
24.20 liable for unlawful disclosure of the data as if it were a government entity under chapter 13.

24.21 Subd. 5. **Reporting.** If an audit conducted by the state auditor or a CPA firm
24.22 discloses malfeasance, misfeasance, or nonfeasance, the auditor must report this to the
24.23 county attorney, who shall institute civil and criminal proceedings as the law and the
24.24 protection of the public interests requires.

24.25 Subd. 6. **Payments to state auditor.** A county audited by the state auditor must
24.26 pay the state auditor for the costs and expenses of the audit. If the state auditor makes
24.27 additional examinations of a county whose audit is performed by a CPA firm, the county
24.28 must pay the auditor for the cost of these examinations. Payments must be deposited in
24.29 the state auditor enterprise fund.

24.30 Subd. 7. **Procedures for change of auditor.** A county that plans to change to or
24.31 from the state auditor and a CPA firm must notify the state auditor of this change by
24.32 August 1 of an even-numbered year. Upon this notice, the following calendar year will be
24.33 the first year's records that will be subject to an audit by the new entity. A county that
24.34 changes to or from the state auditor must have two annual audits done by the new entity.

24.35 **EFFECTIVE DATE.** This section is effective August 1, 2016.

25.6 does not apply to a month in which the person's long-distance phone bill paid by the
25.7 state is less than \$5.

25.8 (b) Even if the monthly long-distance phone bill paid by the state for a person
25.9 subject to this section is less than \$5, the person is responsible for paying that portion of
25.10 the bill that does not relate to state business. As provided in section 10.46, long-distance
25.11 telephone bills paid by the state are public data, regardless of the amount of the bills.

25.12 **EFFECTIVE DATE.** This section is effective for telephone bills for usage on or
25.13 after July 1, 2015.

26.28 from the council; and (2) a member appointed by the governor may be removed by a vote
26.29 of three of the four legislative members of the council. The chair of a council shall inform

76.2 operated and maintained in compliance with all state, federal, and local laws, the board
76.3 may dispose of the property at market value as provided in this section. Before disposing
76.4 of the property, the board shall give notice by certified mail to the commissioner of
76.5 veterans affairs of its decision to dispose of the property. The commissioner shall publish
76.6 the notice in the State Register. Interested governmental agencies have until the end of the
76.7 next legislative session after the notice to appropriate money to purchase the property.

76.8 (b) Proceeds realized from the disposal of the property and any assets on hand at
76.9 the time of the disposal of the property, must be placed in an irrevocable trust to be used
76.10 for the initiation or maintenance of veterans programs in the state of Minnesota. Trustees
76.11 must be appointed in the same manner as provided for under Minnesota Statutes 2014,
76.12 section 197.131. The trustees shall consult with the commissioner of veterans affairs to

76.25 (d) A vacancy in a trusteeship of the trust established under paragraph (b) must
76.26 be filled for the remainder of the unexpired term in the same manner as the original
76.27 appointment.

76.28 Sec. 6. Minnesota Statutes 2014, section 197.46, is amended to read:

76.29 **197.46 VETERANS PREFERENCE ACT; REMOVAL FORBIDDEN; RIGHT**
76.30 **OF MANDAMUS.**

76.31 (a) Any person whose rights may be in any way prejudiced contrary to any of the
76.32 provisions of this section, shall be entitled to a writ of mandamus to remedy the wrong.
76.33 No person holding a position by appointment or employment in the several counties,
76.34 cities, towns, school districts and all other political subdivisions in the state, who is a
76.35 veteran separated from the military service under honorable conditions, shall be removed

77.1 from such position or employment except for incompetency or misconduct shown after a
77.2 hearing, upon due notice, upon stated charges, in writing.

77.3 (b) Any veteran who has been notified of the intent to discharge the veteran from an
77.4 appointed position or employment pursuant to this section shall be notified in writing of
77.5 such intent to discharge and of the veteran's right to request a hearing within 60 days of
77.6 receipt of the notice of intent to discharge. The failure of a veteran to request a hearing
77.7 within the provided 60-day period shall constitute a waiver of the right to a hearing. Such
77.8 failure shall also waive all other available legal remedies for reinstatement.

