They shall thereupon cause to be made by the recorder, a notice of the adoption of such resolution, embracing a copy thereof and notifying all parties interested, that the council will at the time and place named, apply to the judge for the appointment of a jury to condemn and appraise such land. A copy of such notice shall be served by any person on the owner of each such parcel of land to be taken, if known and resident within the county; such service to be made in the manner prescribed for serving a summons in the municipal court, and the return on the summons shall be conclusive evidence of the fact stated therein. If the notice cannot be so given as to all the parcels then the same shall be also published once in each week for three (3) successive weeks, in a newspaper published in such city or county; and the affidavit of the printer or foreman of such newspaper shall be conclusive evidence of such publication. Such notice shall be served, and such publication made for three (3) weeks, complete at least one (1) week before the time fixed therein for such application. If any person so served with notice shall be a minor, or of unsound mind, the judge, before proceeding, shall on the day fixed for hearing such application, appoint for him a guardian for the purpose of such proceeding, who shall give security to the satisfaction of the magistrate, and act for such ward.

SEC. 2. At the time and place fixed for such hearing, the application, accompanied by a copy of such resolution and such survey, and by proof of service of the notice, as provided in the last section, shall be filed with the judge, who shall thereupon make a list of twenty-four (24) competent jurors, not interested, but residents of the village shall not be disqualified by reason of such residence. He shall hear and decide any challenges for cause or favor, made to any one, and if sustained, shall replace his name with an unobjectionable juror, until the list shall be perfected. Thereupon, under the direction of such magistrate, each party, the city council by its representative on one side, and owners of the land or their agents present, or if none be present, or they disagree, a disinterested person appointed by the judge, on the other, shall challenge six (6) names, one at a time, alternately, the city council beginning. To the twelve (12) jurors remaining the judge shall issue a venire, requiring them at an hour on a day named, not more than ten (10) nor less than three (3) days thereafter, to appear before him to be sworn and serve as a jury to view lands and appraise damages, and at the same time, shall publicly adjourn the proceedings to the time and place so named; such venire shall be served by any constable or police officer at least one (1) day before such appointed time, by reading the same to each such juror, or by leaving a copy at his usual place of abode in the presence of a member of his family of suitable age and discretion. The jurors summoned shall appear at the time and place named; and if any be excused by the judge, or fail to attend, he shall direct other disinterested persons to be forthwith summoned in their stead until twelve (12) be obtained. The magistrate shall then administer to them an oath that they shall well and truly inquire into and determine the necessity for taking the lands mentioned in the resolution, and if found necessary, the damages occasioned thereby, and faithfully discharge their duties as jurors according to law.

SEC. 3. Under the direction of such magistrate the jury shall view the lands to be taken, and shall then sit before him, to hear such competent evidence as shall be produced by any party; and for such purposes such magistrate shall possess the same powers as a court in session with a jury, and if there be necessity, may adjourn the sitting from day to day. The jury shall render a separate verdict in writing, signed by them, in which they shall find whether it be necessary to take such lands or any part thereof for such purposes, describing such as they find necessary to be taken; and if any be found necessary to be taken, then a verdict or appraisement for damages, specifying therein the damages of each owner, and separately the value of the land taken from each, and the damage otherwise sustained by each by reason of the taking thereof; in estimating which they shall deduct therefrom any special benefit, if any, to be enjoyed by each from such improvements; and a majority of such jury may render such verdict or appraisement of damages and shall sign the name. Any technical error in such verdict may be immediately corrected, with the assent of the jury, and they shall be thereupon discharged, and their verdict filed by the magistrate. In case the jury shall fail to find a verdict, another jury shall be selected, summoned, sworn and proceed in the same manner.

