ARTICLE 1

AFFORDABLE CARE ACT CONFORMITY

1.30 Section 1. Minnesota Statutes 2012, section 13.7191, subdivision 12, is amended to read:

2.1 Subd. 12. ~~Small employer insurance reform. (a) Health carrier data. Data~~
2.2 ~~received by the commissioner from health carriers under chapter 62L are classified under~~
2.3 ~~section 62L.10, subdivision 3.~~

2.4 (b) **Small employer reinsurance association data.** Patient identifying data held by
2.5 the reinsurance association are classified under section 62L.16, subdivision 6.

2.6 Sec. 2. Minnesota Statutes 2012, section 43A.23, subdivision 1, is amended to read:

2.7 Subdivision 1. **General.** (a) The commissioner is authorized to request proposals
2.8 or to negotiate and to enter into contracts with parties which in the judgment of the
2.9 commissioner are best qualified to provide service to the benefit plans. Contracts entered
2.10 into are not subject to the requirements of sections 16C.16 to 16C.19. The commissioner
2.11 may negotiate premium rates and coverage. The commissioner shall consider the cost of
2.12 the plans, conversion options relating to the contracts, service capabilities, character,
2.13 financial position, and reputation of the carriers, and any other factors which the
2.14 commissioner deems appropriate. Each benefit contract must be for a uniform term of at
2.15 least one year, but may be made automatically renewable from term to term in the absence
2.16 of notice of termination by either party. A carrier licensed under chapter 62A is exempt
2.17 from the taxes imposed by chapter 297I on premiums paid to it by the state.

2.18 (b) All self-insured hospital and medical service products must comply with coverage
2.19 mandates, data reporting, and consumer protection requirements applicable to the licensed
2.20 carrier administering the product, had the product been insured, including chapters 62J,
2.21 62M, and 62Q. Any self-insured products that limit coverage to a network of providers
2.22 or provide different levels of coverage between network and nonnetwork providers shall
2.23 comply with section 62D.123 and geographic access standards for health maintenance
2.24 organizations adopted by the commissioner of health in rule under chapter 62D.

2.25 (c) Notwithstanding paragraph (b), a self-insured hospital and medical product
2.26 offered under sections 43A.22 to 43A.30 is ~~not~~ required to extend dependent coverage
2.27 to an eligible employee's ~~unmarried child under the age of 25~~ to the full extent required
2.28 under chapters 62A and 62L. Dependent child coverage must, at a minimum, extend to an
2.29 eligible employee's ~~unmarried~~ dependent child ~~who is under the age of 19 or an unmarried~~
2.30 ~~child under the age of 25 who is a full-time student. A person who is at least 19 years of~~
2.31 ~~age but who is under the age of 25 and who is not a full-time student must be permitted~~
2.32 ~~to be enrolled as a dependent of an eligible employee until age 25 if the person:~~ to the
2.33 limiting age as defined in section 62Q.01, subdivision 10, disabled children to the extent
2.34 required in sections 62A.14 and 62A.141, and dependent grandchildren to the extent
2.35 required in sections 62A.042 and 62A.302.

3.1 ~~(1) was a full-time student immediately prior to being ordered into active military~~
 3.2 ~~service, as defined in section 190.05, subdivision 5b or 5c;~~

3.3 ~~(2) has been separated or discharged from active military service; and~~

3.4 ~~(3) would be eligible to enroll as a dependent of an eligible employee, except that~~
 3.5 ~~the person is not a full-time student.~~

3.6 ~~The definition of "full-time student" for purposes of this paragraph includes any student~~
 3.7 ~~who by reason of illness, injury, or physical or mental disability as documented by~~
 3.8 ~~a physician is unable to carry what the educational institution considers a full-time~~
 3.9 ~~course load so long as the student's course load is at least 60 percent of what otherwise~~
 3.10 ~~is considered by the institution to be a full-time course load. Any notice regarding~~
 3.11 ~~termination of coverage due to attainment of the limiting age must include information~~
 3.12 ~~about this definition of "full-time student."~~

3.13 (d) Beginning January 1, 2010, the health insurance benefit plans offered in the
 3.14 commissioner's plan under section 43A.18, subdivision 2, and the managerial plan under
 3.15 section 43A.18, subdivision 3, must include an option for a health plan that is compatible
 3.16 with the definition of a high-deductible health plan in section 223 of the United States
 3.17 Internal Revenue Code.

3.18 **EFFECTIVE DATE.** This section is effective the day following final enactment.

 3.22 through the program.

 3.24 criteria its employees must meet to be eligible for coverage under its plan. An employer
 3.25 may subsequently change the criteria annually or at other times with approval of the
 3.26 commissioner. The criteria must provide that new employees become eligible for coverage
 3.27 after a probationary period of at least 30 days, but no more than 90 days.

3.28 (c) **Other individuals.** An employer may elect to cover under its plan:

3.29 (1) the spouse, dependent children to the limiting age as defined in section 62Q.01,
 3.30 subdivision 10, disabled children to the extent required in sections 62A.14 and 62A.141,

 4.9 and 62A.148; or

4.10 (5) any other categories of individuals for whom group coverage is required by
 4.11 state or federal law.

4.12 An employer shall determine when it applies to the program the criteria individuals
 4.13 in these categories must meet to be eligible for coverage. An employer may subsequently
 4.14 change the criteria annually, or at other times with approval of the commissioner. The
 4.15 criteria for dependent children to the limiting age as defined in section 62Q.01, subdivision
 4.16 10, disabled children, and dependent grandchildren may be no more inclusive than the
 4.17 criteria under section 43A.18, subdivision 2. This paragraph shall not be interpreted
 4.18 as relieving the program from compliance with any federal and state continuation of
 4.19 coverage requirements.

4.20 (d) **Waiver and late entrance.** An eligible individual may waive coverage at the
 4.21 time the employer joins the program or when coverage first becomes available. The
 4.22 commissioner may establish a preexisting condition exclusion of not more than 18 months

5.7 filed with the commissioner on or after September 1, 2011, the commissioner:

5.8 (1) may acknowledge receipt of the information;

9.27 clause (10), the policy specifically states the practitioners whose services are covered.

9.28 (10) **Osteopath, optometrist, chiropractor, or registered nurse services.** With
9.29 respect to any policy of individual accident and sickness insurance issued or entered
9.30 into subsequent to August 1, 1974, notwithstanding the provisions of the policy, if it

 10.6 policy delivered or issued for delivery to any person in this state shall contain the
 10.7 provisions specified in this subdivision in the words in which the same appear in this
 10.8 section. The insurer may, at its option, substitute for one or more of such provisions
 10.9 corresponding provisions of different wording approved by the commissioner which are
 10.10 in each instance not less favorable in any respect to the insured or the beneficiary. Such
 10.11 provisions shall be preceded individually by the caption appearing in this subdivision or, at
 10.12 the option of the insurer, by such appropriate individual or group captions or subcaptions
 10.13 as the commissioner may approve.

10.14 (1) A provision as follows:

10.15 ENTIRE CONTRACT; CHANGES: This policy, including the endorsements and
 10.16 the attached papers, if any, constitutes the entire contract of insurance. No change in this
 10.17 policy shall be valid until approved by an executive officer of the insurer and unless such

10.20 (2) A provision as follows:

10.21 TIME LIMIT ON CERTAIN DEFENSES: (a) After two years from the date of issue
 10.22 of this policy no misstatements, except fraudulent misstatements, made by the applicant
 10.23 in the application for such policy shall be used to void the policy or to deny a claim for
 10.24 loss incurred or disability (as defined in the policy) commencing after the expiration
 10.25 of such two year period.

10.26 The foregoing policy provision shall not be so construed as to affect any legal
 10.27 requirement for avoidance of a policy or denial of a claim during such initial two year
 10.28 period, nor to limit the application of clauses (1), (2), (3), (4) and (5), in the event of
 10.29 misstatement with respect to age or occupation or other insurance. A policy which the
 10.30 insured has the right to continue in force subject to its terms by the timely payment of
 10.31 premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at
 10.32 least five years from its date of issue, may contain in lieu of the foregoing the following
 10.33 provisions (from which the clause in parentheses may be omitted at the insurer's option)
 10.34 under the caption "INCONTESTABLE":

11.1 After this policy has been in force for a period of two years during the lifetime of
11.2 the insured (excluding any period during which the insured is disabled), it shall become
11.3 incontestable as to the statements contained in the application.

11.4 (b) No claim for loss incurred or disability (as defined in the policy) commencing after
11.5 two years from the date of issue of this policy shall be reduced or denied on the ground that
11.6 a disease or physical condition not excluded from coverage by name or specific description
11.7 effective on the date of loss had existed prior to the effective date of coverage of this policy.

11.8 (3) Except as required for health plans by the Affordable Care Act, a provision
11.9 as follows:

11.10 GRACE PERIOD: A grace period of (insert a number not less than "7" for
11.11 weekly premium policies, "10" for monthly premium policies and "31" for all other
11.12 policies) days will be granted for the payment of each premium falling due after the first
11.13 premium, during which grace period the policy shall continue in force.

11.14 A policy which contains a cancellation provision may add, at the end of the above
11.15 provision,

11.16 subject to the right of the insurer to cancel in accordance with the cancellation
11.17 provision hereof.

11.18 A policy in which the insurer reserves the right to refuse any renewal shall have,
11.19 at the beginning of the above provision,

11.20 Unless not less than five days prior to the premium due date the insurer has delivered
11.21 to the insured or has mailed to the insured's last address as shown by the records of the
11.22 insurer written notice of its intention not to renew this policy beyond the period for which
11.23 the premium has been accepted.

11.24 All policies required to comply with the Affordable Care Act must include a grace
11.25 period provision no less restrictive than the grace period required by the Affordable Care
11.26 Act as defined under section 62A.011, subdivision 1a.

11.27 (4) A provision as follows:

11.28 REINSTATEMENT: If any renewal premium be not paid within the time granted the
11.29 insured for payment, a subsequent acceptance of premium by the insurer or by any agent
11.30 duly authorized by the insurer to accept such premium, without requiring in connection
11.31 therewith an application for reinstatement, shall reinstate the policy. If the insurer or
11.32 such agent requires an application for reinstatement and issues a conditional receipt for
11.33 the premium tendered, the policy will be reinstated upon approval of such application
11.34 by the insurer or, lacking such approval, upon the forty-fifth day following the date of
11.35 such conditional receipt unless the insurer has previously notified the insured in writing
11.36 of its disapproval of such application. For health plans described in section 62A.011,

12.1 subdivision 3, clause (10), an insurer must accept payment of a renewal premium and
12.2 reinstate the policy, if the insured applies for reinstatement no later than 60 days after the
12.3 due date for the premium payment, unless:

12.4 (1) the insured has in the interim left the state or the insurer's service area; or

12.5 (2) the insured has applied for reinstatement on two or more prior occasions.

12.6 The reinstated policy shall cover only loss resulting from such accidental injury as
12.7 may be sustained after the date of reinstatement and loss due to such sickness as may
12.8 begin more than ten days after such date. In all other respects the insured and insurer shall
12.9 have the same rights thereunder as they had under the policy immediately before the due
12.10 date of the defaulted premium, subject to any provisions endorsed hereon or attached
12.11 hereto in connection with the reinstatement. Any premium accepted in connection with
12.12 a reinstatement shall be applied to a period for which premium has not been previously
12.13 paid, but not to any period more than 60 days prior to the date of reinstatement. The last
12.14 sentence of the above provision may be omitted from any policy which the insured has
12.15 the right to continue in force subject to its terms by the timely payment of premiums
12.16 (1) until at least age 50, or, (2) in the case of a policy issued after age 44, for at least
12.17 five years from its date of issue.

12.18 (5) A provision as follows:

12.19 NOTICE OF CLAIM: Written notice of claim must be given to the insurer within
12.20 20 days after the occurrence or commencement of any loss covered by the policy, or as
12.21 soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or
12.22 the beneficiary to the insurer at (insert the location of such office as the insurer may
12.23 designate for the purpose), or to any authorized agent of the insurer, with information
12.24 sufficient to identify the insured, shall be deemed notice to the insurer.

12.25 In a policy providing a loss-of-time benefit which may be payable for at least two
12.26 years, an insurer may at its option insert the following between the first and second
12.27 sentences of the above provision:

12.28 Subject to the qualifications set forth below, if the insured suffers loss of time on
12.29 account of disability for which indemnity may be payable for at least two years, the
12.30 insured shall, at least once in every six months after having given notice of claim, give to
12.31 the insurer notice of continuance of said disability, except in the event of legal incapacity.
12.32 The period of six months following any filing of proof by the insured or any payment by
12.33 the insurer on account of such claim or any denial of liability in whole or in part by the
12.34 insurer shall be excluded in applying this provision. Delay in the giving of such notice
12.35 shall not impair the insured's right to any indemnity which would otherwise have accrued
12.36 during the period of six months preceding the date on which such notice is actually given.

13.1 (6) A provision as follows:

13.2 CLAIM FORMS: The insurer, upon receipt of a notice of claim, will furnish to the
13.3 claimant such forms as are usually furnished by it for filing proofs of loss. If such forms
13.4 are not furnished within 15 days after the giving of such notice the claimant shall be
13.5 deemed to have complied with the requirements of this policy as to proof of loss upon
13.6 submitting, within the time fixed in the policy for filing proofs of loss, written proof
13.7 covering the occurrence, the character and the extent of the loss for which claim is made.

13.8 (7) A provision as follows:

13.9 PROOFS OF LOSS: Written proof of loss must be furnished to the insurer at its
13.10 said office in case of claim for loss for which this policy provides any periodic payment
13.11 contingent upon continuing loss within 90 days after the termination of the period for
13.12 which the insurer is liable and in case of claim for any other loss within 90 days after the
13.13 date of such loss. Failure to furnish such proof within the time required shall not invalidate
13.14 nor reduce any claim if it was not reasonably possible to give proof within such time,
13.15 provided such proof is furnished as soon as reasonably possible and in no event, except in
13.16 the absence of legal capacity, later than one year from the time proof is otherwise required.

13.17 (8) A provision as follows:

13.18 TIME OF PAYMENT OF CLAIMS: Indemnities payable under this policy for
13.19 any loss other than loss for which this policy provides periodic payment will be paid
13.20 immediately upon receipt of due written proof of such loss. Subject to due written proof
13.21 of loss, all accrued indemnities for loss for which this policy provides periodic payment
13.22 will be paid (insert period for payment which must not be less frequently than
13.23 monthly) and any balance remaining unpaid upon the termination of liability will be paid
13.24 immediately upon receipt of due written proof.

13.25 (9) A provision as follows:

13.26 PAYMENT OF CLAIMS: Indemnity for loss of life will be payable in accordance
13.27 with the beneficiary designation and the provisions respecting such payment which may
13.28 be prescribed herein and effective at the time of payment. If no such designation or
13.29 provision is then effective, such indemnity shall be payable to the estate of the insured.
13.30 Any other accrued indemnities unpaid at the insured's death may, at the option of the
13.31 insurer, be paid either to such beneficiary or to such estate. All other indemnities will
13.32 be payable to the insured.

13.33 The following provisions, or either of them, may be included with the foregoing
13.34 provision at the option of the insurer:

13.35 If any indemnity of this policy shall be payable to the estate of the insured, or to an
13.36 insured or beneficiary who is a minor or otherwise not competent to give a valid release,

14.1 the insurer may pay such indemnity, up to an amount not exceeding \$..... (insert an amount
 14.2 which shall not exceed \$1,000), to any relative by blood or connection by marriage of the
 14.3 insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any
 14.4 payment made by the insurer in good faith pursuant to this provision shall fully discharge
 14.5 the insurer to the extent of such payment.

14.6 Subject to any written direction of the insured in the application or otherwise all
 14.7 or a portion of any indemnities provided by this policy on account of hospital, nursing,
 14.8 medical, or surgical services may, at the insurer's option and unless the insured requests
 14.9 otherwise in writing not later than the time of filing proofs of such loss, be paid directly to
 14.10 the hospital or person rendering such services; but it is not required that the service be
 14.11 rendered by a particular hospital or person.

14.12 (10) A provision as follows:

14.13 PHYSICAL EXAMINATIONS AND AUTOPSY: The insurer at its own expense
 14.14 shall have the right and opportunity to examine the person of the insured when and as
 14.15 often as it may reasonably require during the pendency of a claim hereunder and to make
 14.16 an autopsy in case of death where it is not forbidden by law.

14.17 (11) A provision as follows:

14.18 LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this
 14.19 policy prior to the expiration of 60 days after written proof of loss has been furnished in
 14.20 accordance with the requirements of this policy. No such action shall be brought after the
 14.21 expiration of three years after the time written proof of loss is required to be furnished.

14.22 (12) A provision as follows:

14.23 CHANGE OF BENEFICIARY: Unless the insured makes an irrevocable designation
 14.24 of beneficiary, the right to change of beneficiary is reserved to the insured and the consent
 14.25 of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of
 14.26 this policy or to any change of beneficiary or beneficiaries, or to any other changes in
 14.27 this policy. The first clause of this provision, relating to the irrevocable designation of
 14.28 beneficiary, may be omitted at the insurer's option.

14.29 **EFFECTIVE DATE.** This section is effective January 1, 2014.

14.30 Sec. 15. Minnesota Statutes 2012, section 62A.047, is amended to read:

14.31 **62A.047 CHILDREN'S HEALTH SUPERVISION SERVICES AND**
 14.32 **PRENATAL CARE SERVICES.**

14.33 A policy of individual or group health and accident insurance regulated under this
 14.34 chapter, or individual or group subscriber contract regulated under chapter 62C, health

15.1 maintenance contract regulated under chapter 62D, or health benefit certificate regulated
 15.2 under chapter 64B, issued, renewed, or continued to provide coverage to a Minnesota
 15.3 resident, must provide coverage for child health supervision services and prenatal care
 15.4 services. The policy, contract, or certificate must specifically exempt reasonable and
 15.5 customary charges for child health supervision services and prenatal care services from a
 15.6 deductible, co-payment, or other coinsurance or dollar limitation requirement. Nothing
 15.7 in this section prohibits a health carrier that has a network of providers from imposing
 15.8 a deductible, co-payment, or other coinsurance or dollar limitation requirement for
 15.9 child health supervision services and prenatal care services that are delivered by an
 15.10 out-of-network provider. This section does not prohibit the use of policy waiting periods
 15.11 ~~or preexisting condition limitations~~ for these services. Minimum benefits may be limited
 15.12 to one visit payable to one provider for all of the services provided at each visit cited in
 15.13 this section subject to the schedule set forth in this section. Nothing in this section applies
 15.14 to a policy designed primarily to provide coverage payable on a per diem, fixed indemnity,
 15.15 or non-expense-incurred basis, or a policy that provides only accident coverage. A policy,
 15.16 contract, or certificate described under this section may not apply preexisting condition
 15.17 limitations to individuals under 19 years of age. This section does not apply to individual
 15.18 coverage that is grandfathered plan coverage, as defined in section 62A.011, subdivision 1c.

15.19 "Child health supervision services" means pediatric preventive services, appropriate
 15.20 immunizations, developmental assessments, and laboratory services appropriate to the age
 15.21 of a child from birth to age six, and appropriate immunizations from ages six to 18, as
 15.22 defined by Standards of Child Health Care issued by the American Academy of Pediatrics.
 15.23 Reimbursement must be made for at least five child health supervision visits from birth
 15.24 to 12 months, three child health supervision visits from 12 months to 24 months, once a
 15.25 year from 24 months to 72 months.

15.26 "Prenatal care services" means the comprehensive package of medical and
 15.27 psychosocial support provided throughout the pregnancy, including risk assessment,
 15.28 serial surveillance, prenatal education, and use of specialized skills and technology,
 15.29 when needed, as defined by Standards for Obstetric-Gynecologic Services issued by the
 15.30 American College of Obstetricians and Gynecologists.