77.9 Request for a hearing concerning such a discharge shall be made in writing and
77.10 submitted by mail or personal service to the employment office of the concerned employer
77.11 or other appropriate office or person. If the veteran requests a hearing under this section,
77.12 such written request must also contain the veteran's election to be heard by a civil service
77.13 board or commission, a merit authority, or a three-person panel as defined in paragraph
77.14 (c). If the veteran fails to identify the veteran's election, the governmental subdivision
77.15 may select the hearing body.

77.16 (c) In all governmental subdivisions having an established civil service board or
77.17 commission, or merit system authority, such hearing for removal or discharge shall be
77.18 held before such civil service board or commission or merit system authority. Where no
77.19 such civil service board or commission or merit system authority exists, such hearing
77.20 shall be held by a board of three persons appointed as follows: one by the governmental
77.21 subdivision, one by the veteran, and the third by the two so selected. In the event that
77.22 the hearing is authorized to be held before a three-person board, the governmental
77.23 subdivision's notice of intent to discharge shall state that the veteran must respond within
77.24 60 days of receipt of the notice of intent to discharge, and provide in writing to the
77.25 governmental subdivision the name, United States mailing address, and telephone number
77.26 of the veteran's selected representative for the three-person board. The failure of a veteran
77.27 to submit the name, address, and telephone number of the veteran's selected representative
77.28 to the governmental subdivision by mail or by personal service within the provided
77.29 notice's 60-day period, shall constitute a waiver of the veteran's right to the hearing and all
77.30 other legal remedies available for reinstatement of the veteran's employment position. In
77.31 the event the two persons selected by the veteran and governmental subdivision do not
77.32 appoint the third person within ten days after the appointment of the last of the two,
77.33 then the judge of the district court of the county wherein the proceeding is pending, or
77.34 if there be more than one judge in said county then any judge in chambers, shall have
77.35 jurisdiction to appoint, and upon application of either or both of the two so selected shall

78.1 appoint, the third person to the board and the person so appointed by the judge with the
78.2 two first selected shall constitute the board.

78.3 (d) Either the veteran or the governmental subdivision may appeal from the decision
78.4 of the board upon the charges to the district court by causing written notice of appeal,
78.5 stating the grounds thereof, to be served upon the other party within 15 days after notice of
78.6 the decision and by filing the original notice of appeal with proof of service thereof in the
78.7 office of the court administrator of the district court within ten days after service thereof.
78.8 Nothing in section 197.455 or this section shall be construed to apply to the position of
78.9 private secretary, superintendent of schools, or one chief deputy of any elected official
78.10 or head of a department, or to any person holding a strictly confidential relation to the
78.11 appointing officer. Nothing in this section shall be construed to apply to the position of
78.12 teacher. The burden of establishing such relationship shall be upon the appointing officer
78.13 in all proceedings and actions relating thereto.

78.14 (e) For disputes heard by a civil service board, the political subdivisions shall
78.15 bear all costs associated with the hearing but not including attorney fees for attorneys
78.16 representing the veteran. For disputes heard by a three-person panel, all parties shall bear
78.17 equally all costs associated with the hearing, but not including attorney fees for attorneys
78.18 representing the veteran. If the veteran prevails in a dispute heard by a civil service board
78.19 or a three-person panel and the hearing reverses all aspects of discharge, the governmental
78.20 subdivision shall pay the veteran's reasonable attorney fees.

