Be it enacted by the Legislature of the state of Minnesota:

95 C 205
99 - 19
99 - 307

Bounty.

SECTION 1. That there shall be paid out of the state treasury to any corporation, firm or person engaged in the manufacture of sugar in this state from beets, sorghum, or other yielding canes or plants, a bounty of one (1) cent per pound upon each and every pound of

C. 205 91-M . 30

sugar so manufactured under the conditions and restrictions of this act.

SEC. 2. No bounty shall be paid upon sugar not containing at least ninety (90) per cent of crystallized sugar. The quantity and quality of sugar upon which bounty is claimed shall be determined by the secretary of state, with whom all claimants shall, from time to time, file verified statements showing the quantity and quality of sugar manufactured by them, and upon which such bounty is claimed. Standard required.

The said secretary shall, without unnecessary delay, visit or cause to be visited by such person as he shall designate in writing, the factory where said sugar has been produced or manufactured, and take such evidence by the sworn testimony of the officers or employes of such factory, or others, as to amount and quality of sugar so manufactured, as to him, or the person so designated by him, shall appear satisfactory and conclusive. Inspection.

The sugar so manufactured shall be placed by the manufacturer in original packages, which shall be examined and branded by the said secretary, or person by him designated, with a suitable brand, showing the quantity and quality of sugar contained in each of said packages of which an accurate account shall be kept by said inspector, and filed in the office of the secretary of state.

SEC. 3. It shall be the duty of the secretary of the state to appoint a resident inspector at each town where one (1) or more manufactories of sugar may be located in this state, the aggregate output of which factories shall exceed five hundred (500) pounds of sugar per day, and such examiner shall make such examinations, take such evidence and make such records and reports as is specified in section two (2) of this act. Resident inspector.

The compensation or fee for such services of said resident inspector shall not exceed the sum of twenty-five (25) cents per package for each package so branded, nor the sum of five (5) dollars per day for any one (1) day's service, and such resident inspector shall be required to give a good and sufficient bond in the sum of not less than two thousand (2,000) dollars to the State of Minnesota, contingent on the faithful performance of his duties, said bond to be approved by the said secretary of the state. Compensation.

Said fees for compensation, together with the cost of said brand and any and all analysis that the said secretary of the state or other authorized inspectors shall require to be made, shall be borne and paid by the claimant for said bounty.

Payment of
bounty.

SEC. 4. When any claim arising under this act is filed, verified and approved by the secretary of the state, as herein provided, he shall certify the same to the auditor of state, who shall draw a warrant upon the state treasurer for the amount due thereon, payable to the party or parties to whom said sum or sums are due.

Provided, that no bounty as herein provided shall be paid before the first (1st) day of January eighteen hundred and ninety-six (1896).

SEC. 5. This act shall take effect and be in force on and after its passage.

Approved April 16th, 1895.

CHAPTER 206.

Pound fishnets

An act to regulate the use of pound nets in international waters.

95 C 206
99 - 178

Be it enacted by the Legislature of the state of Minnesota:

Licensing use
of.

SECTION 1. The board of game and fish commissioners of this state are hereby authorized to license the use, in international waters, of pound nets of the character and subject to the regulations hereinafter contained and to issue licenses for such use, and when said nets are of the character herein allowed and being used in conformity with this act and the license granted by said board, their use is hereby legalized. The size of the mesh of the pot or pound of the pound net shall not be less than one and three-fourths ($1\frac{3}{4}$) inches bar measure or three and one-half ($3\frac{1}{2}$) inches extension measure.

Regulations.

Said pound nets may be set in strings; but no string of such nets shall exceed three (3) in number, and the leads of such nets shall in no case exceed the following lengths:

The shore lead, eighty (80) rods and the leads between the pounds or pots, fifty (50) rods in length.

Said net or string of nets shall not be set less than twenty-five hundred (2500) feet apart nor within five hundred (500) feet of the mouth of any stream and for every ten (10) miles of nets set there shall remain an open space of five (5) miles where no nets shall be set, which five (5) miles space shall be in excess of the twenty-five hundred (2500) feet above mentioned.

Application for
license.

SEC. 2. Any one desiring to use such net, or string of nets shall, before so doing, make written application for such privilege to the board of game and fish com-