15.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

15.32 Sec. 16. Minnesota Statutes 2012, section 62A.049, is amended to read:

15.33 **62A.049 LIMITATION ON PREAUTHORIZATIONS; EMERGENCIES.**

16.1 No policy of accident and sickness insurance or group subscriber contract regulated
 16.2 under chapter 62C issued or renewed in this state may contain a provision that makes an
 16.3 insured person ineligible to receive full benefits because of the insured's failure to obtain
 16.4 preauthorization, if that failure occurs because of the need for emergency confinement
 16.5 or emergency treatment. The insured or an authorized representative of the insured shall
 16.6 notify the insurer as soon after the beginning of emergency confinement or emergency
 16.7 treatment as reasonably possible. However, to the extent that the insurer suffers actual
 16.8 prejudice caused by the failure to obtain preauthorization, the insured may be denied all or
 16.9 part of the insured's benefits. ~~This provision does not apply to admissions for treatment of~~
 16.10 ~~chemical dependency and nervous and mental disorders.~~

16.11 **EFFECTIVE DATE.** This section is effective January 1, 2014.

16.12 Sec. 17. Minnesota Statutes 2012, section 62A.136, is amended to read:

16.13 **62A.136 HEARING, DENTAL, AND VISION PLAN COVERAGE.**

16.14 The following provisions do not apply to health plans as defined in section 62A.011,
 16.15 subdivision 3, clause (6), providing hearing, dental, or vision coverage only: sections
 16.16 62A.041; 62A.0411; 62A.047; 62A.149; 62A.151; 62A.152; 62A.154; 62A.155; 62A.17,
 16.17 subdivision 6; 62A.21, subdivision 2b; 62A.26; 62A.28; 62A.285; 62A.30; 62A.304; and
 16.18 62A.3093; and 62E.16.

16.19 **EFFECTIVE DATE.** This section is effective January 1, 2014.

16.20 Sec. 18. Minnesota Statutes 2012, section 62A.149, subdivision 1, is amended to read:

16.21 Subdivision 1. **Application.** The provisions of this section apply to all group
 16.22 policies of accident and health insurance and group subscriber contracts offered by
 16.23 nonprofit health service plan corporations regulated under chapter 62C, and to a plan or
 16.24 policy that is individually underwritten or provided for a specific individual and family
 16.25 members as a nongroup policy ~~unless the individual elects in writing to refuse benefits~~
 16.26 ~~under this subdivision in exchange for an appropriate reduction in premiums or subscriber~~
 16.27 ~~charges under the policy or plan~~, when the policies or subscriber contracts are issued or
 16.28 delivered in Minnesota or provide benefits to Minnesota residents enrolled thereunder.

16.29 This section does not apply to policies designed primarily to provide coverage
 16.30 payable on a per diem, fixed indemnity or nonexpense incurred basis or policies that
 16.31 provide accident only coverage.

16.32 Every insurance policy or subscriber contract included within the provisions of this
 16.33 subdivision, upon issuance or renewal, shall provide coverage that complies with the

17.1 requirements of section 62Q.47, paragraphs (b) and (c), for the treatment of alcoholism,
 17.2 chemical dependency or drug addiction to any Minnesota resident entitled to coverage.

17.3 **EFFECTIVE DATE.** This section is effective January 1, 2014.

17.4 Sec. 19. Minnesota Statutes 2012, section 62A.17, subdivision 2, is amended to read:

17.5 Subd. 2. **Responsibility of employee.** Every covered employee electing to continue
 17.6 coverage shall pay the former employer, on a monthly basis, the cost of the continued
 17.7 coverage. The policy, contract, or plan must require the group policyholder or contract
 17.8 holder to, upon request, provide the employee with written verification from the insurer
 17.9 of the cost of this coverage promptly at the time of eligibility for this coverage and at
 17.10 any time during the continuation period. If the policy, contract, or health care plan is
 17.11 administered by a trust, every covered employee electing to continue coverage shall pay
 17.12 the trust the cost of continued coverage according to the eligibility rules established by the
 17.13 trust. In no event shall the amount of premium charged exceed 102 percent of the cost
 17.14 to the plan for such period of coverage for similarly situated employees with respect to
 17.15 whom neither termination nor layoff has occurred, without regard to whether such cost
 17.16 is paid by the employer or employee. The employee shall be eligible to continue the
 17.17 coverage until the employee becomes covered under another group health plan, or for a
 17.18 period of 18 months after the termination of or lay off from employment, whichever is
 17.19 shorter. For an individual age 19 or older, if the employee becomes covered under another
 17.20 group policy, contract, or health plan and the new group policy, contract, or health plan
 17.21 contains any preexisting condition limitations, the employee may, subject to the 18-month
 17.22 maximum continuation limit, continue coverage with the former employer until the
 17.23 preexisting condition limitations have been satisfied. The new policy, contract, or health
 17.24 plan is primary except as to the preexisting condition. In the case of a newborn child who
 17.25 is a dependent of the employee, the new policy, contract, or health plan is primary upon
 17.26 the date of birth of the child, regardless of which policy, contract, or health plan coverage
 17.27 is deemed primary for the mother of the child.

17.28 **EFFECTIVE DATE.** This section is effective the day following final enactment.

 18.8 ~~expiration of the continued coverage and upon payment of the appropriate premium.~~
 18.9 ~~The required conversion contract must treat pregnancy the same as any other covered~~
 18.10 ~~illness under the conversion contract. A health maintenance contract issued by a health~~
 18.11 ~~maintenance organization that provides posttermination or layoff coverage as required~~

 18.14 ~~in subdivision 2 to obtain from the health maintenance organization, at the former~~
 18.15 ~~employee's, spouse's, or dependent's option and expense, without further evidence of~~

 18.18 ~~maintenance organization's service area shall be given the option, to be arranged by the~~
 18.19 ~~health maintenance organization, of a number three qualified plan, a number two qualified~~
 18.20 ~~plan, or a number one qualified plan as provided by section 62E.06, subdivisions 1 to 3.~~
 18.21 ~~This option shall be made available at the enrollee's expense, without further evidence of~~

18.23 ~~A policy providing reduced benefits at a reduced premium rate may be accepted~~

 18.25 ~~required by this subdivision.~~

18.26 ~~The An individual policy or contract issued as a conversion policy prior to January~~
 18.27 ~~1, 2014, shall be renewable at the option of the individual as long as the individual is not~~
 18.28 ~~covered under another qualified plan as defined in section 62E.02, subdivision 4. Any~~

 18.35 ~~contain a provision allowing a former spouse and dependent children of an insured,~~

19.1 ~~without providing evidence of insurability, to obtain from the insurer at the expiration of~~

 19.3 ~~62A.20, conversion coverage providing at least the minimum benefits of a qualified~~
 19.4 ~~plan as prescribed by section 62E.06 and the option of a number three qualified plan, a~~
 19.5 ~~number two qualified plan, a number one qualified plan as provided by section 62E.06,~~

 19.11 ~~subdivision 4. Any revisions in the table of rate for the individual policy shall apply to the~~
 19.12 ~~covered person's original age at entry and shall apply equally to all similar conversion~~
 19.13 ~~policies issued by the insurer.~~

19.14 ~~A policy providing reduced benefits at a reduced premium rate may be accepted by~~
 19.15 ~~the covered person in lieu of the optional coverage otherwise required by this subdivision.~~

19.21 The coverage required by this section is subject to the co-payment, coinsurance,
 19.22 deductible, and other enrollee cost-sharing requirements that apply to similar types of
 19.23 items under the policy, plan, certificate, or contract, ~~and is limited to a maximum of \$350~~
 19.24 ~~in any benefit year~~ and may be limited to one prostheses per benefit year.

20.2 provides dependent coverage must define "dependent" no more restrictively than the
20.3 definition provided in section 62L.02.

20.6 for children until attainment of 26 years of age. Plans may not place restrictions on this
20.7 coverage and must comply with the following requirements:

20.8 (1) with respect to a child who has not attained 26 years of age, a health carrier
20.9 shall not define dependent for purposes of eligibility for dependent coverage of children
20.10 other than the terms of a relationship between a child and the plan participant or spouse
20.11 of the plan participant, and, in the individual market, primary subscriber or spouse of
20.12 the primary subscriber;

20.13 (2) a health carrier shall not deny or restrict coverage for a child who has not attained
20.14 26 years of age based on (i) the presence or absence of the child's financial dependency upon
20.15 the participant, primary subscriber, or any other person; (ii) residency with the participant
20.16 and in the individual market the primary subscriber, or with any other person; (iii) marital
20.17 status; (iv) student status; (v) employment; or (vi) any combination of those factors; and

20.18 (3) a health carrier shall not deny or restrict coverage of a child based on eligibility
20.19 for other coverage, except as provided in subdivision 5.

20.20 Subd. 4. **Grandchildren.** Nothing in this section requires a health carrier to make
20.21 coverage available for a grandchild, unless the grandparent becomes the legal guardian
20.22 or adoptive parent of that grandchild or unless the grandchild meets the requirements
20.23 of section 62A.042. For grandchildren included under a grandparent's policy pursuant
20.24 to section 62A.042, coverage for the grandchild may terminate if the grandchild does
20.25 not continue to reside with the covered grandparent continuously from birth, if the
20.26 grandchild does not remain financially dependent upon the covered grandparent, or when
20.27 the grandchild reaches age 25, except as provided in section 62A.14 or if coverage is
20.28 continued under section 62A.20.

20.29 Subd. 5. **Terms of coverage of dependents.** The terms of coverage in a health plan
20.30 offered by a health carrier providing dependent coverage of children cannot vary based on
20.31 age except for children who are 26 years of age or older.

20.32 Subd. 6. **Opportunity to enroll.** A health carrier shall comply with all provisions
20.33 of the Affordable Care Act in regards to providing an opportunity to enroll in coverage
20.34 to any child whose coverage ended, or who was denied coverage, or was not eligible for
20.35 coverage under a group health plan or individual health plan because, under the terms
20.36 of the coverage, the availability of dependent coverage of a child ended before age 26.

21.1 This section does not require compliance with any provision of the Affordable Care Act
 21.2 before the effective date provided for that provision in the Affordable Care Act. The
 21.3 commissioner shall enforce this section.

21.4 Subd. 7. **Grandfathered plan coverage.** (a) For plan years beginning before
 21.5 January 1, 2014, a group health plan that is a grandfathered plan and makes available
 21.6 dependent coverage of children may exclude an adult child who has not attained 26
 21.7 years of age from coverage only if the adult child is eligible to enroll in an eligible
 21.8 employer-sponsored health benefit plan, as defined in section 5000A(f)(2) of the Internal
 21.9 Revenue Code, other than the group health plan of a parent.

21.10 (b) For plan years beginning on or after January 1, 2014, a group health plan that is
 21.11 grandfathered plan coverage shall comply with all requirements of this section.

21.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

21.13 Sec. 24. **[62A.3021] COVERAGE OF DEPENDENTS BY PLANS OTHER THAN**
 21.14 **HEALTH PLANS.**

21.15 Subdivision 1. **Scope of coverage.** This section applies to coverage described in
 21.16 section 62A.011, subdivision 3, clauses (4), (6), (7), (8), (9), and (10).

21.17 Subd. 2. **Dependent.** "Dependent" means an eligible employee's spouse, unmarried
 21.18 child who is under the age of 25 years, dependent child of any age who is disabled and
 21.19 who meets the eligibility criteria in section 62A.14, subdivision 2, or any other person
 21.20 whom state or federal law requires to be treated as a dependent for purposes of health
 21.21 plans. For the purpose of this definition, a child includes a child for whom the employee or
 21.22 the employee's spouse has been appointed legal guardian and an adoptive child as provided
 21.23 in section 62A.27. A child also includes grandchildren as provided in section 62A.042
 21.24 with continued eligibility of grandchildren as provided in section 62A.302, subdivision 4.

21.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.

21.26 Sec. 25. Minnesota Statutes 2012, section 62A.615, is amended to read:

21.27 **62A.615 PREEXISTING CONDITIONS DISCLOSED AT TIME OF**
 21.28 **APPLICATION.**

21.29 No insurer may cancel or rescind a health insurance policy for a preexisting
 21.30 condition of which the application or other information provided by the insured reasonably
 21.31 gave the insurer notice. No insurer may restrict coverage for a preexisting condition
 21.32 of which the application or other information provided by the insured reasonably gave
 21.33 the insurer notice unless the coverage is restricted at the time the policy is issued and

22.1 the restriction is disclosed in writing to the insured at the time the policy is issued. In
 22.2 addition, no health plan may restrict coverage for a preexisting condition for an individual
 22.3 who is under 19 years of age. This section does not apply to individual coverage that is
 22.4 grandfathered plan coverage as defined in section 62A.011, subdivision 1c.

22.5 **EFFECTIVE DATE.** This section is effective the day following final enactment.

22.6 Sec. 26. Minnesota Statutes 2012, section 62A.65, subdivision 3, is amended to read:

22.7 Subd. 3. **Premium rate restrictions.** No individual health plan may be offered,
 22.8 sold, issued, or renewed to a Minnesota resident unless the premium rate charged is
 22.9 determined in accordance with the following requirements:

22.10 ~~(a) Premium rates must be no more than 25 percent above and no more than 25~~
 22.11 ~~percent below the index rate charged to individuals for the same or similar coverage,~~
 22.12 ~~adjusted pro-rata for rating periods of less than one year. The premium variations~~
 22.13 ~~permitted by this paragraph must be based only upon health status, claims experience,~~
 22.14 ~~and occupation. For purposes of this paragraph, health status includes refraining from~~
 22.15 ~~tobacco use or other actuarially valid lifestyle factors associated with good health,~~
 22.16 ~~provided that the lifestyle factor and its effect upon premium rates have been determined~~
 22.17 ~~by the commissioner to be actuarially valid and have been approved by the commissioner.~~
 22.18 ~~Variations permitted under this paragraph must not be based upon age or applied~~
 22.19 ~~differently at different ages. This paragraph does not prohibit use of a constant percentage~~
 22.20 ~~adjustment for factors permitted to be used under this paragraph.~~

22.21 ~~(b) (a) Premium rates may vary based upon the ages of covered persons only as~~
 22.22 ~~provided in this paragraph. In addition to the variation permitted under paragraph (a), each~~
 22.23 ~~health carrier may use an additional premium variation based upon age of up to plus or~~
 22.24 ~~minus 50 percent of the index rate except that the rate shall not vary by more than three to~~
 22.25 ~~one for adults in accordance with the provisions of the Affordable Care Act.~~

22.26 ~~(c) A health carrier may request approval by the commissioner to establish separate~~
 22.27 ~~geographic regions determined by the health carrier and to establish separate index rates~~
 22.28 ~~for each such region.~~

22.29 (b) Premium rates may vary based upon geographic rating area. The commissioner
 22.30 shall grant approval if the following conditions are met:

22.31 (1) the geographic regions must be applied uniformly by the health carrier the areas
 22.32 are established in accordance with the Affordable Care Act;

22.33 (2) each geographic region must be composed of no fewer than seven counties that
 22.34 create a contiguous region; and

23.1 (3) the health carrier provides actuarial justification acceptable to the commissioner
23.2 for the proposed geographic variations in ~~index rates~~ premium rates for each area,
23.3 establishing that the variations are based upon differences in the cost to the health carrier
23.4 of providing coverage.

23.5 ~~(d) Health carriers may use rate cells and must file with the commissioner the rate~~
23.6 ~~cells they use. Rate cells must be based upon the number of adults or children covered~~
23.7 ~~under the policy and may reflect the availability of Medicare coverage. The rates for~~
23.8 ~~different rate cells must not in any way reflect generalized differences in expected costs~~
23.9 ~~between principal insureds and their spouses.~~

23.10 (c) Premium rates may vary based upon tobacco use, except that the rate shall not
23.11 vary by more than 1.5 to 1.

23.12 ~~(e)~~ (d) In developing its ~~index rates and~~ premiums for a health plan, a health carrier
23.13 shall take into account only the following factors:

23.14 (1) actuarially valid differences in rating factors permitted under paragraphs (a)
23.15 and ~~(b)~~ (c); and

23.16 (2) actuarially valid geographic variations if approved by the commissioner as
23.17 provided in paragraph ~~(e)~~ (b).

23.18 (e) The premium charged with respect to any particular health plan or individual
23.19 market health insurance coverage shall not be adjusted more frequently than annually,
23.20 except that the premium rates may be changed to reflect:

23.21 (1) changes to the family composition of the policyholder;

23.22 (2) changes in geographic rating area of the policyholder, as provided in paragraph
23.23 (b);

23.24 (3) changes in age, as provided in paragraph (a);

23.25 (4) changes in tobacco use, as provided in paragraph (c);

23.26 (5) changes to the health plan requested by the policyholder; or

23.27 (6) other changes required by federal law or regulations or otherwise expressly
23.28 permitted by state law.

23.29 (f) A health carrier shall consider all enrollees in all health plans, other than
23.30 grandfathered health plan coverage, offered by the carrier in the individual market,
23.31 including those enrollees who do not enroll in such plans through an exchange, as
23.32 established under section 1311 of the Affordable Care Act, to be members of a single
23.33 risk pool.

23.34 (g) The commissioner may establish regulations to implement the provisions of
23.35 this section.

24.1 (h) In connection with the offering for sale of individual market health insurance
 24.2 coverage under this act, a health carrier shall make a reasonable disclosure, as part of its
 24.3 solicitation and sales materials, of all of the following:

24.4 (1) the provisions of the coverage concerning the carrier's right to change premium
 24.5 rates and the factors that may affect changes in premium rates; and

24.6 (2) a listing of and descriptive information, including benefits and premiums, about
 24.7 all health plans offered by the carrier that provide individual market health insurance
 24.8 coverage and the availability of the health plans for which the individual is qualified.

24.9 (i) All premium variations must be justified in initial rate filings and upon request of
 24.10 the commissioner in rate revision filings. All rate variations are subject to approval by
 24.11 the commissioner.

24.12 ~~(g)~~ (j) The loss ratio must comply with the section 62A.021 requirements for
 24.13 individual health plans.

24.14 ~~(h)~~ (k) The rates must not be approved, unless the commissioner has determined that
 24.15 the rates are reasonable. In determining reasonableness, the commissioner shall consider
 24.16 the growth rates applied under section 62J.04, subdivision 1, paragraph (b), to the calendar
 24.17 year or years that the proposed premium rate would be in effect; and actuarially valid
 24.18 changes in risks associated with the enrollee populations, and actuarially valid changes as
 24.19 a result of statutory changes in Laws 1992, chapter 549.

24.20 ~~(i)~~ (l) An insurer may, as part of a minimum lifetime loss ratio guarantee filing under
 24.21 section 62A.02, subdivision 3a, include a rating practices guarantee as provided in this
 24.22 paragraph. The rating practices guarantee must be in writing and must guarantee that
 24.23 the policy form will be offered, sold, issued, and renewed only with premium rates and
 24.24 premium rating practices that comply with subdivisions 2, 3, 4, and 5. The rating practices
 24.25 guarantee must be accompanied by an actuarial memorandum that demonstrates that the
 24.26 premium rates and premium rating system used in connection with the policy form will
 24.27 satisfy the guarantee. The guarantee must guarantee refunds of any excess premiums to
 24.28 policyholders charged premiums that exceed those permitted under subdivision 2, 3, 4,
 24.29 or 5. An insurer that complies with this paragraph in connection with a policy form is
 24.30 exempt from the requirement of prior approval by the commissioner under paragraphs
 24.31 (c), (f), and (h).

24.32 **EFFECTIVE DATE.** This section is effective January 1, 2014.