78.21 (f) All officers, boards, commissions, and employees shall conform to, comply with,
78.22 and aid in all proper ways in carrying into effect the provisions of section 197.455 and this

 83.9 that the applicant:

83.10 ~~(a)~~ (1) is not in default in the payment of an obligation or debt to the state under
 83.11 Laws 1983, chapter 214;

83.12 ~~(b)~~ (2) does not have a felony conviction of record in a state or federal court and
 83.13 does not have a state or federal felony charge pending;

83.15 ~~(d)~~ (4) has never been found guilty of fraud or misrepresentation in connection
 83.16 with racing or breeding;

83.17 ~~(e)~~ (5) has never been found guilty of a violation of law or rule relating to horse
 83.18 racing, pari-mutuel betting or any other form of gambling which is a serious violation
 83.19 as defined by the commission's rules; and

83.20 ~~(f)~~ (6) has never been found to have knowingly violated a rule or an order of the

 83.22 pari-mutuel betting, or any other form of gambling.

83.23 (b) The application must also contain an irrevocable consent statement, to be signed
 83.24 by the applicant, which states that suits and actions relating to the subject matter of the
 83.25 application or acts or omissions arising from it may be commenced against the applicant in
 83.26 any court of competent jurisdiction in this state by the service on the secretary of state of
 83.27 any summons, process, or pleading authorized by the laws of this state. If any summons,
 83.28 process, or pleading is served upon the secretary of state, it must be by duplicate copies.
 83.29 One copy must be retained in the Office of the Secretary of State and the other copy must
 83.30 be forwarded immediately by certified mail to the address of the applicant, as shown by
 83.31 the records of the commission.

83.32 Sec. 10. Minnesota Statutes 2014, section 240.08, subdivision 4, is amended to read:

83.33 Subd. 4. **License issuance and renewal.** If the commission determines that
 83.34 the applicant is qualified for the occupation for which licensing is sought and will

84.1 not adversely affect the public health, welfare, and safety or the integrity of racing in
 84.2 Minnesota, it may issue a class C license to the applicant. If it makes a similar finding for
 84.3 a renewal of a class C license it may renew the license. Class C licenses are effective for
 84.4 ~~one year~~; until December 31 of the calendar year for which they are issued. Certain types
 84.5 of class C licenses, to be determined by the commission, are effective until December 31
 84.6 of the third calendar year for which they have been issued.

84.7 **EFFECTIVE DATE.** This section is effective July 1, 2015.

84.8 Sec. 11. Minnesota Statutes 2014, section 240.08, subdivision 5, is amended to read:

84.9 Subd. 5. **Revocation and suspension.** (a) The commission may revoke a class C
 84.10 license for a violation of law or rule which in the commission's opinion adversely affects
 84.11 the integrity of horse racing in Minnesota, the public health, welfare, or safety, or for an
 84.12 intentional false statement made in a license application.

84.13 The commission may suspend a class C license for up to one year for a violation of
 84.14 law, order or rule.

84.15 The commission may delegate to its designated agents the authority to impose
 84.16 suspensions of class C licenses, and the revocation or suspension of a class C license may
 84.17 be appealed to the commission according to its rules.

84.18 (b) A license revocation or suspension for more than 90 days is a contested case
 84.19 under sections 14.57 to 14.69 of the Administrative Procedure Act and is in addition to
 84.20 criminal penalties imposed for a violation of law or rule. The commission may summarily
 84.21 suspend a license for more than 90 days prior to a contested case hearing where it is
 84.22 necessary to ensure the integrity of racing or to protect the public health, welfare, or safety.
 84.23 A contested case hearing must be held within ~~20~~ 30 days of the summary suspension and
 84.24 the administrative law judge's report must be issued within ~~20~~ 30 days from the close of
 84.25 the hearing record. In all cases involving summary suspension the commission must issue
 84.26 its final decision within 30 days from receipt of the report of the administrative law judge
 84.27 and subsequent exceptions and argument under section 14.61.

84.28 Sec. 12. Minnesota Statutes 2014, section 240.10, is amended to read:

84.29 **240.10 LICENSE FEES.**

84.30 The fee for a class A license is \$253,000 per year and must be remitted on July 1.
 84.31 The fee for a class B license is \$500 for each assigned racing day and \$100 for each day
 84.32 on which simulcasting is authorized and must be remitted on July 1. ~~Included herein are~~
 84.33 ~~all days assigned to be conducted after January 1, 2003.~~ The fee for a class D license is

85.1 \$50 for each assigned racing day on which racing is actually conducted. Fees imposed on
 85.2 class D licenses must be paid to the commission at a time and in a manner as provided by
 85.3 rule of the commission.

