CHAPTER 79.

S. F. No. 239.

An Act to provide for the issuing of certificates of indebtedness to defray the cost of paving street intersections in certain cases, in cities of over fifty thousand inhabitants.

To defray cost of paving street intersections in cities with over 50,000 population.

Be it enacted by the Legislature of the State of Minnesota:

SECTION 1. That in cities of the State of Minnesota now or hereafter containing over fifty thousand inhabitants, according to the last national or state census, the proper authorities of said cities, in providing by order or ordinance for the paving of any street in said city, are hereby authorized to provide therein for the issuing of certificates of indebtedness to an amount sufficient to defray the expense of the paving of street intersections with other streets which intersect the paved street at an angle of less than sixty or more than one hundred and twenty degrees, said certificates of indebtedness to bear interest at such rate and to be payable out of the general fund of such city, at such time as the common council of such city shall prescribe, and shall be signed by the mayor and city clerk. Provided, that such certificates of indebtedness shall be issued only when there is not sufficient money in the general fund properly applicable to the cost of paving such intersections. Provided, further, that where there is any sum in the general fund properly applicable to the payment of such cost, certificates of indebtedness shall only be issued for the amount of the dif-