SEC. 4. Within ten (10) days after verdict any land owner whose land has been found necessary to be taken may appeal from the award of damages to him, in such verdict to the district court, and the city may likewise appeal from the award of damages to any owner by filing with such magistrate a notice of appeal, specifying whether the appeal is from the whole award to him or a part, and if a part, what part, and therewith a bond with two sufficient sureties, to be approved by the magistrate, to pay all cost that may be awarded against such appellant on the appeal, and paying the magistrate for his return thereof. Any party not so appealing shall be forever concluded by such verdict or appraisalment. Upon an appeal being taken, the magistrate shall transmit to the clerk of the district court, within ten (10) days, the notice of the appeal and bond and thereto annex a copy of all papers and proceedings before him, with his certificate thereof. He shall, after the time for appealing is expired, file with the city recorder, annexed together, all the original papers, including the verdict, with a certificate by him thereof, and that no appeal has been taken from such verdict, except as the facts are, which he shall briefly specify; and the clerk shall record all such proceedings. Upon filing such transcript in the district court, the appeal shall be considered an action pending in such court, and be so entered, the land owner as plaintiff, the city as defendant, and be subject to trial and appeal to the supreme court. The case shall be tried by a jury, unless waived, and costs shall be awarded against the appellant, if a more favorable verdict be not obtained; otherwise against the respondent. Upon entry of judgment, the clerk of the district court shall transmit a certified copy thereof to the city recorder.

SEC. 5. If the verdict of the jury first called find it necessary to take such land or any part thereof, the city council may, upon return thereof to the recorder, enact an ordinance in accordance therewith, for laying out, changing, widening or extending and opening any such street, lane, alley, public ground, square or other public place, or constructing and opening, altering, enlarging or extending any such drains, canals or sewers, or altering, widening or straightening any such water course, or for the use or improvement of a harbor, but shall not enter upon any such land therefor until the owner be paid in full or the damage be set apart for him in the hands of the treasurer, and an order therefor lawfully executed to him be deposited with the recorder to permanently remain subject to his order. In case there shall be any doubt as to who is entitled to such compensation, or damages, or any part of the same, the amount so awarded shall be set apart in the city treasury for whoever shall be entitled thereto, and paid over to the person or persons who shall show a clear right to receive the same. At any time before causing any such land to be actually taken or put to public use, and before the rendition of a judgment in the district court for damages, the city council may discontinue all proceedings theretofore taken, and the city shall in such event be liable for the cost only. All the cost of every such proceeding shall be paid by the city except when it recover costs in the district or supreme court. Fees and costs shall be the same as in civil action.

SEC. 6. For the purpose of payment of the expenses, including all

damages and costs incurred for the taking of private property, and of making any improvement mentioned in the last preceding section, the city council may, by resolution, levy and assess the whole, or any part not less than one-half ($\frac{1}{2}$) of such expenses as a [fair] tax upon such property as they shall determine is especially benefited thereby, making therein a list thereof, in which shall be described every lot or parcel of land so assessed, with the name of the owner thereof, if known, and the amount levied thereon set opposite. Such resolution signed by the mayor and recorder, shall be published once in each week for two weeks in a newspaper printed regularly in such city, or if there be no such newspaper, three (3) copies thereof shall be posted by the recorder in three (3) of the most public places in such city, and a notice therewith that at a certain time therein stated the said council will meet at their usual place of meeting and hear all objections which may be made to such assessment, or to any part thereof. At the time so fixed, the said council shall meet and hear all such objections, and for that purpose may adjourn from day to day not more than three (3) days, and may by resolution modify such assessment in whole or in part. At any time before the first (1st) day of September thereafter any party liable may pay any such tax to the city treasurer. On such first (1st) day of September, if any tax remains unpaid, the recorder shall certify a copy of such resolution to the county auditor, showing what taxes thereby levied remain unpaid; and the county auditor shall put the same upon the tax roll, in addition to and as a part of all other city taxes therein levied on such land, to be collected therewith.

