leged, except in cases where imminent danger of an-
case exists, shall admit any resident attorney retained
by or in behalf of the person restrained, or whom he
may desire to consult, to a private interview at the

violate any provision of this section shall be guilty of a
misdemeanor, and, in addition to the punishment
prescribed therefor, shall forfeit one hundred dollars
to the person aggrieved, to be recovered in a civil ac-
tion. (2285) (4952)

5693. Change of attorney—The attorney in an ac-
tion or proceeding may be changed at any time upon
his consent, or, by order of the court, upon the appli-
cation of the client for cause; but no change can be
made on application of the client unless the charges of

sole attorney of a party to any action or proceeding in
any money or property in the hands of the ad-
vance to him, within two years of entry of judgment
in the case, or to release property or perform acts for
the purpose of enforcing judgment, may desire to consult, to a private interview at the
the attorney be paid. When such change is made,
written notice of the substitution of a new attorney
shall be given to adverse parties; until such notice, they
shall recognize the former attorney. (2286) (4955)

5695. Lien for attorneys fees extended—An attor-
ney has a lien for his compensation whether the agree-
ment therefor be expressed or implied:
1. Upon the papers of his client coming into his
possession in the course of his employment.
2. Upon money in his hands belonging to his client.
3. Upon the cause of action from the time of the
service of the summons therein, or the commencement of the proceeding, and, upon the interest of his client in
any money or property involved in or affected by any
action or proceeding in which he may have been em-
ployed, from the commencement of said action or pro-
ceduring, and, as against third parties, from the time
of filing the notice of such lien claim, as provided in
this section.
4. Upon money or property in the hands of the ad-
verse party to the action or proceeding in which the
attorney was employed, from the time such party is
notice of the lien.
5. Upon a judgment, and, whether there be a spe-
cial agreement as to compensation, or whether a lien
is claimed for the reasonable value of the services, the lien shall extend to the amount thereof from the time of giving notice of his claim to the judgment debtor, but this lien is subordinate to the rights existing between the parties to the action or proceedings.

6. The liens provided by subdivisions 3, 4 and 5 of this section shall be established upon the amount thereof determined, by the court, summarily, in the action or proceeding, on the application of the lien claimant or of any person or party interested in the property subject to such lien, on such notice to all parties interested therein as the court may, by order to show cause, prescribe, or, if such lien may be enforced, and the amount thereof determined, by the court, in an action for equitable relief brought for that purpose.

Judgment shall be entered under the direction of the court, adjudging the amount due and the sale of the property subjected to the lien, or some part thereof, to satisfy said amount, and directing the sheriff to proceed to sell the same according to the provisions of law relating to the sale of real estate on execution, and to pay the proceeds into court.

A certified transcript of the judgment shall be delivered to the sheriff, and shall be his authority for making the sale.

If the property so sold is real estate, the same shall be subject to redemption in the manner provided by law for redemption of real property sold on execution. If the property so sold is personal property, the right or title of the purchaser or of the property owner thereto, for value and without notice; but a duly verified notice of intention to claim such lien, specifying the property on which the lien is claimed, and the amount thereof, if under express agreement, or, if not, the reasonable value of the services for which such lien is claimed, filed as herein provided, shall charge subsequent purchasers and encumbrancers of such property with notice of said lien from the time of such filing.

If the lien is claimed on the client's interest in real estate involved in or affected by the action or proceeding, such notice of intention to claim a lien thereon shall be filed in the office of the register of deeds in any county wherein the same is situated.

If the lien is claimed on personal property said notice shall be filed in the same manner as provided by law for the filing of chattel mortgages. (R. L. '65 § 2288; G. S. '13 § 4955, amended '17 c. 53)

Proceedings under Workman's Compensation Act not governed by this act. (1913 c. 421). Where the attorney claims a lien under subdivisions 1 or 2 on money or property of his client, in his own possession and control, he cannot resort to the summary proceedings furnished by subdivision 6 for the enforcement of liens arising under subdivisions 3, 4, and 5 (177-110).

Where there has been a settlement between attorney and client, the former retaining from the money of his client, a sufficient amount of the attorney's fees, the attorney cannot thereafter force the client into court by means of a statutory proceeding for the enforcement of attorney's liens, and have the settlement confirmed or the amount of his fee determined anew and by the court. (177-120, 179-490).

In such a case, if the client should sue the attorney for a part or all of the money retained by him, he would have the constitutional right to trial by jury, which the attorney's counsel statute does not and cannot impair. (137-375, 197-110).

Accounting between client and attorney. 164-217, 204-947.

It was proper to prove that the services were to be gratuitous, unless a certain result was obtained. (218-464).

The record sustains the judgment of the court reinstating a satisfied judgment to the extent of the lien of the attorney of the plaintiff thereon of which lien the defendant had notice. (211-449).