85.4 The commission shall by rule establish an annual license fee for each occupation it
 85.5 licenses under section 240.08 ~~but no annual fee for a class C license may exceed \$100.~~

85.6 **EFFECTIVE DATE.** This section is effective July 1, 2015.

85.7 Sec. 13. Minnesota Statutes 2014, section 240.13, subdivision 5, is amended to read:

85.8 Subd. 5. **Purses.** (a) From the amounts deducted from all pari-mutuel pools by a
 85.9 licensee, an amount equal to not less than the following percentages of all money in all
 85.10 pools must be set aside by the licensee and used for purses for races conducted by the
 85.11 licensee, provided that a licensee may agree by contract with an organization representing
 85.12 a majority of the horsepersons racing the breed involved to set aside amounts in addition
 85.13 to the following percentages, if the contract is in writing and filed with the commission:

85.14 (1) for live races conducted at a class A facility, ~~and for races that are part of full~~
 85.15 ~~racing card simulcasting that takes place within the time period of the live races,~~ 8.4
 85.16 percent of handle;

85.17 (2) ~~for simulcasts conducted during the racing season other than as provided for in~~
 85.18 ~~clause (1), 50 percent of the takeout remaining after deduction for taxes on pari-mutuel~~
 85.19 ~~pools, payment to the breeders fund, and payment to the sending out-of-state racetrack for~~
 85.20 ~~receipt of the signal; and~~

85.21 (3) ~~(2) for simulcasts conducted outside of the racing season, 25~~ any day a class A
 85.22 facility is licensed, not less than 37 percent of the takeout remaining after deduction for the
 85.23 state pari-mutuel tax, payment to the breeders fund, and payment to the sending out-of-state
 85.24 racetrack for receipt of the signal ~~and, before January 1, 2005, a further deduction of~~
 85.25 ~~eight percent of all money in all pools. In the event that wagering on simulcasts outside~~
 85.26 ~~of the racing season exceeds \$125 million in any calendar year, the amount set aside for~~
 85.27 ~~purses by this formula is increased to 30 percent on amounts between \$125,000,000 and~~
 85.28 ~~\$150,000,000 wagered; 40 percent on amounts between \$150,000,000 and \$175,000,000~~
 85.29 ~~wagered; and 50 percent on amounts in excess of \$175,000,000 wagered. In lieu of~~
 85.30 ~~the eight percent deduction, A deduction as agreed to between the licensee and the~~
 85.31 ~~horsepersons' organization representing the majority of horsepersons racing at the licensee's~~
 85.32 ~~class A facility during the preceding 12 months, is allowed after December 31, 2004.~~

85.33 The commission may by rule provide for the administration and enforcement of
 85.34 this subdivision. The deductions for payment to the sending out-of-state racetrack must
 85.35 be actual, except that when there exists any overlap of ownership, control, or interest

86.1 between the sending out-of-state racetrack and the receiving licensee, the deduction
86.2 must not be greater than three percent unless agreed to between the licensee and the
86.3 horsepersons' organization representing the majority of horsepersons racing the breed
86.4 racing the majority of races during the existing racing meeting or, if outside of the racing
86.5 season, during the most recent racing meeting.

86.6 ~~In lieu of the amount the licensee must pay to the commission for deposit in the~~
86.7 ~~Minnesota breeders fund under section 240.15, subdivision 1, The licensee shall pay to the~~
86.8 ~~commission for deposit in the Minnesota breeders fund 5-1/2 percent of the takeout from~~
86.9 ~~all pari-mutuel pools generated by wagering at the licensee's facility on full racing card~~
86.10 ~~simulcasts of races not conducted in this state.~~