24.33 Sec. 27. Minnesota Statutes 2012, section 62A.65, subdivision 5, is amended to read:

24.34 Subd. 5. **Portability and conversion of coverage.** (a) For plan years beginning
 24.35 on or after January 1, 2014, no individual health plan may be offered, sold, issued, or

25.1 ~~with respect to children age 18 or under~~ renewed, to a Minnesota resident that contains a
25.2 preexisting condition limitation, preexisting condition exclusion, or exclusionary rider;
25.3 ~~unless the limitation or exclusion is permitted under this subdivision and under chapter~~
25.4 ~~62L, provided that, except for children age 18 or under, underwriting restrictions may~~
25.5 ~~be retained on individual contracts that are issued without evidence of insurability as~~
25.6 ~~a replacement for prior individual coverage that was sold before May 17, 1993. The~~
25.7 An individual age 19 or older may be subjected to an 18-month preexisting condition
25.8 limitation during plan years beginning prior to January 1, 2014, unless the individual has
25.9 maintained continuous coverage as defined in section 62L.02. The individual must not be
25.10 subjected to an exclusionary rider. During plan years beginning prior to January 1, 2014,
25.11 an individual who is age 19 or older and who has maintained continuous coverage may be
25.12 subjected to a onetime preexisting condition limitation of up to 12 months, with credit for
25.13 time covered under qualifying coverage as defined in section 62L.02, at the time that the
25.14 individual first is covered under an individual health plan by any health carrier. Credit must
25.15 be given for all qualifying coverage with respect to all preexisting conditions, regardless of
25.16 whether the conditions were preexisting with respect to any previous qualifying coverage.
25.17 The individual must not be subjected to an exclusionary rider. Thereafter, the individual
25.18 who is age 19 or older must not be subject to any preexisting condition limitation,
25.19 preexisting condition exclusion, or exclusionary rider under an individual health plan by
25.20 any health carrier, except an unexpired portion of a limitation under prior coverage, so
25.21 long as the individual maintains continuous coverage as defined in section 62L.02. The
25.22 prohibition on preexisting condition limitations for children age 18 or under does not apply
25.23 to an individual health plan that is a grandfathered plan, as defined in section 62A.011,
25.24 subdivision 1c. The prohibition on preexisting condition limitations for adults age 19 and
25.25 over beginning for plan years on or after January 1, 2014 does not apply to individual
25.26 health plans that are grandfathered plans as defined in section 62A.011, subdivision 1c.

25.27 (b) A health carrier must offer an individual health plan to any individual previously
25.28 covered under a group health plan issued by that health carrier, regardless of the size of
25.29 the group, so long as the individual maintained continuous coverage as defined in section
25.30 62L.02. If the individual has available any continuation coverage provided under sections
25.31 62A.146; 62A.148; 62A.17, subdivisions 1 and 2; 62A.20; 62A.21; 62C.142; 62D.101; or
25.32 62D.105, or continuation coverage provided under federal law, the health carrier need not
25.33 offer coverage under this paragraph until the individual has exhausted the continuation
25.34 coverage. The offer must not be subject to underwriting, except as permitted under this
25.35 paragraph. A health plan issued under this paragraph must be a qualified plan as defined
25.36 in section 62E.02 and must not contain any preexisting condition limitation, preexisting

26.1 condition exclusion, or exclusionary rider, except for any unexpired limitation or
 26.2 exclusion under the previous coverage. The individual health plan must cover pregnancy
 26.3 on the same basis as any other covered illness under the individual health plan. The offer
 26.4 of coverage by the health carrier must inform the individual that the coverage, including
 26.5 what is covered and the health care providers from whom covered care may be obtained,
 26.6 may not be the same as the individual's coverage under the group health plan. The offer
 26.7 of coverage by the health carrier must also inform the individual that the individual, if
 26.8 a Minnesota resident, may be eligible to obtain coverage from (i) other private sources
 26.9 of health coverage, or (ii) the Minnesota Comprehensive Health Association, without a
 26.10 preexisting condition limitation, and must provide the telephone number used by that
 26.11 association for enrollment purposes. The initial premium rate for the individual health
 26.12 plan must comply with subdivision 3. The premium rate upon renewal must comply with
 26.13 subdivision 2. In no event shall the premium rate exceed 100 percent of the premium
 26.14 charged for comparable individual coverage by the Minnesota Comprehensive Health
 26.15 Association, and the premium rate must be less than that amount if necessary to otherwise
 26.16 comply with this section. ~~An individual health plan offered under this paragraph to a~~
 26.17 ~~person satisfies the health carrier's obligation to offer conversion coverage under section~~
 26.18 ~~62E.16, with respect to that person.~~ Coverage issued under this paragraph must provide
 26.19 that it cannot be canceled or nonrenewed as a result of the health carrier's subsequent
 26.20 decision to leave the individual, small employer, or other group market. Section 72A.20,
 26.21 subdivision 28, applies to this paragraph.

26.22 **EFFECTIVE DATE.** This section is effective January 1, 2014.

26.23 Sec. 28. Minnesota Statutes 2012, section 62A.65, subdivision 6, is amended to read:

26.24 Subd. 6. **Guaranteed issue not required.** (a) Nothing in this section requires a
 26.25 health carrier to initially issue a health plan to a Minnesota resident who is age 19 or older
 26.26 on the date the health plan becomes effective if the effective date is prior to January 1,
 26.27 2014, except as otherwise expressly provided in subdivision 4 or 5.

26.28 (b) Guaranteed issue is required for all health plans, except grandfathered plans,
 26.29 beginning January 1, 2014.

26.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

26.31 Sec. 29. Minnesota Statutes 2012, section 62A.65, subdivision 7, is amended to read:

26.32 Subd. 7. **Short-term coverage.** (a) For purposes of this section, "short-term
 26.33 coverage" means an individual health plan that:

27.1 (1) is issued to provide coverage for a period of 185 days or less, except that the
27.2 health plan may permit coverage to continue until the end of a period of hospitalization
27.3 for a condition for which the covered person was hospitalized on the day that coverage
27.4 would otherwise have ended;

27.5 (2) is nonrenewable, provided that the health carrier may provide coverage for one or
27.6 more subsequent periods that satisfy clause (1), if the total of the periods of coverage do not
27.7 exceed a total of 365 days out of any 555-day period, plus any additional days covered as a
27.8 result of hospitalization on the day that a period of coverage would otherwise have ended;

27.9 (3) does not cover any preexisting conditions, including ones that originated during
27.10 a previous identical policy or contract with the same health carrier where coverage was
27.11 continuous between the previous and the current policy or contract; and

27.12 (4) is available with an immediate effective date without underwriting upon receipt
27.13 of a completed application indicating eligibility under the health carrier's eligibility
27.14 requirements, provided that coverage that includes optional benefits may be offered on a
27.15 basis that does not meet this requirement.

27.16 (b) Short-term coverage is not subject to subdivisions 2 and 5. Short-term coverage
27.17 may exclude as a preexisting condition any injury, illness, or condition for which the
27.18 covered person had medical treatment, symptoms, or any manifestations before the
27.19 effective date of the coverage, but dependent children born or placed for adoption during
27.20 the policy period must not be subject to this provision.

27.21 (c) Notwithstanding subdivision 3, and section 62A.021, a health carrier may
27.22 combine short-term coverage with its most commonly sold individual qualified plan, as
27.23 defined in section 62E.02, other than short-term coverage, for purposes of complying
27.24 with the loss ratio requirement.

27.25 (d) The 365-day coverage limitation provided in paragraph (a) applies to the total
27.26 number of days of short-term coverage that covers a person, regardless of the number of
27.27 policies, contracts, or health carriers that provide the coverage. A written application for
27.28 short-term coverage must ask the applicant whether the applicant has been covered by
27.29 short-term coverage by any health carrier within the 555 days immediately preceding the
27.30 effective date of the coverage being applied for. Short-term coverage issued in violation
27.31 of the 365-day limitation is valid until the end of its term and does not lose its status as
27.32 short-term coverage, in spite of the violation. A health carrier that knowingly issues
27.33 short-term coverage in violation of the 365-day limitation is subject to the administrative
27.34 penalties otherwise available to the commissioner of commerce or the commissioner
27.35 of health, as appropriate.

28.1 ~~(e) Time spent under short-term coverage counts as time spent under a preexisting~~
 28.2 ~~condition limitation for purposes of group or individual health plans, other than short-term~~
 28.3 ~~coverage, subsequently issued to that person, or to cover that person, by any health carrier,~~
 28.4 ~~if the person maintains continuous coverage as defined in section 62L.02. Short-term~~
 28.5 ~~coverage is a health plan and is qualifying coverage as defined in section 62L.02.~~
 28.6 ~~Notwithstanding any other law to the contrary, a health carrier is not required under any~~
 28.7 ~~circumstances to provide a person covered by short-term coverage the right to obtain~~
 28.8 ~~coverage on a guaranteed issue basis under another health plan offered by the health~~
 28.9 ~~carrier, as a result of the person's enrollment in short-term coverage.~~

28.10 **EFFECTIVE DATE.** This section is effective the day following final enactment.

28.11 Sec. 30. **[62A.67] COMPREHENSIVE HEALTH INSURANCE COVERAGE**
 28.12 **REQUIREMENTS.**

28.13 Subdivision 1. **Generally.** Health carriers offering health plans providing individual
 28.14 market health insurance coverage shall ensure that the coverage:

28.15 (1) includes the essential health benefits package required under section 1302(a) of
 28.16 the Affordable Care Act;

28.17 (2) limits cost-sharing for such coverage in accordance with section 1302(c) of the
 28.18 Federal Act, as described in subdivision 2; and

28.19 (3) subject to subdivision 3, provides bronze, silver, gold, or platinum level of
 28.20 coverage described in section 1302(d) of the Affordable Care Act as follows:

28.21 (i) a health plan in the bronze level shall provide a level of coverage that is designed
 28.22 to provide benefits that are actuarially equivalent to 60 percent of the full actuarial value
 28.23 of the benefits provided under the plan;

28.24 (ii) a health plan in the silver level shall provide a level of coverage that is designed
 28.25 to provide benefits that are actuarially equivalent to 70 percent of the full actuarial value
 28.26 of the benefits provided under the plan;

28.27 (iii) a health plan in the gold level shall provide a level of coverage that is designed
 28.28 to provide benefits that are actuarially equivalent to 80 percent of the full actuarial value
 28.29 of the benefits provided under the plan; and

28.30 (iv) a health plan in the platinum level shall provide a level of coverage that is
 28.31 designed to provide benefits that are actuarially equivalent to 90 percent of the full
 28.32 actuarial value of the benefits provided under the plan.

28.33 Subd. 2. **Coverage for enrollees under the age of 21.** If a health carrier offers
 28.34 health insurance coverage in any level of coverage specified under section 1302(d) of the
 28.35 Affordable Care Act, as described in subdivision 1, clause (3), the carrier shall also offer

29.1 such coverage in that level as a health plan in which the only enrollees are individuals
 29.2 who, as of the beginning of a policy year, have not attained the age of 21 years.

29.3 Subd. 3. **Alternative compliance for catastrophic plans.** A health plan not
 29.4 providing a bronze, silver, gold, or platinum level of coverage, as described in subdivision
 29.5 1, clause (3), shall be treated as meeting the requirements of section 1302(d) of the
 29.6 Affordable Care Act with respect to any policy year if it provides a catastrophic plan that
 29.7 meets the requirements of section 1302(e) of the Affordable Care Act.

29.8 This section shall not apply to a dental plan described in section 1311(d)(2)(B)(ii) of
 29.9 the Affordable Care Act.

29.10 Subd. 4. **Essential health benefit package benefits package; definition.** For
 29.11 purposes of this section, "essential health benefits package" means coverage that:

29.12 (1) provides for the essential health benefits. "Essential health benefits" include:

29.13 (i) ambulatory patient services;

29.14 (ii) emergency services;

29.15 (iii) hospitalization;

29.16 (iv) laboratory services;

29.17 (v) maternity and newborn care;

29.18 (vi) mental health and substance abuse disorder services, including behavioral health
 29.19 treatment;

29.20 (vii) pediatric services, including oral and vision care;

29.21 (viii) prescription drugs;

29.22 (ix) preventative and wellness services and chronic disease management; and

29.23 (x) rehabilitative and habilitative services and devices.

29.24 **EFFECTIVE DATE.** This section is effective January 1, 2014.

29.25 Sec. 31. Minnesota Statutes 2012, section 62C.14, subdivision 5, is amended to read:

29.26 **Subd. 5. Disabled dependents.** A subscriber's individual contract or any group
 29.27 contract delivered or issued for delivery in this state and providing that coverage of
 29.28 a dependent child of the subscriber or a dependent child of a covered group member

31.28 ENROLLEE INFORMATION

31.29 (1) COVERED SERVICES: Services provided by (name of health maintenance
31.30 organization) will be covered only if services are provided by participating (name of
31.31 health maintenance organization) providers or authorized by (name of health maintenance
31.32 organization). Your contract fully defines what services are covered and describes
31.33 procedures you must follow to obtain coverage.

31.34 (2) PROVIDERS: Enrolling in (name of health maintenance organization) does not
31.35 guarantee services by a particular provider on the list of providers. When a provider is

32.1 no longer part of (name of health maintenance organization), you must choose among
32.2 remaining (name of the health maintenance organization) providers.

32.3 (3) REFERRALS: Certain services are covered only upon referral. See section
32.4 (section number) of your contract for referral requirements. All referrals to non-(name of
32.5 health maintenance organization) providers and certain types of health care providers must
32.6 be authorized by (name of health maintenance organization).

32.7 (4) EMERGENCY SERVICES: Emergency services from providers who are not
32.8 affiliated with (name of health maintenance organization) will be covered ~~only if proper~~
32.9 ~~procedures are followed~~. Your contract explains the procedures and benefits associated
32.10 with emergency care from (name of health maintenance organization) and non-(name of
32.11 health maintenance organization) providers.

32.12 (5) EXCLUSIONS: Certain services or medical supplies are not covered. You
32.13 should read the contract for a detailed explanation of all exclusions.

32.14 (6) CONTINUATION: You may convert to an individual health maintenance
32.15 organization contract or continue coverage under certain circumstances. These
32.16 continuation and conversion rights are explained fully in your contract.

32.17 (7) CANCELLATION: Your coverage may be canceled by you or (name of health
32.18 maintenance organization) only under certain conditions. Your contract describes all
32.19 reasons for cancellation of coverage.

32.20 (8) NEWBORN COVERAGE: If your health plan provides for dependent coverage,
32.21 a newborn infant is covered from birth, but only if services are provided by participating
32.22 (name of health maintenance organization) providers or authorized by (name of health
32.23 maintenance organization). Certain services are covered only upon referral. (Name
32.24 of health maintenance organization) will not automatically know of the infant's birth
32.25 or that you would like coverage under your plan. You should notify (name of health
32.26 maintenance organization) of the infant's birth and that you would like coverage. If your
32.27 contract requires an additional premium for each dependent, (name of health maintenance
32.28 organization) is entitled to all premiums due from the time of the infant's birth until the
32.29 time you notify (name of health maintenance organization) of the birth. (Name of health
32.30 maintenance organization) may withhold payment of any health benefits for the newborn
32.31 infant until any premiums you owe are paid.

32.32 (9) PRESCRIPTION DRUGS AND MEDICAL EQUIPMENT: Enrolling in (name
32.33 of health maintenance organization) does not guarantee that any particular prescription
32.34 drug will be available nor that any particular piece of medical equipment will be available,
32.35 even if the drug or equipment is available at the start of the contract year.

32.36 ENROLLEE BILL OF RIGHTS

33.1 (1) Enrollees have the right to available and accessible services including emergency
33.2 services, as defined in your contract, 24 hours a day and seven days a week;

33.3 (2) Enrollees have the right to be informed of health problems, and to receive
33.4 information regarding treatment alternatives and risks which is sufficient to assure
33.5 informed choice;

33.24 Subdivision 1. **General application.** A health maintenance contract may contain

35.14 Subd. 7. **Replacement coverage; limitations.** The association is not obligated
 35.15 to offer replacement coverage under this chapter ~~or conversion coverage under section~~
 35.16 ~~62E.16~~ at the end of the periods specified in subdivision 6. Any continuation obligation
 35.17 arising under this chapter or chapter 62A will cease at the end of the periods specified in

35.20 Sec. 38. Minnesota Statutes 2012, section 62D.30, subdivision 8, is amended to read:

35.21 Subd. 8. **Rural demonstration project.** (a) The commissioner may permit
 35.22 demonstration projects to allow health maintenance organizations to extend coverage to a
 35.23 health improvement and purchasing coalition located in rural Minnesota, comprised of
 35.24 the health maintenance organization and members from a geographic area. For purposes
 35.25 of this subdivision, rural is defined as greater Minnesota excluding the seven-county
 35.26 metropolitan area of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.
 35.27 The coalition must be designed in such a way that members will:

- 35.28 (1) become better informed about health care trends and cost increases;
- 35.29 (2) be actively engaged in the design of health benefit options that will meet the
 35.30 needs of their community;
- 35.31 (3) pool their insurance risk;

36.1 (4) purchase these products from the health maintenance organization involved in
36.2 the demonstration project; and

36.3 (5) actively participate in health improvement decisions for their community.

36.4 (b) The commissioner must consider the following when approving applications
36.5 for rural demonstration projects:

36.6 (1) the extent of consumer involvement in development of the project;

36.7 (2) the degree to which the project is likely to reduce the number of uninsured or to
36.8 maintain existing coverage; and

36.9 (3) a plan to evaluate and report to the commissioner and legislature as prescribed by
36.10 paragraph (e).

36.11 (c) For purposes of this subdivision, the commissioner must waive compliance with
36.12 the following statutes and rules: the cost-sharing restrictions under section 62D.095,
36.13 subdivisions 2, 3, and 4, and Minnesota Rules, part 4685.0801, subparts 1 to 7; for a
36.14 period of at least two years, participation in government programs under section 62D.04,
36.15 subdivision 5, in the counties of the demonstration project if that compliance would have
36.16 been required solely due to participation in the demonstration project and shall continue
36.17 to waive this requirement beyond two years if the enrollment in the demonstration
36.18 project is less than 10,000 enrollees; ~~small employer marketing under section 62L.05,~~
36.19 ~~subdivisions 1 to 3;~~ and small employer geographic premium variations under section
36.20 62L.08, subdivision 4. The commissioner shall approve enrollee cost-sharing features
36.21 desired by the coalition that appropriately share costs between employers, individuals,
36.22 and the health maintenance organization.

36.23 (d) The health maintenance organization may make the starting date of the project
36.24 contingent upon a minimum number of enrollees as cited in the application, provide
36.25 for an initial term of contract with the purchasers of a minimum of three years, and
36.26 impose a reasonable penalty for employers who withdraw early from the project. For
36.27 purposes of this subdivision, loss ratios are to be determined as if the policies issued under
36.28 this section are considered individual or small employer policies pursuant to section
36.29 62A.021, subdivision 1, paragraph (f). The health maintenance organization may consider
36.30 businesses of one to be a small employer under section 62L.02, subdivision 26. The
36.31 health maintenance organization may limit enrollment and establish enrollment criteria for
36.32 businesses of one. Health improvement and purchasing coalitions under this subdivision
36.33 are not associations under section 62L.045, subdivision 1, paragraph (a).

36.34 (e) The health improvement and purchasing coalition must report to the
36.35 commissioner and legislature annually on the progress of the demonstration project and, to
36.36 the extent possible, any significant findings in the criteria listed in clauses (1), (2), and (3)

37.1 for the final report. The coalition must submit a final report five years from the starting date
 37.2 of the project. The final report must detail significant findings from the project and must
 37.3 include, to the extent available, but should not be limited to, information on the following:

37.4 (1) the extent to which the project had an impact on the number of uninsured
 37.5 in the project area;

37.6 (2) the effect on health coverage premiums for groups in the project's geographic
 37.7 area, including those purchasing health coverage outside the health improvement and
 37.8 purchasing coalition; and

37.9 (3) the degree to which health care consumers were involved in the development and
 37.10 implementation of the demonstration project.

37.11 (f) The commissioner must limit the number of demonstration projects under this
 37.12 subdivision to five projects.

37.13 (g) Approval of the application for the demonstration project is deemed to be in
 37.14 compliance with section 62E.06, subdivisions 1, paragraph (a), 2, and 3.

37.15 (h) Subdivisions 2 to 7 apply to demonstration projects under this subdivision.

