The Office of the Revisor of Statutes, a nonpartisan office in the Minnesota Legislature, is seeking applicants for a Trainer and Help Desk Specialist I. This position works with an experienced Trainer and Help Desk II. However, many tasks are performed individually, so candidates must be productive self-starters.

- Serve as the main support to users of Revisor information systems. Support is provided to multiple legislative offices and the public.
- Assist in supporting client hardware used by Revisor staff. This hardware includes PCs, laptops, monitors, printers and phones.
- Responsible for training users and answering questions on Revisor software applications. These applications include: a custom-built document publishing system, the Revisor website, email, and various commercial products including Microsoft Office.
- Serve as the focal point for communications between end-users and the IS staff.
- Answer the help desk phone and respond to help desk emails.
- Carry the after-hours help desk cell phone during the legislative session and as needed.
- Logging all user issues and generating reports for the IS team.

Good communication, time management, and problem-solving skills are required, along with the desire to continuously develop IT skills. Experience in the following technology areas is also beneficial:

- Citrix/VPN
- Active Directory
- Office 365 administration
- Training – both creation and presentation of materials