86.11 (b) From the money set aside for purses, the licensee shall pay to the horseperson's
86.12 organization representing the majority of the horsepersons racing the breed involved
86.13 and contracting with the licensee with respect to purses and the conduct of the racing
86.14 meetings and providing representation to its members, an amount as may be determined
86.15 by agreement by the licensee and the horsepersons' organization sufficient to provide
86.16 benevolent programs, benefits, and services for horsepersons and their on-track employees;
86.17 ~~an amount, sufficient to perform these services, as may be determined by agreement by~~
86.18 ~~the licensee and the horseperson's organization.~~ The amount paid may be deducted only
86.19 from the money set aside for purses to be paid in races for the breed represented by the
86.20 horseperson's organization. With respect to racing meetings where more than one breed
86.21 is racing, the licensee may contract independently with the horseperson's organization
86.22 representing each breed racing.

86.23 (c) Notwithstanding sections 325D.49 to 325D.66, a horseperson's organization
86.24 representing the majority of the horsepersons racing a breed at a meeting, and the members
86.25 thereof, may agree to withhold horses during a meeting.

86.26 ~~(d) Money set aside for purses from wagering, during the racing season, on~~
86.27 ~~simulcasts must be used for purses for live races conducted at the licensee's class A facility~~
86.28 ~~during the same racing season, over and above the 8.4 percent purse requirement or any~~
86.29 ~~higher requirement to which the parties agree, for races conducted in this state. Money~~
86.30 ~~set aside for purses from wagering, outside of the racing season, on simulcasts must be~~
86.31 ~~for purses for live races conducted at the licensee's class A facility during the next racing~~
86.32 ~~season, over and above the 8.4 percent purse requirement or any higher requirement to~~
86.33 ~~which the parties agree, for races conducted in this state.~~

86.34 ~~(e)~~ (d) Money set aside for purses from wagering on simulcasts must be used for
86.35 purses for live races involving the same breed involved in the simulcast except that money
86.36 set aside for purses and payments to the breeders fund from wagering on full racing card

87.1 simulcasts of races not conducted in this state, occurring during a live mixed meet, must
87.2 be allotted to the purses and breeders fund for each breed participating in the mixed meet
87.3 as agreed upon by the breed organizations participating in the live mixed meet. The
87.4 agreement shall be in writing and filed with the commission prior to the first day of the live
87.5 mixed meet. In the absence of a written agreement filed with the commission, the money
87.6 set aside for purses and payments to the breeders fund from wagering on simulcasts,
87.7 occurring during a live mixed meet, shall be allotted to each breed participating in the live
87.8 mixed meet in the same proportion that the number of live races run by each breed bears
87.9 to the total number of live races conducted during the period of the mixed meet.

87.10 ~~(f)~~ (e) The allocation of money set aside for purses to particular racing meets may be
87.11 adjusted, relative to overpayments and underpayments, by contract between the licensee
87.12 and the horsepersons' organization representing the majority of horsepersons racing the
87.13 breed involved at the licensee's facility.

87.14 ~~(g)~~ (f) Subject to the provisions of this chapter, money set aside from pari-mutuel
87.15 pools for purses must be for the breed involved in the race that generated the pool, except
87.16 that if the breed involved in the race generating the pari-mutuel pool is not racing in the
87.17 current racing meeting, or has not raced within the preceding 12 months at the licensee's
87.18 class A facility, money set aside for purses may be distributed proportionately to those
87.19 breeds that have run during the preceding 12 months or paid to the commission and
87.20 used for purses or to promote racing for the breed involved in the race generating the
87.21 pari-mutuel pool, or both, in a manner prescribed by the commission.

87.22 ~~(h)~~ (g) This subdivision does not apply to a class D licensee.

87.23 **EFFECTIVE DATE.** This section is effective January 1, 2016.

87.24 Sec. 14. Minnesota Statutes 2014, section 240.13, subdivision 6, is amended to read:

87.25 Subd. 6. **Simulcasting.** (a) The commission may permit an authorized licensee to
87.26 conduct simulcasting at the licensee's facility on any day authorized by the commission.
87.27 All simulcasts must comply with the Interstate Horse Racing Act of 1978, United States
87.28 Code, title 15, sections 3001 to 3007.