37.16 Waivers permitted under subdivision 1 do not apply to demonstration projects under
 37.17 this subdivision.

37.18 (i) If a demonstration project under this subdivision works in conjunction with a
 37.19 purchasing alliance formed under chapter 62T, that chapter will apply to the purchasing
 37.20 alliance except to the extent that chapter 62T is inconsistent with this subdivision.

37.21 **EFFECTIVE DATE.** This section is effective January 1, 2014.

39.35 to be contained in any motor vehicle, or other liability insurance policy or equivalent
39.36 self-insurance, or (iii) for which benefits are payable under another policy of accident and

40.1 health insurance, Medicare, or any other governmental program except as otherwise
40.2 provided by section 62A.04, subdivision 3, clause (4);

40.3 (2) any charge for treatment for cosmetic purposes other than for reconstructive
40.4 surgery when such service is incidental to or follows surgery resulting from injury,
40.5 sickness, or other diseases of the involved part or when such service is performed on a
40.6 covered dependent child because of congenital disease or anomaly which has resulted in a
40.7 functional defect as determined by the attending physician;

40.8 (3) care which is primarily for custodial or domiciliary purposes which would not
40.9 qualify as eligible services under Medicare;

40.10 (4) any charge for confinement in a private room to the extent it is in excess of
40.11 the institution's charge for its most common semiprivate room, unless a private room is
40.12 prescribed as medically necessary by a physician, provided, however, that if the institution
40.13 does not have semiprivate rooms, its most common semiprivate room charge shall be
40.14 considered to be 90 percent of its lowest private room charge;

40.15 (5) that part of any charge for services or articles rendered or prescribed by a
40.16 physician, dentist, or other health care personnel which exceeds the prevailing charge in
40.17 the locality where the service is provided; and

40.18 (6) any charge for services or articles the provision of which is not within the scope
40.19 of authorized practice of the institution or individual rendering the services or articles.

40.20 (d) The minimum benefits for a qualified plan shall include, in addition to those
40.21 benefits specified in clauses (a) and (e), benefits for well baby care, effective July 1,
40.22 1980, subject to applicable deductibles, coinsurance provisions, and maximum lifetime
40.23 benefit limitations.

40.24 (e) Effective July 1, 1979, the minimum benefits of a qualified plan shall include, in
40.25 addition to those benefits specified in clause (a), a second opinion from a physician on
40.26 all surgical procedures expected to cost a total of \$500 or more in physician, laboratory,
40.27 and hospital fees, provided that the coverage need not include the repetition of any
40.28 diagnostic tests.

40.29 (f) Effective August 1, 1985, the minimum benefits of a qualified plan must include,
40.30 in addition to the benefits specified in clauses (a), (d), and (e), coverage for special dietary

40.32 (g) Outpatient mental health coverage is subject to section 62A.152, subdivision 2.

40.33 **EFFECTIVE DATE.** This section is effective the day following final enactment.

41.1 Sec. 42. Minnesota Statutes 2012, section 62E.09, is amended to read:

41.2 **62E.09 DUTIES OF COMMISSIONER.**

41.3 The commissioner may:

41.4 (a) formulate general policies to advance the purposes of sections 62E.01 to 62E.19;

41.5 (b) supervise the creation of the Minnesota Comprehensive Health Association
41.6 within the limits described in section 62E.10;

41.7 (c) approve the selection of the writing carrier by the association, approve the
41.8 association's contract with the writing carrier, and approve the state plan coverage;

41.9 (d) appoint advisory committees;

41.10 (e) conduct periodic audits to assure the general accuracy of the financial data
41.11 submitted by the writing carrier and the association;

41.12 (f) contract with the federal government or any other unit of government to ensure
41.13 coordination of the state plan with other governmental assistance programs;

41.14 (g) undertake directly or through contracts with other persons studies or
41.15 demonstration programs to develop awareness of the benefits of sections 62E.01 to ~~62E.16~~
41.16 62E.15, so that the residents of this state may best avail themselves of the health care
41.17 benefits provided by these sections;

41.18 (h) contract with insurers and others for administrative services; and

41.19 (i) adopt, amend, suspend and repeal rules as reasonably necessary to carry out and
41.20 make effective the provisions and purposes of sections 62E.01 to 62E.19.

41.21 **EFFECTIVE DATE.** This section is effective January 1, 2014.

41.22 Sec. 43. Minnesota Statutes 2012, section 62E.10, subdivision 7, is amended to read:

41.23 Subd. 7. **General powers.** The association may:

41.24 (a) Exercise the powers granted to insurers under the laws of this state;

41.25 (b) Sue or be sued;

41.26 (c) Enter into contracts with insurers, similar associations in other states or with
41.27 other persons for the performance of administrative functions including the functions
41.28 provided for in clauses (e) and (f);

41.29 (d) Establish administrative and accounting procedures for the operation of the
41.30 association;

41.31 (e) Provide for the reinsuring of risks incurred as a result of issuing the coverages
41.32 required by ~~sections~~ section 62E.04 and ~~62E.16~~ by members of the association. Each
41.33 member which elects to reinsure its required risks shall determine the categories of
41.34 coverage it elects to reinsure in the association. The categories of coverage are:

- 42.1 (1) individual qualified plans, excluding group conversions;
 42.2 (2) group conversions;
 42.3 (3) group qualified plans with fewer than 50 employees or members; and
 42.4 (4) major medical coverage.

42.5 A separate election may be made for each category of coverage. If a member elects
 42.6 to reinsure the risks of a category of coverage, it must reinsure the risk of the coverage
 42.7 of every life covered under every policy issued in that category. A member electing to
 42.8 reinsure risks of a category of coverage shall enter into a contract with the association
 42.9 establishing a reinsurance plan for the risks. This contract may include provision for
 42.10 the pooling of members' risks reinsured through the association and it may provide for
 42.11 assessment of each member reinsuring risks for losses and operating and administrative
 42.12 expenses incurred, or estimated to be incurred in the operation of the reinsurance plan. This
 42.13 reinsurance plan shall be approved by the commissioner before it is effective. Members
 42.14 electing to administer the risks which are reinsured in the association shall comply with the
 42.15 benefit determination guidelines and accounting procedures established by the association.
 42.16 The fee charged by the association for the reinsurance of risks shall not be less than 110
 42.17 percent of the total anticipated expenses incurred by the association for the reinsurance; and

42.18 (f) Provide for the administration by the association of policies which are reinsured
 42.19 pursuant to clause (e). Each member electing to reinsure one or more categories of
 42.20 coverage in the association may elect to have the association administer the categories of
 42.21 coverage on the member's behalf. If a member elects to have the association administer
 42.22 the categories of coverage, it must do so for every life covered under every policy issued
 42.23 in that category. The fee for the administration shall not be less than 110 percent of the
 42.24 total anticipated expenses incurred by the association for the administration.

42.25 **EFFECTIVE DATE.** This section is effective January 1, 2014.

42.26 Sec. 44. Minnesota Statutes 2012, section 62H.04, is amended to read:

42.27 **62H.04 COMPLIANCE WITH OTHER LAWS.**

42.28 (a) A joint self-insurance plan is subject to the requirements of chapters 62A, 62E,
 42.29 62L, and 62Q, and sections 72A.17 to 72A.32 unless otherwise specifically exempt. A
 42.30 joint self-insurance plan must pay assessments made by the Minnesota Comprehensive
 42.31 Health Association, as required under section 62E.11.

42.32 (b) A joint self-insurance plan is exempt from providing the mandated health
 42.33 benefits described in chapters 62A, 62E, 62L, and 62Q if it otherwise provides the benefits
 42.34 required under the Employee Retirement Income Security Act of 1974, United States

43.1 Code, title 29, sections 1001, et seq., for all employers and not just for the employers with
 43.2 50 or more employees who are covered by that federal law.

43.3 (c) A joint self-insurance plan is exempt from section 62L.03, subdivision 1, if the
 43.4 plan offers an annual open enrollment period of no less than 15 days during which all
 43.5 employers that qualify for membership may enter the plan without preexisting condition
 43.6 limitations or exclusions except those permitted under chapter 62L.

43.7 (d) A joint self-insurance plan is exempt from sections 62A.146, 62A.16, 62A.17,
 43.8 62A.20, 62A.21, and 62A.65, subdivision 5, paragraph (b), ~~and 62E.16~~ if the joint
 43.9 self-insurance plan complies with the continuation requirements under the Employee
 43.10 Retirement Income Security Act of 1974, United States Code, title 29, sections 1001, et
 43.11 seq., for all employers and not just for the employers with 20 or more employees who
 43.12 are covered by that federal law.

43.13 (e) A joint self-insurance plan must provide to all employers the maternity coverage
 43.14 required by federal law for employers with 15 or more employees.

43.15 (f) A joint self-insurance plan must comply with all the provisions and requirements
 43.16 of the Affordable Care Act as defined under section 62A.011, subdivision 1a, to the extent
 43.17 that they apply to such plans.

43.18 **EFFECTIVE DATE.** This section is effective the day following final enactment,
 43.19 except that the amendment made to paragraph (d) is effective January 1, 2014.

43.20 Sec. 45. Minnesota Statutes 2012, section 62L.02, subdivision 11, is amended to read:

43.21 Subd. 11. **Dependent.** "Dependent" means an eligible employee's spouse,
 43.22 ~~unmarried child who is under the age of 25 years~~ dependent child to the limiting age as
 43.23 defined in section 62Q.01, subdivision 10, dependent child of any age who is disabled and
 43.24 who meets the eligibility criteria in section 62A.14, subdivision 2, or any other person
 43.25 whom state or federal law requires to be treated as a dependent for purposes of health
 43.26 plans. For the purpose of this definition, a dependent child to the limiting age as defined in
 43.27 section 62Q.01, subdivision 10, includes a child for whom the employee or the employee's
 43.28 spouse has been appointed legal guardian and an adoptive child as provided in section
 43.29 62A.27. A child also means a grandchild as provided in section 62A.042 with continued
 43.30 eligibility of grandchildren as provided in section 62A.302, subdivision 4.

43.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

43.32 Sec. 46. Minnesota Statutes 2012, section 62L.02, subdivision 14a, is amended to read:

44.1 Subd. 14a. **Guaranteed issue.** "Guaranteed issue" means that a health carrier shall
 44.2 not decline an application by a small employer for any health benefit plan offered by
 44.3 that health carrier and shall not decline to cover under a health benefit plan any eligible
 44.4 employee or eligible dependent, including persons who become eligible employees or
 44.5 eligible dependents after initial issuance of the health benefit plan, ~~subject to the health~~
 44.6 ~~carrier's right to impose preexisting condition limitations permitted under this chapter.~~

44.7 **EFFECTIVE DATE.** This section is effective January 1, 2014.

44.8 Sec. 47. Minnesota Statutes 2012, section 62L.02, is amended by adding a subdivision
 44.9 to read:

44.10 Subd. 17a. **Individual health plan.** "Individual health plan" means a health plan
 44.11 as defined under section 62A.011, subdivision 3, that is offered to individuals in the
 44.12 individual market, other than conversion policies or short-term coverage. Small group
 44.13 market health plans offered through the Minnesota Insurance Marketplace to employees of
 44.14 a small employer are not considered individual health plans, regardless of whether the
 44.15 plan is purchased using a defined contribution from the employer.

44.16 **EFFECTIVE DATE.** This section is effective January 1, 2014.

44.17 Sec. 48. Minnesota Statutes 2012, section 62L.02, subdivision 26, is amended to read:

44.18 Subd. 26. **Small employer.** (a) "Small employer" means, with respect to a calendar
 44.19 year and a plan year, a person, firm, corporation, partnership, association, or other entity
 44.20 actively engaged in business in Minnesota, including a political subdivision of the state, that
 44.21 employed an average of ~~no fewer than two nor~~ at least one, ~~not including a sole proprietor,~~
 44.22 but not more than 50 current employees on business days during the preceding calendar
 44.23 year and that employs at least ~~two~~ one current employees employee, not including a sole
 44.24 proprietor, on the first day of the plan year. ~~If an employer has only one eligible employee~~
 44.25 ~~who has not waived coverage, the sale of a health plan to or for that eligible employee~~
 44.26 ~~is not a sale to a small employer and is not subject to this chapter and may be treated as~~
 44.27 ~~the sale of an individual health plan.~~ A small employer plan may be offered through a
 44.28 domiciled association to self-employed individuals and small employers who are members
 44.29 of the association, even if the self-employed individual or small employer has fewer than
 44.30 two current employees. Entities that are treated as a single employer under subsection (b),
 44.31 (c), (m), or (o) of section 414 of the federal Internal Revenue Code are considered a single
 44.32 employer for purposes of determining the number of current employees. Small employer
 44.33 status must be determined on an annual basis as of the renewal date of the health benefit

45.1 plan. The provisions of this chapter continue to apply to an employer who no longer meets
 45.2 the requirements of this definition until the annual renewal date of the employer's health
 45.3 benefit plan. If an employer was not in existence throughout the preceding calendar year,
 45.4 the determination of whether the employer is a small employer is based upon the average
 45.5 number of current employees that it is reasonably expected that the employer will employ
 45.6 on business days in the current calendar year. For purposes of this definition, the term
 45.7 employer includes any predecessor of the employer. An employer that has more than 50
 45.8 current employees but has 50 or fewer employees, as "employee" is defined under United
 45.9 States Code, title 29, section 1002(6), is a small employer under this subdivision.

45.10 (b) Where an association, as defined in section 62L.045, comprised of employers
 45.11 contracts with a health carrier to provide coverage to its members who are small employers,
 45.12 the association and health benefit plans it provides to small employers, are subject to
 45.13 section 62L.045, with respect to small employers in the association, even though the
 45.14 association also provides coverage to its members that do not qualify as small employers.

45.15 (c) If an employer has employees covered under a trust specified in a collective
 45.16 bargaining agreement under the federal Labor-Management Relations Act of 1947,
 45.17 United States Code, title 29, section 141, et seq., as amended, or employees whose health
 45.18 coverage is determined by a collective bargaining agreement and, as a result of the
 45.19 collective bargaining agreement, is purchased separately from the health plan provided
 45.20 to other employees, those employees are excluded in determining whether the employer
 45.21 qualifies as a small employer. Those employees are considered to be a separate small
 45.22 employer if they constitute a group that would qualify as a small employer in the absence
 45.23 of the employees who are not subject to the collective bargaining agreement.

45.24 **EFFECTIVE DATE.** This section is effective January 1, 2014.

45.25 Sec. 49. Minnesota Statutes 2012, section 62L.03, subdivision 1, is amended to read:

45.26 Subdivision 1. **Guaranteed issue and reissue.** (a) Every health carrier shall, as a
 45.27 condition of authority to transact business in this state in the small employer market,
 45.28 affirmatively market, offer, sell, issue, and renew any of its health benefit plans, on a
 45.29 guaranteed issue basis, to any small employer, including a small employer covered by
 45.30 paragraph (b), that meets the participation and contribution requirements of subdivision 3,
 45.31 as provided in this chapter.

45.32 (b) A small employer that ~~has its no longer meets the definition of small employer~~
 45.33 because of a reduction in workforce reduced to one employee may continue coverage as a
 45.34 small employer for 12 months from the date the group is reduced to one employee.

46.1 (c) Notwithstanding paragraph (a), a health carrier may, at the time of coverage
 46.2 renewal, modify the health coverage for a product offered in the small employer market if
 46.3 the modification is consistent with state law, approved by the commissioner, and effective
 46.4 on a uniform basis for all small employers purchasing that product other than through a
 46.5 qualified association in compliance with section 62L.045, subdivision 2.

46.6 ~~Paragraph (a) does not apply to a health benefit plan designed for a small employer~~
 46.7 ~~to comply with a collective bargaining agreement, provided that the health benefit plan~~
 46.8 ~~otherwise complies with this chapter and is not offered to other small employers, except~~
 46.9 ~~for other small employers that need it for the same reason. This paragraph applies only~~
 46.10 ~~with respect to collective bargaining agreements entered into prior to August 21, 1996,~~
 46.11 ~~and only with respect to plan years beginning before the later of July 1, 1997, or the date~~
 46.12 ~~upon which the last of the collective bargaining agreements relating to the plan terminates~~
 46.13 ~~determined without regard to any extension agreed to after August 21, 1996.~~

46.14 ~~(d) Every health carrier participating in the small employer market shall make~~
 46.15 ~~available both of the plans described in section 62L.05 to small employers and shall fully~~
 46.16 ~~comply with the underwriting and the rate restrictions specified in this chapter for all~~
 46.17 ~~health benefit plans issued to small employers.~~

46.18 ~~(e) (d)~~ A health carrier may cease to transact business in the small employer market
 46.19 as provided under section 62L.09.

46.20 **EFFECTIVE DATE.** This section is effective January 1, 2014.

46.21 Sec. 50. Minnesota Statutes 2012, section 62L.03, subdivision 3, is amended to read:

46.22 Subd. 3. **Minimum participation and contribution.** (a) A small employer that has
 46.23 at least 75 percent of its eligible employees who have not waived coverage participating in
 46.24 a health benefit plan and that contributes at least 50 percent toward the cost of coverage of
 46.25 each eligible employee must be guaranteed coverage on a guaranteed issue basis from
 46.26 any health carrier participating in the small employer market. The participation level
 46.27 of eligible employees must be determined at the initial offering of coverage and at the
 46.28 renewal date of coverage. A health carrier must not increase the participation requirements
 46.29 applicable to a small employer at any time after the small employer has been accepted for
 46.30 coverage. For the purposes of this subdivision, waiver of coverage includes only waivers
 46.31 due to: (1) coverage under another group health plan; (2) unaffordability as specified by
 46.32 the Affordable Care Act as defined under section 62A.011, subdivision 1a; (3) coverage
 46.33 under Medicare Parts A and B; or ~~(3)~~ (4) coverage under medical assistance under chapter
 46.34 256B or general assistance medical care under chapter 256D.

47.1 (b) If a small employer does not satisfy the contribution or participation requirements
 47.2 under this subdivision, a health carrier may voluntarily issue or renew individual health
 47.3 plans, or a health benefit plan which must fully comply with this chapter. A health carrier
 47.4 that provides a health benefit plan to a small employer that does not meet the contribution
 47.5 or participation requirements of this subdivision must maintain this information in its files
 47.6 for audit by the commissioner. A health carrier may not offer an individual health plan,
 47.7 purchased through an arrangement between the employer and the health carrier, to any
 47.8 employee unless the health carrier also offers the individual health plan, on a guaranteed
 47.9 issue basis, to all other employees of the same employer. An arrangement permitted under
 47.10 section 62L.12, subdivision 2, paragraph (k), is not an arrangement between the employer
 47.11 and the health carrier for purposes of this paragraph.

47.12 ~~(c) Nothing in this section obligates a health carrier to issue coverage to a small~~
 47.13 ~~employer that currently offers coverage through a health benefit plan from another health~~
 47.14 ~~carrier, unless the new coverage will replace the existing coverage and not serve as one~~
 47.15 ~~of two or more health benefit plans offered by the employer. This paragraph does not~~
 47.16 ~~apply if the small employer will meet the required participation level with respect to~~
 47.17 ~~the new coverage.~~

47.18 **EFFECTIVE DATE.** This section is effective January 1, 2014.

47.19 Sec. 51. Minnesota Statutes 2012, section 62L.03, subdivision 4, is amended to read:

47.20 Subd. 4. **Underwriting restrictions.** ~~(a) Health carriers may apply underwriting~~
 47.21 ~~restrictions to coverage for health benefit plans for small employers, including any~~
 47.22 ~~preexisting condition limitations, only as expressly permitted under this chapter. For~~
 47.23 ~~purposes of this section, "underwriting restrictions" means any refusal of the health carrier~~
 47.24 ~~to issue or renew coverage, any premium rate higher than the lowest rate charged by the~~
 47.25 ~~health carrier for the same coverage, any preexisting condition limitation, preexisting~~
 47.26 ~~condition exclusion, or any exclusionary rider.~~

47.27 (b) Health carriers may collect information relating to the case characteristics and
 47.28 demographic composition of small employers, as well as health status and health history
 47.29 information about employees, and dependents of employees, of small employers.