5696. Refusal to surrender property to clients—Whenever an attorney shall refuse to deliver money or papers to a person from whom he has received them in the course of his professional employment, he may be required to do so by an order of court. Such order may be granted by the court in which the action was prosecuted, or, if no action was prosecuted, by the district court of the county within which he resides, or by the supreme court, and may require him to make delivery within a time specified, or show cause why he should not be punished for contempt. If the attorney claims a lien upon the property, the court may:

1. As a condition of making the order, require the client to give security, in form and amount as directed, to satisfy the lien when determined in an action; or

2. Summarily inquire into and determine the facts upon which the lien is founded; or

3. Direct a trial of the controversy by a jury, or refer it, and determine the same upon the verdict or report as in other cases. (2289) [4956]

5697. Removal or suspension of attorney—1. An attorney at law may be removed or suspended by the Supreme Court for any one of the following causes arising after his admission to practice:

(A) Upon his being convicted of felony, or of a misdemeanor involving moral turpitude; in either of which cases the record of conviction shall be conclusive evidence.

(B) Upon a showing that he has knowingly signed a report of misconduct or of pecuniary advantage arising from any deceit or wilful misconduct in his profession.

(C) For willful disobedience of an order of the court requiring him to do or forbear an act connected with the course of his profession.

(D) For a willful violation of his oath, or of any duty imposed upon an attorney by law.

2. Proceedings in such cases may be taken by the Supreme Court on its own motion, for matter within its knowledge, or upon application. No such proceeding for the removal or suspension of an attorney at law shall be instituted unless commences within the period of two years from the date of the commission of the offense or misconduct complained of, or within one year after the discovery thereof. Accusations may be made to the clerk of Supreme Court and shall be investigated, prosecuted, heard and determined in accordance with rules which may be made from time to time by the Supreme Court. (L. 1906 § 2290; G. S. '13 § 4957, amended '21, c. 334, § 1)

An attorney at law, who neglects to remit promptly, or at all, collections made for clients, who fails to answer inquiries of nonresident clients for whom he has made collections without remitting, and who makes misleading and false statements concerning collections made in justifying the employing of new or other attorneys by the clients to collect from him, forfeits his right to practice and should be removed from his office. 159f481, 194f529.

Petition to set aside judgment of disbarment, denied. 161-508, 204f519.

An attorney who presents a check to the state treasurer in payment of fees for filing articles of incorporation with the Secretary of State, when he has not sufficient funds in bank with which to pay it, and fails to take care of it for nearly a year, and then only when a complaint is made with a view to disbarment, is such as to require discipline. 102f86, 255f174.

When proceedings are instituted for the disbarment of an attorney at law he should, on return day, enter his plea to the charge, and not guilty, and thereupon be set for an answer to the accusation. 184f198, 205f268.

An attorney's failure to report collection and to remit money which he should have remitted, constitutes violation of his oath of office and fraud toward the court and adverse party, resulting in a loss to the latter, and under such circumstances, constituted the employing of new attorneys by the clients to collect from him, constitutes violation of his oath of office and fraud toward the court and adverse party, resulting in a loss to the latter. 167-350, 209f31.

Such misrepresentation is considered to justify a vacation of the order admitting respondent to the bar. But the whole case is such as to require judgment of disbarment. 167-350, 205f268.

Respondent found not guilty of a charge of misconduct in his professional conduct and of willful violation of his oath of office as an attorney at law. 164f168, 205f268.

Respondent's admission to the bar was procured upon a false statement that he represented himself as a registered architect, a professional engineer (hereinafter called engineer) or a land surveyor except under the provisions of this act. (21, c. 523, § 1)

Explanatory note—Section 19 of Laws 1921, c. 523, repeals all inconsistent laws or parts of laws.

§5817. License required—what constitutes practice of embalming and funeral directing—apprentice.

No person shall embalm any dead human body or practice embalming, direct or supervise funerals in the State of Minnesota without being licensed by the State Board of Health, except as hereinafter provided.

For the purposes of this Act, the following definitions shall be adopted and understood to be included within the meaning of this Act:

(a) Any person who shall embalm dead human bodies, or who shall take charge of the remains of those dead of any communicable disease, or prepare dead human bodies for shipment, or hold himself out to do any of the above acts by advertising or by any other means, shall be defined as and construed to be practicing embalming;

(c) An "embalmer" is any person who has secured a license to engage in the practices hereinafter set forth;

(d) A "funeral director" is any person who has secured a license to engage in the practices hereinafter set forth;

(e) An "apprentice funeral director" is any person engaged in the learning of the practice of embalming under the instruction and personal supervision of a duly licensed and registered funeral director under the provisions of this Act, provided, however, that no person shall serve or attempt to serve as such apprentice funeral director under any such funeral director until he has filed a registration thereof with the board;

(f) An "apprentice embalmer" is any person engaged in the learning of the practice of embalming under the instruction and personal supervision of a duly licensed and registered embalmer under the provisions of this Act, provided, however, that no persons shall serve or attempt to serve as such apprentice embalmer under any such embalmer until he has filed a registration thereof with the board.