87.29 (b) The commission may not authorize any day for simulcasting at a class A facility
87.30 during the racing season, and a licensee may not be allowed to transmit out-of-state
87.31 telecasts of races the licensee conducts, unless the licensee has obtained the approval of
87.32 the horsepersons' organization representing the majority of the horsepersons racing the
87.33 breed involved at the licensed racetrack during the preceding 12 months. In the case of
87.34 a class A facility licensed under section 240.06, subdivision 5a, the approval applicable
87.35 to the first year of the racetrack's operation may be obtained from the horsepersons'

88.1 organization that represents the majority of horsepersons who will race the breed involved
88.2 at the licensed racetrack during the first year of the racetrack's operation.

88.3 (c) The licensee may pay fees and costs to an entity transmitting a telecast of a
88.4 race to the licensee for purposes of conducting pari-mutuel wagering on the race. The
88.5 licensee may deduct fees and costs related to the receipt of televised transmissions from a
88.6 pari-mutuel pool on the televised race, provided that one-half of any amount recouped in
88.7 this manner must be added to the amounts required to be set aside for purses.

88.8 (d) With the approval of the commission and subject to the provisions of this
88.9 subdivision, a licensee may transmit telecasts of races it conducts, for wagering purposes,
88.10 to locations outside the state, and the commission may allow this to be done on a
88.11 commingled pool basis.

88.12 (e) Except as otherwise provided in this section, simulcasting may be conducted on a
88.13 ~~separate commingled~~ pool basis or, with the approval of the commission, on a ~~commingled~~
88.14 separate pool basis. All provisions of law governing pari-mutuel betting apply to
88.15 simulcasting except as otherwise provided in this subdivision or in the commission's
88.16 rules. If pools are commingled, wagering at the licensed facility must be on equipment
88.17 electronically linked with the equipment at the licensee's class A facility or with the
88.18 sending racetrack via the totalizator computer at the licensee's class A facility. Subject to
88.19 the approval of the commission, the types of betting, takeout, and distribution of winnings
88.20 on commingled pari-mutuel pools are those in effect at the sending racetrack. Breakage
88.21 for pari-mutuel pools on a televised race must be calculated in accordance with the law or
88.22 rules governing the sending racetrack for these pools, and must be distributed in a manner
88.23 agreed to between the licensee and the sending racetrack. Notwithstanding subdivision 7
88.24 and section 240.15, subdivision 5, the commission may approve procedures governing the
88.25 definition and disposition of unclaimed tickets that are consistent with the law and rules
88.26 governing unclaimed tickets at the sending racetrack. For the purposes of this section,
88.27 "sending racetrack" is either the racetrack outside of this state where the horse race is
88.28 conducted or, with the consent of the racetrack, an alternative facility that serves as the
88.29 racetrack for the purpose of commingling pools.

88.30 (f) Except as otherwise provided in section 240.06, subdivision 5b, paragraph (2),
88.31 if there is more than one class B licensee conducting racing within the seven-county
88.32 metropolitan area, simulcasting may be conducted only on races run by a breed that ran at
88.33 the licensee's class A facility within the 12 months preceding the event.

88.34 Sec. 15. Minnesota Statutes 2014, section 240.135, is amended to read:

88.35 **240.135 CARD CLUB REVENUE.**

89.1 (a) From the amounts received from charges authorized under section 240.30,
89.2 subdivision 4, the licensee shall set aside the amounts specified in this section to be
89.3 used for purse payments. These amounts are in addition to the breeders fund and purse
89.4 requirements set forth elsewhere in this chapter.

89.5 (1) For amounts between zero and \$6,000,000, the licensee shall set aside not less
89.6 than ten percent to be used as purses.

89.7 (2) For amounts in excess of \$6,000,000, the licensee shall set aside not less than
89.8 14 percent to be used as purses.