47.30 (c) ~~Except as otherwise authorized for late entrants, preexisting conditions may be~~
 47.31 ~~excluded by a health carrier for a period not to exceed 12 months from the enrollment~~
 47.32 ~~date of an eligible employee or dependent, but exclusionary riders must not be used. Late~~
 47.33 ~~entrants may be subject to a preexisting condition limitation not to exceed 18 months from~~
 47.34 ~~the enrollment date of the late entrant, but must not be subject to any exclusionary rider or~~
 47.35 ~~preexisting condition exclusion. When calculating any length of preexisting condition~~

48.1 ~~limitation, a health carrier shall credit the time period an eligible employee or dependent~~
48.2 ~~was previously covered by qualifying coverage, provided that the individual maintains~~
48.3 ~~continuous coverage. The credit must be given for all qualifying coverage with respect~~
48.4 ~~to all preexisting conditions, regardless of whether the conditions were preexisting with~~
48.5 ~~respect to any previous qualifying coverage. Section 60A.082, relating to replacement of~~
48.6 ~~group coverage, and the rules adopted under that section apply to this chapter, and this~~
48.7 ~~chapter's requirements are in addition to the requirements of that section and the rules~~
48.8 ~~adopted under it. A health carrier shall, at the time of first issuance or renewal of a health~~
48.9 ~~benefit plan on or after July 1, 1993, credit against any preexisting condition limitation~~
48.10 ~~or exclusion permitted under this section, the time period prior to July 1, 1993, during~~
48.11 ~~which an eligible employee or dependent was covered by qualifying coverage, if the~~
48.12 ~~person has maintained continuous coverage.~~

48.13 (d) ~~Health carriers shall not use pregnancy as a preexisting condition under this~~
48.14 ~~chapter.~~

48.15 **EFFECTIVE DATE.** This section is effective January 1, 2014.

48.16 Sec. 52. Minnesota Statutes 2012, section 62L.03, subdivision 6, is amended to read:

48.17 Subd. 6. **MCHA enrollees.** Health carriers shall offer coverage to any eligible
48.18 employee or dependent enrolled in MCHA at the time of the health carrier's issuance or
48.19 renewal of a health benefit plan to a small employer. The health benefit plan must require
48.20 that the employer permit MCHA enrollees to enroll in the small employer's health benefit
48.21 plan as of the first date of renewal of a health benefit plan occurring on or after July
48.22 1, 1993, and as of each date of renewal after that, or, in the case of a new group, as of
48.23 the initial effective date of the health benefit plan and as of each date of renewal after
48.24 that. ~~Unless otherwise permitted by this chapter,~~ Health carriers must not impose any
48.25 underwriting restrictions, including any preexisting condition limitations or exclusions, on
48.26 any eligible employee or dependent previously enrolled in MCHA and transferred to a
48.27 health benefit plan ~~so long as continuous coverage is maintained, provided that the health~~
48.28 ~~carrier may impose any unexpired portion of a preexisting condition limitation under the~~
48.29 ~~person's MCHA coverage. An MCHA enrollee is not a late entrant, so long as the enrollee~~
48.30 ~~has maintained continuous coverage.~~

48.31 **EFFECTIVE DATE.** This section is effective January 1, 2014.

48.32 Sec. 53. Minnesota Statutes 2012, section 62L.045, subdivision 2, is amended to read:

49.1 Subd. 2. **Qualified associations.** (a) A qualified association, as defined in this
 49.2 section, and health coverage offered by it, to it, or through it, to a small employer in
 49.3 this state must comply with the requirements of this chapter regarding guaranteed issue,
 49.4 guaranteed renewal, preexisting condition limitations, ~~credit against preexisting condition~~
 49.5 ~~limitations for continuous coverage~~, treatment of MCHA enrollees, and the definition of
 49.6 dependent, and with section 62A.65, subdivision 5, paragraph (b). They must also comply
 49.7 with all other requirements of this chapter not specifically exempted in paragraph (b) or (c).

49.8 (b) A qualified association and a health carrier offering, selling, issuing, or renewing
 49.9 health coverage to, or to cover, a small employer in this state through the qualified
 49.10 association, may, but are not, in connection with that health coverage, required to:

49.11 (1) offer the two small employer plans described in section 62L.05; and

49.12 (2) offer to small employers that are not members of the association, health coverage
 49.13 offered to, by, or through the qualified association.

49.14 ~~(c) A qualified association, and a health carrier offering, selling, issuing, and~~
 49.15 ~~renewing health coverage to, or to cover, a small employer in this state must comply~~
 49.16 ~~with section 62L.08, except that:~~

49.17 ~~(1) a separate index rate may be applied by a health carrier to each qualified~~
 49.18 ~~association, provided that:~~

49.19 ~~(i) the premium rate applied to participating small employer members of the~~
 49.20 ~~qualified association is no more than 25 percent above and no more than 25 percent below~~
 49.21 ~~the index rate applied to the qualified association, irrespective of when members applied~~
 49.22 ~~for health coverage; and~~

49.23 ~~(ii) the index rate applied by a health carrier to a qualified association is no more~~
 49.24 ~~than 20 percent above and no more than 20 percent below the index rate applied by the~~
 49.25 ~~health carrier to any other qualified association or to any small employer. In comparing~~
 49.26 ~~index rates for purposes of this clause, the 20 percent shall be calculated as a percent of~~
 49.27 ~~the larger index rate; and~~

49.28 ~~(2) a qualified association described in subdivision 1, paragraph (a), clauses (2)~~
 49.29 ~~to (4), providing health coverage through a health carrier, or on a self-insured basis in~~
 49.30 ~~compliance with section 471.617 and the rules adopted under that section, may cover~~
 49.31 ~~small employers and other employers within the same pool and may charge premiums~~
 49.32 ~~to small employer members on the same basis as it charges premiums to members that~~
 49.33 ~~are not small employers, if the premium rates charged to small employers do not have~~
 49.34 ~~greater variation than permitted under section 62L.08. A qualified association operating~~
 49.35 ~~under this clause shall annually prove to the commissioner of commerce that it complies~~
 49.36 ~~with this clause through a sampling procedure acceptable to the commissioner. If the~~

50.1 ~~qualified association fails to prove compliance to the satisfaction of the commissioner,~~
 50.2 ~~the association shall agree to a written plan of correction acceptable to the commissioner.~~
 50.3 ~~The qualified association is considered to be in compliance under this clause if there is~~
 50.4 ~~a premium rate that would, if used as an index rate, result in all premium rates in the~~
 50.5 ~~sample being in compliance with section 62L.08. This clause does not exempt a qualified~~
 50.6 ~~association or a health carrier providing coverage through the qualified association from~~
 50.7 ~~the loss ratio requirement of section 62L.08, subdivision 11.~~

50.8 **EFFECTIVE DATE.** This section is effective January 1, 2014.

50.9 Sec. 54. Minnesota Statutes 2012, section 62L.045, subdivision 4, is amended to read:

50.10 Subd. 4. **Principles; association coverage.** (a) This subdivision applies to
 50.11 associations as defined in this section, whether qualified associations or not, and is
 50.12 intended to clarify subdivisions 1 to 3.

50.13 (b) This section applies only to associations that provide health coverage to small
 50.14 employers.

50.15 (c) ~~A health carrier is not required under this chapter to comply with guaranteed~~
 50.16 ~~issue and guaranteed renewal with respect to its relationship with the association itself.~~

50.17 An arrangement between the health carrier and the association, once entered into, must
 50.18 comply with guaranteed issue and guaranteed renewal with respect to members of the
 50.19 association that are small employers and persons covered through them.

50.20 (d) When an arrangement between a health carrier and an association has validly
 50.21 terminated, the health carrier has no continuing obligation to small employers and persons
 50.22 covered through them, except as otherwise provided in:

50.23 (1) section 62A.65, subdivision 5, paragraph (b);

50.24 (2) any other continuation or conversion rights applicable under state or federal
 50.25 law; and

50.26 (3) section 60A.082, relating to group replacement coverage, and rules adopted
 50.27 under that section.

50.28 (e) When an association's arrangement with a health carrier has terminated and the
 50.29 association has entered into a new arrangement with that health carrier or a different
 50.30 health carrier, the new arrangement is subject to section 60A.082 and rules adopted under
 50.31 it, with respect to members of the association that are small employers and persons
 50.32 covered through them.

50.33 (f) An association that offers its members more than one plan of health coverage
 50.34 may have uniform rules restricting movement between the plans of health coverage, if the
 50.35 rules do not discriminate against small employers.

51.1 (g) This chapter does not require or prohibit separation of an association's members
 51.2 into one group consisting only of small employers and another group or other groups
 51.3 consisting of all other members. The association must comply with this section with
 51.4 respect to the small employer group.

51.5 (h) For purposes of this section, "member" of an association includes an employer
 51.6 participant in the association.

51.7 (i) For purposes of this section, health coverage issued to, or to cover, a small
 51.8 employer includes a certificate of coverage issued directly to the employer's employees
 51.9 and dependents, rather than to the small employer.

51.10 **EFFECTIVE DATE.** This section is effective January 1, 2014.

51.11 Sec. 55. Minnesota Statutes 2012, section 62L.05, subdivision 10, is amended to read:

51.12 Subd. 10. **Medical expense reimbursement.** Health carriers may reimburse
 51.13 or pay for medical services, supplies, or articles provided under a small employer plan
 51.14 in accordance with the health carrier's provider contract requirements including, but
 51.15 not limited to, salaried arrangements, capitation, the payment of usual and customary
 51.16 charges, fee schedules, discounts from fee-for-service, per diems, diagnosis-related
 51.17 groups (DRGs), and other payment arrangements. Nothing in this chapter requires a
 51.18 health carrier to develop, implement, or change its provider contract requirements for
 51.19 a small employer plan. Coinsurance, deductibles, and out-of-pocket maximums, ~~and~~
 51.20 ~~maximum lifetime benefits~~ must be calculated and determined in accordance with each
 51.21 health carrier's standard business practices.

51.22 **EFFECTIVE DATE.** This section is effective the day following final enactment.

51.23 Sec. 56. Minnesota Statutes 2012, section 62L.06, is amended to read:

51.24 **62L.06 DISCLOSURE OF UNDERWRITING RATING PRACTICES.**

51.25 When offering or renewing a health benefit plan, health carriers shall disclose in all
 51.26 solicitation and sales materials:

51.27 ~~(1) the case characteristics and other rating factors used to determine initial and~~
 51.28 ~~renewal rates;~~

51.29 ~~(2) the extent to which premium rates for a small employer are established or~~
 51.30 ~~adjusted based upon actual or expected variation in claim experience;~~

51.31 ~~(3) provisions concerning the health carrier's right to change premium rates and the~~
 51.32 ~~factors other than claim experience that affect changes in premium rates;~~

51.33 ~~(4)~~ (2) provisions relating to renewability of coverage;

52.1 ~~(5) the use and effect of any preexisting condition provisions, if permitted;~~

52.2 ~~(6) (3) the application of any provider network limitations and their effect on~~
 52.3 ~~eligibility for benefits; and~~

52.4 ~~(7) (4) the ability of small employers to insure eligible employees and dependents~~
 52.5 ~~currently receiving coverage from the Comprehensive Health Association through health~~
 52.6 ~~benefit plans.~~

52.7 **EFFECTIVE DATE.** This section is effective January 1, 2014.

52.8 Sec. 57. Minnesota Statutes 2012, section 62L.08, is amended to read:

52.9 **62L.08 RESTRICTIONS RELATING TO PREMIUM RATES.**

52.10 Subdivision 1. **Rate restrictions.** Premium rates for all health benefit plans sold or
 52.11 issued to small employers are subject to the restrictions specified in this section.

52.12 ~~Subd. 2. **General premium variations.** Beginning July 1, 1993, each health carrier~~
 52.13 ~~must offer premium rates to small employers that are no more than 25 percent above~~
 52.14 ~~and no more than 25 percent below the index rate charged to small employers for the~~
 52.15 ~~same or similar coverage, adjusted pro rata for rating periods of less than one year. The~~
 52.16 ~~premium variations permitted by this subdivision must be based only on health status,~~
 52.17 ~~claims experience, industry of the employer, and duration of coverage from the date of~~
 52.18 ~~issue. For purposes of this subdivision, health status includes refraining from tobacco use~~
 52.19 ~~or other actuarially valid lifestyle factors associated with good health, provided that the~~
 52.20 ~~lifestyle factor and its effect upon premium rates have been determined to be actuarially~~
 52.21 ~~valid and approved by the commissioner. Variations permitted under this subdivision must~~
 52.22 ~~not be based upon age or applied differently at different ages. This subdivision does not~~
 52.23 ~~prohibit use of a constant percentage adjustment for factors permitted to be used under~~
 52.24 ~~this subdivision.~~

52.25 ~~Subd. 2a. **Renewal premium increases limited.** (a) Beginning January 1, 2003,~~
 52.26 ~~the percentage increase in the premium rate charged to a small employer for a new rating~~
 52.27 ~~period must not exceed the sum of the following:~~

52.28 ~~(1) the percentage change in the index rate measured from the first day of the prior~~
 52.29 ~~rating period to the first day of the new rating period;~~

52.30 ~~(2) an adjustment, not to exceed 15 percent annually and adjusted pro rata for rating~~
 52.31 ~~periods of less than one year, due to the claims experience, health status, or duration of~~
 52.32 ~~coverage of the employees or dependents of the employer; and~~

52.33 ~~(3) any adjustment due to change in coverage or in the case characteristics of the~~
 52.34 ~~employer.~~

53.1 ~~(b) This subdivision does not apply if the employer, employee, or any applicant~~
53.2 ~~provides the health carrier with false, incomplete, or misleading information.~~

53.3 Subd. 3. **Age-based premium variations.** Beginning July 1, 1993, each health
53.4 carrier may offer premium rates to small employers that vary based upon the ages of
53.5 the eligible employees and dependents of the small employer only as provided in this
53.6 subdivision. ~~In addition to the variation permitted by subdivision 2, each health carrier~~
53.7 ~~may use an additional premium variation based upon age of up to plus or minus 50 percent~~
53.8 ~~of the index rate.~~ Premium rates may vary based upon the ages of covered persons except
53.9 that the rate shall not vary by more than three to one for adults in accordance with the
53.10 provisions of the Affordable Care Act as defined in section 62A.011, subdivision 1a.

53.11 Subd. 4. **Geographic premium variations.** ~~A health carrier may request approval~~
53.12 ~~by the commissioner to establish separate geographic regions determined by the health~~
53.13 ~~carrier and to establish separate index rates for each such region.~~ Premium rates may vary
53.14 based on geographic rating areas set by the commissioner. The commissioner shall grant
53.15 approval if the following conditions are met:

53.16 ~~(1) the geographic regions must be applied uniformly by the health carrier;~~

53.17 ~~(2) each geographic region must be composed of no fewer than seven counties that~~
53.18 ~~create a contiguous region; and~~

53.19 ~~(3) the health carrier provides actuarial justification acceptable to the commissioner~~
53.20 ~~for the proposed geographic variations in index rates, establishing that the variations are~~
53.21 ~~based upon differences in the cost to the health carrier of providing coverage.~~

53.22 Subd. 5. **Gender-based rates prohibited.** Beginning July 1, 1993, no health carrier
53.23 may determine premium rates through a method that is in any way based upon the gender
53.24 of eligible employees or dependents. Rates must not in any way reflect marital status or
53.25 generalized differences in expected costs between employees and spouses.

53.26 Subd. 6. **Rate cells permitted Tobacco rating.** ~~Health carriers may use rate cells~~
53.27 ~~and must file with the commissioner the rate cells they use. Rate cells must be based on~~
53.28 ~~the number of adults and children covered under the policy and may reflect the availability~~
53.29 ~~of Medicare coverage. The rates for different rate cells must not in any way reflect marital~~
53.30 ~~status or differences in expected costs between employees and spouses.~~ Premium rates may
53.31 vary based upon tobacco use, except that the rate shall not vary by more than 1.5 to 1.

53.32 Subd. 7. **Index and premium rate development.** (a) In developing its index rates
53.33 and premiums, a health carrier may take into account only the following factors:

53.34 (1) actuarially valid differences in benefit designs of health benefit plans; and

53.35 (2) actuarially valid differences in the rating factors permitted in subdivisions 2 and 3;

54.1 ~~(3)~~ (2) actuarially valid geographic variations if approved by the commissioner as
54.2 provided in subdivision 4.

54.3 (b) All premium variations permitted under this section must be based upon
54.4 actuarially valid differences in expected cost to the health carrier of providing coverage.
54.5 The variation must be justified in initial rate filings and upon request of the commissioner in
54.6 rate revision filings. All premium variations are subject to approval by the commissioner.

54.7 Subd. 8. **Filing requirement.** A health carrier that offers, sells, issues, or renews a
54.8 health benefit plan for small employers shall file with the commissioner the ~~index~~ rates and
54.9 must demonstrate that all rates shall be within the rating restrictions defined in this chapter.
54.10 Such demonstration must include the allowable range of rates from the index rates and a
54.11 description of how the health carrier intends to use demographic factors including case
54.12 characteristics in calculating the premium rates. The rates shall not be approved, unless the
54.13 commissioner has determined that the rates are reasonable. In determining reasonableness,
54.14 the commissioner shall consider the growth rates applied under section 62J.04, subdivision
54.15 1, paragraph (b), to the calendar year or years that the proposed premium rate would be in
54.16 effect, and actuarially valid changes in risk associated with the enrollee population, ~~and~~
54.17 ~~actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549.~~

54.18 Subd. 9. **Effect of assessments.** Premium rates must comply with the rating
54.19 requirements of this section, notwithstanding the imposition of any assessments or
54.20 premiums paid by health carriers as provided under sections 62L.13 to 62L.22.

54.21 ~~Subd. 10. **Rating report.** Beginning January 1, 1995, and annually thereafter, the~~
54.22 ~~commissioners of health and commerce shall provide a joint report to the legislature~~
54.23 ~~on the effect of the rating restrictions required by this section and the appropriateness~~
54.24 ~~of proceeding with additional rate reform. Each report must include an analysis of the~~
54.25 ~~availability of health care coverage due to the rating reform, the equitable and appropriate~~
54.26 ~~distribution of risk and associated costs, the effect on the self-insurance market, and any~~
54.27 ~~resulting or anticipated change in health plan design and market share and availability of~~
54.28 ~~health carriers.~~

54.29 Subd. 11. **Loss ratio standards.** Notwithstanding section 62A.02, subdivision 3,
54.30 relating to loss ratios, each policy or contract form used with respect to a health benefit
54.31 plan offered, or issued in the small employer market, is subject, beginning July 1, 1993,
54.32 to section 62A.021. The commissioner of health has, with respect to carriers under that
54.33 commissioner's jurisdiction, all of the powers of the commissioner of commerce under
54.34 that section.

54.35 **EFFECTIVE DATE.** This section is effective January 1, 2014.

55.1 Sec. 58. Minnesota Statutes 2012, section 62L.12, subdivision 2, is amended to read:

55.2 Subd. 2. **Exceptions.** (a) A health carrier may sell, issue, or renew individual
55.3 conversion policies to eligible employees otherwise eligible for conversion coverage under
55.4 section 62D.104 as a result of leaving a health maintenance organization's service area.

55.5 (b) A health carrier may sell, issue, or renew individual conversion policies to
55.6 eligible employees otherwise eligible for conversion coverage as a result of the expiration
55.7 of any continuation of group coverage required under sections 62A.146, 62A.17, 62A.21,
55.8 62C.142, 62D.101, and 62D.105.

55.9 (c) A health carrier may sell, issue, or renew conversion policies ~~under section~~
55.10 ~~62E.16~~ to eligible employees.

55.11 (d) A health carrier may sell, issue, or renew individual continuation policies to
55.12 eligible employees as required.