(g) An apprentice funeral director and/or embalmer may serve his apprenticeship concurrently under the direction and instruction of any person duly licensed and registered as an embalmer and/or funeral director under the provisions of this Act, provided that such person does not serve as such funeral director be a full time employee. Op. Atty. Gen. (1937), Aug. 2, 1937.

(h) An assistant funeral director cannot be in charge of a funeral directing establishment and must work under a regularly licensed funeral director. Id. 1937.

separate register for apprentices, stating their names,

obtain a license from the board without examination

be substantially the equivalent of that required in
standard of examination for license to engage in the
authority in any other state maintaining a system and
vided that any holder of a license issued by state
qualify as an embalmer and/or funeral director. Pro-

practices experience in embalming for an embalmer's
years of age, and of good moral character and tempe-
ment of affidavit from at least two repu-
dered on a form prescribed as to details and
furnished by the board. Such application shall be
accompanied by affidavits from at least two resi-
table residents of the county in which the applicant
resides or proposes to carry on the practice of em-
balming and/or funeral directing, certifying that the
applicant has good moral character, and a fee of
($10.00) dollars. No person shall be granted
any such license unless he shall be twenty-one (21)
years of age, and of good moral character and temper-
ate habits; and has had at least one year of appren-
ticeship experience in embalming for an embalmer's
license, and at least two years' apprenticeship
experience in funeral directing for a funeral director's
license; and such sufficient knowledge, experience and
training as the board may determine to properly
qualify an embalmer director. Pro-
vided that any holder of a license issued by state
other states, providing that applicants are oth-
wise qualified. 1d.
It is doubtful that legislature intended to provide that
a person otherwise qualified and experienced should be
required to register and serve two years as an apprentice
before being eligible for examination as an assistant
funeral director. 1d.
There is a strong presumption that one who has been
engaged in business of a funeral director as an owner
and operator of an establishment is entitled to a license
for such business purposes, and no limitation is made
by statute to the effect until December 31st of the year in
which such license is dated to expire, and the holder of such
license shall not be required to pay any additional
renewal fee for such license period extension.
All fees received under this Act shall be paid by
the State Board of Health to the State Treasurer,
and an amount of money equal to the amount so paid
covers the court costs in any case in which the state is
not otherwise appropriated, to said board for the
purpose of carrying out the provisions of this Act.
The salaries of the necessary employees of the board,
the per diem of the inspectors and examiners.
hereinbefore provided, their expenses and all in-
dental expenses of said board in carrying out the pro-
visions of this Act, shall be paid on order of the
board and not otherwise appropriated, to said board for the
purpose of carrying out the provisions of this Act.
The salaries of the necessary employees of the board,
(a) The obtaining of, or attempt to obtain, a license by fraudulent representation; 
(b) Conviction of a crime involving moral turpitude; 
(c) Violation of the laws of this state relative to the burial, disposal, or disposition of dead human bodies, or of the rules and regulations of the board in relation to the care, custody or disposition of dead human bodies, or the disinfecting of premises where contagion exists; 
(d) For incompetency or untrustworthiness in the practice of embalming and/or funeral directing; 
(e) For fraud in obtaining or maintaining a license; 
(f) Upon satisfactory proof that the embalmer and/or funeral director, directly or indirectly, has paid or caused to be paid any sum of money or other valuable consideration for the securing of business or for obtaining authority to dispose of any dead human body; 
(g) Upon satisfactory proof that an embalmer and/or funeral director has employed any person not registered or licensed under the provisions of this Act to perform the duties of an embalmer and/or funeral director.

Any action of the board in refusing to grant or renew a license, or in suspending or revoking a license, is subject to review by a writ of certiorari issued in the District Court of any County.

The board shall make and enforce all necessary rules and regulations not inconsistent with the provisions of this Act for the examination and licensing of embalmers and/or funeral directors, and the registration and regulation of apprentices, and the investigation and hearing for the refusal to renew, suspension or revocation of licenses. (As amended Apr. 24, 1937, c. 417, §6.)

5823. Penalties for violation—Persons and activities not affected—separability. Any person who shall embalm a dead human body, or who shall hold himself out as an embalmer and/or funeral director or as an apprentice as herein defined, or as an assistant funeral director, without being licensed or registered as herein provided shall be guilty of a misdemeanor, and punished accordingly.