89.9 (b) From all amounts set aside under paragraph (a), the licensee shall set aside
89.10 ten percent to be deposited in the breeders fund. ~~The licensee and the horseperson's~~
89.11 ~~organization representing the majority of horsepersons who have raced at the racetrack~~
89.12 ~~during the preceding 12 months may negotiate percentages different from those stated in~~
89.13 ~~this section if the agreement is in writing and filed with the Racing Commission.~~

89.14 (c) It is the intent of the legislature that the proceeds of the card playing activities
89.15 authorized by this chapter be used to improve the horse racing industry by improving purses.
89.16 The licensee and the horseperson's organization representing the majority of horsepersons
89.17 who have raced at the racetrack during the preceding 12 months may negotiate percentages
89.18 that exceed those stated in this section if the agreement is in writing and filed with the
89.19 commission. The commission shall annually review the financial details of card playing
89.20 activities and determine if the present use of card playing proceeds is consistent with the
89.21 policy established by this paragraph. If the commission determines that the use of the
89.22 proceeds does not comply with the policy set forth herein, then the commission shall direct
89.23 the parties to make the changes necessary to ensure compliance. If these changes require
89.24 legislation, the commission shall make the appropriate recommendations to the legislature.

89.25 Sec. 16. Minnesota Statutes 2014, section 240.15, subdivision 1, is amended to read:

89.26 Subdivision 1. **Taxes imposed.** (a) There is imposed a tax at the rate of six percent
89.27 of the amount in excess of \$12,000,000 annually withheld from all pari-mutuel pools by
89.28 the licensee, including breakage and amounts withheld under section 240.13, subdivision
89.29 4. For the purpose of this subdivision, "annually" is the period from July 1 to June 30 of
89.30 the next year.

89.31 In addition to the above tax, the licensee must designate and pay to the commission
89.32 a tax of one percent of the ~~total amount bet on each racing day~~ handle for live races
89.33 conducted at a class A facility, for deposit in the Minnesota breeders fund.

89.34 The taxes imposed by this clause must be paid from the amounts permitted to be
89.35 withheld by a licensee under section 240.13, subdivision 4.

90.1 (b) The commission may impose an admissions tax of not more than ten cents on
90.2 each paid admission at a licensed racetrack on a racing day if:

90.3 (1) the tax is requested by a local unit of government within whose borders the
90.4 track is located;

90.5 (2) a public hearing is held on the request; and

90.6 (3) the commission finds that the local unit of government requesting the tax is in
90.7 need of its revenue to meet extraordinary expenses caused by the racetrack.

90.8 Sec. 17. Minnesota Statutes 2014, section 240.15, subdivision 6, is amended to read:

90.9 Subd. 6. **Disposition of proceeds; account.** The commission shall distribute all
90.10 money received under this section, and all money received from license fees and fines it
90.11 collects, according to this subdivision. All money designated for deposit in the Minnesota
90.12 breeders fund must be paid into that fund for distribution under section 240.18 except that
90.13 all money generated by ~~full-racing-card~~ simulcasts must be distributed as provided in
90.14 section 240.18, subdivisions 2, paragraph (d), clauses (1), (2), and (3); and 3. Revenue
90.15 from an admissions tax imposed under subdivision 1 must be paid to the local unit of
90.16 government at whose request it was imposed, at times and in a manner the commission
90.17 determines. Taxes received under this section and fines collected under section 240.22
90.18 must be paid to the commissioner of management and budget for deposit in the general
90.19 fund. All revenues from licenses and other fees imposed by the commission must be
90.20 deposited in the state treasury and credited to a racing and card playing regulation account
90.21 in the special revenue fund. Receipts in this account are available for the operations of the
90.22 commission up to the amount authorized in biennial appropriations from the legislature.