55.13 (e) A health carrier may sell, issue, or renew individual health plans if the coverage
55.14 is appropriate due to an unexpired preexisting condition limitation or exclusion applicable
55.15 to the person under the employer's group health plan or due to the person's need for health
55.16 care services not covered under the employer's group health plan.

55.17 (f) A health carrier may sell, issue, or renew an individual health plan, if the
55.18 individual has elected to buy the individual health plan not as part of a general plan to
55.19 substitute individual health plans for a group health plan nor as a result of any violation of
55.20 subdivision 3 or 4.

55.21 (g) A health carrier may sell, issue, or renew an individual health plan if coverage
55.22 provided by the employer is determined to be unaffordable under the provisions of the
55.23 Affordable Care Act as defined in section 62A.011, subdivision 1a.

55.24 (h) Nothing in this subdivision relieves a health carrier of any obligation to provide
55.25 continuation or conversion coverage otherwise required under federal or state law.

55.26 ~~(h)~~ (i) Nothing in this chapter restricts the offer, sale, issuance, or renewal of
55.27 coverage issued as a supplement to Medicare under sections 62A.3099 to 62A.44, or
55.28 policies or contracts that supplement Medicare issued by health maintenance organizations,
55.29 or those contracts governed by sections 1833, 1851 to 1859, 1860D, or 1876 of the federal
55.30 Social Security Act, United States Code, title 42, section 1395 et seq., as amended.

55.31 ~~(i)~~ (j) Nothing in this chapter restricts the offer, sale, issuance, or renewal of
55.32 individual health plans necessary to comply with a court order.

55.33 ~~(j)~~ (k) A health carrier may offer, issue, sell, or renew an individual health plan to
55.34 persons eligible for an employer group health plan, if the individual health plan is a high
55.35 deductible health plan for use in connection with an existing health savings account, in
55.36 compliance with the Internal Revenue Code, section 223. In that situation, the same or

56.1 a different health carrier may offer, issue, sell, or renew a group health plan to cover
 56.2 the other eligible employees in the group.

56.3 ~~(k)~~ (l) A health carrier may offer, sell, issue, or renew an individual health plan to
 56.4 one or more employees of a small employer if the individual health plan is marketed
 56.5 directly to all employees of the small employer and the small employer does not contribute
 56.6 directly or indirectly to the premiums or facilitate the administration of the individual
 56.7 health plan. The requirement to market an individual health plan to all employees does not
 56.8 require the health carrier to offer or issue an individual health plan to any employee. For
 56.9 purposes of this paragraph, an employer is not contributing to the premiums or facilitating
 56.10 the administration of the individual health plan if the employer does not contribute to the
 56.11 premium and merely collects the premiums from an employee's wages or salary through
 56.12 payroll deductions and submits payment for the premiums of one or more employees in a
 56.13 lump sum to the health carrier. Except for coverage under section 62A.65, subdivision 5,
 56.14 paragraph (b), ~~or 62E.16~~, at the request of an employee, the health carrier may bill the
 56.15 employer for the premiums payable by the employee, provided that the employer is not
 56.16 liable for payment except from payroll deductions for that purpose. If an employer is
 56.17 submitting payments under this paragraph, the health carrier shall provide a cancellation
 56.18 notice directly to the primary insured at least ten days prior to termination of coverage for
 56.19 nonpayment of premium. Individual coverage under this paragraph may be offered only
 56.20 if the small employer has not provided coverage under section 62L.03 to the employees
 56.21 within the past 12 months.

56.22 ~~The employer must provide a written and signed statement to the health carrier that~~
 56.23 ~~the employer is not contributing directly or indirectly to the employee's premiums. The~~
 56.24 ~~health carrier may rely on the employer's statement and is not required to guarantee-issue~~
 56.25 ~~individual health plans to the employer's other current or future employees.~~

56.26 **EFFECTIVE DATE.** This section is effective January 1, 2014.

56.27 Sec. 59. Minnesota Statutes 2012, section 62M.05, subdivision 3a, is amended to read:

56.28 Subd. 3a. **Standard review determination.** (a) Notwithstanding subdivision 3b, an
 56.29 initial determination on all requests for utilization review must be communicated to the
 56.30 provider and enrollee in accordance with this subdivision within ten business days of the
 56.31 request, provided that all information reasonably necessary to make a determination on the
 56.32 request has been made available to the utilization review organization.

56.33 (b) When an initial determination is made to certify, notification must be provided
 56.34 promptly by telephone to the provider. The utilization review organization shall send
 56.35 written notification to the provider or shall maintain an audit trail of the determination

57.1 and telephone notification. For purposes of this subdivision, "audit trail" includes
57.2 documentation of the telephone notification, including the date; the name of the person
57.3 spoken to; the enrollee; the service, procedure, or admission certified; and the date of
57.4 the service, procedure, or admission. If the utilization review organization indicates
57.5 certification by use of a number, the number must be called the "certification number."
57.6 For purposes of this subdivision, notification may also be made by facsimile to a verified
57.7 number or by electronic mail to a secure electronic mailbox. These electronic forms of
57.8 notification satisfy the "audit trail" requirement of this paragraph.

57.9 (c) When an initial determination is made not to certify, notification must be
57.10 provided by telephone, by facsimile to a verified number, or by electronic mail to a secure
57.11 electronic mailbox within one working day after making the determination to the attending
57.12 health care professional and hospital as applicable. Written notification must also be sent
57.13 to the hospital as applicable and attending health care professional if notification occurred
57.14 by telephone. For purposes of this subdivision, notification may be made by facsimile to a
57.15 verified number or by electronic mail to a secure electronic mailbox. Written notification
57.16 must be sent to the enrollee and may be sent by United States mail, facsimile to a verified
57.17 number, or by electronic mail to a secure mailbox. The written notification must include
57.18 the principal reason or reasons for the determination and the process for initiating an appeal
57.19 of the determination. Upon request, the utilization review organization shall provide the
57.20 provider or enrollee with the criteria used to determine the necessity, appropriateness,
57.21 and efficacy of the health care service and identify the database, professional treatment
57.22 parameter, or other basis for the criteria. Reasons for a determination not to certify may
57.23 include, among other things, the lack of adequate information to certify after a reasonable
57.24 attempt has been made to contact the provider or enrollee.

57.25 (d) When an initial determination is made not to certify, the written notification must
57.26 inform the enrollee and the attending health care professional of the right to submit an
57.27 appeal to the internal appeal process described in section 62M.06 and the procedure for
57.28 initiating the internal appeal. The written notice shall be provided in a culturally and
57.29 linguistically appropriate manner consistent with the provisions of the Affordable Care
57.30 Act as defined under section 62A.011, subdivision 1a.

57.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

57.32 Sec. 60. Minnesota Statutes 2012, section 62M.06, subdivision 1, is amended to read:

57.33 Subdivision 1. **Procedures for appeal.** A utilization review organization must have
57.34 written procedures for appeals of determinations not to certify. The right to appeal must be
57.35 available to the enrollee and to the attending health care professional. The enrollee shall be

58.1 allowed to review the enrollee's file, present evidence and testimony as part of the appeals
58.2 process, and receive continued coverage pending the outcome of the appeals process.

58.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

58.4 Sec. 61. Minnesota Statutes 2012, section 62Q.01, is amended by adding a subdivision
58.5 to read:

58.6 Subd. 1a. **Affordable Care Act.** "Affordable Care Act" means the Affordable Care
58.7 Act as defined in section 62A.011, subdivision 1a.

58.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

58.9 Sec. 62. Minnesota Statutes 2012, section 62Q.01, is amended by adding a subdivision
58.10 to read:

58.11 Subd. 1b. **Bona fide association.** "Bona fide association" means an association that
58.12 meets all of the following criteria:

58.13 (1) serves a single profession that requires a significant amount of education, training
58.14 or experience, or a license or certificate from a state authority to practice that profession;

58.15 (2) has been actively in existence for five years;

58.16 (3) has a constitution and bylaws or other analogous governing documents;

58.17 (4) has been formed and maintained in good faith for purposes other than obtaining
58.18 insurance;

58.19 (5) is not owned or controlled by a health plan company or affiliated with a health
58.20 plan company;

58.21 (6) does not condition membership in the association on any health status related
58.22 factor;

58.23 (7) has at least 1,000 members if it is a national association, 500 members if it is a
58.24 state association, or 200 members if it is a local association;

58.25 (8) all members and dependents of members are eligible for coverage regardless of
58.26 any health status related factor;

58.27 (9) does not make health plans offered through the association available other than
58.28 in connection with a member of the association;

58.29 (10) is governed by a board of directors and sponsors annual meeting of its
58.30 members; and

58.31 (11) produces only market association memberships, accepts applications for
58.32 membership, or signs up members in the professional association where the subject

59.1 individuals are actively engaged in, or directly related to, the profession represented
59.2 by the association.

59.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

59.4 Sec. 63. Minnesota Statutes 2012, section 62Q.01, is amended by adding a subdivision
59.5 to read:

59.6 Subd. 2b. **Health care professional.** "Health care professional" means a physician
59.7 or other health care practitioner licensed, accredited, or certified to perform specified
59.8 health care services consistent with state law.

59.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

63.6 and services" means:

63.7 (1) evidence-based items or services that have in effect a rating of A or B in the
63.8 recommendations of the United States Preventive Services Task Force as of September
63.9 23, 2010, with respect to the individual involved. For purposes of this paragraph, the
63.10 United States Preventive Services Task Force recommendations regarding breast cancer
63.11 screening, mammography, and prevention issued in or around November 2009 are not
63.12 considered to be current;

63.13 (2) immunizations for routine use in children, adolescents, and adults that have in
63.14 effect a recommendation from the Advisory Committee on Immunization Practices of
63.15 the Centers for Disease Control and Prevention with respect to the individual involved.
63.16 For purposes of this paragraph, a recommendation from the Advisory Committee on
63.17 Immunization Practices of the Centers for Disease Control and Prevention is considered in
63.18 effect after it has been adopted by the Director of the Centers for Disease Control and
63.19 Prevention, and a recommendation is considered to be routine use if it is listed on the
63.20 Immunization Schedules of the Centers for Disease Control and Prevention;

63.21 (3) evidence-informed preventive care and screenings provided for in comprehensive
63.22 guidelines supported by the Health Resources and Services Administration for infants,

63.24 (4) evidence-informed preventive care and screenings provided for in comprehensive
63.25 guidelines supported by the Health Resources and Services Administration for women.

63.26 (b) A health plan must provide coverage for preventive items and services at a
63.27 participating provider without imposing cost-sharing requirements, including a deductible,
63.28 coinsurance, or co-payment. Nothing in this section prohibits a health plan company that
63.29 has a network of providers from excluding coverage or imposing cost-sharing requirements
63.30 for preventive items or services that are delivered by an out-of-network provider.

63.31 (c) A health plan is not required to provide coverage for any items or services
63.32 specified in any recommendation or guideline described in paragraph (a) after the
63.33 recommendation or guideline is no longer included as a preventive item or service as
63.34 defined in paragraph (a). Annually, a health plan company must determine whether any

64.1 additional items or services must be covered without cost-sharing requirements or whether
 64.2 any items or services are no longer required to be covered.

64.3 (d) Nothing prevents a health plan company from using reasonable medical
 64.4 management techniques to determine the frequency, method, treatment, or setting for a
 64.5 preventive item or service to the extent not specified in the recommendation or guideline.

64.6 (e) This section does not apply to grandfathered plan coverage, as defined in section
 64.7 62A.011, subdivision 1c. This section does not apply to plans offered by the Minnesota
 64.8 Comprehensive Health Association.

64.9 Subd. 2. Coverage for office visits in conjunction with preventive items and
 64.10 services. (a) A health plan may impose cost-sharing requirements with respect to an
 64.11 office visit if a preventive item or service is billed separately or is tracked as individual
 64.12 encounter data separately from the office visit.

64.13 (b) A health plan must not impose cost-sharing requirements with respect to an
 64.14 office visit if a preventive item or service is not billed separately or is not tracked as
 64.15 individual encounter data separately from the office visit and the primary purpose of the
 64.16 office visit is the delivery of the preventive item or service.

64.17 (c) A health plan may impose cost-sharing requirements with respect to an office
 64.18 visit if a preventive item or service is not billed separately or is not tracked as individual
 64.19 encounter data separately from the office visit and the primary purpose of the office visit is
 64.20 not the delivery of the preventive item or service.

64.21 Subd. 3. Additional services not prohibited. Nothing in these sections prohibits
 64.22 a health plan company from providing coverage for items and services in addition to
 64.23 those recommended by the United States Preventive Services Task Force or the Advisory
 64.24 Committee on Immunization Practices of the Centers for Disease Control and Prevention,
 64.25 or provided by guidelines supported by the Health Resources and Services Administration,
 64.26 or from denying coverage for items and services that are not recommended by that task
 64.27 force or that advisory committee, or under those guidelines. A health plan company may
 64.28 impose cost-sharing requirements for a treatment not described in subdivision 1 even if
 64.29 the treatment results from an item or service described in subdivision 1.

64.31 Sec. 78. Minnesota Statutes 2012, section 62Q.47, is amended to read:

64.32 **62Q.47 ALCOHOLISM, MENTAL HEALTH, AND CHEMICAL**
 64.33 **DEPENDENCY SERVICES.**

65.1 (a) All health plans, as defined in section 62Q.01, that provide coverage for
 65.2 alcoholism, mental health, or chemical dependency services, must comply with the
 65.3 requirements of this section.

65.4 (b) Cost-sharing requirements and benefit or service limitations for outpatient
 65.5 mental health and outpatient chemical dependency and alcoholism services, except for
 65.6 persons placed in chemical dependency services under Minnesota Rules, parts 9530.6600
 65.7 to 9530.6660, must not place a greater financial burden on the insured or enrollee, or be
 65.8 more restrictive than those requirements and limitations for outpatient medical services.

65.9 (c) Cost-sharing requirements and benefit or service limitations for inpatient hospital
 65.10 mental health and inpatient hospital and residential chemical dependency and alcoholism
 65.11 services, except for persons placed in chemical dependency services under Minnesota
 65.12 Rules, parts 9530.6600 to 9530.6660, must not place a greater financial burden on the
 65.13 insured or enrollee, or be more restrictive than those requirements and limitations for
 65.14 inpatient hospital medical services.

65.15 (d) All health plans must meet the requirements of the federal Mental Health Parity
 65.16 Act of 1996, Public Law 104-204, Paul Wellstone and Pete Domenici Mental Health
 65.17 Parity and Addiction Equity Act of 2008, the Affordable Care Act, and any amendments
 65.18 thereto, or guidance and regulations issued under those acts.

 65.24 enrollees direct access to ~~obstetricians and gynecologists~~ providers who specialize in
 65.25 obstetrics and gynecology for the following services:

65.26 (1) ~~annual preventive health examinations, which shall include a gynecologic~~
 65.27 ~~examination, and any subsequent obstetric or gynecologic visits determined to be medically~~
 65.28 ~~necessary by the examining obstetrician or gynecologist, based upon the findings of the~~
 65.29 ~~examination~~ evaluation and necessary treatment for obstetric conditions or emergencies;

65.30 (2) maternity care; and

65.31 (3) evaluation and necessary treatment for ~~acute~~ gynecologic conditions or
 65.32 emergencies, including annual preventive health examinations.

 66.5 care and the ordering of related obstetrical and gynecological items and services, pursuant
 66.6 to paragraph (a), by a participating health care professional who specializes in obstetrics

66.8 For purposes of this section, a health-care professional who specializes in obstetrics
 66.9 or gynecology means any individual, including an individual other than a physician, who
 66.10 is authorized under state law to provide obstetrical or gynecological care.

66.11 The health plan company may require the health-care professional to agree to
 66.12 otherwise adhere to the health plan company's policies and procedures, including
 66.13 procedures for obtaining prior authorization and provide services in accordance with a
 66.14 treatment plan, if any, approved by the health plan company.

66.15 (c) Health plan companies shall not require higher co-payments, coinsurance,
 66.16 deductibles, or other enrollee cost-sharing for direct access.

66.17 (d) This section applies only to services described in paragraph (a) that are covered
 66.18 by the enrollee's coverage, but coverage of a preventive health examination for female
 66.19 enrollees must not exclude coverage of a gynecologic examination.

66.20 (e) This section does not:

66.21 (1) wave any exclusions of coverage under the terms and conditions of the health
 66.22 plan with respect to coverage of obstetrical or gynecological care; or

66.23 (2) preclude the health plan company involved from requiring that the participating
 66.24 health care professional providing obstetrical or gynecological care notify the primary
 66.25 care health care professional or the health plan company of treatment decisions.

66.26 Subd. 2. Notice. A health plan company shall provide notice to covered persons

67.22 (b) "Qualified individual" means an individual with health plan coverage who is

67.26 concluded that the individual's participation in the trial would be appropriate; or

67.27 (2) the individual provides medical and scientific information establishing that
67.28 the individual's participation in the trial is appropriate because the individual meets the
67.29 conditions described in the trial protocol.

67.30 (c)(1) "Routine patient costs" includes all items and services covered by the health
67.31 benefit plan of individual market health insurance coverage when the items or services

 68.14 individual who wishes to participate in an approved clinical trial to participate in a trial that
 68.15 is offered through a health care provider who is part of the network plan if the provider is
 68.16 participating in the trial and the provider accepts the individual as a participant in the trial.

68.17 Subd. 4. **Application to clinical trials outside of the state.** This section applies
 68.18 to a qualified individual residing in this state who participates in an approved clinical
 68.19 trial that is conducted outside of this state.

68.20 Subd. 5. **Construed.** (a) This section shall not be construed to require a health plan
 68.21 company offering health plan coverage through a network plan to provide benefits for
 68.22 route patient costs if the services are provided outside of the plan's network unless the
 68.23 out-of-network benefits are otherwise provided under the coverage.

68.24 (b) This section shall be construed to limit a health plan company's coverage with
 68.25 respect to clinical trials.

68.26 **EFFECTIVE DATE.** This section is effective January 1, 2014.

68.29 Subdivision 1. **Access to emergency services.** (a) Enrollees have the right to
 68.30 available and accessible emergency services, 24 hours a day and seven days a week.
 68.31 The health plan company shall inform its enrollees how to obtain emergency care and,
 68.32 if prior authorization for emergency services is required, shall make available a toll-free
 68.33 number, which is answered 24 hours a day, to answer questions about emergency services
 68.34 and to receive reports and provide authorizations, where appropriate, for treatment of

69.1 emergency medical conditions. Emergency services shall be covered whether provided by
 69.2 participating or nonparticipating providers and whether provided within or outside the
 69.3 health plan company's service area. In reviewing a denial for coverage of emergency
 69.4 services, the health plan company shall take the following factors into consideration:

69.5 (1) a reasonable layperson's belief that the circumstances required immediate medical
 69.6 care that could not wait until the next working day or next available clinic appointment;

69.7 (2) the time of day and day of the week the care was provided;

69.8 (3) the presenting symptoms, including, but not limited to, severe pain, to ensure
 69.9 that the decision to reimburse the emergency care is not made solely on the basis of the
 69.10 actual diagnosis;

69.11 (4) the enrollee's efforts to follow the health plan company's established procedures
 69.12 for obtaining emergency care; and

69.13 (5) any circumstances that precluded use of the health plan company's established
 69.14 procedures for obtaining emergency care.

69.15 (b) The health plan company may require enrollees to notify the health plan
 69.16 company of nonreferred emergency care as soon as possible, but not later than 48 hours,
 69.17 after the emergency care is initially provided. However, emergency care which would
 69.18 have been covered under the contract had notice been provided within the set time frame
 69.19 must be covered.

69.20 (c) Notwithstanding paragraphs (a) and (b), a health plan company, health insurer, or
 69.21 health coverage plan that is in compliance with the rules regarding accessibility of services
 69.22 adopted under section 62D.20 is in compliance with this section.

