Description of
the design.

SEC. 2. The said design of the state seal shall be surrounded by appropriate representations of the moccasin flower indigenous to Minnesota. Surrounding said central design and appropriately arranged upon the said white ground shall be nineteen stars emblematic of the fact that Minnesota was the nineteenth state admitted into the Union after its formation by the original thirteen states. There shall also appear at the bottom of the flag in the white ground, so as to be plainly visible the word Minnesota.

A photograph of the said design, when adopted by the said commission, shall be placed for preservation in the office of the secretary of state, together with a copy of the resolution by which the said design was adopted, signed by the several members of the said committee, or a majority thereof. The secretary of state shall receive without charge the said design and resolution, and spread the latter upon his records, and thereupon and thereafter the said design shall be the only authorized design of a flag for the state of Minnesota.
