S. F. No. 619.

*An act to confirm and establish certain public highways.*

Certain highways confirmed.

Be it enacted by the Legislature of the state of Minnesota:

SECTION 1. That any road within this state, more than twenty miles in length, and lying wholly in unorganized townships, which has been in use as a public road or highway during more than one year next preceding the time when this act shall take effect, and which has been heretofore surveyed by or under the direction of the county surveyor, and the record of such survey plated and recorded in the book of county roads of the county in which such road is situated, and in the construction, improvement or repairing of such road more than ten thousand dollars has been appropriated and used from the treasury of the county in which such road lies, is hereby declared to be a public county road and highway, and is confirmed and established as such, whether the same has been lawfully laid out, established and opened or not.

All roads or highways established by this act shall be subject to be altered or vacated, the same as other county roads.

This act shall not affect any action or proceeding now pending in any court of this state.

SEC. 2. This act shall take effect and be in force from and after its passage.

Approved April 21, 1897.