90.23 Sec. 18. Minnesota Statutes 2014, section 240.16, subdivision 1, is amended to read:

90.24 Subdivision 1. **Powers and duties.** All horse races run at a licensed racetrack must
90.25 be presided over by a board of three stewards, who must be appointees of the commission or
90.26 persons approved by it. The commission shall designate one steward as chair. At least two
90.27 stewards for all races either shall be employees of the commission who shall serve in the
90.28 unclassified service, or shall be under contract with the commission to serve as stewards.
90.29 The commission may delegate the following duties and powers to a board of stewards:

90.30 (a) to ensure that races are run in accordance with the commission's rules;

90.31 (b) to supervise the conduct of racing to ensure the integrity of the sport;

90.32 (c) to settle disputes arising from the running of horse races, and to certify official
90.33 results;

91.1 (d) to impose on licensees, for violation of law or commission rules, fines not
 91.2 exceeding ~~\$2,000~~ \$5,000 and license suspensions not exceeding 90 days;

91.3 (e) to recommend to the commission where warranted penalties in excess of those
 91.4 in clause (d);

91.5 (f) to otherwise enforce the laws and rules of racing; and

91.6 (g) to perform other duties and have other powers assigned by the commission.

91.7 Sec. 19. Minnesota Statutes 2014, section 240.22, is amended to read:

91.8 **240.22 FINES.**

91.9 (a) The commission shall by rule establish a graduated schedule of civil fines for
 91.10 violations of laws related to horse racing or of the commission's rules. The schedule
 91.11 must include minimum and maximum fines for each violation and be based on and
 91.12 reflect the culpability, frequency and severity of the violator's actions. The commission
 91.13 may impose a fine from this schedule on a licensee for a violation of those rules or laws
 91.14 relating to horse racing. The fine is in addition to any criminal penalty imposed for the
 91.15 same violation. Fines imposed by the commission must be paid to the commission and
 91.16 except as provided in paragraph (b), forwarded to the commissioner of management and
 91.17 budget for deposit in the general fund. A fine in excess of ~~\$2,000~~ \$5,000 is a contested
 91.18 case under the Administrative Procedure Act.

91.19 (b) If the commission is the prevailing party in a contested case proceeding, the
 91.20 commission may recover, from amounts to be forwarded under paragraph (a), reasonable
 91.21 attorney fees and costs associated with the contested case.

91.22 **EFFECTIVE DATE.** This section is effective July 1, 2016.

91.23 Sec. 20. Minnesota Statutes 2014, section 240.23, is amended to read:

91.24 **240.23 RULEMAKING AUTHORITY.**

91.25 The commission has the authority, in addition to all other rulemaking authority
 91.26 granted elsewhere in this chapter to promulgate rules governing:

91.27 (a) the conduct of horse races held at licensed racetracks in Minnesota, including but
 91.28 not limited to the rules of racing, standards of entry, operation of claiming races, filing and
 91.29 handling of objections, carrying of weights, and declaration of official results;

91.30 (b) ~~wire~~ wired and wireless communications between the premises of a licensed
 91.31 racetrack and any place outside the premises;

91.32 (c) information on horse races which is sold on the premises of a licensed racetrack;

92.1 (d) liability insurance which it may require of all class A, class B, and class D
92.2 licensees;

92.3 (e) the auditing of the books and records of a licensee by an auditor employed
92.4 or appointed by the commission;

92.5 (f) emergency action plans maintained by licensed racetracks and their periodic
92.6 review;

92.7 (g) safety, security, and sanitation of stabling facilities at licensed racetracks;

92.8 (h) entry fees and other funds received by a licensee in the course of conducting
92.9 racing which the commission determines must be placed in escrow accounts;

92.10 (i) affirmative action in employment and contracting by class A, class B, and class D
92.11 licensees; ~~and~~

92.12 (j) procedures for the sampling and testing of any horse that is eligible to race in
92.13 Minnesota for substances or practices that are prohibited by law or rule; and

92.14 ~~(j)~~ (k) any other aspect of horse racing or pari-mutuel betting which in its opinion
92.15 affects the integrity of racing or the public health, welfare, or safety.

92.16 Rules of the commission are subject to chapter 14, the Administrative Procedure Act.

92.17 **EFFECTIVE DATE.** This section is effective the day following final enactment.

92.18 Sec. 21. Minnesota Statutes 2014, section 364.09, is amended to read:

92.19 **364.09 EXCEPTIONS.**

92.20 (a) This chapter does not apply to the licensing process for peace officers; to law