69.23 Subd. 2. **Emergency medical condition.** As used in this section, "emergency
 69.24 medical condition" means a medical condition manifesting itself by acute symptoms of
 69.25 sufficient severity, including severe pain, such that a prudent layperson, who possesses
 69.26 an average knowledge of health and medicine, could reasonably expect the absence of
 69.27 immediate medical attention to result in a condition described in clause (i), (ii), or (iii), of
 69.28 section 1867(e)(1)(A) of the Social Security Act.

69.29 Subd. 3. **Emergency services.** As used in this section, "emergency services" means,
 69.30 with respect to an emergency medical condition:

69.31 (1) a medical screening examination, as required under section 1867 of the Social
 69.32 Security Act, that is within the capability of the emergency department of a hospital,
 69.33 including ancillary services routinely available to the emergency department to evaluate
 69.34 such emergency medical condition; and

70.1 (2) within the capabilities of the staff and facilities available at the hospital, such
70.2 further medical examination and treatment as are required under section 1867 of the
70.3 act to stabilize the patient.

71.11 **EFFECTIVE DATE.** This section is effective January 1, 2014.

71.12 Sec. 84. **[62Q.677] LIFETIME AND ANNUAL LIMITS.**

71.13 Subdivision 1. **Applicability and scope.** Except as provided in subdivision 2,
 71.14 these sections apply to a health plan company providing coverage under an individual or
 71.15 group health plan.

71.16 Subd. 2. **Grandfathered plan coverage limits.** (a) The prohibition on lifetime
 71.17 limits applies to grandfathered plan coverage providing individual health insurance
 71.18 coverage or group health insurance coverage as defined in section 62A.011, subdivision 1c.

71.19 (b) The prohibition and limits on annual limits applies to grandfathered plan
 71.20 coverage providing group health insurance coverage, but it does not apply to grandfathered
 71.21 plan coverage providing individual health insurance coverage.

71.22 Subd. 3. **Prohibition on lifetime and annual limits.** Except as provided in
 71.23 subdivisions 4 and 5, a health plan company offering group or individual health insurance
 71.24 coverage shall not establish a lifetime limit on the dollar amount of essential health
 71.25 benefits for any individual.

71.26 Except as provided in subdivisions 4, 5, and 6, a health plan company shall not
 71.27 establish any annual limit on the dollar amount of essential health benefits for any
 71.28 individual.

71.29 Subd. 4. **Nonessential benefits.** Subdivision 3 does not prevent a health plan
 71.30 company from placing annual or lifetime dollar limits for any individual on specific
 71.31 covered benefits that are not essential health benefits as defined in section 62E.02 to the
 71.32 extent that the limits are otherwise permitted under applicable federal or state law.

71.33 Subd. 5. **Excluded benefits.** This section does not prohibit a health plan company
 71.34 from excluding all benefits for a given condition.

72.1 Subd. 6. Annual limits prior to January 1, 2014. For plan or policy years
 72.2 beginning before January 1, 2014, for any individual, a health plan may establish an
 72.3 annual limit on the dollar amount of benefits that are essential health benefits provided the
 72.4 limit is no less than the following:

72.5 (1) for a plan or policy year beginning after September 22, 2010, but before
 72.6 September 23, 2011, \$750,000;

 72.8 September 23, 2012, \$1,250,000; and

72.9 (3) for a plan or policy year beginning after September 22, 2012, but before January
 72.10 1, 2014, \$2,000,000.

72.11 In determining whether an individual has received benefits that meet or exceed the
 72.12 allowable limits, a health carrier shall take into account only essential health benefits.

72.13 Subd. 7. Waivers. For plan or policy years beginning before January 1, 2014, a
 72.14 health plan is exempt from the annual limit requirements if the plan is approved for a
 72.15 waiver from the requirements by the United States Department of Health and Human
 72.16 Services, but the exemption only applies for the specified period of time that the waiver
 72.17 from the United States Department of Health and Human Services is applicable.

72.18 Subd. 8. Notices. (a) At the time a health plan receives a waiver from the
 72.19 United States Department of Health and Human Services, the health plan shall notify
 72.20 prospective applicants and affected policyholders and the commissioner in each state
 72.21 where prospective applicants and any affected insured are known to reside.

72.22 (b) At the time the waiver expires or is otherwise no longer in effect, the health plan
 72.23 shall notify affected policyholders and the commissioner in each state where any affected
 72.24 insured is known to reside.

72.25 Subd. 9. Reinstatement. A health plan company shall comply with all provisions of
 72.26 the Affordable Care Act in regards to reinstatement of coverage for individuals whose
 72.27 coverage or benefits under a health plan ended by reason of reaching a lifetime dollar
 72.28 limit on the dollar value of all benefits for the individual. This section does not require
 72.29 compliance with any provision of the federal act before the effective date provided for that
 72.30 provision in the Affordable Care Act. The commissioner shall enforce this section.

72.31 EFFECTIVE DATE. This section is effective the day following final enactment.

72.32 Sec. 85. Minnesota Statutes 2012, section 62Q.68, subdivision 1, is amended to read:

72.33 Subdivision 1. **Application.** For purposes of sections 62Q.68 to 62Q.72, the terms
 72.34 defined in this section have the meanings given them. For purposes of sections 62Q.69
 72.35 and 62Q.70, the term "health plan company" does not include an insurance company

73.1 licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness
 73.2 insurance as defined in section 62A.01 or a nonprofit health service plan corporation
 73.3 regulated under chapter 62C that only provides dental coverage or vision coverage. For
 73.4 purposes of sections 62Q.69 through 62Q.73, the term "health plan company" does
 73.5 not include the Comprehensive Health Association created under chapter 62E. Section
 73.6 62Q.70 does not apply to individual coverage. However, a health plan company offering
 73.7 individual coverage that is grandfathered plan coverage as defined in section 62A.011,
 73.8 subdivision 1c, may, pursuant to section 62Q.69, subdivision 3, paragraph (c), follow the
 73.9 process outlined in section 62Q.70.

73.10 **EFFECTIVE DATE.** This section is effective the day following final enactment.

73.11 Sec. 86. Minnesota Statutes 2012, section 62Q.69, subdivision 3, is amended to read:

73.12 Subd. 3. **Notification of complaint decisions.** (a) The health plan company must
 73.13 notify the complainant in writing of its decision and the reasons for it as soon as practical
 73.14 but in no case later than 30 days after receipt of a written complaint. If the health plan
 73.15 company cannot make a decision within 30 days due to circumstances outside the control
 73.16 of the health plan company, the health plan company may take up to 14 additional days to
 73.17 notify the complainant of its decision. If the health plan company takes any additional
 73.18 days beyond the initial 30-day period to make its decision, it must inform the complainant,
 73.19 in advance, of the extension and the reasons for the extension.

73.20 (b) For group coverage, if the decision is partially or wholly adverse to the
 73.21 complainant, the notification must inform the complainant of the right to appeal the
 73.22 decision to the health plan company's internal appeal process described in section 62Q.70
 73.23 and the procedure for initiating an appeal.

73.24 (c) For individual coverage, if the decision is partially or wholly adverse to the
 73.25 complainant, the notification must inform the complainant of the right to submit the
 73.26 complaint decision to the external review process described in section 62Q.73 and the
 73.27 procedure for initiating the external process. Notwithstanding the provisions in this
 73.28 subdivision, a health plan company offering individual coverage that is grandfathered plan
 73.29 coverage as defined in section 62A.011, subdivision 1c, may instead follow the process for
 73.30 group coverage outlined in paragraph (b).

73.31 (e) (d) The notification must also inform the complainant of the right to submit the
 73.32 complaint at any time to either the commissioner of health or commerce for investigation
 73.33 and the toll-free telephone number of the appropriate commissioner.

73.34 **EFFECTIVE DATE.** This section is effective the day following final enactment.

74.1 Sec. 87. Minnesota Statutes 2012, section 62Q.70, subdivision 1, is amended to read:

74.2 Subdivision 1. **Establishment.** (a) Each health plan company shall establish an
 74.3 internal appeal process for reviewing a health plan company's decision regarding a
 74.4 complaint filed in accordance with section 62Q.69. The appeal process must meet the
 74.5 requirements of this section. This section applies only to group coverage. However, a
 74.6 health plan company offering individual coverage that is grandfathered plan coverage as
 74.7 defined in section 62A.011, subdivision 1c, may, pursuant to section 62Q.69, subdivision
 74.8 3, paragraph (c), follow the process outlined in this section.

74.9 (b) The person or persons with authority to resolve or recommend the resolution of
 74.10 the internal appeal must not be solely the same person or persons who made the complaint
 74.11 decision under section 62Q.69.

74.12 (c) The internal appeal process must permit the enrollee to review the enrollee's file
 74.13 and the receipt of testimony, correspondence, explanations, or other information from
 74.14 the complainant, staff persons, administrators, providers, or other persons as deemed
 74.15 necessary by the person or persons investigating or presiding over the appeal.

74.16 (d) The enrollee must be allowed to receive continued coverage pending the
 74.17 outcome of the appeals process.

74.18 **EFFECTIVE DATE.** This section is effective the day following final enactment.

74.19 Sec. 88. Minnesota Statutes 2012, section 62Q.70, subdivision 2, is amended to read:

74.20 Subd. 2. **Procedures for filing an appeal.** The health plan company must provide
 74.21 notice to enrollees of its internal appeals process, in a culturally and linguistically
 74.22 appropriate manner consistent with the provisions of the Affordable Care Act. If a
 74.23 complainant notifies the health plan company of the complainant's desire to appeal the
 74.24 health plan company's decision regarding the complaint through the internal appeal
 74.25 process, the health plan company must provide the complainant the option for the appeal
 74.26 to occur either in writing or by hearing.

74.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

74.28 Sec. 89. Minnesota Statutes 2012, section 62Q.71, is amended to read:

74.29 **62Q.71 NOTICE TO ENROLLEES.**

74.30 Each health plan company shall provide to enrollees a clear and concise description
 74.31 of its complaint resolution procedure, if applicable under section 62Q.68, subdivision 1,
 74.32 and the procedure used for utilization review as defined under chapter 62M as part of
 74.33 the member handbook, subscriber contract, or certificate of coverage. If the health plan

75.1 company does not issue a member handbook, the health plan company may provide
 75.2 the description in another written document. The description must specifically inform
 75.3 enrollees:

75.4 (1) how to submit a complaint to the health plan company;

75.5 (2) if the health plan includes utilization review requirements, how to notify the
 75.6 utilization review organization in a timely manner and how to obtain certification for
 75.7 health care services;

75.8 (3) how to request an appeal either through the procedures described in sections
 75.9 ~~62Q.69~~ and section 62Q.70 if applicable, or through the procedures described in chapter
 75.10 62M;

75.11 (4) of the right to file a complaint with either the commissioner of health or
 75.12 commerce at any time during the complaint and appeal process;

75.13 (5) of the toll-free telephone number of the appropriate commissioner; and

75.14 (6) of the right, for individual and group coverage, to obtain an external review
 75.15 under section 62Q.73 and a description of when and how that right may be exercised,
 75.16 including that under most circumstances an enrollee must exhaust the internal complaint
 75.17 or appeal process prior to external review. However, an enrollee may proceed to external
 75.18 review without exhausting the internal complaint or appeal process under the following
 75.19 circumstances:

75.20 (i) the health plan company waives the exhaustion requirement;

75.21 (ii) the health plan company is considered to have waived the exhaustion requirement
 75.22 by failing to substantially comply with any requirements including, but not limited to,
 75.23 time limits for internal complaints or appeals; or

75.24 (iii) the enrollee has applied for an expedited external review at the same time the
 75.25 enrollee qualifies for and has applied for an expedited internal review under chapter 62M.

75.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

75.27 Sec. 90. Minnesota Statutes 2012, section 62Q.73, is amended to read:

 76.8 with section 62M.06 and the appeal did not reverse the initial determination not to certify; ~~or~~

76.9 ~~(3)~~ (5) a decision relating to a health care service made by a health plan company
 76.10 licensed under chapter 60A that denies the service on the basis that the service was not
 76.11 medically necessary; or

76.12 (6) the enrollee has met the requirements of subdivision 6, paragraph (e).

76.13 An adverse determination does not include complaints relating to fraudulent marketing
 76.14 practices or agent misrepresentation.

76.15 Subd. 2. **Exception.** (a) This section does not apply to governmental programs
 76.16 except as permitted under paragraph (b). For purposes of this subdivision, "governmental

 76.23 independent external reviews under this section. If such a request is made, the cost of the
 76.24 review shall be paid by the commissioner of human services. Any medical opinion obtained
 76.25 under this paragraph shall only be used by a state human services referee as evidence in
 76.26 the recipient's appeal to the commissioner of human services under section 256.045.

76.27 (c) Nothing in this subdivision shall be construed to limit or restrict the appeal rights
 76.28 provided in section 256.045 for governmental program recipients.

76.29 Subd. 3. **Right to external review.** (a) Any enrollee or anyone acting on behalf
 76.30 of an enrollee who has received an adverse determination may submit a written request
 76.31 for an external review of the adverse determination, if applicable under section 62Q.68,
 76.32 subdivision 1, or 62M.06, to the commissioner of health if the request involves a health
 76.33 plan company regulated by that commissioner or to the commissioner of commerce if the

 76.35 the enrollee's right to external review must accompany the denial issued by the insurer.
 76.36 The written request must be accompanied by a filing fee of \$25. The fee may be waived

77.1 by the commissioner of health or commerce in cases of financial hardship and must be

 77.3 to filing fees totaling more than \$75 during a plan year for group coverage or policy year
 77.4 for individual coverage.

77.5 (b) Nothing in this section requires the commissioner of health or commerce to
 77.6 independently investigate an adverse determination referred for independent external
 77.7 review.

77.8 (c) If an enrollee requests an external review, the health plan company must
 77.9 participate in the external review. The cost of the external review in excess of the filing

77.11 (d) The enrollee must request external review within six months from the date of
 77.12 the adverse determination.

 77.15 contract with ~~an organization~~ at least three organizations or business ~~entity~~ entities to
 77.16 provide independent external reviews of all adverse determinations submitted for external

78.5 commissioner shall assign an external review entity on a random basis. The assigned
78.6 external review entity must provide immediate notice of the review to the enrollee and to
78.7 the health plan company. Within ten business days of receiving notice of the review, the
78.8 health plan company and the enrollee must provide the assigned external review entity
78.9 with any information that they wish to be considered. Each party shall be provided an
78.10 opportunity to present its version of the facts and arguments. The assigned external review
78.11 entity must furnish to the health plan company any additional information submitted by
78.12 the enrollee within one business day of receipt. An enrollee may be assisted or represented
78.13 by a person of the enrollee's choice.

78.14 (b) As part of the external review process, any aspect of an external review involving
78.15 a medical determination must be performed by a health care professional with expertise in
78.16 the medical issue being reviewed.

78.17 (c) An external review shall be made as soon as practical but in no case later than ~~40~~

78.31 (7) the developer or manufacturer of the principle drug, device, procedure, or other
78.32 therapy being recommended.

78.33 (e)(1) An expedited external review must be provided if the enrollee requests it
78.34 after receiving:

78.35 (i) an adverse determination that involves a medical condition for which the time
78.36 frame for completion of an expedited internal appeal would seriously jeopardize the life

79.1 or health of the enrollee or would jeopardize the enrollee's ability to regain maximum
79.2 function and the enrollee has simultaneously requested an expedited internal appeal;

79.3 (ii) an adverse determination that concerns an admission, availability of care,
79.4 continued stay, or health care service for which the enrollee received emergency services
79.5 but has not been discharged from a facility; or

79.6 (iii) an adverse determination that involves a medical condition for which the
79.7 standard external review time would seriously jeopardize the life or health of the enrollee
79.8 or jeopardize the enrollee's ability to regain maximum function.

79.9 (2) The external review entity must make its expedited determination to uphold or
79.10 reverse the adverse determination as expeditiously as possible but within no more than 72
79.11 hours after the receipt of the request for expedited review and notify the enrollee and the
79.12 health plan company of the determination.

79.13 (3) If the external review entity's notification is not in writing, the external review
79.14 entity must provide written confirmation of the determination within 48 hours of the
79.15 notification.

79.16 **Subd. 7. Standards of review.** (a) For an external review of any issue in an adverse
79.17 determination that does not require a medical necessity determination, the external review
79.18 must be based on whether the adverse determination was in compliance with the enrollee's
79.19 health benefit plan.

79.20 (b) For an external review of any issue in an adverse determination by a health plan
79.21 company licensed under chapter 62D that requires a medical necessity determination, the
79.22 external review must determine whether the adverse determination was consistent with the
79.23 definition of medically necessary care in Minnesota Rules, part 4685.0100, subpart 9b.

79.24 (c) For an external review of any issue in an adverse determination by a health plan
79.25 company, other than a health plan company licensed under chapter 62D, that requires a
79.26 medical necessity determination, the external review must determine whether the adverse
79.27 determination was consistent with the definition of medically necessary care in section
79.28 62Q.53, subdivision 2.

79.29 (d) For an external review of an adverse determination involving experimental
79.30 or investigational treatment, the external review entity must base its decision on all
79.31 documents submitted by the health plan company and enrollee, including medical

79.35 **Subd. 8. Effects of external review.** A decision rendered under this section shall
79.36 be nonbinding on the enrollee and binding on the health plan company. The health plan

80.1 company may seek judicial review of the decision on the grounds that the decision was
80.2 arbitrary and capricious or involved an abuse of discretion.

80.3 Subd. 9. **Immunity from civil liability.** A person who participates in an external
80.4 review by investigating, reviewing materials, providing technical expertise, or rendering a
80.5 decision shall not be civilly liable for any action that is taken in good faith, that is within
80.6 the scope of the person's duties, and that does not constitute willful or reckless misconduct.

80.7 Subd. 10. **Data reporting.** The commissioners shall make available to the public,
80.8 upon request, summary data on the decisions rendered under this section, including the
80.9 number of reviews heard and decided and the final outcomes. Any data released to the
80.10 public must not individually identify the enrollee initiating the request for external review.

87.24 (a) A health carrier offering a qualified health plan to individuals or small groups
87.25 in the individual or small group market must be accredited. Health carriers shall obtain
87.26 accreditation through URAC, the National Committee for Quality Assurance (NCQA), or
87.27 any entity recognized by the United States Department of Health and Human Services
87.28 for accreditation of health insurance issuers or health plans. Proof of accreditation must
87.29 be submitted to the commissioner of health in a form prescribed by the commissioner of
87.30 health. A health carrier with less than five percent market share of either the individual

 88.6 to low volume of enrollees, an exception to this certification criterion will be granted by
 88.7 the Minnesota Insurance Marketplace until such time as the health carrier has a sufficient
 88.8 volume of enrollees. A health carrier must take the first step of the accreditation process
 88.9 during the first year in which it offers a qualified health plan.

88.19 Subd. 2. **Primary care; mental health services; general hospital services.**
 88.20 Primary care, mental health, and general hospital services must be available to enrollees
 88.21 and covered persons within 30 miles or 30 minutes' travel time to the nearest participating

88.30 Subd. 5. **Waiver.** A health carrier or preferred provider organization may apply to
 88.31 the commissioner of health for a waiver of the requirements in subdivision 2 or 3 if it is
 88.32 unable to meet the statutory requirements. A waiver application must be made on a form
 88.33 provided by the commissioner and must demonstrate with specific data that the requirement
 88.34 of subdivision 2 or 3 is not feasible in a particular service area or part of a service area.

89.1 Subd. 6. Referral centers. Subdivisions 2 and 3 shall not apply if an enrollee
 89.2 is referred to a referral center for health care services. A referral center is a medical
 89.3 facility that provides highly specialized medical care, including but not limited to organ
 89.4 transplants and bariatric surgery. A health carrier or preferred provider organization may
 89.5 consider the volume of services provided annually, case mix, and severity adjusted
 89.6 mortality and morbidity rates in designating a referral center.

89.7 Subd. 7. Essential community providers. Each provider network must comply
 89.8 with section 62Q.19 to ensure reasonable and timely access to covered services for
 89.9 low-income, high-risk, special-needs individuals or those living in a medical shortage area.

