Subject: Report of obsolete rules – November 17, 2008

The Board of Examiners for Nursing Home Administrators completes an annual assessment of Minnesota Rules 6400 pertaining to administration of Minnesota nursing homes and finds at this time that current rules are applicable and not deemed obsolete, unnecessary or duplicative.

The BENHA Rules Committee reviewed all current rules in 2007, remains ready to position themselves to review/revise all rules if Assisted Living Administration becomes a legislative priority within the statutory guidance of this board. The current rules were deemed as effective at this time and did not warrant the expense of rulemaking. If you have any questions, feel free to contact this office.
