

NUMBER 15.

A MEMORIAL TO THE HONORABLE THE SENATE AND HOUSE OF REPRESENTATIVES IN CONGRESS ASSEMBLED.

Your memorialists, the Senate and House of Representatives, of the State of Minnesota most respectfully represent that

WHEREAS, Under and by the laws of the State of Minnesota a judgment is a lien on real estate only upon and after the docketing of such judgment in the county in which such real estate lies; and

WHEREAS, The courts of the United States in this state have held that the aforesaid provision of law is impracticable to judgments rendered by the United States courts and that such judgments when docketed in the office of the clerk of such courts becomes a lien on all real estate in any and every [county] court in the state without the docketing of such judgments in the county in which such real estate lies; and

WHEREAS, The existence of different rules in the same state as to the liens of judgments is misleading to the public; and the making of a judgment a lien on any real estate in any county in which such judgment is not docketed is a great and manifest hardship and inconvenience, therefore your memorialists respectfully and earnestly pray that a law be enacted by Congress making the laws of the United States conform to the laws of the state in the respect aforesaid.

Resolved, that our Senators in Congress be instructed and our Representatives requested to use their influence to secure the passage of such a law.

Resolved further, the Secretary of State is hereby directed to send an authenticated copy of this memorial to each of our Senators and Representatives in Congress.

Approved March 3, 1883.