At the time stated in the notice the city recorder shall open all bids in the presence of the council, and the city council shall consider the same, but shall have the right to reject any or all bids; in case a bid is accepted the city council shall enter into a contract in writing with the person or persons whose bid is so accepted for the performance of such work, and the council may require a bond for the performance of the contract. The city council shall as soon thereafter as may be, by resolution, levy a special tax or assessment sufficient to cover the contract price of the work, upon all the land abutting upon the work to be done, and upon each piece or parcel thereof in proportion to the frontage. The city recorder shall thereupon cause a notice to be published in the official paper of the city, if there is one, and if not then in any newspaper in the county; such notice shall state the fact of the levy of such special tax or assessment—the amount levied upon each lot or parcel of land, and the names of the owners, if known. The notice shall be published three (3) times and shall further state that the persons liable to such tax or assessment may pay the same at any time within six (6) weeks from the date of said notice to the city treasurer. At the time of publishing such notice the city recorder shall deliver the assessment roll to the city treasurer. At the end

of six (6) weeks the treasurer shall return the assessment roll to the city recorder, showing what taxes have been paid and what remain unpaid. The city recorder shall, before the first (1st) day of October following, or at such time as may be required by the laws of this state, certify to the county auditor the description of the lots or parcels of land upon which such special tax has not been paid, the amount of tax due on each and the names of the respective owners, if known. The city recorder shall add a penalty of ten (10) per cent. on all such taxes so certified to the county auditor. Such taxes so certified shall be entered and collected in the same manner that state and county taxes are collected, and when collected shall be paid over to the city treasurer.

SEC. 7. The city council may by an affirmative vote of two-thirds of all the members elected, by resolution order that any street, highway or alley, or any part thereof, shall be filled, graded, paved, macadamized or otherwise improved, or that any sewer, gutter or ditch shall be built or repaired without petition. When any such order has been made by the city council and recorder, all subsequent proceedings in the matter shall be the same as in cases where a petition of owners of more than one-half ($\frac{1}{2}$) of the abutting property is presented to the council.

SEC. 8. The city council may by resolution cause sidewalks to be constructed, repaired or relaid whenever they deem the public good may require it. Whenever the council shall order the construction, repairing or relaying of any sidewalk, they shall cause accurate plans and specifications to be made and filed in the office of the city recorder for the use of all persons interested, and shall cause to be published in the official newspaper of said city, if there is one, and if not, then in any newspaper in the county, notice to the owners or occupants of any lot or parcel of land adjoining such proposed sidewalk to construct, repair or relay so much thereof as adjoins their several lots or parcels of land according to such plans and specifications at his or their own proper expense and charges within a certain time designated in such notice, not less than twenty (20) days from the first publication thereof. Said notice shall contain a substantial description of the locality where such sidewalk is to be constructed, repaired or relaid, the nature of the work to be done (whether to be constructed, repaired or relaid), and the time in which the owners are required to do the same.

SEC. 9. If any such work or part thereof is not done in the manner prescribed by the said plans and specifications, and within the time designated by the said notice, the city council shall cause the same to be done at the expense of the lots or parcels of land adjoining such sidewalk, and shall advertise and receive proposals for the construction, repairing and relaying of such sidewalk, which shall be let to the lowest and best responsible bidder therefor at so much per lineal foot. Said bidder to furnish all material and make all necessary excavations. Said city council shall immediately and within five (5) days after the contract is let for the construction, repairing or relaying of any sidewalk, make an assessment roll and assess or levy the proper proportion of the amount upon the lots or parcels of land adjoining and abutting said sidewalk. Upon the adoption of the assess-

ment roll by said city council, they shall deliver a duplicate roll to the city treasurer and give notice by publication in the official paper, if there is one, and if not, then in any newspaper in the county for two (2) weeks, that said assessment has been made and may be paid to the city treasurer within six (6) weeks from the first publication of said notice. It shall be the duty of the city treasurer after the expiration of the said six (6) weeks to return the said assessment roll to the city recorder showing what assessments have been paid and those that remain unpaid. The city recorder shall certify such taxes to the county auditor in the same manner as street assessments are certified under the provisions of this chapter and shall be collected and paid over in the same manner.

SEC 10. No assessment in this chapter provided for, shall be set aside or held invalid by reason of any informality or irregularity in the proceedings prior to the entry thereof on the tax lists of the auditor of said county as herein required, unless it shall appear that by reason of any such informality or irregularity, an injustice has been done to the parties or party claiming to be aggrieved.

SEC 11. If in any case the city council shall deem that a part of the expense of doing any work provided for in this chapter should be borne by the city at large, they may by a two-thirds vote of all members, by resolution, order that a part of the expense, not exceeding one-third, shall be paid out of the city treasury.
