Subject: Annual Report on Obsolete, Unnecessary or Duplicative Rules as Required by Minnesota Statutes, Section 14.05, Subdivision 5

Dear Governor Pawlenty, Senators, Representatives, and Revisor Timmons:

Minnesota Statutes, section 14.05, subdivision 5, directs the Board of Psychology to report to you by December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

The Board of Psychology has previously declared its intention to engage in rulemaking to comprehensively revise Minnesota Rules chapter 7200. That process is now underway. The Board of Psychology has reviewed its rules and found no others that have become obsolete, unnecessary or duplicative over the course of the last year.

Please let me know if I can provide further assistance.

Sincerely,

A handwritten signature in cursive script that reads "Angelina Barnes".