89.10 **Sec. 11. [62K.11] BALANCE BILLING PROHIBITED.**

89.11 A network provider is prohibited from billing an enrollee or covered person for any
 89.12 amount in excess of the fee paid by the health carrier for covered services. A network
 89.13 provider is permitted to bill an enrollee or covered person the approved co-payment or
 89.14 coinsurance. A network provider is permitted to bill an enrollee or covered person for
 89.15 services not covered by the enrollee's health plan as long as the enrollee agrees in writing
 89.16 in advance to pay for the noncovered service.

89.17 **Sec. 12. [62K.12] QUALITY ASSURANCE AND IMPROVEMENT.**

89.18 (a) All health carriers shall have an internal quality assurance and improvement
 89.19 program that, at a minimum:

89.20 (1) provides for ongoing evaluation of the quality of health care provided to its
 89.21 enrollees and members;

89.22 (2) periodically reports the evaluation of the quality of health care to the health
 89.23 carrier's governing body;

89.24 (3) follows policies and procedures for the selection and credentialing of network
 89.25 providers that is consistent with community standards;

 89.27 with potential for improvements in care;

89.28 (5) conducts enrollee satisfaction surveys and monitors oral and written complaints
 89.29 submitted by enrollees or members; and

89.30 (6) collects and reports Health Effectiveness Data and Information Set (HEDIS)
 89.31 measures and conducts other quality assessment and improvement activities as directed
 89.32 by the commissioner of health.

89.33 (b) The commissioner of health shall submit a report to the chairs and ranking
 89.34 minority members of senate and house of representatives committees with primary

90.1 jurisdiction over commerce and health policy by February 15, 2015, with recommendations
90.2 for specific quality assurance and improvement standards for all Minnesota health carriers.

90.3 (c) Health carriers participating in the Minnesota Insurance Marketplace shall collect
90.4 and report quality measures and enrollee satisfaction information in a form, manner, and
90.5 frequency to be determined by the Minnesota Insurance Marketplace as part of the quality
90.6 rating system. In establishing requirements for the collection and reporting of quality
90.7 measures and enrollee satisfaction information, the Minnesota Insurance Marketplace and
90.8 the Minnesota Department of Health shall collaborate to make use of existing mechanisms
90.9 for data collection and reporting requirements where possible, and shall coordinate on
90.10 measure alignment and efforts to minimize administrative burden in the collection and
90.11 reporting of data.

90.12 Sec. 13. **[62K.13] SERVICE AREA REQUIREMENTS.**

90.13 (a) Health carriers must offer health plans in service areas that are at least the
90.14 entire geographic area of a county unless serving a smaller geographic area is necessary,
90.15 nondiscriminatory, and in the best interest of enrollees. The service area for any health
90.16 plan must be established without regard to racial, ethnic, language, or health status-related
90.17 factors, or other factors that exclude specific high-utilizing, high-cost, or medically
90.18 underserved populations.

90.19 (b) If a health carrier requests to serve less than the entire county, the request

62A.65 INDIVIDUAL MARKET REGULATION.

Subd. 6. **Guaranteed issue not required.** Nothing in this section requires a health carrier to initially issue a health plan to a Minnesota resident, except as otherwise expressly provided in subdivision 4 or 5.

62E.02 DEFINITIONS.

Subd. 7. **Dependent.** "Dependent" means a spouse or unmarried child under the age of 25, or a dependent child of any age who is disabled.

62E.16 POLICY CONVERSION RIGHTS.

Every program of self-insurance, policy of group accident and health insurance or contract of coverage by a health maintenance organization written or renewed in this state, shall include, in addition to the provisions required by section 62A.17, the right to convert to an individual coverage qualified plan without the addition of underwriting restrictions after the individual insured has exhausted any continuation coverage provided under section 62A.146; 62A.148; 62A.17, subdivisions 1 and 2; 62A.20; 62A.21; 62C.142; 62D.101; or 62D.105, or continuation coverage provided under federal law, if any continuation coverage is available to the individual, and then leaves the group regardless of the reason for leaving the group or if an employer member of a group ceases to remit payment so as to terminate coverage for its employees, or upon cancellation or termination of the coverage for the group except where uninterrupted and continuous group coverage is otherwise provided to the group. If the health maintenance organization has canceled coverage for the group because of a loss of providers in a service area, the health maintenance organization shall arrange for other health maintenance or indemnity conversion options that shall be offered to enrollees without the addition of underwriting restrictions. The required conversion contract must treat pregnancy the same as any other covered illness under the conversion contract. The person may exercise this right to conversion within 30 days of exhausting any continuation coverage provided under section 62A.146; 62A.148; 62A.17, subdivisions 1 and 2; 62A.20; or 62A.21, or continuation coverage provided under federal law, and then leaving the group or within 30 days following receipt of due notice of cancellation or termination of coverage of the group or of the employer member of the group and upon payment of premiums from the date of termination or cancellation. Due notice of cancellation or termination of coverage for a group or of the employer member of the group shall be provided to each employee having coverage in the group by the insurer, self-insurer or health maintenance organization canceling or terminating the coverage except where reasonable evidence indicates that uninterrupted and continuous group coverage is otherwise provided to the group. Every employer having a policy of group accident and health insurance, group subscriber or contract of coverage by a health maintenance organization shall, upon request, provide the insurer or health maintenance organization a list of the names and addresses of covered employees. Plans of health coverage shall also include a provision which, upon the death of the individual in whose name the contract was issued, permits every other individual then covered under the contract to elect, within the period specified in the contract, to continue coverage under the same or a different contract without the addition of underwriting restrictions until the individual would have ceased to have been entitled to coverage had the individual in whose name the contract was issued lived. An individual conversion contract issued by a health maintenance organization shall not be deemed to be an individual enrollment contract for the purposes of section 62D.10. An individual health plan offered under section 62A.65, subdivision 5, paragraph (b), to a person satisfies the health carrier's obligation to offer conversion coverage under this section with respect to that person.

Subd. 2. **Timing of this section.** This section applies beginning the date the temporary federal qualified high-risk health pool created under the federal law begins to provide coverage in this state.

Subd. 3. **Maintenance of effort.** The assessments made by the comprehensive health association on its member insurers must comply with the maintenance of effort requirement contained in paragraph (b), clause (3), of the federal law, to the extent that the requirement applies to assessments made by the association.

Subd. 4. **Coordination with state health care programs.** The commissioner of commerce and the Minnesota Comprehensive Health Association shall ensure that applicants for coverage through the federal qualified high-risk pool, or through the Minnesota Comprehensive Health Association, are referred to the medical assistance or MinnesotaCare programs if they are determined to be potentially eligible for coverage through those programs. The commissioner of human services shall ensure that applicants for coverage under medical assistance or MinnesotaCare who are determined not to be eligible for those programs are provided information about coverage through the federal qualified high-risk pool and the Minnesota Comprehensive Health Association.

Subd. 5. **Federal funding.** Minnesota shall coordinate its efforts with the United States Department of Health and Human Services (HHS) to obtain the federal funds to implement in Minnesota the federal qualified high-risk pool.

62L.02 DEFINITIONS.

Subd. 4. **Base premium rate.** "Base premium rate" means as to a rating period, the lowest premium rate charged or which could have been charged under the rating system by the health carrier to small employers for health benefit plans with the same or similar coverage.

Subd. 18. **Index rate.** "Index rate" means as to a rating period for small employers the arithmetic average of the applicable base premium rate and the corresponding highest premium rate.

Subd. 19. **Late entrant.** "Late entrant" means an eligible employee or dependent who requests enrollment in a health benefit plan of a small employer following the initial enrollment period applicable to the employee or dependent under the terms of the health benefit plan, provided that the initial enrollment period must be a period of at least 30 days. However, an eligible employee or dependent must not be considered a late entrant if:

(1) the individual was covered under qualifying coverage at the time the individual was eligible to enroll in the health benefit plan, declined enrollment on that basis, and presents to the health carrier a certificate of termination of the qualifying coverage, due to loss of eligibility for that coverage, or proof of the termination of employer contributions toward that coverage, provided that the individual maintains continuous coverage and requests enrollment within 30 days of termination of qualifying coverage or termination of the employer's contribution toward that coverage. For purposes of this clause, loss of eligibility includes loss of eligibility as a result of legal separation, divorce, death, termination of employment, or reduction in the number of hours of employment. For purposes of this clause, an individual is not a late entrant if the individual elects coverage under the health benefit plan rather than accepting continuation coverage for which the individual is eligible under state or federal law with respect to the individual's previous qualifying coverage;

(2) the individual has lost coverage under another group health plan due to the expiration of benefits available under the Consolidated Omnibus Budget Reconciliation Act of 1985, Public Law 99-272, as amended, and any state continuation laws applicable to the employer or health carrier, provided that the individual maintains continuous coverage and requests enrollment within 30 days of the loss of coverage;

(3) the individual is a new spouse of an eligible employee, provided that enrollment is requested within 30 days of becoming legally married;

(4) the individual is a new dependent child of an eligible employee, provided that enrollment is requested within 30 days of becoming a dependent;

(5) the individual is employed by an employer that offers multiple health benefit plans and the individual elects a different plan during an open enrollment period; or

(6) a court has ordered that coverage be provided for a former spouse or dependent child under a covered employee's health benefit plan and request for enrollment is made within 30 days after issuance of the court order.

Subd. 23. **Preexisting condition.** "Preexisting condition" means, with respect to coverage, a condition present before the individual's enrollment date for the coverage, for which medical

advice, diagnosis, care, or treatment was recommended or received during the six months immediately preceding the enrollment date.

62L.05 SMALL EMPLOYER PLAN BENEFITS.

Subdivision 1. **Two small employer plans.** Each health carrier in the small employer market must make available, on a guaranteed issue basis, to any small employer that satisfies the contribution and participation requirements of section 62L.03, subdivision 3, both of the small employer plans described in subdivisions 2 and 3. Under subdivisions 2 and 3, coinsurance and deductibles do not apply to child health supervision services and prenatal services, as defined by section 62A.047. The maximum out-of-pocket costs for covered services must be \$3,000 per individual and \$6,000 per family per year. The maximum lifetime benefit must be not less than \$1,000,000.

Subd. 2. **Deductible-type small employer plan.** The benefits of the deductible-type small employer plan offered by a health carrier must be equal to 80 percent of the charges, as specified in subdivision 10, for health care services, supplies, or other articles covered under the small employer plan, in excess of an annual deductible which must be \$2,250 per individual and \$4,500 per family.

Subd. 3. **Co-payment-type small employer plan.** The benefits of the co-payment-type small employer plan offered by a health carrier must be equal to 80 percent of the charges, as specified in subdivision 10, for health care services, supplies, or other articles covered under the small employer plan, in excess of the following co-payments:

- (1) \$15 per outpatient visit, including visits to an urgent care center but not including visits to a hospital outpatient department or emergency room, or similar facility;
- (2) \$15 per visit for the services of a home health agency or private duty registered nurse;
- (3) \$50 per outpatient visit to a hospital outpatient department or emergency room, or similar facility; and
- (4) \$300 per inpatient admission to a hospital.

Subd. 4. **Benefits.** The medical services and supplies listed in this subdivision are the benefits that must be covered by the small employer plans described in subdivisions 2 and 3. Benefits under this subdivision may be provided through the managed care procedures practiced by health carriers:

- (1) inpatient and outpatient hospital services, excluding services provided for the diagnosis, care, or treatment of chemical dependency or a mental illness or condition, other than those conditions specified in clauses (10) and (11). The health care services required to be covered under this clause must also be covered if rendered in a nonhospital environment, on the same basis as coverage provided for those same treatments or services if rendered in a hospital, provided, however, that this sentence must not be interpreted as expanding the types or extent of services covered;
- (2) physician, chiropractor, and nurse practitioner services for the diagnosis or treatment of illnesses, injuries, or conditions;
- (3) diagnostic x-rays and laboratory tests;
- (4) ground transportation provided by a licensed ambulance service to the nearest facility qualified to treat the condition, or as otherwise required by the health carrier;
- (5) services of a home health agency if the services qualify as reimbursable services under Medicare;
- (6) services of a private duty registered nurse if medically necessary, as determined by the health carrier;
- (7) the rental or purchase, as appropriate, of durable medical equipment, other than eyeglasses and hearing aids, unless coverage is required under section 62Q.675;
- (8) child health supervision services up to age 18, as defined in section 62A.047;
- (9) maternity and prenatal care services, as defined in sections 62A.041 and 62A.047;
- (10) inpatient hospital and outpatient services for the diagnosis and treatment of certain mental illnesses or conditions, as defined by the International Classification of Diseases-Clinical Modification (ICD-9-CM), seventh edition (1990) and as classified as ICD-9 codes 295 to 299; and
- (11) 50 percent of eligible charges for prescription drugs, up to a separate annual maximum out-of-pocket expense of \$1,000 per individual for prescription drugs, and 100 percent of eligible charges thereafter.

Subd. 4a. **Alternative benefit plan.** In addition to the small employer benefit plans described in subdivisions 1 to 4, a health carrier may offer to a small employer a benefit plan that differs from those plans in the following respects:

- (1) the plan may include different co-payments and deductibles; and

APPENDIX

Repealed Minnesota Statutes: 13-1906

(2) the plan may offer coverage on a per diem, fixed indemnity, or nonexpense incurred basis.

Subd. 5. **Plan variations.** (a) No health carrier shall offer to a small employer a health benefit plan that differs from the small employer plans described in subdivisions 1 to 4a, unless the health benefit plan complies with all provisions of chapters 62A, 62C, 62D, 62E, 62H, 62N, 62Q, and 64B that otherwise apply to the health carrier, except as expressly permitted by paragraph (b).

(b) As an exception to paragraph (a), a health benefit plan is deemed to be a small employer plan and to be in compliance with paragraph (a) if it differs from one of the two small employer plans described in subdivisions 1 to 4 only by providing benefits in addition to those described in subdivision 4, provided that the health benefit plan has an actuarial value that exceeds the actuarial value of the benefits described in subdivision 4 by no more than two percent. "Benefits in addition" means additional units of a benefit listed in subdivision 4 or one or more benefits not listed in subdivision 4.

Subd. 6. **Choice products exception.** Nothing in subdivision 1 prohibits a health carrier from offering a small employer plan which provides for different benefit coverages based on whether the benefit is provided through a primary network of providers or through a secondary network of providers so long as the benefits provided in the primary network equal the benefit requirements of the small employer plan as described in this section. For purposes of products issued under this subdivision, out-of-pocket costs in the secondary network may exceed the out-of-pocket limits described in subdivision 1. A secondary network must not be used to provide "benefits in addition" as defined in subdivision 5, except in compliance with that subdivision.

Subd. 7. **Benefit exclusions.** No medical, hospital, or other health care benefits, services, supplies, or articles not expressly specified in subdivision 4 are required to be included in a small employer plan. Nothing in subdivision 4 restricts the right of a health carrier to restrict coverage to those services, supplies, or articles which are medically necessary. Health carriers may exclude a benefit, service, supply, or article not expressly specified in subdivision 4 from a small employer plan.

Subd. 11. **Plan design.** Notwithstanding any other law, regulation, or administrative interpretation to the contrary, health carriers may offer small employer plans through any provider arrangement, including, but not limited to, the use of open, closed, or limited provider networks. A health carrier may only use product and network designs currently allowed under existing statutory requirements. The provider networks offered by any health carrier may be specifically designed for the small employer market and may be modified at the carrier's election so long as all otherwise applicable regulatory requirements are met. Health carriers may use professionally recognized provider standards of practice when they are available, and may use utilization management practices otherwise permitted by law, including, but not limited to, second surgical opinions, prior authorization, concurrent and retrospective review, referral authorizations, case management, and discharge planning. A health carrier may contract with groups of providers with respect to health care services or benefits, and may negotiate with providers regarding the level or method of reimbursement provided for services rendered under a small employer plan.

Subd. 12. **Demonstration projects.** Nothing in this chapter prohibits a health maintenance organization from offering a demonstration project authorized under section 62D.30. The commissioner of health may approve a demonstration project which offers benefits that do not meet the requirements of a small employer plan if the commissioner finds that the requirements of section 62D.30 are otherwise met.

Subd. 13. **Notice of plan availability.** Each health carrier in the small employer market must provide information to small employers regarding the availability of the plans described in subdivisions 2 and 3, and in section 62Q.188. At a minimum, each health carrier must provide information describing the plans and their availability:

(1) displayed with other small employer product information on the health carrier's public Web site; and

(2) delivered to each small employer currently insured by the health carrier at the time of the small employer's renewal, at the same time and in the same manner as the small employer's renewal information.

62L.081 PHASE-IN.

Subdivision 1. **Compliance.** No health carrier, as defined in section 62L.02, shall renew any health benefit plan, as defined in section 62L.02, except in compliance with this section.

Subd. 2. **Premium adjustments.** (a) Any increase or decrease in premiums by a health carrier that is caused by section 62L.08, and that is greater than 30 percent, is subject to this subdivision. A health carrier shall determine renewal premiums only as follows:

APPENDIX

Repealed Minnesota Statutes: 13-1906

(1) one-half of that premium increase or decrease may be charged upon the first renewal of the coverage on or after July 1, 1993; and

(2) the remaining one-half of that premium increase or decrease may be charged upon the renewal of the coverage one year after the date of the renewal under clause (1).

(b) For purposes of this subdivision, the premium increase or decrease is the total premium increase or decrease caused by section 62L.08 and not just the portion that exceeds 30 percent. This subdivision does not apply to any portion of a premium increase or decrease that is not caused by section 62L.08.

62L.10 SUPERVISION BY COMMISSIONER.

Subdivision 1. **Reports.** A health carrier doing business in the small employer market shall file by April 1 of each year an annual actuarial opinion with the commissioner certifying that the health carrier complied with the underwriting and rating requirements of this chapter during the preceding year and that the rating methods used by the health carrier were actuarially sound. A health carrier shall retain a copy of the opinion at its principal place of business.

Subd. 2. **Records.** A health carrier doing business in the small employer market shall maintain at its principal place of business a complete and detailed description of its rating practices and renewal underwriting practices, including information and documentation that demonstrate that its rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.

Subd. 3. **Submissions to commissioner.** Subsequent to the annual filing, the commissioner may request information and documentation from a health carrier describing its rating practices and renewal underwriting practices, including information and documentation that demonstrates that a health carrier's rating methods and practices are in accordance with sound actuarial principles and the requirements of this chapter. Except in cases of violations of this chapter or of another chapter, information received by the commissioner as provided under this subdivision is nonpublic.

Subd. 4. **Review of premium rates.** The commissioner shall regulate premium rates charged or proposed to be charged by all health carriers in the small employer market under section 62A.02. The commissioner of health has, with respect to carriers under that commissioner's jurisdiction, all of the powers of the commissioner of commerce under that section.

Subd. 5. **Transitional practices.** The commissioner shall disapprove index rates, premium variations, or other practices of a health carrier if they violate the spirit of this chapter and are the result of practices engaged in by the health carrier between April 23, 1992, and July 1, 1993, where the practices engaged in were carried out for the purpose of evading the spirit of this chapter. Each health carrier shall report to the commissioner, within 30 days and on a form prescribed by the commissioner, each cancellation, nonrenewal, or other termination of coverage of a small employer between April 23, 1992, and June 30, 1993. The health carrier shall provide any related information requested by the commissioner within the time specified in the request. Any health carrier that engages in a practice of terminating or inducing termination of coverage of small employers in order to evade the effects of Laws 1992, chapter 549, is guilty of an unfair method of competition and an unfair or deceptive act or practice in the business of insurance and is subject to the remedies provided in sections 72A.17 to 72A.32.

62Q.37 AUDITS CONDUCTED BY INDEPENDENT ORGANIZATION.

Subd. 5. **Accreditation not required.** Nothing in this section requires a health plan company to seek an acceptable accreditation status from a nationally recognized independent organization.
